MANAGEMENT DISCUSSIONS AND ANALYSIS REPORT

The purpose of this discussion is to provide an understanding of financial statements and a composite summary of performance of our business. Management Discussion and Analysis (MDA) is structured as follows:

OVERALL REVIEW:

India recovered from the pandemic in FY22 and positioned itself to ascend to the pre-pandemic growth path. During FY23, India faced challenges in reining inflation which was accentuated by the global geopolitical developments. The average retail inflation for FY23 was 6.7 per cent. That India is poised to retain its position as the fastest-growing major economy with a GDP growth estimated at around 7.2% in FY23 and about 6.5% plus GDP in FY24. The economic progress in FY24 will be supported by robust domestic demand and a healthy pick-up in capital formation.

The measure thrust on infrastructure creation in the Union Budget 2023 is expected to have a significant positive impact cascading on multiple sectors.

Geopolitical developments triggered high energy costs in 2022. Also, supply-side disruptions distorted consumer prices. As a result, unreasonable inflation prevailed across the globe - averaging around 9%. Majority of the global central banks tightened the monetary policy to restore price stability.

Rising interest rates and the developments in Eastern Europe will continue to cast a grim shadow on global economic stability, however, the reopening of China's economy, higher global demand and slowing inflation projected across certain countries in the year ahead have seemingly paved the way for a healthy recovery.

COMPANY PERFORMANCE/ REVIEW OF OPERATIONS:

FY 2022-23 was a landmark year for the company as the top line of the company crossed Rs. 116 crores, this marks for almost 9% Y-o-Y growth in the annual turnover of the company. The Non-Woven business performed exceptionally well showing an annual increase in the turnover by almost 30%. The performance of the PSF division was also increased by approximately 14%. The Company is taking appropriate cost optimisation measure, the management expects that the Engineering division will also do better in the current year.

During the year under review, Company had participated in Textile Machinery Exhibition that was 10th International Exhibition & Conference on Technical Textiles **TECHNOTEX-2023** during the year. The Company has received very encouraging response from the Customers and these efforts are expected to help the division perform robustly during FY24.

Brief Introduction of Your Company

Your Company is one of the leading producers of textile processing and finishing machinery in India. The Machinery produced by your company has found acceptance by reputed clients in India and abroad. Your company has also exported its products to over 25 countries, including to a prestigious market like U.K.

Your company has manufacturing facilities spread over 50,000 square feet in Umbergam, Gujarat.

Your company is also engaged in Production of Non-woven fabrics used mainly for auto interiors and filtration and hygiene segments at its plant in Umbergam which has factory building of approx. 1,10,000 square feet.

Your Company is also engaged in the production of polyester staple fibre by recycling pet bottle and waste polyester, at its plant in Gondhe, Nashik.

Strengths

Over the years your company has acquired Product and Domain Expertise in all the products manufactured. Your Company also has excellent technical and design team that can take up special tailor-made projects even for non-textile applications. Your company has best in class infrastructure and plant and machinery in this business. The PSF business is environmentally friendly green business as it recycles Pet Bottles and Other Polyester Scrap into PSF. Your Company has domain expertise and experience in this Business and best in class infrastructure. Your Company has ambitious Plans of Expansion in this Business.

Your Company has wide range of Products in its Non-Woven Business which caters to a wide range of clients. With PSF plant providing assured raw material supply, your Company is in a unique position in the Business.

Quality

Harish Machines are known and well respected for its Quality and productivity and command a premium valuation.

The PSF and Non-Woven Products of Your Company are well known and respected for their Highest Quality Standards.

Outlook

Outlook for the current financial year 2023-24 seems to be better with Non-Woven business attaining monthly highest turnover and expanded Non-Woven capacity has started to yield fruits in the current year.

The overall scenario for Engineering and PSF is also encouraging.

The recycling industry has evolved from viable businesses in medium term to long term and now the recycling industry is seen/taken as “**must have**” from “**good to have**” for overall ecological development resulting to move the industry to main stream from the side stream.

A number of Companies are looking for recycled material to reduce their carbon foot prints, automotive industries is one of the leading industries among this. Our Company’s products Fibre and Non-Woven Fabrics are mainly supplied to automotive ancillary companies and hence we are one of the few Company that can address their growing appetite/demand.

Opportunities and threats

Opportunities:

For engineering business export markets offer exciting opportunities. Specialised, tailor made non textile customers also offer excellent growth prospects.

For PSF business, there are ambitious expansion plans and with the auto sales picking up sharply, the opportunities for Non-Woven and PSF have improved substantially.

Threats:

The threats are in relation to the economic slow-down, liquidity issues, recent spurt in Raw Material prices and any adverse government policies. However, since textile industry is one of the top-three employment generators, the government policies are expected to be conducive and supportive.

Other Threats:

Geopolitical

- Emerging geopolitical trade
- restrictions and supply chain challenges

New Competition

- New competitors are entering the market

Financial

- Volatility in Indian Rupee (₹) and US Dollar (\$) exchange rates
- The emerging scenario of higher interest rate regime.

Cyber-Security

- Data loss/Thefts

- Domain-based threats
- Hactivism

FOR THE FINANCIAL YEAR ENDED 31ST MARCH, 2023

To,
The Members
Harish Textile Engineers Limited
2nd Floor, 19 Parsi Panchayat Road,
Andheri East, Mumbai-400069

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **HARISH TEXTILE ENGINEERS LIMITED** (hereinafter called 'the Company'). Secretarial Audit was conducted in a manner that provided me with a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, We hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on 31st March, 2023 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and the records maintained by the Company for the financial year ended on 31st March, 2023 according to the provisions of the Companies Act, 2013 and the rules made there under:

- i. The Companies Act, 2013 (the Act) and the rules made there under;

INDEPENDENT AUDITOR'S REPORT

To the Members of Harish Textile Engineers Limited.

Report on the Audit of the Financial Statements

Qualified Opinion

We have audited the accompanying financial Statements of **Harish Textile Engineers Limited** ("the Company") which comprises the Balance Sheet as at 31st March, 2023 and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Cash Flow Statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, except for the effect of the matters described in the Basis for Qualified Opinion section of our report, the aforesaid financial Statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2023, the loss and total comprehensive income, the changes in equity and its cash flows for the year ended on that date.

Basis for Qualified Opinion

The Company has not provided for gratuity liability of employees as required by Ind AS 19 on "Employee Benefits" (Refer Note No. 28.1). The impact of the same could not be quantified in the absence of actuarial valuation/management estimate. Our audit opinion on the financial statements for the year ended 31 March 2023 is qualified in respect of the said matter.

We conducted our audit of the Financial Statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial Statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion on the Financial Statements.

Emphasis of matter

We draw attention to the following matters. Our opinion is not modified in respect of these matters:

- a. Note 36(1) of notes to the financial statement for year ended March 31, 2023 which states that the Company has received notice on 14th May 2022 from Shree Nikhil H Gandhi, Smt. Chhaya N. Gandhi and Smt. Kumudben H. Gandhi, claiming to be Shareholders of Pacific Harish Industries Limited ("PHIL"), that they have filed a company petition with Hon. NCLT, Mumbai Bench, inter-alia contending that the business of Non-Woven and PSF transferred to the Company by PHIL by way of Slump-sale w.e.f. April 01, 2019 was without obtaining the approval of Shareholders of PHIL and hence such transfer is invalid. The Company is taking appropriate legal recourse to protect its interest.
- b. Note 36(2) of notes to the financial statement for year ended March 31, 2023 which states that the Term Loan and other Credit facilities from Bank of India are, inter-alia secured by Corporate Guarantee and mortgage of properties of Kasha Textile Private Limited (KTPL). One of the Shareholders of KTPL has claimed that the said corporate guarantee and security were given by KTPL without obtaining consent of Shareholders as is required in terms of section 186 of Companies Act, 2013. The company is taking appropriate legal recourse to protect its interest.
- c. The Company is not regular in depositing Income tax and TDS with appropriate authority.

Report on Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. We have determined that there are no key audit matters to communicate in our report.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the financial statements and auditor's report thereon.

Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and those charged with governance for the financial Statements

The Company's Management and Board of Directors are responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial Statements that give a true and fair view of the financial position, financial performance, including total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India, including Accounting Standards (Ind AS) specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of financial statement

Our objectives are to obtain reasonable assurance about whether the financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial Statements, including the disclosures, and whether the financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

2. As required by Section 143(3) of the Act, we report that:

2A

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- d) In our opinion, the aforesaid standalone financial statements comply with the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, except requirement of Ind AS 19 on "Employee Benefits" with regard to matters described in the Basis of Qualified Opinion paragraph above.
- e) On the basis of the written representations received from the directors as on 31st March, 2023 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2023 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the Internal Financial Control over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in Annexure "B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.

2.B With respect to the other matters to be included in the Auditors' Report in accordance with Rules 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us and as represented by the management:

- i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements as referred to in Note 36 to the financial statements;
- ii. The Company has made provision, as required under the applicable law or Ind AS, for material foreseeable losses, if any, on long-term contracts including derivative contracts;
- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
- iv.

individually or in aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other persons or entities, including foreign entities (“Intermediaries”), with the understanding whether recorded in writing or otherwise, that the Intermediary shall whether directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate beneficiaries;

- b. Management has represented to us that, to the best of it’s knowledge and belief other than as disclosed in the notes to the accounts no funds (which are material either individually or in aggregate) have been received by the company from any persons or entities , including foreign entities (“Funding parties”), with the understanding whether recorded in writing or otherwise , that the company shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the funding party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
- c. Based on our audit procedure conducted that are considered reasonable and appropriate in the circumstances, nothing has come to our attention that cause us to believe that the representation under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- v. The company has not declared or paid any dividend during the current year.
- vi. (As proviso to rule 3(i) of the Companies (Accounts) Rules, 2014 is applicable for the Company only with effect from April 01, 2023, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 is not applicable.

2.C With respect to the other matters to be included in the Auditor’s Report in accordance with the requirements of the section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanation given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

ANNEXURE – A TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 1 under “Report on the Other Legal and Regulatory Requirements’ section of our report of even date)

- i.
- a.
 - A. The Company is maintaining proper records showing full particulars, including quantitative details and situation, of Property, Plant and Equipment.
 - B. The Company does not have intangible assets. Hence, the said clause is not applicable.
 - b. The Property, Plant and Equipment are physically verified by the management according to a phased programme designed to cover all the items over a period of three years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the programme, a portion of the Property, Plant and Equipment has been physically verified by the management during the year and no material discrepancies have been noticed on such verification.
 - c. The title deeds of all the immovable properties (other than where the Company is the lessee and the lease agreements are duly executed in favour of the lessee) disclosed in the financial statements are held in the name of the Company, except for the following:

INR in Lacs

Description of property	Gross carrying value	Held in the name of	Whether promoter, director or their relative or employee	Period held - indicate range, where appropriate	Reason for not being held in the name of the Company*
Land	650	Mr. Sandeep Gandhi	Yes (Director and Promoter)	From 31/12/2019	Refer note no. 38

- d. The Company has not revalued its Property, Plant and Equipment (including Right of Use assets) or intangible assets or both during the year. Accordingly, the reporting under clause 3(i)(d) of the order is not applicable to the Company.
 - e. Based on the information and explanations furnished to us, no proceedings have been initiated on or are pending against the Company for holding benami property under the Prohibition of Benami Property Transactions Act, 1988 (as amended in 2016) (formerly the Benami Transactions (Prohibition) Act, 1988 (45 of 1988)) and Rules made thereunder, and therefore the question of our commenting on whether the company has appropriately disclosed the details in its financial statements does not arise.
- ii.
- a. The physical verification of inventory (excluding stocks with third parties) has been conducted at reasonable intervals by the Management during the year and, in our opinion, the coverage and procedure of such verification by Management is appropriate. In respect of inventory lying with third parties, these have substantially been confirmed by them. In respect of inventories of stores and spares, the Management has a verification programme designed to cover the item over a period of three years. The discrepancies noticed on physical verification of

inventory as compared to book records were not 10% or more in aggregate for each class of inventory.

- b.** During the year, the Company has working capital limits in excess of Rs. 5 crores, in aggregate, from banks on the basis of security of current assets. The Company has filed quarterly returns or statements with such banks and financial institutions, which are in agreement with the unaudited books of account.
- iii.** According to information and explanations given to us, the Company has not granted any loans, secured or unsecured to Companies, Firms, Limited Liabilities Partnerships or other parties covered in the register maintained under section 189 of the Act. Therefore, the provisions of Para 3 (iii) [(a) to (c)] of the Companies (Auditor's Report) Order, 2016 are not applicable to the company.
- iv.** In our opinion, and according to the information and explanations given to us, the Company has complied with the provisions of Sections 185 and 186 of the Companies Act, 2013 in respect of the loans and investments made, and guarantees and security provided by it.
- v.** According to the information and explanations given to us, the Company has not accepted any deposits during the year from the public within the meaning of provisions of section 73 to 76 of the Companies Act, 2013 and the rules framed there under and therefore, reporting under clause (V) of the order is not applicable to the Company.
- vi.** We have broadly reviewed the books of account maintained by the Company pursuant to the rules made by the Central Government for the maintenance of cost records under section 148(1) of the Act, related to manufacture and supply of textile machineries, spares, related services, non-woven fabric, auto interior, technical textile and regenerated polyester staple fibre and are of the opinion that prima facie, the specified accounts and records have been made and maintained. We have not, however, made a detailed examination of the records with a view to determine whether they are accurate or complete.
- vii.**
- a.** According to the information and explanations given to us and the records of the Company examined by us, in our opinion, the Company is regular in depositing undisputed statutory dues, including employees' provident fund, employees' state insurance, sales tax, income tax, service tax, duty of customs, duty of excise, value added tax, goods and services tax, professional tax and other material statutory dues, as applicable, with the appropriate authorities and there are no such outstanding dues as at the yearend for a period of more than six month from the date they became payable except the following:

INR in Lacs

Name of Statute	Nature of Dues	Period to which the Amount Relates	Amount Unpaid
Income Tax Act 1961	Tax Deducted at Source	Apr-19 to March 2023	23.29
Professional Tax Act	Professional Tax	Dec-19 to March 2023	0.38

- b.** According to the information and explanations given to us and the records of the Company examined by us, there are no statutory dues referred to in sub-clause (a) which have not been deposited with the appropriate authority on account of any dispute.

- viii. According to the information and explanations given to us and the records of the Company examined by us, there are no transactions in the books of account that has been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961, that has not been recorded in the books of account.
- ix.
- a. According to the records of the Company examined by us and the information and explanation given to us, the Company has not defaulted in repayment of loans or other borrowings or in the payment of interest to any lender during the year.
 - b. According to the information and explanations given to us and on the basis of our audit procedures, we report that the Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
 - c. In our opinion, and according to the information and explanations given to us, the term loans have been applied for the purposes for which they were obtained.
 - d. According to the information and explanations given to us, and the procedures performed by us, and on an overall examination of the financial statements of the Company, we report that no funds raised on short-term basis have been used for long-term purposes by the Company.
 - e. According to the information and explanations given to us and on an overall examination of the financial statements of the Company, we report that the Company does not have any subsidiaries, associates and joint ventures. Hence, the said clause is not applicable.
 - f. According to the information and explanations given to us and procedures performed by us, we report that that the Company does not have any subsidiaries, associates and joint ventures. Hence, the said clause is not applicable.
- x.
- a. The Company has not raised any money by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, the reporting under clause 3(x)(a) of the Order is not applicable to the Company.
 - b. The Company has not made any preferential allotment or private placement of shares or fully or partially or optionally convertible debentures during the year. Accordingly, the reporting under clause 3(x)(b) of the Order is not applicable to the Company.
- xi.
- a. During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither come across any instance of material fraud by the Company or on the Company, noticed or reported during the year, nor have we been informed of any such case by the management.
 - b. During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, a report under Section 143(12) of the Act, in Form ADT-4, as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 was not required to be filed with the Central Government. ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT

Referred to in paragraph 2(f) under "Report on the Other Legal and Regulatory Requirements" section of our report of even date.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Harish Textile Engineers Limited ("the Company") as of March 31, 2023 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

1. Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

2. Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statement of the Company were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

3. Meaning of Internal Financial Controls with reference to financial statements.

A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

4. Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

5. Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an internal financial controls with reference to Financial Statements of the Company and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over financial reporting issued by the Institute of Chartered Accountants of India.

Notes on the Financial Statements
for the year ended 31st March 2023.

1. Company overview

Harish Textile Engineers Limited ("Company") is a public limited company domiciled in India and incorporated under the provisions of the Companies Act, 1956. The registered office of the Company is located 2nd Floor 19, Parsi Panchayat Road, Andheri (East), Mumbai- 400069, India.

Harish Textile Engineers Limited ("the Company") is manufacturing organization engaged in manufacturing of Textile Processing, Finishing Machineries, Non-Textile Projects and Regenerated Polyester Staple Fibre.

2. Basis of preparation

a. Statement of Compliance

The Ind AS Financial Statements of the Company for the year ended March 31, 2022 have been prepared under Indian Accounting Standards ('Ind AS') notified under Section 133 of the Companies Act, 2013 read with the Companies (Indian Accounting Standards) Rules, 2015.

b. Functional and presentation currency

These financial statements are presented in Indian Rupees (INR), which is the Company's functional currency. All amounts have been rounded-off to the nearest lakh, unless otherwise indicated.

c. Basis of measurement

The financial statements have been prepared on the historical cost convention.

d. Use of estimates and judgments

In preparing these financial statements, management has made judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised prospectively.

- Note 4- Estimates of Useful life and residual value of Property, plant and equipment and other intangible assets
- Note 33 - Current / Deferred tax expense
- Note 10 – Provision for Expected credit loss on Trade receivables
- Note 36 - Provision and contingent liabilities.

Notes on the Financial Statements
for the year ended 31st March 2023.

3. Significant Accounting Policies

a. Foreign currency transaction

Transactions in foreign currencies are translated into the respective functional currencies of the Company at the exchange rates at the date of the transaction or at an average rate if the average rate approximates the actual rate at the date of the transaction.

Monetary assets and liabilities denominated in foreign currencies are translated into the functional currency at the exchange rate at the reporting date. Non-monetary assets and liabilities that are measured at fair value in a foreign currency are translated into the functional currency at the exchange rate when the fair value was determined. Non-monetary assets and liabilities that are measured based on historical cost in a foreign currency are translated at the exchange rate at the date of the transaction. Exchange differences are recognised in profit or loss.

The financial statements are presented in Indian Rupees (C) which is the Company's presentation currency. All financial information presented in Indian Rupees has been rounded up to the nearest Lakhs except where otherwise indicated.

b. Current and non-current classification

The Company presents assets and liabilities in the balance sheet based on current / non-current classification. An asset is treated as current when it is:

- expected to be realised or intended to be sold or consumed in normal operating cycle,
- held primarily for the purpose of trading,
- expected to be realised within twelve months after the reporting period, or
- cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- it is expected to be settled in normal operating cycle,
- it is held primarily for the purpose of trading,
- it is due to be settled within twelve months after the reporting period, or
- there is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current.

Notes on the Financial Statements
for the year ended 31st March 2023.

The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

c. Revenue from contracts with customers

Revenue from contracts with customers is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services. The Company assesses promises in the contract that are separate performance obligations to which a portion of transaction price is allocated.

Revenue is measured based on the transaction price as specified in the contract with the customer. It excludes taxes or other amounts collected from customers in its capacity as an agent. In determining the transaction price, the Company considers below, if any:

- a) **Variable consideration** – This includes bonus, incentives, discounts etc. It is estimated at contract inception and constrained until it is highly probable that a significant revenue reversal in the amount of cumulative revenue recognised will not occur when the associated uncertainty with the variable consideration is subsequently resolved. It is reassessed at end of each reporting period.
- b) **Significant financing component** - Generally, the Company receives short-term advances from its customers. Using the practical expedient in Ind AS 115, the Company does not adjust the promised amount of consideration for the effects of a significant financing component if it expects, at contract inception, that the period between the transfer of the promised good or service to the customer and when the customer pays for that good or service will be one year or less.
- c) **Consideration payable to a customer** – Such amounts are accounted as reduction of transaction price and therefore, of revenue unless the payment to the customer is in exchange for a distinct good or service that the customer transfers to the Company.

In accordance with Ind AS 37, the Company recognizes a provision for onerous contract when the unavoidable costs of meeting the obligations under a contract exceed the economic benefits to be received.

Contract modifications

Contract modifications are accounted for when additions, deletions or changes are approved either to the contract scope or contract price. The accounting for modifications of contracts involves assessing whether the services added to the

Notes on the Financial Statements
for the year ended 31st March 2023.

existing contract are distinct and whether the pricing is at the standalone selling price. Services added that are not distinct are accounted for on a cumulative catch up basis, while those that are distinct are accounted for prospectively, either as a separate contract, if additional services are priced at the standalone selling price, or as a termination of existing contract and creation of a new contract if not priced at the standalone selling price.

Contract assets

A contract asset is the right to consideration in exchange for goods or services transferred to the customer e.g. unbilled revenue. If the Company performs its obligations by transferring goods or services to a customer before the customer pays consideration or before payment is due, a contract asset i.e. unbilled revenue is recognised for the earned consideration that is conditional. The contract assets are transferred to receivables when the rights become unconditional. This usually occurs when the Company issues an invoice to the Customer.

Trade receivables

A receivable represents the Company's right to an amount of consideration that is unconditional i.e. only the passage of time is required before payment of consideration is due.

Contract liabilities

A contract liability is the obligation to transfer goods or services to a customer for which the Company has received consideration (or an amount of consideration is due) from the customer. Contract liabilities are recognized as revenue when the Company performs under the contract.

The accounting policies for the specific revenue streams of the Company as summarized below:

Sale of goods

Revenue from sale of goods is recognized when control of the goods is transferred to the customer which usually is on delivery of the goods under the terms of contract at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods. Sales are inclusive of excise duty but are net of sales returns, sales tax, goods and service tax and rate difference adjustments if any.

Service income

Revenues from services is recognized based on the services rendered in accordance with the terms of the contract and there are no uncertainties involved to its ultimate realization.

Notes on the Financial Statements
for the year ended 31st March 2023.

Others

Export incentives are accrued in the year when the right to receive credit is established in respect of exports made and are accounted to the extent there is no significant uncertainty about the measurability and ultimate realization/ utilization of such benefits/ duty credit.

Revenue from scrap sales and other ancillary sales is recognized when the control over the goods is transferred to the customers.

d. Recognition of interest income or expense

Interest on investments is booked on a time proportion basis taking into account the amounts invested and the rate of interest.

Commission income is recognised on accrual basis.

e. Property, plant and equipment and Depreciation

Recognition and measurement

Property, Plant & Equipment's (PPE) comprises of Tangible assets and Capital Work in progress. PPE are stated at cost, net of tax/duty credit availed, if any, after reducing accumulated depreciation until the date of the Balance Sheet.

The Cost of PPE comprises of its purchase price or its construction costs (net of applicable tax credit, if any), any cost directly attributable to bring the asset into the location and condition necessary for it to be capable of operating in the manner intended by the management. It includes professional fees and, for qualifying PPE, borrowing costs capitalised in accordance with the Company's accounting policy. Such properties are classified to the appropriate categories of PPE when completed and ready for intended use. Parts of an item of PPE having different useful lives and material value and subsequent expenditure on PPE arising on account of capital improvement or other factors are accounted for as separate components. Critical spares of PPE having life of more than one year are capitalized as a separate component in PPE. Capital work in progress includes the cost of PPE that are not yet ready for the intended use.

Subsequent expenditure

Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Company.

Pre-Operative Expenses

Expenses incurred relating to project, net of income earned during the project development stage prior to its intended use, are considered as pre-operative expenses and disclosed under Capital Work-in-Progress. Cost of assets not ready for intended use, as on balance sheet date is shown as capital work in progress.

Notes on the Financial Statements
for the year ended 31st March 2023.

Advances given towards acquisition of property, plant and equipment outstanding at each balance sheet date are disclosed as other non-current assets.

Depreciation

In respect of Property, Plant and Equipment, depreciation is charged on a straight line basis so as to write off the cost of the assets over the useful lives as prescribed under Part C of Schedule II to the Companies Act 2013.

Derecognition

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in the statement of profit and loss.

f. Intangible assets

Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortisation and accumulated impairment losses.

Intangible assets with indefinite useful lives that are acquired separately are carried at cost less accumulated impairment losses.

g. Impairment of Assets

Property, Plant and Equipment or Intangible asset is evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the CGU to which the asset belongs. If such assets are considered to be impaired, the impairment has to be recognised in the Statement of Profit and Loss.

An impairment loss is reversed in the Statement of Profit and Loss if there has been a change in the estimates used to determine the recoverable amount. The carrying amount of the asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated amortisation) had no impairment loss been recognised for the asset in prior years.

Notes on the Financial Statements
for the year ended 31st March 2023.

h. Impairment Financial instruments

The Company recognises loss allowances for expected credit losses on financial assets measured at amortised cost.

At each reporting date, the Company assesses whether financial assets carried at amortised cost are credit-impaired. A financial asset is 'credit-impaired' when one or more events that have a detrimental impact on the estimated future cash flows of the financial asset have occurred.

Evidence that a financial asset is credit-impaired includes the following observable data:

- significant financial difficulty of the borrower or issuer;
- a breach of contract such as a default or being past due for 180 days or more;
- the restructuring of a loan or advance by the Company on terms that the Company would not consider otherwise;
- it is probable that the borrower will enter bankruptcy or other financial reorganization; or
- the disappearance of an active market for a security because of financial difficulties.

The Company measures loss allowances at an amount equal to lifetime expected credit losses, except for bank balances for which credit risk (i.e. the risk of default occurring over the expected life of the financial instrument) has not increased significantly since initial recognition, which are measured as 12 month expected credit losses.

Loss allowances for trade receivables are always measured at an amount equal to lifetime expected credit losses. Lifetime expected credit losses are the expected credit losses that result from all possible default events over the expected life of a financial instrument. Twelve months expected credit losses are the portion of expected credit losses that result from default events that are possible within 12 months after the reporting date (or a shorter period if the expected life of the instrument is less than 12 months).

In all cases, the maximum period considered when estimating expected credit losses is the maximum contractual period over which the Company is exposed to credit risk. When determining whether the credit risk of a financial asset has increased significantly since initial recognition and when estimating expected credit losses, the Company considers reasonable and supportable information that is relevant and available without undue cost or effort. This includes both quantitative and qualitative

Notes on the Financial Statements
for the year ended 31st March 2023.

information and analysis, based on the Company's historical experience and informed credit assessment and including forward-looking information.

Measurement of expected credit losses

Expected credit losses are a probability-weighted estimate of credit losses. Credit losses are measured as the present value of all cash shortfalls (i.e. the difference between the cash flows due to the Company in accordance with the contract and the cash flows that the Company expects to receive).

Presentation of allowance for expected credit losses in the balance sheet

Loss allowances for financial assets measured at amortised cost are deducted from the gross carrying amount of the assets.

Impairment of non-financial instruments

The Company's non-financial assets, other than inventories and deferred tax assets, are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated.

For impairment testing, assets that do not generate independent cash inflows are grouped together into cash-generating units (CGUs). Each CGU represents the smallest group of assets that generates cash inflows that are largely independent of the cash inflows of other assets or CGUs.

The recoverable amount of a CGU (or an individual asset) is the higher of its value in use and its fair value less costs to sell. Value in use is based on the estimated future cash flows, discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the CGU (or the asset).

The Company's corporate assets (e.g., central office building for providing support to various CGUs) do not generate independent cash inflows. To determine impairment of a corporate asset, recoverable amount is determined for the CGUs to which the corporate asset belongs.

An impairment loss is recognised if the carrying amount of an asset or CGU exceeds its estimated recoverable amount. Impairment losses are recognised in the statement of profit and loss. Impairment loss recognised in respect of a CGU is allocated first to reduce the carrying amount of any goodwill allocated to the CGU, and then to reduce the carrying amounts of the other assets of the CGU (or group of CGUs) on a pro rata basis.

In respect of other assets for which impairment loss has been recognised in prior periods, the Company reviews at each reporting date whether there is any indication that the loss has decreased or no longer exists. An impairment loss is reversed if there

Notes on the Financial Statements
for the year ended 31st March 2023.

has been a change in the estimates used to determine the recoverable amount. Such a reversal is made only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss had been recognised.

i. Financial instruments

Recognition and initial measurement

Trade receivables and debt securities issued are initially recognised when they are originated. All other financial assets and financial liabilities are initially recognised when the Company becomes a party to the contractual provisions of the instrument.

A financial asset or financial liability is initially measured at fair value plus, for an item not at fair value through profit and loss (FVTPL), transaction costs that are directly attributable to its acquisition or issue.

Classification and subsequent measurement

Financial assets on initial recognition, a financial asset is classified as measured at

- amortised cost;
- FVOCI – debt investment;
- FVOCI – equity investment; or
- FVTPL

Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Company changes its business model for managing financial assets.

A financial asset is measured at amortised cost if it meets both of the following conditions and is not designated as at FVTPL:

- a) the asset is held within a business model whose objective is to hold assets to collect contractual cash flows; and
- b) the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

A debt investment is measured at FVOCI if it meets both of the following conditions and is not designated as at FVTPL:

- a) the asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets; and
- b) the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Notes on the Financial Statements
for the year ended 31st March 2023.

At present, the Company does not have investments in any debt securities classified as FVOCI.

j. Financial guarantee contracts

A financial guarantee contract is a contract that requires the issuer to make specified payments to reimburse the holder for a loss it incurs because a specified debtor fails to make payments when due in accordance with the terms of a debt instrument.

Financial guarantee contracts issued by a Company entity are initially measured at their fair values and, if not designated as at FVTPL, are subsequently measured at the higher of:

- the amount of loss allowance determined in accordance with impairment requirements of Ind AS 109; and
- the amount initially recognised less, when appropriate, the cumulative amount of income recognised in accordance with the principles of Ind AS 18.

k. Financial assets: Business model assessment

The Company makes an assessment of the objective of the business model in which a financial asset is held at a portfolio level because this best reflects the way the business is managed and information is provided to management. The information considered includes:

- the stated policies and objectives for the portfolio and the operation of those policies in practice. These include whether management's strategy focuses on earning contractual interest income, maintaining a particular interest rate profile, matching the duration of the financial assets to the duration of any related liabilities or expected cash outflows or realising cash flows through the sale of the assets;
- how the performance of the portfolio is evaluated and reported to the Company's management;
- the risks that affect the performance of the business model (and the financial assets held within that business model) and how those risks are managed;
- how managers of the business are compensated – e.g. whether compensation is based on the fair value of the assets managed or the contractual cash flows collected; and
- the frequency, volume and timing of sales of financial assets in prior periods, the reasons for such sales and expectations about future sales activity.

Transfers of financial assets to third parties in transactions that do not qualify for derecognition are not considered sales for this purpose, consistent with the Company's continuing recognition of the assets.

Assessment whether contractual cash flows are solely payments of principal and interest.

Notes on the Financial Statements
for the year ended 31st March 2023.

For the purposes of this assessment, 'principal' is defined as the fair value of the financial asset on initial recognition. 'Interest' is defined as consideration for the time value of money and for the credit risk associated with the principal amount outstanding during a particular period of time and for other basic lending risks and costs (e.g. liquidity risk and administrative costs), as well as a profit margin.

In assessing whether the contractual cash flows are solely payments of principal and interest, the Company considers the contractual terms of the instrument. This includes assessing whether the financial asset contains a contractual term that could change the timing or amount of contractual cash flows such that it would not meet this condition. In making this assessment, the Company considers:

- contingent events that would change the amount or timing of cash flows;
- terms that may adjust the contractual coupon rate, including variable interest rate features;
- prepayment and extension features; and
- terms that limit the Company's claim to cash flows from specified assets (e.g. non-recourse features).

A prepayment feature is consistent with the solely payments of principal and interest criterion if the prepayment amount substantially represents unpaid amounts of principal and interest on the principal amount outstanding, which may include reasonable additional compensation for early termination of the contract. Additionally, for a financial asset acquired at a significant discount or premium to its contractual par amount, a feature that permits or requires prepayment at an amount that substantially represents the contractual par amount plus accrued (but unpaid) contractual interest (which may also include reasonable additional compensation for early termination) is treated as consistent with this criterion if the fair value of the prepayment feature is insignificant at initial recognition.

Financial assets: Subsequent measurement and gains and losses

Financial assets at amortised cost	These assets are subsequently measured at amortised cost using the effective interest method. The amortised cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognised in profit or loss. Any gain or loss on derecognition is recognised in profit or loss
------------------------------------	---

Financial liabilities: Classification, subsequent measurement and gains and losses

Financial liabilities are classified as measured at amortised cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held-for-trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognised in profit or loss. Other financial liabilities are subsequently measured at

Notes on the Financial Statements
for the year ended 31st March 2023.

amortised cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognised in profit or loss. Any gain or loss on derecognition is also recognised in profit or loss.

Derecognition

Financial assets

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset. If the Company enters into transactions whereby it transfers assets recognised on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognized.

Financial liabilities

The Company derecognizes a financial liability when its contractual obligations are discharged or cancelled or expire. The Company also derecognizes a financial liability when its terms are modified and the cash flows under the modified terms are substantially different. In this case, a new financial liability based on the modified terms is recognised at fair value. The difference between the carrying amount of the financial liability extinguished and the new financial liability with modified terms is recognised in profit or loss.

Offsetting

Financial assets and financial liabilities are offset and the net amount presented in the balance sheet when, and only when, the Company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

I. Borrowing costs

Borrowing cost includes interest expense as per Effective Interest Rate (EIR), other costs incurred in connection with the borrowing of funds and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Borrowing costs directly relating to the acquisition, construction or production of a qualifying capital project under construction are capitalised and added to the project cost during construction until such time that the assets are substantially ready for their intended use i.e. when they are capable of commercial production. Where funds are borrowed specifically to finance a project, the amount capitalised represents the actual borrowing costs incurred. Where surplus funds are available out of money borrowed specifically to finance a project, the income

Notes on the Financial Statements
for the year ended 31st March 2023.

generated from such current investments is deducted from the total capitalized borrowing cost. Capitalisation of borrowing costs is suspended and charged to profit and loss during the extended periods when the active development on the qualifying assets is interrupted. EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial liability or a shorter period, where appropriate, to the amortised cost of a financial liability. When calculating the effective interest rate, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options).

m. Inventories

The inventories are valued at cost or net realizable value whichever is lower. The provision for inventory obsolescence is assessed at regular intervals and is provided as considered necessary. The basis of determining the value of each class of inventory is as follows:

Inventories	Cost Formula
Raw Material	At cost on first in first out basis.
Work in Process	Raw material cost plus conversion cost, wherever applicable.
Finished Goods	Raw material cost plus conversion cost, wherever applicable.
Traded Goods	At cost on first in first out basis.

n. Taxation

Tax expense comprises of current and deferred tax. It is recognised in the Statement of Profit and Loss except to the extent that it relates to a business combination, or items recognised directly in equity or in other comprehensive income

Current tax

Current tax is provided at amounts expected to be paid (or recovered) using the tax rates and laws that have been enacted or substantively enacted by the reporting date and includes any adjustment to tax payable in respect of previous years. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any, related to income taxes. It is measured using tax rates (and tax laws) enacted or substantively enacted by the reporting date.

Deferred Taxes

Deferred tax is provided, using the balance sheet method, on all deductible temporary differences at the reporting date between the tax bases of assets and liabilities and

Notes on the Financial Statements
for the year ended 31st March 2023.

their carrying amounts for financial reporting purposes and on carry forward of unused tax credits and unused tax loss.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply to the year when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date. Tax relating to items recognized outside profit or loss is recognised outside profit or loss (either in other comprehensive income or equity).

Deferred tax assets are recognized only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. In situations where the Company has unabsorbed depreciation or carry forward tax losses, deferred tax assets are recognised only if there is virtual certainty supported by convincing evidence that they can be realised against future taxable profits.

At each balance sheet date the Company reassesses unrecognized deferred tax assets. It recognises unrecognized deferred tax assets to the extent that it has become reasonably certain or virtually certain, as the case may be that sufficient future taxable income will be available against which such deferred tax assets can be realized.

The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Company expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

Minimum Alternative Tax ("MAT") credit is recognised an item in deferred tax asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. Such asset is reviewed at each Balance Sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer a convincing evidence to the effect that the Company will pay normal income tax during the specified period.

Presentation of current and deferred tax:

Current and deferred tax are recognized as income or an expense in the Statement of Profit and Loss or Equity, except when they relate to items that are recognized in Other Comprehensive Income, in which case, the current and deferred tax income/expense are recognized in Other Comprehensive Income or Equity.

The Company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously. In case of deferred tax assets and deferred tax liabilities, the same are offset if the Company has a legally enforceable right to set off corresponding current tax assets against current

Notes on the Financial Statements
for the year ended 31st March 2023.

tax liabilities and the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same tax authority on the Company.

o. Provisions, Contingent Liabilities and Contingent Assets

The Company recognizes a provision when there is a present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. Provisions are determined by discounting the expected future cash flows (representing the best estimate of the expenditure required to settle the present obligation at the balance sheet date) at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability.

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation that the likelihood of outflow of resources is remote, no provision or disclosure is made.

Contingent assets are neither recognised nor disclosed.

p. Cash and Cash equivalent

Cash and Cash equivalents for the purpose of Cash Flow Statement comprise cash, drafts and cheques in hand, bank balances, unencumbered demand deposits with banks where the original maturity is three months or less and other short term highly liquid investments. Bank overdrafts that are repayable on demand and form an integral part of the Company's cash management are included as a component of cash and cash equivalent for the purpose of Cash Flow Statement.

q. Employee benefits

Short-term employee benefits

Short-term employee benefit obligations are measured on an undiscounted basis and are expensed as the related service is provided. A liability is recognised for the amount expected to be paid, if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee, and the amount of obligation can be estimated reliably.

Defined contribution plans

The Company recognizes contribution payable to a defined contribution plan as an expense in the Statement of Profit and Loss when the employees render services to the Company during the reporting period.

Defined Benefit Plans

The company has not made provision for gratuity liability as per requirement of IndAS -19 "Employee Benefits".

Notes on the Financial Statements
for the year ended 31st March 2023.

r. Operating segments

The Company identifies primary segments based on the dominant source, nature of risks and returns and the internal organisation and management structure. The operating segments are the segments for which separate financial information is available and for which operating profit / loss amounts are evaluated regularly by the Chief Operating Decision Maker (CODM) in deciding how to allocate resources and in assessing performance.

The accounting policies adopted for segment reporting are in line with the accounting policies of the Company. Segment revenue, segment expenses, segment assets and segment liabilities have been identified to segments on the basis of their relationship to the operating activities of the segment.

Revenue, expenses, assets and liabilities which relate to the Company as a whole and are not allocable to segments on reasonable basis have been included under “unallocated revenue / expenses / assets / liabilities”.

s. Leases

Company as Lessee

Right-of-Use (ROU) assets are recognised at inception of a contract or arrangement for significant lease components at cost less lease incentives, if any. ROU assets are subsequently measured at cost less accumulated depreciation and impairment losses, if any. The cost of ROU assets includes the amount of lease liabilities recognised, initial direct cost incurred and lease payments made at or before the lease commencement date. ROU assets are generally depreciated over the shorter of the lease term and estimated useful lives of the underlying assets on a straight line basis. Lease term is determined based on consideration of facts and circumstances that create an economic incentive to exercise an extension option, or not to exercise a termination option. Lease payments associated with short-term leases and low value leases are charged to the Statement of Profit and Loss on a straight line basis over the term of the relevant lease.

The Company recognises lease liabilities measured at the present value of lease payments to be made on the date of recognition of the lease. Such lease liabilities do not include variable lease payments (that do not depend on an index or a rate), which are recognised as expense in the periods in which they are incurred. Interest on lease liability is recognised using the effective interest method. Lease liabilities are subsequently increased to reflect the accretion of interest and reduced for the lease payments made. The carrying amount of lease liabilities is also remeasured upon modification of lease arrangement or upon change in the assessment of the lease term. The effect of such remeasurements is adjusted to the value of the ROU assets.

Notes on the Financial Statements
for the year ended 31st March 2023.

Company as a Lessor

Leases in which the Company does not transfer substantially all the risks and rewards of ownership of an asset are classified as operating leases. Where the Company is a lessor under an operating lease, the asset is capitalised within property, plant and equipment or investment property and depreciated over its useful economic life. Payments received under operating leases are recognised in the Statement of Profit and Loss on a straight line basis over the term of the lease.

t. Earnings Per Share

Basic earnings per share is computed by dividing the profit / (loss) after tax by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit / (loss) after tax as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares. Potential equity shares are deemed to be dilutive only if their conversion to equity shares would decrease the net profit per share from continuing ordinary operations. Potential dilutive equity shares are deemed to be converted as at the beginning of the period, unless they have been issued at a later date.

u. Recent Indian Accounting Standard (Ind AS) issued not yet effective

Ministry of Corporate Affairs (“MCA”) notifies new standard or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On 31 March 2023, MCA amended the Companies (Indian Accounting Standards) Rules, 2015 by issuing the Companies (Indian Accounting Standards) Amendment Rules, 2023, applicable from 01 April 2023, as below:

Ind AS 1- Presentation of Financial Statements

The amendments require companies to disclose their material accounting policies rather than their significant accounting policies. Accounting policy information, together with other information, is material when it can reasonably be expected to influence decisions of primary users of general purpose financial statements. The Company does not expect this amendment to have any significant impact in its financial statements.

Ind AS 12 – Income Taxes

The amendments clarify how companies account for deferred tax on transactions such as leases and decommissioning obligations. The amendments narrowed the scope of the recognition exemption in paragraphs 15 and 24 of Ind AS 12 (recognition exemption) so that it no longer applies to transactions that, on initial

Notes on the Financial Statements
for the year ended 31st March 2023.

recognition, give rise to equal taxable and deductible temporary differences. The Company does not expect this amendment to have any significant impact in its financial statements.

Ind AS 8-Accounting Policies, Changes in Accounting Estimates and Errors

The amendments will help entities to distinguish between accounting policies and accounting estimates. The definition of a change in accounting estimates has been replaced with a definition of accounting estimates. Under the new definition, accounting estimates are “monetary amounts in financial statements that are subject to measurement uncertainty”. Entities develop accounting estimates if accounting policies require items in financial statements to be measured in a way that involves measurement uncertainty. The Company does not expect this amendment to have any significant impact in its standalone financial statements.

B Fair value hierarchy

The Company uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

- (i) Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.
- (ii) Level 2: inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e., as prices) or indirectly (i.e., derived from prices).
- (iii) Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs)

33 Financial instruments – Fair values and risk management

(iii) **Market risk**

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises of interest rate risk, currency risk and other price risk, such as equity price risk and commodity risk. Financial instruments affected by market risk include loans, borrowings and deposits.

(a) **Currency risk**

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Company's foreign currency risk arises out of various imports of raw materials and trading goods and exports of its finished goods. The Company follows netting principle for managing the foreign exchange exposure. The Carrying Amounts of the Company's Foreign Currency Denominated Monetary Assets and Liabilities based on Gross Exposure at the end of the Reporting Period is as under.

Net Open Exposures Outstanding as at the Balance Sheet Date (Rupees in Lakhs)

Trade Receivables	USD	0.49	40.40	3.01	228.50

(b) **Price risk**

i) **Sensitivity analysis**

Profit or loss is sensitive to higher/lower Exchange rate of currency. A possible 3% change in exchange rate would affect profit/loss at the reporting date by amount shown below:

Particulars	Profit or (Loss)		Equity (net of tax)	
	3% Increase	3% decrease	3% Increase	3% decrease
31st March 2023				
Trade Payables	0.18	(0.18)	0.13	(0.13)

Trade Receivables	6.86	(6.86)	5.07	(5.07)
Total	6.86	(6.86)	5.07	(5.07)

(c) **Interest rate risk**

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. Interest rate risks is measured by using the cash flow sensitivity for changes in variable interest rates. Any movement in the reference rates could have an impact on the Company's cash flows as well as costs. The Company's interest rate exposure is mainly related to debt obligation.

Exposure to interest rate risk

The interest rate profile of the Company's interest - bearing financial instruments is as follows:

Particulars	(Rupees in Lakhs)	
	31st March 2023	31st March 2022
Fixed-rate instruments		
Financial assets	9.34	52.91
Financial liabilities	330.43	276.42
Variable-rate instruments		
Financial assets	-	-
Financial liabilities	3,636.79	3,736.93
Non-interest bearing instruments		
Financial assets	2,256.73	2,605.59
Financial liabilities	2,198.13	2,248.43

Sensitivity analysis

Profit or loss is sensitive to higher/lower interest expense from borrowings as a result of change in interest rates.

Based on the composition of debt a reasonably possible change of 100 basis points in interest rates at the reporting date would have increased (decreased) Equity and Profit or Loss by the amount shown below:

Particulars	Profit or (Loss)		Equity (net of tax)	
	100 bp Decrease	100 bp Increase	100 bp Decrease	100 bp Increase
31st March 2023				
Borrowings	(39.67)	39.67	(29.36)	29.36
Total	(39.67)	39.67	(29.36)	29.36

33 Financial instruments – Fair values and risk management (continued)

Financial instruments risk management objectives and policies

The Company's principal financial liabilities comprises of trade and other payables. The Company's financial assets include trade and other receivables, and cash & cash equivalents that it derives directly from its operations.

The Company is exposed to market risk, credit risk and liquidity risk. The Company's senior management oversees the management of these risks. The Company's senior management is supported by the Board of Directors that advises on financial risks and the appropriate financial risk governance framework for the Company. This provides assurance to the Company's senior management that the Company's financial risk activities are governed by appropriate policies and procedure and that financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives. The Board of Directors reviews and agrees policies for managing each risk, which are summarised as below:

(i) Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers, investments, and loans given. The Company is having majority of the receivables from private sector. The Company does not have significant credit risk exposure to any single counterparty.

The carrying amount of following financial assets represents the maximum credit exposure:

Cash and Cash equivalent and Other Bank Balances

The company maintains its Cash and cash equivalents and Bank deposits with banks having good reputation, good past track record and high quality credit rating and also reviews their credit-worthiness on an on-going basis.

Trade and other receivables

The Company's exposure to credit Risk is the exposure that Company has on account of goods sold or services rendered to a contractual counterparty or counterparties, whether with collateral or otherwise for which the contracted consideration is yet to be received.

The Company provides for allowance for impairment that represents its estimate of expected losses in respect of trade and other receivables.

For trade receivables, as a practical expedient, the Company computes credit loss allowance based on a provision matrix. The provision matrix is prepared based on historically observed default rates over the expected life of trade receivables and is adjusted for forward-looking estimates.

Assets are written off when there are no reasonable expectation of recovery such as debtor declaring bankruptcy or failing to engage in a repayment plan with group. Where receivables have been written off the company continues to engage in enforcement activity to attempt to recover the receivables. where recoveries are made, these are recognised in profit and loss.

The following year end trade receivables, though overdue, are expected to be realised in the normal course of business and hence, are not considered impaired as at March 31, 2023 and March 31, 2022:

34 Capital Management

The Company's objectives when managing capital are to

- safeguard their ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefits for other stakeholders, and
- maintain an optimal capital structure to reduce the cost of capital.

The Company determines the amount of capital required on the basis of the annual business plan coupled with long term and short term strategic investments and expansion plans. The funding needs are met through equity, cash generated from operations, long terms and short term bank borrowings/other borrowings.

The Company monitors capital using a ratio of 'adjusted net debt' to 'adjusted equity'. For this purpose, adjusted net debt is defined as total liabilities, comprising interest-bearing loans and borrowings, less cash and cash equivalents. Adjusted equity comprises all components of equity.

The Company's adjusted net debt to equity ratio is as follows.

Particulars	<i>(Rupees in Lakhs)</i>	
	As at 31st March 2023	As at 31st March 2022

35 Leases

The Company as a Lessee

The Company's significant leasing/ licensing arrangements are mainly in respect of factory building. Leases typically run in a range from 1 years to 6 years, with an option to renew the lease after that date. The Company previously used to classify leases as operating or finance leases based on its assessment of whether the lease transferred significantly all of the risks and rewards incidental to ownership of the underlying asset to the Company.

In the statement of profit and loss for the current year, operating lease expenses which were recognised as other expenses in previous periods is now recognised as depreciation expense for the right-of-use asset and finance cost for interest accrued on lease liability. The adoption of this standard did not have any significant impact on the profit for the year and earnings per share. The Incremental borrowing rate of 8% has been applied to lease liabilities recognised in the balance sheet at the date of initial application.

The Company used following practical expedients when applying Ind AS 116 :

- did not recognise right-of-use assets and liabilities for leases for which the lease term ends within 12 months of the date of initial application;
- did not recognise right-of-use assets and liabilities for leases of low value assets;
- excluded initial direct costs from the measurement of the right-of-use asset at the date of initial application; and
- used hindsight when determining the lease term.
