Auditors' Report on Annual Consolidated Financial Results of Birlasoft Limited (Erstwhile KPIT Technologies Limited) pursuant to Regulation 33 of the Security Exchange Board of India (Listing Obligation and Disclosure Requirements) Regulation, 2015

To
Board of Directors of **Birlasoft Limited (Erstwhile KPIT Technologies Limited)**

We have audited the consolidated annual financial results of Birlasoft Limited (Erstwhile KPIT Technologies Limited) ('the Company'), its subsidiaries (collectively referred to as 'Group') and its joint venture for the year ended 31 March 2019 attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations'). Attention is drawn to the fact that the figures for the last quarter ended 31 March 2019 and the corresponding quarter ended in the previous year as reported in these consolidated annual financial results are the balancing figures between consolidated audited figures in respect of the full financial year and the published year to date consolidated figures upto the end of the third quarter of the relevant financial year. Also the figures up to the end of the third quarter had only been reviewed and not subjected to audit.

These consolidated annual financial results have been prepared from consolidated annual financial statements and reviewed quarterly consolidated financial results which are the responsibility of the Company's Management. Our responsibility is to express an opinion on these consolidated annual financial results based on our audit of such consolidated annual financial statements, which have been prepared in accordance with the recognition and measurement principles laid down in the Companies (Indian Accounting Standards) Rules, 2015 as per Section 133 of the Companies Act, 2013 and other accounting principles generally accepted in India (including accounting for composite scheme of arrangement in accordance with the National Company Law Tribunal order referred to in note 3(a) to the standalone annual financial results) and in compliance with Regulation 33 of the Listing Regulations.

We conducted our audit in accordance with the auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated annual financial results are free of material misstatement(s). An audit includes examining, on a test basis, evidence supporting the amounts disclosed as financial results. An audit also includes assessing the accounting principles used and significant estimates made by Management. We believe that our audit provides a reasonable basis for our opinion

The financial information of five subsidiaries, whose financial information reflect total assets of Rs. 447.40 million as at 31 March 2019, total revenues of Rs. 373.41 million and Rs. 2,912.44 million for the quarter and year ended on 31 March 2019 respectively, as considered in the consolidated annual financial results, have not been audited either by us or by other auditors. The consolidated annual financial results also include the Group's share of net loss (and other comprehensive income) of Rs. 97.06 million for the year ended 31 March 2019, as considered in the consolidated annual financial results, in respect of one joint venture, whose financial information has not been audited by us or by other auditors. These unaudited financial information have been furnished to us by the Management and our opinion on the consolidated annual financial results, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries and joint venture, is based solely on such unaudited financial information. In our opinion and according to the information and explanations given to us by the Management, these financial information are not material to the Group.

Our opinion on the consolidated annual financial results is not modified in respect of the above matters with respect to our reliance on the financial information certified by the Management.

We conducted our audit in accordance with the auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the standalone annual financial results are free of material misstatement(s). An audit includes examining, on a test basis, evidence supporting the amounts disclosed as financial results. An audit also includes assessing the accounting principles used and significant estimates made by Management. We believe that our audit provides a reasonable basis for our opinion.

In our opinion and to the best of our information and according to the explanations given to us these financial results:

- (i) are presented in accordance with the requirements of Regulation 33 of the Listing Regulations in this regard; and
- (ii) give a true and fair view of the net profit and other comprehensive income and other financial information for the year ended 31 March 2019.
