Prices of the larger battery version start at ₹12.99 lakh. The price of the base version of the Punch.ev is 83% more than the petrol-powered version of the car.

This latest introduction comes four months after the launch of the Nexon.ev, which is priced at ₹14.74 lakh (ex-showroom) and offers a range of 325-465 km at a full charge.

The battery pack and motor of the Punch.ev are IP67 rated for protection from dust and water, with a warranty of eight years, or 1,60,000 km

The car features wireless charging, automatic headlamps, rain-sensing wipers, auto-dimming interior mirror, etc

(whichever is earlier).

The car features wireless charging, automatic headlamps, rain-sensing wipers, auto-dimming interior mirror, 45W type-C USB port, ventilated leatherette seats, an elec-

tric sunroof, mood lights and an Air purifier with AQI display.

Additionally, the Punch.ev comes with paddle shifters, which enables the 4-level multi-mode regeneration and over-the-air software upgrade capabilities.

India's EV sales growth to moderate to 40-45% this year: Tata Motors

Tata Motors expects the industry sales growth of electric vehicles in India to moderate to 40-45% this year, with the base becoming bigger, a top company official said on Wednesday.

"Two years back, EVs were growing on a very low base. In the last calendar year, it had a growth of nearly 100%, but now the base is getting bigger. By the end of this financial year, it will be around 90,000 to 1 lakh. On this high base, I think the growth (industry) would moderate to about 40% to 45%," Tata Motors Passenger Vehicles & Tata Passenger Electric Mobility managing director Shailesh Chandra said.

1 SUV makes up for 3 cars for Honda: CEO

Elevate has elevated company, says CEO

VIKRAM CHAUDHARY
New Delhi, January 17

THE ELEVATE SUV, launched in September 2023, has filled the sales gap left by three passenger cars — fourth-generation City, Jazz and WR-V — for Honda Cars India, Takuya Tsumura, the president & CEO, told FE.

The Elevate was launched on September 4, 2023, and has sold almost 25,000 units. It has boosted Honda's sales by 11% — from 32,370 units during September-December 2022 to 35,893 units in September-December 2023.

"A point to be noted here is that during September-December 2022, we had six models in our portfolio — Jazz, WR-V, Amaze, fourth-generation City, fifth-generation City and City e:HEV hybrid," Tsumura said.

"We had to discontinue three of those (fourth-generation City, Jazz and WR-V) last year towards realigning our operations. During September-December 2023, we had just four models — Amaze, fifth-generation City, City e:HEV hybrid and Elevate — and yet we grew in double digits."

He added that the Elevate has 'elevated' Honda's sales, and this single SUV is almost contributing to 50% of its overall sales.

■ The Elevate SUV was launched on September 4, 2023, and has sold almost 25,000 units

■ It boosted Honda's sales by 11% q-o-q to 35,893 units in Sept-Dec 2023

■ Honda has maximised its production to bring down waiting periods

■ Automotive analysts said 1 SUV making up for 3 PVS is uncommon

TAKUYA TSUMURA, PRESIDENT & CEO, HONDA CARS INDIA

THE ELEVATE SUV HAS FILLED SALES GAP LEFT BY 3 PVS — FOURTH-GENERATION CITY, JAZZ AND WR-V

"Within 100 days of its launch, we had sold 20,000 units of the Elevate," Tsumura said. "We have maximised its production to bring down waiting periods and adjusted the variant mix to align with the market demand, which is overwhelmingly high for CVT automatic variants currently."

Automotive analysts told FE that although SUVs are the first choice of Indian car buyers, one SUV making up for three passenger cars is uncommon. "The Elevate is priced from ₹11.58 lakh to ₹16.2 lakh, and the models it has replaced were far more affordable — Jazz and WR-V under ₹10 lakh and the fourth-generation City about ₹10 lakh — and yet it out-selling them says a lot about Indians' love for SUVs," an analyst said.

In the calendar year 2023,

the Indian passenger vehicle market crossed the 4-million mark for the first time, and industry sources told FE that almost 49% of those were SUVs. In 2024, of the 60-odd models getting launched, almost 30 will be SUVs.

Saket Mehra, partner & auto sector leader at Grant Thornton Bharat, said that the preference towards SUVs will continue to be there in the future as well.

"While brand loyalty (amongst existing sedan consumers) and new launches like the City and Verna in 2023 may persuade a percentage of buyers to opt for sedans, overall consumer sentiment is more inclined towards feature-rich, high ground clearance SUVs. This preferential shift has largely been observed in the last five-six years and is likely to remain in the future as well," he said.

Practo mulls clinics with single speciality

AYANTI BERA
Bengaluru, January 17

HEALTHTECH STARTUP PRACTO, which primarily offers a platform for online appointment booking, e-pharmacy and e-diagnostics, is looking to expand its business with single-speciality care, starting with co-branded dental and dermatology clinics in certain cities.

The company currently operates 30 dental clinics, with more than 40 doctors in Bengaluru, Delhi and Mumbai, and plans to set up another 100-110 dental clinics this year, including in cities such as Pune, Hyderabad and Chennai. It eventually has plans to set up co-branded dermatology clinics too.

"The market is very fragmented in dental care and there is no one large dental brand. So consumers find it difficult to figure out which clinic to choose," Rowel Coelho, business head, Practo Clinics told FE in an interaction. He added that there is a need for standardised quality-control in dental care, with emphasis on advance equipment and transparency in pricing.

The company sees large growth opportunity in India's dental care segment, which is estimated to grow at a compound annual growth rate of 12% and reach over \$5 billion in the next three years.

For its co-branded dental clinics, Practo enters into profit-sharing partnerships with existing dental care practitioners who run independent clinics and standardises their quality.

PRESS TRUST OF INDIA
New Delhi, January 17

DOMESTIC INVESTORS SEEM to be bullish on the Adani Group as they raised their stakes in five group companies, including Adani Green and Adani Total Gas, in the December quarter.

Other group firms where stakes have been raised are

Adani Wilmar and cement firms Ambuja and ACC during the quarter, as per an analysis of shareholding data with the BSE.

Special Economic Zone, and Adani Energy Solutions in the quarter under review.

Moreover, the total shareholder base of the group rose 5% to 68.82 lakh, with substantial increase seen in Adani Total Gas and Adani Energy Solutions.

Meanwhile, FPIs have shown mixed trends when it comes to holding stake in the group.

No plan to rebrand acquired brands: Tata Consumer CEO

VIVEAT SUSAN PINTO
Mumbai, January 17

THERE IS NO plan to rebrand Ching's Secret, Smith & Jones and Organic India brands, Tata Consumer's MD& CEO Sunil D'Souza said in an analysts' call on Wednesday. D'Souza was addressing investor queries on the acquisitions of Capital Foods and Organic India, announced on Friday by Tata Consumer.

The maker of Tata Tea and Tata Salt will spend ₹7,000 crore on the acquisitions, which will help it get into high-growth areas, it said. "We have bought these brands for what they are. We have not bought them to dismantle them. If we feel there is value in adding the Tata name to these brands, we will do so later," D'Souza said on the investor call.

The Tata name is part of most of Tata Consumer's brands, barring Himalayan, which was acquired over 15

SUNIL D'SOUSA, TATA CONSUMER'S MD& CEO

WE HAVE BOUGHT THESE BRANDS FOR WHAT THEY ARE, NOT TO DISMANTLE THEM

years ago. D'Souza says that addition of the Tata name requires a careful process of evaluation.

"We acquired the Soulfull brand in 2021 from Kottaram Agro Foods (based in Bengaluru). We added the Tata name to the Soulfull brand. It has helped the brand grow in the breakfast cereal and snacking category," he told investors. Soulfull is a millet-based brand and has seen a number of extensions since acquisition by Tata Consumer.

The company also has Tata Sampann, which is into branded commodities, masalas, dry fruits, nuts etc. and has a portfolio of good-for-you beverages under NourishCo, apart from its base business, which includes tea, coffee and salt.

D'Souza said that Tata Consumer, whose FY23 consolidated turnover was ₹13,783 crore, was looking to transition to a large FMCG company, using both organic and inorganic initiatives for growth.

"We will play first in food & beverages, look at value-accretive inorganic opportunities that gives us access to fast-growing categories," he said.

The company is looking at multiple funding options for the two latest acquisitions, which gives access to categories such as instant noodles, sauces and pastes and organic teas and wellness products.

In a conversation with FE on Sunday, D'Souza had said that the company had Rs 3,000 crore

in terms of cash on its books, which would be utilised for the transactions. The balance Rs 4,000 crore would be raised through a mix of short-term debt and a rights issue. The proposed size of the rights issue has been pegged at Rs 3,500 crore, though D'Souza said that the Tata board would finally approve the fund-raising plans at a meeting on Friday (January 19).

"The Capital Foods transaction will close in two weeks from now. While Organic India will take around 45-60 days in terms of closure," D'Souza told FE.

In terms of integration, he said, both Capital Foods and Organic India would fit strategically into the platforms built by Tata Consumer. This included breakfast and mini-meals for Capital Foods's instant noodles and soups portfolio; pantry business for Smith & Jones sauces and pastes and premium teas for Organic India's teas and infusions.

Byju's seeks arbitration in BCCI row

FE BUREAU
New Delhi, January 17

LAWYERS REPRESENTING BYJU'S on Wednesday told the National Company Law Tribunal (NCLT) that it has filed an application to refer its dispute with the Board of Control for Cricket in India (BCCI) to an arbitrator.

NCLT said the arbitration may not come in the way of proceedings initiated by the BCCI under the IBC

The NCLT, however, said that arbitration may not come in the way of proceedings initiated by the BCCI

under the Insolvency and Bankruptcy Code (IBC). Byju's lawyers contended that since questions of law and fact are involved in the dispute, it can be adjudicated only through arbitration.

The company said that it is currently in negotiations with BCCI to settle the dispute and it has filed objec-

tions to BCCI's insolvency plea against the company. This was, however, denied by BCCI lawyers. The tribunal has fixed February 7 as the next date of hearing.

Late last year, BCCI had filed an insolvency case against Byju's stating that it had defaulted on payment of ₹158 crore.

Cong turns to civil society to train party workers

INDIA bloc allies to stay away from Rahul-led yatra pending seat talks

ARCHIS MOHAN
New Delhi, 17 January

Some of the key allies of the Congress in the INDIA bloc, including the Trinamool Congress and Samajwadi Party, have said their respective leaderships and workers will stay away from Rahul Gandhi-led Bharat Jodo Nyay Yatra.

In a related development, to bolster the party's less-than-robust organisational strength, the Congress has instructed its state units to collaborate with civil society organisations, which have come together under the rubric of 'Bharat Jodo Abhiyan' (BJA). The BJA will train workers on conducting the party's door-to-door campaigns in "100 targeted constituencies" across 15 states for the 2024 Lok Sabha polls.

The BJA, a union of activists and civil society outfits, is currently assisting the Congress in organising the Gandhi-led Bharat Jodo Nyay Yatra. In a letter to the party's state units sent on Monday, Congress general secretary (organisation) K C Venugopal asked them "to respond positively to any BJA team approaching you in your state", "designate a point person" to be the interface between the BJA and the party and ask all district units to where "the BJA targeted constituencies fall to collaborate at the ground level". Venugopal urged the party's state units to "ensure an active and fruitful collaboration" with the BJA in their respective states.

Acknowledging the honour of building the Made in India aircraft carrier INS Vikrant with the Cochin Shipyard, he said, "New facilities will enhance the capabilities of the shipyard many times". The government believes that Cochin Shipyard Limited is poised to double its turnover within the next four years to ₹7,000 crore.

BATTLEGROUND 2024

INDIA bloc allies of the Congress have either turned down the party's invitations

to participate in the Manipur to Mumbai Yatra or expressed their unwillingness to take part in it. On Wednesday, Samajwadi Party chief Akhilesh Yadav said he was "unlikely" to join the yatra when it travels through Uttar Pradesh. The 67-day yatra, currently in Nagaland, will spend 11 days in UP. "Neither the Congress nor the BJP invites us to their programmes," Yadav said in Lucknow and flagged off his party's state-wide yatra.

In Patna, Janata Dal

(United) chief Nitish Kumar's attendance in the Gandhi-led yatra is uncertain since the Bihar chief minister was upset with allies not honouring his role in shaping the INDIA bloc. However, on Wednesday, Rashtriya Janata Dal's president, Lalu Prasad, said the seat-sharing talks were progressing. "Do these things take place so quickly? Progress is underway," Prasad replied in response to a query.

The Trinamool Congress has also told Congress that it will "not participate".

The Srimandir Parikrama Prakarika was officially unveiled by Patnaik in presence of Gajapati Maharaja of Puri Divyasingha Deb and representatives of about 90 temples, including the Pashupatinath Temple in Nepal, Mahakal Temple in Ujjain, Kashi Vishwanath Temple in Kashi, Jagannath temples in Dubai, Australia and UK, and thousands of devotees.

The US has been re-engaging with China at various levels after months of no contact with military as well as political leaders, which had triggered concerns about a possible confrontation between the two countries. The official said the re-engagement is aimed at having better bilateral relations, especially on the economic front, which both countries believe is important.

Dharavi residents seek bigger flats, faster construction

DEV CHATTERJEE
Mumbai, 17 January

The residents of Asia's largest slum Dharavi have welcomed Adani Group's offer of providing them 350 square feet of free houses, saying it is a step in the right direction and they are looking forward to the faster redevelopment of the 600-acre area. The slum dwellers, however, said they want the houses with a bigger carpet area than what has been promised by the conglomerate.

On Monday, Dharavi Redevelopment Project Pvt, a joint venture between Adani Group and the Maharashtra government, said Dharavi's eligible residential tenements will get free flats with a minimum 350 square feet of carpet space - 17 per cent more than other slum redevelopment projects in Mumbai. "We welcome the offer made by Adani Group but we would like faster construction and bigger 400 square feet houses," said Ramakant Gupta, president of Dharavi Redevelopment Committee. "We have been waiting for our tenements since 2004 when the first development plan for Dharavi was approved by the Maharashtra government. Some of the residents are waiting for decades to get into a concrete house," he said.

The ineligible residents will be given free homes at another site. A survey to identify the eligible and ineligible residents will begin next week. The eligible residential tenements are those that were in existence before January 2000, said an official. The ineligible residents had taken houses on rent in the slums and lacked documents.

"Our demand is for 500 square feet of free flats to the residents. The govern-

ment is giving a lot of incentives to the project. Hence, we think it would be feasible for the developer to offer larger houses to the residents," said Rajendra Korde, convener of Dharavi Bachao Andolan. According to a 2007 survey, there are 58,000 residential and 12,000 commercial tenements in Dharavi and many of them are two and three-storey high. Hence, the population density is very high, he said, adding all should be accommodated.

"I think this is an attractive proposal from Adani Group and they should get a good response from the occupants of Dharavi," said Niranjan Hiranandani, Chairman of Hiranandani group.

The construction of the nearby BDD (Bombay Development Department) chawls in Central Mumbai - which is the first to clear the red tape - is in full swing after Tata Projects, Larsen & Toubro and Shapoorji Pallonji & Co won the contracts two years ago. Once the construction at Dharavi starts, it would result in additional house stock coming to the metropolis which is starved of

quality housing, say real estate developers. Experts say the new sea link connecting Central Mumbai and Navi Mumbai will give more fillip to Dharavi development. Vimal Nadar, Senior Director, Research Colliers India says for the first time probably in decades, the Mumbai Metropolitan Region (MMR) is undergoing a transformative infrastructure upgrade on a scale previously unseen. "The upgrade has the potential to reimagine the real estate landscape of the city, somewhat liberating it from the growth limitations that come from the virtue of being a linear city," he said.

"The Dharavi project, along with new urban infrastructure like Metro rail 3 (connecting Seepz, and airport to South Mumbai) and Coastal road will transform the city," said another real estate developer, asking not to be quoted. Key micro markets like Central Mumbai and Navi Mumbai are poised to witness heightened commercial and residential activity led by improved connectivity and redevelopment projects such as Dharavi.

भूसंपादनासाठी वाढीव भरपाई

'अटल सेतू' संदर्भात नव्याने प्रक्रिया राबविण्याचे उच्च न्यायालयाचे आदेश

लोकसत्ता प्रतिनिधी

उरण : अटलबिहारी वाजपेयी शिवडी नावा सेवा सागरी सेतू (अटल सेतू)चे जासईमधील भूसंपादनासाठीच्या भरपाईचा निर्णय मुदतीत घेतला गेला नाही. परिणामी, त्याबाबतची प्रक्रियाही निकाली निघाली आहे, असे निरीक्षण उच्च न्यायालयाने नोंदवले. तसेच, भरपाईच्या निर्णयाची ही प्रक्रिया नव्याने राबविण्याचे आदेश सरकारला दिले आहेत.

संबंधित जमीनमालकांना २०१३ च्या भूसंपादन, पुनर्वसन व पुनःस्थापना प्रक्रियेतील पारदर्शकता

'सरकार, सिडकोकडून शेतकऱ्यांची फसवणूक'

सरकार आणि सिडकोकडून २०१३ च्या कायदांतर्गत भूसंपादनाची भरपाई दिली जात नाही. जुन्या कायदानुसार, शेतकऱ्यांकडून कमी दरात भूसंपादन केले जाते. असे करून सरकार आणि सिडको शेतकऱ्यांची फसवणूक करत आहेत, असा दावा वकील राहुल ठाकूर यांनी केला.

व वाजवी भरपाई कायदांतर्गत भरपाई देण्याचेही न्यायमूर्ती बॉगिस कुलाबावाला यांच्या अध्यक्षतेखालील खंडपीठाने सरकारला दिले. त्यामुळे, या जमीनमालकांना वाढीव भरपाई द्यावी लागणार आहे. या संदर्भात उरण तालुक्यातील चिल्ले येथील शेतकरी संदेश ठाकूर यांनी वकील

त्याची घोषणा प्रकाशित करण्यात आली. २०१३ मध्ये नवीन भूसंपादन व पुनर्वसन कायदा करण्यात आला. त्यानुसार बाजारभावाच्या चौपट रोख रक्कम व २० टक्के विकसित भूखंड व इतर पुनर्वसनाचे लाभ मिळण्याची तरतूद आहे. मात्र, सिडको आणि उपजिल्हाधिकार्यांनी जुन्या कायदानुसार फक्त ५० हजार रुपये प्रति गुंडा दर निश्चित केली गेली. जुन्या कायदानुसार, अंतिम निवाडा देणे वर्षांच्या मुदतीत होणे अनिवार्य आहे. मात्र, या मुदतीत भरपाईची प्रक्रिया न झाल्याने ती व्यपगत झाली. याच मुद्द्यावर याचिकाकर्त्यांनी आवाहन दिले होते.

वेश्या व्यवसायात ढकलणाऱ्यास कारावास

मुंबई : अल्पवयीन मुलीला आभिष दाखवून वेश्या व्यवसायात ढकलणाऱ्या आरोपीची निर्दोष सुटका करण्याचा कनिष्ठ न्यायालयाचा निर्णय उच्च न्यायालयाने रद्द केला. तसेच, आरोपीला दहा वर्षांच्या कारावासाची शिक्षा सुनावली. या आरोपीची निर्दोष सुटका करण्याचा कनिष्ठ न्यायालयाचा निर्णय कायम ठेवणे हा न्यायाचा खून ठरले, असेही न्यायालयाने आरोपीला शिक्षा सुनावताना नमूद केले.

पीडित मुलीने आरोपीला मामा मानले होते व त्याच्यावर विश्वास ठेवला होता. आरोपीने मात्र तिने ठेवलेल्या विश्वासाचा घात करून तिला वेश्या व्यवसायात ढकलण्याचा उद्देशाने नाशिकला नेले. क्विहुना, अल्पवयीन मुलींना वेश्या व्यवसायात ढकलण्याच्या प्रकरणांमध्ये वाढ होत असून आरोपीला दिलासा देणे म्हणजे न्यायाची हत्या करण्यासारखे होते. त्याने केलेला गुन्हा अत्यंत गंभीर स्वरूपाचा असून समाजावर परिणाम करणारा आहे, असे निरीक्षण न्यायमूर्ती पृथ्वीराज चव्हाण यांच्या एकलपीठाने नोंदविले. तसेच, त्याची सर्व आरोपांतून निर्दोष सुटका करण्याचा कनिष्ठ न्यायालयाचा निर्णयविरोधात राज्य सरकारने केलेले अपील मान्य केले.

टीकेपेक्षा 'मुंबई फेस्टिव्हल'मध्ये सहभागी व्हा

लोकसत्ता विशेष प्रतिनिधी

मुंबई : 'मुंबई फेस्टिव्हल' सारखी अगळी-वेगळी संकल्पना साकारताना यापूर्वी 'शासकीय बाबूंचा' हस्तक्षेप वाढला होता. त्यामुळे अनेक वर्षे या संकल्पनेला खोळ बसली होती. जागतिक स्तरावर मुंबईचे नावलीकिक वाढविणारी ही संकल्पना आता प्रत्यक्षात उतरणार आहे. नऊ दिवस होणाऱ्या या महोत्सवासाठी सर्वजण आमंत्रित आहेत. या महोत्सवाचे शासनाने आयोजन केले आहे असे न मानता प्रत्येक मुंबईकर या महोत्सवाचा आयोजक आहे. या महोत्सवावर टीका करण्यापेक्षा त्यात सहभागी व्हा, असे आवाहन प्रसिद्ध उद्योजक आणि मुंबई फेस्टिव्हल सल्लागार समितीचे अध्यक्ष उद्योगपती आनंद महिंद्रा यांनी केले आहे.

राज्य सरकारच्या पर्यटन विभागाने २० ते २८ जानेवारीदरम्यान 'मुंबई फेस्टिव्हल २०२४'चे आयोजन केले आहे. ९ दिवस, ५० ठिकाणी, ५०० कार्यक्रमांची रेलचेल या महोत्सवात असणार होणार आहे. या महोत्सवाची मालती पर्यटनमंत्री गिरीश महाजन, पालकमंत्री दीपक केसरकर, पर्यटन विभागाच्या सचिव जयश्री भोज आणि सल्लागार समितीचे अध्यक्ष आनंद महिंद्रा यावेळी 'प्रत्येकजण आमंत्रित आहे' अशा घोष वाक्यासह संगीतकार शमीर टंडन यांनी संगीतबद्ध केलेले व गायक शंकर महादेवन, सुखविंदर सिंग, हर्षदीप कोर, फाल्गुनी पाठक व अवधूत गुणे यांनी गायलेले 'मुंबई एक लोहार है' हे गाणे सादर करण्यात आले. त्यावेळी महिंद्रा यांनी मुंबई फेस्टिव्हलच्या आयोजना मागील उद्देश स्पष्ट केला.
