We have observed that the above clarification was directly posted on BSE website and was not received through email and hence after having a conversation with your representative, the above referred email was sent to us today, i.e. 15th January 2024 seeking information on announcements (including impending announcement) that could have a bearing on the price/volume behaviour of the scrip of the Company. In this regard, we would like to inform you that as on date, there is no undisclosed/price-sensitive information or any impending announcement/corporate action which needs to be informed to the stock exchanges as per its Policy for determination of Materiality of information or event (Materiality Policy) framed under Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('SEBI LODR Regulations').
