**Sub: Significant movement in the price of the security of the Company.**

Dear Sir,

In context of the cited subject, there is a significant movement in the price of the security across exchanges, we hereby confirm that there are no such material information/disclosures which are of price-sensitive and Company has not withheld any information or events which, in our opinion, would have an impact on the price behaviour in the scrip of the Company.

The management of the Company is in no way connected with any such price movement and the movement in Company's share price is purely due to market conditions and apparently market driven on which the Company neither has any control nor has any knowledge of reasons.

Request you to please take the above on your record.
