Dear Sir/ Ma'am,

We wish to inform you that the Board of Directors of the Company approved Company's MOU with Govt. of Gujarat signed at Vibrant Gujarat 2019 to manufacture and produce Polymer/PVC based parts and assemblies that will be used in Automotive cooling systems parts and accessories. The Company will be manufacturing and providing automotive ancillary products at Changodar, Sanand, Gujarat.

The Indian auto-components industry has experienced healthy growth over the last few years and the Indian auto-component makers are well positioned to benefit from the globalization of the sector.

You are requested to above on your records.

Thanking you,

For Darjeeling Ropeway Company Limited

H. R. Shah
