I. Meeting for the Scheme

This is a Statement accompanying the Notice convening the meeting of equity shareholders of Electrosteel Castings Limited ("**Transferee Company**" or "**Company**"), for the purpose of their considering and if thought fit, approving the proposed Scheme of Amalgamation of Srikalahasthi Pipes Limited ("**Transferor Company**") with Electrosteel Castings Limited and their respective shareholders and creditors on a going concern basis ("**Scheme**"), which involves, inter alia, (a) the amalgamation of the Transferor Company with the Company and dissolution of the Transferor Company without winding up and consequent issuance of equity shares of the Company to the shareholders of the Transferor Company in accordance with the Scheme, (b) Various other matters incidental, consequential or otherwise integrally connected therewith pursuant to Sections 230 to 232 and other relevant provisions of the Companies Act, 2013 in the manner provided for in the Scheme. The Appointed date for Amalgamation under the Scheme is 1st October 2020. A copy of the Scheme is attached hereto and marked **Annexure I**.

Capital terms not defined herein and used in the Notice and this Statement shall have the same meaning as ascribed to them in the Scheme.

II. Rationale and benefits of the Scheme:

The circumstances which justify and/or have necessitated the said Scheme and the benefits of the same are, inter alia, as follows:

- (i) The Transferor Company and Transferee Company are under the control of common promoter group. The Transferee Company along with its promoter group of companies are in a position to and do exercise control over the Transferor Company. The Transferor Company and Transferee Company are engaged in the same line of business, i.e., manufacture and sale of ductile iron pipes and both have common economic objective and strategic goals. It would be advantageous to combine the activities and operations in a single company leading to strong capability in effectively meeting future challenges of competitive business environment.
- (ii) The Amalgamation will enable the Companies to streamline their business activities into a single combined entity, thereby resulting in economies of scale and avoidance of undue duplication in work, reduction in common expenditure otherwise incurred by the two entities within common group, better and more productive utilization of financial, human and other resource and enhancement of overall business efficiency.
- (iii) The Amalgamation will result in significant reduction in multiplicity of legal and regulatory compliances which at present is required to be made separately by the Companies.
- (iv) The Amalgamation will result in simplification of the group structure and management structure with only one listed company in group leading to better administration and reduction in administrative and other costs from more focused operational efforts, rationalization, standardization and simplification of business processes.
- (v) The Amalgamation will enable the combined entity to leverage their consolidated resources to: (a) increase production capacities; (b) undertake research and development initiatives to improve manufacturing processes and final product; (c) serve the needs of a larger customer base leading to overall business domestically as well as overseas, (d) improved alignment of debt repayments with cash flow, and (d) improved credit rating.

- (vi) The synergies that exist between the two companies in terms of services and resources can be put to the best advantage of all stakeholders.
- (vii) The Scheme is envisaged to be in the best interests of the shareholders, employees and the creditors of the Transferor Company and the Transferee Company.

Thus, the Scheme of Amalgamation, as envisaged, would enable seamless access to strong business relationships, closer and better focused attention being given to the businesses which would get integrated, aligned and streamlined, leading to achievement of their full business and growth potential.

“Companies” shall collectively mean the Transferor Company and the Transferee Company.

IV. Salient Extracts of the Scheme

(i) Definitions

“Act” means the Companies Act, 2013 and the rules and regulations made thereunder, and includes any alterations, modifications, amendments made thereto and/or any re-enactment thereof.

“Amalgamation” means amalgamation of the Transferor Company with the Transferee Company, on a going concern basis in accordance with Sections 230 to 232 of the Act and Section 2(1B) of the Income-Tax Act, 1961, in terms of Chapter 2 of the Scheme.

“Applicable Laws” shall mean any statute, notification, bye-laws, rules, regulations, guidelines, rule of common law, policy, code, directives, ordinance, orders or instructions having the force of law enacted or issued by any Governmental Authority including any statutory modification or re-enactment thereof for the time being in force.

“Appointed Date” means opening business hours of 1 October 2020, or such other date as may be determined by the Board of Directors of the Transferor Company and the Transferee Company or directed by the NCLT and is the date with effect from which the Scheme shall, upon sanction of the same by the NCLT, be deemed to have become operative.

“Effective Date” means the last of the dates on which all the conditions and matters as referred to in Clause 22 of the Scheme occur or have been fulfilled, obtained or waived in accordance with this Scheme. Further, the reference in the Scheme to “upon the Scheme becoming effective” or “effectiveness of the Scheme” or “upon coming into effect of the Scheme” shall mean the Effective Date.

“NCLT” means the National Company Law Tribunal, Amaravati Bench and/or the National Company Law Tribunal, Amaravati Bench, as applicable, including Principal Bench of National Company Law Tribunal at New Delhi.

“Record Date” means the date to be fixed by the Board of Directors of the Transferor Company and the Transferee Company for the purpose of determining the shareholders of the Transferor Company to whom shares of the Transferee Company will be allotted pursuant to this Scheme.

“Registrar of Companies” means the Registrar of Companies at Andhra Pradesh for the Transferor Company and the Registrar of Companies at Odisha for the Transferee Company.

“SEBI Circular” means the SEBI Circular dated 10 March 2017, bearing reference number CFD/DIL3/CIR/2017/21 issued by SEBI, as amended, modified or replaced from time to time.

(ii) **Date of taking effect and Operative Date**

The Scheme set out herein in its present form or with any modification(s) approved or imposed or directed by any authority, unless otherwise specified in the Scheme, shall become operative from the Appointed Date but shall come into effect from the Effective Date. Therefore, for all regulatory and tax purposes, the Amalgamation would be deemed to be operative from the Appointed Date of this Scheme.

(iii) **Amalgamation of the Transferor Company with the Transferee Company**

- a) Upon coming into effect of the Scheme and with effect from the Appointed Date, the Transferor Company (including the entire Undertaking(s) of the Transferor Company) shall, pursuant to the sanction of the Scheme by the NCLT and pursuant to the provisions of Sections 230 to 232 of the Act, stand transferred to and vested in and/or be deemed to have been transferred to and vested in the Transferee Company, as a going concern, in accordance with Section 2(1B) of the Income Tax Act without any further act, instrument, deed, matter or thing, so as to become, as and from the Appointed Date, part of the Transferee Company by virtue of and in the manner provided in this Scheme.
- b) Pending the Scheme coming into effect, the Transferor Company and the Transferee Company may continue to provide security for each other’s commitments provided however, the Scheme shall not operate to enlarge the security for any loan, deposit or facility availed of either by the Transferor Company or by the Transferee Company and the Transferee Company shall not in any manner be obliged to create further or additional security there for after the Effective Date or otherwise.
- c) Upon the Scheme coming into effect the assets and liabilities of the Transferor Company shall stand pooled with the assets and liabilities of the Transferee Company in accordance with the relevant Indian accounting standard on business combinations.
- d) All Liabilities, whether or not provided in the books of the Transferor Company, shall, under the provisions of Sections 230 and 232 of the Act, without any further act, instrument, deed, cost or charge and without any notice or other intimation to any third party for the transfer of the same, be and stand transferred to and vested in and be deemed to have been transferred to and vested in the Transferee Company as a part of the transfer of the Undertaking as a going concern and the same shall be assumed by the Transferee Company, to the extent they are outstanding on the Effective Date so as to become on and from the Appointed Date, the Liabilities of the Transferee Company on the same terms and conditions as were applicable to the Transferor Company, and the Transferee Company shall meet, discharge and satisfy the same. Further, it shall not be necessary to obtain the consent of any third party or other person who is a party to any contract or arrangement by virtue of which such Liabilities have arisen in order to give effect to the provisions of this Clause.

- e) Upon coming into effect of this Scheme, all permanent employees, who are on the payrolls of the Transferor Company, including key managerial personnel engaged on contract basis and contract laborers and interns/trainees of the Transferor Company, as on the Effective Date,, shall become employees of the Transferee Company with effect from the Effective Date, on such terms and conditions as are no less favourable than those on which they are currently engaged by the Transferor Company, without any interruption of service as a result of this Amalgamation and transfer. With regard to provident fund, gratuity, leave encashment and any other special scheme or benefits created or existing for the benefit of such employees of the Transferor Company, upon this Scheme becoming effective, the Transferee Company shall stand substituted for the Transferor Company for all purposes whatsoever, including with regard to the obligation to make contributions to relevant authorities, in accordance with the provisions of Applicable Laws or otherwise. It is hereby clarified that upon this Scheme becoming effective, the aforesaid benefits or schemes shall continue to be provided to the transferred employees and the services of all the transferred employees of the Transferor Company for such purpose shall be treated as having been continuous.
- f) The existing provident fund, employee state insurance contribution, gratuity fund, superannuation fund, staff welfare scheme and any other special scheme (including without limitation any employees stock option plan) or benefits created by the Transferor Company for its employees shall be continued on the same terms and conditions or be transferred to the existing provident fund, employee state insurance contribution, gratuity fund, superannuation fund, staff welfare scheme, etc., being maintained by the Transferee Company or as may be created by the Transferee Company for such purpose. It is the intent that all rights, duties, powers and obligations of Transferor Company in relation to such fund or funds shall stand transferred to the Transferee Company without need of any fresh approval from any statutory authority. Pending such transfer, the contributions required to be made in respect of such employees shall continue to be made by the Transferee Company to the existing funds maintained by the Transferor Company.
- g) All proceedings of whatsoever nature (legal and others, including any suits, appeals, arbitrations, execution proceedings, revisions, writ petitions, if any) by or against the Transferor Company shall not abate, be discontinued or be in any way prejudicially affected by reason of the transfer of the Undertaking or anything contained in this Scheme but the said proceedings, shall, till the Effective Date be continued, prosecuted and enforced by or against the Transferor Company, as if this Scheme had not been made.
- h) Upon the coming into effect of this Scheme, all suits, actions, and other proceedings including legal and taxation proceedings, (including before any statutory or quasi-judicial authority or tribunal) by or against the Transferor Company, whether pending and/or arising on or before the Effective Date shall be continued and / or enforced by or against the Transferee Company as effectually and in the same manner and to the same extent as if the same had been instituted and/or pending and/or arising by or against the Transferee Company.

(iv) **Conduct of Business**

With effect from the Appointed Date and up to and including the Effective Date:

- a) the Transferor Company shall carry on and be deemed to have carried on all business and activities and shall hold and stand possessed of and shall be deemed to hold and stand possessed of the of all its estates, assets, rights, title, interest, authorities, contracts, investments and strategic decisions and the entire business for and on account of, and in trust for, the Transferee Company.
- b) all profits and income accruing or arising to the Transferor Company, and losses and expenditure arising or incurred by the Transferor Company for the period commencing from the Appointed Date shall, for all purposes, be treated as and be deemed to be the profits, income, losses or expenditure, as the case may be, of the Transferee Company.

(v) **Consideration**

- a) Upon the coming into effect of this Scheme, the share certificates, if any, and/or the shares in electronic form representing the shares held by the Transferee Company in the Transferor Company shall be deemed to be cancelled without any further act or deed for cancellation thereof by the Transferee Company, and shall cease to be in existence accordingly.
- b) Upon the Scheme coming into effect and in consideration of the Amalgamation, the shareholders of the Transferor Company (other than for shares already held by the Transferee Company in the Transferor Company), whose name appear in the Register of Members as on the Record Date (as defined in the Scheme), or to their respective heirs, executors, administrators or other legal representatives or the successors-in-title as the case may be, shall be eligible to receive 59 (fifty nine) fully paid up equity shares of Re. 1/- each of the Transferee Company for every 10 (ten) fully paid up equity shares of Rs. 10/- each of the Transferor Company held by such shareholder.
- c) Fractional entitlements to which the members of the Transferor Company may be entitled on issue and allotment of equity shares in the Transferee Company, shall be rounded off to the nearest upward integer for the purposes of

determining the number of equity shares in the Transferee Company to be allotted by the Transferee Company to the members of the Transferor Company pursuant to Clause 18.2 of the Scheme. The Board of Directors of the Transferee Company, if it deems necessary, in the interest of allottees, approve such other method in this behalf as it may, in its absolute discretion, deem fit.

- d) The equity shares of Transferee Company to be issued to the shareholders of the Transferor Company under Clause 18.2 of the Scheme will be listed with BSE and NSE and admitted for trading and the Transferee Company shall comply with the requirements of the SEBI Circular and take all steps to get the equity shares to be issued pursuant to the Scheme listed on BSE and NSE on which the equity shares of the Transferor Company are listed, in accordance with relevant regulations. The Transferee Company shall enter into such arrangement and issue such confirmations and/or undertakings as may be necessary in accordance with the Applicable Laws or regulation for the above purpose.
- e) The equity shares of the Transferee Company issued in terms of this Scheme shall pursuant to the SEBI Circular and subject to compliance with requisite formalities be listed and/or admitted to trading on the relevant Stock Exchange(s) where the existing equity shares of the Transferor Company are listed and/or admitted to trading, i.e., BSE and NSE. The Transferee Company shall enter into such arrangement and issue such confirmations and/or undertakings as may be necessary in accordance with the Applicable Laws or regulation for the above purpose. On such formalities being fulfilled, the Stock Exchanges shall list and/or admit such equity shares issued pursuant to this Scheme, for the purpose of trading.

(vi) **Accounting Treatment**

- a) The Transferee Company shall record the assets, liabilities and reserves of the Transferor Company, as on Appointed Date, vested in it pursuant to the Scheme at their respective carrying values as per 'Pooling of Interest Method' of accounting as per Indian Accounting Standard (Ind AS) 103 (Business Combination) in accordance with Appendix C of 'Business Combinations of entities under common control' under the Companies (Indian Accounting Standards) Rules, 2015. No adjustment shall be made to reflect the fair values, or recognise any new assets or liabilities.
- b) The identity of the reserves of Transferor Company shall be preserved and shall appear in the financial statements of the Transferee Company in the same form, in which they appeared in the financial statements of the Transferor Company.
- c) Upon coming into effect of this Scheme, the Transferee Company shall issue new equity shares to the shareholders of the Transferor Company (other than for shares, if any, held by Transferee Company into the Transferor Company). These new equity shares shall be issued and recorded at face value and accordingly the aggregate face value of the shares to be issued shall be credited to Transferee Company's share capital account.
- d) The carrying value of investments in the financial statements of the Transferee Company in the equity share capital of the Transferor Company shall stand cancelled pursuant to the Scheme becoming effective and there shall be no further obligation in that behalf.
- e) Upon coming into effect of this Scheme, to the extent there are inter-corporate loans / advances, deposits balances or other obligations as between Transferor Company and the Transferee Company, the obligations in respect thereof shall come to an end and corresponding effect shall be given in the books of accounts and records of the Transferee Company for the reduction of any assets or liabilities, as the case may be.
- f) The amount of difference between, (i) the face value of new shares issued and allotted to the shareholders of the Transferor Company and cancellation of the investments, if any, held by Transferee Company into the Transferor Company and (ii) the carrying value of net assets (including the reserves), would be adjusted against capital reserves.

(vii) **Dissolution**

Upon the coming into effect of the Scheme, the Transferor Company shall, without any further act, instrument or deed, stand dissolved without winding-up.

(viii) **Reorganisation and combination of Authorised Share Capital**

- a) Upon this Scheme becoming effective, pursuant to the applicable provisions of the Act and Article V of the Memorandum of Association of the Transferor Company and Transferee Company, the authorized share capital of the Transferor Company as on the Effective Date shall be transferred to the Transferee Company. Immediately thereafter, as an integral part of this Scheme, the authorized share capital of the Transferor Company comprising of equity shares of face value of Rs 10 (Rupees Ten) each, shall be split and be reclassified as equity share of face

value of Re 1 (Rupee One) each and get combined with the authorized share capital of the Transferee Company. Pursuant immediately to the reclassification and consolidation of authorized share capital as envisaged above, the Memorandum of Association of the Transferee Company shall automatically stand amended and altered.

- b) The filing fees (including registration fees, if any) paid on the authorised share capital of the Transferor Company shall be set-off against any filing fees payable by the Transferee Company on increase of its authorised share capital pursuant to the amalgamation. The Transferee Company shall file the requisite documents with the Registrar of Companies, which has jurisdiction over the Transferee Company, for the increase of the authorised share capital of the Transferee Company, as aforesaid.

(ix) **Conditions to effectiveness of the Scheme**

The Transferee Company is engaged in the business of manufacture and sale of ductile iron pipes and cast-iron pipes and ductile iron fittings. The equity shares of the Transferee Company are listed on BSE Limited and National Stock Exchange of India Limited. As on 30 September 2020 the Transferee Company holds 41.33% of the equity share capital of the Transferor Company.

2.0 RATIONALE FOR THE SCHEME OF AMALGAMATION

- 2.1 The rationale for the proposed Scheme is set out below:
- (i) The Transferor Company and Transferee Company are under the control of common promoter group. The Transferee Company along with its promoter group of companies are in a position to and do exercise control over the Transferor Company. The Transferor Company and Transferee Company are engaged in the same line of business, i.e., manufacture and sale of ductile iron pipes and both have common economic objective and strategic goals. It would be advantageous to combine the activities and operations in a single company leading to strong capability in effectively meeting future challenges of competitive business environment.
 - (ii) The Amalgamation (as defined hereunder) will enable the Companies (as defined hereinafter) to streamline their business activities into a single combined entity, thereby resulting in economies of scale and avoidance of undue duplication in work, reduction in common expenditure otherwise incurred by the two entities within common group, better and more productive utilization of financial, human and other resource and enhancement of overall business efficiency.
 - (iii) The Amalgamation will result in significant reduction in multiplicity of legal and regulatory compliances which at present is required to be made separately by the Companies.

- (iv) The Amalgamation will result in simplification of the group structure and management structure with only one listed company in group leading to better administration and reduction in administrative and other costs from more focused operational efforts, rationalization, standardization and simplification of business processes.
- (v) The Amalgamation will enable the combined entity to leverage their consolidated resources to: (a) increase production capacities; (b) undertake research and development initiatives to improve manufacturing processes and final product; (c) serve the needs of a larger customer base leading to overall business domestically as well as overseas, (d) improved alignment of debt repayments with cash flow, and (d) improved credit rating.
- (vi) The synergies that exist between the two companies in terms of services and resources can be put to the best advantage of all stakeholders.
- (vii) The Scheme is envisaged to be in the best interests of the shareholders, employees and the creditors of the Transferor Company and the Transferee Company.

Thus, the Scheme of Amalgamation, as envisaged, would enable seamless access to strong business relationships, closer and better focused attention being given to the businesses which would get integrated, aligned and streamlined, leading to achievement of their full business and growth potential.

- 2.2 Consequently, the Board of Directors (as hereinafter defined) of the Transferor Company and the Transferee Company have considered and approved this Scheme of Amalgamation and have, accordingly, proposed the Amalgamation (as hereinafter defined) of the Transferor Company with the Transferee Company as an integral part of the Scheme.

CHAPTER 2-- AMALGAMATION OF THE TRANSFEROR COMPANY WITH THE TRANSFEREE COMPANY

- 7.1 Upon coming into effect of the Scheme and with effect from the Appointed Date, the Transferor Company (including the entire Undertaking(s) of the Transferor Company) shall, pursuant to the sanction of the Scheme by the NCLT and pursuant to the provisions of Sections 230 to 232 of the Act, stand transferred to and vested in and/or be deemed to have been transferred to and vested in the Transferee Company, as a going concern, in accordance with Section 2(1B) of the Income Tax Act without any further act, instrument, deed, matter or thing, so as to become, as and from the Appointed Date, part of the Transferee Company by virtue of and in the manner provided in this Scheme.
- 7.2 Pending the Scheme coming into effect, the Transferor Company and the Transferee Company may continue to provide security for each other's commitments provided however, the Scheme shall not operate to enlarge the security for any loan, deposit or facility availed of either by the Transferor Company or by the Transferee Company and the Transferee Company shall not in any manner be obliged to create further or additional security there for after the Effective Date or otherwise.
- 7.3 Upon the Scheme coming into effect the assets and liabilities of the Transferor Company shall stand pooled with the assets and liabilities of the Transferee Company in accordance with the relevant Indian accounting standard on business combinations.

Transfer of assets

- 8 Without prejudice to the generality of Clause 7.0 above, upon coming into effect of the Scheme and with effect from the Appointed Date:
- (i) all the estates, assets (including intangible assets), properties, investments of all kinds (i.e., shares, scripts, stocks, bonds, debenture stocks, units or pass through certificates), rights, claims, title, interest, powers and authorities including accretions and appurtenances comprised in the Undertaking of whatsoever nature and wheresoever situated shall, under the provisions of Sections 230 to 232 of the Act, without any further act, instrument or deed, cost or charge and without any notice or other intimation to any third party for the transfer of the same, be transferred to and vested in the Transferee Company and/or deemed to be transferred to and vested in the Transferee Company, as a going concern, so as to become, on and from the Appointed Date, the estate, assets (including intangible assets), properties, investments of all kinds (i.e., shares, scripts, stocks, bonds, debenture stocks, units or pass through certificates), rights, claims, title, interest, powers and authorities including accretions and appurtenances of the Transferee Company.
- (ii) such of the assets and properties of the Transferor Company as are movable in nature or incorporeal property or are otherwise capable of transfer by physical or constructive delivery or possession, or by endorsement and/or delivery shall, without requiring any cost or charge and without any deed or instrument of conveyance or notice or other intimation to any third party for the transfer of the same, be and stand transferred by delivery to the Transferee Company and/or be deemed to have been transferred to the Transferee Company as a part of the transfer of the Undertaking as a going concern, so as to become, on and from the Appointed Date, the assets and properties of the Transferee Company.

- (iii) all other movable properties of the Transferor Company, including investments of all kinds (i.e., shares, scrips, stocks, bonds, debenture stocks, units or pass through certificates), sundry debtors, receivables, bills, credits, loans and advances, if any, whether recoverable in cash or in kind or for value to be received, bank balances, deposits with any Governmental Authority including any tax authority, quasi government, local or other authority or body or with any company or other person, shall, without any further act, instrument or deed, cost or charge and without any notice or other intimation to any third party for the transfer of the same, stand transferred to and vested in the Transferee Company and/or deemed to be transferred to and vested in the Transferee Company by way of delivery of possession of the respective documents, as applicable, as a part of the transfer of the Undertaking as a going concern, so as to become from the Appointed Date, the assets and properties of the Transferee Company.
- (iv) the Transferee Company may, if it so deems appropriate, give notice in such form as it deems fit and proper, to each such debtor or obligor that pursuant to the sanction of this Scheme by the NCLT, such debt, loan, advance, claim, bank balance, deposit or other asset be paid or made good or held on account of the Transferee Company as the person entitled thereto, to the end and intent that the right of the Transferor Company to recover or realize all such debts (including the debts payable by such debtor or obligor to the Transferor Company) stands transferred and assigned to the Transferee Company and that appropriate entries shall be passed in the books of accounts of the relevant debtors or obligors to record such change. It is hereby clarified that investments, if any, made by the Transferor Company and all the rights, title and interest of the Transferor Company in any licensed properties or leasehold properties shall, pursuant to Sections 230 to 232 of the Act and the provisions of this Scheme, without any further act or deed, be transferred to and vested in or be deemed to have been transferred to and vested in the Transferee Company.
- (v) all immovable properties of the Transferor Company, including land together with the buildings and structures standing thereon or under construction and rights and interests in immovable properties of the Transferor Company, whether freehold or leasehold or licensed or otherwise, any tenancies in relation to warehouses, all rights, covenants, continuing rights, title and interest in connection with the said immovable properties and all documents of title, rights and easements in relation thereto shall stand transferred to and be vested in and/or be deemed to have been transferred to and vested in the Transferee Company, without any further act or deed done or being required to be done by the Transferor Company and/or the Transferee Company. The Transferee Company shall be entitled to exercise all rights and privileges attached to the aforesaid immovable properties and shall be liable to pay the ground rent and taxes and fulfill all obligations in relation to or applicable to such immovable properties. The mutation of the ownership or title or interest in the immovable properties shall, upon this Scheme becoming effective, be made and duly recorded in the name of the Transferee Company by the appropriate authorities pursuant to the Order of NCLT in accordance with the terms hereof.
- (vi) all lease/license or rent agreement / tenancy agreement entered into by the Transferor Company with various landlords, owners and lessors in connection with the use of the assets of the Transferor Company, together with security deposits and advance/prepaid lease/license fee, etc., shall stand automatically transferred to and vested in favour of the Transferee Company on the same terms and conditions without any further act, instrument, deed, matter or thing being made, done or executed. The Transferee

Company shall continue to pay rent or lease or license fee as provided for in such agreements and the Transferee Company and the relevant landlords, owners and lessors shall continue to comply with the terms, conditions and covenants thereunder. Without limiting the generality of the foregoing, the Transferee Company shall also be entitled to refund of security deposits paid, advance rent paid under such agreements by the Transferor Company. All the rights, title, interest and claims of Transferor Company in any such leasehold properties shall be transferred to and vested in or be deemed to have been transferred to and vested in Transferee Company.

- (vii) all permissions, permits, sanctions, approvals, authorizations, consents, entitlements, subsidies, quotas, rights, allotments, registrations, privileges, incentives and concessions under incentive schemes and policies including under customs, excise, goods and services tax, VAT, sales tax, income tax benefits and exemptions/deductions, deferment, subsidy receivables from Government, grants from any Governmental Authority, indirect tax benefits and exemptions, all other rights, liberties, advantages, no-objection certificates, certifications, easements, benefits and liabilities related thereto, licenses, powers and facilities of every kind, nature and description whatsoever, provisions and benefits of all agreements, contracts and arrangements and all other interests in connection with or relating to the Transferor Company enjoyed or conferred upon or held or availed of by the Transferor Company and all rights and benefits that have accrued or which may accrue to the Transferor Company, whether on or before or after the Appointed Date, if any, shall, under the provisions of Sections 230 and 232 of the Act, without any further act, instrument or deed, cost or charge and without any notice or other intimation to any third party for the transfer of the same, be and stand transferred to and vested in and/or be deemed to be transferred to and vested in the Transferee Company as a part of the transfer of the Undertaking as a going concern, so as to become, as and from the Appointed Date or after the Appointed Date, as the case may be, the permissions, permits, sanctions, approvals, authorizations, consents, entitlements, sales tax deferrals, liberties, special status, subsidies, quotas, rights, allotments, registrations, privileges, incentives, income tax benefits and exemptions, indirect tax benefits and exemptions, all other rights, benefits and liabilities related thereto, licenses, powers and facilities of every kind, nature and description whatsoever, provisions and benefits of all agreements, contracts and arrangements of the Transferee Company and shall remain valid, effective and enforceable on the same terms and conditions. For the avoidance of doubt, it is further clarified that they shall be deemed to have originally been given by, issued to or executed in favour of the Transferee Company and the Transferee Company shall be bound by the terms thereof and the obligations and duties thereunder, and the rights and benefits under the same shall be available to the Transferee Company.
- (viii) upon the coming into effect of this Scheme and subject to the provisions of this Scheme, all contracts, deeds, bonds, agreements, schemes, arrangements and other instruments, permits, rights, entitlements, licenses (including the licenses granted by any Governmental, statutory or regulatory bodies) for the purpose of carrying on the business of the Transferor Company, and in relation thereto, and those relating to tenancies, privileges, powers, facilities of every kind and description of whatsoever nature, to which the Transferor Company is a party, or to the benefit of which the Transferor Company may be eligible, and which are subsisting or having effect immediately before the Effective Date, shall continue to be in full force and effect on or against or in favour, as the case may be, of the Transferee Company and may be enforced as fully and effectually as if, instead of the Transferor Company, the Transferee Company had been a party or beneficiary or obligor thereto. In relation to the same, any procedural requirements

required to be fulfilled solely by the Transferor Company (and not by any of its successors), shall be fulfilled by the Transferee Company as if it is the duly constituted attorney of that Transferor Company.

Any inter-se contracts between the Transferee Company and the Transferor Company shall stand cancelled and cease to operate upon this Scheme becoming effective.

All guarantees provided by any bank in relation to the Transferor Company outstanding as on the Effective Date, shall vest in the Transferee Company and shall ensure to the benefit of the Transferee Company and all guarantees issued by the bankers of the Transferor Company at their request favouring any third party shall be deemed to have been issued at the request of the Transferee Company and continue in favour of such third party till its maturity or earlier termination.

- (ix) without prejudice to the generality of the foregoing, all leave and license agreements/deeds, lease agreements/deeds, bank guarantees, corporate guarantees, performance guarantees and letters of credit, hire purchase agreements, lending agreements and such other agreements, deeds, documents and arrangements pertaining to the business of the Transferor Company or to the benefit of which the Transferor Company may be eligible and which are subsisting or having effect immediately before the Effective Date, including all rights and benefits (including benefits of any deposit, advances, receivables or claims) arising or accruing therefrom, shall, with effect from Appointed Date and upon this Scheme becoming effective, by operation of law pursuant to the vesting orders of the NCLT, be deemed to be contracts, deeds, bonds, agreements, schemes, arrangements and other instruments, permits, rights, entitlements, licenses, leases, guarantees, letter of credit of the Transferee Company. All such property and rights shall stand vested in the Transferee Company and shall be deemed to have become the property and rights of the Transferee Company by operation of law, whether the same is implemented by endorsement or delivery and possession or recorded in any other manner.
- (x) all the intellectual property rights of any nature whatsoever, including but not limited to intangible assets including registrations, licenses, trademarks, logos, service marks, copyrights, domain names, trade names, various business or commercial rights and applications relating thereto, goodwill, know-how and trade secrets appertaining to the Transferor Company, whether or not provided in books of accounts of the Transferor Company, shall under the provisions of Sections 230 and 232 of the Act, and all other provisions of the Applicable Laws, if any, without any further act, instrument or deed, cost or charge and without any notice or other intimation to any third party for the transfer of the same, be and stand transferred and vested in the Transferee Company as a part of the transfer of the Undertaking as a going concern, so as to become, as and from the Appointed Date, the intellectual property and rights of the Transferee Company.
- (xi) All intangible assets including various business or commercial rights, etc. belonging to but not recorded in books of the Transferor Company shall be transferred to and vested with the Transferee Company.
- (xii) all taxes (including but not limited to advance tax, tax deducted at source, tax collected at source, self-assessment tax, banking cash transaction tax, securities transaction tax, input tax credit, CENVAT credit, taxes withheld/paid in a foreign country, value added tax, excise, sales tax, goods and services tax, cess, as applicable) payable by or refundable to

or being the entitlement of the Transferor Company, including all or any refunds or claims shall be treated as the tax liability or refunds/credits/claims, as the case may be, of the Transferee Company, and any tax incentives, advantages, privileges, exemptions, credits, tax holidays, remissions, reductions, rebates, etc., as would have been available to the Transferor Company, shall pursuant to this Scheme becoming effective, be available to the Transferee Company.

- (xiii) the Transferee Company shall be entitled to claim refunds or credits, including input tax credits, CENVAT credit, etc., with respect to taxes paid by, for, or on behalf of, the Transferor Company under Applicable Laws, including but not limited to goods and services tax, sales tax, value added tax, service tax, excise duty, cess or any other tax, whether or not arising due to any inter se transaction, even if the prescribed time limits for claiming such refunds or credits have lapsed. Any inter-se transactions amongst Transferor Company and Transferee Company between the Appointed Date and Effective Date shall be considered as transactions from Transferee Company to itself, and Transferee Company shall be entitled to claim refund of tax paid, if any, on these inter-se transactions, as per Applicable Laws. For the avoidance of doubt, input tax credits already availed of or utilized by the Transferor Company and the Transferee Company in respect of inter-se transactions between the Appointed Date and the Effective Date shall not be adversely impacted by the cancellation of inter-se transactions pursuant to this Scheme.
- (xiv) all statutory rights and obligations of Transferor Company would vest in/accrue to Transferee Company. Hence, obligation of the Transferor Company, prior to the Effective Date, to issue or receive any statutory declaration or any other forms by whatever name called, under the State VAT Acts or the Central Sales Tax Act or Goods and Services Tax Act or any other act for the time being in force, would be deemed to have been fulfilled if they are issued or received by Transferee Company and if any form relating to the period prior to the said Effective Date is received in the name of the Transferor Company, it would be deemed to have been received by the Transferee Company in fulfillment of its obligations.
- (xv) benefits of any and all corporate approvals as may have already been taken by the Transferor Company, whether being in the nature of compliances or otherwise, shall under the provisions of Sections 230 and 232 of the Act, without any further act, instrument or deed, cost or charge and without any notice or other intimation to any third party for the transfer of the same, be and stand transferred and vested in the Transferee Company as a part of the transfer of the Transferor Company as a going concern, and the said corporate approvals and compliances shall be deemed to have originally been taken / complied with by the Transferee Company.
- (xvi) the resolutions, if any, of the Transferor Company, which are valid and subsisting on the Effective Date, shall, under the provisions of Applicable Laws, without any further act, instrument or deed, cost or charge and without any notice or other intimation to any third party for the transfer of the same, be and stand continue to be valid and subsisting and be considered as resolutions of the Transferee Company and if any such resolutions have any monetary limits approved under the provisions of the Act or any other applicable statutory provisions, then the said limits shall, subject to the provisions of the Act, be added to the limits, if any, under like resolutions passed by the Transferee Company and shall constitute the aggregate of the said limits in the Transferee Company.

- (xvii) upon the coming into effect of this Scheme and subject to the other provisions of this Scheme, the Transferee Company may enter into and/or issue and/or execute deeds, writings or confirmations or enter into any tripartite arrangements, confirmations or novations, to which the Transferor Company will, if necessary, also be party in order to give formal effect to the provisions of this Scheme, if so required or if so considered necessary. The Transferee Company shall be deemed to be authorized to execute any such deeds, writings or confirmations on behalf of the Transferor Company and to implement or carry out all formalities required on the part of the Transferor Company to give effect to the provisions of this Scheme.
- (xviii) in relation to the above, any procedural requirements required to be fulfilled solely by Transferor Company (and not by its successors), shall be fulfilled by Transferee Company as if it is the duly constituted attorney of Transferor Company.
- (xix) the above shall not affect any transaction or proceedings or contracts or deeds already concluded by the Transferor Company on or before the Appointed Date and after the Appointed Date till the Effective Date. The Transferee Company accepts and adopts all acts, deeds and things done and executed by the Transferor Company in respect thereto as done and executed on behalf of itself.
- (xx) upon the Scheme becoming effective, the Transferee shall be entitled to without limitation, operate the bank accounts, including transacting in cash, cheque, National Electronic Funds Transfer, Real Time Gross Settlement or any other electronic mode, intra company, inter company, other settlements, availing of and utilizing any limits, issuing or receiving any guarantee of the Transferor Company or carry out any other transaction as it deems fit.
- (xxi) upon coming into effect of this Scheme and till such time that the names of the bank accounts of the Transferor Company is replaced with that of the Transferee Company, the Transferee Company shall be entitled to operate the bank account of the Transferor Company, in their names, in so far as may be necessary. Further, until the transfer and vesting of rights and obligations of the Transferor Company to the Transferee Company under this Scheme is formally effected by the parties concerned, the Transferee Company, shall be entitled to complete and enforce all pending contracts and transactions in the name of Transferor Company insofar as may be necessary.
- (xxii) such of the assets which are acquired by the Transferor Company on or after the Appointed Date but prior to the Effective Date, shall under the provisions of Sections 230 to 232 of the Act, without any further act, instrument or deed, cost or charge and without any notice or other intimation to any third party for the transfer of the same, be and stand transferred to and vested in and/or be deemed to have been transferred to and vested in the Transferee Company as a part of the transfer of the Undertaking as a going concern, so as to become, the assets and properties of the Transferee Company.
- (xxiii) since the Transferor Company falls within the jurisdiction of the NCLT, Amravati Bench, the transfer and vesting of the properties of the Transferor Company into the Transferee Company under the Scheme is dependent upon and subject to the sanction accorded to the Scheme by the NCLT, Amravati Bench and accordingly, the sanction accorded to the Scheme by the NCLT, Cuttack Bench will not be effective until the sanction of the Scheme by the NCLT, Amravati Bench. In the event, upon direction of NCLT, Principal Bench, New Delhi, no application for sanctioning of the Scheme is required to be made before NCLT,

Amravati Bench, then joint application for the Scheme shall be filed by the Transferor Company and the Transferee Company before the NCLT, Cuttack Bench, having jurisdiction over Transferee Company and the order passed by NCLT, Cuttack Bench shall be conclusive and binding on both the Transferor Company and the Transferee Company and their respective shareholders and creditors. In such a scenario, there will not be any requirement for filing separate application and obtaining order from NCLT, Amravati Bench for sanction of the Scheme.

Transfer of Liabilities

- 9 Without prejudice to the generality of Clause 7.0 above, upon coming into effect of this Scheme and with effect from the Appointed Date,
- (i) All Liabilities, whether or not provided in the books of the Transferor Company, shall, under the provisions of Sections 230 and 232 of the Act, without any further act, instrument, deed, cost or charge and without any notice or other intimation to any third party for the transfer of the same, be and stand transferred to and vested in and be deemed to have been transferred to and vested in the Transferee Company as a part of the transfer of the Undertaking as a going concern and the same shall be assumed by the Transferee Company, to the extent they are outstanding on the Effective Date so as to become on and from the Appointed Date, the Liabilities of the Transferee Company on the same terms and conditions as were applicable to the Transferor Company, and the Transferee Company shall meet, discharge and satisfy the same. Further, it shall not be necessary to obtain the consent of any third party or other person who is a party to any contract or arrangement by virtue of which such Liabilities have arisen in order to give effect to the provisions of this Clause.
 - (ii) All Liabilities which are incurred or which arise or accrue to the Transferor Company on or after the Appointed Date but prior to the Effective Date, shall under the provisions of Sections 230 and 232 of the Act and all other provisions of Applicable Laws, if any, without any further act, instrument or deed, cost or charge and without any notice or other intimation to any third party for the transfer of the same, be and stand transferred to and vested in and/or be deemed to have been transferred to and vested in the Transferee Company as a part of the transfer of the Undertaking as a going concern and the same shall be assumed by the Transferee Company to the extent they are outstanding on the Effective Date on the same terms and conditions as were applicable to the Transferor Company, and the Transferee Company shall meet, discharge and satisfy the same.
 - (iii) Any Liabilities of the Transferor Company as on the Appointed Date that are discharged by the Transferor Company on or after the Appointed Date but prior to the Effective Date, shall be deemed to have been discharged for and on account of the Transferee Company, upon the coming into effect of the Scheme.
 - (iv) All loans raised and utilized, liabilities, duties and taxes and obligations incurred or undertaken by or on behalf of the Transferor Company on or after the Appointed Date but prior to the Effective Date shall be deemed to have been raised, used, incurred or undertaken for and on behalf of the Transferee Company and shall, under the provisions of Sections 230 and 232 of the Act and all other provisions of Applicable Laws, if any, without any further act, instrument, deed, cost or charge and without any notice or other intimation to any third party for the transfer of the same, be and stand transferred to and vested in and/or be deemed to have been transferred to and vested in the Transferee

Company as a part of the transfer of the Undertaking as a going concern and the same shall be assumed by the Transferee Company and to the extent they are outstanding on the Effective Date, the Transferee Company shall meet, discharge and satisfy the same.

- (v) Loans, advances and other obligations (including any arrangement which may give rise to a contingent liability in whatever form), if any, due or which may at any time in future immediately before the Effective Date become due or remain outstanding between the Transferor Company and the Transferee Company shall, under the provisions of Sections 230 and 232 of the Act, without any further act, instrument, deed, cost or charge, stand cancelled and be deemed to have been discharged by such cancellation and consequently, there shall remain no inter-se liability between them as of Effective Date and the corresponding appropriate effect shall be given in the books of accounts and records of the Transferee Company.

10 Encumbrances:

- (i) Upon the coming into effect of this Scheme and with effect from the Appointed Date, all Encumbrances which are in the nature of the fixed charge and relate to specific fixed assets existing prior to the Effective Date over the fixed assets of the Transferor Company or the Transferee Company which secure or relate to the Liabilities shall, without any further act, instrument, deed, cost or charge and without any notice or other intimation to any third party for the transfer of the same, continue to relate and attach to such specific fixed assets or any part thereof to which they were related or attached prior to the Effective Date even where transferred under the Scheme to the Transferee Company. All Encumbrances which are in the nature of floating charge and relate generally over all current assets existing prior to the Effective Date over the current assets of the Transferor Company or the Transferee Company (as the case may be) shall, however, extend to and shared by all the working capital lenders of the Transferee Company on the Scheme becoming effective. The absence of any formal amendment which may be required by a lender or trustee or third party shall not affect the operation of this Clause.
- (ii) Any reference in any security documents or arrangements (to which the Transferor Company is a party) to the Transferor Company and its assets and properties, shall be construed as a reference to the Transferee Company and the assets and properties of the Transferor Company transferred to the Transferee Company pursuant to this Scheme.
- (iii) Without prejudice to the foregoing provisions, the Transferee Company may execute any instruments or documents or do all the acts and deeds as may be considered appropriate, including the filing of necessary particulars and/or modification(s) of charge, with the Registrar of Companies to give formal effect to the above provisions, if required.
- (iv) The provisions of this clause shall operate notwithstanding anything to the contrary contained in any instrument, deed or writing or the terms of sanction or issue or any security document; all of which instruments, deeds or writings shall stand modified and/or superseded by the foregoing provisions.

11 Employees:

- (i) Upon coming into effect of this Scheme, all permanent employees, who are on the payrolls of the Transferor Company, including key managerial personnel engaged on contract basis and contract laborers and interns/trainees of the Transferor Company, as

on the Effective Date,, shall become employees of the Transferee Company with effect from the Effective Date, on such terms and conditions as are no less favourable than those on which they are currently engaged by the Transferor Company, without any interruption of service as a result of this Amalgamation and transfer. With regard to provident fund, gratuity, leave encashment and any other special scheme or benefits created or existing for the benefit of such employees of the Transferor Company, upon this Scheme becoming effective, the Transferee Company shall stand substituted for the Transferor Company for all purposes whatsoever, including with regard to the obligation to make contributions to relevant authorities, in accordance with the provisions of Applicable Laws or otherwise. It is hereby clarified that upon this Scheme becoming effective, the aforesaid benefits or schemes shall continue to be provided to the transferred employees and the services of all the transferred employees of the Transferor Company for such purpose shall be treated as having been continuous.

- (ii) The existing provident fund, employee state insurance contribution, gratuity fund, superannuation fund, staff welfare scheme and any other special scheme (including without limitation any employees stock option plan) or benefits created by the Transferor Company for its employees shall be continued on the same terms and conditions or be transferred to the existing provident fund, employee state insurance contribution, gratuity fund, superannuation fund, staff welfare scheme, etc., being maintained by the Transferee Company or as may be created by the Transferee Company for such purpose. It is the intent that all rights, duties, powers and obligations of Transferor Company in relation to such fund or funds shall stand transferred to the Transferee Company without need of any fresh approval from any statutory authority. Pending such transfer, the contributions required to be made in respect of such employees shall continue to be made by the Transferee Company to the existing funds maintained by the Transferor Company.
- (iii) The Transferee Company undertakes that for the purpose of payment of any retrenchment compensation, gratuity and other terminal benefits to the employees of the Transferor Company, the past services of such employees with the Transferor Company shall also be taken into account and it shall pay the same accordingly, as and when such amounts are due and payable. Upon this Scheme becoming effective, the Transferor Company will transfer/handover to the Transferee Company, copies of employment information of all such transferred employees of Transferor Company, including but not limited to, personnel files (including hiring documents, existing employment contracts, and documents reflecting changes in an employee's position, compensation, or benefits), payroll records, medical documents (including documents relating to past or ongoing leaves of absence, on the job injuries or illness, or fitness for work examinations), disciplinary records, supervisory files relating to its and all forms, notifications, orders and contribution/identity cards issued by the concerned authorities relating to benefits transferred pursuant to this sub-clause.
- (iv) The contributions made by Transferor Company in respect of its employees under Applicable Laws, to the provident fund, gratuity fund, leave encashment fund and any other special scheme or benefits created, for the period after the Appointed Date shall be deemed to be contributions made by Transferee Company.
- (v) The Transferee Company shall continue to abide by any agreement(s)/settlement(s) entered into by the Transferor Company with any of its employees prior to Appointed Date and from Appointed Date till the Effective Date.

12 **Legal Proceedings:**

- (i) All proceedings of whatsoever nature (legal and others, including any suits, appeals, arbitrations, execution proceedings, revisions, writ petitions, if any) by or against the Transferor Company shall not abate, be discontinued or be in any way prejudicially affected by reason of the transfer of the Undertaking or anything contained in this Scheme but the said proceedings, shall, till the Effective Date be continued, prosecuted and enforced by or against the Transferor Company, as if this Scheme had not been made.
 - (ii) Upon the coming into effect of this Scheme, all suits, actions, and other proceedings including legal and taxation proceedings, (including before any statutory or quasi-judicial authority or tribunal) by or against the Transferor Company, whether pending and/or arising on or before the Effective Date shall be continued and / or enforced by or against the Transferee Company as effectually and in the same manner and to the same extent as if the same had been instituted and/or pending and/or arising by or against the Transferee Company.
 - (iii) The Transferee Company undertakes to have accepted on behalf of itself, all suits, claims, actions and legal proceedings initiated by or against the Transferor Company transferred to its name and to have the same continued, prosecuted and enforced by or against the Transferee Company.
 - (iv) On and from the Effective Date, the Transferee Company shall have a right, if required, to initiate any legal proceedings in relation to any transactions entered into by the Transferor Company in the same manner and to the same extent as would or might have been initiated by the Transferor Company.
- 13 All books, records, files, papers, information, databases, and all other books and records, whether in physical or electronic form, of the Transferor Company, to the extent possible and permitted under Applicable Law, be handed over to the Transferee Company.
- 14 Without prejudice to the provisions of Clause 6.0 to 13.0 above, with effect from the Appointed Date, all inter-party transactions amongst the Transferor Company and the Transferee Company shall be considered as intra-party transactions for all purposes.
- 15 Without prejudice to the other provisions of this Scheme and notwithstanding the fact that vesting of the Undertaking occurs by virtue of this Scheme itself, the Transferee Company may, at any time after the coming into effect of the Scheme, in accordance with the provisions hereof, if so required under any law or otherwise, take such actions and execute such deeds (including deeds of adherence), confirmations or other writings or arrangements with any party to any contract or arrangement to which the Transferor Company are party or any writings as may be necessary in order to give formal effect to the provisions of this Scheme. It is hereby clarified that if the consent of any third party or authority is required to give effect to the provisions of this clause, the said third party or authority shall be obligated to, and shall make and duly record the necessary substitution/endorsement in the name of the Transferee Company pursuant to the Order of NCLT, and upon this Scheme becoming effective in accordance with the terms hereof. For this purpose, the Transferee Company shall file appropriate applications/documents with relevant authorities concerned for information and record purposes. The Transferee Company shall, under the provisions of this Scheme, be deemed to be authorised to execute any such writings on behalf of the Transferor Company and to carry out or perform all such formalities or compliances referred to above on the part of the Transferor Company to be

carried out or performed.

19 Accounting Treatment

- 19.1 The Transferee Company shall record the assets, liabilities and reserves of the Transferor Company, as on Appointed Date, vested in it pursuant to the Scheme at their respective carrying values as per 'Pooling of Interest Method' of accounting as per Indian Accounting Standard (Ind AS) 103 (Business Combination) in accordance with Appendix C of 'Business Combinations of entities under common control' under the Companies (Indian Accounting Standards) Rules, 2015. No adjustment shall be made to reflect the fair values, or recognise any new assets or liabilities.
- 19.2 The identity of the reserves of Transferor Company shall be preserved and shall appear in the financial statements of the Transferee Company in the same form, in which they appeared in the financial statements of the Transferor Company.
- 19.3 Upon coming into effect of this Scheme, the Transferee Company shall issue new equity shares to the shareholders of the Transferor Company (other than for shares, if any, held by Transferee Company into the Transferor Company). These new equity shares shall be issued and recorded at face value and accordingly the aggregate face value of the shares to be issued shall be credited to Transferee Company's share capital account;
- 19.4 The carrying value of investments in the financial statements of the Transferee Company in the equity share capital of the Transferor Company shall stand cancelled pursuant to the Scheme becoming effective and there shall be no further obligation in that behalf.
- 19.5 Upon coming into effect of this Scheme, to the extent there are inter-corporate loans / advances, deposits balances or other obligations as between Transferor Company and the Transferee Company, the obligations in respect thereof shall come to an end and corresponding effect shall be given in the books of accounts and records of the Transferee Company for the reduction of any assets or liabilities, as the case may be.
- 19.6 The amount of difference between, (i) the face value of new shares issued and allotted to the shareholders of the Transferor Company and cancellation of the investments, if any, held by Transferee Company into the Transferor Company and (ii) the carrying value of net assets (including the reserves), would be adjusted against capital reserves.
- 19.7 In case of any difference in accounting policy between the Transferee Company and the Transferor Company, the impact of the same will be quantified and the same shall be appropriately adjusted against the capital reserves of the Transferee Company.
- 19.8 The costs and expenses relating to the Scheme shall be accounted for in the profit & loss account.
- 19.9 Comparative accounting period presented in the financial statements of the Transferee Company shall be restated for the accounting impact of Amalgamation, as stated above, as if the Amalgamation had occurred from the beginning of the comparative period in the financial statement. In case the business combination had occurred after that date, the prior period information shall be restated only from that date.
- 19.10 The Board of Directors may adopt any other accounting treatment for the Amalgamation in consultation with the auditors which is in accordance with Accounting Standards notified under the Act.

20 **Dissolution of the Transferor Company**

Upon the coming into effect of the Scheme, the Transferor Company shall, without any further act, instrument or deed, stand dissolved without winding-up.

CHAPTER 3 – OTHER TERMS AND CONDITIONS

21 Reorganisation and combination of Authorised Share Capital

- 21.1 Upon this Scheme becoming effective, pursuant to the applicable provisions of the Act and Article V of the Memorandum of Association of the Transferor Company and Transferee Company, the authorized share capital of the Transferor Company as on the Effective Date shall be transferred to the Transferee Company. Immediately thereafter, as an integral part of this Scheme, the authorized share capital of the Transferor Company comprising of equity shares of face value of Rs 10 (Rupees Ten) each, shall be split and be reclassified as equity share of face value of Re 1 (Rupee One) each and get combined with the authorized share capital of the Transferee Company. Pursuant immediately to the reclassification and consolidation of authorized share capital as envisaged above, the Memorandum of Association of the Transferee Company shall automatically stand amended and altered.
- 21.2 Accordingly, Clause V of the Memorandum of Association of the Transferee Company shall, without any further act, instrument or deed, be and stand altered, modified and amended pursuant to Sections 13, 61, 64 and Section 232 of the Act and other applicable provisions of the Act, as the case may be and be replaced by the following clause:

“The Authorised Share Capital of the Company is Rs. 103, 02,00,000/- (Rupees One Hundred and Three Crore Two Lakh only) divided into 103, 02,00,000/- (One Hundred and Three Crore Two Lakh only) equity shares of Re. 1/- (Rupee One only) each with power to increase and reduce the capital of the Company and consolidate, divide or sub-divide the shares in capital for the time being into several classes and to attach thereto respectively such preferential, qualified or special rights, privileges or conditions as may be determined by or in connection with the Articles of the Company for the time being and to modify or abrogate any such rights, privileges or conditions in accordance with the provisions of the Act, or provided by the Articles of the Company for the time being.”

- 21.3 The filing fees (including registration fees, if any) paid on the authorised share capital of the Transferor Company shall be set-off against any filing fees payable by the Transferee Company on increase of its authorised share capital pursuant to the amalgamation. The Transferee Company shall file the requisite documents with the Registrar of Companies, which has jurisdiction over the Transferee Company, for the increase of the authorised share capital of the Transferee Company, as aforesaid.
- 21.4 It is further clarified that the approval of the members of the Transferee Company to the Scheme shall be deemed to be their consent/approval for the increase of the authorized capital and amendment of the capital clause of the Memorandum of Association of the Transferee Company, under the provisions of the Act..

22 Conditions to effectiveness of the Scheme

- 22.1 The coming into effect of this Scheme is conditional upon and subject to:
- (i) pursuant to provisions of the Competition Act, 2002 (including any statutory modification or re-enactment thereof) and the rules and regulations thereunder, the first of the CCI (or any appellate authority in India having appropriate jurisdiction) having either:

- (a) granted approval to the Scheme; or
 - (b) been deemed to have granted approval to the Scheme through the expiration of time periods available for their investigation;
- (ii) the Stock Exchanges having issued their observation / no-objection letter as required under the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, read with the SEBI Circular;
 - (iii) the Scheme being approved by the respective requisite majorities of the various classes of members (passed through postal ballot / e-voting as applicable) and secured and unsecured creditors (as applicable) of the Transferor Company and the Transferee Company as required under the Act and as applicable under SEBI Circular, subject to any dispensation that may be granted by the NCLT;
 - (iv) pursuant to the para I(A)(9)(a) of Annexure I to SEBI Circular, the Scheme shall be acted upon only if the votes cast by the public shareholders in favour of the proposal are more than the number of votes cast by the public shareholders against it in relation to both the Transferor Company and the Transferee Company. The term 'public' shall carry the same meaning as defined in Rule 2 of the Securities Contracts (Regulation) Rules, 1957.
 - (v) sanctions and Order under provisions of the Sections 230 to 232 of the Act being obtained from NCLT;
 - (vi) the certified copy of the Orders of NCLT approving this Scheme being uploaded and filed at the portal of Ministry of Corporate Affairs.
- 22.2 The Transferor Company and the Transferee Company shall be at liberty to withdraw the Scheme any time as per their discretion.

23 Dividend

- 23.1 During the pendency of the Scheme, the companies shall be entitled to declare and pay dividends, whether interim and/or final, to their members in respect of the accounting period prior to the Effective Date as per their past practice.
- 23.2 The holders of the shares of the Companies shall, save as expressly provided otherwise in this Scheme, continue to enjoy their existing rights under their respective Articles of Association including the right to receive dividends.
- 23.3 On and from the Effective Date, the profits and losses of Transferor Company for the period beginning from the Appointed Date shall belong to and be deemed to be the profits and losses of Transferee Company and will be available to Transferee Company, for being disposed of in any manner as it deems fit.
- 23.4 It is clarified that the aforesaid provisions in respect of declaration of dividends are enabling provisions only and shall not be deemed to confer any right on any member of the companies to demand or claim any dividends which, subject to the provisions of the Act, shall be entirely at the discretion of the respective Boards of Directors of the Companies and subject to the approval, if required, of the respective members of the companies.

24 Applications

- 24.1 The Companies shall make necessary applications before the NCLT for the sanction of this Scheme under Sections 230 to 232 and other applicable provisions of the Act, seeking orders for holding and/or conducting of the meetings of their respective shareholders, secured creditors and unsecured creditors, as applicable and for sanctioning this Scheme with such modifications, as may be approved by the NCLT.
- 24.2 The Transferee Company shall be entitled, pending the sanction of the Scheme, to apply to any Governmental Authority, if required, under any law for such consents and approvals which the Transferee Company may require.

25 Modifications to the Scheme

The Companies may, in their full and absolute discretion, jointly and as mutually agreed in writing:

- (i) assent to any alteration(s) or modification(s) to this Scheme or any clause of this Scheme which NCLT/or any other Governmental Authority (including but not limited to CCI, SEBI and Stock Exchange) may deem fit to approve or impose, and/or effect any other modification or amendment jointly and mutually agreed in writing;
- (ii) give such directions (acting jointly) as they may consider necessary to settle any question or difficulty arising under the Scheme or in regard to and of the meaning or interpretation of this Scheme or implementation hereof or in any matter whatsoever connected therewith, or to review the position relating to the satisfaction of various conditions of this Scheme and if necessary, to any of those (to the extent permissible under law);
- (iii) modify or vary this Scheme prior to the Effective Date in any manner at any time as per the sole discretion of the Transferor Company and the Transferee Company;
- (iv) if any clause or part of this Scheme is invalid, ruled illegal by any court / governmental authority, or unenforceable under present or future laws or withdrawn, then it is the intention of the Transferee Company and the Transferor Company that such part shall be severable from the remainder of this Scheme and this Scheme shall not be affected thereby, unless the deletion of such part shall cause this Scheme to become materially adverse to either the Transferee Company or the Transferor Company, in which case the Transferee Company and Transferor Company may, through mutual consent and acting through their respective Board of Directors, attempt to bring about appropriate modification to this Scheme, as will best preserve for each of them, the benefits and obligation of this Scheme, including but not limited to such part;
- (v) that if any clause or part of this Scheme is found to be unworkable for any reasons by the Transferor Company and/or the Transferee Company whatsoever, then the Transferor Company and / or the Transferee Company have a right to withdraw that clause or part of the Scheme or the entire Scheme prior to the Effective Date in any manner at any time; or
- (vi) determine jointly whether any asset, liability, employee, legal or other proceedings pertains to the Transferor Company or not, on the basis of any evidence that they may deem relevant for this purpose.

26 When the Scheme comes into operation

- 26.1 The Scheme shall come into operation from the Appointed Date but the same shall become effective on and from the Effective Date but shall be subject to the conditions set out in Clause 22.
- 26.2 With effect from the Effective Date, the Transferee Company shall carry on and shall be authorized to carry on the businesses of the Transferor Company. The Transferee Company is and shall always be deemed to have been authorized to execute any pleadings, applications, forms, etc., as may be required to remove any difficulties and carry out any formalities or compliance as are necessary for the implementation of the Scheme. For the purposes of giving effect to the Order of NCLT, Transferee Company shall at any time pursuant to such order be entitled to get the recordal of change in the legal right(s) upon the amalgamation of Transferor Company, in accordance with the provisions of the Sections 230 to 232 and/or the other applicable provision of the 2013 Act, as case may be.

27 COMPLIANCE WITH TAX LAWS

- 27.1 This Scheme is in compliance with the conditions relating to "Amalgamation" as specified under Section 2(1B) of the Income Tax Act. If any terms or provisions of the Scheme are found or interpreted to be inconsistent with the provisions of the said Section at any time including resulting from a retrospective amendment of law or for any other reason whatsoever, till the time the Scheme becomes effective, the provisions of the said Section of the Income Tax Act shall prevail and the Scheme shall stand modified to the extent determined necessary to comply with Section 2(1B) of the Income Tax Act.
- 27.2 On or after the Effective Date, the Transferor Company and Transferee Company shall have the right to revise their financial statements and tax returns (including withholding tax returns), along with the prescribed forms, filings and annexures under the provisions of the Income Tax Act (including for the purpose of re-computing income tax under the normal provisions, minimum alternative tax, and claiming other tax benefits), Wealth Tax Act, 1957, customs duty law, central sales tax, applicable state value added tax, service tax laws, excise duty laws, Goods and Services tax, VAT law or other tax laws, and to claim refunds and/or credits for taxes paid (including tax deducted at source, goods and services tax, etc.) and to claim tax benefits, etc., and for matters incidental thereto, if required to give effect to the provisions of the Scheme.
- Without prejudice to the generality of the foregoing, upon the coming into effect of this Scheme, Transferor Company and the Transferee Company are expressly permitted to file/ revise/ reopen their respective tax returns / computation of total income after giving effect of Amalgamation electronically and if the electronic filing is not enabled in the official website of the income tax department, it can be filed manually before the income tax authorities holding jurisdiction over the Transferor Company and the Transferee Company even if the time limit prescribed for filing revised return of income / computation of total income, as applicable has lapsed and/or assessment proceedings has been completed and no further approval for filing revised return / revised computation of total income after giving effect of the Amalgamation shall be required from CBDT or any other Appropriate Authority and also revise related withholding tax certificates, including withholding tax certificates relating to transactions between Transferor Company and the Transferee Company, to the extent required and to claim refunds, advance tax and withholding tax credits, and benefit of credit for minimum alternate tax, or tax related deductions, or any other tax related compliances or filings of forms.

- 27.3 As and from the Appointed Date, all tax proceedings shall be continued and enforced by or against the Transferee Company in the same manner and to the same extent as would or might have been continued and enforced by or against the Transferor Company. Further, all tax proceedings shall not in any way be prejudicially affected by reason of the Amalgamation of the Transferor Company with the Transferee Company or anything contained in the Scheme.
- 27.4 Any tax liabilities under the Income Tax Act, Wealth Tax Act, 1957, customs duty laws, central sales tax, applicable state value added tax, service tax laws, excise duty laws, Goods and Services tax, VAT law or other Applicable Laws/regulations dealing with taxes, duties, levies allocable or related to the Transferor Company to the extent not provided for or covered by tax provision in the accounts made as on the date immediately preceding the Appointed Date shall be transferred or stand transferred to Transferee Company. Any surplus in the provision for taxation/duties/levies account including advance tax and tax deducted at source and MAT credit as on the date immediately preceding the Appointed Date will also be transferred to the account of the Transferee Company.
- 27.5 Any refund under the Income Tax Act, Wealth-tax Act, 1957, customs duty laws, central sales tax, applicable state value added tax, service tax laws, excise duty laws, Goods and Services tax, VAT law or other Applicable Laws/regulations dealing with taxes/duties/levies allocable or related to the business of the Transferor Company due to Transferor Company consequent to the assessment made on Transferor Company and for which no credit is taken in the accounts as on the date immediately preceding the Appointed Date shall also belong to and be received by the Transferee Company.
- 27.6 Any tax payment (including, without limitation, income-tax, minimum alternate tax, taxes withheld/paid in a foreign country, dividend distribution tax, buy-back tax, securities transaction tax, sales tax, excise duty, custom duty, service tax, value added tax, Goods and Services tax, etc.) whether by way of deduction at source, advance tax or otherwise, howsoever, by the Transferor Company in respect of the profits or activities or operation of the business on or after the Appointed Date, the same shall be deemed to be the corresponding item paid by the Transferee Company and shall, in all proceedings, be dealt with accordingly. Without prejudice to the generality of the foregoing, on and from the Appointed Date, if any certificate for tax deducted or collected at source or any other tax credit certificate relating to the Transferor Company is received in the name of Transferor Company, or tax credit relating to the Transferor Company is appearing in Form 26AS of the Transferor Company, it shall be deemed to have been received by and in the name of the Transferee Company which alone shall be entitled to claim credit for such tax deducted or paid.
- 27.7 Obligation for deduction of tax at source on any payment made by or to be made by the Transferor Company under the Income Tax Act, Wealth Tax Act, 1957, customs duty laws, central sales tax, applicable state value added tax, service tax laws, excise duty laws, Goods and Services tax, VAT law or other Applicable Laws / regulations dealing with taxes / duties / levies shall be made or deemed to be have been made and duly complied with by the Transferee Company.
- 27.8 All deductions otherwise admissible to the Transferor Company including payment admissible on actual payment or on deduction of appropriate taxes or on payment or tax deducted at source (such as, under Sections 40, 40A, 43B, etc., of the Income Tax Act) shall be available for deduction to the Transferee Company as it would have been available to the Transferor Company.

27.9 The accumulated losses and the allowances for unabsorbed depreciation of the Transferor Company shall be deemed to be the loss and allowance for unabsorbed depreciation of the Transferee Company in accordance with Section 72A of the Income Tax Act.

27.10 Without prejudice to the generality of the above, accumulated losses and allowance for unabsorbed depreciation as per Section 72A of the Income Tax Act, losses brought forward and unabsorbed depreciation as per books of accounts, credits (including, without limitation, income tax, minimum alternate tax, tax deducted at source, taxes withheld/ paid in a foreign country, wealth tax, service tax, excise duty, central sales tax, applicable state value added tax, customs duty drawback, Goods and Services tax, etc.) to which the Transferor Company are entitled to in terms of Applicable Laws, shall be available to and vest in / deemed to be carried out by the Transferee Company, upon coming into effect of this Scheme.

28 Severability

28.1 If any part of this Scheme is found to be unworkable for any reason whatsoever, the same shall not, subject to the decision of the Companies, affect the validity or implementation of the other parts and/or provisions of this Scheme.

28.2 In the event of any inconsistency between any of the terms and conditions of any earlier arrangement between the Companies and their respective shareholders, and the terms and conditions of this Scheme, the latter shall prevail.

CORPORATE OVERVIEW

Srikalahasthi Pipes Ltd (SPL) is one of the leading players in the DI pipe industry in India and was established in 1991. SPL's plant is located at Rachagunneri, Srikalahasthi, Chittoor District, Andhra Pradesh near Tirupati and its key products include DI Pipes, Pig Iron, Coke & and Cement. Srikalahasthi Pipes has a backward integrated manufacturing facility which includes a sinter plant, coke oven plant, power plant and a Sewage Treatment facilities in the same complex spread over 330 acres, giving the company a significant competitive advantage.

Srikalahasthi Pipes Limited (SPL) is an Associate Company of Pipes major Electrosteel Castings Limited (ECL), which is a five-decade old water infrastructure company providing techno- economic solutions for water supply and sewerage systems. ECL is India's largest and one of the few manufacturers in the world to make Ductile Iron (DI) Pipes, DI Fittings and CI Pipes, having its facilities in Khardah & Haldia in West Bengal and Elavur in Tamil Nadu.

The company supplies DI pipes to various Water Boards, Municipal Corporations and Turnkey Contractors across the country for their Water Infrastructure Projects which is the thrust area of the Govt of India. Some of our marquee clients are Larsen & Toubro, NCC Limited, Indian Hume Pipes Ltd, Megha Engineering & Infrastructures Ltd and Sriram EPC Ltd.

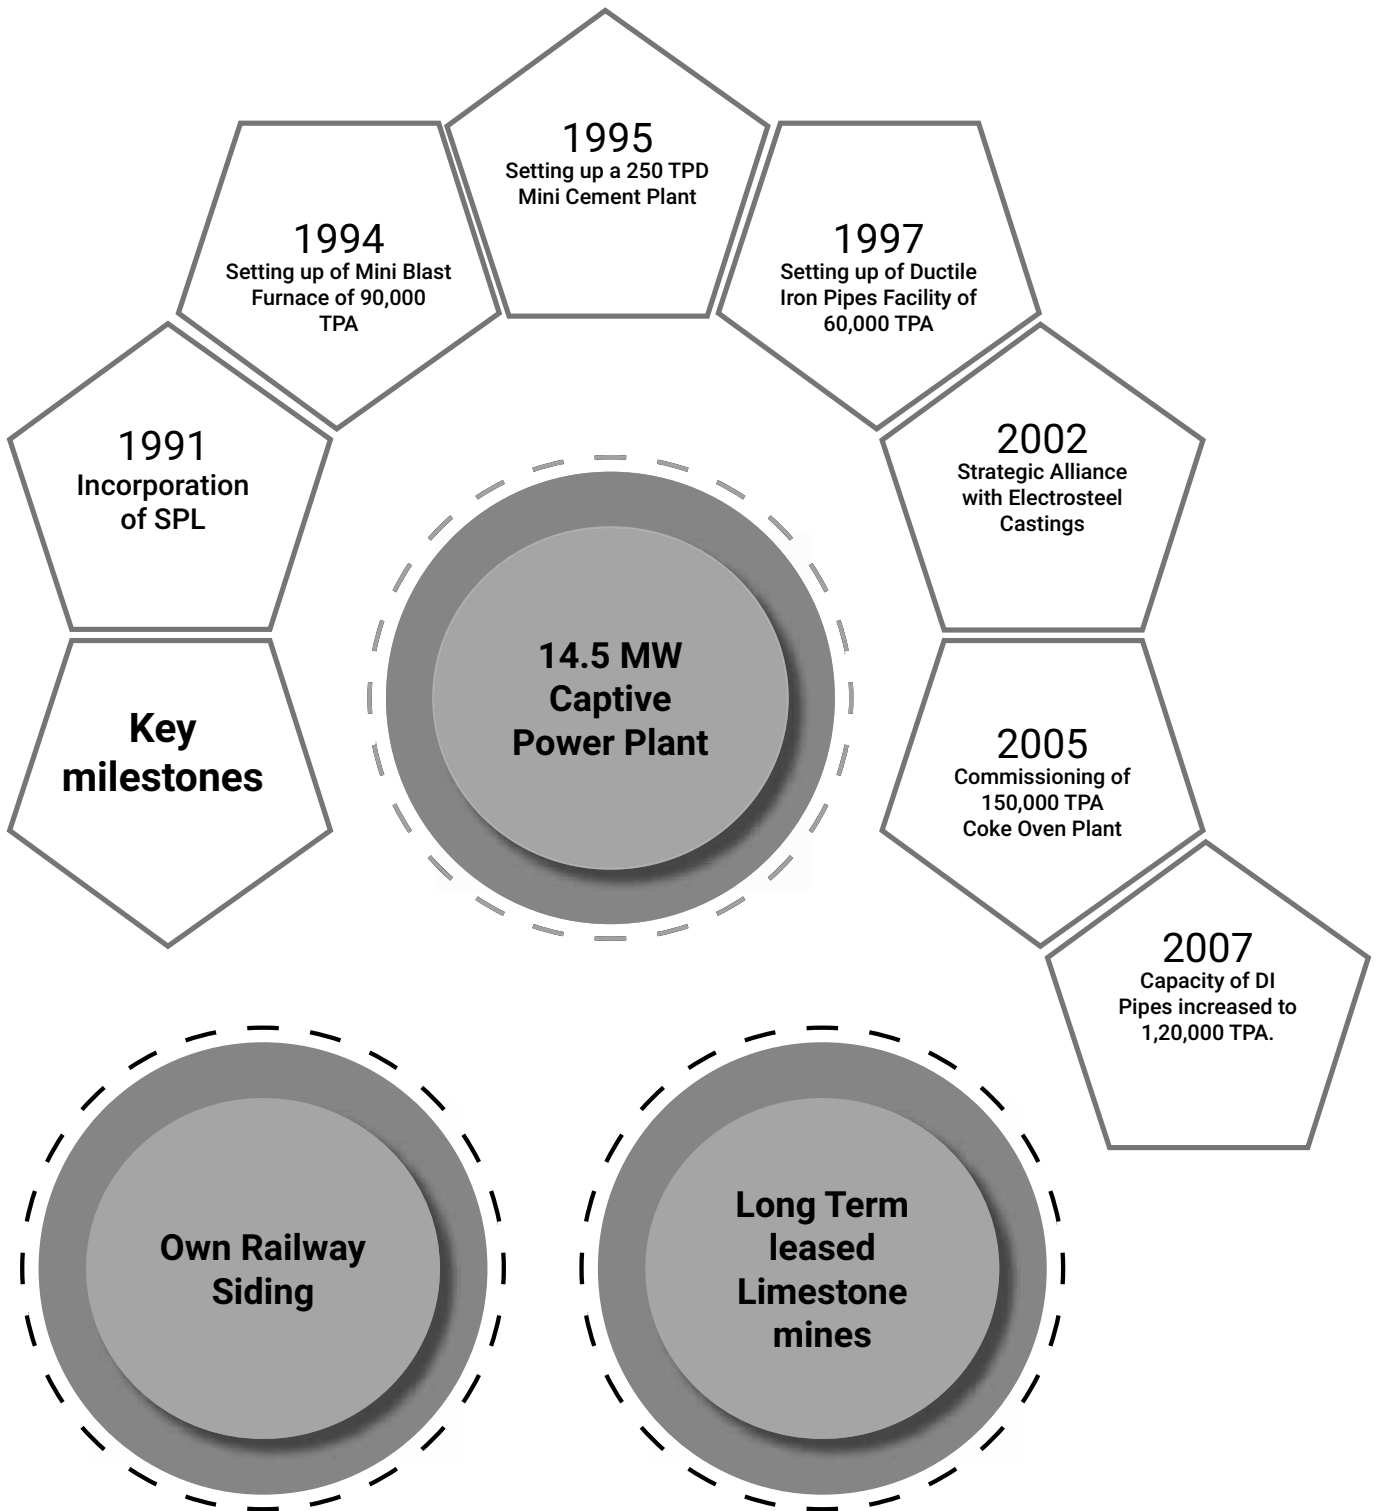

The impetus given by the Central Government in the Union Budget to various centrally sponsored schemes like National Rural Drinking Water Programme, Swatch Bharath, urban and rural development projects, augur well for the Ductile Iron Pipe industry in terms of boosting demand for DI Pipes in the medium to long term which helps us keep the order book stable.

DUCTILE IRON PIPES

Ductile Iron (also known as Spheroidal Graphite Iron or Nodular Cast Iron) retains the corrosion resistance of Cast Iron but has more than double the tensile strength. The essential difference between Ductile and Cast Iron lies in the shape of the graphite in the microstructure of the metal. DI Pipes have external metallic zinc/epoxy/bituminous coating and internal cement mortar lining using large centrifugal force to provide excellent anti-corrosive properties. DI Pipes are used for transmission of raw & potable water, transmission of domestic & industrial effluents, fire fighting systems, piling ash-slurry handling Systems. SPL manufactures and markets DI Pipes under the brand name "SRIPES" and the product size ranges from 100 mm to 1,100 mm.

Strengths:

Higher Tensile Strength: Is strong enough to withstand the most severe conditions, from high-pressure applications, to heavy earth and traffic loads, to unstable soil conditions.

Corrosion Resistant: It is resistant to corrosion in most soils, and typically requires only effective, economical polyethylene encasement in aggressive environments.

Longer Service Life: Projected service life is 70-90 Years.

Flexible and Leak Tight Joints: It has flexible push on joints which do not leak at high or low pressure.

COKE

Coke is a fuel with few impurities and a high carbon content, usually made from coal. SPL is one of the largest manufacturers of Low Ash Metallurgical coke (LAMCOKE) in the country. Superior technology, high quality Australian coking coal and outstanding blending help the company to produce one of the best quality cokes in the country. The company adapts different types of blending, which enhances the quality of the coke.

PIG IRON

Srikalahasthi Pipes Limited (SPL) manufactures basic and foundry grade Pig Iron from the surplus liquid metal. SPL's Pig Iron is ideal for specialized applications such as engine blocks, crankshafts, steel mills, pump housing, machine tools, etc. The company caters to specific customer requirement of precision products manufacturers. The company is one of the low cost Pig iron manufacturers with almost total backward integration.

CEMENT

Srikalahasthi sells the cement manufactured under the name "SPL Gold". The company produces Portland slag cement conforming to BIS 455 of 2015. The cement is used extensively in coastal areas where it will safeguard against corrosion due to chlorates and sulphates which are present in the sea breeze

Your directors recommend payment of dividend of Rs. 7/- (70%) per equity share of Rs.10/- each for the financial year ended 31st March, 2020 (previous year Rs.6.00 per share) amounting to Rs.3,268.89 lakhs. The dividend payout is subject to approval of members at the ensuing Annual General Meeting.

RESERVES :

During the year under review, the Company proposes to transfer Rs.5,000 lakhs to the General Reserve

SHARE CAPITAL

The paid up equity share capital of your Company as on 31 March 2020 was Rs.46.70 Crores. There was no fresh issue of capital during the year under review. The Company has neither issued shares with differential voting rights, sweat equity shares, nor has it granted any stock options.

REVIEW OF OPERATIONS:

During the FY 2019-20, your company has produced 2,93,491 MT of Ductile Iron Pipes, which is marginally lower by 5,023 MT compared to the FY 2018-19, which is attributable to loss of production for 9 days during March,

2020, due to temporary suspension of operations, owing to nationwide lockdown declared by the Government to prevent the spread of COVID-19.

Your Company continues to play a constructive role in the nation building movement by contributing to water supply and infrastructure development in the country, which are the thrust areas of the Government. During the FY 2019-20, your company's Ductile Iron Pipes of about **7,300 KM** have been used for transportation of potable water and sewerage under its brand name "**SRIPIPES**" for various prestigious water projects across the country, thus increasing its market share further.

Production at a glance:

Product	2019-20		2018-19		% of Change	
	Prod.	Sales *	Prod.	Sales *	Prod.	Sales
Ductile Iron Pipes (MT)	2,93,491	2,85,848	2,98,514	2,90,873	-1.68	-1.73

*Sales include captive consumption also.

\$ Company has changed weightment pattern from wet to dry basis. Accordingly, previous year's figures also changed in line with dry weightment pattern.

Production/Sales of Ductile Iron Pipes (2016 - 2020):

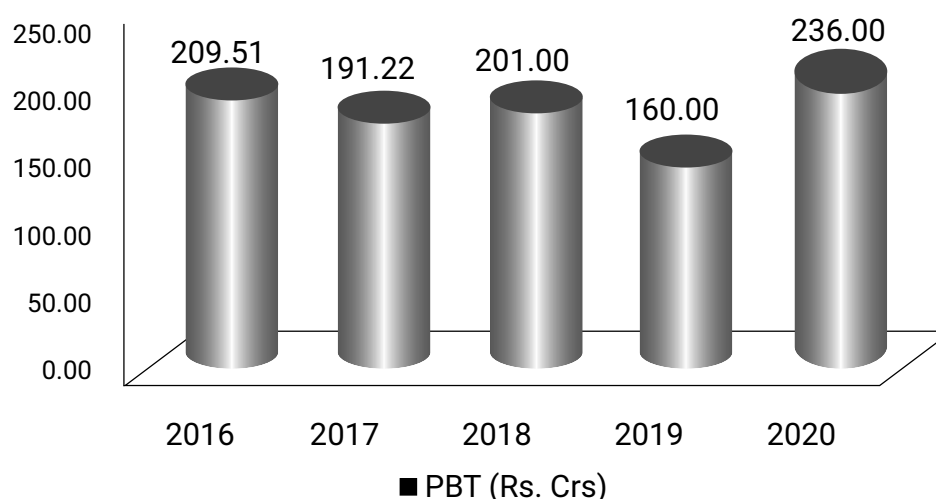

Due to pandemic COVID 19, the entire operations of your company as per the Government's directive were suspended w.e.f. 23rd March, 2020. The production of Ductile Iron Pipes for the year ended 31st March, 2020 would have crossed 3,00,000 MT, had the plant run for the entire month of March 2020 and would have achieved more than 100% of the capacity.

Your Company has successfully commenced commercial operations of Ferro Alloys Plant in the fourth quarter of the financial year, which marks completion of both the phases of Ferro Alloys project. With the commissioning of Ferro Alloys plant, the Company has become self-sufficient in meeting the captive requirement of Ferro Silicon and the surplus production is being sold in the domestic market.

During the year under review your Company has reported Profit Before Tax (PBT) of Rs. 236.52 Crores, which is higher by 47.79% compared to FY 2018-19. The improved performance of your Company is predominantly attributable to lower raw material cost, higher sales realization with an optimum product mix coupled with various cost reduction measures. Your Company has recorded a marginal growth of about 4% in revenue from Ductile Iron Pipes at Rs.1,396.22 Crores as compared to Rs.1,345.59 Crores achieved during the FY 2018-19. The EBITDA of the Company was also higher at Rs.323.89 Crores and the Profit After Tax (PAT) being Rs.187.67 Crores compared to Rs. 237.59 Crores and Rs.117.54 Crores achieved during the FY 2018-19 respectively.

Pre-tax Profit (2016 -2020):

FUTURE PROSPECTS:

The expansion plans as envisaged during the FY 2019-20 to install new MBF, additional Hot Blast Stoves, Raw material handling system, creating additional balancing facilities to increase production capacity of DI Pipes have been started by the Company.

Commissioning of Facilities like Cement Lining Machine VI, Sand Blasting System, Gasket Storage system and 15 MT Cranes in connection with projects relating to capacity addition of DI Pipes have been completed.

With respect to all other projects, your directors regret to state that most of the machinery and equipment in connection with new MBF and DI Pipes expansion projects are to be imported, owing to COVID-19 pandemic, already, there was a delay of about Six months in the execution of these projects. Further, due to increasing spread of COVID-19 across the globe as well as in India, it is

anticipated that the schedule of these projects may get affected, due to delay in receipt of machinery, erection & commissioning engineers visit due to VISA regulations/ protocols resulting in further delay in completion of these projects. The estimated completion schedule as on date is first quarter of 2021-22.

Your company has lost more than a month's production due to suspension of the operations following nationwide lockdown declared by the Government of India. Though, production has started from May, 2020, but due to absenteeism consequent to the nationwide lockdown, normal production is affected. Your company is hopeful that normal production will be established from the 2nd quarter of the current year.

The company is having comfortable order book for supply of Ductile Iron pipes. During this Covid-19 situation, safe and hygienic water supply is most important for the Government. Ductile Iron pipe is the safest and most

suitable pipe for transportation of water not only in urban cities but also in rural India. The company is hopeful that Central and State Government will continue to give priority and remain committed in respect of ongoing and future water supply, sewerage and irrigation projects in the country.

COVID 19 STEPS TAKEN BY THE COMPANY:

Your company stands by the society and community in times of despair. The entire employees of the company contributed their one-day salary towards Andhra Pradesh Chief Minister's COVID19 Relief Fund. Apart from the above, the company has distributed rice, wheat and other food items in eight villages nearby its plant. The company has also supplied face masks and sanitisers to these villages.

The company strictly follows all precautions and guidelines prescribed by the Government particularly towards adhering to safety measures in respect of its employees.

CREDIT RATING:

Considering the operational and financial performance of the Company, CARE Limited reaffirmed its rating for the Company's long term borrowing programmes with CARE AA- (Double A Minus) and CARE A1+ (A One Plus) for the short term bank facilities including Commercial Paper. While the rating CARE AA- indicates high degree of safety regarding timely servicing of financial obligations carrying very low credit risk, rating CARE A1+ indicates very strong degree of safety regarding timely payment of financial obligations carrying lowest credit risk.

Further, India Ratings & Research has assigned its rating for the Company's long term borrowing programmes and short term fund based working capital facilities with IND AA-/Stable and rating IND A1+ for the Company's non-fund based facilities and Commercial Paper. While rating AA- denotes high degree of safety regarding timely servicing of financial obligations carrying very low credit risk, rating A1+ denotes very strong degree of safety regarding timely payment of financial obligations carrying lowest credit risk.

Indian Economy:

It is known fact that after the economic liberalization in the nineties, the Indian economy has been growing at an enviable rate. A steady growth in Gross Domestic Product (GDP) has been witnessed for more than two decades. This sustained economic growth has led to rapid urbanization all over India. As a result, villages are turning into towns, towns into cities and cities into megacities.

Demand for Potable Water Supply

Water, the basic essential need of life, is likely to pose the

greatest challenge on account of an increased demand with population rise and economic development, and shrinking supplies due to over-exploitation and pollution. The ever growing demand for safe water supply and disposal is fueling an increasing demand for pipes.

Demand for Water for Industries and Irrigation

Rapid economic development is bringing in more industries and with more industrialization the demand for Industrial water supply is also growing. Growth is also witnessed in the real estate and service industry which in turn further add to water demand.

India has a seasonal pattern of rainfall with 50% of precipitation falling in just 15 days. Over 90% of river flows for just four months. To ensure food security, this calls for regular irrigation of vast area of land to sustain agricultural activity. Traditionally irrigation in India has been mainly canal based. But due to ever increasing issues being faced for land acquisition and also to minimize transmission loss due to percolation and evaporation, there is growing acceptance of piped irrigation systems in the country. Whereas, many states have already switched over to Piped Irrigation System, other states are trying with model schemes, before going in big way. This has opened huge scope for use of pipes in the irrigation sector in the last few years and the same is expected to grow, as more and more states taste the benefits of Piped Irrigation System.

Demand for DI Pipes

Water and sewerage infrastructure development in Indian urban, sub-urban and rural sector continues to fuel the growth acceleration for the domestic DI Pipe Industry. With only around 31% of India's population currently urbanized, along with high population density, India's urbanization trends have scope to significantly accelerate and likely to be around 40% by 2030. Further, the country faces immense problem of drinking water supplies and has poor transmission and distribution networks for water. In addition there is fast growing demand from Irrigation sector, as discussed above. To cater these growing needs, the Indian pipe market is growing at the rate of ~10% every year for more than a decade now. The preference for use of DI Pipes is gaining new grounds, due to ever increasing need for conservation. DI Pipes, due to its popularity as 'Leak proof- Fit and Forget Pipe' very well fits into meeting this requirement.

Effect of COVID-19 on DI pipe Industry

At present almost the entire humankind is in the grip of a COVID-19 pandemic which has drastically altered the way we live, behave and do business and this happened within a very short time span catching us unguarded. Like many other countries, India with its 1.3 billion people was under a prolonged lockdown, which is probably the largest ever cessation of normal human activity in the history of mankind.

It has disrupted industrial and business activities and like many other industry sector, the iron and steel sector is also affected for the time being. However it is expected that it is a passing phase and industry will bounce back once this temporary phase is over. The following facts will indicate the effect of COVID-19 pandemic on the DI pipe Industry.

a) **Overall Economic condition** - The world economy is

now facing a down turn due to the pandemic. However considering the demographic spread, so far India has done better than many of the western counterpart to largely contain the rapid spread of the pandemic. With the lockdown gradually being relaxed in India, it is expected that industrial and business activities will restart very soon and the economy is expected to look up again.

b) **The Workforce** - India is fortunate to have one of the youngest work-forces in the world who are better suited to endure the effect of the pandemic. So, as the business activities are restarting, India will be comparatively quicker to regain the growth rate.

c) **The Industry Sector** - COVID 19 has varied effect on various Industry sector. Certain sectors are badly affected and some are not. The water supply sector caters to a fundamental and non-negotiable need- i.e. drinking water and sanitation. So in this sector, the decrease in demand may not be significant, but actual sourcing will be subdued to an extent due to diversion of funds for COVID 19 related activities.

d) **More Funding for the infrastructure sector** - GOI has already announced a series of economic measure to boost up the economy. The stimulus package amounting to Rs. 20 Lakh Crores has been announced. Major enhancement in spending is expected in the infrastructure sector, which also includes water supply.

e) **The Jal Jeevan Mission (JJM)** - The government has already initiated the Jal Jeevan Mission last year and expected to spend 3.5 lakh Crores in 5 years with a declared intention to bring piped water to every Indian house hold. A dedicated Ministry of Jal Shakti has been created for this purpose. Based on feed back from various state govt departments. It is expected that the spending on this mission will continue as planned. The minister for Jal Shakti, has given a very positive signal as late as May, 2020 that despite challenges posed by COVID 19 pandemic, the target of providing piped water to all household by 2024 is going on schedule. Considering that currently only ~18% of india's households have piped connections, this mission provides great potential for pipe industry and hence DI Pipes.

f) It is also learnt from the discussions with concerned govt officials that execution of Water Supply schemes under NRDWP and AMRUT will continue without interruption. Further, there are various projects funded by External agencies. These projects will also be executed as planned.

g) **Raw material supply** - The Mining sector comes under

essential services and largely remained unaffected. So no specific disruption of raw material availability or pricing is foreseen. So no appreciable effect on cost of production is expected.

All the above indicate that though the pandemic has some immediate effect on the Industry as a whole, it is a passing phase and the Industry and overall effect on DI Pipe industry will not be significant.

Raw materials Management:

The Company strongly believes that effective and efficient functioning of the material management has direct bearing on the total performance of the organization. The Company's Material Management function is operated on an integrated basis and is focused on material forecasting, planning, and inventory control. With coordinated efforts on planning, controlling, organizing procurement of bulk raw materials like coal and iron ore on long term contract/spot market at competitive prices, the cost of raw materials as well as inventory carrying cost has been considerably reduced. Further efficient operation of Sinter plant coupled with maintaining cost-effective ratio of sinter and lump ore helped the Company in achieving considerable reduction in the cost of raw materials.

Quality Management System (QMS):

The Quality Control and Quality Assurance Team plays a pivotal role in understanding customer requirement and supplying products as per their requirements. Across the entire business chain of supplies, operations and marketing appropriate quality assurance systems are in place to ensure correctness of each stage of the cycle. The ISO 9001:2015 certification and the Kite Mark license issued by British Standards Institute, UK for the Ductile Iron Pipes manufactured by the Company are the testimony for the Company's commitment for the adherence to the quality standards.

For ensuring quality at every stage of operations, the

production processes are constantly monitored and controlled to ensure that the finished products are as per customer's requirements. The plant has well equipped laboratories with latest quality control and testing equipments. The Company has well documented Standard Operating Procedures (SOPs) and process controls for every stage of operation and the Quality Assurance Team ensures strict adherence to the SOPs to ensure achieving industrial quality benchmarks.

Safety, Health & Environment (SHE) :

At SPL, safety, health and environment are accorded the highest importance and considered an integral part of the business. The company has put in place a well established system for safety management supported with well defined Safety Policy that incorporates standard operating procedures, instructions, safe methods of work and work permit system.

The Company, in order to strengthen its safety standards further at a cultural level, continuously exposes its employees to behavioural safety education, training and practices. The emphasis of this initiative is to continuously strengthen the safety culture in the organization through a process reliant on behaviour-based safety observation.

The concept of reporting Safety Observations by cross functional teams is proving very effective in identification of unsafe conditions and acts across the integrated facility of the Company. Such safety observations identified by the cross functional teams will be followed up by the

teams along with safety department and ensure that the corrective and preventive measures are implemented with respect to the safety observations made by the cross functional teams.

The safety department regularly conducts audits in all plants with an objective to identify strengths and weaknesses of the current system, identify risks of personal injury, and promote employee participation and morale. The scope of the audit also includes proper and safe use of equipment and PPEs by employees.

As a part of safety governance mechanism, the Company has dedicated committees and various functional teams to ensure safety and implementation of our safety standards. The Safety committee meets periodically and reviews the safety performance every quarter. Training and awareness across the organisation continues to be considered as a key element of Safety Strategy. Aspects such as Safety Management Fundamentals, Incident Investigations, Contractor Safety Management are considered in training programmes for the employees as part of induction programme and also as refreshers to existing employees.

As regards environment management, the Company is always committed to ensure adherence to the mandatory standards by putting in place a robust Environmental Management Systems and Standard Operating Procedures. The Company actively benchmarks its environmental performance between its own Plants as well as peers and adopts best practices across Plant locations for maximum impact. The Company continued to drive a number of initiatives to reduce its environmental footprints.

Some of the noteworthy initiatives undertaken during the year are:

- Installed 12 Nos. continuous online stack emission monitors around the plant, apart from existing 17 Nos. to monitor and control stack emission, with real time data being linked to the servers of Central Pollution Control Board as well as State Pollution Control Board.
- In Coke Oven Plant, 12400 m² Coal storage yard with drain has been concreted to control the ground loss during handling and to collect coal wash during rainy season.
- Roof top rain water harvesting pit 2 Nos (25KL each) established to recharge rain water into the ground.

CORPORATE SOCIAL RESPONSIBILITY (CSR):

SPL strongly believes that sustainable community development is essential for harmony between the community and the industry. It endeavors to make a

positive contribution to the underprivileged communities by supporting a varied range of socio-economic, educational and health initiatives, besides contributing for animal welfare. Further, the Company is determined to integrate its business values and operations to meet the expectations of all its stakeholders.

The Company understands its social responsibility and continues to advance its policies on corporate activities in social, environmental and ethical aspects by being responsive to its key stakeholders. The Company aims to support the socially economically backward groups and under privileged and marginalized sections of the society in providing support and assistance in improving the quality of life of people in the community. The Company continues to maintain sustainable growth together with society by carrying out activities based on the chosen pillars of Corporate Social Responsibility.

INFORMATION TECHNOLOGY (IT):

SPL recognizes the fact that self-reliance in technology is a pre-requisite for growth, especially in the context of globalization and expanding operations. The Company continues to leverage Information Technology (IT) as a key enabler of its strategy, business growth and competitiveness.

The Company is continuously focused on developing a business strategy with an IT component that is aligned with business objectives and is supported by sound business justification, which enables the organization to improve performance, increase productivity, and serve customers more effectively. IT provides employees, customers, suppliers, dealers and business partners with best in class technology solutions.

During the FY 2019-20, the IT function of the Company has successfully undertaken the following initiatives to further enhance overall organizational efficiency.

- Successful implementation of SAP HANA across the organization.
- Integration of auto E-Waybill system to SAP facilitating expeditious e-way bill generation.
- Implementation of e-mail security system for scanning of all the external mails as part of cyber security measures.

HUMAN RESOURCES MANAGEMENT:

The Company considers its human capital a critical factor to its success. In line with the Company's philosophy of continuously harnessing employee potential and developing them to become more capable professionals and future

leaders, the Company has been continuously focussing on developing a more effective and comprehensive strategy to address the key aspects of Human Resource Management.

SPL is highly committed to acquiring the best talent from the industry and nurturing & developing human assets to enhance its own function. It is vital that the selection procedure of the human assets should be such that the Company is in a position to select the best talent required for varied functions of the organization. In accordance with the objectives of the organization, the HR function of the Company is focused on creating a pool of skilled and capable employees through continuous learning and development initiatives.

The dedicated L&D function of the Company endeavours to provide on an average 2-3 days of training per employee on an annual basis. The training programme is conducted based upon the training needs identified. The participants are nominated for both in-house and external training. The L&D Department will plan for and execute the training initiatives on functional as well as behavioural / management training in close co-ordination with functional heads.

The new mentoring concept is under implementation across the organization. Mentoring refers to a developmental relationship where a more experienced person (the mentor) helps and guides a young and inexperienced pool of persons (the mentees) to better their professional career. Mentoring goes beyond the normal boss-subordinate relationship as it also involves sharing of professional skills, expertise and experience with the mentee. This initiative will do a world of good in developing interpersonal relationships and knowledge sharing.

The Company believes that with diversity and inclusion at workplace, it can leverage the multiplicity of skill sets in all its operations. The reward and recognition schemes of the Company continue to be instrumental in encouraging creativity and innovation among all levels of employees across the organization.

RISKS/CONCERNS & MITIGATION:

Risk management is an integral part of the Company's operations. The Risk Management Policy of the Company facilitates identification and analysis of various internal and external risks, their implication on the business and mitigation measures. All the risks are regularly reviewed and focused approach is undertaken to mitigate the risks to curtail its impact on the operations of the Company. The major risks and suggested mitigation measures are described as under.

Raw material Risk :

Any steep increase in the price of major raw materials like coking coal, iron ore etc., or their shortage or unavailability can adversely impact the Company's profitability and operations.

The Company controls such risk through dynamic sourcing strategy including constant review of market conditions and effective procurement planning in line with demand supply conditions. Besides this initiative, the Company has raw material pass-through clauses in some of its contracts to protect itself from input price volatility.

Funding Risk :

The Company's scale of investments in its expansionary projects entails large quantum of capital. Inability of the Company to source low cost funds and control debt levels may impact profitability.

With efficient financial planning and funding of expansion projects with a judicious mix of internal and external funds, the Company has maintained a reasonably healthy debt equity ratio. This apart, Company's consistent performance coupled with good credit rating ensures mobilization of funds from banks and financial institutions at a cheaper cost.

Competitors Risk:

In increasingly domestic market, the company may fall victim to competition resulting in reduced order book position leading to thinner profitability. The Company's constant thrust to maintain consistent quality, the ability to cater to the market driven product mix coupled with healthy brand image and efficient marketing strategy reduces the risk of competition and protects the market share of the Company.

Environmental Risk :

By virtue of its manufacturing process, the Company is exposed to the risk of environment pollution and if due care is not taken and proper attention is not drawn on environmental management, the Company may be bound to face objection from statutory bodies.

The Company's constant drive on implementation of effective environmental management systems, which include proper disposal of wastes and hazardous material, sticking to stringent self benchmarking norms through close monitoring of emission levels across all locations and ensuring regular compliance with various environmental legislations and best practices reduce the risk of environmental pollution.

Receivables Risk :

The Company by virtue of extending credit to its customers, being turnkey contractors and Government Bodies is exposed to credit risk in terms of non realization of book debts and delayed recovery of receivables thereby posing unexpected cash flow issues.

The effective credit risk management practices of the Company, which include regular evaluation of credibility of the customers, frequent review of credit limits of the customers and fixing/tightening credit limits in accordance with the financial strength and track record of the customers and securing major quantum of supplies with letters of credits and bank guarantees wherever necessary, will minimize the risk of receivables to a greater extent.

Foreign currency Risk:

The foreign exchange risk of the Company mainly arises on import of raw materials, machinery and exposure to External Commercial Borrowings.

The Company continuously monitors its foreign exchange exposure and hedges its foreign exchange risk exposure to the extent considered necessary through forward contracts and option structures.

Human resources Risk:

The Company, being manpower centric, the inability to attract and retain skilled manpower may pose threat for the efficient operation of its units.

With continuous focus on initiatives such as employee skilling, career development, engagement, motivation and appropriate recognition of performance ensure employee retention, minimizing the risk of people exodus.

As a part of the Company's strategic risk management processes, the risks faced by the Company and the corresponding risk mitigation plans deployed are being revisited at periodic intervals and the Company is on track in respect of its risk mitigation plans.

INTERNAL CONTROLS:

The Company has an adequate system of internal controls in place. It has documented policies and procedures covering

all financial and operating functions. These controls have been designed to provide a reasonable assurance with regard to maintaining of proper accounting controls for ensuring reliability of financial reporting, monitoring of operations, and protecting assets from unauthorized use or losses, compliances with regulations. The Company has continued its efforts to align all its processes and controls with global best practices.

The Audit Committee comprising of independent directors regularly reviews the audit plans, significant audit findings, adequacy of internal controls, compliance with accounting standards as well as reasons for changes in accounting policies and practices, if any. State-of-the-art Enterprise Resource Planning connect the Company's different locations for efficient and seamless information exchange. Detailed business plans for each segment, investment strategies, year-on-year reviews, annual financial and operating plans and monthly monitoring are part of the established practices for all operating and service functions of the Company.

OUTLOOK:

The company is having comfortable order book for supply of Ductile Iron pipes. During this Covid-19 situation, safe and hygienic water supply is most important for the Government. Ductile Iron pipe is the safest and most suitable pipe for transportation of water not only in urban cities but also in rural India. The company is hopeful that Central and State Governments will continue to give priority and remain committed in respect of ongoing and future water supply, sewerage and irrigation projects in the country.

CAUTIONARY STATEMENT:

Statements in the Board's Report and the Management Discussion & Analysis describing the Company's objectives, expectations or forecasts may be forward looking within the meaning of applicable Securities Laws and Regulations. Actual results may differ materially from those expressed in the statement. Important factors that could influence the Company's operations include domestic demand and supply conditions affecting selling prices of finished goods, input availability and prices, changes in Government Regulations, Tax Laws, Economic Developments within the country and other factors such as exchange rate fluctuations, interest and other costs.

A. CONSERVATION OF ENERGY:

The Company continued its efforts to improve energy usage efficiencies. Various key parameters like specific energy consumption, energy cost are continuously tracked to monitor alignment with the Company's overall sustainability approach. The Company has a process to identify and evaluate energy risks and opportunities, taking into account techno-commercial feasibility and other aspects. Accordingly, phased implementation of energy conservation initiatives are carried out and innovative ways and new technologies are constantly explored for energy conservation and cost reduction. Some of the energy conservation initiatives taken during the FY 2019-20 and proposed to be taken are given below:

a) Steps taken for energy conservation:

1. Battery No. - 3 of Coke Oven Plant is revamped to optimise the energy efficiency.
2. Total 3500 m2 coal yard flooring completed in COP to arrest ground losses of coal.
3. One Block of Battery no. – 2 of Coke Oven Plant revamped to optimise the energy efficiency.
4. By arresting compressed air leakages in MBF, power consumption has been reduced.
5. Partial reduction of damper control in MBF during night times in summer season and two blower operation during rainy season resulted in power saving.
6. Installed power capacitors in MBF and conventional lighting have been replaced with LED lights across the complex to improve power factor and energy efficiency.
7. In mould shop, interlocking system provided between various equipment's to avoid the idle running and to save the energy.
8. In DIP, Automation completed in spinning machine 5,6,7 & 8 to optimise the efficiency.
9. In DIP, installed 20 numbers of digital energy meters for identification and monitoring of energy conservation.
10. Closing of induction furnace top cover lid during heating cycle to avoid heat loss through opening.
11. In DIP, air compressor KP-18 has been replaced with energy efficient compressor to minimize energy loss.

b) Additional investments & proposals, if any being implemented for reduction of consumption of energy:

1. Installation of Energy efficient furnaces, in place of 2nd & 3rd induction furnaces.
2. Installation of new Annealing furnace – 3 for effective utilization of Blast Furnace gas.
3. Enhancement of smaller dia converter from 2.5 tons to 4.0 tons to optimize the efficiency.
4. Conversion of Spinning machine from 1100 dia to 1200 dia pipe to optimize the efficiency.
5. Modification of Finishing line-4 to optimize the efficiency.
6. Installation of additional turbine for effective utilization of steam generation from Boiler No.4.
7. Expansion of sewage treatment plant for further ground water conservation.
8. Installation of variable frequency drives (VFD's) for various applications like spinning machine-3 mould drive, Magnesium deducting blowers, Zinc coating, de-dusting blowers and cranes in DIP to facilitate further power reduction.
9. Installation of new charging cum pusher car in COP to optimize the efficiency.
10. Construction of new quenching tower in COP to minimize the coke burning losses.
11. Construction of additional 11 ovens in Battery-1 of COP and boiler-1 modification to optimize the efficiency.
12. Revamping of COP battery No.1&2 to optimise the efficiency.
13. To carry out concreting of additional coal yard in COP to arrest further ground losses of coal/Coke.
14. Installation of variable frequency drives(VFD's) for various application in MBF like CPP ID fan and MBF CA fan.
15. Addition of 4th Kalugin shaft less stove to optimize the fuel efficiency.

c) Benefits derived from the above initiatives (a) and (b):-

Above initiatives resulted in reduction of specific overall power consumption per ton of Ductile Iron Pipes by 2% compared to 2018-19, apart from other benefits viz. water and energy conservation and minimization of environmental hazards.

Tick upto 2 options)

S.No.	Question	Principle 7 : Responsible public policy advocacy
1.	The Company has not understood the Principles	
2.	The company is not at a stage where it finds itself in a position to formulate and implement the policies on specified principles	
3.	The company does not have financial or manpower resources available for the task	
4.	It is planned to be done within next 6 months	
5.	It is planned to be done within the next 1 year	
6.	Any other reason (please specify)	SPL is a member of Confederation of Indian Industry, AP Chambers of Commerce and Industry and other industrial and trade bodies. We actively participate in these forums on issues and policy matters that impact the interest of our stakeholders. We prefer to be a part of the broader policy development process through making representations to different Forums of Industry & Commerce, giving our comments and seeking their intervention on the proposed amendments in the relevant legislations and being a part of discussions with the representatives of the relevant authorities in open forums. Hence, we do not feel such a policy is necessary for us.

Section E : Principle-wise performance:**Principle 1****1. Does the policy relating to ethics, bribery and corruption cover only the company? Yes/ No. Does it extend to the Group/Joint Ventures/ Suppliers/Contractors/NGOs /Others?**

Working with integrity and fairness in organisational and business dealings is of utmost importance to all in SPL. As a responsible organization, SPL does its business with utmost integrity. We have the following policies in place which form the foundation of our Company's commitment towards ethical conduct at all levels:

Code of Conduct : SPL has its Code of Conduct which is applicable to all the employees of the Company including its directors. This Code does not extend to the suppliers/contractors/NGOs etc. It is a must for every employee in all of the business units/ subsidiaries to follow the values enshrined in the Code of Conduct in their day to day activities. All employees have to read and understand this Code and abide by it.

Whistle-Blower Policy : This Policy is applicable to the Directors of the Company or a person who is in direct or indirect employment with the company who makes a protected disclosure under this policy. This Policy provides a platform to these stakeholders for making any communication made in good faith that discloses or demonstrates evidence of any fraud or unethical activity within the company and had provisions to ensure protection of the whistleblower against victimization for the disclosures made by him/her.

2. How many stakeholder complaints have been received in the past financial year and what percentage was satisfactorily resolved by the Management?

During the reporting period, no complaint was received under the provisions of Whistle Blower Policy.

Principle 2 :**1. List upto 3 of your products or services whose design has incorporated social or environmental concerns, risks and/or opportunities.**

- DI pipes are manufactured and supplied for transporting and supply safe drinking water to the society. The joint is designed to have flexibility and leak proof. The material used for coating and rubber gaskets are tested by WRAS -UK for fitness comparability with potable water .
- DI pipes internally lined with High Alumina Cement which prevent sulphate attack while handling sewage water and industrial effluent. Thus ensure no leach of medium and contaminate the land.
- DI pipe is non hazardous product which is recyclable and re-usable after its service life in the metal industries.

The Company has the Code of Conduct and Whistleblower Policy which covers issues related to human rights. We do not deal with any supplier/contractor if they are in violation of human rights and we do not employ any person below the age of eighteen. We also prohibit the use of forced or compulsory labour at all our units and discourage the same with our business associates.

The said policies discourage violation of Company's business ethics and values and provide a fair and transparent mechanism for reporting any such violation. This policy also provides direct access to the Chairman of the Audit Committee in appropriate and exceptional cases. The system is designed to ensure confidentiality and protect the complainant from being victimized. False allegations are also dealt with disciplinary action in accordance with the Policy.

2. How many stakeholder complaints have been received in the past financial year and what percent was satisfactorily resolved by the management?

No complaint was received pertaining to human rights violation during the past financial year.

Principle 6

1. Does the policy related to Principle 6 cover only the company or extends to the Group/ Joint Ventures/Suppliers/ Contractors / NGOs/others.

Auditor's Report

INDEPENDENT AUDITORS' REPORT

To the Members of Srikalahasthi Pipes Limited
Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the standalone financial statements of Srikalahasthi Pipes Limited ("the Company"), which comprise the balance sheet as at March 31, 2020, and the statement of Profit and Loss (including other Comprehensive Income), statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory notes for the year ended on that date (hereinafter referred to as "financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2020, and profit, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards

on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditors' Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current year. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have considered the matters described below to be the Key Audit Matters for incorporation in our Report.

Key Audit Matter	Addressing the key audit matter
Verification of Inventory and Valuation thereof	
<p>The total inventory of the Company amounting to Rs. 33,283.87 lakhs (as on March 31, 2020) forms about 14.00% of the total assets of the Company.</p> <p>This includes bulk materials such as coal, coke, iron ore etc, which are susceptible to handling loss, moisture loss/gain, spillage etc. and determination of the same requires estimation based on experience and technical expertise. Also, the physical verification of the inventories could not be carried out and/or observed by us due to lockdown restrictions at the year end.</p>	<p>Our Audit procedures based on which we arrived at the conclusion regarding reasonableness of determination of year-end inventory and valuation thereof include the following:</p> <ul style="list-style-type: none"> • The company has procedure of physical verification of inventories at regular interval by an independent professional which was carried out till December 2019; • The Company carried out the physical verification on May 20, 2020. The services of independent firm of chartered accountant has been entrusted for observing/ participation in verification; • We have reviewed the credentials, technical and other expertise of the professional firms deployed for carrying out and observing the verification; • We reviewed the report submitted by external agency and obtained reasons/explanation for variations observed by them with respect to book stock;

	<ul style="list-style-type: none"> • We have applied alternative methods of verification for arriving at Inventories as at the year-end by applying roll back principles and carrying out relevant adjustments for receipt and issues. Materiality for variations, discrepancies after considering the reasonable allowance for volumetric measurement were duly adjusted with respect to subsequent movements and discrepancies and adjustments pursuant to last such verification carried out. • While necessary review and other corroborative evidences were obtained and verified, professional expert's report and conclusions drawn by them on the matter; • We have verified the adjustments made for receipt and consumption to arrive at the physical stock as on March 31, 2020; and • We examined the valuation process/methodology and checks being performed at multiple levels to ensure that the valuation is consistent with and as per the policy followed in this respect.

Information Other than the Standalone Financial Statements and Auditors' Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report and Management Discussion and Analysis Report but does not include the standalone financial statements and our auditors' report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Responsibilities of the Management and those charged with governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Standalone financial statements that give a true and fair view of the state of affairs (financial position), Profit or Loss (financial performance including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management

either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditors' Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3) (i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls;
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude

that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern; and

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

The outbreak of COVID-19 as stated in Note no. 6 of the financial results dealing with evaluation of Impact of

COVID-19 on current and non-current assets as well as the future performance of the Company which has caused disruption in operation and physical verification and other year end exercises, for which alternative audit procedures as required in terms of standards on auditing has been applied to obtain sufficient audit evidence on the matter. Our opinion is not modified in respect of the matter.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. Further to our comments in the annexure referred to in the paragraph above, as required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c) The Balance Sheet, the Statement of Profit and Loss (including Other Comprehensive Income), and the Cash Flow Statement dealt with by this Report are in agreement with the books of account;
 - d) In our opinion, the aforesaid Standalone financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;
 - e) On the basis of the written representations received from the directors as on March 31, 2020 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2020 from being appointed as a director in terms of Section 164 (2) of the Act; and
- f) Regarding adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal control with reference to financial statements.
3. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note no. 38 to the Standalone financial statements;
 - ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts – Refer Note no. 37(d) to the Standalone financial statements; and
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
4. With respect to the reporting under section 197(16) of the Act to be included in the Auditors' Report, In our opinion and according to the information and explanations given to us, the remuneration (including sitting fees) paid by the Company to its Directors during the current year is in accordance with the provisions of section 197 of the Act and is not in excess of the limit laid down therein.

ANNEXURE "A" TO THE AUDITORS' REPORT OF EVEN DATE:

- i) a. The Company has maintained proper records showing full particulars, including quantitative details and situations of fixed assets.
- b. The Company has a program of verification to cover all the items of fixed assets in a phased manner which, in our opinion, is reasonable having regard to the size of the company and the nature of its assets. Pursuant to this program, certain fixed assets which were required could not be fully verified as per the programme amidst lockdown due to COVID-19 pandemic, however certain assets added during the year has been physically verified along with the Internal Auditor. According to the information and explanation given to us, no material discrepancies were noticed on such verifications. As explained such verifications will be resumed as per the phased programme in due course of time.
- c. According to the information and explanations given to us, the records examined by us and confirmation/representation received from charge holders, we report that, the title deeds, comprising all the immovable properties of land and building which are freehold, are held in the name of the Company.
- ii) As informed, the inventories of the Company except for materials in transit and those lying in depot have been physically verified by the management during the year. In our opinion and according to the information and explanations given to us, the frequency of such verification is reasonable. As the Company's inventory of raw materials comprises mostly of bulk materials such as coal, coke, iron ore, etc. requiring technical expertise for quantification, the Company has hired an independent agency for the physical verification of the stock of these materials. The year-end verification could not be carried out due to lock-down amidst COVID-19 pandemic. The Inventories as on that date have been arrived at by rolling back the receipts and issues with respect to verification carried out on a subsequent date in presence and supervision of an Independent firm of chartered accountant, entrusted with such responsibility. The discrepancies noted during the year have been properly dealt with in the books of the account.
- iii) The Company has not granted any loans secured or unsecured to companies, firms or parties covered in the register maintained under Section 189 of the Act. Accordingly, clause 3 (iii) of the Order is not applicable to the Company.
- iv) In our opinion and according to the information and explanations given to us, the Company has not granted any loans, made investments or provided any guarantees/securities to parties covered under Section 185 and 186 of the Act. Accordingly, clause 3 (iv) of the Order is not applicable to the Company.
- v) The Company has not accepted any deposits during the year and does not have any unclaimed deposits as at March 31, 2020 from public covered under Sections 73 to 76 or any other relevant provisions of the Act and rules framed thereunder and therefore the provisions of clause 3(v) of the Order is not applicable to the company
- vi) We have broadly reviewed the books of account maintained by the company pursuant to the Rules made by the Central Government for the maintenance of cost records under Section 148 (1) of the Act in respect of the Company's products to which the said rules are made applicable and are of the opinion that prima facie, the prescribed records have been maintained. We have however not made a detailed examination of the said records with a view to determine whether they are accurate or complete.
- vii) a. According to the information and explanations given to us, during the year and read with Note no. 42(a)(ii) regarding Hon'ble Supreme Court judgement on liabilities towards Provident Fund, pending determination of amount if any payable in this respect, the Company has generally been regular in depositing with appropriate authorities undisputed statutory dues including Provident Fund, Investor Education Protection fund, Employees' State Insurance, Income Tax, Sales Tax, Wealth Tax, Goods and Service Tax, Service tax, Custom Duty, Excise Duty, Value Added Tax, Cess and other material statutory dues as applicable to it.
- b. According to the information and explanations given to us, the details of disputed dues of sales tax, income tax, customs duty, wealth tax, excise duty, service tax, and Cess, if any, as at March 31, 2020, are as follows

Name of the Statute	Nature of Dues	Amount (Rs. in lakhs)	Period to which the amount relates	Forum where dispute is pending

- viii) In our opinion and on the basis of information and explanations given to us by the management, we are of the opinion that the Company has not defaulted in repayment of dues to financial institutions, banks or debenture holders.
- ix) In our opinion and according to the information and explanations given to us, the company did not raise any money by way of initial public offer or further public offer (including debt instruments) or term loans during the year.
- x) During the course of our examination of books of account carried out in accordance with generally accepted auditing practices in India, we have neither come across any incidence of fraud on or by the Company nor have we been informed of any such cases by the management.
- xi) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has paid/provided for managerial remuneration in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V to the Act.
- xii) The Company is not a Nidhi company and hence reporting under paragraph 3(xii) of the Order is not applicable to the Company.
- xiii) According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with Section 177 and 188 of the Act where applicable and details of such transactions have been disclosed in the Standalone Financial statements as

required by the applicable accounting standards.

xiv) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year. Accordingly, clause 3 (xiv) of the Order is not applicable to the Company.

xv) According to the information and explanations given to us and as represented to us by the management and based on our examination of the records of the Company, the Company has not entered into non-cash transactions with directors or persons connected with him. Accordingly, paragraph 3(xv) of the Order is not applicable.

xvi) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act 1934.

ANNEXURE "B" TO THE INDEPENDENT AUDITORS' REPORT

(Referred to in paragraph (f) under 'Report on Other Legal and Regulatory Requirements' of our report of even date)

Report on the Internal Financial Controls with reference to financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to financial statements of Srikalahasthi Pipes Limited ("the Company") as at March 31, 2020 in conjunction with our audit of the Standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls:

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy

and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of

internal control based on the assessed risk. The procedures selected depend on the auditors' judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to financial statements

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition

of the company's assets that could have a material effect on the Standalone financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting:

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2020, based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2020

1. CORPORATE INFORMATION

Srikalahasthi Pipes Limited ('SPL' or 'the Company'), is a public limited company in India having its registered office at Rachagunneri, Srikalahasthi Mandal, Chittoor district in the state of Andhra Pradesh, India engaged in the manufacture and supply of Ductile Iron Pipe as its core business and in the process produces and supplies Pig Iron and Cement. It also produces Low Ash Metallurgical Coke, Sinter and Power for captive consumption in its integrated complex. During the year, the Company has successfully implemented the Ferro Silicon Project as a part of further backward integration. The company predominantly caters to the needs of Water Infrastructure Development. The company's shares are listed on the National Stock Exchange Limited (NSE) and the BSE Limited.

2. STATEMENT OF COMPLIANCE AND RECENT PRONOUNCEMENTS

2.1 Statement of Compliance

The financial statement have been prepared in accordance with Indian Accounting Standards (referred to as "Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended) read with Section 133 of the Companies Act, 2013 ("the Act"). The Company has complied with Ind AS issued, notified and made effective till the date of authorisation of the financial statements.

Accounting Policies have been consistently applied except where a newly issued Indian Accounting Standard is initially adopted or a revision to an existing Indian Accounting Standard requires a change in the accounting policy hitherto in use.

2.2 Application of new and revised Standards

a) Ind AS 116, Leases

Effective April 01, 2019, the Company has adopted Ind AS 116 "Leases" and applied the standard to its leasehold assets under modified retrospective approach with cumulative effect of initial recognition being given effect to on the date of application. Consequently, such assets have been recognised as "Right of Use" and have been amortised over the term of lease. Further, finance cost in respect of lease liability has been measured and considered in these financial statements. Previously charge on account of this was recognised as lease rent in terms of the agreement. This however does not have any material impact on the Profit/Loss and Earning Per Share for the year.

b) Appendix C, 'Uncertainty over Income Tax Treatments', to Ind AS 12, 'Income Taxes'

Appendix C, 'Uncertainty over Income Tax Treatments', to Ind AS 12, 'Income Taxes' have also been revised with effect from the said date. Revision in these standard also do not have any material impact on the financial statements.

3. SIGNIFICANT ACCOUNTING POLICIES

A. BASIS OF PREPARATION

The Financial Statements have been prepared under the historical cost convention on accrual basis excepting certain financial instruments that are measured in terms of relevant Ind AS at fair values/ amortized costs at the end of each reporting period and certain class of Property, Plant and Equipment which on the date of transition have been fair valued to be considered as deemed costs.

Historical cost convention is generally based on the fair value of the

consideration given in exchange for goods and services.

All the assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in Ind AS-1 'Presentation of Financial Statements' and Schedule III to the Companies Act, 2013. Having regard to the nature of business being carried out by the Company, the Company has determined its operating cycle as twelve months for the purpose of current and non-current classification.

The functional currency of the Company is determined as the currency of the primary economic environment in which it operates. Accordingly, these financial statements are presented in Indian Rupees and all values are rounded off to the nearest two decimal lakhs except otherwise stated.

Fair value measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date under current market conditions.

The Company categorizes assets and liabilities measured at fair value into one of three levels depending on the ability to observe inputs employed for such measurement:

- a) Level 1 : quoted prices (unadjusted) in active markets for identical assets or liabilities.
- b) Level 2 : inputs other than quoted prices included within level 1 that are observable either directly or indirectly for the asset or liability.
- c) Level 3 : inputs for the asset or liability which are not based on observable market data.

The company has an established control framework with respect to the measurement of fair values. This includes a finance team headed by Chief Financial Officer who has overall responsibility for overseeing all significant fair value measurements who regularly reviews significant unobservable inputs, valuation adjustments and fair value hierarchy under which the valuation should be classified.

B. PROPERTY, PLANT AND EQUIPMENT (PPE)

Property, Plant and Equipment are stated at cost of acquisition, construction and subsequent improvements thereto less accumulated depreciation and impairment losses, if any. For this purpose cost include deemed cost on the date of transition and comprises purchase price of assets or its construction cost including duties and taxes (net of cenvat availed), inward freight and other expenses related to acquisition or installation and adjustment for exchange differences wherever applicable and any cost directly attributable to bring the asset into the location and condition necessary for it to be capable of operating in the manner intended for its use. For major projects, interest and other costs incurred on / related to borrowings attributable to such projects or fixed assets during construction period and related developmental expenses are capitalized.

Parts of an item of PPE having different useful lives and material value and subsequent expenditure on PPE arising on account of capital improvement or other factors are accounted for as separate components.

The cost of replacing part of an item of PPE is recognised in the

carrying amount of the item if it is probable that the future economic benefits embodied within the part will flow to the Company and its cost can be measured reliably. The costs of the day-to-day servicing of property, plant and equipment are recognised in the income statement when incurred. Assets to be disposed off are reported at the lower of the carrying value or the fair value less cost to sell.

The company's lease assets comprising of Land, Building and Plant and Machinery has been separately shown under PPE as Right of Use (ROU) Assets.

Capital Work-in-progress includes developmental expenses, equipments to be installed, construction and erection materials etc. Such costs are added to related PPE and are classified to the appropriate categories when completed and ready for intended use.

C. LEASES

The Company's lease asset classes primarily consist of leases for office space, transit houses, Plant and Equipments etc. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (i) the contract involves the use of an identified asset (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Certain lease arrangements includes the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities include these options considered for arriving at ROU and lease liability when it is reasonably certain that they will be exercised.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates of these leases. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Company changes its assessment, whether it will exercise an extension or a termination option.

The right-of-use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

D. DEPRECIATION AND AMORTISATION

Depreciation on PPE except otherwise stated, is provided as per Schedule II of the Companies Act, 2013 on straight line method over the estimated useful lives. Certain Plant and Machinery have been considered Continuous Process Plant on the basis of technical assessment. Depreciation on upgradation of Property, Plant and Equipment is provided over the remaining useful life of the entire component.

Depreciation on PPE commences when the assets are ready for their intended use. Based on above, the estimated useful lives of assets for the current period are as follows:

Category	Useful life (Years)
Buildings	
- Non-Factory Building	
• RCC Frame Structure	60
• Other than RCC Frame Structure	30
• Fences, wells, tube wells	5
• Others (including temporary structure, etc)	3
- Factory Building	30
Roads	
- Carpeted Roads-RCC	10
- Non-Carpeted Roads	3
Plant and machinery	
- Continuous Process Plant	25
- Sinter Plant, Blast Furnace, and Coke Oven	20
- Power Distribution Plant	35
- Power Generation unit	40
- Others	3-15
Computer equipment	
- Servers and networks	6
- Others	3
Furniture and fixtures, Electrical Installation and	
Laboratory Equipments	10
Office equipment	5
Vehicles - Motor cycles, scooters and other mopeds	8

Major Furnace relining costs capitalised as Plant and Machinery are depreciated over a period of 6 years (average expected life)

Right-of-use assets (ROU) are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset.

Depreciation methods, useful lives and residual values are reviewed, and adjusted as appropriate, at each reporting date.

E. INTANGIBLE ASSETS

Intangible assets are stated at cost of acquisition/deemed cost on transition date, comprising of purchase price inclusive of duties and taxes less accumulated amount of amortization and impairment losses. Such assets, are amortized over the useful life using straight line method and assessed for impairment whenever there is an indication of the same.

Accordingly, cost of computer software packages (ERP and others) has been allocated / amortized over the useful life using straight line method over a period of 3 years.

Amortisation methods, useful lives and residual values are reviewed, and adjusted as appropriate, at each reporting date.

F. DERECOGNITION OF TANGIBLE AND INTANGIBLE ASSETS

An item of PPE/Intangible Assets is de-recognised upon disposal or when no future economic benefits are expected to arise from its use or disposal. Gain or loss arising on the disposal or retirement of an item of PPE is determined as the difference between the sale proceeds and the carrying amount of the asset and is recognized in the Statement of Profit and Loss.

G. IMPAIRMENT OF TANGIBLE AND INTANGIBLE ASSETS

Tangible, Intangible assets and ROU Assets are reviewed at each balance sheet date for impairment. In case events and circumstances indicate any impairment, recoverable amount of assets is determined. An impairment loss is recognized in the statement of profit and loss, whenever the carrying amount of assets either belonging to Cash Generating Unit (CGU) or otherwise exceeds recoverable amount. The recoverable amount is the higher of assets' fair value less cost to disposal and its value in use. In assessing value in use, the estimated future cash flows from the use of the assets are discounted to their present value at appropriate rate.

Impairment losses recognized earlier may no longer exist or may have come down. Based on such assessment at each reporting period the impairment loss is reversed and recognized in the Statement of Profit and Loss. In such cases the carrying amount of the asset is increased to the lower of its recoverable amount and the carrying amount that have been determined, net of depreciation, had no impairment loss been recognized for the asset in prior years that reflects current market assessments of the time value of money and the risk specific to the asset.

H. FINANCIAL ASSETS AND LIABILITIES

Financial assets and financial liabilities (financial instruments) are recognized when Company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognized immediately in the Statement of Profit and Loss.

The financial assets and financial liabilities are classified as current if they are expected to be realized or settled within operating cycle of the company or otherwise these are classified as noncurrent.

The classification of financial instruments whether to be measured at Amortized Cost, at Fair Value Through Profit and Loss (FVTPL) or at Fair Value Through Other Comprehensive Income (FVTOCI) depends on the objective and contractual terms to which they relate. Classification of financial instruments is determined on initial recognition.

(i) Cash and cash equivalents

All highly liquid financial instruments, which are readily convertible into determinable amounts of cash and which are subject to an insignificant risk of change in value and are having original maturities of three months or less from the date of purchase, are considered as cash equivalents. Cash and cash equivalents includes balances with banks which are unrestricted for withdrawal and usage.

(ii) Financial Assets and Financial Liabilities measured at amortized cost

Financial Assets held within a business whose objective is to hold

these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding are measured at amortized cost.

The above Financial Assets and Financial Liabilities subsequent to initial recognition are measured at amortized cost using Effective Interest Rate (EIR) method.

The effective interest rate is the rate that discounts estimated future cash payments or receipts (including all fees, transaction costs and other premiums or discounts) through the expected life of the Financial Asset or Financial Liability to the gross carrying amount of the financial asset or to the amortised cost of financial liability.

(iii) Financial Asset at Fair Value through Other Comprehensive Income (FVTOCI)

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Subsequent to initial recognition, they are measured at fair value and changes therein are recognized directly in other comprehensive income.

(iv) For the purpose of para (ii) and (iii) above, principal is the fair value of the financial asset at initial recognition and interest consists of consideration for the time value of money and associated credit risk.

(v) Financial Assets or Liabilities at Fair value through profit or loss

Financial Instruments which do not meet the criteria of amortized cost or fair value through other comprehensive income are classified as Fair Value through Profit or loss. These are recognized at fair value and changes therein are recognized in the statement of profit and loss.

(vi) Derivatives and Hedge Accounting

The company enters into derivative financial instruments such as foreign exchange forward contracts to mitigate the risk of changes in foreign exchange rates in respect of financial instruments and forecasted cash flows denominated in certain foreign currencies. The Company uses hedging instruments which provide principles on the use of such financial derivatives consistent with the risk management strategy of the Company. The hedge instruments are designated and documented as hedges and effectiveness of hedge instruments is assessed and measured at inception and on an ongoing basis to reduce the risk associated with the exposure being hedged.

Any derivative that is either not designated as a hedge, or is so designated but is ineffective as per Ind AS 109 "Financial Instruments", is categorized as a financial asset/liability, at fair value through profit or loss. Transaction costs attributable to the same are also recognized in statement of profit and loss. Changes in the fair value of the derivative hedging instrument designated as a fair value hedge are recognized in the statement of profit and loss.

Changes in the fair value of the derivative hedging instrument designated as a cash flow hedge are recognized in other comprehensive income and presented within equity as cash flow hedging reserve to the extent that the hedge is effective.

Hedging instrument which no longer meets the criteria for hedge accounting, expires or is sold, terminated or exercised, then hedge accounting is discontinued prospectively. Any gain or loss recognised in other comprehensive income and accumulated in equity remains therein till that time and thereafter to the extent hedge accounting

being discontinued is recognised in Statement of Profit and Loss. When a forecasted transaction is no longer expected to occur, the cumulative gain or loss accumulated in equity is transferred to the statement of profit and loss.

(vii) Impairment of financial assets

A financial asset is assessed for impairment at each reporting date. A financial asset is considered to be impaired if objective evidence indicates that one or more events have had a negative effect on the estimated future cash flows of that asset.

The company measures the loss allowance for financial assets at an amount equal to the lifetime expected credit losses if the credit risk on that financial instrument has increased significantly since initial recognition. If the credit risk on a financial instrument has not increased significantly since initial recognition, the company measures the loss allowance for that financial instrument at an amount equal to 12-month expected credit losses.

In case of trade receivables or contract assets that result in relation to revenue from contracts with customers, the company measures the loss allowance at an amount equal to lifetime expected credit losses.

(viii) De-recognition of financial instruments

The Company derecognizes a financial asset or a group of financial assets when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party.

On derecognition of a financial asset, the difference between the assets's carrying amount and the sum of the consideration received and receivable are recognized in statement of profit and loss.

On derecognition of assets measured at FVTOCI the cumulative gain or loss previously recognised in other comprehensive income is reclassified from equity to statement of profit and loss as a reclassification adjustment.

Financial liabilities are derecognized if the Company's obligations specified in the contract expire or are discharged or cancelled. The difference between the carrying amount of the financial liability derecognized and the consideration paid and payable is recognized in statement of profit and loss.

I. INVENTORIES

- (i) Inventories are valued at lower of the cost or net realizable value. Cost of inventories is ascertained on 'weighted average' basis. Materials and her supplies held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to besold at or above cost.
- (ii) Cost in respect of raw materials and stores and spares includes expenses incidental to procurement of the same. Cost in ct of finished goods and those under progress represents raw material cost plus costs of conversion, comprising labor costs and an attributable proportion of manufacturing overheads based on normal levels of activity.
- (iii) Cost in respect of work in progress represents cost incurred up to the stage of completion.
- (iv) By-Products are valued at net realizable value.

J. FOREIGN CURRENCY TRANSACTIONS

Transactions in foreign currencies are translated into the functional currency at the exchange rates prevailing on the date of the transactions. Foreign currency monetary assets and liabilities at the year-end are translated at the year-end exchange rates. Non-monetary

items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of transaction. The loss or gain thereon and also on the exchange differences on settlement of the foreign currency transactions during the year are recognized as income or expense in the profit and loss account except in respect of non-current liabilities existing as on April 1, 2015 (i.e. transition date) related to Property, Plant and Equipment, in which case these are adjusted to the cost of respective PPE. Foreign exchange gain/loss to the extent considered as an adjustment to Interest Cost are considered as part of borrowing cost.

K. EQUITY SHARE CAPITAL

An equity instrument is a contract that evidences residual interest in the assets of the company after deducting all of its liabilities. Par value of the equity shares is recorded as share capital and the amount received in excess of par value is classified as Securities Premium.

Costs directly attributable to the issue of ordinary shares are recognized as a deduction from equity, net of any tax effects.

L. PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS

Provisions involving substantial degree of estimation in measurement are recognized when there is a legal or constructive obligation as a result of past events and it is probable that there will be an outflow of resources and a reliable estimate can be made of the amount of obligation. Provisions are not recognized for future operating losses. The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation.

Contingent liabilities is not recognized and are disclosed by way of notes to the financial statements when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or when there is a present obligation is not recognised where it is either not probable that an outflow of resources will be required to settle the same or a reliable estimate of the amount payable in this respect cannot be made.

Contingent Assets are not recognised but disclosed in the financial statements by way of notes to accounts when an inflow of economic benefits is probable.

M. EMPLOYEE BENEFITS

Employee benefits are accrued in the year in which services are rendered by the employees. Short term employee benefits are recognized as an expense in the statement of profit and loss for the year in which the related service is rendered.

Contribution to defined contribution plans such as Provident Fund etc., is being made in accordance with statute and are recognised as and when incurred.

Contribution to defined benefit plans consisting of contribution to gratuity are determined at close of the year at present value of the amount payable using actuarial valuation techniques. Actuarial gain and losses arising from experience adjustments and changes in actuarial assumptions are recognized in other comprehensive income.

Other long term employee benefits consisting of Leave Encashment are determined at close of the year at present value of the amount payable using actuarial valuation techniques. The changes in the amount payable including actuarial gain/loss are recognised in the Statement of profit and loss.

N. REVENUE**Revenue from Sale of Product**

Revenue from Sales is recognised when control of the products has been transferred and/or the products are delivered to the customers. Delivery occurs when the product has been shipped or delivered to the specific location as the case may be and control has been transferred and either the customer has accepted the product in accordance with the contract or the company has objective evidence that all criteria for acceptance has been satisfied.

The Company provides warranties for defects, replacement etc. that existed at the time of sale based on historical trend and records.

Sale of Services

Revenue from Sales of Services has been recognized when the outcome of services can be estimated reliably and it is probable that the economic benefits associated with rendering of services will flow to the Company, and the amount of revenue can be measured reliably.

Interest, Dividend and Claims

Dividend income is recognized when the right to receive payment is established. Interest has been accounted using effective interest rate method. Insurance claims/ other claims are accounted as and when admitted / settled.

Export Benefits

Export incentives are accounted for in the year of export if the entitlements and realisability thereof can be estimated with reasonable accuracy and conditions precedent to claim is fulfilled.

O. BORROWING COST

Borrowing cost comprises of interest and other costs incurred in connection with the borrowing of the funds. All borrowing costs are recognized in the statement of profit and loss using the effective interest method except to the extent attributable to qualifying Property Plant Equipment (PPE) which are capitalized to the cost of the related assets. A qualifying PPE is an asset that necessarily takes a substantial period of time to get ready for its intended use or sale. Borrowing cost also includes exchange differences to the extent considered as an adjustment to the borrowing costs.

P. RESEARCH AND DEVELOPMENT

Research and development cost (other than cost of Property, Plant and Equipment acquired) are charged as an expense in the year in which they are incurred.

Q. GOVERNMENT GRANTS

Government grants are recognized on systematic basis when there is reasonable certainty of realization of the same. Revenue grants including subsidy/rebates are credited to statement of profit and loss Account under "Other Income" or deducted from the related expenses for the period to which these are related. Grants which are meant for purchase, construction or otherwise to acquire non-current assets are recognized as Deferred Income and disclosed under non-Current Liabilities and transferred to statement of profit and loss on a systematic basis over the useful life of the respective asset. Grants relating to non-depreciable assets are transferred to statement of profit and loss over the periods that bear the cost of meeting the obligations related to such grants.

R. TAXES ON INCOME

Income tax expense representing the sum of current tax expenses and the net charge of the deferred taxes is recognized in the income

statement except to the extent that it relates to items recognized directly in equity or other comprehensive income.

Current income tax is provided on the taxable income and recognized at the amount expected to be paid to or recovered from the tax authorities, using the tax rates and tax laws that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the Financial Statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognized for all taxable temporary differences. Deferred tax assets are recognized for all deductible temporary differences with respect to carryforward of unused tax credits and any unused tax losses/depreciation to the extent that it is probable that taxable profits will be available against which these can be utilized.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. Deferred tax assets include Minimum Alternative Tax (MAT) measured in accordance with the tax laws in India, which is likely to give future economic benefits in the form of availability of set off against future income tax liability and such benefits can be measured reliably and it is probable that the future economic benefit associated with asset will be realized.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the deferred tax asset to be utilized.

S. EARNINGS PER SHARE

Basic earnings per share are computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares outstanding during the period. Diluted earnings per share is computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares considered for deriving basic earnings per share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

T. SEGMENT REPORTING

Operating segments are identified and reported taking into account the different risk and return, organisation structure and the internal reporting provided to the chief-operating decision maker. The chief operating decision maker, who is responsible for allocating resources and assessing performance of the operating segments, has been identified as the Segment manager who allocates resources and assess the operating activities, financial results, forecasts, or plans for the segment.

4. CRITICAL ACCOUNTING ESTIMATES, JUDGMENTS AND ASSUMPTIONS

The preparation of the financial statements in conformity with measurement principle of Ind AS requires management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in

circumstances surrounding the estimates. Differences between the actual results and estimates are recognized in the year in which the results are known / materialized and, if material, their effects are disclosed in the notes to the financial statements.

Application of accounting policies that require significant areas of estimation, uncertainty and critical judgments and the use of assumptions in the financial statements have been disclosed below. The key assumptions concerning the future and other key sources of estimation/assumptions at the balance sheet date, that have a significant risk of causing a material adjustment to the carrying amount of assets and liabilities and related revenue impact within the next financial year are discussed below:

a. Depreciation/amortization and impairment loss against property, plant and equipment / intangible assets.

Property, plant and equipment, ROU Assets and Intangible Assets are depreciated/ amortized on straight-line basis over the estimated useful lives (or lease term if shorter) taking into account the estimated residual value, wherever applicable.

The company reviews its carrying value of its Tangible and Intangible Assets whenever there is objective evidence that the assets are impaired. The required level of impairment losses to be made is estimated by reference to the estimated value in use or recoverable amount. In such situation Assets' recoverable amount is estimated which is higher of asset's or cash generating units (CGU) fair value less cost of disposal and its value in use. In assessing value in use the estimated future cash flows are discounted using pre-tax discount rate which reflect the current assessment of time value of money. In determining fair value less cost of disposal, recent market realisations are considered or otherwise in absence of such transactions appropriate valuations are adopted. The Company reviews the estimated useful lives and residual life of the assets regularly in order to determine the amount of depreciation / amortization and also amount of impairment expense to be recorded and/or to be reversed during any reporting period. Subsequent reassessment or review may result in change of estimates in future periods.

b. Arrangement contain leases and classification of leases

Ind AS 116 requires lessees to determine the lease term as the non-cancellable period of a lease adjusted with any option to extend or terminate the lease, if the use of such option is reasonably certain. The Company makes an assessment on the expected lease term on a lease-by-lease basis and thereby assesses whether it is reasonably certain that any option to extend or terminate the contract will be exercised. In evaluating the lease term, the Company considers factors such

as any significant leasehold improvements undertaken over the lease term, costs relating to the termination of the lease and the importance of the underlying asset to the company's operations taking into account among other things, the location of the underlying asset and the availability of suitable alternatives. The lease terms and impact thereof are reassessed in each year to ensure that the lease term reflects the current economic circumstances.

c. Impairment loss on trade receivables

The Company evaluates whether there is any objective evidence that trade receivables are impaired and determines the amount of impairment loss as a result of the inability of the debtors to make required payments. The Company bases the estimates on the ageing of the trade receivables balance, credit-worthiness of the trade receivables and historical write-off experience.

d. Defined Benefit Obligations (DBO)

Critical estimate of the DBO involves a number of critical underlying assumptions such as standard rates of inflation, mortality, discount rate, anticipation of future salary increases etc. as estimated by Independent Actuary appointed for this purpose. Variation in these assumptions may significantly impact the DBO amount and the annual defined benefit expenses.

e. Provisions and Contingencies

Provisions and liabilities are recognized in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events and the amount of cash outflow can be reliably estimated. The timing of recognition and quantification of the liability requires the application of judgement to existing facts and circumstances, which can be subject to change.

Management uses in-house and external legal professional to make judgment for estimating the possible outflow of resources, if any, in respect of contingencies/claim/litigations/ against the Company as it is not possible to predict the outcome of pending matters with accuracy.

The carrying amounts of provisions and liabilities and estimation for contingencies are reviewed regularly and revised to taking into account changing facts and circumstances.

b) **FAIR VALUATION TECHNIQUES:**

The fair values of the financial assets and liabilities are included at the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The following methods and assumptions were used to estimate the fair values:

1. The fair value of cash and cash equivalents, current trade receivables and payables, current financial liabilities and assets and borrowings approximate their carrying amount largely due to the short-term nature of these instruments. The management considers that the carrying amounts of financial assets and financial liabilities recognised at cost in the financial statements approximate their fair values.
2. The Company's long-term debt has been contracted at floating rates of interest. Fair value of variable interest rate borrowings approximates their carrying value subject to adjustments made for transaction cost. In respect of fixed interest rate borrowings, fair value is determined by using discount rates that reflects the present borrowing rate of the company.
3. The fair value of derivative financial instruments is determined based on observable market inputs including currency spot and forward rates, yield curves, currency volatility etc. The said valuation has been carried out by the counter party with whom the contract has been entered with. Management has evaluated the credit and non-performance risks associated with the counterparties and found them to be insignificant and not requiring any credit adjustments.

c) FAIR VALUE HIERARCHY

The following table presents fair value hierarchy of assets and liabilities measured at fair value on a recurring basis as of March 31, 2020:

Rs. in Lakhs

Particulars	As at March 31, 2020 (*)	Fair value measurements at reporting date using

(*) Figures in round brackets indicate figures as on March 31, 2019.

During the year ended March 31, 2020 and March 31, 2019, there were no transfers between Level 1 and Level 2 fair value measurements.

The Inputs used in fair valuation measurement are as follows:

Fair valuation of Financial assets and liabilities not within the operating cycle of the company is amortised based on cost of fund borrowed by the company.

Financial instruments are valued based on quoted prices for similar assets and liabilities in active markets or inputs that are directly or indirectly observable in the marketplace. In respect of derivative financial instruments, the inputs used for forward contracts are Forward foreign currency exchange rates and Interest rates to discount future cash flow.

Financial instruments are valued based on quoted price for similar assets and liabilities in active market or similar inputs that are directly or indirectly observable in the market place.

d) DERIVATIVES FINANCIAL ASSETS AND LIABILITIES:

The Company follows established risk management policies, including the use of derivatives to hedge its exposure to foreign currency fluctuations on foreign currency assets / liabilities. The counter party in these derivative instruments is a bank and the Company considers the risks of non-performance by the counterparty as non-material.

Notes to Financial Statements for the Year Ended March 31, 2020

e) SALE OF FINANCIAL ASSETS

In the normal course of business, the Company transfers its bills receivable to banks. Under the terms of the arrangements, the Company surrenders control over the financial assets and transfer is without recourse. Accordingly, such transfers are recorded as sale of financial assets. Gains and losses on sale of financial assets without recourse are recorded at the time of sale based on the carrying value of the financial assets. In certain cases, transfer of financial assets may be with recourse. Under arrangements with recourse, the Company is obligated to repurchase the uncollected financial assets, subject to limits specified in the agreement with the banks. Accordingly, in such cases the amounts received are recorded as borrowings in the statement of financial position and cash flows from financing activities.

The carrying value of trade receivables not de-recognised along with the associated liabilities is as below:

(Rs. in lakhs)

Particulars	As at March 31, 2020		As at March 31, 2019	
	Carrying value of Asset transferred	Carrying value of associated liabilities	Carrying value of Asset transferred	Carrying value of associated liabilities

Notes to Financial Statements for the Year Ended March 31, 2020

f) FINANCIAL RISK MANAGEMENT

The company's activities exposed it to a variety of financial risks. The key financial risks include Market risk, Credit risk and liquidity risk. The company's focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance. The Board of Directors review and approves policy for managing these risks. The risks are governed by appropriate policies and procedures and accordingly financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives. This however does not take into account the possible effect of prevailing pandemic due to outbreak of COVID-19 being based on future development and currently not determinable as dealt with in Note no. 49.

MARKET RISK

Market risk is the risk or uncertainty arising from possible market price movements resulting in variation in the fair value of future cash flows of a financial instrument. The major components of Market risks are currency risk, interest rate risk and price risk. Financial instruments affected by market risk include trade receivables, borrowings, investments and trade and other payables.

Foreign Currency Risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Company's exposure to the risk of changes in foreign exchange rates relates primarily to the Company's foreign currency denominated borrowing and trade and other payables.

The Company has adopted a comprehensive risk management review system wherein it actively hedges its foreign exchange exposures within defined parameters through use of hedging instruments such as forward contracts, options and swaps. The Company periodically reviews its risk management initiatives and also takes experts advice on regular basis on hedging strategy.

The carrying amount of the various exposure to foreign currency at the end of the reporting period are as follows:

(Rs. In lakhs)

Particulars	As at March 31, 2020 ()			
	USD	EURO	GBP	SGD
External Commercial borrowings	901.45 (2,476.47)	-	-	-
Suppliers Credit/ Buyer's Credit	8,269.32 (21,582.02)	-	-	-
Interest accrued but not due	60.48 (143.04)	-	-	-
Vendors	27.53 (1,063.70)	120.91 (36.65)	12.38 (-)	-
Total liabilities	9258.78 (25,265.23)	120.91 (36.55)	12.38 (-)	-
Trade Receivable	- (-)	- (-)	- (-)	612.25 (588.29)

() Figures in round brackets indicate figures as on March 31, 2019.

Derivative financial assets and liabilities dealing with outstanding derivative contracts and unhedged foreign currency exposure have been detailed in Para (d) above. Unhedged foreign currency exposure is primarily on account of long term foreign currency borrowings for which hedge cover is taken as per the policy followed by the company depending upon the remaining period of maturity of the installments falling due for payment.

With all variable constant, the sensitivity analysis resulting in profit or loss arising mainly from unhedged portion of USD denominated payables are as follows:

Notes to Financial Statements for the Year Ended March 31, 2020

Rs. in Lakhs

Particulars	For the year ended March 31, 2020	For the year ended March 31, 2019
Payables:		
Weakening of INR by 5%	47.88	127.06

A 5% strengthening of INR would have an equal and opposite effect on the Company's financial statements.

Interest rate risk

The company's exposure in market risk relating to change in interest rate primarily arises from floating rate borrowing with banks and financial institutions. Borrowings at fixed interest rate exposes the company to the fair value interest rate risk. The Company has entered into interest rate swap contracts in respect of certain foreign currency borrowings whereby interest at an agreed rate are to be applied on agreed upon principal amount. As of March 31, 2020, substantially all of the Company borrowings were subject to floating interest rates, which are reset at short intervals.

Further there are deposits with banks which are for short term period are exposed to interest rate risk, falling due for renewal. These deposits are however generally for trade purposes as such do not cause material implication.

With all other variables held constant, the following table demonstrates the impact of the borrowing cost on floating rate portion of loans and borrowings and excluding loans on which interest rate swaps are taken.

(Rs. in lakhs)

Nature of Borrowing	Rate of interest (%)	For the year ended March 31, 2020	For the year ended March 31, 2019
Rupee Loan	Increase by 50 basis point	81.06	86.64

A decrease in 0.50 basis point in Rupee Loan would have an equal and opposite effect on the Company's financial statements.

Other Price Risk

The company's current investments which are fair valued through profit and loss are not material. Accordingly, other price risk of the financial instrument to which the company is exposed is not expected to be material.

CREDIT RISK

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables). The management has a credit policy in place and the exposure to credit risk is monitored on an ongoing basis. Major water infrastructure projects are Government funded or foreign aided and the risk involved in payment of default is minimum with respect to these customers. The Company periodically assesses the financial reliability of customers, taking into account the financial condition, current economic trends and ageing of accounts receivable. Individual risk limits are set accordingly and the company obtains necessary security including letter of credits and / or bank guarantee to mitigate its credit risk.

The carrying amount of respective financial assets recognised in the financial statements, (net of impairment losses) represents the Company's maximum exposure to credit risk. The concentration of credit risk is limited due to the customer base being largely backed by the government order and commitment. Of the trade receivables balance at the end of the year, one customer is having outstanding balance of Rs. 23,945.00 lakhs (March 31, 2019: Rs. 8,382.66 lakhs) which accounts for more than 10% of the accounts receivable as at March 31, 2020 and having more than 10% of revenue for the year ended March 31, 2020.

The Company establishes an allowance for impairment that represents its estimate of losses in respect of trade and other receivables. Receivables are reviewed/evaluated periodically by the management and appropriate provisions are made to the extent recovery there against has been considered to be remote.

Notes to Financial Statements for the Year Ended March 31, 2020

The Company's current investments are valued with respect to market quotation on the reporting date. These investments are diversified across various sectors and are periodically reviewed and managed in accordance with the company's policy and risk objective.

Financial assets that are neither past due nor impaired

Cash and cash equivalents, investment and deposits with banks are neither past due nor impaired. Cash and cash equivalents with banks are held with reputed and credit worthy banking institutions.

Financial assets that are past due but not impaired

Trade receivables amounts which are past due at the end of the reporting period, no credit losses there against are expected to arise.

LIQUIDITY RISK

Liquidity risk is defined as the risk that the Company will not be able to settle or meet its obligations on time or at a reasonable price. The Company's objective is to maintain optimum level of liquidity to meet its cash and collateral requirements at all times. The company relies on internal accruals and borrowings to meet its fund requirement. The current committed line of credit are sufficient to meet its short to medium term fund requirement.

Liquidity and interest risk tables

The following tables detail the Company's remaining contractual maturity for its non-derivative financial liabilities with agreed repayment periods. The tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay. The tables include both interest and principal cash flows as at balance sheet date.

Risk analysis

The Company is exposed to a number of risks in the defined benefit plans. Most significant risks pertaining to defined benefit plans and, management's estimation of the impact of these risks are as follows:

a. Investment risk

The Gratuity plan is funded with LIC, accordingly the company does not have any liberty to manage the fund. The present value of the defined benefit plan liability is calculated using a discount rate determined by reference to Government of India bonds. If the return on plan asset is below this rate, it will create a plan deficit.

b. Interest risk

A decrease in the interest rate on plan assets will increase the plan liability.

c. Longevity risk / Life expectancy

The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and at the end of the employment. An increase in the life expectancy of the plan participants will increase the plan liability

d. Salary growth risk

The present value of the defined benefit plan liability is calculated by reference to the future salaries of plan participants. An increase in the salary of the plan participants will increase the plan liability.

The above sensitivity analysis is based on a change in an assumption while holding all other assumptions constant. In practice, this is unlikely to occur, and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (projected unit credit method) has been applied as when calculating the defined benefit obligation recognised within the Balance Sheet.

49. Consequent to the outbreak of COVID-19, which has been declared as a pandemic by World Health Organisation (WHO), Government of India has declared a lock down effective from March 24, 2020. The Company's operation have been affected due to loss of more than a month's production due to the suspension of the operation, disruption in supply chain and non-availability of personnel during lock down. Though the production has started in the first week of May 2020, due to absenteeism, consequent to nationwide lockdown, the normal production is still affected. The Company has considered internal and external information while finalising various estimates and taking assumptions in relation to its financial statement captions upto the date of approval of the financial statements by the Board of Directors and no material impact on the financial results inter-alia including the carrying value of various current and non-current assets are expected to arise. The actual impact of the global health pandemic may be different from that which has been estimated, as the COVID-19 situation evolves in India and globally. The Company will continue to closely monitor and any variation due to the changes in situations will be taken into consideration, if necessary, as and when it crystallizes.

50. Previous year figures have been re-grouped / re-arranged wherever necessary.

51. These financial statements have been approved by the Board of Directors of the Company on June 01, 2020, for issue to the shareholders for their adoption.

However, the Body Corporates are entitled to appoint authorised representatives to attend the AGM through VC/OAVM and participate thereat and cast their votes through e-voting.
3. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available for 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
4. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of reckoning the quorum under Section 103 of the Companies Act, 2013.
5. The explanatory statement, pursuant to Section 102 of the Companies Act, 2013 in respect of the special business as set out in the Notice and intimation required to be furnished as per Regulation 36 of the Listing Regulations are annexed hereto.
6. In compliance with the Circulars issued by Ministry of Corporate Affairs, the Annual Report for the FY 2019-20, the Notice of the AGM and instructions for e-voting are being sent only through electronic mode to those members whose email addresses are registered with the Company / depository participant(s).
7. Members may also note that the Notice of the 28th AGM and the Annual Report 2019-20 will also be made available on the Company's website at www.srikalahasthipipes.com, websites of the Stock Exchanges, i.e. BSE Limited and National Stock Exchange of India Limited, at www.bseindia.com and www.nseindia.com respectively.
8. The register of members and the Share Transfer Books of the Company shall remain closed from 21st July, 2020 to 27th July, 2020 (both days inclusive) for the purpose of Annual General Meeting and payment of dividend for the FY 2019-20. The cut-off date for determining voting rights for e-voting on resolutions that will be listed for Annual General Meeting will be 20th July, 2020.
9. Dividend in respect of equity shares for the financial year ended 31st March, 2020, as recommended by the Board, if approved by the members will be paid within a period of 30 days from the date of declaration of dividend to the beneficial owners of shares whose names appear in the Register of members of the Company as on the closing of business hours on 20th July, 2020 as per the information furnished to the Company by Depositories for this purpose.
10. Members are requested to furnish their Bank Account details, change of address etc., to the Registrar and Share Transfer Agents in respect of shares held in physical form. If the shares are held in electronic form, then the said particulars should be furnished to their respective Depository Participants (DPs).
11. a) Members holding the shares in electronic mode may please note that their dividend would be paid through National Electronic Clearing System (NECS) or Electronic Clearing Services (ECS) at the available RBI locations. The dividend would be credited to their bank account as per the mandate given by the members to their DPs. In the absence of availability of NECS/ECS facility, the dividend would be paid through warrants and the Bank details as furnished by the respective Depositories to the Company will be printed on their dividend warrants as per the applicable Regulations and the warrants will be sent out to their registered addresses once the postal facility is available.
b) Members are requested to send their Bank Account particulars (viz. Account No., Name & Branch of the Bank and the MICR Code) to their DPs in case the shares are held in electronic mode or to the Registrar and Share Transfer Agents in case the shares are held in physical mode for printing on dividend warrant to ensure that there is no fraudulent encashment of the warrants.
12. Members may note that the Income Tax Act, 1961, ("the IT Act") as amended by the Finance Act, 2020, mandates that dividends paid or distributed by a company after April 01, 2020 shall be taxable in the hands of members. The Company shall therefore be required to deduct applicable tax at source (TDS) at the time of making the payment of dividend. In order to enable the Company to determine the appropriate TDS rate as applicable, members will be required to submit certain documents in accordance with the provisions of the IT Act. However, no tax shall be deducted on the dividend payable to a resident individual if the total dividend to be received by them during Financial Year 2020-21 does not exceed Rs. 5,000 and also in cases where members provide Form 15G / Form 15H (applicable to individuals aged 60 years or more) subject to conditions specified in the IT Act.
13. Members who have not received their dividend paid by the Company in respect of earlier years are requested to check with the Company's Registrar & Transfer Agent – Cameo Corporate Services Limited #1, Club House Road, Chennai 600 002 Ph: 044-40020718 (Direct) / 28460390 (Gen). Members are requested to note that in terms of Section 124 (2) of the Companies Act, 2013, dividend declared by the Company, for earlier years, which remain unclaimed for a period of 7 years from the date when it first became due for payment will be transferred by the Company to a fund called "Investor Education and Protection Fund" (IEPF), set up by the Central Government. Accordingly, the unpaid/unclaimed dividend for the financial years 2012-13 and onwards, if any, will become transferable at the end of seven years from the respective dates of transfer of such amount to the unclaimed dividend accounts of the Company to IEPF and thereafter, no claim shall be entertained in respect of the dividend transferred to the Fund. The details of unclaimed dividend transferable to the said Fund are given below :

ANNEXURE TO THE NOTICE

(EXPLANATORY STATEMENT PURSUANT TO SECTIONS 102 OF THE COMPANIES ACT, 2013)

Item No.4:

The Board of Directors, on the recommendation of Audit Committee, has approved the appointment of M/s. Narasimhamurthy & Co., a firm of Cost Accountants as Cost Auditors of the Company to conduct the audit of the cost records of the Company for the financial year ending March 31, 2021 at a remuneration of Rs.1,60,000 (Rs. One Lakh Sixty Thousand only) plus applicable taxes and reimbursement of out of pockets expenses at actual.

In accordance with the provisions of Section 148 of the Companies Act, 2013 read together with the Companies (Audit and Auditors) Rules, 2014, the remuneration payable to the Cost Auditors has to be ratified by the shareholders of the Company. Accordingly, consent of the members is sought for passing an ordinary resolution as set out in Item No. 4 of the Notice for ratification of remuneration payable to the Cost Auditors for the financial year ending March 31, 2021.

The Board of Directors of the Company, therefore, recommends passing of the resolution as set out in Item No.4 of the Notice above by way of ordinary resolution.

None of the Directors or key managerial personnel of the Company or their relatives is concerned or interested, financially or otherwise in the resolution as set out in Item No.4 of the Notice.

Item No.5:

Based on the recommendation of the Nomination & Remuneration Committee, Mr X.J.J. Abraham was appointed as an Additional Director on the Board of the Company with effect from 6th September, 2019 to hold office upto the date of this Annual General Meeting.

Mr X.J.J. Abraham has done his Bachelor of Arts from Delhi University and full time Post Graduate Programme in Human Resources Management from Madras University. He served on the Board of Studies for REC – MBA Programme and was also the Chairman of Selection Committee of REC, Trichy MBA Programme. He also served as a director on the Board of Lanco Industries Limited for about three years. He has about 15 years experience in the large Banking, Engineering and Paper industries. He is currently the Managing Director of Lobo Management Consultants Pvt Limited and Excellers Management Services Pvt Limited.

The Company has received a notice pursuant to Section 160 of the Companies Act, 2013 (the "Act") along with the amount of requisite deposit from a Member signifying his intention to propose the appointment of Mr X.J.J. Abraham as a Director of the Company.

Both the Nomination and Remuneration Committee and the Board were of the opinion, after evaluation of his qualifications, experience and other attributes, that his induction on the Board would be of immense benefit to the Company and it is desirable to avail his services as a director to strengthen the management of the Company.

The Board of Directors of the Company, therefore, recommends passing of the resolution as set out in Item No.5 of the Notice above by way of ordinary resolution.

Except Mr X.J.J. Abraham none of the Directors or key managerial personnel of the Company or their relatives, except to the extent of shareholding in the Company, if any, is concerned or interested, financially or otherwise in the resolution as set out in Item No.5 of the Notice.

Item No.6:

The Board of Directors, based on the recommendation of the Nomination & Remuneration Committee appointed Mr X.J.J. Abraham as Independent Director on the Board of the Company with effect from 6th September, 2019 to hold office for a period of five consecutive years. The Nomination and Remuneration Committee and the Board of Directors consider that, given the background and experience of Mr X.J.J. Abraham, it would be beneficial to the Company to avail his services as an Independent Director. The Board of Directors, therefore has recommended appointment of Mr X.J.J. Abraham as an Independent Director with effect form 6th September, 2019, for a term of five consecutive years.

Mr X.J.J. Abraham has done his Bachelor of Arts from Delhi University and full time Post Graduate Programme in Human Resources Management from Madras University. He served on the Board of Studies for REC – MBA Programme and was also the Chairman of Selection Committee of REC, Trichy MBA Programme. He also served as a director on the Board of Lanco Industries Limited for about three years. He has about 15 years experience in the large Banking, Engineering and Paper industries. He is currently the Managing Director of Lobo Management Consultants Pvt Limited and Excellers Management Services Pvt Limited.

A Declaration has been received from X.J.J. Abraham that he meets the criteria of Independence prescribed under Section 149 of the Act read with the Companies (Appointment and Qualification of Directors) Rules, 2014 and Regulation 16 of the Listing Regulations 2015. In the opinion of the Board, Mr Abraham fulfils the conditions specified in the Act, the Rules thereunder and the Listing Regulations, 2015 for appointment as an Independent Director and that he is independent of the management of the Company. In addition to sitting fees for attending the meetings of the Board and its Committees, Mr Abraham would be entitled to remuneration by way of commission as may be determined by the Board. As Mr. X.J.J. Abraham would be attaining the age of seventy five during his tenure of five years, consent of the Members by way of Special Resolution is required for the appointment of Mr Abraham in terms SEBI (Listing Obligations Disclosure Requirements) Regulations, 2015 as amended from time to time.

In terms of Regulation 36 of the Listing Regulations 2015, a brief profile of Mr X.J.J. Abraham, who is proposed to be appointed as independent director in this meeting for a term of five years in terms of the applicable provisions of the Act, 2013, nature of his expertise in specific functional areas, other directorships and committee membership are at the end of the explanatory statement.

Copy of draft letter of appointment of Mr Abraham setting out the terms and conditions of appointment is available for inspection by the members at the registered office of the Company up to the date of Annual General Meeting of the Company.

The Board of Directors of the Company, therefore, recommends passing of the resolution as set out in Item No.6 of the Notice above by way of a special resolution.

Except Mr X.J.J. Abraham, none of the other directors or key managerial personnel of the Company or their relatives, except to the extent of their shareholding in the Company, if any, is concerned or interested, financially or otherwise in the resolution as set out in Item No.6 of the Notice.

Item No.7:

The Members at the Annual General Meeting held on 25th August, 2015 approved the appointment of Mrs S. Hemamalini as an Independent Director of the Company for a period of five years with effect from the said date. Mrs Hemamalini will complete her present term on 24th August, 2020. The Board of Directors of the Company ('the Board') at the meeting held on 1st June, 2020, on the recommendation of the Nomination & Remuneration Committee, approved re-appointment of Mrs S. Hemamalini as independent director for a 2nd term of five years with effect from 25th August, 2020 and recommended the same for the approval of the shareholders, in terms of Section 149 read with Schedule IV of the Companies Act, 2013 ('the Act'), and Regulation 17 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations 2015'), or any amendment thereto or modification thereof.

Mrs Hemamalini has done her MBA – Marketing from Madras University and passed Customs House Agent Exam conducted by the Govt. of India as per Customs Act, 1965 and Conservation of Foreign Exchange and Prevention of Smuggling Act. She was earlier associated with Tata Shipping, Gokak and Kothari Industrial Corporation and was heading Customer Service, International Trade & Textiles Departments respectively. She is the founder and CEO of Live Connections, a multi-crore recruitment and search firm based at Chennai having its foot prints in four countries with five branches.

The Board is of the view that the continued association of Mrs Hemamalini would benefit the Company, given the knowledge, experience, performance and the valuable contributions made during her tenure. A Declaration has been received from Mrs Hemamalini that she meets the criteria of Independence prescribed under Section 149 of the Act read with the Companies (Appointment and Qualification of Directors) Rules, 2014 and Regulation 16 of the Listing Regulations 2015. In the opinion of the Board, Mrs Hemamalini fulfils the conditions specified in the Act, the Rules thereunder and the Listing Regulations 2015 for re-appointment as an Independent Director and that she is independent of the management of the Company. In addition to sitting fees for attending the meetings of the Board and its Committees, Mrs Hemamalini would be entitled to remuneration by way of commission as may be determined by the Board. Consent of the Members by way of Special Resolution is required for re-appointment of Mrs S. Hemamalini, in terms of Section 149 of the Act.

Requisite Notice under Section 160 of the Act proposing the re-appointment of Mrs S. Hemamalini has been received by the Company, and consent has been filed by her pursuant to Section 152 of the Act.

In terms of Regulation 36 of the Listing Regulations 2015, a brief profile of Mrs Hemamalini who is proposed to be appointed as independent director in this meeting for the 2nd term of five years in terms of the applicable provisions of the Act, 2013, nature of her expertise in specific functional areas, other directorships and committee membership are at the end of the explanatory statement.

Copy of draft letter of appointment of Mrs S. Hemamalini setting out the terms and conditions of appointment is available for inspection by the members at the registered office of the Company.

The Board of Directors of the Company, therefore, recommends passing of the resolution as set out in Item No.7 of the Notice above by way of special resolution.

Except Mrs S. Hemamalini, none of the other directors or key managerial personnel of the Company or their relatives, except to the extent of their shareholding in the Company, if any, is concerned or interested, financially or otherwise in the resolution as set out in Item No.7 of the Notice.

Item No.8:

The Board, based on the recommendation of Nomination and Remuneration Committee has approved payment of commission/remuneration of Rs.85,00,000 to Mrs Priya Manjari Todi for the FY 2019-20, taking into account her enlarged role in providing guidance to the management of the Company and considering her active participation in the strategic decision making of the Company.

In terms of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) (Amendment) Regulations, 2018, consent of the Members by way of Special Resolution is required every year, if the remuneration payable to a single Non-Executive Director in that year exceeds 50% of the aggregate remuneration payable to all the Non-Executive Directors taken together. Approval of members is therefore sought for the remuneration payable to Mrs Priya Manjari Todi for the FY 2019-20.

The Board of Directors of the Company, therefore, recommends passing of the resolution as set out in Item No.8 of the Notice above by way of special resolution.

Except Mrs Priya Manjari Todi and Mr Mayank Kejriwal Managing Director, being her father, none of the other directors or key managerial personnel of the Company or their relatives, except to the extent of their shareholding in the Company, if any, is concerned or interested, financially or otherwise in the resolution as set out in Item No.8 of the Notice.

Item No.9:

With a view to getting benefit of the rich experience and expertise of Mr. R.K. Khanna in the marketing and business development fronts, the Board at its meeting held on 1st June, 2020 based on the recommendation of the Nomination & Remuneration Committee and the approval of the Audit Committee, approved the Consultancy Service Contract for one year i.e. from 1st April, 2020 till 31st March, 2021, at a monthly remuneration of Rs. 4,00,000, subject to the approval of the Shareholders. Mr R.K. Khanna apart from holding the office of Non-Executive Director, at the request of the Company and as approved by the Board of Directors has also been acting as a Consultant – Business Development & Marketing with effect from 1st April, 2020. His consultancy period shall be extendable on yearly basis, subject to the recommendation of Nomination and Remuneration Committee and the approval of Audit Committee and the Board of Directors.

In terms of Section 188(1)(f) of the Companies Act, 2013, the appointment of a Director or a relative of director to an Office or Place of Profit in a company drawing a monthly remuneration/fees exceeding Rs.2,50,000 also requires approval of the Shareholders of the Company. Approval of members is therefore sought for the appointment of Mr R.K. Khanna to a "Place of Profit" in the Company and the fees payable to him.

The Consultancy Agreement of Mr. R.K. Khanna is available for inspection at the Registered Office of the Company up to the date of the Annual General Meeting.

The Board of Directors of the Company, therefore, recommends passing of the resolution as set out in Item No.9 of the Notice above by way of special resolution.

Except Mr R.K. Khanna none of the other directors or key managerial personnel of the Company or their relatives, except to the extent of their shareholding in the Company, if any, is concerned or interested, financially or otherwise in the resolution as set out in Item No.9 of the Notice.

Item Nos. 10 & 11:

The members of the Company through postal ballot notice dated 3rd May, 2014 had approved by way of a Special Resolution under Section 180(1)(c) of the Companies Act, 2013, borrowings over and above the aggregate of paid up share capital and free reserves of the Company provided that the total amount of such borrowings together with the amounts already borrowed and outstanding at any point of time shall not be in excess of Rs.1000 Crores (Rupees Thousand Crores only).

Keeping in view existing and future financial requirements to support its business operations, the Company may from time to time, raise finance from various Banks and/or Financial Institutions and/ or any other lending institutions and/or Bodies Corporate as may be considered fit, which, together with the moneys already borrowed by the Company (apart from temporary loans obtained from the Company's bankers in ordinary course of business) may exceed the aggregate of the paid-up capital and free reserves of the Company. Hence it is proposed to increase the maximum borrowing limits from Rs. 1000 crores to Rs. 1500 Crores.

The Board of Directors of a Company shall not, except with the consent of members of the Company by Special Resolution borrow money together with the money already borrowed, if any (apart from temporary loans obtained from the Company's bankers in the ordinary course of business), exceeding the aggregate of the paid up capital and its free reserves as per the provisions of Section 180(1)(c) of the Companies Act, 2013 ("the Act") and its rules thereunder.

Further, the borrowings of the Company are in general required to be secured by suitable mortgage or charge on all or any of the movable or immovable properties of the Company, in such form, manner and ranking as may be determined by the Board of Directors

or any of its authorised Committee of the Company from time to time, in consultation with the lender(s).

Pursuant to Section 180 (1) (a) of the Companies Act, 2013, the Board of Directors of a Company shall not pledge/mortgage/hypothecate/charge all or any part of the movable/immovable properties of the Company both present and future and the whole or part of the undertaking of the Company, except with the consent of members of the Company by Special Resolution for which authorisation is also proposed to be increased from Rs.1000 crores to Rs.1500 Crores in line with borrowing powers of the Board as approved under Section 180 (1) (c) of the Companies Act, 2013.

It is therefore, necessary for the members to pass a Special Resolution under Section 180(1)(c) and 180(1)(a) of the Companies Act, 2013, as set out at Item No. 10 and Item No. 11 of the Notice, to enable the Board of Directors to borrow money up to Rs. 1500 Crores (Rupees One Thousand Five Hundred Crores) to meet the financial requirements to support the business operations of the Company and also to secure the borrowings of the Company by mortgage / pledge/hypothecate/charge on any of the movable and/or immovable properties and/or the whole or any part of the undertaking(s) of the Company.

The Board of Directors of the Company, therefore, recommends passing of the resolution as set out in Item Nos 10 & 11 of the Notice above by way of special resolution.

None of the Directors and the Key Managerial Personnel of the Company and their respective relatives except to the extent of their shareholding in the Company, if any, is concerned or interested, financially or otherwise in the resolution as set out in Item Nos. 10 & 11 of the Notice.

CELEBRATING MILESTONES THROUGH MASTERPIECES

It all began when we asked for participation, and entries just started pouring in! Having selected our best artists, we gave them themes to paint under the able guidance of a professional artist. What followed were these beautiful expressions of art and creativity on our pipes.

We have given these art installations pride of place at our establishments, where they will be preserved for posterity. These pieces of art stand testimony to the pioneering spirit that makes us who we are.

#technologythatcares

At Electrosteel, we are celebrating 25 years of pioneering Ductile Iron Pipes in India. To celebrate our glorious journey, we initiated the "Inspiration Canvas" - an art project that uses our pipes as a canvas to depict our values of Trust, Innovation, Responsibility, Purity and Expanding Boundaries.

INDEPENDENT AUDITORS' REPORT**The Board of Directors of
Srikalahasthi Pipes Limited****Report on the audit of the Standalone Annual Financial Results****Opinion**

We have audited the accompanying standalone financial results of Srikalahasthi Pipes Limited ('the Company') for the year ended March 31, 2021 and the notes thereon (hereinafter referred to as the "Financial Results") attached herewith, being compiled by the company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("Listing Regulations"). The financial results has been initialled by us for the purpose of identification.

In our opinion and to the best of our information and according to the explanations given to us these standalone financial results:

- i. are presented in accordance with the requirements of Regulation 33 of the Listing Regulations in this regard; and
- ii. give a true and fair view in conformity with the recognition and measurement principles laid down in the applicable Indian Accounting Standards and other accounting principles generally accepted in India of the net profit for the year ended March 31, 2021 and other comprehensive income and other financial information for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013 (the Act). Our responsibilities under those Standards are further described in the Auditors' Responsibilities for the Audit of the Financial Results section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial results under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the annual financial results.

Management's Responsibilities for the Standalone Financial Results

These standalone financial results have been prepared on the basis of the standalone annual financial statements. The Company's Board of Directors are responsible for the preparation of these financial results that give a true and fair view of the net profit for the year ended March 31, 2020 and other comprehensive income and other financial information of the company in accordance with the recognition and measurement principles laid down in Indian Accounting Standard prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial results, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditors' Responsibilities for the Audit of the Standalone Financial Results

Our objectives are to obtain reasonable assurance about whether the financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing an opinion whether the company has adequate internal financial controls with respect to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial results, including the disclosures, and whether the financial results represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial results that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial results may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial results.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matters

These financial results include the results for the quarter ended March 31, being the balancing figures between the audited figures in respect of the full financial year and the published year to date figures upto December 31 of the relevant financial year. These figures were subject to limited review by us as required under the Listing Regulations. Our opinion is not modified in respect of this matters.

Report of the Directors (Contd.)

of nationwide lockdown on account of the novel coronavirus pandemic (COVID-19) and resumed production from 6 June, 2020.

The COVID-19 outbreak has been declared as a pandemic and has impacted the economies all around the Globe. The outbreak has moved quickly across countries, thus, disrupting global production, supply chain, trade, etc. Our Company's business operations too have been impacted as the plants were under shutdown during the lockdown period.

As a continual improvement, the Company continues to provide special attention towards improvement in production of new range of products and productivity with higher efficiency of Energy and Human Resource. Further, to meet and improve upon the expectations of both International and Domestic customers, the Company has continued its activities towards development and to add a number of product variants to its existing product base.

MATERIAL CHANGES AND COMMITMENTS

There has been no material changes and commitments affecting the financial position of the Company, which have occurred between the end of the financial year of the Company to which the financial statements relate and the date of this Report other than as mentioned in the 'Operations' section of this Directors' Report.

Even while facing adverse situations, the Company is taking all adequate steps to honour all its commitments.

Further, there has been no change in the nature of the Company's business.

MANAGEMENT DISCUSSION AND ANALYSIS

The Management Discussion and Analysis Report forms an integral part of this Report and gives details of the industry structure, developments, opportunities, threats, performance and state of affairs of the Company's business, internal controls and their adequacy, risk management systems including a section on 'Risk Management' and other material developments during the Financial Year 2019-20, and is annexed as Annexure 1 forming part of this Report.

FUTURE PROSPECTS

Water and sewerage infrastructure development in Indian urban and rural sector has been the key engine of growth acceleration for the DI Pipe Industry. With the growth of economy, India's urbanization trends have scope to significantly accelerate in coming years. Further, the country faces immense task of transporting drinking water with a limited treatment facility and inadequate transmission and distribution network. Rapidly growing urban centers also have limited infrastructure for waste water disposal. As a whole, the Indian water and waste water market is having a CAGR of about 10%.

To improve and sustain the water availability, the Jal Jeevan Mission, mainly aimed at rural and sub-urban water supply, could mean doubling of spending on water related infrastructure creation over the next 5 years as compared to Financial Years 2015-19.

For urban water supply Central Government as well as the respective State Governments have initiated a number of major urban development schemes to transform the urban scenario of the country, resulting in large investment in the Water Supply & Sewerage System. A major Initiative is AMRUT Yojna (Atal Mission for Rejuvenation and Urban Transformation). Under AMRUT, 500 Small Cities are undergoing infrastructure revamping.

A major part of the investment will be spent on Water Supply and Sewerage. Considerable fund is being allocated under the 'Namami Gange' Scheme, where cities on the bank of river Ganga and its tributaries will have modern Waste Water conveyance and treatment facilities to make the rivers clean.

At the same time, the Company continues to maintain its dominant position in the export market against competitors. The world economy is on the revival phase and a large portion of the production is being exported. The Company, after entrenching itself in the discerning European and gulf markets, is continuously expanding its business to new countries,

like, Tanzania, Zambia, Congo, Nigeria, Senegal, Morocco in Africa, Vietnam, Cambodia, Myanmar in South East Asia. The subsidiary in USA is also doing well.

SHARE CAPITAL

During the year under review, the National Company Law Tribunal, Cuttack Bench, vide its order dated 2 September, 2019, has approved the Scheme of Amalgamation of Mahadev Vyapaar Pvt Ltd, wholly owned subsidiary, w.e.f. 1 April, 2014, with the Company. Subsequently, Mahadev Vyapaar Pvt Ltd has ceased to be a subsidiary of the Company. In accordance with the said Scheme, the Authorised Share Capital of the Company has been increased from Rs. 50,00,00,000 divided into 50,00,00,000 Equity Shares of Re. 1.00 each to Rs. 50,02,00,000 divided into 50,02,00,000 Equity Shares of Re. 1.00 each.

During the year under review, the Company had issued and allotted 2,74,72,526 Equity Shares of face value of Re. 1.00 each, fully paid-up, at a price of Rs. 18.20 per Equity Share (inclusive of a share premium of Rs. 17.20 per Equity Share), on preferential basis, to Promoter/Promoter Group and non-promoter, for an aggregate cash consideration of Rs. 50 Crores, approx. Pursuant to the above allotment, the Issued, Subscribed and Paid-up Share Capital of the Company has increased to Rs. 43,29,54,709/- comprising of 43,29,54,709 Equity Shares of Re. 1.00 each.

The Company has utilised the entire issue proceeds as per the objects of the issue stated in the Notice of AGM dated 21 August, 2019 for general corporate purpose, i.e., utilised for payment to vendors.

The Company has not issued shares with differential voting rights. It has neither issued employee stock options nor sweat equity shares and does not have any scheme to fund its employees to purchase the shares of the Company. As on 31 March, 2020, none of the Directors of the Company hold instruments convertible into Equity Shares of the Company.

CREDIT RATING

During the year, India Ratings & Research Private Limited has re-affirmed a long term Issuer Rating of "IND A-" and for short term borrowings as "IND A2+". The outlook is Stable.

The Company has withdrawn the ratings assigned by CARE Ratings Limited ('CARE') for the long-term borrowings as "CARE BBB+" and for short-term borrowings as "CARE A2". The outlook is Stable.

SIGNIFICANT AND MATERIAL ORDERS PASSED BY THE REGULATORS / COURTS / TRIBUNALS

During the year under review, there were no significant or material order passed by the regulators or courts or tribunals impacting the going concern status and the Company's operations in future.

However, in pursuance of the Order dated 24 September, 2014 issued by the Hon'ble Supreme Court of India ('the Order') followed by the Ordinance promulgated by the Government of India, Ministry of Law & Justice (legislative department) dated 21 October, 2014 (Ordinance) for implementing the Order, allotment of Parbatpur coal block (coal block/mines) to the Company, which was under advanced stage of implementation, had been cancelled w.e.f. 1 April, 2015. In terms of the Ordinance, the Company was allowed to continue the operations in the said block till 31 March, 2015. Accordingly, the said block had been handed over to Bharat Coking Coal Limited as per the direction from Coal India Ltd. with effect from 1 April, 2015 and the same has been subsequently allotted to Steel Authority of India Limited (SAIL).

Following a petition filed by the Company, the Hon'ble High Court at Delhi has pronounced its judgement on 9 March, 2017. Based on the said judgement, the Company has claimed Rs. 1,53,176.00 Lakh towards compensation against the said coal block, acceptance whereof is awaited. Aggrieved due to delay in acceptance of claim, on a petition filed by the Company before the Hon'ble High Court, the Hon'ble Court had directed the Nominated Authority under Ministry of Coal to expedite the matter. The Hon'ble Court had further directed the Nominated Authority to take decisions within a specific time frame. During the year, the Nominated Authority in its order has upheld its decision of the compensation paid earlier and the same has been contested by the Company before the Hon'ble High Court and the matter is pending.

Members' attention is also invited to Notes on Contingent Liabilities, in the Notes forming part of the Financial Statements.

Report of the Directors (Contd.)

INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO THE FINANCIAL STATEMENTS

STATUS OF AMALGAMATION OF MAHADEV VYAPAAR PVT LTD

The Board of Directors of the Company, at its meeting held on 11 August, 2014, had approved the Scheme of Amalgamation ('the Scheme') of its wholly owned subsidiary, Mahadev Vyapaar Pvt Ltd (MVPL) with the Company, with effect from 1 April, 2014 ("Appointed Date"). MVPL had filed an application before the Hon'ble High Court at Calcutta, which had sanctioned the said Scheme on 18 November, 2015 and the certified copy of the order sanctioning the Scheme was duly filed by MVPL with the Registrar of Companies, West Bengal.

The Company had filed an Application, before the Hon'ble High Court at Orissa, seeking orders for dispensation from compliance of all formalities under the erstwhile Sections 391 and 394 of the Companies Act, 1956 (i.e., Sections 230 and 232 of the Companies Act, 2013) inasmuch as the entire paid-up share capital of MVPL was held by the Company and the Scheme did not envisage any arrangement between the Company and its members or creditors and there would be no issuance of shares by the Company under the Scheme. However, the said Application could not be taken up for hearing.

In the meanwhile, the Ministry of Corporate Affairs vide notification dated 7 December, 2016 enforced the Companies (Transfer of Pending Proceedings) Rules, 2016 with effect from 15 December, 2016, whereby all proceedings under the erstwhile Companies Act, 1956, including proceedings relating to arbitration, compromise, arrangements and reconstruction, other than proceedings relating to winding up on the date of coming into force of these rules, stood transferred to the Benches of the National Company Law Tribunal ('NCLT') exercising respective territorial jurisdiction. With the formation of NCLT, Cuttack Bench, the Hon'ble High Court at Orissa, by an order passed on 19 April, 2019, disposed of the aforesaid Application filed by the Company, directing transfer of the said petition to NCLT, Cuttack Bench.

The NCLT, Cuttack Bench, vide its Order dated 2 September, 2019, has disposed of the aforesaid Application of the Company, passing an Order that the Company is not required to file any application or petition under Sections 230 and 232 of the Companies Act, 2013 in relation to the aforesaid Scheme of Amalgamation of MVPL with the Company. Consequently, MVPL got amalgamated with the Company.

Management Discussion and Analysis Report

A. INDUSTRY STRUCTURE AND DEVELOPMENT

« Overview

The Company is engaged in the business of manufacturing Ductile Iron (DI) Pipes, Ductile Iron Fittings (DIF) and Cast Iron (CI) Pipes. The Company is the first to set up a Ductile Iron Pipe Plant in India. Today, it is India's leading pipeline solution provider. It has a strong brand presence around the Globe. Since 1994, the Company has maintained its edge over its competitors. Owing to the high reliability and durability of its products, the Company has always remained the distinct choice for water engineers and domain experts in Ductile Iron Pipes and Fittings.

« Industry Outlook

India is the home to nearly a fifth of the world's population, has only 2.5 percent of the world's land area and 4 percent of the world's water resources. In India, water is now getting very high attention from policy makers, media, and increasingly so from the markets given the rising concern on future availability of fresh water as well as the deterioration in drinking water quality. The Government of India has already initiated a massive programme termed as "Nal Se Jal" and access to drinking water for all is a priority. The Jal Shakti Ministry has set a target of "Har Ghar Nal se Jal" by 2024 under the Jal Jeevan Mission. The Jal Jeevan Mission will be implemented by the Jal Shakti Ministry, into which the Ministries of Drinking Water and Sanitation and Ministry of Water Resources, River Development and Ganga Rejuvenation were recently merged.

The government is planning an aggressive target of providing piped water to all households by 2024, up from 18% at present. This indeed is a massive challenge given the sheer numbers involved – 150mn households across 0.5mn+ villages need to be brought under the scheme over the next five years.

« The Drinking Water and Sewerage Sector

It is known fact that after the economic liberalization in the Nineties, the Indian economy is one of the fastest growing economy in the world. With economic upliftment, rapid urbanization is taking place all over India, where villages are being transformed to towns, towns into cities and cities into megacities. As a result, the demand for water has been increasing rapidly in the past few decades. There is no doubt that the 'Har Ghar Nal se Jal' programme under the Jal Jeevan Mission will greatly augment the Government spending on water supply, particularly, piped supply of surface water in usable form.

At the same time, disposal need of used water is growing simultaneously, warranting more investment in the sewerage and waste water sector. DI Pipes are one of the most preferred pipe material used for both Drinking Water supply and Sewerage line.

« Irrigation Sector

Being a vast country, India witnesses a non-uniform pattern of rainfall across country. It is highly seasonal in nature and India has comparatively lower storage capacity to store the runoff. Vast areas of the country is dependent on irrigation for sustain farming activity and food production. Until recent past, irrigation in India was mainly canal based. To minimize transmission loss due to percolation and evaporation under Canal based Irrigation, Government is now stressing more and more on piped irrigation, stimulating huge scope for DI pipes. A number of states have already started implementing piped irrigation projects and there will be more stress on piped irrigation in near future.

Management Discussion (Contd.)

Industrial Water

India's economic growth is largely fuelled by diverse industrial activities. As Industry needs large quantity of water to run, the pipe demand for industrial water supply is also growing with more industrialization. In most of the cases, water is to be brought from a distance which needs long pipelines to carry bulk water.

As a result the Indian pipe business for water and waste water is growing rapidly and the demand for DI Pipes, in particular, is on a rise due to its high dependability and high durability. DI Pipes, in view of its inherent features like high mechanical strength, better pressure bearing ability, higher corrosion and abrasion resistance, easy laying and long service life, is the preferred choice over other types of pipes for water and sewerage transportation.

Demand drivers for DI Pipes

The following factors will continue to drive the demand for DI Pipes:

1. Declared resolve of the Government to provide drinking water and sanitation to 100% of the population by 2024 and making funds available to achieve it under the "Jal Jeevan Mission" and "Swachh Bharat Mission".
2. The 500 numbers of AMRUT schemes and 100 smart city project launched by the Government are under various stages of implementation.
3. More Governmental emphasis on piped irrigation projects.
4. Rising demand for industrial water.
5. Low cost rural housing is picking up in a big way under the "Pradhan Mantri Abas Vikas Yojna".
6. More utilities are focussing on life cycle cost rather than initial cost to have a more durable water supply solution.
7. Due to superior quality followed by dependable after sales service, the Company continues to maintain its dominant position in the market against competitors.

FY 2019-20 vs. FY 2018-19

The Company's Revenue from Operations was reported at Rs. 2,479.89 Crore during the year under review as compared to Rs. 2,390.61 Crore reported in the previous year. There was a minor decrease of around 2.17% in Export Sales from Rs. 1,046.82 Crore in 2018-19 to Rs. 1,024.06 Crore in 2019-20 The Company incurred profit/loss of Rs. 98.59 Crore for the Financial Year 2019-20 as against loss of Rs. 635.77 Crore for Financial Year 2018-19.

B. PRODUCT WISE PERFORMANCE

Ductile Iron (DI) Pipes

The Ductile Iron Pipe Plant, with a total capacity of 2,80,000 TPA produced 3,09,404 MT of DI Pipes during the year 2019-20 compared to 3,03,838 MT in 2018-19. Initiatives continue by the Company to sustain improving productivity and product quality and variety.

The main raw materials used in the production of DI Pipes are Iron Ore and Coke. Iron Ore is mainly procured from Odisha and Jharkhand and Coke is captively produced at Haldia. The DI Pipes produced by the Company are sold in India and globally. The sale of DI Pipes contributed to 70% of the total revenues of the Company during the year amounting to Rs. 1,746.59 Crore.

Cast Iron (CI) Pipes

The Cast Iron Pipe Plant, with a total capacity of 90,000 TPA produced 38,206 MT of CI Pipe in 2019-20 compared to 31,930 MT in 2018-19. The capacity utilisation was much lower even after improvement in production in 2019-20 compared to previous year, as the demand for Cast Iron Pipes remained low.

The main raw material used in the production of CI Pipe is Pig Iron, which is obtained from domestic sources. The CI Pipe produced by the Company is sold mainly to the states in Southern India. The sale of CI Pipe contributed Rs. 183.61 Crore to the total revenues of the Company during the year.

« DI Fittings & Accessories

The Company produced 12,667 MT of DI Fittings in 2019-20 as against 12,085 MT in 2018-19. The Company has taken initiatives for higher productivity and utilization of capacity at its Haldia and Khardah Works and improving the performance of these divisions. Initiative continued to improve productivity. The sale of DI Fittings and Accessories contributed to Rs. 208.02 Crore in the total revenues of the Company during the year.

« Power Plant

The Company has installed new 5 MW capacity Turbo generator at its Haldia Works using the potentials of generation of steam from the waste gases of Coke Oven Plant. This has also enabled the Company to provide captive & cheaper power support to newly installed Ferro Alloys Plant at Haldia as well as overall environment & energy conservation improvement. In 2019-20, the new power plant has generated 3.23 million units. New Power plant started generation in fourth quarter of 2019-20. Ferro Alloy Plant was commissioned in July, 2019.

With new Power Plant, Haldia has generated 89.28 million units of power, out of which 28.15 million units were transmitted to SEB grid in 2019-20 as against generation of 80.80 million units and transmission of 49.70 million units in 2018-19. Higher captive power consumption mainly due to addition of a Ferro Alloy unit reduced sale to grid.

« Captive Coke Oven Plant

The Coke Oven Plant, with a total capacity of 2,25,000 TPA at Haldia, produced 1,65,413 MT of Metallurgical Coke in 2019-20 against 1,80,646 MT in 2018-19, mainly for captive consumption in Blast Furnace at Khardah Works. The production was restricted to the captive requirement level mainly because of poor market demand and lower market price of surplus coke, which was better in 2018-19. The primary raw material for producing Coke that is Coking Coal was imported mainly from Australia.

« Ferro Alloy Plant

The Company has installed a Ferro Alloy Plant at Haldia Works. The project was planned for production of Ferro Alloys which will have the flexibility to either serve captive Ferro-Silicon consumption of materials of Pipe plant and steel plant or selling alternatively products in the market. The plant commissioned in July 2019-20 with Si.Mn Product and produced 6,277 MT in 2019-20.

« Raw Materials Management

The Company's manufacturing facilities are spread across four locations in India. Presently, the business model consists of integrated production facilities which include Sinter Plant, Coke Oven Plant, Blast Furnace, Pig Iron Plant, Sponge Iron Plant, Fittings Plant and Captive Power Plant. The Company has also commissioned Ferro Alloys Manufacturing facility at Haldia. The integrated manufacturing facility helps the Company to minimise the production cost as the Company strongly believes that cost competitiveness is a key component of success. The Company continuously endeavors to improve the cost competitiveness by adopting various innovative and cost saving measures in the operations.

The Ministry of Mines, Government of India accorded the approval under Section 5(1) of the Mines and Minerals (Development and Regulation) Act, 1957 for grant of mining lease over an area of 192.50 ha in Village - Dirsumburu of Kodolibad forest in District - West Singhbhum, Jharkhand in the year 2006. The Company had received 1st stage forest clearance and 2nd stage forest clearance is pending with Ministry of Environment, Forest & Climate Change (MOEFCC) since September, 2014 for want of "Carrying Capacity Study of Saranda by the MOEFCC". As per amended MMDR Act, 2015, the sunset date of lease execution was 11 January, 2017. The Company filed a writ petition before the Hon'ble High Court of Jharkhand on 10 January, 2017, praying, inter-alia, for direction for grant of said lease in favour of the Company. The Hon'ble High Court in its order while observed, being not averse in granting relief with respect to cut off date, admitted the said petition and matter is pending before the Court.

Management Discussion (Contd.)

« Exports

The year gone by has had a number of challenges in export like anti-subsidy review in Europe, protectionism in most markets, economic downturn continuing in most world markets and so on. The Company has kept up with the challenge and is making deeper inroads into existing markets and venturing into new markets selling in 50+ countries in the world across five continents.

Towards the end of the Financial Year 2019-20, the world is facing an unprecedented economic crisis due to the novel coronavirus. This has led to many unfavourable situations for export like lockdowns in Europe, Middle East & Gulf, USA, Singapore, Hong Kong and also in India. Oil prices have fallen to very low levels reducing the capability of the Gulf nations to invest in infrastructure in the coming year. However, our products are mainly used for transportation of drinking water that is categorized as essential service in most countries. As such, activity in our products is still continuing, although at a slow pace. As such, we expect to improve faster than most businesses once the problem is controlled.

« Quality and Approvals

The Company has become one of the global leaders in Ductile Iron Pipes and Fittings by its commitment towards quality. Company is dedicated to uphold the brand value of its Pipes and Fittings, which is achieved in last 25 years.

To increase the faith of the customers, in addition to retaining the approval of DVGW of Germany, OVGW of Austria, BSI (UK), IGH (Croatia), UL (USA), FM (USA), NSF, etc., the Company has also taken approval of Bureau Veritas, Italy, who has the accreditation from ACCREDIA.

All these certificates help the Company to increase the confidence of customers. The Company is going on increasing its market share by penetrating newer markets.

A Quality product cannot be assured without proper system and for that Company maintains ISO 9001 (Quality Management System), ISO 14001 (Environment Management System) and SA 8000 (Social Accountability).

The Company takes care of the environment and proper utilisation of power is a focus and is certified ISO 50001 by BSI.

The Company has received the ISO 45001 (Occupational Health and Safety) certificate also from BSI.

C. OPPORTUNITIES AND THREATS

« Opportunities

The demand for DI pipe is expected to grow with the Government's continued focus on water, sanitation and irrigation schemes across India and with the development of smart cities. Recently in May 2019, Government of India has set up a new Ministry of Jal Shakti. The formation of this ministry reflects India's seriousness towards the resolving water challenges in the Country and providing drinking water to every household in the Country. The Government of India is continuing considerable investments in Smart City and AMRUT projects which is pushing the demand for pipe upwards. Urban sewerage system is being revamped in most cities which will require more pipes. ECL has always remained the distinct choice for water engineers and domain experts in Ductile Iron Pipes and Fittings.

« Threats

Despite the launching of Jal Jeevan Mission, the water sector may face a financing gap as more consistent funding and persistent monitoring is required to achieve the goal of "Har Ghar Nal Se Jal". Greater allocations of budgetary resources, more efficient use of those resources, and greater contributions from water users have to be ensured.

Fluctuating cost of raw materials is at times a real concern as the market prices are mainly market driven. Higher input and overhead cost, increasingly expensive pipe transportation/shipping logistics, coupled with increasingly competitive market with entry of new manufacturers, have created pressure on margins. The export market continues to be very challenging due to slow down of world economy. Anti-dumping/Anti-subsidy duties imposed on Indian DI Pipes by European Commission in EU countries has put us in a difficult spot. On the other side, a number of new DI

pipe manufacturers had emerged in recent years making the market more complex with a negative effect on the price structure and profitability.

However, the Company is confident of achieving sustained growth, with focus towards backward integration, cost reduction, exploring alternative markets, overcoming logistic constraints and long term planning for raw materials.

D. RISKS AND CONCERNS

This has been dealt with separately in the section on "Risk Management".

Management Discussion (Contd.)

« Waste Minimization

The Company's waste management cell is taking initiatives for handling of waste in environmentally safe manner following all the guidelines of regulatory authority.

Some of the important initiatives are:

- Some of the process waste has been re-utilized in another process as raw materials without compromising the quality of the product. These helped to reduce the consumption of raw materials or sometimes fuel.
- Storing, handling and disposal of hazardous and other waste is carried out by established operational control procedures or as per regulatory guidelines. Different types of waste are stored only in designated bins or earmark places inside the plant.
- Reuse of packing waste which reduces wood consumption.
- Minimizing the generation of hazardous waste (discarded Asbestos) by replacing asbestos sheet of CB platform of Sponge iron unit by corrugated colour coated sheet.

The Company, being an ISO: 14001 certified Company, complies with all the criteria mentioned in the management system and is also committed to the society to provide a cleaner and greener environment.

« Corporate Social Responsibility ('CSR')

- iii. Further, due to increase in Net Worth and decrease in Debt, the Debt Equity Ratio improved to 0.60 in the Financial Year 2019-20 from 0.68 in the Financial Year 2018-19.

I. OUTLOOK

Electrosteel Castings is the pioneer in bringing the first manufacturing technology of Ductile Iron Pipes and Fittings in India, in 1994. The group has the maximum capacity to produce DI Pipes, DI Fittings and Cast Iron Pipes in India. Electrosteel is also known for innovation and for adding diversity in its product lines. The Company was instrumental in developing various classes of pipes and various types of protective coatings and huge range of fittings. On the strength of quality, comparable to any other prime international manufactures, Electrosteel Castings DI Pipes and Fittings were accepted in Europe, Africa, Middle East, Far East and in USA. With this outlook, the Company is hopeful of having comfortable order position in domestic and export market in 2020-21.

CAUTIONARY STATEMENT

Statements in the Management Discussion and Analysis Report describing the Company's estimates, predictions, expectations may be "forward-looking" within the meaning of applicable securities laws and regulations. Actual results may differ materially from those expressed or implied in the statement. Important factors that could influence the Company's operations include global and domestic demand and supply conditions affecting selling prices of finished goods in which the Company operates, input availability and prices, changes in government regulations, tax laws and other statutes, economic developments within the country and the countries within which the Company conducts business and other factors such as litigation and industrial relations. The Company assumes no responsibility to publicly amend, modify or revise any forward-looking statements on the basis of subsequent developments, information or events.

Management Discussion (Contd.)

Risk Management

The Company has proper Risk Management and Control System to ensure that the risks of the Company are identified and managed effectively. The risk and mitigation measures are weaved into strategic plans and are reviewed periodically. Values and Business Principles are important elements of the internal environment for risk management. The main objective of Risk Management is proper compliances with applicable laws and regulations and to ensure that the systems protect the safety and health of the employees, customers and consumers.

The Company has already undertaken an extensive Risk Management effort that includes introducing Risk Management Manual, compiling a comprehensive profile of the key risks to the Company, identifying key gaps in managing those risks and developing preliminary action plans to address those risks. The worldwide activities of the Company are exposed to varying degrees of risk and uncertainty. The Company has identified and categorised the risks associated with its business into Economic Risk, Competitor Risk, Industrial Risk, Environmental Risk, Foreign Exchange Risk and Payment Risk.

« Economic Risk

Economic risk can be described as the likelihood that the output of the project will not produce adequate revenues for covering operating costs and repaying the debt obligations. The causes can be many, for instance, the hike in the price for raw materials, failure to accomplish deadlines, disruptions in a production process, the change of a political regime, change of Industrial/Government policies, court orders, ordinance or natural disasters, etc.

To counter this, the Company has taken various steps including backward integration which comprises brownfield expansions, e.g., Sinter Plant, Sponge Iron Plant, Coke Oven Plant, Power Plant from waste heat recovery, Ferro Silicon Plant, upgrading and expanding manufacturing capacities, exploring alternate source for procurement of critical raw material in case of delay in mining planned earlier, managing resources to meet financial obligation, and increasing efforts on research and development. In addition, cost control measures are an ongoing process.

To avoid price volatility for critical items, the Company enters into contracts for bulk quantity as well as keeps on exploring alternate sources of supply.

« Competitor Risk

As the market is highly competitive with the elimination of physical barriers, the Company is exposed to the competitor risk. Ductile Iron (DI) Pipe Industry is a technology intensive industry. Staying in tune with customers' need is vital to the sustainability of any company; the same can be safely said about the competition. With the entry of new players and the inevitable competition from other alternative industries, the Company constantly analyses the competitors from both marketing and strategic point through the assessment of strength, weakness of each competitor which helps to identify the opportunities and threats.

The Company continues to focus on increasing its market share and taking marketing initiatives that help customers in taking informed decisions. The quality improvement, global presence through its subsidiaries, and product enhancement efforts have established the brand image of the product as the most preferred brand with the customers. With the thrust given by Government of India on water and water related projects and due to the anticipated growth in water requirement in India, the demand of DI Pipes is expected to grow substantially in the next few years and the Company is confident of retaining its market share.

Industrial Risk

The Company ardently believes in recognising its people's talent & their potential as one of the major source required for achieving success in this competitive market. As a measure to achieve, the Company continues to pay sincere attention on people development by evolving a continuously learning human resource base to help them in improving their potential and fulfilling their aspiration. It is essential to have employees engagement in various spheres to create a congenial, conducive and healthy work culture. In the process, the Company gives utmost priority to community services, sports, education and medical services to the employees as well as the locality.

The Company undertakes development program to enhance the competence of employees by imparting training in skill development and multiskilling, which increases the job security and scope for alternative redeployment.

The crucial factors in the smooth operation of the plant includes good public relations and liaising with statutory bodies, union leaders and community. The Company through its experienced team of management has been successful in maintaining an excellent labour relation over the years. As a consequence of such harmonious relations, there has not been a single man day loss over a decade. Recently, the Company has settled the Charter of Demands of the unions and arrived at a long term settlement for a period of four years from 1 September, 2019 to 31 August, 2023 and that too without any disturbance and or agitation. Virtually, the Company has bought peace for a period of four years.

The Company is optimistic that due to a loyal, devoted and dedicated workforce, the labour relation will continue to strengthen further and play an important role in the success of the Company.

Environmental Risk

Environmental risks are defined as those potential adverse situations which may come from any regulatory and environmental non-compliances arising out of the operation of the Company's plant activities as well as other risks due to any future stipulations and local conditions, etc. This may impact the Company's image and also generate financial liabilities. This can be combination of different situations together also.

Reduction of environmental risk is the main focus of the Environmental Management System of the Company as this makes a deep impact on Company's image towards the interested parties of our Company.

Sustainability is also associated with environmental risk. Sustainability will be there if we can take proactive actions for mitigating any environmental risk.

The Company's strong & effective Environmental Management System is always looking after the sustainable use of natural resources, continual improvement of process by adopting new technology and also to increase environmental awareness at all levels through training. Existing process improvement is also carried out for optimizing use of natural resources like water, fuel, etc.

The Company has installed an appropriate pollution control system to control the key characteristics of the environmental parameters in respect of air, water, noise, etc. The Company has also implemented the 4R techniques (Reduce, Reuse, Recycle, Reprocess) in waste management system that helps in utilization of waste, handling of waste in environmental safe manner and to obey the legal directives from time to time.

The Environmental Management System of the Company is always vigilant for monitoring activities of environmental performance, from time to time and analyzing the outcome of the results for further improvement. Being an ISO 14001 certified, the Company has to comply with each and every criteria of the said management system. Aspects of every activity related to environment is justified by related impacts and its associated risk. Control measures are also identified to reduce the risk level or eliminating the risk factors.

Environment Management Cell along with the support of engineering department is regularly assessing the designs of Pollution Control System and doing needful for up-gradation. It is also working for mitigation plan of any probable stringent stipulations which are going to come in near future. Environment objectives and targets are also set considering

Management Discussion (Contd.)

the present and probable future risks. All above are focused to identify the risks, evaluated and mitigated within a given time frame on a regular basis.

Management Review is being done on regular basis at different layers for checking the adequacy and effectiveness of the established Environmental Management System and keep risk mitigation plan effective.

«« Foreign Exchange Risk

Foreign Exchange Risk (also known as exchange rate risk or currency risk) is a financial risk posed by an exposure to unanticipated changes in the exchange rate between two currencies. Multinational businesses exporting or importing goods and services are faced with an exchange rate risk which can have severe financial consequences if not managed appropriately. Considering the large exports and imports of raw material, the Company is exposed to the risk of fluctuation in the exchange rates.

The Company has adopted a comprehensive risk management review system wherein it actively hedges its foreign exchange exposures within defined parameters, through use of hedging instruments such as forward contracts, options and swaps. The Company periodically reviews its risk management initiatives and also takes expert advice on regular basis on hedging strategy.

«« Payment Risk

Payment Risk refers to the possibility of loss on account of non-receipt or delayed or part receipt of payments. For example, in case of incorrect or delayed payments, there are costs arising from transferring funds back, interest charges, replacement costs and other types of charges. In case of not receiving or receiving partial payments, there will be a principal loss.

Since major water infrastructure projects are Government funded or foreign aided, the risk involved in payment default is minimum. Further, evaluating the credit worthiness of the customers has minimised the risk of default by other segment customers. Besides, the risk of export receivables other than subsidiaries is covered under Credit Insurance.

The Company recognises employees, business associates (network of suppliers, stockists and dealers, etc.), customers, shareholders/investors, communities surrounding our operations and regulatory authorities as its key stakeholders.
- 2) **Out of the above, has the Company identified the disadvantaged, vulnerable & marginalized stakeholders?–** The Company understands that all its stakeholders are not equal and some of its stakeholders are disadvantaged, vulnerable and marginalized.
- 3) **Are there any special initiatives taken by the Company to engage with the disadvantaged, vulnerable and marginalized stakeholders?** – The Company proactively engages with and responds to safeguard the interest of those stakeholders that are disadvantaged, vulnerable and marginalized. The Company, through its Corporate Social Responsibility ('CSR') initiatives and other regular programmes/initiatives, works towards the benefit of its disadvantaged, vulnerable and marginalized stakeholders. The CSR initiatives taken by the Company have been detailed out in the Annual Report on CSR activities, which has been annexed to the Board's Report, marked as Annexure – 4, forming part of this Annual Report.

Business Responsibility Report (Contd.)

Principle 5

- 1) **Does the policy of the Company on human rights cover only the Company or extend to the Group/Joint Ventures/Suppliers/Contractors/NGOs/Others?** – Apart from the Company's BR Policy, the Company, under its Code of Conduct, advises all its Directors and Senior Management Executives to practice a Code of giving highest respect for humans and human values and promote the same, in general. Though the said Policy and Code covers only the Company and its employees, the Company continuously strives to promote human rights as mentioned in the Constitution of India in the provisions of Fundamental Rights and Directive Principles of State Policy and also the guidelines of the International Bill of Human Rights. The Company strictly prohibits any unfair/unjust treatment to any human and violation of human rights.
- 2) **How many stakeholder complaints have been received in the past Financial Year and what percent was satisfactorily resolved by the management?** – No complaint was received pertaining to human rights violation during the past Financial Year. Details of complaints received from shareholders have been dealt in clause 2 of Principle 1.

Principle 6

- 1) **Does the policy related to Principle 6 cover only the Company or extends to the Group/Joint Ventures/Suppliers/Contractors/NGOs/Others?** – The Policy related to Principle 6 cover only the Company. However, the Company encourages that the Group/Joint Ventures/Suppliers/Contractors/NGOs/Others should follow the underlying standard stated under this principle.
- 2) **Does the Company has strategies/initiatives to address global environmental issues such as climate change, global warming, etc.? Y/N. If yes, please give hyperlink for webpage, etc.** – With the objective to sustain clean and green environment in and around the factory and improve it with time, the Company has a strong and very effective Environment Management System that looks after all the environmental issues. Company's strategies/initiatives addressing global environmental issues have been given in various sections of the Annual Reports of the Company. Annual Reports of the Company are available at <https://www.electrosteelcastings.com/investors/annual-report.asp>.
- 3) **Does the Company identify and assess potential environmental risks? Y/N** – Yes, the Company identifies and assesses potential environmental risks. Environmental risks are defined as those potential adverse situations which may come from any regulatory and environmental non-compliances arising out of the operation of the Company's plant activities. This may impact the Company's image and also generate financial liabilities. This can be combination of different situations together also.
- 4) **Does the Company has any project related to Clean Development Mechanism?** – The Company has developed a 12 MW Waste Heat Recovery based Power Plant at Haldia as a CDM Project. It is reducing around 78000 T of CO₂ emission annually. It has been registered with UNFCCC (United Nations Framework Convention for Climate Change). Carbon Trading was done for emission reduction from this project with a UK based company.
- 5) **Has the Company undertaken any other initiatives on – clean technology, energy efficiency, renewable energy, etc.?** – The Company has undertaken a number of other initiatives on clean technology and energy efficiency. One major initiative is usage of Blast Furnace Gas (a process by-product) to replace fuel oil in heat treatment furnaces, which is being implemented step by step over the last few years. Last major improvement in this regard was carried out in 2019-20. The Company has also taken initiatives on generation and usage of renewable energy. One major initiative was installation of a Rooftop Solar Power generating facility on canteen building roof of the Company's units at Khardah.
- 6) **Are the emissions/waste generated by the Company within the permissible limits given by CPCB/SPCB for the Financial Year being reported?** – During the Financial Year 2019-20, emissions/waste generated were within the limits given by CPCB/SPCB.

- 7) **Number of show cause/legal notices received from CPCB/SPCB which are pending (i.e., not resolved to satisfaction) as on the end of Financial Year**– No show cause/legal notice was pending as on the end of the Financial Year 2019-20.

Principle 7

- 1) **Is your Company a member of any trade and chamber or association? If Yes, Name only those major ones that your business deals with –**
- Confederation of Indian Industry
 - Engineering Export Promotion Council
 - Indian Chamber of Commerce, Kolkata
- 2) **Have you advocated/lobbied through above associations for the advancement or improvement of public good?** Yes, during the Financial Year 2019-20, the Company advocated for the Indian Government's "Nal Se Jal" (water from tap) mission rolled out by the Government during June, 2019. With more than 80% rural households yet to get piped water supply, the Government announced this mission for each house in villages in the next 5 years. This Mission is to cover 14 crore households. There will be a deficit of 43% between water availability and requirement in the coming years. The Company advocated the policy, on how the project needs to be undertaken.

Under the Jal Jeevan Mission, both ground and surface water will be used to meet the requirement. In villages, where the quality of water available is good, piped water would be sourced and supplied at the village level. In other areas, where the quality of water is poor, there could be a trunk water supply system for a cluster of villages and piped water could be sourced from other villages or locality. The communities, such as, village Panchayat would manage the operation and maintenance of the facilities wherever feasible. There can be 3rd party verification and funds could be released by the government. The focus of the scheme would be to recharge groundwater through point recharge source, basic treatment and re-use of grey-water for agriculture, de-silting minor irrigation tanks and rejuvenation of water bodies. There needs to be a huge focus on the campaign for creating awareness and behaviour change for the conservation of water. The Company feels that conservation of water has to become a people's movement since demand for water is going to grow.

Principle 8

- 1) **Does the Company has specified programmes/initiatives/projects in pursuit of the policy related to Principle 8?** – The Company supports the principles of inclusive growth and equitable development through not just its Corporate Social Responsibility initiatives but through its core business and various other events/initiatives.
- 2) **Are the programmes/projects undertaken through in-house team/own foundation/external NGO/government structures/any other organization?** – The Company undertakes programmes/ projects directly through in-house team as well as through other external bodies/associations.
- 3) **Have you done any impact assessment of your initiative?** – Yes, the Company internally performs an impact assessment of its initiatives, from time to time and takes necessary actions, accordingly.
- 4) **Company's direct/indirect contribution to community development projects and the details of the projects undertaken** – The Company's contribution to the community development projects undertaken during the Financial Year through its CSR activities is Rs. 5,75,000/-. The details of the projects have been given out in the Annual Report on CSR Activities, annexed to the Board's Report, marked as Annexure 4 thereto, forming part of this Annual Report. Apart from this, the Company also contributes, directly or indirectly, towards development projects for the community benefit.

Business Responsibility Report (Contd.)

- 5) **Have you taken steps to ensure that this community development initiative is successfully adopted by the community?** – Yes, the Company monitors its initiatives, from time to time, for their successful implementation.

Principle 9

- 1) **What percentage of customer complaints/consumer cases are pending as on the end of Financial Year?** – No customer complaint/consumer cases were pending as on the end of Financial Year.
- 2) **Does the Company display product information on the product label, over and above what is mandated as per local laws?** No
- 3) **Is there any case filed by any stakeholder against the Company regarding unfair trade practices, irresponsible advertising and/or anti-competitive behaviour during the last five years and pending as on end of Financial Year** – No case has been filed by any stakeholder against the Company regarding unfair trade practices, irresponsible advertising and/or anti-competitive behaviour during the last five years and pending as on the end of Financial Year.
- 4) **Did your Company carry out any consumer survey/consumer satisfaction trends?** – Yes, the Company carried out consumer survey/consumer satisfaction trends by taking customer feedback.

STANDALONE FINANCIAL STATEMENTS

Independent Auditors' Report

To The Members of Electrosteel Castings Limited

Report on the Audit of the Standalone Financial Statements

Qualified Opinion

We have audited the accompanying standalone financial statements of Electrosteel Castings Limited ("the Company"), which comprise the Balance sheet as at March 31, 2020, the statement of profit and loss (including other comprehensive income), the statement of cash flow and the statement of changes in equity for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information. (hereinafter referred to as the "standalone financial statement")

In our opinion and to the best of our information and according to the explanations given to us, except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standard) Rules 2015, as amended (Ind As) and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2020, its profit including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Qualified Opinion

Attention is drawn to the following notes to the accompanying standalone financial statement:

- a) Note no. 47 in respect to cancellation of coal block allotted to the company in earlier years and non-recognition of the claims receipt thereof and non-carrying of any adjustment in the books of accounts for the reasons stated in the note. Pending finalisation of the matter and as the matter is sub judice, disclosures as per Indian Accounting standard will be given effect on final settlement of the matter and the balances appearing in the books of accounts in respect to such coal block have been carried forward at their carrying cost and disclosed as capital work in progress, property plant & equipment, inventories and other heads of account. The impact and consequential adjustment thereof are not presently ascertainable.
- b) Note No. 8A.2 in respect to Company's investment amounting to Rs. 1653.76 lakhs in Electrosteel Steels Limited (ESL), the pledge of which was invoked by the lenders of ESL and the same has been

set aside by the Hon'ble High Court at Calcutta. The plea of the company to release the pledge is pending before the Hon'ble High Court at Calcutta. Further certain fixed assets of Elavur plant of the Company which are mortgaged in favour of a Lender of ESL, who has assigned their rights to another entity and the symbolic possession has been taken during the year, has been disputed by the company as enumerated in the note. Above exposures have been carried forward at their existing carrying value & no impairment has been provided in respect to above and the impact of which is not presently ascertainable.

- c) Note No 48(b) in respect to carry forward of claim recoverable amounting to Rs. 1778.11 Lakhs towards the compensation claimed from the Railway Authorities as mentioned in the note. The recovery of the same is dependent on the outcome of the arbitration process and is not presently ascertainable.

Impacts with respect to (a) (b) & (c) above are presently not ascertainable and as such cannot be commented upon by us.

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditors' Responsibilities for the Audit of the standalone financial statements' section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules there under and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements for the year ended March 31, 2020. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. In addition to the matters described in the basis for qualified opinion section, we have determined the matters described below as Key audit matters and for each matter, our description of how our audit addressed the matter is provided in that context.

Independent Auditors' Report (Contd.)

Key audit matters	How our audit addressed the key audit matter
Taxation, litigations and disclosures of contingent liabilities	
<p>The Company is exposed to different laws, regulations and interpretations thereof. The company is also subject to number of significant claims and litigations. The assessment of the likelihood and quantum of any liability in respect of these matters can be judgmental due to the uncertainty inherent in their nature.</p> <p>At March 31, 2020, the Company has carried forward non-current income tax liabilities of Rs. 5157.78 Lakhs [Refer Note 27 to the financial statements]. Further, the Company has disclosed significant pending legal cases with respect to Kodilabad mines [Refer Note 48a to the financial statements] and other material contingent liabilities [Refer Note 53 to the financial statements].</p> <p>We considered this to be a key audit matter, since the accounting and disclosure of claims and litigations is complex and judgmental, and the amounts involved are, or can be, material to the financial statements.</p>	<p>Our audit procedures included among others:</p> <ol style="list-style-type: none"> I. Understanding and assessing the internal control environment relating to the identification, recognition and measurement of provisions for disputes, potential claims and litigation, and contingent liabilities; II. Analyzed significant changes/update from previous periods and obtained a detailed understanding of such items. Assessed recent judgments passed by the court authorities affecting such change; III. Discussed the status of significant known actual and potential litigations with the management & noted that information placed before the board for such cases and IV. Assessment of the management's assumptions and estimates related to the recognized provisions for disputes and disclosures of contingent liabilities in the financial statements.
Recoverability of Government Grant	
<p>The company has been entitled for various sales tax incentives under Industrial promotion scheme issued by the State Government. The company had complied with the conditions of such scheme and incentives were accounted for in the books in earlier years. A sum of Rs. 4680.58 Lakhs (grouped under other financial assets in note no. 18) is outstanding against said incentive as on 31st March 2020.</p> <p>We determined this to be a matter of significance to our audit due to the quantum of the government grant outstanding, compliance requirement of the scheme and also because of recovery pattern of the same.</p>	<ol style="list-style-type: none"> I. Evaluating eligibility requirements of schemes and compliances by the company. II. Understanding and testing the design and operating effectiveness of controls as established by the management in recognition and assessment of the recoverability of the grant. III. Considering the relevant notifications to ascertain the basis for determination, completion of performance obligation and assessing the appropriateness of the management estimates for accounting of government grant and timing of recognition & past receipt of the grants.

Key audit matters	How our audit addressed the key audit matter
Inventory measurement	
<p>The company deals with various types of bulk material & Finished goods such as ductile & Iron pipes, pipe fittings, coal, coke & Iron Ore etc. The total inventory of such materials amounts to Rs.54774.82 lakhs as on March 31, 2020. (refer note no. 12).</p> <p>The measurement of these inventories involved certain estimations/assumption and also involved volumetric measurements. Measurement of some of these inventories also involved consideration of handling loss, moisture loss/gain, spillage etc. and thus required assistance of technical expertise.</p> <p>We determined this to be a matter of significance to our audit due to quantum of the amount & estimation involved.</p>	<ol style="list-style-type: none"> I. Obtained the understanding of the management with regards to internal financial controls relating of Inventory management. II. The company has deployed an independent agency for verification of bulk Materials in which our team were also present to oversee the process of entire materials being verified. We have also reviewed the internal verification process followed by the management for certain inventory items. III. We have also reviewed the report submitted by external agency and obtained reasons/explanation for such differences and also confirmed the adjustment made by the company in accordance with the policy confirmed by the board of directors.

Information other than the Standalone Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual report, for example Board's Report, Report on Corporate Governance, Management Discussion & Analysis Report etc., but does not include the standalone financial statements and our auditors' report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and those charged with governance for the standalone financial statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial Statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance

Independent Auditors' Report *(Contd.)*

with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditors' Responsibility for the Audit of the standalone financial statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013,

we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls;

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern; and
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Independent Auditors' Report *(Contd.)*

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
 2. Further to our comments in the annexure referred to in the paragraph above, as required by Section 143(3) of the Act, we report that:

ANNEXURE “A” TO THE AUDITORS' REPORT OF EVEN DATE**(Referred to in paragraph 1 under “Report on Other Legal and Regulatory Requirements’ of our report of even date)**

- I. a. The Company has maintained proper records showing full particulars, including quantitative details and situations of fixed assets except in case of furniture and fixture.
- b. During the year, fixed assets have been physically verified by the management according to a regular programme of verification which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets except in respect of fixed assets located at Parbatpur Coal Block for reasons stated in Note No. 47(a). As informed, no material discrepancies were noticed on such verification.
- c. According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties are held in the name of the Company except as detailed below: (Refer Note no. 5.3 & 5.4 of the standalone financial statements)

(Amount Rs. In Lakhs)

Nature of Immovable Properties	Gross Block	Net Block
Freehold Land	335.81	335.81
Freehold Land	1889.04	1889.04

- II. a. As informed, the inventories of the Company except for materials in transit, finished goods lying with third parties and inventories lying at Parbatpur Coal Block for reasons stated in Note no. 47(a), have been physically verified by the management at the reasonable intervals. In our opinion and according to the information and explanations given to us, the frequency of such verification is reasonable. For stocks lying with third parties at the year-end, written confirmations have been obtained and in respect of goods-in-transit, subsequent goods receipts have been verified or confirmations have been obtained from the parties. The discrepancies noticed on verification between the physical stocks and the book records were wherever material and have been properly dealt with in the books.
- b. As the Company's inventory of raw materials comprises mostly of bulk materials such as Coal, Coke, Iron ore, etc. requiring technical expertise for quantification, the Company has hired an independent agency for the physical verification of the stock of these materials. Considering the above, in our opinion, the procedures for physical verification of inventory followed by the management are reasonable and adequate in relation to the size of the Company and the nature of its business.
- III. According to the information and explanations given to us, the Company has not granted any loans, secured or unsecured to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under Section 189 of the Act. Accordingly, the provisions of clause 3(iii) (a), (b) and (c) of the Order are not applicable to the Company and hence not commented upon.
- IV. In our opinion and according to the information and explanations provided to us, the Company has not granted any loans or provided any guarantees or security to the parties covered under Section 185 of the Act. The Company has complied with the provisions of Section 186 of the Act in respect of investments made or loans or guarantee or security provided to the parties covered under Section 186 of the Act.
- V. The Company has not accepted any deposits within the meaning of Sections 73 to 76 of the Act and the Companies (Acceptance of Deposits) Rules, 2014 (as amended). Accordingly, the provisions of clause 3(v) of the Order are not applicable to the Company.
- VI. We have broadly reviewed the books of account maintained by the company pursuant to the Rules made by the Central Government for the maintenance of cost records under Section 148 (1) of the Act in respect of the Company's products to which the said rules are made applicable and are of the opinion that prima facie, the prescribed records have been maintained. We have however not made a detailed examination of the said records with a view to determine whether they are accurate or complete.
- VII. a. According to the information and explanations given to us, during the year, the Company has generally been regular in depositing with appropriate authorities undisputed statutory dues including Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service tax, duty of Custom, duty of Excise, Value Added Tax, Goods & Service Tax, Cess and other material statutory dues as applicable to it. No dues were in arrears as on 31st March 2020 for a period of more than six months from the date they became payable except non payment of employer contribution of provident fund amounting to Rs. 69.30 Lakhs
- b. According to the information and explanations given to us, the details of disputed dues of sales tax, income tax, customs duty, goods & service tax, excise duty, service tax, and Cess, if any, as at 31st March, 2020, are as follows:

Name of the Statute	Nature of Dues	Amount (Rs. in lakhs)	Period to which the Amount relates	Forum where dispute is pending

ANNEXURE “B” TO THE INDEPENDENT AUDITORS' REPORT

Referred to in paragraph (h) under 'Report on Other Legal and Regulatory Requirements' of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of Electrosteel Castings Limited (“the Company”) as of March 31, 2020 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to Standalone Financial Statements for the year ended March 31, 2020

1 Corporate Information

Electrosteel Castings Limited ('the Company') is a public limited company in India having its corporate office in Kolkata in the State of West Bengal and registered office at Rajgangpur, District: Sundergarh in the State of Odisha and is engaged in the manufacture and supply of Ductile Iron (DI) Pipes, Ductile Iron Fittings (DIF) and Cast iron (CI) Pipes as its core business and produces and supplies Pig Iron, in the process. It also produces Metallurgic Coke, Sinter and Power for captive consumption. The company caters to the needs of Water Infrastructure Development. The Company's shares are listed on National Stock Exchange of India Limited and BSE Limited. The Board of Directors have approved the financial statements for the year ended March 31, 2020 and authorised for issue on June 15, 2020.

1A Estimation of uncertainties relating to the global health pandemic from COVID-19 (COVID-19)

The spread of COVID-19 pandemic has severely impacted businesses around the globe, including India. The regular business operations of the company has been impacted post lock-down declared by Government of India (GOI) on March 24, 2020, which includes suspension of significant portion of production facilities, disruptions in supply chain and adopting work from home policies of employees across the locations. Due to above, the volumes for the month of March 2020 have been impacted. The Company is monitoring the situation closely and operations are being resumed/ramped up in a phased manner from June 2020 considering various directives from GOI. The management has considered various internal and external sources of information up to the date of approval of the standalone financial statements by the Board of Directors in determining the impact of pandemic on the various elements of standalone financial statements. The management has also evaluated its liquidity position for the next year and used the principles of prudence in applying judgments, estimates & assumptions and based on the current estimates, it expects to fully recover the carrying amount of various non current & current assets. However considering the uncertainties involved, the eventual outcome of impact of the pandemic may be different from those estimated as on the date of approval of these standalone financial statements. The Company will continue to closely monitor any material changes in future economic conditions.

2A Application of New Accounting Pronouncements effective from April 01, 2019

2A.1 The Company has applied the following Indian Accounting Standards and its amendments for the first time for the annual reporting period commencing April 01, 2019.

Ind AS 116 - Leases

Amendment to Ind AS 12 - Income Taxes and Ind AS 12 Appendix 'C' - Uncertainty over Income Tax Treatments

Amendment to Ind AS 19 - Plan amendment, curtailment or settlement

Amendment to Ind AS 23 - Borrowing Cost

Amendment to Ind AS 103 - Business combination and Ind AS-111- Joint Arrangement

Amendment to Ind AS 109 - Prepayment features with negative compensation

Except for adoption of Ind AS-116, most of the above amendments did not have any impact on the current and previous financial period.

2B Recent Accounting Developments

Standards issued but not yet effective

2B.1 Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards. There is no such notification which would have been applicable from April 01, 2020.

3. Statement of compliance and Significant Accounting Policies

3.1 Statement of Compliance

These financial statements, excepting as stated in note no 47, have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time.

Basis of Preparation

The Financial Statements have been prepared under the historical cost convention on accrual basis excepting certain financial instruments which are measured in terms of relevant Ind AS at fair value/ amortized costs at the end of each reporting period and certain class of Property, Plant and Equipment i.e. freehold land and building and Investment in Associates which as on the date of transition have been fair valued to be considered as deemed cost.

Historical cost convention is generally based on the fair value of the consideration given in exchange for goods and services.

Notes to Standalone Financial Statements for the year ended March 31, 2020 (Contd.)

As the operating cycle cannot be identified in normal course, the same has been assumed to have duration of 12 months. All Assets and Liabilities have been classified as current or non-current as per the operating cycle and other criteria set out in Ind AS 1 'Presentation of Financial Statements' and Schedule III to the Companies Act, 2013.

The Standalone Financial Statements are presented in Indian Rupees and all values are rounded off to the nearest two decimal lakhs except otherwise stated.

Fair Value Measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date under current market conditions.

The Company categorizes assets and liabilities measured at fair value into one of three levels depending on the ability to observe inputs employed for such measurement:

Level 1: Inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: Inputs other than quoted prices included within level 1 that are observable either directly or indirectly for the asset or liability.

Level 3: Inputs for the asset or liability which are not based on observable market data (unobservable inputs).

The company has an established control framework with respect to the measurement of fair values. This includes a finance team that has overall responsibility for overseeing all significant fair value measurements who regularly review significant unobservable inputs, valuation adjustments and fair value hierarchy under which the valuation should be classified.

3.2 Property Plant and Equipment (PPE)

Property, plant and equipment are stated at cost of acquisition, construction and subsequent improvements thereto less accumulated depreciation and impairment losses, if any. For this purpose cost include deemed cost on the date of transition and comprises purchase price of assets or its construction cost including duties and taxes (net of recoverable taxes), inward freight and other expenses incidental to acquisition or installation and adjustment for exchange differences wherever applicable and any cost directly attributable to bring the asset into the location and condition necessary for it to be capable of operating in the manner intended for its use. For major projects, interest and other costs incurred on / related to borrowings to finance such projects or fixed assets during construction period and related pre-operative expenses are capitalized. Expenditure on Blast Furnace/Coke Oven Battery Relining is capitalized.

Parts of an item of PPE having different useful lives and material value and subsequent expenditure on Property, Plant and Equipment arising on account of capital improvement or other factors are accounted for as separate components.

The cost of replacing part of an item of property, plant and equipment is recognised in the carrying amount of the item if it is probable that the future economic benefits embodied within the part will flow to the Company and its cost can be measured reliably. The costs of the day-to-day servicing of property, plant and equipment are recognised in the Statement of Profit and Loss when incurred.

Capital Work-in-progress includes preoperative and development expenses, equipments to be installed, construction and erection materials, advances etc. Such items are classified to the appropriate categories of PPE when completed and ready for intended use.

The Company had opted for accounting the exchange differences arising on reporting of long term foreign currency monetary items in line with Companies (Accounting Standards) Amendment Rules 2009 relating to Accounting Standard-11 notified by Government of India on 31st March, 2009 (as amended on 29th December 2011), which will be continued in accordance with Ind-AS 101 for all pre-existing long term foreign currency monetary items as at 31st March 2016. Accordingly, exchange differences relating to long term monetary items, arising during the year, in so far as they relate to the acquisition of fixed assets, are adjusted in the carrying amount of such assets.

Depreciation and Amortization

Depreciation on PPE except as stated below, is provided as per Schedule II of the Companies Act, 2013 on straight line method in respect of Plant and Equipments and Office Equipments at all location of the Company except Elavur Plant of the Company and on written down value method on all other assets including Plant and Equipments and Office Equipments at Elavur Plant. Certain Plant and Equipment's have been considered Continuous Process Plant on the basis of technical assessment. Depreciation on upgradation of Property, Plant and Equipment is provided over the remaining useful life of the mother plant / fixed assets.

Leasehold Land held under finance lease including leasehold land are depreciated over their expected lease terms. No depreciation is charged on Freehold land. Assets costing rupees five thousand or less are being depreciated fully in the year of addition/acquisition.

**Notes to Standalone Financial Statements** for the year ended March 31, 2020 *(Contd.)*

In case the cost of part of tangible asset is significant to the total cost of the assets and useful life of that part is different from the remaining useful life of the asset, depreciation has been provided on straight line method based on internal assessment and independent technical evaluation carried out by external valuers, which the management believes that the useful lives of the component best represent the period over which it expects to use those components. Pipe Moulds of specified sizes are depreciated over a period of 3 years.

Railway siding constructed on Government land is amortised over the period of 10 years in terms of agreement.

Depreciation on Property, Plant and Equipments commences when the assets are ready for their intended use. Based on above, the useful lives as estimated for other assets considered for depreciation are as follows:

Category	Useful life
Buildings	
Non-Factory Building (RCC Frame Structure)	60 Years
Factory Building	30 Years
Roads	
Carpeted Roads-RCC	10 Years
Carpeted Roads-other than RCC	5 Years
Non-Carpeted Roads	3 Years
Plant and machinery	
Other than Continuous Process Plant	15 Years
Sinter Plant, Blast Furnace, Coke Oven	20 Years
Coke Oven Battery Relining	5 Years
Blast Furnace Relining	2 Years
Power Plant	40 Years
Computer equipment	
Servers and networks	6 Years
Others	3 Years
Furniture and fixtures, Electrical Installation and Laboratory Equipment's	10 Years
Office equipment	5 Years
Vehicles	
Motor cycles, scooters and other mopeds	10 Years
Others	8 Years

Depreciation methods, useful lives, residual values are reviewed and adjusted as appropriate, at each reporting date.

3.3 Intangible Assets

Intangible assets are stated at cost comprising of purchase price inclusive of duties and taxes (net of recoverable taxes) less accumulated amount of amortization and impairment losses. Such assets, are amortised over the useful life using straight line method and assessed for impairment whenever there is an indication of the same.

Accordingly, right to use wagons acquired under "Wagon Investment Scheme", cost of computer software packages (ERP and others) and mining rights are allocated / amortized over a period of 10 years, 5 years and available period of mining lease respectively.

Research cost are not capitalized and the related expenditure is recognized in the statement of profit and loss in the period in which the expenditure is incurred.

Depreciation methods, useful lives and residual values and are reviewed, and adjusted as appropriate, at each reporting date.

3.4 Derecognition of Tangible and Intangible assets

An item of PPE is de-recognised upon disposal or when no future economic benefits are expected to arise from its use or disposal gain or loss arising on the disposal or retirement of an item of PPE is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in the Statement of Profit and Loss.

3.5 Leases**(i) Company as a lessee**

The Company has adopted Ind AS 116-Leases effective 1st April, 2019, using the modified retrospective method. The Company has applied the standard to its leases with the cumulative impact recognised on the date of initial application (1st April, 2019). Accordingly, previous period information has not been restated.

Notes to Standalone Financial Statements for the year ended March 31, 2020 (Contd.)

The Company's lease asset classes primarily consist of leases for Land and Buildings. The Company assesses whether a contract is or contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether:

1. the contract involves the use of an identified asset
2. the Company has substantially all of the economic benefits from use of the asset through the period of the lease and
3. the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognises a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short term leases) and leases of low value assets. For these short term and leases of low value assets, the Company recognises the lease payments as an operating expense on a straight line basis over the term of the lease.

The right-of-use assets are initially recognised at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses, if any. Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset.

The lease liability is initially measured at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates. The lease liability is subsequently remeasured by increasing the carrying amount to reflect interest on the lease liability, reducing the carrying amount to reflect the lease payments made.

A lease liability is remeasured upon the occurrence of certain events such as a change in the lease term or a change in an index or rate used to determine lease payments. The remeasurement normally also adjusts the leased assets.

Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

(ii) Company as a lessor

1. Finance Lease

Leases which effectively transfer to the lessee substantially all the risks and benefits incidental to ownership of the leased item are classified and accounted for as finance lease. Lease rental receipts are apportioned between the finance income and capital repayment based on the implicit rate of return. Contingent rents are recognized as revenue in the period in which they are earned.

2. Operating Lease

Leases in which the Company does not transfer substantially all the risks and rewards of ownership of an asset are classified as operating leases. Rental income from operating leases is recognized on a straight-line basis over the term of the relevant lease except where scheduled increase in rent compensates the Company with expected inflationary costs.

3.6 Impairment of Tangible and Intangible Assets

Tangible and Intangible assets are reviewed at each balance sheet date for impairment. In case events and circumstances indicate any impairment, recoverable amount of assets is determined. An impairment loss is recognized in the statement of profit and loss, whenever the carrying amount of assets either belonging to Cash Generating Unit (CGU) or otherwise exceeds recoverable amount. The recoverable amount is the higher of assets' fair value less cost of disposal and its value in use. In assessing value in use, the estimated future cash flows from the use of the assets are discounted to their present value at appropriate rate.

Impairment losses recognized earlier may no longer exist or may have come down. Based on such assessment at each reporting period the impairment loss is reversed and recognized in the Statement of Profit and Loss. In such cases the carrying amount of the asset is increased to the lower of its recoverable amount and the carrying amount that have been determined, net of depreciation, had no impairment loss been recognized for the asset in prior years.

Notes to Standalone Financial Statements for the year ended March 31, 2020 (Contd.)

3.7 Financial Assets and Financial Liabilities

Financial assets and financial liabilities (financial instruments) are recognised when the Company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in the Statement of Profit and Loss.

The financial assets and financial liabilities are classified as current if they are expected to be realised or settled within operating cycle of the company or otherwise these are classified as non-current.

The classification of financial instruments whether to be measured at Amortized Cost, at Fair Value through Profit and Loss (FVTPL) or at Fair Value through Other Comprehensive Income (FVTOCI) depends on the objective and contractual terms to which they relate. Classification of financial instruments are determined on initial recognition.

(i) Cash and cash equivalents

All highly liquid financial instruments, which are readily convertible into determinable amounts of cash and which are subject to an insignificant risk of change in value and are having original maturities of three months or less from the date of purchase, are considered as cash equivalents. Cash and cash equivalents includes balances with banks which are unrestricted for withdrawal and usage.

(ii) Financial Assets and Financial Liabilities measured at amortised cost

Financial Assets held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding are measured at amortized cost.

The above Financial Assets and Financial Liabilities subsequent to initial recognition are measured at amortized cost using Effective Interest Rate (EIR) method.

The effective interest rate is the rate that discounts estimated future cash payments or receipts (including all fees and points paid or received, transaction costs and other premiums or discounts) through the expected life of the Financial Asset or Financial Liability to the gross carrying amount of the financial asset or to the amortised cost of financial liability, or, where appropriate, a shorter period, to the net carrying amount on initial recognition.

(iii) Financial Asset at Fair Value through Other Comprehensive Income (FVTOCI)

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Subsequent to initial recognition, they are measured at fair value and changes therein are recognised directly in other comprehensive income.

(iv) For the purpose of para (ii) and (iii) above, principal is the fair value of the financial asset at initial recognition and interest consists of consideration for the time value of money and associated credit risk.

(v) Financial Assets or Liabilities at Fair value through profit or loss

Financial Instruments which does not meet the criteria of amortised cost or fair value through other comprehensive income are classified as Fair Value through Profit or loss. These are recognised at fair value and changes therein are recognized in the statement of profit and loss.

(vi) Equity Instruments measured at FVTOCI and FVTPL

Equity instruments which are, held for trading are classified as at FVTPL are measured at Fair Value as per Ind AS 109. For all other equity instruments, the company may make an irrevocable election to present in other comprehensive income subsequent changes in the

Notes to Standalone Financial Statements for the year ended March 31, 2020 (Contd.)

fair value. The company makes such election on an instrument-by instrument basis. The classification is made on initial recognition and is irrevocable. In case the company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to Profit and Loss, even on sale of investment.

(vii) Investment in Subsidiaries, Associates and Joint Ventures

Investments in subsidiaries, associates and joint ventures are carried at cost less accumulated impairment losses, if any. Where an indication of impairment exists, the carrying amount of the investment is assessed and written down immediately to its recoverable amount. On disposal of investments in subsidiaries or the loss of significant influence over associates, the difference between net disposal proceeds and the carrying amounts are recognized in the statement of profit and loss.

(viii) Derivative and Hedge Accounting

The company enters into derivative financial instruments such as foreign exchange forward, swap and option contracts to mitigate the risk of changes in foreign exchange rates in respect of financial instruments and forecasted cash flows denominated in certain foreign currencies. The Company uses hedging instruments which provide principles on the use of such financial derivatives consistent with the risk management strategy of the Company. The hedge instruments are designated and documented as hedges and effectiveness of hedge instruments to reduce the risk associated with the exposure being hedged is assessed and measured at inception and on an ongoing basis.

Any derivative that is either not designated as a hedge, or is so designated but is ineffective as per Ind AS 109 "Financial Instruments", is categorized as a financial asset, at fair value through profit or loss. Transaction costs attributable are also recognized in Statement of profit and loss. Changes in the fair value of the derivative hedging instrument designated as a fair value hedge are recognized in the Statement of profit and loss.

Changes in the fair value of the derivative hedging instrument designated as a cash flow hedge are recognized in other comprehensive income and presented within equity as cash flow hedging reserve to the extent that the hedge is effective.

If the hedging instrument no longer meets the criteria for hedge accounting, expires or is sold, terminated or exercised, then hedge accounting is discontinued prospectively. Any gain or loss recognised in other comprehensive income and accumulated in equity till that time remains and thereafter to the extent hedge accounting being discontinued is recognised in Statement of profit and loss. When a forecasted transaction is no longer expected to occur, the cumulative gain or loss accumulated in equity is transferred to the Statement of profit and loss.

(ix) Impairment of financial assets

A financial asset is assessed for impairment at each balance sheet date. A financial asset is considered to be impaired if objective evidence indicates that one or more events have had a negative effect on the estimated future cash flows of that asset.

The company measures the loss allowance for a financial asset at an amount equal to the lifetime expected credit losses if the credit risk on that financial instrument has increased significantly since initial recognition. If the credit risk on a financial instrument has not increased significantly since initial recognition, the company measures the loss allowance for that financial instrument at an amount equal to 12-month expected credit losses.

However, for trade receivables or contract assets that result in relation to revenue from contracts with customers, the company measures the loss allowance at an amount equal to lifetime expected credit losses.

(x) Derecognition of financial instruments

The Company derecognizes a financial asset or a group of financial assets when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party.

On derecognition of a financial asset (except for equity instruments designated as FVTOCI), the difference between the asset's carrying amount and the sum of the consideration received and receivable are recognized in statement of profit and loss.

On derecognition of assets measured at FVTOCI the cumulative gain or loss previously recognised in other comprehensive income is reclassified from equity to profit or loss as a reclassification adjustment.

Financial liabilities are derecognized if the Company's obligations specified in the contract expire or are discharged or cancelled. The

Notes to Standalone Financial Statements for the year ended March 31, 2020 (Contd.)

difference between the carrying amount of the financial liability derecognized and the consideration paid and payable is recognized in Statement of Profit and Loss.

(xi) Financial Guarantee Contracts

Financial guarantee contracts issued by the company are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognized initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirement of Ind AS 109 and the amount recognized less cumulative amortization.

3.8 Inventories

Inventories are valued at lower of cost or net realisable value. Cost of inventories is ascertained on 'weighted average' basis. Materials and other supplies held for use in the production of inventories are not written down below cost if the related finished products are expected to be sold at or above cost.

Cost in respect of raw materials and stores and spares includes expenses incidental to procurement of the same. Cost in respect of finished goods represents prime cost, and includes appropriate portion of overheads.

Cost in respect of process stock represents, cost incurred up to the stage of completion.

Cost in respect of work-in-progress represents cost of materials remaining uncertified / incomplete under the Turnkey Contracts undertaken by the Company.

Net Realizable Value is the estimated selling price in the ordinary course of business less estimated cost of completion and the estimated cost necessary to make the sale.

3.9 Foreign Currency Transactions

Foreign currency transactions are translated into the functional currency using the spot rates of exchanges at the dates of the transactions. Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency spot rate of exchanges at the reporting date.

Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities are generally recognized in profit or loss in the year in which they arise except for exchange differences on foreign currency borrowings relating to assets under construction for future productive use, which are included in the cost of those qualifying assets when they are regarded as an adjustment to interest costs on those foreign currency borrowings, the balance is presented in the Statement of Profit and Loss within finance costs.

Non monetary items which are carried in terms of historical cost denominated in foreign currency, are reported using the exchange rate as at the date of transaction.

The Company had opted for accounting the exchange differences arising on reporting of long term foreign currency monetary items in line with Companies (Accounting Standards) Amendment Rules 2009 relating to Accounting Standard-11 notified by Government of India on 31st March, 2009 (as amended on 29th December 2011), which will be continued in accordance with Ind-AS 101 for all pre-existing long term foreign currency monetary items as at 31st March 2016. Accordingly, exchange differences relating to long term monetary items, arising during the year, in so far as they relate to the acquisition of fixed assets, are adjusted in the carrying amount of such assets.

3.10 Equity Share Capital

An equity instrument is a contract that evidences residual interest in the assets of the company after deducting all of its liabilities. Par value of the equity shares is recorded as share capital and the amount received in excess of par value is classified as Securities Premium.

Costs directly attributable to the issue of ordinary shares are recognised as a deduction from equity, net of any tax effects.

3.11 Provisions, Contingent Liabilities and Contingent Assets

Provisions involving substantial degree of estimation in measurement are recognized when there is a legal or constructive obligation as a result of past events and it is probable that there will be an outflow of resources and a reliable estimate can be made of the amount of obligation. Provisions are not recognised for future operating losses. The amount recognized as a provision is the best estimate of the

Notes to Standalone Financial Statements for the year ended March 31, 2020 (Contd.)

consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation.

Contingent liabilities are not recognized and are disclosed by way of notes to the financial statements when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or when there is a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the same or a reliable estimate of the amount in this respect cannot be made.

Contingent assets are not recognised but disclosed in the Financial Statements by way of notes to accounts when an inflow of economic benefits is probable.

3.12 Employee Benefits

Short Term Benefits

Short term employee benefit obligations are measured on an undiscounted basis and are expensed as the related services are provided. Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within twelve months after the end of the period in which the employees render the related service are recognized in respect of employees' services up to the end of the reporting period.

Other Long Term Employee Benefits

The liabilities for leave encashment that are not expected to be settled wholly within twelve months are measured as the present value of the expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the government securities (G-Sec) at the end of the reporting period that have terms approximating to the terms of related obligation. Remeasurements as the result of experience adjustment and changes in actuarial assumptions are recognized in statement of profit and loss.

Post Employment Benefits

The Company operates the following post employment schemes:

— Defined Benefit Plans

The liability or asset recognized in the Balance Sheet in respect of defined benefit plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The Company's net obligation in respect of defined benefit plans is calculated separately for each plan by estimating the amount of future benefit that employees have earned in the current and prior periods.

The defined benefit obligation is calculated annually by Actuaries using the projected unit credit method.

The liability recognized for defined benefit plans is the present value of the defined benefit obligation at the reporting date less the fair value of plan assets, together with adjustments for unrecognized actuarial gains or losses and past service costs. The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. The benefits are discounted using the government securities (G-Sec) at the end of the reporting period that have terms approximating to the terms of related obligation.

Remeasurements of the net defined benefit obligation, which comprise actuarial gains and losses, the return on plan assets (excluding interest) and the effect of the asset ceiling, are recognized in other comprehensive income. Remeasurement recognized in other comprehensive income is reflected immediately in retained earnings and will not be reclassified to the statement of profit and loss.

— Defined Contribution Plan

Defined contribution plans such as provident fund etc are charged to the statement of profit and loss as and when incurred. Contribution to Superannuation fund, a defined contribution plan is made in accordance with the company's policy and is recognised in the Statement of profit and loss.

3.13 Revenue

Revenue from contract with customers is recognized when the Company satisfies performance obligation by transferring promised goods and services to the customer. Performance obligations are satisfied at a point of time or over a period of time. Performance obligations satisfied over a period of time are recognized as per the terms of relevant contractual agreements/ arrangements. Performance obligations are said to be satisfied at a point of time when the customer obtains controls of the asset.

Notes to Standalone Financial Statements for the year ended March 31, 2020 (Contd.)

Revenue is measured based on transaction price, which is the fair value of the consideration received or receivable, stated net of discounts, returns and value added tax. Transaction price is recognized based on the price specified in the contract, net of the estimated sales incentives/ discounts. Accumulated experience is used to estimate and provide for the discounts/ right of return, using the expected value method.

A refund liability is recognized for expected returns in relation to sales made corresponding assets are recognized for the products expected to be returned.

The Company recognises as an asset, the incremental costs of obtaining a contract with a customer, if the Company expects to recover those costs. The said asset is amortised on a systematic basis consistent with the transfer of goods or services to the customer.

3.14 Borrowing Costs

Borrowing cost comprises of interest and other costs incurred in connection with the borrowing of the funds. All borrowing costs are recognized in the Statement of Profit and Loss using the effective interest method except to the extent attributable to qualifying Property Plant Equipment (PPE) which are capitalized to the cost of the related assets. A qualifying PPE is an asset, that necessarily takes a substantial period of time to get ready for its intended use or sale. Borrowing cost also includes exchange differences to the extent considered as an adjustment to the borrowing costs.

3.15 Non-current assets (or disposal groups) held for sale and discontinued operations

Non-current assets (or disposal groups) are classified as held for sale if their carrying amount will be recovered principally through a sale transaction rather than through continuing use and a sale is considered highly probable. They are measured at the lower of the carrying amount and the fair value less cost to sell.

An impairment loss is recognized for any initial or subsequent write-down of the asset (or disposal group) to fair value less costs to sell. A gain is recognized for any subsequent increases in fair value less costs to sell of an asset (or disposal group), but not in excess of any cumulative impairment loss previously recognized. A gain or loss not previously recognized by the date of the sale of the non-current asset (or disposal group) is recognized at the date of de-recognition.

Non-current assets (including those that are part of a disposal group) are not depreciated or amortized while they are classified as held for sale. Non-current assets (or disposal group) classified as held for sale are presented separately in the balance sheet. Any profit or loss arising from the sale or remeasurement of discontinued operations is presented as part of a single line item in statement of profit and loss.

3.16 Government Grants

Government grants are recognized on systematic basis when there is reasonable certainty of realization of the same. Revenue grants including subsidy/rebates are credited to Statement of Profit and Loss Account under "Other Income" or deducted from the related expenses for the period to which these are related. Grants which are meant for purchase, construction or otherwise acquire non current assets are recognized as Deferred Income and disclosed under Non Current Liabilities and transferred to Statement of Profit and Loss on a systematic basis over the useful life of the respective asset. Grants relating to non-depreciable assets is transferred to Statement of Profit and Loss over the periods that bear the cost of meeting the obligations related to such grants.

3.17 Taxes on Income

Income tax expense representing the sum of current tax expenses and the net charge of the deferred taxes is recognized in the Statement of Profit and Loss except to the extent that it relates to items recognized directly in equity or other comprehensive income.

Current income tax is provided on the taxable income and recognized at the amount expected to be paid to or recovered from the tax authorities, using the tax rates and tax laws that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the Financial Statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognized for all taxable temporary differences. Deferred tax assets are generally recognized for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Notes to Standalone Financial Statements for the year ended March 31, 2020 (Contd.)

Deferred tax assets include Minimum Alternative Tax (MAT) measured in accordance with the tax laws in India, which is likely to give future economic benefits in the form of availability of set off against future income tax liability and such benefit can be measured reliably and it is probable that the future economic benefit associated with same will be realized.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the deferred tax asset to be utilized.

3.18 Earnings Per Share

Basic earnings per share are computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares outstanding during the period. Diluted earnings per share is computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares considered for deriving basic earnings per share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

3.19 Segment Reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker. The chief operating decision maker of the Company is responsible for allocating resources and assessing performance of the operating segments and accordingly is identified as the chief operating decision maker.

The Company has identified one reportable segment "Pipes and all other activities revolve around the main business" based on the information reviewed by the CODM.

3.20 Business Combination

Common control business combination where the Company is transferee, is accounted using the pooling of interest method. Assets and liabilities of the combining entities are reflected at their carrying amounts and no new asset or liability is recognised other than those adjustments that are made are to harmonise accounting policies. Identity of reserves of the transferor company is preserved by reflecting them in the same form in the Company's financial statements in which they appeared in the financial statement of the transferor company. The excess between the amounts of consideration paid over the share capital of the transferor company is recognised and disclosed as capital reserve on business combination.

The financial information in the financial statements in respect of prior periods is restated from the beginning of the preceding period in the financial statements if the business combination date is prior to that date. However, if business combination date is after that date, the financial information in the financial statements is restated from the date of business combination.

4. Critical accounting judgments, assumptions and key sources of estimation and uncertainty

The preparation of the financial statements in conformity with the measurement principle of Ind AS requires management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Differences between the actual results and estimates are recognized in the year in which the results are known / materialized and, if material, their effects are disclosed in the notes to the financial statements.

Application of accounting policies that require significant areas of estimation, uncertainty and critical judgments and the use of assumptions in the financial statements have been disclosed below. The key assumptions concerning the future and other key sources of estimation uncertainty at the balance sheet date, that have a significant risk of causing a material adjustment to the carrying amount of assets and liabilities within the next financial year are discussed below:

4.1 Depreciation / amortization and impairment on property, plant and equipment / intangible assets.

Property, plant and equipment and intangible assets are depreciated/ amortized on straight-line /written down value basis over the estimated useful lives (or lease term if shorter) in accordance with Schedule II of the Companies Act, 2013, taking into account the estimated residual value, wherever applicable.

Notes to Standalone Financial Statements for the year ended March 31, 2020 (Contd.)

The company reviews its carrying value of its Tangible and Intangible Assets whenever there is objective evidence that the assets are impaired. In such situation Assets' recoverable amount is estimated which is higher an asset's or cash generating units (CGU) fair value less cost of disposal and its value in use. In assessing value in use the estimated future cash flows are discounted using pre-tax discount rate which reflect the current assessment of time value of money. In determining fair value less cost of disposal, recent market realisations are considered or otherwise in absence of such transactions appropriate valuations are adopted. The Company reviews the estimated useful lives of the assets regularly in order to determine the amount of depreciation / amortization and amount of impairment expense to be recorded during any reporting period. This reassessment may result in change estimated in future periods.

4.2 Impairment on Investments in Subsidiaries, Associates and Joint Ventures

Investments in Subsidiaries, Associates and Joint Ventures are being carried at cost or deemed cost. The company has tested for impairment at year end based on the market value where the shares are quoted, P/E ratio of similar sector company along with premium/discount for nature of holding and Net Asset Value computed with reference to the book value/ projected discounted cash flow of such company in respect of unquoted investments.

4.3 Right-of-use assets and lease liability

The Company has exercised judgement in determining the lease term as the noncancellable term of the lease, together with the impact of options to extend or terminate the lease if it is reasonably certain to be exercised.

Where the rate implicit in the lease is not readily available, an incremental borrowing rate is applied. This incremental borrowing rate reflects the rate of interest that the lessee would have to pay to borrow over a similar term, with a similar security, the funds necessary to obtain an asset of a similar nature and value to the right-of-use asset in a similar economic environment. Determination of the incremental borrowing rate requires estimation.

4.4 Claims and Compensation

Claims including insurance claims are accounted for on determination of certainty of realisation thereof. Compensation receivable against acquisition of coal mine (Refer Note No. 47) pending final acceptance or settlement thereof even though has not been given effect to, as amount expected to be realised in this respect has been considered to be covering the carrying amount of the relevant assets and other recoverables.

4.5 Impairment allowances for on trade receivables

The Company evaluates whether there is any objective evidence that trade receivables are impaired and determines the amount of impairment allowance as a result of the inability of the customers to make required payments. The Company bases the estimates on the ageing of the trade receivables balance, credit-worthiness of the trade receivables and historical write-off experience.

4.6 Income taxes

Significant judgment is required in determination of taxability of certain income and deductibility of certain expenses during the estimation of the provision for income taxes.

4.7 Defined benefit obligation (DBO)

Critical estimate of the DBO involves a number of critical underlying assumptions such as standard rates of inflation, mortality, discount rate, anticipation of future salary increases etc. as estimated by Independent Actuary appointed for this purpose by the Management. Variation in these assumptions may significantly impact the DBO amount and the annual defined benefit expenses.

4.8 Provisions and Contingencies

Provisions and liabilities are recognized in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events and the amount of cash outflow can be reliably estimated. The timing of recognition and quantification of the liability requires the application of judgement to existing facts and circumstances, which can be subject to change.

Management judgment is required for estimating the possible outflow of resources, if any, in respect of contingencies/claim/litigations/ against the Company as it is not possible to predict the outcome of pending matters with accuracy.

The carrying amounts of provisions and liabilities and estimation for contingencies are reviewed regularly and revised to take account of changing facts and circumstances.

8.2 The Company has investment of Rs.30.00 lakhs (previous year Rs.30.00 lakhs) in equity shares and given advance of Rs.7,00.00 lakhs (previous year Rs.7,00.00 lakhs) against equity to Domco Private Limited (DPL), a Company incorporated in India, and has joint control (proportion of ownership interest of the Company being 50%) over DPL along with other venturers (the Venturers) in terms of the Shareholder's Agreement dated March 27, 2004. The Venturers had filed a petition before the Company Law Board, Principal Bench, New Delhi (CLB) against the Company against operation and mismanagement of the company inter alia on various matters including for forfeiture of the Company's investment in equity shares of the DPL. The matter was later transferred to the Company Law Board, Kolkata Bench and is now being taken up by the National Company Law Tribunal, Kolkata Bench. The Company had also inter alia filed an arbitration proceeding under Arbitration & Conciliation Act, 1996 against recovery of the said amount against which the ventures also filed their counter claims on the company. The matter is sub judice before the NCLT.

Notes to Standalone Financial Statements for the year ended March 31, 2020 (Contd.)

(Amount Rs. in lakhs)

Pending final outcome of the above matter, the amounts in equity shares and advance have been fully provided for in the financial statements in the earlier years. The other venturers since not providing the financial statements of DPL, and thereby necessary disclosures could not be provided in these financial statements.

- 8.3 (a) The North Dhadhu Coal Block located in the state of Jharkhand was allocated to the Company, Adhunik Alloys & Power Limited (AAP), Jharkhand Ispat Pvt. Ltd. (JPL) and Pawanjay Steel & Power Limited (PSPL) (collectively referred to as venturers) for working through North Dhadhu Mining Company Private Limited (NDMCPL), a joint venture company. The Company has joint control (proportion of ownership interest of the Company being 48.98 %) along with other venturers represented by investment of Rs. 8,22.81 lakhs in equity shares of NDMCPL.
- (b) In pursuance of the Order dated September 24, 2014 issued by the Hon'ble Supreme Court of India (the Order) followed by the Ordinance promulgated by the Government of India, Ministry of Law & Justice (legislative department) dated October 21, 2014 (Ordinance) for implementing the Order, The Ministry of Coal, Government of India had issued an order for de-allocation of North Dhadhu Coal Block and deduction of Bank Guarantee of Rs.56,03.00 lakhs issued for the same. The Company's share in the Bank Guarantee is Rs.27,45.00 lakhs. On a writ petition filed by the Company for quashing the order, stay in the matter together with encashment of bank guarantee has been granted by the Hon'ble High Court of Jharkhand. The Company has also submitted its claim for compensation which is awaiting acceptance. In the view of the management the compensation to be received in terms of ordinance is expected to cover the cost incurred by the Joint venture company. However as an abundant precaution, impairment in the value of the investment amounting to Rs. 822.81 lakhs in Joint venture has been provided in the previous year. In view of stay order by High Court, no provision in the share of bank guarantee has been considered necessary.
- 8.4 Particulars of investments as required in terms of section 186(4) of the Companies Act, 2013 have been disclosed under note 8, 8A & 13.

8A.1 17334999 Equity shares (Previous year 17334999) of Rs 10/- each fully paid up of Electrosteel Steels Limited (ESL) have been pledged in favour of lenders of Electrosteel Steels Limited for securing financial assistance to ESL.

8A.2 Due to delisting of Electrosteel Steels Limited (ESL) and in absence of other available ways of valuation, the Company has continued to consider the exit price, which was open till December 20, 2019, as the basis of valuation of investment in ESL. Further the notices issued by the consortium of lenders of ESL for invocation of pledge of company's investment of 17334999 equity shares of Rs. 10 each in ESL amounting to Rs. 1653.76 lakhs was set aside by the Hon'ble High Court at Calcutta. The plea of the Company for release of the pledge is pending before the Hon'ble Court.

Furthermore during the previous period the party, in whose favour rights of mortgage of certain Land & Building amounting to Rs. 2,95,54.62 lakhs of the Company situated at Elavur, Tamilnadu, were assigned by a lender of the ESL, has taken the symbolic possession of said mortgaged property and the same was contested by the Company before Hon'ble Madras High Court. On disposal of Company's application by the Hon'ble High Court, the Company has preferred an appeal before Commercial Appellate, Hon'ble High Court at Madras and the matter is subjudice. Pending finalization of the matter, these assets have been carried forward at their carrying book value.

8A.3 The Company has made an irrevocable decision to consider investment in equity instruments, other than in Subsidiaries, Associates and Joint ventures not held for trading to be recognized at FVTOCI.

b) **Fair Valuation Techniques**

The fair values of the financial assets and liabilities are included at the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The following methods and assumptions were used to estimate the fair values:

- The fair value of cash and cash equivalents, current trade receivables and payables, current loans, current financial liabilities and assets and borrowings approximate their carrying amount largely due to the short-term nature of these instruments. The management considers that the carrying amounts of financial assets and financial liabilities recognised at nominal cost/amortised cost in the financial statements approximate their fair values. In respect of non current trade receivables and loans, fair value is determined by using discount rates that reflect the present borrowing rate of the company.
- A substantial portion of the company's long-term debt has been contracted at floating rates of interest, which are reset at short intervals. Fair value of variable interest rate borrowings approximates their carrying value subject to adjustments made for transaction cost. In respect of fixed interest rate borrowings, fair value is determined by using discount rates that reflects the present prevailing rates for similar borrowing in the market.
- Investments (other than Investments in Associates, Joint Venture and Subsidiaries) traded in active market are determined by reference to the quotes from the Stock exchanges as at the reporting date. Quoted Investments for which quotations are not available have been included in the market value at the face value/paid up value, whichever is lower except in case of debentures, bonds and government securities where the net present value at current yield to maturity have been considered. Unquoted investments in shares have been valued based on the historical net asset value as per the latest audited financial statements and wherever the same is not available, alternate available inputs are considered for the purpose of valuations.
- The fair value of derivative financial instruments is determined based on observable market inputs including currency spot and forward rates, yield curves, currency volatility etc. These derivatives are estimated by using the pricing models, where the inputs to those models are based on readily observable market parameters, contractual terms, period to maturity, maturity parameters and foreign exchange rates. These models

Notes to Standalone Financial Statements for the year ended March 31, 2020 (Contd.)

do not contain a high level of subjectivity as the valuation techniques used do not require significant judgement, and inputs thereto are readily observable from market rates. The said valuation has been carried out by the counter party with whom the contract has been entered with and management has evaluated the credit and non-performance risks associated with the counterparties and believes them to be insignificant and not requiring any credit adjustments.

c) Fair value hierarchy

1. The following table presents fair value hierarchy of assets and liabilities measured at fair value on a recurring basis as at balance sheet date:

(Amount Rs. in lakhs)

(*) Figures in round brackets () indicate figures as at March 31, 2019

2. During the year ended March 31, 2020 and March 31, 2019, there were no significant transfers between Level 1, Level 2 and Level 3.
3. The Inputs used in fair valuation measurement are as follows:
- Fair valuation of Financial assets and liabilities not within the operating cycle of the company is amortised based on the borrowing rate of the company.
 - Derivative financial instruments are valued based on quoted prices for similar assets and liabilities in active markets or inputs that are directly or indirectly observable in the marketplace. The inputs used for forward contracts are Forward foreign currency exchange rates and Interest rates to discount future cash flow.
 - Unquoted investments in equity shares have been valued based on the amount available to shareholder's as per the latest audited financial statements wherever available. Further, external observable inputs or assumptions have been used in such valuation of equity shares in other cases.

(d) Derivatives financial assets and liabilities:

The Company follows established risk management policies, including the use of derivatives to hedge its exposure to foreign currency fluctuations on foreign currency assets / liabilities. The counter party in these derivative instruments is a bank and the Company considers the risks of non-performance by the counterparty as non-material.

- (i) The following tables present the aggregate contracted principal amounts of the Company's derivative contracts outstanding:

(iv) The company had entered into USD INR Currency Swap to hedge both the principal and interest payments of the borrowing from bank amounting to USD 16.62 Mn. The critical terms of both the hedging instrument (i.e the Full currency swap) and the hedged item (i.e the borrowing) are closely aligned, thereby establishing an economic relationship between them. The Currency Swap is hence designated as hedging instrument in cash flow hedges. As the economic relationship ceased to exist during the previous year, cash flow hedge reserve has been transferred to statement of profit and loss during the year ended 31.03.2019.

(e) **Sale of Financial Assets**

In the normal course of business, the Company transfers its bill receivables to banks. Under the terms of the agreements, the Company surrenders control over the financial assets and the transfer is with recourse. Under arrangement with recourse, the company is obligated to repurchase the uncollected financial assets, subject to limits specified in the agreement with banks. As at March 31, 2020 and March 31, 2019 the maximum amount of recourse obligation in respect of financial assets are Rs 81,13.52 lakhs and Rs. 46,70.54 lakhs respectively.

(f) **Financial Risk Factors**

The Company's activities are exposed to variety of financial risks. The key financial risks includes market risk, credit risk and liquidity risk. The Company's focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance. The Board of Directors reviews and approves policies for managing these risks. The risks are governed by appropriate policies and procedures and accordingly financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives.

1. **Market Risk**

Market risk is the risk or uncertainty arising from possible market fluctuations resulting in variation in the fair value of future cash flows of a financial instrument. The major components of Market risks are currency risk, interest rate risk and other price risk. Financial instruments affected by market risk includes trade receivables, borrowings, investments and trade and other payables.

i) **Foreign Currency Risk**

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Company's exposure to the risk of changes in foreign exchange rates relates primarily to the Company's foreign currency denominated borrowings, trade receivables and trade or other payables.

The Company has adopted a comprehensive risk management review system wherein it actively hedges its foreign exchange exposures within defined parameters through use of hedging instruments such as forward contracts, options and swaps. The Company periodically reviews its risk management initiatives and also takes experts advice on regular basis on hedging strategy.

The carrying amount of various exposures to foreign currency as at the end of the reporting period are as follows:

As at March 31, 2020

(Amount Rs. in lakhs)

Particulars	Trade receivables	Loans and borrowings	Trade payables & Other Current Liabilities	Net Assets/ (Liabilities)
USD #	1,09,75.66	3,31,43.17	1,18,44.07	(3,40,11.58)

Trade receivables and Loans and Borrowings includes Rs 6,81.94 lakhs towards bill discounting.

**Notes to Standalone Financial Statements** for the year ended March 31, 2020 (Contd.)

As at March 31, 2019

(Amount Rs. in lakhs)

Particulars	Trade receivables	Loans and borrowings	Trade payables & Other Current Liabilities	Net Assets/ (Liabilities)
USD #	1,04,09.31	4,79,05.40	2,57,39.87	(6,32,35.96)
EURO	1,53,83.23	-	74.50	1,53,08.73
GBP	58,08.29	-	25.41	57,82.88
SGD	15,94.27	-	-	15,94.27
AED	-	-	0.83	(0.83)
TOTAL	3,31,95.10	4,79,05.40	2,58,40.61	(4,05,50.91)

Trade receivables and Loans and Borrowings includes Rs 3,36.83 lakhs towards bill discounting.

Derivative financial assets and liabilities dealing with outstanding derivative contracts and unhedged foreign currency exposure has been detailed in earlier parts. Unhedged foreign currency exposure is primarily on account of long term foreign currency borrowings for which hedge cover is taken as per the policy followed by the company depending upon the remaining period of maturity of the installments falling due for payment.

The following table demonstrates the sensitivity in the USD, Euro, GBP and other currencies to the Indian Rupee with all other variables held constant. The impact on the Company's profit/(loss) before tax in the fair value of monetary assets and liabilities is given below:

(Amount Rs. in lakhs)

Particulars	Effect on Profit before tax	
	For the year ended March 31, 2020	For the year ended March 31, 2019
RECEIVABLES (Weaking of INR by 5%)		
USD	5,75.77	2,73.77
EURO	66.53	-
GBP	15.83	-
SGD	17.46	3.30
PAYABLES (Weaking of INR by 5%)		
USD	(9,93.47)	(10,35.03)
EURO	(7.14)	(3.73)
GBP	(2.54)	(1.27)
SGD	(0.45)	-
AED	(0.02)	-
AUD	(0.12)	-

A 5% strengthening of INR would have an equal and opposite effect on the Company's financial statements. Sensitivity includes fluctuation towards cross currency exposures also.

ii) **Interest rate risk**

The company's exposure in market risk relating to change in interest rate primarily arises from floating rate borrowing with banks and financial institutions. Borrowings at fixed interest rate exposes the company to the fair value interest rate risk. The Company has entered into interest rate swap contracts in respect of certain foreign currency borrowings whereby interest at an agreed rate are to be applied on agreed upon principal amount. The company maintains a portfolio mix of fixed and floating rate borrowings. As at March 31, 2020, after taking into account interest rate swaps, approximately 37.63% (March 31, 2019: 43.30%) of the company's borrowings become fixed rate interest borrowing.

Further there are deposits with banks which are for short term period are exposed to interest rate risk, falling due for renewal. These deposits are however generally for trade purposes as such do not cause material implication.

Notes to Standalone Financial Statements for the year ended March 31, 2020 (Contd.)

With all other variables held constant, the following table demonstrates the impact of the borrowing cost on floating rate portion of loans and borrowings and excluding loans on which interest rate swaps are taken.

(Amount Rs. in lakhs)

Nature of Borrowing	Increase in basis points	For the year ended March 31, 2020	For the year ended March 31, 2019
Rupee Loan	+0.50	4,40.22	4,39.57
Foreign Currency Loan	+0.25	18.79	9.63

A decrease in 0.50 basis point in Rupee Loan and 0.25 basis point in Foreign Currency Loan would have an equal and opposite effect on the Company's financial statements.

iii) Other price risk

The Company's equity exposure in Subsidiaries, Associates and Joint Ventures are carried at cost or deemed cost and these are subject to impairment testing as per the policy followed in this respect. The company's current investments which are fair valued through profit and loss are not material. Accordingly, other price risk of the financial instrument to which the company is exposed is not expected to be material.

2. Credit Risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables). The management has a credit policy in place and the exposure to credit risk is monitored on an ongoing basis. Major water infrastructure projects are Government funded or foreign aided and the risk involved in payment default is minimum with respect to these customers. Besides, export receivables are primarily from subsidiaries and sales made by them is covered under Credit Insurance. The Company periodically assesses the financial reliability of customers, taking into account the financial condition, current economic trends and ageing of accounts receivable. Individual risk limits are set accordingly and the company obtains necessary security including letter of credits and/or bank guarantee to mitigate.

The carrying amount of respective financial assets recognised in the financial statements, (net of impairment losses) represents the Company's maximum exposure to credit risk. The concentration of credit risk is limited due to the customer base being large and unrelated. Of the trade receivables balance at the end of the year (other than subsidiaries), there are no single customer accounted for more than 10% of the accounts receivable and 10% of revenue as at March 31, 2020 and March 31, 2019.

The Company extends credit to customers as per the internal credit policy. Any deviation are approved by appropriate authorities, after due consideration of the customers credentials and financial capacity, trade practices and prevailing business and economic conditions. The Company's historical experience of collecting receivables and the level of default indicate that credit risk is low and generally uniform across markets; consequently, trade receivables are considered to be a single class of financial assets. All overdue customer balances are evaluated taking into account the age of the dues, specific credit circumstances, the track record of the customers etc. Company computes credit loss allowance based on a matrix based historically observed default rates over the expected life of trade receivables and is adjusted for forward-looking estimates.

Financial assets that are neither past due nor impaired

Cash and cash equivalents, investment and deposits with banks are neither past due nor impaired. Cash and cash equivalents with banks are held with reputed and credit worthy banking institutions.

Financial assets that are past due but not impaired

Trade receivables amounts that are past due at the end of the reporting period against which no credit losses has been expected to arise.

3. Liquidity Risk

Liquidity risk is defined as the risk that the Company will not be able to settle or meet its obligations on time or at a reasonable price. The Company's objective is to maintain optimum level of liquidity to meet its cash and collateral requirements at all times. The company's assets represented by financial instruments comprising of receivables, and those relating to Parbatpur Coal mines (refer note no. 47) are largely funded by borrowed funds. The company relies on borrowings and internal accruals to meet its fund requirement. The current committed line of credit are sufficient to meet its short to medium term fund requirement.

**Notes to Standalone Financial Statements** for the year ended March 31, 2020 (Contd.)**i) Liquidity and interest risk tables**

The following tables detail the Company's remaining contractual maturity for its non-derivative financial liabilities with agreed repayment periods. The tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay. The tables include both interest and principal cash flows as at balance sheet date:

The above sensitivity analysis is based on a change in an assumption while holding all other assumptions constant. In practice, this is unlikely to occur, and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (projected unit credit method) has been applied as when calculating the defined benefit obligation recognised within the Balance Sheet.

- 47(a).** In pursuance of the Order dated September 24, 2014 issued by the Hon'ble Supreme Court of India (the Order) followed by the Ordinance promulgated by the Government of India, Ministry of Law & Justice (legislative department) dated October 21, 2014 (Ordinance) for implementing the Order, allotment of Parbatpur coal block (coal block/mines) to the Company which was under advanced stage of implementation, had been cancelled w.e.f. April 01, 2015. In terms of the Ordinance, the Company was allowed to continue the operations in the said block till March 31, 2015. Accordingly, the said block had been handed over to Bharat Coking Coal Limited (BCCL) as per the direction from Coal India Ltd. (CIL) with effect from April 01, 2015 and the same has been subsequently allotted to Steel Authority of India Limited (SAIL).

Following a petition filed by the Company, the Hon'ble High Court at Delhi had pronounced its judgement on March 09, 2017. Accordingly based on the said judgement, the Company has claimed Rs.15,31,76.00 lakhs towards compensation against the said coal block, acceptance whereof is awaited. Aggrieved due to delay in acceptance of claim and on a petition filed by the Company, the Hon'ble High Court had directed the Nominated Authority appointed under Ministry of Coal to determine the compensation. Earlier the Nominated Authority had upheld its decision of compensation already paid and the same was set aside by the Hon'ble High Court with a direction to the Nominated authority to reconsider. The Nominated authority further passed an order dated 11.11.2019 awarding an additional compensation of Rs. 1,80.00 lakhs and with a further direction to re-determine the value of certain assets by the appropriate authority. The Company has approached the newly appointed Nominated Authority/ Ministry of Coal to reconsider the compensation determined by the previous Nominated Authority vide its order dated 11.11.2019 and grant an opportunity to present its case and also exploring other possibilities.

Pending finalisation of the matter as above;

- Rs.12,88,84.11 lakhs incurred pertaining to the coal block till March 31, 2015 after setting off income, stocks etc. there against as per the accounting policy then followed by the Company has been continued to be shown as freehold land, capital work in progress, other fixed assets and other respective heads of account.
- Interest and other finance cost for the year ended March 31, 2016 against the fund borrowed and other expenses directly attributable in this respect amounting to Rs. 95,14.74 lakhs has been considered as other recoverable under current assets; and
- Compensation of Rs. 83,12.34 lakhs so far received and net realisations/claims against sale of assets, advances, input credits etc. amounting to Rs. 20,54.70 lakhs have been adjusted. Bank guarantee amounting to Rs. 9,20.00 lakhs (previous year Rs. 9,20.00 lakhs) has been given against the compensation received.

Disclosures of above balances as per Indian Accounting Standard and adjustments arising with respect to above will be given effect to on final acceptance/settlement of the claim.

Attention has been drawn by the Auditors' under the heading "Basis of Qualified Opinion" of the Auditors' Report to the following notes of the financial results for the quarter and year ended 31st March 2020 -

Sub Para (a): Note no. 4 in respect to cancellation of coal block allotted to the company in earlier years and non-recognition of the claims receipt thereof & non-carrying of any adjustment in the books of accounts for the reasons stated in the note. Pending finalisation of the matter & as the matter is sub-judice, disclosures as per Indian Accounting standard will be given effect on final settlement of the matter & the balances appearing in the books of accounts in respect to such coal block have been carried forward at their carrying cost and disclosed as capital work in progress, property plant & equipment, inventories and other heads of account. The impact and consequential adjustment thereof are not presently ascertainable.

Sub Para (b): Note No. 6 in respect to Company's investment amounting to Rs. 1653.76 lakhs in Electrosteel Steels Limited (ESL), the pledge of which was invoked by the lenders of ESL and the same has been set aside by the Hon'ble High Court at Calcutta. The plea of the company to release the pledge is pending before the Hon'ble Calcutta High Court. Further certain fixed assets of Elavur plant of the Company which are mortgaged in favour of a Lender of ESL, who has assigned their rights to another entity and the symbolic possession has been taken during the quarter ended June 30, 2019, has been disputed by the company as enumerated in the note. Above exposures have been carried forward at their existing carrying value & no impairment has been provided in respect to above and the impact of which is not presently ascertainable.

Sub Para (c): Note No 7 in respect to carry forward of claim recoverable amounting to Rs. 1778.11 Lakhs towards the compensation claimed from the Railway Authorities as mentioned in the note. The recovery of the same is dependent on the outcome of the arbitration process and is not presently ascertainable.

b. **Type of Audit Qualification:** Qualified Opinion / Disclaimer of Opinion / Adverse Opinion.

c. **Frequency of qualification:** Whether appeared first time / repetitive / since how long continuing – Note no. 4 since financial year 2014-15, Note no. 6 since financial year 2017-18 and Note no. 7 for the first time.

d. **For Audit Qualification(s) where the impact is quantified by the auditor, Management's Views:** N.A

e. **For Audit Qualification(s) where the impact is not quantified by the auditor:**

(i) **Management's estimation on the impact of audit qualification:** N.A

(ii) **If management is unable to estimate the impact, reasons for the same:**

Sub Para (a) – In pursuance of the Order dated September 24, 2014 issued by the Hon'ble Supreme Court of India (the Order) followed by the Ordinance promulgated by the Government of India, Ministry of Law & Justice (legislative department) dated October 21, 2014 (Ordinance) for implementing the Order, allotment of Parbatpur coal block (coal block/mines) to the Company which was under advanced stage of implementation, had been cancelled w.e.f. April 01, 2015. In terms of the Ordinance, the Company was allowed to continue the operations in the said block till March 31, 2015. Accordingly, the said block had been handed over to Bharat Coking Coal Limited (BCCL) as per the direction from Coal India Ltd. (CIL) with effect from April 01, 2015 and the same has been subsequently allotted to Steel Authority of India Limited (SAIL).

Following a petition filed by the Company, the Hon'ble High Court at Delhi had pronounced its judgement on March 09, 2017. Accordingly based on the said judgement, the Company has claimed Rs.153176.00 lakhs towards compensation against the said coal block, acceptance whereof is awaited. Aggrieved due to delay in acceptance of claim and on a petition filed by the Company, the Hon'ble High Court had directed the Nominated Authority appointed under Ministry of Coal to determine the compensation. Earlier the Nominated Authority had upheld its decision of compensation already paid and the same was set aside by the Hon'ble High Court with a direction to the Nominated authority to reconsider. The Nominated authority further passed an order dated 11.11.2019 awarding an additional compensation of Rs. 180 lakhs and with a further direction to re-determine the value of certain assets by the appropriate authority. The Company has approached the newly appointed Nominated Authority/ Ministry of Coal to reconsider the compensation determined by the previous Nominated Authority vide its order dated 11.11.2019 and grant an opportunity to present its case and also exploring other possibilities.

Pending finalisation of the matter as above;

- (i) Rs.128884.11 lakhs incurred pertaining to the coal block till March 31, 2015 after setting off income, stocks etc. there against as per the accounting policy then followed by the Company has been continued to be shown as freehold land, capital work in progress, other fixed assets and other respective heads of account;
- (ii) Interest and other finance cost for the year ended March 31, 2016 against the fund borrowed and other expenses directly attributable in this respect amounting to Rs. 9514.74 lakhs has been considered as other recoverable under current assets; and
- (iii) Compensation of Rs. 8312.34 lakhs so far received and net realisations/claims against sale of assets, advances, input credits etc. amounting to Rs. 2054.70 lakhs have been adjusted.

Disclosure as per Indian Accounting Standard and adjustments arising with respect to above will be given effect to on final acceptance/ settlement of the claim.

Sub Para (b) - In view of approved resolution plan as confirmed by Hon'ble National Company Law Appellate Tribunal (NCLAT) by its order dated August 10, 2018 and pursuant to issuance of additional Equity Shares by Electrosteel Steels Limited (ESL) for giving impact of the resolution plan, ESL had ceased to be an associate of the Company during the quarter ended June 30, 2018. To comply with the requirements of Ind AS 109 "Financial Instruments", the Company had fair valued the investment in ESL and a sum of Rs. 57868.38 lakhs representing difference between the carrying value of said investment and fair value on the date of change of status was considered as exceptional item in statement of Profit and Loss in the quarter ended June 30, 2018.

The Company had elected the option under the said Ind AS to present the subsequent fair value changes of the said investment through Other Comprehensive Income. Further in terms of the approved resolution plan, advances and trade receivable amounting to Rs. 21121.70 lakhs receivable from ESL was written off during the quarter ended September 2018 shown as exceptional item in the statement of Profit and Loss.

During the quarter ending December 2018, shares of ESL were delisted and Vedanta Star Limited (holding company of ESL) has made an exit offer to the shareholders of ESL at a price of Rs. 9.54 per share which was open till December 20, 2019. Due to delisting of Electrosteel Steels Limited (ESL) and in absence of other available ways of valuation, the Company has continued to consider the exit price, which was open till December 20, 2019, as the basis of valuation of Investment in ESL.

Further 1,73,34,999 equity shares of Rs. 10 each in ESL amounting to Rs. 1653.76 lakhs as on March 31, 2019 are pledged with the lenders of the ESL. The consortium of the lenders of ESL had issued notice for the invocation of pledged shares which has been disputed by the Company and on the plea filed by the Company, the Hon'ble High Court of Calcutta has set aside the notices issued by the lenders. The Company's plea for release of the pledge is pending before the Hon'ble Court.

One of the lenders of ESL in whose favour the Company had mortgaged certain Land & Building amounting to Rs. 29571.05 lakhs of the Company situated at Elavur, Tamilnadu, has assigned its rights in favour of another entity which has been disputed by the company. Pending settlement of the matter, these assets have been carried forward at their carrying book value.

Sub Para (c): As reported earlier, the Railway Authorities had withdrawn the permission of operation of Railway siding under construction which is situated at Haldia, West Bengal. The company has claimed the compensation from the Railway Authorities for the amount incurred for the said siding which was denied and the matter is under arbitration based on the direction of Hon'ble High Court at Kolkata. Pending arbitration proceedings, the company has recognised a charge of Rs. 2318.35 lakhs during the quarter and a balance amounting to Rs. 1778.11 lakhs have been considered recoverable by the management of the company and shown as "Other Financial Assets" under the "Current Assets".

CONSOLIDATED FINANCIAL STATEMENTS

Independent Auditors' Report

To the Members of Electrosteel Castings Limited Report on the Audit of Consolidated Financial Statements

Qualified Opinion

We have audited the accompanying consolidated financial statements of **Electrosteel Castings Limited** ("herein referred to as the Holding Company"), and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group"), its associates and joint ventures comprising the consolidated balance sheet as at March 31, 2020, the consolidated statement of profit and loss including the statement of other comprehensive income, consolidated statement of cash flow and the consolidated statement of changes in equity for the year then ended, and notes to the consolidated financial statement including a summary of significant accounting policies and other explanatory notes for the year ended on that date (hereinafter referred to as "consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the reports of other auditors on separate financial statements of the subsidiaries, Associates & Joint Ventures referred to in the other matter paragraph section below, except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standard) Rules 2015, as amended (Ind As) and other accounting principles generally accepted in India, of the state of affairs (financial position) of the Group, its associates and joint ventures as at 31st March, 2020, and their consolidated profit (financial performance including other comprehensive income) and its consolidated statement cash flows and the consolidated statement of changes in equity for the year ended on that date.

Basis for Qualified Opinion

Attention is drawn to the following notes to the accompanying consolidated financial statements:

- a) Note no. 49 in respect to cancellation of coal block allotted to the company in earlier years and non-recognition of the claims receipt thereof and non-carrying of any adjustment in the books of accounts for the reasons stated in the note. Pending finalisation of the matter and as the matter is sub judice, disclosures as per Indian Accounting standard will be given effect on final settlement of the matter and the balances appearing in the books of accounts in respect to such coal block have been carried forward at their carrying cost and disclosed as capital work in progress, property plant & equipment, inventories and other heads of account. The impact and consequential adjustment thereof are not presently ascertainable.

- b) Note No. 8A.2 in respect to Company's investment amounting to Rs. 1653.76 lakhs in Electrosteel Steels Limited (ESL), the pledge of which was invoked by the lenders of ESL and the same has been set aside by the Hon'ble High Court at Calcutta. The plea of the company to release the pledge is pending before the Hon'ble High Court at Calcutta. Further certain fixed assets of Elavur plant of the Company which are mortgaged in favour of a Lender of ESL, who has assigned their rights to another entity and the symbolic possession has been taken during the year, has been disputed by the company as enumerated in the note. Above exposures have been carried forward at their existing carrying value & no impairment has been provided in respect to above and the impact of which is not presently ascertainable.
- c) Note No 50(b) in respect to carry forward of claim recoverable amounting to Rs. 1778.11 Lakhs towards the compensation claimed from the Railway Authorities as mentioned in the note. The recovery of the same is dependent on the outcome of the arbitration process and is not presently ascertainable.

Impacts with respect to (a) (b) & (c) above are presently not ascertainable and as such cannot be commented upon by us.

We conducted our audit of the consolidated financial statement in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditors' Responsibilities for the Audit of the consolidated financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion on the consolidated financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements for the year ended March 31, 2020. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. In addition to the matters described in the basis for qualified opinion section, we have determined the matters described below as Key audit matters and for each matter, our description of how our audit addressed the matter is provided in that context.

Independent Auditors' Report (Contd.)

Key audit matters	How our audit addressed the key audit matter
Provision for taxation, litigations and disclosures of contingent liabilities	
<p>The Holding Company is exposed to different laws, regulations and interpretations thereof. The Holding company is also subject to number of significant claims and litigations. The assessment of the likelihood and quantum of any liability in respect of these matters can be judgmental due to the uncertainty inherent in their nature.</p> <p>At March 31, 2020, the Holding Company has carried forward non-current income tax liabilities of 5157.78 Lakhs [Refer Note 28 to the financial statements]. Further, the Holding Company has disclosed significant pending legal cases with respect to Kodilabad mines [Refer Note 50(a) to the financial statements] and other material contingent liabilities [Refer Note 55 to the financial statements].</p> <p>We considered this to be a key audit matter, since the accounting and disclosure of claims and litigations is complex and judgmental, and the amounts involved are, or can be, material to the financial statements.</p>	<p>Our audit procedures included among others:</p> <ol style="list-style-type: none"> I. Understanding and assessing the internal control environment relating to the identification, recognition and measurement of provisions for disputes, potential claims and litigation, and contingent liabilities; II. Analyzed significant changes/update from previous periods and obtained a detailed understanding of such items. Assessed recent judgments passed by the court authorities affecting such change; III. Discussed the status of significant known actual and potential litigations with the management & noted that information placed before the board for such cases and IV. Assessment of the management's assumptions and estimates related to the recognized provisions for disputes and disclosures of contingent liabilities in the financial statements.
Recoverability of Government Grant	
<p>The Holding company has been entitled for various sales tax incentives under Industrial promotion scheme issued by the State Government. The Holding company had complied with the conditions of such scheme and incentives were accounted for in the books in earlier years. A sum of Rs. 4680.58 Lakhs (grouped under other financial assets in note no. 18) is outstanding against said incentive as on 31st March 2020.</p> <p>We determined this to be a matter of significance to our audit due to the quantum of the government grant outstanding, compliance requirement of the scheme and also because of recovery pattern of the same.</p>	<ol style="list-style-type: none"> I. Evaluating eligibility requirements of schemes and compliances by the company. II. Understanding and testing the design and operating effectiveness of controls as established by the management in recognition and assessment of the recoverability of the grant. III. Considering the relevant notifications to ascertain the basis for determination, completion of performance obligation and assessing the appropriateness of the management estimates for accounting of government grant and timing of recognition & past receipt of the grants.

Key audit matters	How our audit addressed the key audit matter
Inventory measurement	
<p>The Holding company deals with various types of bulk material & Finished goods such as ductile & Iron pipes, pipe fittings, coal, coke & Iron Ore etc. The total inventory of such materials amounts to Rs.54774.82 lakhs as on March 31, 2020. (refer note no. 12).</p> <p>The measurement of these inventories involved certain estimations/assumption and also involved volumetric measurements. Measurement of some of these inventories also involved consideration of handling loss, moisture loss/gain, spillage etc. and thus required assistance of technical expertise.</p> <p>We determined this to be a matter of significance to our audit due to quantum of the amount & estimation involved.</p>	<ol style="list-style-type: none"> I. Obtained the understanding of the management with regards to internal financial controls relating to Inventory management. II. The company has deployed an independent agency for verification of bulk Materials in which our team were also present to oversee the process of entire materials being verified. We have also reviewed the internal verification process followed by the management for certain inventory items. III. We have also reviewed the report submitted by external agency and obtained reasons/explanation for such differences and also confirmed the adjustment made by the company in accordance with the policy confirmed by the board of directors.

Information other than the Consolidated Financial Statements and Auditor's Report thereon

The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual report, for example Board's Report, Report on Corporate Governance, Management Discussion & Analysis Report, but does not include the consolidated financial statements and our auditors' report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and those charged with governance for the consolidated financial statements

The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 (hereinafter referred to as "the Act") with respect to the preparation of these Consolidated financial

statements that give a true and fair view of the financial position, financial performance including other comprehensive income, state of affairs (consolidated financial position), Profit or Loss (consolidated financial performance including other comprehensive income), changes in equity of the Group including its Associates and Joint Ventures and consolidated cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards (Ind AS) specified under section 133 of the Act. The respective Board of Directors of the companies included in the Group including its Associates and Joint Ventures are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the group including its Associates and Joint Ventures and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Consolidated financial statements, the respective Board of Directors of the companies included in the Group and of its associates and joint venture are responsible for assessing the ability of the Group and of its associates & joint venture to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Management either intends to liquidate or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group and of its associates and joint venture are also responsible for overseeing the financial reporting process of the Group and of its associates and joint venture.

Auditors' Responsibility for the Audit of the consolidated financial statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error,

design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Holding Company has adequate internal financial controls system in place and the operating effectiveness of such controls;
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the group's including its Associates and Joint Ventures ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the group to cease to continue as a going concern; and
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group including its Associates and Joint Ventures to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities or business activities included in the consolidated financial statements of which we are the independent auditors. For the other entities or business activities included in the consolidated financial statements, which have been audited by the other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit

Independent Auditors' Report *(Contd.)*

work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.

We communicate with those charged with governance of the Holding Company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance of the Holding Company with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance of the Holding Company, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

- 1) The consolidated financial statements includes the audited financial statements and the other financial information, in respect of:
 - (i) 10 (ten) Subsidiaries (including two step down subsidiaries), whose financial statements include total assets of Rs. 81692.29 lakhs as at 31st March, 2020, total revenues of Rs. 102400.06 lakhs, total net profit after tax of Rs 2054.31 lakhs, total comprehensive profit of Rs. 1280.65 lakhs for the year ended on 31st March, 2020, and net cash flows of Rs. 1868.78 lakhs for the year ended 31st March, 2020 as considered in the consolidated financial statement which have been audited by their respective independent auditors.
 - (ii) An associate, whose financial statement reflect Group's share of net profit of Rs 7513.09 lakhs for the year ended on 31st March, 2020 as considered in the consolidated financial statement whose financial statement and other financial information have been audited by their respective independent auditors.
 - (iii) The independent auditors report on the financial statements of the above entities have been furnished to us by the management and our opinion on these financial statements in so far as it relates to the amounts and disclosures included in the respect of these subsidiaries and the associate is based solely on the reports of such auditors.
 - (iv) The above subsidiaries are located outside India whose annual financial results have been prepared in accordance with accounting principles generally accepted in their respective countries and which have been reviewed by other auditors
 - 2) The consolidated financial statements also includes unaudited financial statement and other unaudited financial information in respect of:
 - (i) 1 (one) Subsidiary, whose financial statement and other financial information reflect total assets of Rs. 0.32 thousand as at 31st March, 2020 and total revenues of Rs. 0.35 thousand, total net loss after tax of Rs. 1.99 thousand, total comprehensive loss of Rs. 589.33 thousand for the year ended on that date and net cash outflows of Rs. 48.75 thousand for the year ended 31st March, 2020.
 - (ii) This unaudited financial statement has been approved and furnished to us by the Management and our opinion on the Statement, in so far as it relates to the amounts and disclosure included in respect of this subsidiary, is based solely on such unaudited financial statement. In our opinion and according to the information and explanation given to us by the Management, this financial statement is not material to the group.
 - 3) As stated in Note No. 8.3 of the consolidated financial statements, the investment in North Dhadhu Mining Company Private Limited, a Joint Venture of the Holding Company, have been fully provided in the books. In view of this the results of North Dhadhu Mining Company Private Limited have not been incorporated in the books.
 - 4) As stated in Note No. 8.2 of the consolidated financial statement regarding non-availability of the financial statement of Domco Private Limited, a joint venture company due to which these has not been consolidated in these consolidated financial statements as required in terms of Ind AS- 28, "Investments in Associates and Joint Ventures".
- Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements / financial information certified by the Management.

Report on Other Legal and Regulatory Requirements

Annexure “A” to the Independent Auditors' Report on Consolidated Financial Statements

(Referred to in paragraph (h) under 'Report on Other Legal and Regulatory Requirements' of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

In conjunction with our audit of the consolidated financial statements of the Holding Company as of and for the year ended March 31, 2020, we have audited the internal financial controls over financial reporting of Electrosteel Castings Limited (hereinafter referred to as “the Holding Company”) and its associate company, which are companies incorporated in India, as of that date.

Management’s Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding company, its subsidiary companies, its associate companies which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective Companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Holding Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing, prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk.

The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors of the subsidiary companies and associate companies, which are companies incorporated in India, in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Holding Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company and its associate, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2020, based on the internal control over financial reporting criteria established by the respective Companies considering the essential components of internal control

Annexure “A” to the Independent Auditors' Report on Consolidated Financial Statements *(Contd.)*

stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other Matters

Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting in so far as it relates to one associate company, which is companies incorporated in India, is based on the corresponding standalone reports of the auditors, as applicable, of such companies incorporated in India. In respect of two ventures as stated in Para (h) of

Report on other legal and regulatory requirements, these companies could not be considered for the purpose of this report for the reasons stated in the note no. 8.2 & 8.3 of consolidated financial statements.

Notes to Consolidated Financial Statements for the year ended March 31, 2020 (Contd.)

1A. Estimation of uncertainties relating to the global health pandemic from COVID-19 (COVID-19)

The spread of COVID-19 pandemic has severely impacted businesses around the globe. The regular business operations of the Group has been impacted post lock-down declared by Government of various countries, which includes suspension of significant portion of production facilities, disruptions in supply chain and adopting work from home policies of employees across the locations. Due to above, the volumes for the month of March 2020 have been impacted. The Group is monitoring the situation closely and operations are being resumed/ramped up in a phased manner from June 2020 considering various directives from the respective governments. The management has considered various internal and external sources of information up to the date of approval of the consolidated financial statements by the Board of Directors in determining the impact of pandemic on the various elements of consolidated financial statements. The management has also evaluated its liquidity position for the next year and used the principles of prudence in applying judgments, estimates & assumptions and based on the current estimates, it expects to fully recover the carrying amount of various non current & current assets. However considering the uncertainties involved, the eventual outcome of impact of the pandemic may be different from those estimated as on the date of approval of these consolidated financial statements. The Group will continue to closely monitor any material changes in future economic conditions.

2A. Application of New Accounting Pronouncements effective from April 01, 2019

2A.1 The Group has applied the following Indian Accounting Standards and its amendments for the first time for the annual reporting period commencing April 01, 2019.

Ind AS 116 - Leases

Amendment to Ind AS 12 - Income Taxes and Ind AS 12 Appendix 'C' - Uncertainty over Income Tax Treatments

Amendment to Ind AS 19 - Plan amendment, curtailment or settlement

Amendment to Ind AS 23 - Borrowing Cost

Amendment to Ind AS 103 - Business combination and Ind AS-111- Joint Arrangement

Amendment to Ind AS 109 - Prepayment features with negative compensation

Except for adoption of Ind AS -116, most of the above amendments did not have any impact on the current and previous financial period.

2B. Recent Accounting Developments

Standards issued but not yet effective

2B.1 Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards. There is no such notification which would have been applicable from April 01, 2020.

3. Statement of compliance and Significant Accounting Policies

3.1 Statement of Compliance

These Consolidated financial statements, excepting as stated in note no 49, have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time.

Basis of Preparation

The Consolidated Financial Statements have been prepared under the historical cost convention on accrual basis excepting certain financial instruments which are measured in terms of relevant Ind AS at fair value/ amortised costs at the end of each reporting period and certain class of Property, Plant and Equipment i.e. Freehold land and building and Investment in Associates which as on the date of transition have been fair valued to be considered as deemed cost.

Historical cost convention is generally based on the fair value of the consideration given in exchange for goods and services.

As the operating cycle cannot be identified in normal course, the same has been assumed to have duration of 12 months. All Assets and Liabilities have been classified as current or non-current as per the operating cycle and other criteria set out in Ind AS 1 'Presentation of Financial Statements' and Schedule III to the Companies Act, 2013.

Functional and Presentation Currency

Item included in the consolidated financial statements of the Group are measured using the currency of the primary economic environment in which the company operates (the "functional currency"). The consolidated financial statements are presented in Indian Rupee ("INR")

Notes to Consolidated Financial Statements for the year ended March 31, 2020 (Contd.)

which is the Group's functional and presentation currency. All financial information presented in the consolidated financial statements has been presented in INR and all values have been rounded off to the nearest two decimal lakhs except otherwise stated.

Fair Value Measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date under current market conditions.

The Group categorises assets and liabilities measured at fair value into one of three levels depending on the ability to observe inputs employed for such measurement:

Level 1: Inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: Inputs other than quoted prices included within level 1 that are observable either directly or indirectly for the asset or liability.

Level 3: Inputs for the asset or liability which are not based on observable market data (unobservable inputs).

The Group has an established control framework with respect to the measurement of fair values. This includes a finance team that has overall responsibility for overseeing all significant fair value measurements who regularly review significant unobservable inputs, valuation adjustments and fair value hierarchy under which the valuation should be classified.

Consolidation Procedure

The Consolidated Financial Statements have been prepared in accordance with principles laid down in Ind AS 110 on "Consolidated Financial Statements", Ind AS 28 on "Accounting for Investments in Associates and Joint Ventures" as notified vide Companies (Accounting Standards) Rules, 2015 (as amended).

Subsidiaries

i. Subsidiaries are entities over which the Group has control and the Control is achieved when the group is exposed, or has rights, to variable returns from its involvement with the investee and has the ability to affect those returns through its:

- (a) Power over the investee
- (b) Exposure or rights to variable returns from its involvement with the investee
- (c) The ability to use its power over the investee to affect its returns

Subsidiaries are consolidated from the date control over the subsidiary is acquired and they are discontinued from the date of cessation of control.

ii. The Group combines the financial statements of the Company and its subsidiaries based on a line-by-line consolidation by adding together the book value of like items of assets and liabilities, revenue and expenses as per the respective financial statements. Intra group balances, intra group transactions and the unrealised profits on stocks arising out of intra group transaction have been eliminated.

iii. The consolidated financial statements are prepared using uniform accounting policies for similar material transactions and other events in similar circumstances otherwise as stated elsewhere.

iv. The difference between the costs of investment in the subsidiaries, over the net assets at the time of acquisition of shares in the subsidiaries is recognised in the consolidated financial statements as Goodwill or Capital reserve as the case may be. The said goodwill is not amortised, however it is tested for impairment at each balance sheet date and impairment loss, if any is recognised in the consolidated financial statements.

v. Non-controlling interest's share of net profit of subsidiaries for the year is identified and adjusted against the revenue of the Group in order to arrive at the net revenue attributable to the owners of the Company. The excess of loss for the year over the non-controlling interest is adjusted in owner's interest.

vi. Non-controlling interest's share of net assets of subsidiaries is identified and presented in the Consolidated Balance Sheet separate from liabilities and the equity of the Company's shareholders.

Notes to Consolidated Financial Statements for the year ended March 31, 2020 (Contd.)

Non-controlling Interest

Non-controlling interests represent the proportion of income, other comprehensive income and net assets in subsidiaries that is not attributable to the Company's owners.

Non-controlling interests are initially measured at proportionate share on the date of acquisition of the recognised amounts of the acquiree's identifiable net assets. Subsequent to the acquisition, the carrying amount of the non-controlling interests is the amount of the interest at initial recognition plus the proportionate share of subsequent changes in equity.

Investment in Associates and Joint Ventures

Investments in Associates and Joint Ventures are accounted in accordance with Ind AS - 28 on "Accounting for Investments in Associates and Joint Venture", under "equity method". Unrealised profit/loss are eliminated other than in respect of transactions pertaining to non depreciable assets.

The difference between the cost of investment in Associates and Joint Ventures and the share of net assets at the time of acquisition of such shares is identified in the consolidated financial statements as Goodwill or Capital reserve as the case may be. Under the equity method, the investments are recognised at cost and thereafter the carrying amount of the investment in associates and joint ventures is increased or decreased to recognise the Group's share of the profit or loss and other comprehensive income of the associate and joint venture, adjusted where necessary to ensure consistency with the accounting policies of the Group. Unrealised gains and losses on transactions between the Group and its associates and joint ventures are eliminated to the extent of the Group's interest in those entities. Where unrealised losses are eliminated, the underlying asset is also tested for impairment.

The statement of profit and loss reflects the Group's share of the results of operations of the associate or joint venture. Any change in OCI of those investees is presented as part of the Group's OCI. In addition, when there has been a change recognised directly in the equity of the associate or joint venture, the Group recognises its share of any changes, when applicable, in the statement of changes in equity.

When the Group's share of losses in an equity accounted investments equals or exceeds its interest in the entity, the Group does not recognise further losses, unless it has incurred obligations or made payment on behalf of the other entity. The carrying amount of equity accounted investments are tested for impairment in accordance with the policy of the group.

Business Combination and Goodwill

The Group except for combination of group entities which are under common control applies the acquisition method in accounting for business combinations. The consideration transferred by the Group to obtain control of a subsidiary is calculated as the sum of the acquisition-date fair values of assets transferred, liabilities incurred and the equity interests issued by the Group, which includes the fair value of any asset or liability arising from a contingent consideration arrangement. Acquisition costs are expensed as incurred. Assets acquired and liabilities assumed are generally measured at their acquisition date fair values.

In case of combination of entities under control, business combination are accounted for under pooling of interest method whereby the assets and liabilities are combined at the carrying amount and no adjustments are made to reflect their fair values or recognise any new assets or liabilities.

After initial recognition, goodwill is measured at cost less any accumulated impairment losses. For the purpose of impairment testing, goodwill acquired in a business combination is, from the combination date, allocated to each of the Group's cash-generating units that are expected to benefit from the combination, irrespective of whether other assets or liabilities of the acquiree are assigned to those units.

3.2 Property Plant and Equipment (PPE)

Property, plant and equipment are stated at cost of acquisition, construction and subsequent improvements thereto less accumulated depreciation and impairment losses, if any. For this purpose cost include deemed cost on the date of transition and comprises purchase price of assets or its construction cost including duties and taxes (net of recoverable taxes), inward freight and other expenses incidental to acquisition or installation and adjustment for exchange differences wherever applicable and any cost directly attributable to bring the asset into the location and condition necessary for it to be capable of operating in the manner intended for its use. For major projects, interest and

**Notes to Consolidated Financial Statements** for the year ended March 31, 2020 (Contd.)

other costs incurred on / related to borrowings to finance such projects or fixed assets during construction period and related pre-operative expenses are capitalised. Expenditure on Blast Furnace/Coke Oven Battery Relining is capitalised.

Parts of an item of PPE having different useful lives and material value and subsequent expenditure on Property, Plant and Equipment arising on account of capital improvement or other factors are accounted for as separate components.

The cost of replacing part of an item of property, plant and equipment is recognised in the carrying amount of the item if it is probable that the future economic benefits embodied within the part will flow to the Group and its cost can be measured reliably. The costs of the day-to-day servicing of property, plant and equipment are recognised in the Statement of Profit and Loss when incurred.

Capital Work-in-progress includes preoperative and development expenses, equipments to be installed, construction and erection materials, advances etc. Such items are classified to the appropriate categories of PPE when completed and ready for intended use.

The Group had opted for accounting the exchange differences arising on reporting of long term foreign currency monetary items in line with Companies (Accounting Standards) Amendment Rules 2009 relating to Accounting Standard-11 notified by Government of India on 31st March, 2009 (as amended on 29th December 2011), which will be continued in accordance with Ind-AS 101 for all pre-existing long term foreign currency monetary items as at 31st March 2016. Accordingly, exchange differences relating to long term monetary items, arising during the year, in so far as they relate to the acquisition of fixed assets, are adjusted in the carrying amount of such assets.

Depreciation and Amortisation

Depreciation on PPE except as stated below, is provided as per Schedule II of the Companies Act, 2013 on straight line method in respect of Plant and Equipments and Office Equipments at all location of the Company except Elavur Plant of the Company and on written down value method on all other assets including Plant and Equipments and Office Equipments at Elavur Plant. Certain Plant and Equipments have been considered Continuous Process Plant on the basis of technical assessment. Depreciation on upgradation of Property, Plant and Equipment is provided over the remaining useful life of the mother plant / fixed assets.

Leasehold Land held under finance lease including leasehold land are depreciated over their expected lease terms. No depreciation is charged on Freehold land. Assets costing rupees five thousand or less are being depreciated fully in the year of addition/acquisition.

In case the cost of part of tangible asset is significant to the total cost of the assets and useful life of that part is different from the remaining useful life of the asset, depreciation has been provided on straight line method based on internal assessment and independent technical evaluation carried out by external valuers, which the management believes that the useful lives of the component best represent the period over which it expects to use those components. Pipe Moulds of specified sizes are depreciated over a period of 3 years.

Railway siding constructed on Government land is amortised over the period of 10 years in terms of agreement.

Depreciation on Property, Plant and Equipments commences when the assets are ready for their intended use. Based on above, the useful lives as estimated for other assets considered for depreciation are as follows:

Category	Useful life
Buildings	
Non-Factory Building (RCC Frame Structure)	60 Years
Factory Building	30 Years
Roads	
Carpeted Roads-RCC	10 Years
Carpeted Roads-other than RCC	5 Years
Non-Carpeted Roads	3 Years
Plant and machinery	
Other than Continuous Process Plant	15 Years
Sinter Plant, Blast Furnace, Coke Oven	20 Years
Coke Oven Battery Relining	5 Years
Blast Furnace Relining	2 Years
Power Plant	40 Years

Notes to Consolidated Financial Statements for the year ended March 31, 2020 (Contd.)

Category	Useful life
Computer equipment	
Servers and networks	6 Years
Others	3 Years
Furniture and fixtures, Electrical Installation and Laboratory Equipment's	10 Years
Office equipment	5 Years
Vehicles	
Motor cycles, scooters and other mopeds	10 Years
Others	8 Years

In case of the subsidiaries, depreciation is provided on straight line method on the basis of estimated useful life of the assets applying the depreciation rates ranging from 1.5% to 35% per annum.

Depreciation methods, useful lives, residual values are reviewed and adjusted as appropriate, at each reporting date.

3.3 Intangible Assets

Intangible assets are stated at cost comprising of purchase price inclusive of duties and taxes (net of recoverable taxes) less accumulated amount of amortization and impairment losses. Such assets, are amortised over the useful life using straight line method and assessed for impairment whenever there is an indication of the same.

Accordingly, right to use wagons acquired under "Wagon Investment Scheme", cost of computer software packages (ERP and others) and mining rights are allocated / amortised over a period of 10 years, 5 years and available period of mining lease respectively.

Research cost are not capitalised and the related expenditure is recognised in the statement of profit and loss in the period in which the expenditure is incurred.

Depreciation methods, useful lives and residual values and are reviewed, and adjusted as appropriate, at each reporting date.

3.4 Derecognition of Tangible and Intangible assets

An item of PPE is de-recognised upon disposal or when no future economic benefits are expected to arise from its use or disposal. Gain or loss arising on the disposal or retirement of an item of PPE is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in the Statement of Profit and Loss.

3.5 Leases

(i) Group as a lessee

The Group has adopted Ind AS 116-Leases effective 1st April, 2019, using the modified retrospective method. The Group has applied the standard to its leases with the cumulative impact recognised on the date of initial application (1st April, 2019). Accordingly, previous period information has not been restated.

The Group's lease asset classes primarily consist of leases for Land and Buildings. The Group assesses whether a contract is or contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, The Group assesses whether:

1. the contract involves the use of an identified asset
2. the Group has substantially all of the economic benefits from use of the asset through the period of the lease and
3. the Group has the right to direct the use of the asset.

At the date of commencement of the lease, the Group recognises a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short term leases) and leases of low value assets. For these short term and leases of low value assets, the Group recognises the lease payments as an operating expense on a straight line basis over the term of the lease.

Notes to Consolidated Financial Statements for the year ended March 31, 2020 (Contd.)

The right-of-use assets are initially recognised at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses, if any. Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset.

The lease liability is initially measured at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates. The lease liability is subsequently remeasured by increasing the carrying amount to reflect interest on the lease liability, reducing the carrying amount to reflect the lease payments made.

A lease liability is remeasured upon the occurrence of certain events such as a change in the lease term or a change in an index or rate used to determine lease payments. The remeasurement normally also adjusts the leased assets.

Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

(ii) Group as a lessor

a. Finance Lease

Leases which effectively transfer to the lessee substantially all the risks and benefits incidental to ownership of the leased item are classified and accounted for as finance lease. Lease rental receipts are apportioned between the finance income and capital repayment based on the implicit rate of return. Contingent rents are recognized as revenue in the period in which they are earned.

b. Operating Lease

Leases in which the Group does not transfer substantially all the risks and rewards of ownership of an asset are classified as operating leases. Rental income from operating leases is recognized on a straight-line basis over the term of the relevant lease except where scheduled increase in rent compensates the Group with expected inflationary costs.

3.6 Impairment of Tangible and Intangible Assets

Tangible and Intangible assets are reviewed at each balance sheet date for impairment. In case events and circumstances indicate any impairment, recoverable amount of assets is determined. An impairment loss is recognised in the statement of profit and loss, whenever the carrying amount of assets either belonging to Cash Generating Unit (CGU) or otherwise exceeds recoverable amount. The recoverable amount is the higher of assets' fair value less cost of disposal and its value in use. In assessing value in use, the estimated future cash flows from the use of the assets are discounted to their present value at appropriate rate.

Impairment losses recognised earlier may no longer exist or may have come down. Based on such assessment at each reporting period the impairment loss is reversed and recognised in the Statement of Profit and Loss. In such cases, the carrying amount of the asset is increased to the lower of its recoverable amount and the carrying amount that have been determined, net of depreciation, had no impairment loss been recognised for the asset in prior years.

3.7 Financial Assets and Financial Liabilities

Financial assets and financial liabilities (financial instruments) are recognised when the Group becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in the Statement of Profit and Loss.

The financial assets and financial liabilities are classified as current, if they are expected to be realised or settled within operating cycle of the Group or otherwise these are classified as non-current.

The classification of financial instruments whether to be measured at Amortised Cost, at Fair Value through Profit and Loss (FVTPL) or at Fair

Notes to Consolidated Financial Statements for the year ended March 31, 2020 (Contd.)

Value through Other Comprehensive Income (FVTOCI) depends on the objective and contractual terms to which they relate. Classification of financial instruments are determined on initial recognition.

(i) Cash and cash equivalents

All highly liquid financial instruments, which are readily convertible into determinable amounts of cash and which are subject to an insignificant risk of change in value and are having original maturities of three months or less from the date of purchase, are considered as cash equivalents. Cash and cash equivalents includes balances with banks which are unrestricted for withdrawal and usage.

(ii) Financial Assets and Financial Liabilities measured at amortised cost

Financial Assets held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding are measured at amortised cost.

The above Financial Assets and Financial Liabilities subsequent to initial recognition are measured at amortised cost using Effective Interest Rate (EIR) method.

The effective interest rate is the rate that discounts estimated future cash payments or receipts (including all fees and points paid or received, transaction costs and other premiums or discounts) through the expected life of the Financial Asset or Financial Liability to the gross carrying amount of the financial asset or to the amortised cost of financial liability, or where appropriate, a shorter period, to the net carrying amount on initial recognition.

(iii) Financial Asset at Fair Value through Other Comprehensive Income (FVTOCI)

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Subsequent to initial recognition, they are measured at fair value and changes therein are recognised directly in other comprehensive income.

(iv) For the purpose of para (ii) and (iii) above, principal is the fair value of the financial asset at initial recognition and interest consists of consideration for the time value of money and associated credit risk.

(v) Financial Assets or Liabilities at Fair value through profit or loss

Financial Instruments which does not meet the criteria of amortised cost or fair value through other comprehensive income are classified as Fair Value through Profit and loss. These are recognised at fair value and changes therein are recognised in the statement of profit and loss.

(vi) Equity Instruments measured at FVTOCI and FVTPL

Equity instruments which are, held for trading are classified as at FVTPL are measured at Fair Value as per Ind AS 109. For all other equity instruments, the Group may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The company makes such election on an instrument-by instrument basis. The classification is made on initial recognition and is irrevocable. In case the company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognised in the OCI. There is no recycling of the amounts from OCI to P&L, even on sale of investment.

(vii) Derivative and Hedge Accounting

The Group enters into derivative financial instruments such as foreign exchange forward, swap and option contracts to mitigate the risk of changes in foreign exchange rates in respect of financial instruments and forecasted cash flows denominated in certain foreign currencies. The Company uses hedging instruments which provide principles on the use of such financial derivatives consistent with the risk management strategy of the Company. The hedge instruments are designated and documented as hedges and effectiveness of hedge instruments to reduce the risk associated with the exposure being hedged is assessed and measured at inception and on an ongoing basis.

Notes to Consolidated Financial Statements for the year ended March 31, 2020 (Contd.)

Any derivative that is either not designated as a hedge, or is so designated but is ineffective as per Ind AS 109 "Financial Instruments", is categorised as a financial asset, at fair value through profit or loss. Transaction costs attributable are also recognised in Statement of profit and loss. Changes in the fair value of the derivative hedging instrument designated as a fair value hedge are recognised in the Statement of profit and loss.

Changes in the fair value of the derivative hedging instrument designated as a cash flow hedge are recognised in other comprehensive income and presented within equity as cash flow hedging reserve to the extent that the hedge is effective.

If the hedging instrument no longer meets the criteria for hedge accounting, expires or is sold, terminated or exercised, then hedge accounting is discontinued prospectively. Any gain or loss recognised in other comprehensive income and accumulated in equity till that time remains and thereafter to the extent hedge accounting being discontinued is recognised in Statement of profit and loss. When a forecasted transaction is no longer expected to occur, the cumulative gain or loss accumulated in equity is transferred to the Statement of profit and loss.

(viii) Impairment of financial assets

A financial asset is assessed for impairment at each balance sheet date. A financial asset is considered to be impaired if objective evidence indicates that one or more events have had a negative effect on the estimated future cash flows of that asset.

The Group measures the loss allowance for a financial asset at an amount equal to the lifetime expected credit losses if the credit risk on that financial instrument has increased significantly since initial recognition. If the credit risk on a financial instrument has not increased significantly since initial recognition, the company measures the loss allowance for that financial instrument at an amount equal to 12-month expected credit losses.

However, for trade receivables or contract assets that result in relation to revenue from contracts with customers, the group measures the loss allowance at an amount equal to lifetime expected credit losses.

(ix) Derecognition of financial instruments

The Group derecognises a financial asset or a group of financial assets when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party.

On derecognition of a financial asset (except for equity instruments designated as FVTOCI), the difference between the asset's carrying amount and the sum of the consideration received and receivable are recognised in statement of profit and loss.

On derecognition of assets measured at FVTOCI, the cumulative gain or loss previously recognised in other comprehensive income is reclassified from equity to profit or loss as a reclassification adjustment.

Financial liabilities are derecognised if the Group's obligations specified in the contract expire or are discharged or cancelled. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable is recognised in Statement of Profit and Loss.

(x) Financial Guarantee Contracts

Financial guarantee contracts issued by the group are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognised initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirement of Ind AS 109 and the amount recognised less cumulative amortisation.

3.8 Inventories

Inventories are valued at lower of cost or net realisable value. Cost of inventories is ascertained on 'weighted average' basis. Materials and other supplies held for use in the production of inventories are not written down below cost if the related finished products are expected to be sold at or above cost.

Cost in respect of raw materials and stores and spares includes expenses incidental to procurement of the same. Cost in respect of finished goods represents prime cost, and includes appropriate portion of overheads.

Notes to Consolidated Financial Statements for the year ended March 31, 2020 (Contd.)

Cost in respect of process stock represents, cost incurred up to the stage of completion.

Cost in respect of work-in-progress represents cost of materials remaining uncertified / incomplete under the Turnkey Contracts undertaken by the Group.

Net Realisable Value is the estimated selling price in the ordinary course of business less estimated cost of completion and the estimated cost necessary to make the sale.

3.9 Foreign Currency Transactions

Foreign currency transactions are translated into the functional currency using the spot rates of exchanges at the dates of the transactions. Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency spot rate of exchanges at the reporting date.

Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities are generally recognised in profit or loss in the year in which they arise except for exchange differences on foreign currency borrowings relating to assets under construction for future productive use, which are included in the cost of those qualifying assets when they are regarded as an adjustment to interest costs on those foreign currency borrowings, the balance is presented in the Statement of Profit and Loss within finance costs.

Non monetary items which are carried in terms of historical cost denominated in foreign currency, are reported using the exchange rate as at the date of transaction.

The Group had opted for accounting the exchange differences arising on reporting of long term foreign currency monetary items in line with Companies (Accounting Standards) Amendment Rules 2009 relating to Accounting Standard-11 notified by Government of India on 31st March, 2009 (as amended on 29th December 2011), which will be continued in accordance with Ind-AS 101 for all pre-existing long term foreign currency monetary items as at 31st March 2016. Accordingly, exchange differences relating to long term monetary items, arising during the year, in so far as they relate to the acquisition of fixed assets, are adjusted in the carrying amount of such assets.

3.10 Equity Share Capital

An equity instrument is a contract that evidences residual interest in the assets of the Group after deducting all of its liabilities. Par value of the equity shares is recorded as share capital and the amount received in excess of par value is classified as Securities Premium.

Costs directly attributable to the issue of ordinary shares are recognised as a deduction from equity, net of any tax effects.

3.11 Provisions, Contingent Liabilities and Contingent Assets

Provisions involving substantial degree of estimation in measurement are recognised when there is a legal or constructive obligation as a result of past events and it is probable that there will be an outflow of resources and a reliable estimate can be made of the amount of obligation. Provisions are not recognised for future operating losses. The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation.

Contingent liabilities are not recognised and are disclosed by way of notes to the financial statements when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Group or when there is a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the same or a reliable estimate of the amount in this respect cannot be made.

Contingent assets are not recognised but disclosed in the consolidated financial statements by way of notes to accounts when an inflow of economic benefits is probable.

3.12 Employee Benefits

Short Term Benefits

Short term employee benefit obligations are measured on an undiscounted basis and are expensed as the related services are provided. Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within twelve months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period.

Notes to Consolidated Financial Statements for the year ended March 31, 2020 (Contd.)

Other Long Term Employee Benefits

The liabilities for leave encashment that are not expected to be settled wholly within twelve months are measured as the present value of the expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the government securities (G-Sec) at the end of the reporting period that have terms approximating to the terms of related obligation. Remeasurements as the result of experience adjustment and changes in actuarial assumptions are recognised in statement of profit and loss.

Post Employment Benefits

The Group operates the following post employment schemes:

- Defined Benefit Plans

The liability or asset recognised in the Balance Sheet in respect of defined benefit plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The Company's net obligation in respect of defined benefit plans is calculated separately for each plan by estimating the amount of future benefit that employees have earned in the current and prior periods. The defined benefit obligation is calculated annually by Actuaries using the projected unit credit method.

The liability recognised for defined benefit plans is the present value of the defined benefit obligation at the reporting date less the fair value of plan assets, together with adjustments for unrecognised actuarial gains or losses and past service costs. The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. The benefits are discounted using the government securities (G-Sec) at the end of the reporting period that have terms approximating to the terms of related obligation.

Remeasurements of the net defined benefit obligation, which comprise actuarial gains and losses, the return on plan assets (excluding interest) and the effect of the asset ceiling, are recognised in other comprehensive income. Remeasurement recognised in other comprehensive income is reflected immediately in retained earnings and will not be reclassified to the statement of profit and loss.

- Defined Contribution Plan

Defined contribution plans such as provident fund etc are charged to the statement of profit and loss as and when incurred. Contribution to Superannuation fund, a defined contribution plan is made in accordance with the Group's policy and is recognised in the Statement of profit and loss.

3.13 Revenue

Revenue from contract with customers is recognized when the Company satisfies performance obligation by transferring promised goods and services to the customer. Performance obligations are satisfied at a point of time or over a period of time. Performance obligations satisfied over a period of time are recognized as per the terms of relevant contractual agreements/ arrangements. Performance obligations are said to be satisfied at a point of time when the customer obtains controls of the asset.

Revenue is measured based on transaction price, which is the fair value of the consideration received or receivable, stated net of discounts, returns and value added tax. Transaction price is recognized based on the price specified in the contract, net of the estimated sales incentives/ discounts. Accumulated experience is used to estimate and provide for the discounts/ right of return, using the expected value method.

A refund liability is recognized for expected returns in relation to sales made corresponding assets are recognized for the products expected to be returned.

The Company recognises as an asset, the incremental costs of obtaining a contract with a customer, if the Company expects to recover those costs. The said asset is amortised on a systematic basis consistent with the transfer of goods or services to the customer.

3.14 Borrowing Costs

Borrowing cost comprises of interest and other costs incurred in connection with the borrowing of the funds. All borrowing costs are recognised in the Statement of Profit and Loss using the effective interest method except to the extent attributable to qualifying Property Plant and Equipment (PPE) which are capitalised to the cost of the related assets. A qualifying PPE is an asset, that necessarily takes

Notes to Consolidated Financial Statements for the year ended March 31, 2020 (Contd.)

a substantial period of time to get ready for its intended use or sale. Borrowing cost also includes exchange differences to the extent considered as an adjustment to the borrowing costs.

3.15 Non-current assets (or disposal groups) held for sale and discontinued operations

Non-current assets (or disposal groups) are classified as held for sale if their carrying amount will be recovered principally through a sale transaction rather than through continuing use and a sale is considered highly probable. They are measured at the lower of the carrying amount and the fair value less cost to sell.

An impairment loss is recognized for any initial or subsequent write-down of the asset (or disposal group) to fair value less costs to sell. A gain is recognized for any subsequent increases in fair value less costs to sell of an asset (or disposal group), but not in excess of any cumulative impairment loss previously recognized. A gain or loss not previously recognized by the date of the sale of the non-current asset (or disposal group) is recognized at the date of de-recognition.

Non-current assets (including those that are part of a disposal group) are not depreciated or amortized while they are classified as held for sale. Non-current assets (or disposal group) classified as held for sale are presented separately in the balance sheet. Any profit or loss arising from the sale or remeasurement of discontinued operations is presented as part of a single line item in statement of profit and loss.

3.16 Government Grants

Government grants are recognised on systematic basis when there is reasonable certainty of realisation of the same. Revenue grants including subsidy/rebates are credited to Statement of Profit and Loss Account under "Other Income" or deducted from the related expenses for the period to which these are related. Grants which are meant for purchase, construction or otherwise acquire non current assets are recognised as Deferred Income and disclosed under Non Current Liabilities and transferred to Statement of Profit and Loss on a systematic basis over the useful life of the respective asset. Grants relating to non-depreciable assets is transferred to Statement of Profit and Loss over the periods that bear the cost of meeting the obligations related to such grants.

3.17 Taxes on Income

Income tax expense representing the sum of current tax expenses and the net charge of the deferred taxes is recognised in the Statement of Profit and Loss except to the extent that it relates to items recognised directly in equity or other comprehensive income.

Current income tax is provided on the taxable income and recognised at the amount expected to be paid to or recovered from the tax authorities, using the tax rates and tax laws that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the Consolidated Financial Statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax assets include Minimum Alternative Tax (MAT) measured in accordance with the tax laws in India, which is likely to give future economic benefits in the form of availability of set off against future income tax liability and such benefit can be measured reliably and it is probable that the future economic benefit associated with same will be realised.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the deferred tax asset to be utilised.

3.18 Earnings Per Share

Basic earnings per share are computed by dividing the net profit attributable to the equity holders of the Group by the weighted average number of equity shares outstanding during the period. Diluted earnings per share is computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares considered for deriving basic earnings per share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

Notes to Consolidated Financial Statements for the year ended March 31, 2020 (Contd.)

3.19 Segment Reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker. The chief operating decision maker of the Parent Company is responsible for allocating resources and assessing performance of the operating segments and accordingly is identified as the chief operating decision maker.

The Group has identified one reportable segment "Pipes and all other activities revolve around the main business" based on the information reviewed by the CODM.

4. Critical accounting judgments, assumptions and key sources of estimation and uncertainty

The preparation of the consolidated financial statements in conformity with the measurement principle of Ind AS requires management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the consolidated financial statements and reported amounts of revenues and expenses during the period. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Differences between the actual results and estimates are recognised in the year in which the results are known / materialised and, if material, their effects are disclosed in the notes to the consolidated financial statements.

Application of accounting policies that require significant areas of estimation, uncertainty and critical judgments and the use of assumptions in the consolidated financial statements have been disclosed below. The key assumptions concerning the future and other key sources of estimation uncertainty at the balance sheet date, that have a significant risk of causing a material adjustment to the carrying amount of assets and liabilities within the next financial year are discussed below:

4.1 Depreciation / amortisation and impairment on property, plant and equipment / intangible assets

Property, plant and equipment and intangible assets are depreciated/ amortised on straight-line /written down value basis over the estimated useful lives (or lease term if shorter) in accordance with Group accounting policy, taking into account the estimated residual value, wherever applicable.

The Group reviews its carrying value of its Tangible and Intangible Assets whenever there is objective evidence that the assets are impaired. In such situation Asset's recoverable amount is estimated which is higher of asset's or cash generating units (CGU) fair value less cost of disposal and its value in use. In assessing value in use the estimated future cash flows are discounted using pre-tax discount rate which reflect the current assessment of time value of money. In determining fair value less cost of disposal, recent market realisations are considered or otherwise in absence of such transactions appropriate valuations are adopted. The Group reviews the estimated useful lives of the assets regularly in order to determine the amount of depreciation / amortisation and amount of impairment expense to be recorded during any reporting period. This reassessment may result in change estimated in future periods.

4.2 Impairment on Investments in Associates and Joint Ventures

The carrying amount of Investments in Associates and Joint Ventures computed in accordance with equity method has been tested for impairment at year end based on the market value where the shares are quoted, P/E ratio of similar sector company along with premium/ discount for nature of holding and Net Asset Value computed with reference to the book value/ projected discounted cash flow of such company in respect of unquoted investments.

4.3 Right-of-use assets and lease liability

The Group has exercised judgement in determining the lease term as the noncancellable term of the lease, together with the impact of options to extend or terminate the lease if it is reasonably certain to be exercised.

Where the rate implicit in the lease is not readily available, an incremental borrowing rate is applied. This incremental borrowing rate reflects the rate of interest that the lessee would have to pay to borrow over a similar term, with a similar security, the funds necessary to obtain an asset of a similar nature and value to the right-of-use asset in a similar economic environment. Determination of the incremental borrowing rate requires estimation.

Notes to Consolidated Financial Statements for the year ended March 31, 2020 (Contd.)

4.4 Claims and Compensation

Claims including insurance claims are accounted for on determination of certainty of realisation thereof. Compensation receivable against acquisition of coal mine (Refer Note No. 49) pending final acceptance or settlement thereof even though has not been given effect to, as amount expected to be realised in this respect has been considered to be covering the carrying amount of the relevant assets and other recoverables.

4.5 Impairment allowances on trade receivables

The Group evaluates whether there is any objective evidence that trade receivables are impaired and determines the amount of impairment allowance as a result of the inability of the customers to make required payments. The Group bases the estimates on the ageing of the trade receivables balance, credit-worthiness of the trade receivables and historical write-off experience. If the financial conditions of the trade receivable were to deteriorate, actual write-offs would be higher than estimated.

4.6 Income taxes

Significant judgment is required in determination of taxability of certain income and deductibility of certain expenses during the estimation of the provision for income taxes.

Deferred Tax for all taxable temporary differences have been given effect to in the consolidated financial statements. In case of Associates and Joint Venture, the Group being in a position to control the timing of reversal of temporary differences and considering the past trend there being no possibility of such reversal in near future, adjustment for deferred taxation against share of profit attributable to the Group has not been given effect in the consolidated financial statements.

4.7 Defined benefit obligation (DBO)

Critical estimate of the DBO involves a number of critical underlying assumptions such as standard rates of inflation, mortality, discount rate, anticipation of future salary increases etc. as estimated by Independent Actuary appointed for this purpose by the Management. Variation in these assumptions may significantly impact the DBO amount and the annual defined benefit expenses.

4.8 Provisions and Contingencies

Provisions and liabilities are recognised in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events and the amount of cash outflow can be reliably estimated. The timing of recognition and quantification of the liability requires the application of judgement to existing facts and circumstances, which can be subject to change.

Management judgment is required for estimating the possible outflow of resources, if any, in respect of contingencies/claim/litigations/ against the Group as it is not possible to predict the outcome of pending matters with accuracy.

The carrying amounts of provisions and liabilities and estimation for contingencies are reviewed regularly and revised to take account of changing facts and circumstances.

4.9 Uniform Accounting Policies

The audited/unaudited financial statements of foreign subsidiaries have been prepared in accordance with Generally Accepted Accounting Principles of its Country of Incorporation or International Financial Reporting Standards. Impact on account of differences if any, in accounting policies of the company and those followed by its subsidiaries are not material to the Group.

The Venturers had filed a petition before the Company Law Board, Principal Bench, New Delhi (CLB) against the Company against operation and mismanagement of the company inter alia on various matters including for forfeiture of the Company's investment in equity shares of the DPL. The matter was later transferred to the Company Law Board, Kolkata Bench and is now being taken up by the National Company Law Tribunal, Kolkata Bench. The Company had also inter alia filed an arbitration proceeding under Arbitration & Conciliation Act, 1996 against recovery of the said amount against which the ventures also filed their counter claims on the Company. The matter is sub judice before the NCLT.

**Notes to Consolidated Financial Statements** for the year ended March 31, 2020 (Contd.)

(Amount Rs. in lakhs)

Pending final outcome of the above matter, the amounts in equity shares and advance have been fully provided for in the financial statements in the earlier years. The other venturers since not providing the financial statements of DPL, and thereby necessary disclosures could not be provided in these financial statements.

- 8.3 (a) The North Dhadhu Coal Block located in the state of Jharkhand was allocated to the Company, Adhunik Alloys & Power Limited (AAP), Jharkhand Ispat Pvt. Ltd. (JPL) and Pawanjay Steel & Power Limited (PSPL) (collectively referred to as venturers) for working through North Dhadhu Mining Company Private Limited (NDMCPL), a joint venture company. The Company has joint control (proportion of ownership interest of the Company being 48.98 %) along with other venturers represented by investment of Rs. 8,22.81 lakhs in equity shares of NDMCPL.
- (b) In pursuance of the Order dated September 24, 2014 issued by the Hon'ble Supreme Court of India (the Order) followed by the Ordinance promulgated by the Government of India, Ministry of Law & Justice (legislative department) dated October 21, 2014 (Ordinance) for implementing the Order, The Ministry of Coal, Government of India had issued an order for de-allocation of North Dhadhu Coal Block and deduction of Bank Guarantee of Rs.56,03.00 lakhs issued for the same. The Company's share in the Bank Guarantee is Rs.27,45.00 lakhs. On a writ petition filed by the Company for quashing the order, stay in the matter together with encashment of bank guarantee has been granted by the Hon'ble High Court of Jharkhand. The Company has also submitted its claim for compensation which is awaiting acceptance. In the view of the management, the compensation to be received in terms of ordinance is expected to cover the cost incurred by the Joint venture company. However as an abundant precaution, impairment in the value of the investment amounting to Rs. 8,22.81 lakhs in Joint venture has been provided in the previous year. In view of stay order by High Court, no provision in the share of bank guarantee has been considered necessary.
- 8.4 Particulars of investments as required in terms of section 186(4) of the Companies Act, 2013 have been disclosed under note 8 & 8A.

b) Fair Valuation Techniques

The fair values of the financial assets and liabilities are included at the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The following methods and assumptions were used to estimate the fair values:

- 1 The fair value of cash and cash equivalents, current trade receivables and payables, current loans, current financial liabilities and assets and borrowings approximate their carrying amount largely due to the short-term nature of these instruments. The group considers that the carrying amounts of financial assets and financial liabilities recognised at nominal cost/amortised cost in the consolidated financial statements approximate their fair values. In respect of non current trade receivables and loans, fair value is determined by using discount rates that reflect the present borrowing rate of the group.
- 2 A substantial portion of the group's long-term debt has been contracted at floating rates of interest, which are reset at short intervals. Fair value of variable interest rate borrowings approximates their carrying value subject to adjustments made for transaction cost. In respect of fixed interest rate borrowings, fair value is determined by using discount rates that reflects the present borrowing rate of the group.
- 3 Investments (other than Investments in Associates and Joint Venture being accounted based on equity method) traded in active market are determined by reference to the quotes from the Stock exchanges as at the reporting date. Quoted Investments for which quotations are not available have been included in the market value at the face value/paid up value, whichever is lower except in case of debentures, bonds and government securities where the net present value at current yeild to maturity have been considered. Unquoted investments in shares have been valued based on the historical net asset value as per the latest audited financial statements and wherever the same is not available, alternate available inputs are considered for the purpose of valuations.
- 4 The fair value of derivative financial instruments is determined based on observable market inputs including currency spot and forward rates, yield curves, currency volatility etc. These derivatives are estimated by using the pricing models, where the inputs to those models are based on readily observable market parameters, contractual terms, period to maturity, maturity parameters and foreign exchange rates. These models do not contain a high level of subjectivity as the valuation techniques used do not require significant judgement, and inputs thereto are readily observable from market rates. The said valuation has been carried out by the counter party with whom the contract has been entered with and management has evaluated the credit and non-performance risks associated with the counterparties and believes them to be insignificant and not requiring any credit adjustments.

2 During the year ended March 31, 2020 and March 31, 2019, there were no transfers between Level 1, Level 2 and Level 3.

3 The Inputs used in fair valuation measurement are as follows:

- Fair valuation of Financial assets and liabilities not within the operating cycle of the Group is amortised based on the borrowing rate of the Group.
- Derivative financial instruments are valued based on quoted prices for similar assets and liabilities in active markets or inputs that are directly or indirectly observable in the marketplace. The inputs used for forward contracts are Forward foreign currency exchange rates and Interest rates to discount future cash flow.
- Unquoted investments in equity shares have been valued based on the amount available to shareholder's as per the latest audited financial statements wherever available. Further external observable inputs or assumptions have been used in the valuation of equity shares in other cases.

d) Derivatives financial assets and liabilities :

Within the Group, derivatives instruments are largely entered into by the parent company. The parent company follows established risk management policies, including the use of derivatives to hedge its exposure to foreign currency fluctuations on foreign currency assets / liabilities. The counter party in these derivative instruments is a bank and the group considers the risks of non-performance by the counterparty as non-material.

(i) The following tables present the aggregate contracted principal amounts of the parent Company's derivative contracts outstanding:

(iv) The parent company has entered into USD INR Currency Swap to hedge both the principal and interest payments of the borrowing from bank amounting to USD 16.62 Mn. The critical terms of both the hedging instrument (i.e the Full currency swap) and the hedged item (i.e the borrowing) are closely aligned, thereby establishing an economic relationship between them. The Currency Swap is hence designated as hedging instrument in cash flow hedges. As the economic relationship ceases to exist during the previous year, cash flow hedge reserve has been transferred to statement of profit and loss during the year ended 31.03.2019.

e) Sale of Financial Assets

In the normal course of business, the Group transfers its bill receivables to banks. Under the terms of the agreements, the Group surrenders control over the financial assets and the transfer is with recourse. Under arrangement with recourse, the Group is obligated to repurchase the uncollected financial assets, subject to limits specified in the agreement with banks. As at March 31, 2020 and March 31, 2019 the maximum amount of recourse obligation in respect of financial assets are Rs 1,33,58.97 lakhs and Rs. 46,70.54 lakhs respectively.

f) Financial Risk Factors

The Group's activities are exposed to variety of financial risks. The key financial risks includes market risk, credit risk and liquidity risk. The Group's focus is to foresee the unpredictability of financial markets and seek to minimise potential adverse effects on its financial performance. The respective entity's Board of Directors reviews and approves policies for managing these risks. The risks are governed by appropriate policies and procedures and accordingly financial risks are identified, measured and managed in accordance with the Group's policies and risk objectives.

1 Market Risk

Market risk is the risk or uncertainty arising from possible market fluctuations resulting in variation in the fair value of future cash flows of a financial instrument. The major components of Market risks are currency risk, interest rate risk and other price risk. Financial instruments affected by market risk includes trade receivables, borrowings, investments and trade and other payables.

i) Foreign Currency Risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Group's exposure to the risk of changes in foreign exchange rates relates primarily to the Group's foreign currency denominated borrowings, trade receivables and trade or other payables. Each entity comprising the Group manages its own currency risk. The following explains the process followed by the company, being the largest component of the Group.

The group has adopted a comprehensive risk management review system wherein it actively hedges its foreign exchange exposures within defined parameters through use of hedging instruments such as forward contracts, options and swaps. The group periodically reviews its risk management initiatives and also takes experts advice on regular basis on hedging strategy.

The amount of various exposures to foreign currency as at the end of the reporting period are as follows:

As at March 31, 2020

Particulars	Trade receivables	Loans and borrowings	Trade payables & Other Current Liabilities	Net Assets/ (Liabilities)
USD #	1,09,75.66	3,31,43.17	1,18,44.07	(3,40,11.58)
EURO	2,09,38.55	-	1,42.85	2,07,95.70

TOTAL	3,73,31.28	3,31,43.17	1,20,49.50	(78,61.39)

Trade receivables and Loans and Borrowings includes Rs 6,81.94 lakhs towards bill discounting.

Notes to Consolidated Financial Statements for the year ended March 31, 2020 (Contd.)

(Amount Rs. in lakhs)

As at March 31, 2019

Particulars	Trade receivables	Loans and borrowings	Trade payables & Other Current Liabilities	Net Assets/ (Liabilities)
USD #	1,04,09.31	4,79,05.40	2,57,39.87	(6,32,35.96)
EURO	1,53,83.23	-	74.50	1,53,08.73
GBP	58,08.29	-	25.41	57,82.88
SGD	15,94.27	-	-	15,94.27
AED	-	-	0.83	(0.83)
AUD	-	-	-	-
TOTAL	3,31,95.10	4,79,05.40	2,58,40.61	(4,05,50.91)

Trade receivables and Loans and Borrowings includes Rs 336.83 lakhs towards bill discounting.

Note:- The above foreign currency risk exposure is without considering the elimination of Intra group balances.

Derivative financial assets and liabilities dealing with outstanding derivative contracts and unhedged foreign currency exposure has been detailed in earlier paras. Unhedged foreign currency exposure is primarily on account of long term foreign currency borrowings for which hedge cover is taken as per the policy followed by the group depending upon the remaining period of maturity of the installments falling due for payment.

The following table demonstrates the sensitivity in the USD, Euro, GBP and other currencies to the Indian Rupee with all other variables held constant. The impact on the Group's profit/(loss) before tax in the fair value of monetary assets and liabilities is given below:

Particulars	Effect on Profit before tax	
	For the year ended March 31, 2020	For the year ended March 31, 2019
RECEIVABLES (Weaking of INR by 5%)		
USD	5,75.77	2,73.77
EURO	66.53	-
GBP	15.83	-
SGD	17.46	3.30
PAYABLES (Weaking of INR by 5%)		
USD	(9,93.47)	(10,35.03)
EURO	(7.14)	(3.73)
GBP	(2.54)	(1.27)
SGD	(0.45)	-
AED	(0.02)	-
AUD	(0.12)	-

A 5% strengthening of INR would have an equal and opposite effect on the Group's consolidated financial statements

ii) Interest rate risk

The Group's exposure in market risk relating to change in interest rate primarily arises from floating rate borrowing with banks and financial institutions. Borrowings at fixed interest rate exposes the Group to the fair value interest rate risk. The Company comprising of the largest component of the Group has entered into interest rate swap contracts in respect of certain foreign currency borrowings whereby interest at an agreed rate are to be applied on agreed upon principal amount. The Group maintains a portfolio mix of fixed and floating rate borrowings. As at March 31, 2020, after taking into account interest rate swaps, approximately 36.49% (March 31, 2019: 44.28%) of the company's borrowings become fixed rate interest borrowing.

Further there are deposits with banks which are for short term period are exposed to interest rate risk, falling due for renewal. These deposits are however generally for trade purposes as such do not cause material implication.

With all other variables held constant, the following table demonstrates the impact of the borrowing cost on floating rate portion of loans and borrowings and excluding loans on which interest rate swaps are taken.

**Notes to Consolidated Financial Statements** for the year ended March 31, 2020 (Contd.)

(Amount Rs. in lakhs)

Nature of Borrowing	Increase in basis points	For the year ended March 31, 2020	For the year ended March 31, 2019
Rupee Loan	+0.50	4,40.22	4,39.57
Borrowings in local currency by other entity of the Group	+0.25	46.50	35.64
Foreign Currency Loan	+0.25	23.04	9.63

A decrease in 0.50 basis point in Rupee Loan and 0.25 basis point in Foreign Currency Loan and Borrowings in local currency by other entity of the Group would have an equal and opposite effect on the Group's consolidated financial statements.

iii) Other price risk

The Group is not an active investor in equity markets; it continue to hold certain investment for long term value accretion which are accordingly measured at fair value through other comprehensive income. Further, the company comprising of the largest component of the Group measures current investments at fair valued through profit and loss and are not material. Accordingly, other price risk of the financial instrument to which the company is exposed is not expected to be material.

2 Credit Risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Group is exposed to credit risk from its operating activities (primarily trade receivables). Each entity comprising the Group, manages its own credit risks. The Group has a credit policy in place and the exposure to credit risk is monitored on an ongoing basis. Major water infrastructure projects are Government funded or foreign aided and the risk involved in payment default is minimum with respect to these customers. Export receivables primarily made from subsidiaries is covered under Credit Insurance. The Group periodically assesses the financial reliability of customers, taking into account the financial condition, current economic trends and ageing of accounts receivable. Individual risk limits are set accordingly and the Group obtains necessary security including letter of credits and/or bank guarantee to mitigate.

The carrying amount of respective financial assets recognised in the consolidated financial statements, (net of impairment losses) represents the Group's maximum exposure to credit risk. The concentration of credit risk is limited due to the customer base being large and unrelated. Of the trade receivables balance at the end of the year, there are no single customer accounted for more than 10% of the accounts receivable and 10% of revenue as at March 31, 2020 and March 31, 2019.

The Group extends credit to customers as per the internal credit policy. Any deviation are approved by appropriate authorities, after due consideration of the customers credentials and financial capacity, trade practices and prevailing business and economic conditions. The Group's historical experience of collecting receivables and the level of default indicate that credit risk is low and generally uniform across markets; consequently, trade receivables are considered to be a single class of financial assets. All overdue customer balances are evaluated taking into account the age of the dues, specific credit circumstances, the track record of the customers etc. Group computes credit loss allowance based on a provision matrix based on historically observed default rates over the expected life of trade receivables and is adjusted for forward-looking estimates.

Financial assets that are neither past due nor impaired

Cash and cash equivalents, investment and deposits with banks are neither past due nor impaired. Cash and cash equivalents with banks are held with reputed and credit worthy banking institutions.

Financial assets that are past due but not impaired

Trade receivables amounts that are past due at the end of the reporting period against which no credit losses has been expected to arise.

3 Liquidity Risk

Liquidity risk is defined as the risk that the Group will not be able to settle or meet its obligations on time or at a reasonable price. Each entity comprising of the Group manages its liquidity risk. The Group's objective is to maintain optimum level of liquidity to meet its cash and collateral requirements at all times. The Group's assets represented by financial instruments comprising of receivables, and those relating to Parbatpur Coal mines (refer note no. 50) are largely by borrowed funds funded against borrowed funds. The Group relies on borrowings and internal accruals to meet its fund requirement. The current committed line of credit are sufficient to meet its short to medium term fund requirement.

i) Liquidity and interest risk tables

The following tables detail the Group's remaining contractual maturity for its non-derivative financial liabilities with agreed repayment periods. The tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Group can be required to pay. The tables include both interest and principal cash flows as at Balance Sheet date:

(Amount Rs. in lakhs)

49. (a) In pursuance of the Order dated September 24, 2014 issued by the Hon'ble Supreme Court of India (the Order) followed by the Ordinance promulgated by the Government of India, Ministry of Law & Justice (legislative department) dated October 21, 2014 (Ordinance) for implementing the Order, allotment of Parbatpur coal block (coal block/mines) to the Parent company which was under advanced stage of implementation, had been cancelled w.e.f. April 01, 2015. In terms of the Ordinance, the Parent company was allowed to continue the operations in the said block till March 31, 2015. Accordingly, the said block had been handed over to Bharat Coking Coal Limited (BCCL) as per the direction from Coal India Ltd. (CIL) with effect from April 01, 2015 and the same has been subsequently allotted to Steel Authority of India Limited (SAIL).

Following a petition filed by the Parent company, the Hon'ble High Court at Delhi had pronounced its judgement on March 09, 2017. Accordingly based on the said judgement, the Parent company has claimed Rs.15,31,76.00 lakhs towards compensation against the said coal block, acceptance whereof is awaited. Aggrieved due to delay in acceptance of claim and on a petition filed by the Parent company, the Hon'ble High Court had directed the Nominated Authority appointed under Ministry of Coal to determine the compensation. Earlier the Nominated Authority had upheld its decision of compensation already paid and the same was set aside by the Hon'ble High Court with a direction to the Nominated authority to reconsider. The Nominated authority further passed an order dated 11.11.2019 awarding an additional compensation of Rs. 1,80.00 lakhs and with a further direction to re-determine the value of certain assets by the appropriate authority. The Parent company has approached the newly appointed Nominated Authority/ Ministry of Coal to reconsider the compensation determined by the previous Nominated Authority vide its order dated 11.11.2019 and grant an opportunity to present its case and also exploring other

II. Audit Qualification (each audit qualification separately):**a. Details of Audit Qualification:**

Attention has been drawn by the Auditors' under the heading "Basis of Qualified Opinion" of the Auditors' Report to the following notes of the financial results for the quarter and year ended 31st March 2020 -

Sub Para (a): Note no. 4 in respect to cancellation of coal block allotted to the company in earlier years and non-recognition of the claims receipt thereof & non-carrying of any adjustment in the books of accounts for the reasons stated in the note. Pending finalisation of the matter & as the matter is sub judice, disclosures as per Indian Accounting standard will be given effect on final settlement of the matter & the balances appearing in the books of accounts in respect to such coal block have been carried forward at their carrying cost and disclosed as capital work in progress, property plant & equipment, inventories and other heads of account. The impact and consequential adjustment thereof are not presently ascertainable.

Sub Para (b): Note No. 6 in respect to Company's investment amounting to Rs. 1653.76 lakhs in Electrosteel Steels Limited (ESL), the pledge of which was invoked by the lenders of ESL and the same has been set aside by the Hon'ble High Court at Calcutta. The plea of the company to release the pledge is pending before the Hon'ble Calcutta High Court. Further certain fixed assets of Elavur plant of the Company which are mortgaged in favour of a Lender of ESL, who has assigned their rights to another entity and the symbolic possession has been taken during the quarter ended June 30, 2019, has been disputed by the company as enumerated in the note. Above exposures have been carried forward at their existing carrying value & no impairment has been provided in respect to above and the impact of which is not presently ascertainable.

Sub Para (c): Note No 7 in respect to carry forward of claim recoverable amounting to Rs. 1778.11 Lakhs towards the compensation claimed from the Railway Authorities as mentioned in the note. The recovery of the same is dependent on the outcome of the arbitration process and is not presently ascertainable.

b. **Type of Audit Qualification:** Qualified Opinion / Disclaimer of Opinion / Adverse Opinion.

c. **Frequency of qualification:** Whether appeared first time / repetitive / since how long continuing – Note no. 4 since financial year 2014-15, Note no. 6 since financial year 2017-18 and Note no. 7 for the first time.

d. **For Audit Qualification(s) where the impact is quantified by the auditor, Management's Views :** N.A

e. **For Audit Qualification(s) where the impact is not quantified by the auditor :**

(i) **Management's estimation on the impact of audit qualification : N.A**

(ii) **If management is unable to estimate the impact, reasons for the same:**

Sub Para (a) – In pursuance of the Order dated September 24, 2014 issued by the Hon'ble Supreme Court of India (the Order) followed by the Ordinance promulgated by the Government of India, Ministry of Law & Justice (legislative department) dated October 21, 2014 (Ordinance) for implementing the Order, allotment of Parbatpur coal block (coal block/mines) to the Company which was under advanced stage of implementation, had been cancelled w.e.f. April 01, 2015. In terms of the Ordinance, the Company was allowed to continue the operations in the said block till March 31, 2015. Accordingly, the said block had been handed over to Bharat Coking Coal Limited (BCCL) as per the direction from Coal India Ltd. (CIL) with effect from April 01, 2015 and the same has been subsequently allotted to Steel Authority of India Limited (SAIL).

Following a petition filed by the Company, the Hon'ble High Court at Delhi had pronounced its judgement on March 09, 2017. Accordingly based on the said judgement, the Company has claimed Rs.153176.00 lakhs towards compensation against the said coal block, acceptance whereof is awaited. Aggrieved due to delay in acceptance of claim and on a petition filed by the Company, the Hon'ble High Court had directed the Nominated Authority appointed under Ministry of Coal to determine the compensation. Earlier the Nominated Authority had upheld its decision of compensation already paid and the same was set aside by the Hon'ble High Court with a direction to the Nominated authority to reconsider. The Nominated authority further passed an order dated 11.11.2019 awarding an additional compensation of Rs. 180 lakhs and with a further direction to re-determine the value of certain assets by the appropriate authority. The Company has approached the newly appointed Nominated Authority/ Ministry of Coal to reconsider the compensation determined by the previous Nominated Authority vide its order dated 11.11.2019 and grant an opportunity to present its case and also exploring other possibilities.

Pending finalisation of the matter as above;

- (i) Rs.128884.11 lakhs incurred pertaining to the coal block till March 31, 2015 after setting off income, stocks etc. there against as per the accounting policy then followed by the Company has been continued to be shown as freehold land, capital work in progress, other fixed assets and other respective heads of account;
- (ii) Interest and other finance cost for the year ended March 31, 2016 against the fund borrowed and other expenses directly attributable in this respect amounting to Rs. 9514.74 lakhs has been considered as other recoverable under current assets; and
- (iii) Compensation of Rs. 8312.34 lakhs so far received and net realisations/claims against sale of assets, advances, input credits etc. amounting to Rs. 2054.70 lakhs have been adjusted.

Disclosure as per Indian Accounting Standard and adjustments arising with respect to above will be given effect to on final acceptance/ settlement of the claim.

Sub Para (b) - In view of approved resolution plan as confirmed by Hon'ble National Company Law Appellate Tribunal (NCLAT) by its order dated August 10, 2018 and pursuant to issuance of additional Equity Shares by Electrosteel Steels Limited (ESL) for giving impact of the resolution plan, ESL had ceased to be an associate of the Company during the quarter ended June 30, 2018. To comply with the requirements of Ind AS 109 "Financial Instruments", the Company had fair valued the investment in ESL and a sum of Rs. 57868.38 lakhs representing difference between the carrying value of said investment and fair value on the date of change of status was considered as exceptional item in statement of Profit and Loss in the quarter ended June 30, 2018.

The Company had elected the option under the said Ind AS to present the subsequent fair value changes of the said investment through Other Comprehensive Income. Further in terms of the approved resolution plan, advances and trade receivable amounting to Rs. 21121.70 lakhs receivable from ESL was written off during the quarter ended September 2018 shown as exceptional item in the statement of Profit and Loss.

During the quarter ending December 2018, shares of ESL were delisted and Vedanta Star Limited (holding company of ESL) has made an exit offer to the shareholders of ESL at a price of Rs. 9.54 per share which was open till December 20, 2019. Due to delisting of Electrosteel Steels Limited (ESL) and in absence of other available ways of valuation, the Company has continued to consider the exit price, which was open till December 20, 2019, as the basis of valuation of Investment in ESL.

Further 1,73,34,999 equity shares of Rs. 10 each in ESL amounting to Rs. 1653.76 lakhs as on March 31, 2019 are pledged with the lenders of the ESL. The consortium of the lenders of ESL had issued notice for the invocation of pledged shares which has been disputed by the Company and on the plea filed by the Company, the Hon'ble High Court of Calcutta has set aside the notices issued by the lenders. The Company's plea for release of the pledge is pending before the Hon'ble Court.

One of the lenders of ESL in whose favour the Company had mortgaged certain Land & Building amounting to Rs. 29571.05 lakhs of the Company situated at Elavur, Tamilnadu, has assigned its rights in favour of another entity which has been disputed by the company. Pending settlement of the matter, these assets have been carried forward at their carrying book value.

Sub Para (c): As reported earlier, the Railway Authorities had withdrawn the permission of operation of Railway siding under construction which is situated at Haldia, West Bengal. The company has claimed the compensation from the Railway Authorities for the amount incurred for the said siding which was denied and the matter is under arbitration based on the direction of Hon'ble High Court at Kolkata. Pending arbitration proceedings, the company has recognised a charge of Rs. 2318.35 lakhs during the quarter and a balance amounting to Rs. 1778.11 lakhs has been considered recoverable by the management of the company and shown as "Other Financial Assets" under the "Current Assets".

(iii) Auditors' Comments on (i) or (ii) above :

As stated herein above, the impact with respect to above and consequential adjustments cannot be ascertained by the management and as such cannot be commented upon by us.

In our opinion and to the best of our information and according to the explanations given to us the aforesaid standalone annual financial Statement:

- (a) are presented in accordance with the requirements of Regulation 33 of the Listing Regulations in this regard; and
- (b) except for the possible effect of the matter described in 'Basis for Qualified Opinion' paragraph below, gives a true and fair view in conformity with the recognition and measurement principles laid down in the applicable Indian Accounting Standards (IND AS) and other accounting principles generally accepted in India of the net profit and other comprehensive income and other financial information for the year ended 31st March 2021.

Basis of Qualified Opinion

Attention is drawn to the following notes of the accompanying standalone financial results:

- (a) Note no. 4 in respect to cancellation of coal block allotted to the company in earlier years and non-recognition of the claims receipt thereof & non-carrying of any adjustment in the books of accounts for the reasons stated in the note. Pending finalisation of the matter & as the matter is sub judice, disclosures as per Indian Accounting standard will be given effect on final settlement of the matter & the balances appearing in the books of accounts in respect to such coal block have been carried forward at their carrying cost and disclosed as capital work in progress, property plant & equipment, inventories and other heads of account. The impact and consequential adjustment thereof are not presently ascertainable.
- (b) Note No. 6 in respect to Company's investment amounting to Rs. 3612.61 lakhs in Electrosteel Steels Limited (ESL), the pledge of which was invoked by the lenders of ESL and the same has been set aside by the Hon'ble High Court at Calcutta. The plea of the company to release the pledge is pending before the Hon'ble High Court at Calcutta. Further the Land of Elavur plant of the Company which is mortgaged in favour of a Lender of ESL, who has assigned their rights to another entity and the symbolic possession has been taken in the previous year, has been disputed by the company as enumerated in the note. Above exposures have been carried forward at their existing carrying value & no impairment has been provided in respect to above and the impact of which is not presently ascertainable.

- (c) Note No 7 in respect to carry forward of claim recoverable amounting to Rs. 1778.11 Lakhs towards the compensation claimed from the Railway Authorities as mentioned in the note. The recovery of the same is dependent on the outcome of the arbitration process and is not presently ascertainable.

Impacts with respect to (a),(b) & (c) above are presently not ascertainable and as such cannot be commented upon by us.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013 ("the Act"). Our responsibilities under those SA are further described in the *Auditor's Responsibilities for the Audit of Standalone Annual Financial Results* section of our report. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our qualified opinion on the standalone annual financial results.

Management's and Board of Directors' Responsibilities of the Standalone Annual Financial Results

These standalone annual results have been prepared on the basis of the standalone annual financial statements.

The Company's Management and the Board of Directors are responsible for the preparation and presentation of the Statement that gives a true and fair view of the net profit and other comprehensive income of the Company and other financial information in accordance with the applicable accounting standards prescribed under Section 133 of the Act read with relevant rules issued there under and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone annual financial results, the Management and the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The company's management and the Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Results

Our objectives are to obtain reasonable assurance about whether the Statement as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the Statement.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion through a separate report on the complete set of standalone financial statements whether the company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management and Board of Directors.
- Conclude on the appropriateness of the Management and Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the Statement represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Materiality is the magnitude of misstatements in the standalone financial results that individually or in aggregate, make it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial results may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial results.

Other Matter

The standalone annual financial results include the results for the quarter ended 31st March, 2021 being the balancing figure between the audited figures in respect of the full financial year and the published unaudited year to date figures up to the third quarter of the current financial year which were subject to limited review by us as required under the listing regulations.

Notes:

1. The above standalone financial results which have been prepared in accordance with Regulation 33 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 read with SEBI circular dated July 5, 2016, have been reviewed by the Audit Committee and approved by the Board of Directors at their meeting held on May 20, 2021. These results have been subjected to Audit by the Statutory Auditors.
2. The Company operates mainly in one business segment viz. Pipes and all other activities revolve around the main business.
3. Due to delay in grant of forest, environment and other clearances from various authorities and execution of mining lease of an area of 192.50 ha. by the State Government of Jharkhand for iron and manganese ores at Dirsumburu in Kodilabad Reserve Forest, Saranda of West Singhbhum, Jharkhand, the validity period of letter of intent granted in this respect expired on January 11, 2017. The Company filed a writ petition before the Hon'ble High Court at Jharkhand on January 10, 2017, praying inter-alia for direction for grant of said lease in favour of the Company. The Hon'ble High Court in its order while observed, being not averse in granting relief with respect to cut off date, admitted the said petition and fixed the case for further hearing and adjudication. Pending decision of the Hon'ble High Court, Rs. 3895.26 lakhs so far incurred in connection with these Mines/related facilities, have been carried forward under respective heads of fixed assets, capital work in progress and advances.
4. In pursuance of the Order dated September 24, 2014 issued by the Hon'ble Supreme Court of India (the Order) followed by the Ordinance promulgated by the Government of India, Ministry of Law & Justice (legislative department) dated October 21, 2014 (Ordinance) for implementing the Order, allotment of Parbatpur coal block (coal block/mines) to the Company which was under advanced stage of implementation, had been cancelled w.e.f. April 01, 2015. In terms of the Ordinance, the Company was allowed to continue the operations in the said block till March 31, 2015. Accordingly, the said block had been handed over to Bharat Coking Coal Limited (BCCL) as per the direction from Coal India Ltd. (CIL) with effect from April 01, 2015 and the same has been subsequently allotted to Steel Authority of India Limited (SAIL). The company also understand that the SAIL has handed over back the said coal block to the custody of BCCL.

Following a petition filed by the Company, the Hon'ble High Court at Delhi had pronounced its judgement on March 09, 2017. Accordingly based on the said judgement, the Company has claimed Rs.153176.00 lakhs towards compensation against the said coal block, acceptance whereof is awaited. Aggrieved due to delay in acceptance of claim and on a petition filed by the Company, the Hon'ble High Court had directed the Nominated Authority appointed under Ministry of Coal to determine the compensation. Earlier the Nominated Authority had upheld its decision of compensation already paid and the same was set aside by the Hon'ble High Court with a direction to the Nominated authority to reconsider. The Nominated authority further passed an order dated 11.11.2019 awarding an additional compensation of Rs. 180 lakhs and with a further direction to re-determine the value of certain assets by the appropriate authority. The newly appointed Nominated Authority had appointed a valuer to determine the value of those specified assets as per the direction of Nominated Authority dated 11.11.2019 and the process of valuation is under progress as per the available information. The company has also approached the newly appointed Nominated Authority/ Ministry of Coal to reconsider the compensation determined by the previous Nominated Authority and also exploring other possibilities.

Pending finalisation of the matter as above;

- (i) Rs.128884.11 lakhs incurred pertaining to the coal block till March 31, 2015 after setting off income, stocks etc. there against as per the accounting policy then followed by the Company has been continued to be shown as freehold land, capital work in progress, other fixed assets and other respective heads of account;
- (ii) Interest and other finance cost for the year ended March 31, 2016 against the fund borrowed and other expenses directly attributable in this respect amounting to Rs. 9514.74 lakhs has been considered as other recoverable under current assets; and
- (iii) Compensation of Rs. 8312.34 lakhs so far received and net realisations/claims against sale of assets, advances, input credits etc. amounting to Rs. 2054.70 lakhs have been adjusted.

Disclosure as per Indian Accounting Standard and adjustments arising with respect to above will be given effect to on final acceptance/settlement of the claim.

5. In terms of the Hon'ble Supreme Court Order as referred above, North Dhadhu Coal Block, allotted in joint venture with other companies, has also been cancelled w.e.f. September 24, 2014. The Company barring initial contribution of Rs. 822.81 lakhs and Company's share of bank guarantee amounting to Rs. 2745.00 lakhs (encashment of which has been stayed by Hon'ble High Court at Jharkhand) has not made any further investments in the said joint venture company. In view of the management, the compensation to be received in terms of the "The Coal Mines (Special Provision) Ordinance 2014" is expected to cover the cost incurred by the Joint Venture Company. However as an abundant precaution, impairment in the value of the investment amounting to Rs. 822.81 lakhs in Joint venture was made in the previous year. In view of stay order by Hon'ble High Court, no provision in the share of the said bank guarantee has been considered necessary.
6. During the quarter, the company has fair valued the equity shares of Electrosteel Steels Limited (ESL) based on the fair valuation report obtained and a gain of Rs. 2462.95 lakhs has been accounted for in other comprehensive Income.

Further the notices issued by the consortium of lenders of ESL for invocation of pledge of company's investment of 173,34,999 equity shares of Rs. 10 each in ESL amounting to Rs. 3612.61 lakhs was set aside by the Hon'ble High Court at Calcutta. The plea of the company for release of the pledge is pending before the Hon'ble Court.

In the earlier years, certain land amounting to Rs. 29493.58 lakhs (value as at 31-03-2021) of the company, situated at Elavur, Tamilnadu, were mortgaged to a lender of ESL and the lender had subsequently assigned the right of the said property to a third party although the claims of the said lender were fully settled by the ESL as per the approved Resolution Plan of NCLT. Further the third party had taken the symbolic possession of the said property in the previous year. The Company had disputed the assignment by the lender and filed an appeal before the Commercial Appellate, Hon'ble Madras High Court for deciding the appropriate forum wherein company can file the suit for release of such property. The Madras High Court has granted injunction and the matter is sub judice. Pending finalization of the matter, these assets have been carried forward at their carrying book value.

7. As reported earlier, the Railway Authorities had withdrawn the permission of operation of Railway siding under construction which is situated at Haldia, West Bengal. The company has claimed the compensation from the Railway Authorities for the amount incurred for the said siding which was denied and the matter is under arbitration based on the direction of Hon'ble High Court at Calcutta. Pending arbitration proceedings, the company had recognised a charge of Rs. 2318.35 lakhs during the previous year and the balance amounting to Rs. 1778.11 lakhs has been considered recoverable by the company and shown as "Other Financial Assets" under the "Current Assets".
8. The Company's operations and financial results for the first quarter were adversely impacted due to stoppage of operations for more than two months' full lock down due to outbreak of COVID-19 pandemic. Thereafter it took nearly another two months for attaining back full production level. In view of the impact of pandemic, the results for the year ended March 31, 2021 are, therefore, not comparable with those of comparative year ended March 31, 2020. The Company has also considered the possible effects that may result from the pandemic relating to COVID-19 on the carrying amounts of property, plant and equipment, Investments, Inventories, receivables and other current assets. The company has performed sensitivity analysis on the assumptions used and expects to recover the carrying amount of these assets.
9. The Board of Directors of the Company at its meeting held on October 5, 2020, had approved a scheme of amalgamation between the Company and Srikalahasthi Pipes Limited (SPL) wherein w.e.f the appointed date i.e. October 1, 2020, SPL will merge with the Company on a going concern basis subject to obtaining of necessary approvals. Pending such approvals, no adjustment has been carried out in the books of the accounts.
10. The Board of Directors have recommended a dividend of Re. 0.25 per share (i.e. 25%), subject to approval of the shareholders in the ensuing Annual General Meeting.
11. The Code on Social Security,2020 ('Code') relating to various employee benefits has received Presidential assent in September 2020. The Code has been published in the Gazette of India. However, the date on which the Code will come into effect has not been yet notified. The Company will assess the impact of the Code when it comes into effect and will account for any related impact in the period the Code becomes effective.
12. The figures for the quarter ended March 31, 2021 and March 31, 2020 are the balancing figures between the audited figures in respect of the full financial and the year to date upto December 31 of the respective years which have been subjected to Limited Review by the Statutory Auditors.
13. Previous periods' figures have been regrouped/rearranged wherever necessary.

a. Details of Audit Qualification:

Attention has been drawn by the Auditors' under the heading "Basis of Qualified Opinion" of the Auditors' Report to the following notes of the financial results for the quarter and year ended 31st March 2021 -

Sub Para (a): Note no. 4 in respect to cancellation of coal block allotted to the company in earlier years and non-recognition of the claims receipt thereof & non-carrying of any adjustment in the books of accounts for the reasons stated in the note. Pending finalisation of the matter & as the matter is sub-judice, disclosures as per Indian Accounting standard will be given effect on final settlement of the matter & the balances appearing in the books of accounts in respect to such coal block have been carried forward at their carrying cost and disclosed as capital work in progress, property plant & equipment, inventories and other heads of account. The impact and consequential adjustment thereof are not presently ascertainable.

Sub Para (b): Note No. 6 in respect to Company's investment amounting to Rs. 3612.61 lakhs in Electrosteel Steels Limited (ESL), the pledge of which was invoked by the lenders of ESL and the same has been set aside by the Hon'ble High Court at Calcutta. The plea of the company to release the pledge is pending before the Hon'ble High Court at Calcutta. Further the Land of Elavur plant of the Company which is mortgaged in favour of a Lender of ESL, who has assigned their rights to another entity and the symbolic possession has been taken in the previous year, has been disputed by the company as enumerated in the note. Above

exposures have been carried forward at their existing carrying value & no impairment has been provided in respect to above and the impact of which is not presently ascertainable.

Sub Para (c): Note No 7 in respect to carry forward of claim recoverable amounting to Rs. 1778.11 Lakhs towards the compensation claimed from the Railway Authorities as mentioned in the note. The recovery of the same is dependent on the outcome of the arbitration process and is not presently ascertainable.

- b. Type of Audit Qualification:** Qualified Opinion / Disclaimer of Opinion / Adverse Opinion
- c. Frequency of qualification:** Whether appeared first time / repetitive / since how long continuing – Note no. 4 since financial year 2014-15, Note no. 6 since financial year 2017-18 and Note no. 7 since financial year 2019-20.
- d. For Audit Qualification(s) where the impact is quantified by the auditor, Management's Views:**
N.A
- e. For Audit Qualification(s) where the impact is not quantified by the auditor:**
- (i) Management's estimation on the impact of audit qualification: N.A
- (ii) If management is unable to estimate the impact, reasons for the same:

Sub Para (a) – In pursuance of the Order dated September 24, 2014 issued by the Hon'ble Supreme Court of India (the Order) followed by the Ordinance promulgated by the Government of India, Ministry of Law & Justice (legislative department) dated October 21, 2014 (Ordinance) for implementing the Order, allotment of Parbatpur coal block (coal block/mines) to the Company which was under advanced stage of implementation, had been cancelled w.e.f. April 01, 2015. In terms of the Ordinance, the Company was allowed to continue the operations in the said block till March 31, 2015. Accordingly, the said block had been handed over to Bharat Coking Coal Limited (BCCL) as per the direction from Coal India Ltd. (CIL) with effect from April 01, 2015 and the same has been subsequently allotted to Steel Authority of India Limited (SAIL). The company also understand that the SAIL has handed over back the said coal block to the custody of BCCL.

Following a petition filed by the Company, the Hon'ble High Court at Delhi had pronounced its judgement on March 09, 2017. Accordingly based on the said judgement, the Company has claimed Rs.153176.00 lakhs towards compensation against the said coal block, acceptance whereof is awaited. Aggrieved due to delay in acceptance of claim and on a petition filed by the Company, the Hon'ble High Court had directed the Nominated Authority appointed under Ministry of Coal to determine the compensation. Earlier the Nominated Authority had upheld its decision of compensation already paid and the same was set aside by the Hon'ble High Court with a direction to the Nominated authority to reconsider. The Nominated authority further passed an order dated 11.11.2019 awarding an additional compensation of Rs. 180 lakhs and with a further direction to re-determine the value of certain assets by the appropriate authority. The newly appointed Nominated Authority had appointed a valuer to determine the value of those specified assets as per the direction of Nominated Authority dated 11.11.2019 and the process of valuation is under progress as per the available information. The company has also approached the newly appointed Nominated Authority/ Ministry of Coal to reconsider the compensation determined by the previous Nominated Authority and also exploring other possibilities.

Pending finalisation of the matter as above;

(i) Rs.128884.11 lakhs incurred pertaining to the coal block till March 31, 2015 after setting off income, stocks etc. there against as per the accounting policy then followed by the Company has

been continued to be shown as freehold land, capital work in progress, other fixed assets and other respective heads of account;

(ii) Interest and other finance cost for the year ended March 31, 2016 against the fund borrowed and other expenses directly attributable in this respect amounting to Rs. 9514.74 lakhs has been considered as other recoverable under current assets; and

(iii) Compensation of Rs. 8312.34 lakhs so far received and net realisations/claims against sale of assets, advances, input credits etc. amounting to Rs. 2054.70 lakhs have been adjusted.

Disclosure as per Indian Accounting Standard and adjustments arising with respect to above will be given effect to on final acceptance/settlement of the claim.

Sub Para (b) - In view of approved resolution plan as confirmed by Hon'ble National Company Law Appellate Tribunal (NCLAT) by its order dated August 10, 2018 and pursuant to issuance of additional Equity Shares by Electrosteel Steels Limited (ESL) for giving impact of the resolution plan, ESL had ceased to be an associate of the Company during the quarter ended June 30, 2018. To comply with the requirements of Ind AS 109 "Financial Instruments", the Company had fair valued the investment in ESL and a sum of Rs. 57868.38 lakhs representing difference between the carrying value of said investment and fair value on the date of change of status was considered as exceptional item in statement of Profit and Loss in the quarter ended June 30, 2018.

The Company had elected the option under the said Ind AS to present the subsequent fair value changes of the said investment through Other Comprehensive Income. Further in terms of the approved resolution plan, advances and trade receivable amounting to Rs. 21121.70 lakhs receivable from ESL was written off during the quarter ended September 2018 shown as exceptional item in the statement of Profit and Loss.

During the quarter ending December 2018, shares of ESL were delisted and Vedanta Star Limited (holding company of ESL) has made an exit offer to the shareholders of ESL at a price of Rs. 9.54 per share which was open till December 20, 2019. During the quarter, the company has fair valued the equity shares of Electrosteel Steels Limited (ESL) based on the fair valuation report obtained and a gain of Rs. 2462.95 lakhs has been accounted for in other comprehensive income.

Further 1,73,34,999 equity shares of Rs. 10 each in ESL amounting to Rs. 3612.61 lakhs as on March 31, 2021 are pledged with the lenders of the ESL. The consortium of the lenders of ESL had issued notice for the invocation of pledged shares which has been disputed by the Company and on the plea filed by the Company, the Hon'ble High Court of Calcutta has set aside the notices issued by the lenders. The Company's plea for release of the pledge is pending before the Hon'ble Court.

In the earlier years, certain land amounting to Rs. 29493.58 lakhs (value as at 31-03-2021) of the company, situated at Elavur, Tamilnadu, were mortgaged to a lender of ESL and the lender had subsequently assigned the right of the said property to a third party although the claims of the said lender were fully settled by the ESL as per the approved Resolution Plan of NCLT. Further the third party had taken the symbolic possession of the said property in the previous year. The Company had disputed the assignment by the lender and filed an appeal before the Commercial Appellate, Hon'ble Madras High Court for deciding the appropriate forum wherein company can file the suit for release of such property. The Madras High Court has granted injunction and the matter is sub judice. Pending finalization of the matter, these assets have been carried forward at their carrying book value.

Sub Para (c): As reported earlier, the Railway Authorities had withdrawn the permission of operation of Railway siding under construction which is situated at Haldia, West Bengal. The company has

claimed the compensation from the Railway Authorities for the amount incurred for the said siding which was denied and the matter is under arbitration based on the direction of Hon'ble High Court at Kolkata. Pending arbitration proceedings, the company has recognised a charge of Rs. 2318.35 lakhs during the previous year and a balance amounting to Rs. 1778.11 lakhs have been considered recoverable by the management of the company and shown as "Other Financial Assets" under the "Current Assets".

(iii) **Auditors' Comments on (i) or (ii) above:**

As stated herein above, the impact with respect to above and consequential adjustments cannot be ascertained by the management and as such cannot be commented upon by us.

The plea of the company to release the pledge is pending before the Hon'ble High Court at Calcutta. Further, the Land of the Elavur plant of the Company which is mortgaged in favour of a Lender of ESL, who has assigned their rights to another entity and the symbolic possession has been taken in the previous year, has been disputed by the company as enumerated in the note. Above exposures have been carried forward at their existing carrying value & no impairment has been provided in respect to above and the impact of which is not presently ascertainable.
- (c) Note No 7 in respect to carry forward of claim recoverable amounting to Rs. 1778.11 Lakhs towards the compensation claimed from the Railway Authorities as mentioned in the note. The recovery of the same is dependent on the outcome of the arbitration process and is not presently ascertainable.

Impacts with respect to (a), (b) & (c) above are presently not ascertainable and as such cannot be commented upon by us.

We conducted our audit in accordance with the Standards on Auditing ("SAs") specified under section 143(10) of the Companies Act, 2013 ("the Act"). Our responsibilities under those SAs are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Annual Financial Results* section of our report. We are independent of the Group, its associate and its joint venture in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act, and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us along with the consideration of audit reports of the other auditors referred to in "Other Matters" paragraph below, is sufficient and appropriate to provide a basis for our qualified opinion on the consolidated annual financial results.

Management's and Board of Directors' Responsibilities for the Consolidated Annual Financial Results

These consolidated annual financial results have been prepared on the basis of the consolidated annual financial statements.

The Holding Company's Management and the Board of Directors are responsible for the preparation and presentation of these consolidated annual financial results that give a true and fair view of the consolidated net loss and other comprehensive income and other financial information of the Group including its associate and joint venture in accordance with the recognition and measurement principles laid

down in Indian Accounting Standards prescribed under Section 133 of the Act and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations.

The respective Management and Board of Directors of the companies included in the Group and of its associate and joint venture are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of each company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated annual financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated annual financial results by the Management and the Directors of the Holding Company, as aforesaid.

In preparing the consolidated annual financial results, the Management and the respective Board of Directors of the companies included in the Group and of its associate and joint venture are responsible for assessing the ability of each company to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so.

The respective Company's Management and the Board of Directors of the companies included in the Group and of its associate and joint venture are responsible for overseeing the financial reporting process of each company.

Auditor's Responsibilities for the Audit of the Consolidated Annual Financial Results

Our objectives are to obtain reasonable assurance about whether the consolidated annual financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated annual financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated annual financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion through a separate report on the complete set of consolidated annual financial statements on whether the company has adequate internal financial controls with reference to consolidated financial statements in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures in the consolidated annual financial results made by the Management and Board of Directors.
- Conclude on the appropriateness of the Management and Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the appropriateness of this assumption. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated annual financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associate and joint venture to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated annual financial results, including the disclosures, and whether the consolidated annual financial results represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial results/financial information of the entities within the Group and its associate and joint venture to express an opinion on the consolidated annual financial results. We are responsible for the direction, supervision and performance of the audit of financial information of such entities included in the consolidated financial results of which we are the independent auditors. For the other entities included in the consolidated annual financial results, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the consolidated financial results that individually or in aggregate, make it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial results may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial results.

We communicate with those charged with governance of the Holding Company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

We also performed procedures in accordance with the circular No CIR/CFD/CMD1/44/2019 issued by the SEBI under Regulation 33(8) of the Listing Regulations, as amended, to the extent applicable.

Notes:

1. The above consolidated financial results which have been prepared in accordance with Regulation 33 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), have been reviewed by the the Audit Committee and approved by the Board of Directors at their meeting held on May 20, 2021. The consolidated results for the year ended March 31, 2021 have been subjected to the Audit of the Statutory Auditors of the group.
2. The group operates mainly in one business segment viz. Pipes and all other activities revolve around the main business.
3. Due to delay in grant of forest, environment and other clearances from various authorities and execution of mining lease of an area of 192.50 ha. by the State Government of Jharkhand for iron and manganese ores at Dirsumburu in Kodilabad Reserve Forest, Saranda of West Singhbhum, Jharkhand, the validity period of letter of intent granted in this respect expired on January 11, 2017. The parent company filed a writ petition before the Hon'ble High Court at Jharkhand on January 10, 2017, praying inter-alia for direction for grant of said lease in favour of the parent company. The Hon'ble High Court in its order while observed, being not averse in granting relief with respect to cut off date, admitted the said petition and fixed the case for further hearing and adjudication. Pending decision of the Hon'ble High Court, Rs. 3895.26 lakhs so far incurred in connection with these Mines/related facilities, have been carried forward under respective heads of fixed assets, capital work in progress and advances.
4. In pursuance of the Order dated September 24, 2014 issued by the Hon'ble Supreme Court of India (the Order) followed by the Ordinance promulgated by the Government of India, Ministry of Law & Justice (legislative department) dated October 21, 2014 (Ordinance) for implementing the Order, allotment of Parbatpur coal block (coal block/mines) to the parent Company which was under advanced stage of implementation, had been cancelled w.e.f. April 01, 2015. In terms of the Ordinance, the parent Company was allowed to continue the operations in the said block till March 31, 2015. Accordingly, the said block had been handed over to Bharat Coking Coal Limited (BCCL) as per the direction from Coal India Ltd. (CIL) with effect from April 01, 2015 and the same has been subsequently allotted to Steel Authority of India Limited (SAIL). The parent company also understand that the SAIL has handed over back the said coal block to the custody of BCCL.

Following a petition filed by the parent Company, the Hon'ble High Court at Delhi had pronounced its judgement on March 09, 2017. Accordingly based on the said judgement, the parent Company has claimed Rs.153176.00 lakhs towards compensation against the said coal block, acceptance whereof is awaited. Aggrieved due to delay in acceptance of claim and on a petition filed by the parent Company, the Hon'ble High Court had directed the Nominated Authority appointed under Ministry of Coal to determine the compensation. Earlier the Nominated Authority had upheld its decision of compensation already paid and the same was set aside by the Hon'ble High Court with a direction to the Nominated authority to reconsider. The Nominated authority further passed an order dated 11.11.2019 awarding an additional compensation of Rs. 180 lakhs and with a further direction to re-determine the value of certain assets by the appropriate authority. The newly appointed Nominated Authority has appointed a valuer to determine the value of those specified assets as per the direction of Nominated Authority dated 11.11.2019 and the process of valuation is under progress as per the available information. The parent Company has also approached the newly appointed Nominated Authority/ Ministry of Coal to reconsider the compensation determined by the previous Nominated Authority and also exploring other possibilities.
Pending finalisation of the matter as above;

- (i) Rs.128884.11 lakhs incurred pertaining to the coal block till March 31, 2015 after setting off income, stocks etc. there against as per the accounting policy then followed by the parent company has been continued to be shown as freehold land, capital work in progress, other fixed assets and other respective heads of account;
- (ii) Interest and other finance cost for the year ended March 31, 2016 against the fund borrowed and other expenses directly attributable in this respect amounting to Rs. 9514.74 lakhs has been considered as other recoverable under current assets; and
- (iii) Compensation of Rs. 8312.34 lakhs so far received and net realisations/claims against sale of assets, advances, input credits etc. amounting to Rs. 2054.70 lakhs have been adjusted.

Disclosure as per Indian Accounting Standard and adjustments arising with respect to above will be given effect to on final acceptance/settlement of the claim.

5. In terms of the Hon'ble Supreme Court Order as referred above, North Dhadhu Coal Block, allotted in joint venture with other companies, has also been cancelled w.e.f. September 24, 2014. The parent Company barring initial contribution of Rs. 822.81 lakhs and its share of bank guarantee amounting to Rs. 2745.00 lakhs (encashment of which has been stayed by Hon'ble High Court at Jharkhand) has not made any further investments in the said joint venture company. In view of the management, the compensation to be received in terms of the "The Coal Mines (Special Provision) Ordinance 2014" is expected to cover the cost incurred by the Joint Venture Company. However as an abundant precaution, impairment in the value of the investment amounting to Rs. 822.81 lakhs in Joint venture was made in the previous year. In view of stay order by Hon'ble High Court, no provision in the share of the said bank guarantee has been considered necessary. In view of the provision made during the earlier years, the performance of the joint venture company has not been consolidated during the quarter and year ended March 31, 2021.
6. During the quarter, the parent company has fair valued the equity shares of Electrosteel Steels Limited (ESL) based on the fair valuation report obtained and a gain of Rs. 2462.95 lakhs has been accounted for in other comprehensive Income.

Further the notices issued by the consortium of lenders of ESL for invocation of pledge of company's investment of 173,34,999 equity shares of Rs. 10 each in ESL amounting to Rs. 3612.61 lakhs was set aside by the Hon'ble High Court at Calcutta. The plea of the parent company for release of the pledge is pending before the Hon'ble Court.

In the earlier years, certain land amounting to Rs. Rs. 29493.58 lakhs (value as at 31-03-2021) of the parent company, situated at Elavur, Tamilnadu, were mortgaged to a lender of ESL and the lender had subsequently assigned the right of the said property to a third party although the claims of the said lender were fully settled by the ESL as per the approved Resolution Plan of NCLT. Further the third party had taken the symbolic possession of the said property in the previous year. The parent Company had disputed the assignment by the lender and filed an appeal before the Commercial Appellate, Hon'ble Madras High Court for deciding the appropriate forum wherein the company can file the suit for release of such property. The Madras High Court has granted injunction and the matter is sub judice. Pending finalization of the matter, these assets have been carried forward at their carrying book value.

7.	As reported earlier, the Railway Authorities had withdrawn the permission of operation of Railway siding under construction which is situated at Haldia, West Bengal. The parent company has claimed the compensation from the Railway Authorities for the amount incurred for the said siding which was denied and the matter is under arbitration based on the direction of Hon'ble High Court at Calcutta. Pending arbitration proceedings, the parent company had recognised a charge of Rs. 2318.35 lakhs during the previous year and a balance amounting to Rs. 1778.11 lakhs has been considered recoverable by the management of the parent company and shown as "Other Financial Assets" under the "Current Assets".
8.	The Board of Directors have recommended a dividend of Re. 0.25 per share (i.e. 25%), subject to approval of the shareholders in the ensuing Annual General Meeting.
9.	The financial statements of Electrosteel Brasil Ltda. Tubos e Conexoes Duteis, a subsidiary company for the year ended March 31, 2021 has not been subjected to audit by their auditor.
10.	The figures for the quarter ended March 31, 2021 and March 31, 2020 are the balancing figures between the audited figures in respect of the full financial and the year to date upto December 31 of the respective years. The figures for the quarter ended March 31, 2021 have been subjected to Limited Review by the Statutory Auditors.
11.	The parent company has investment of Rs. 730.00 lakhs (including advance of Rs. 700.00 lakhs) in Domco Private Limited (DPL), and has joint control (proportion of ownership interest of the parent Company being 50%). The other Venturers had filed a petition before the Company Law Board, Principal Bench, New Delhi (CLB) on various matters including for forfeiture of the parent Company's investment in equity shares of the DPL. The parent Company had also inter alia filed an arbitration proceeding under Arbitration & Conciliation Act, 1996 against recovery of the said amount against which the ventures also filed their counter claims on the parent Company. The matter is sub judice before the NCLT. Pending final outcome of the above matter, the amounts in equity shares and advance have been fully provided for in the financial statements. The other venturers since not providing the financial statements of DPL, and thereby necessary disclosures could not be provided in these financial results.
12.	The group's operations and financial results for the first quarter were adversely impacted due to stoppage of operations for more than two months' full lock down due to the outbreak of COVID-19 pandemic. Thereafter it took nearly another two months for attaining back full production level. In view of the impact of pandemic, the results for the year ended March 31, 2021 are, therefore, not comparable with those of comparative year ended March 31, 2020. The group has also considered the possible effects that may result from the pandemic relating to COVID-19 on the carrying amounts of property, plant and equipment, Investments, Inventories, receivables and other current assets. The group has performed sensitivity analysis on the assumptions used and expects to recover the carrying amount of these assets.
13.(a)	The Board of Directors of the parent Company at its meeting held on October 5, 2020, had approved a scheme of amalgamation between the parent Company and Srikalahasthi Pipes Limited (SPL) wherein w.e.f the appointed date i.e. October 1, 2020, SPL will merge with the parent Company on a going concern basis subject to obtaining of necessary approvals. Pending such approvals, no adjustment has been carried out in the books of the accounts.
13.(b)	As reported in earlier quarter's, with effect from September 18, 2020 the results of SPL has been consolidated by combining the like items of assets, liabilities, equity, income, expenses and cash flows of SPL in line with the guidelines prescribed under Ind AS 110 "Consolidated Financial Statements" which was hitherto considered as an associate in the consolidated financial statement. In view of the above the consolidated results for the quarter and year ended March 31, 2021 are not comparable with the previous quarter/ year end.
14.	The Code on Social Security, 2020 ('Code') relating to various employee benefits, in respect to group companies incorporated in India, has received Presidential assent in September 2020. The Code has been published in the Gazette of India. However, the date on which the Code will come into effect has not been yet notified. The parent Company will assess the impact of the Code when it comes into effect and will account for any related impact in the period the Code becomes effective.
15.	Previous periods' figures have been regrouped/rearranged wherever necessary.

Accordingly, the said block had been handed over to Bharat Coking Coal Limited (BCCL) as per the direction from Coal India Ltd. (CIL) with effect from April 01, 2015 and the same has been subsequently allotted to Steel Authority of India Limited (SAIL). The company also understand that the SAIL has handed over back the said coal block to the custody of BCCL.

Following a petition filed by the Company, the Hon'ble High Court at Delhi had pronounced its judgement on March 09, 2017. Accordingly based on the said judgement, the Company has claimed Rs.153176.00 lakhs towards compensation against the said coal block, acceptance whereof is awaited. Aggrieved due to delay in acceptance of claim and on a petition filed by the Company, the Hon'ble High Court had directed the Nominated Authority appointed under Ministry of Coal to determine the compensation. Earlier the Nominated Authority had upheld its decision of compensation already paid and the same was set aside by the Hon'ble High Court with a direction to the Nominated authority to reconsider. The Nominated authority further passed an order dated 11.11.2019 awarding an additional compensation of Rs. 180 lakhs and with a further direction to re-determine the value of certain assets by the appropriate authority. The newly appointed Nominated Authority had appointed a valuer to determine the value of those specified assets as per the direction of Nominated Authority dated 11.11.2019 and the process of valuation is under progress as per the available information. The company has also approached the newly appointed Nominated Authority/ Ministry of Coal to reconsider the compensation determined by the previous Nominated Authority and also exploring other possibilities.

Pending finalisation of the matter as above;

(i) Rs.128884.11 lakhs incurred pertaining to the coal block till March 31, 2015 after setting off income, stocks etc. there against as per the accounting policy then followed by the Company has been continued to be shown as freehold land, capital work in progress, other fixed assets and other respective heads of account;

(ii) Interest and other finance cost for the year ended March 31, 2016 against the fund borrowed and other expenses directly attributable in this respect amounting to Rs. 9514.74 lakhs has been considered as other recoverable under current assets; and

(iii) Compensation of Rs. 8312.34 lakhs so far received and net realisations/claims against sale of assets, advances, input credits etc. amounting to Rs. 2054.70 lakhs have been adjusted.

Disclosure as per Indian Accounting Standard and adjustments arising with respect to above will be given effect to on final acceptance/settlement of the claim.

Sub Para (b) - In view of approved resolution plan as confirmed by Hon'ble National Company Law Appellate Tribunal (NCLAT) by its order dated August 10, 2018 and pursuant to issuance of additional Equity Shares by Electrosteel Steels Limited (ESL) for giving impact of the resolution plan, ESL had ceased to be an associate of the Company during the quarter ended June 30, 2018. To comply with the requirements of Ind AS 109 "Financial Instruments", the Company had fair valued the investment in ESL and a sum of Rs. 57868.38 lakhs representing difference between the carrying value of said investment and fair value on the date of change of status was considered as exceptional item in statement of Profit and Loss in the quarter ended June 30, 2018.

The Company had elected the option under the said Ind AS to present the subsequent fair value changes of the said investment through Other Comprehensive Income. Further in terms of the approved resolution plan, advances and trade receivable amounting to Rs. 21121.70 lakhs receivable from ESL was written off during the quarter ended September 2018 shown as exceptional item in the statement of Profit and Loss.

During the quarter ending December 2018, shares of ESL were delisted and Vedanta Star Limited (holding company of ESL) has made an exit offer to the shareholders of ESL at a price of Rs. 9.54 per share which was open till December 20, 2019. During the quarter, the company has fair valued the equity shares of Electrosteel Steels Limited (ESL) based on the fair valuation report obtained and a gain of Rs. 2462.95 lakhs has been accounted for in other comprehensive income.

Further 1,73,34,999 equity shares of Rs. 10 each in ESL amounting to Rs. 3612.61 lakhs as on March 31, 2021 are pledged with the lenders of the ESL. The consortium of the lenders of ESL had issued notice for the invocation of pledged shares which has been disputed by the Company and on the plea filed by the Company, the Hon'ble High Court of Calcutta has set aside the notices issued by the lenders. The Company's plea for release of the pledge is pending before the Hon'ble Court.

In the earlier years, certain land amounting to Rs. 29493.58 lakhs (value as at 31-03-2021) of the company, situated at Elavur, Tamilnadu, were mortgaged to a lender of ESL and the lender had subsequently assigned the right of the said property to a third party although the claims of the said lender were fully settled by the ESL as per the approved Resolution Plan of NCLT. Further the third party had taken the symbolic possession of the said property in the previous year. The Company had disputed the assignment by the lender and filed an appeal before the Commercial Appellate, Hon'ble Madras High Court for deciding the appropriate forum wherein company can file the suit for release of such property. The Madras High Court has granted injunction and the matter is sub judice. Pending finalization of the matter, these assets have been carried forward at their carrying book value.

Sub Para (c): As reported earlier, the Railway Authorities had withdrawn the permission of operation of Railway siding under construction which is situated at Haldia, West Bengal. The company has claimed the compensation from the Railway Authorities for the amount incurred for the said siding which was denied and the matter is under arbitration based on the direction of Hon'ble High Court at Kolkata. Pending arbitration proceedings, the company has recognised a charge of Rs. 2318.35 lakhs during the previous year and a balance amounting to Rs. 1778.11 lakhs has been considered recoverable by the management of the company and shown as "Other Financial Assets" under the "Current Assets".

(iii) **Auditors' Comments on (i) or (ii) above:**

As stated herein above, the impact with respect to above and consequential adjustments cannot be ascertained by the management and as such cannot be commented upon by us.

5. VALUATION

5.1 BASIS OF VALUATION

The purpose of this Valuation Report is to compute the value of ECL and SPL on a going concern basis as on Valuation Date and thereby recommending a Share Exchange Ratio for the proposed Amalgamation.

5.2 KEY FACTORS AFFECTING VALUATION

To carry out a valuation, we consider certain fundamental factors that affect the wealth generating capability of the company. These include:

- ❖ General economic outlook as well as current & expected conditions in the business environment;
- ❖ Competitive environment prevailing within the industry;
- ❖ Relative competitive advantages of the business in terms of the service capability, management capabilities, etc.;
- ❖ Historical financial and operational performance.

5.3 VALUATION METHODOLOGIES AND RATIONALE

Valuation cannot be regarded as an exact science, given the same set of facts & using the same assumptions, expert opinion may differ due to the number of separate judgment decisions, which have to be made. There can be three internationally accepted approach/approaches as per Valuation Standards 2018 issued by ICAI to valuation:-

- (i) Cost Approach,
- (ii) Market Approach and
- (iii) Income Approach.

5.3.1 COST APPROACH

Net Assets Value ("NAV") Method

- Under this method, total value of the business is based on sum of the Net Assets Value either on book value or realizable value or replacement cost basis. NAV methodology is most applicable for the business where the value lies in the underlying assets and not the ongoing operations of the business. NAV method does not capture the future earning capacity of the business.
- This method is mainly used in the cases where the fixed asset base dominates the earnings capability. It is most commonly used in for valuation of Finance

companies, Real Estate companies and manufacturing companies having wide asset base, where the assets of the company represent its value.

- Under this approach, Management certified financials of the Companies as on 30th June, 2020 are available. In present exercise we have considered it appropriate to give weightage to Net Assets Value method as both the Companies are having wide asset base.

5.3.2 MARKET APPROACH

Market Price Method

- Under this method, the market price of an equity share as quoted on a recognized Stock Exchange is normally considered as the value of the equity shares of that company, where such quotations are arising from the shares being regularly and frequently traded. The market value generally reflects the investors' perception about the true worth of the company. But there could be situations where the value of the share as quoted on the stock market would not be regarded as a proper index of the fair value of the share especially where the market values are fluctuating in a volatile capital market.
- Further in case of amalgamation, where there is a question of evaluating the shares of one company against those of another, the volume of transactions and the number of shares available for trading on the stock exchange over a reasonable period would have to be of a comparable standard.
- Since, ECL and SPL are listed companies, Market Price of equity shares of ECL and SPL traded on NSE over a reasonable period has been considered for this valuation method.

Market Multiple Method

- Under Market Multiple Method, the value is determined on the basis of multiples derived from valuations of comparable companies, as manifested through stock market valuations of listed companies.
- This valuation is based on the principle that market valuations, taking place between informed buyers and informed sellers, incorporate all factors relevant to valuation. Relevant multiples need to be chosen carefully and adjusted for differences between the circumstances.
- The availability of listed companies which are pure-play in DI pipes and CI Pipes sector have enabled the computation of multiples that would facilitate usage of this method in arriving at the equity value of ECL and SPL. Accordingly, this method has been considered for valuation of ECL and SPL.

CERTIFIED TO BE TRUE COPY
FOR ELECTROSTEEL CASTINGS LIMITED

- We have considered Enterprise value to Earnings before interest, tax, depreciation and amortization (EV/EBITDA) Multiple to value the equity shares of ECL and SPL under this method.

Market Transactions Method

- This method is based on the assumption that if comparable Asset (or company) has fetched certain price, then the subject asset (or company) will realize a price something near to it. This method involves reviewing transactions for companies that are in the same or similar line of business as the company being valued and then, applying the relevant pricing multiples to the subject company to determine its value. The method might involve private company transactions or public company transactions. Adjustments are commonly made to these valuation measures before applying to the subject company to ensure an "Apple-to-Apple" comparison. One or many comparable sales might be considered under this method depending on the data available and the degree of similarity of the company being valued.
- This method has not been used in current valuation since there is no recent comparable transaction whose information is available in public domain.

5.3.3 INCOME APPROACH

Discounted Cash Flow ("DCF") Method

- DCF Method seeks to arrive at a value of a business based on the strength of its future cash flows. This method captures the risk involved with these cash flows.
- Under this method, the business is valued by discounting its free cash flows for an explicit forecast period and the perpetuity value thereafter. The free cash flows to the firm ("FCFF") represent the cash available for distribution to both the owners and the creditors of the business. The free cash flows in the explicit period and those in perpetuity are discounted by Weighted Average Cost of Capital ("WACC"). WACC is an appropriate rate of discount to calculate the present value of the future free cash flows as it considers debt-equity risk and also debt-equity ratio of the company/industry.
- To the present value of the cash flows so arrived, adjustments are made for the value of debt, surplus/non-operating assets including investments, surplus cash & bank balance and contingent assets/liabilities and other liabilities, if any, in order to arrive at the value for the equity shareholders. The total value for the equity shareholders so arrived has to be then divided by the number of equity shares in order to work out the value per equity share of the company.
- We have considered DCF method to derive the value of Equity shares of ECL and SPL since both the Companies are of operating nature and derive its value from their respective operations. Since DCF captures the future prospects of the

company & tries to value the company from that perspective, DCF Method has been used.

5.4 VALUATION METHODOLOGIES AND RATIONALE

- 5.4.1 It should be understood that the valuation of any company or its assets is inherently imprecise and is subject to certain uncertainties and contingencies, all of which are difficult to predict and are beyond our control. In performing our analysis, we made certain assumptions with respect to industry performance and general business and economic conditions. In additions, this valuation will fluctuate with changes in prevailing market conditions, the conditions and prospects, financial and otherwise, of the Companies, and other factors which generally influence the valuation of Companies and their assets.
- 5.4.2 The application of any particular method of valuation depends on the purpose for which the valuation is done. Our choice for methodology of valuation has been arrived at using usual and conventional methodologies adopted for transactions of a similar nature and our reasonable judgment, in an independent and bona fide manner based on our previous experience of assignment of a similar nature.
- 5.4.3 **Net Asset Value Method:** Under this method, based on management representation, we have considered the carrying value of assets and liabilities in management certified financial statements for the period ending on 30th June, 2020 as realizable value. Further we have made adjustments for fair value of non-operating assets (like surplus land and other assets) & investments on basis of valuation certificates, expert opinions, etc. We also have made appropriate adjustments for contingent liabilities as on 30th June, 2020.
- 5.4.4 **Market Price Method:** Under this method, equity value of ECL and SPL has been determined based on Regulations 164 (1) of Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations 2018 ('ICDR'), volume weighted market prices, up to 1st October 2020 using NSE data¹.

We observe & believe that value arrived under the market price method for ECL varies as compared to values arrived under other methods primarily on account of (i) Holdco discount (on investments held by ECL in SPL) and (ii) discounted/lower value of non-operating assets/non-core assets of ECL, factored by the market. Given that shares of both ECL and SPL are frequently traded on stock exchanges, we have considered it appropriate to give weightage to market price method computed in accordance with Regulation 164 (1) of SEBI ICDR 2018.

- 5.4.5 **Market Multiple Method:** Under this method, the Enterprise Value of ECL (consolidated) & SPL has been determined by considering EV/EBITDA Trading Multiple of other guideline companies primarily engaged in DI pipes and CI Pipes Business. EV/EBITDA Multiple of guideline comparable companies have been

1. Since equity shares of ECL & SPL are more frequently traded on NSE as compared with BSE, we have considered the market prices available with NSE.

derived considering EBITDA for FY 19-20. Operations of the entire industry including the comparable companies have been severely impacted after FY 19-20 owing to the Covid-19 pandemic and hence performance in quarter ending June 2020 cannot be considered as normal. The average EV/EBITDA multiple of guideline comparable companies has been adjusted with an appropriate discount rate of 15%.

The adjusted multiple so arrived is multiplied with the EBITDA of ECL and SPL for FY 2019-20 to arrive at the Enterprise value of ECL & SPL respectively.

Appropriate adjustment has been made for net debt, non-operating assets, investments, if any, & other assets of ECL & SPL to arrive at their respective equity values.

5.4.6 Discounted Cash Flow Method:

5.4.6.1 Electrosteel Castings Limited:

For arriving at the enterprise value of ECL under this method, we have determined the present value of the operating cash flows of ECL. Operating cash flows have been projected by the company considering its future prospects, government spending on water logistics and its market share in the industry.

To the value so arrived at, we have added net-worth of the overseas subsidiaries of ECL as on 30th June 2020, fair value of its investment in Equity shares of SPL based on the value so arrived as per this Report, fair value of surplus land, fair value of other investments, fixed deposits, expected realisable value from other surplus assets and Cash & Cash Equivalent of ECL as on 30th June 2020.

To the value so arrived by adding the aforesaid items, we have reduced the debt and contingent liabilities of the company as on 30th June 2020 to arrive at the equity value of ECL.

Management confirms that ECL has been carrying its normal operations after 30th June 2020 till the date of this Report and no significant deviations in the operations have taken place (except clause 2.7 of this Report). Hence, based on the representation given by the management we confirm that equity value of ECL as determined above, under DCF approach, represents value of the Company as on Valuation Date.

5.4.6.2 Srikalahasthi Pipes Limited

Under this method for arriving at the enterprise value of SPL, we have determined the present value of the operating cash flows of SPL. Operating cash flows have been projected by the company considering its future prospects such as expansion of production capacity, if any, government spending on water logistics and its market share in the industry.

DECLARED TO BE TRUE COPY
BY ELECTROSTEEL CASTINGS LIMITED

Company Secretary

To the value so arrived at, we have added realisable value of non-operating assets such as Security Deposits, loans advanced, sales tax incentive receivable and Cash & Cash Equivalent of SPL as on 30th June 2020.

To the value so arrived by adding the aforesaid items, we have reduced the debt and contingent liabilities of the company as on 30th June 2020 to arrive at the equity value of SPL.

Management confirms that SPL has been carrying its normal operations after 30th June 2020 till the date of this Report and no significant deviations in the operations have taken place (except clause 2.8 of this Report). Hence, based on the representation given by the management we confirm that equity value of SPL, as determined above under DCF approach, represents value of SPL as on Valuation Date.

6. RECOMMENDATION OF EXCHANGE RATIO

- 6.1 The basis of the amalgamation of SPL with ECL would have to be determined after taking into consideration all the factors and methods mentioned hereinabove. Though different values have been arrived at under each of the above methods, for the purposes of recommending the fair exchange ratio of equity shares it is necessary to arrive at a final value for each of the Companies' shares. It is however important to note that in doing so, we are not attempting to arrive at the absolute equity values of the Companies, but at their relative values to facilitate the determination of the Fair Equity Share Exchange Ratio. For this purpose, it is necessary to give appropriate weights to the values arrived at under each approaches / methods.
- 6.2 The Fair Equity Share Exchange Ratio has been arrived at on the basis of a relative equity valuation of the Companies based on the various approaches / methods explained herein earlier and various qualitative factors relevant to each company and the business dynamics and growth potentials of the businesses of the Companies, having regard to information base, key underlying assumptions and limitations.
- 6.3 In light of the above and on consideration of all the relevant factors and circumstances as discussed & outlined hereinabove referred to earlier in this Report for Proposed Amalgamation and upon the proposed Scheme becoming effective, in our opinion, we recommend Fair Equity Share Exchange Ratio for the amalgamation of SPL with ECL of:

"59 equity shares of Electrosteel Castings Limited of face value of INR 1/- each fully paid up for every 10 equity shares of Srikalahasthi Pipes Limited of face value of INR 10/- each fully paid up"

economies of scale and avoidance of undue duplication in work, reduction in common expenditure otherwise incurred by the two entities within common group, better and more productive utilization of financial, human and other resource and enhancement of overall business efficiency.

- c. The Amalgamation will result in significant reduction in multiplicity of legal and regulatory compliances which at present is required to be made separately by the Companies.
- d. The Amalgamation will result in simplification of the group structure and management structure with only one listed company in group leading to better administration and reduction in administrative and other costs from more focused operational efforts, rationalization, standardization and simplification of business processes.
- e. The Amalgamation will enable the combined entity to leverage their consolidated resources to: (a) increase production capacities; (b) undertake research and development initiatives to improve manufacturing processes and final product; (c) serve the needs of a larger customer base leading to overall business domestically as well as overseas, and (d) improved credit rating.
- f. The synergies that exist between the two companies in terms of services and resources can be put to the best advantage of all stakeholders.
- g. The Scheme of Amalgamation is expected to be in the best interests of the shareholders, employees and the creditors of the Transferor Company and the Transferee Company.

Sub: Fairness Opinion on the Recommendation of Share Exchange Ratio for the proposed amalgamation of Srikalahasthi Pipes Limited into and with Electrosteel Castings Limited

Dear Sir/ Madam,

We refer to our engagement letter whereby Ashika Capital Limited (hereinafter referred to as “we” or “ACL”) was appointed by Srikalahasthi Pipes Limited (hereinafter referred to as “SPL” or the “Company”) to provide a fairness opinion on the recommendation of the Share Exchange Ratio for the proposed amalgamation of SPL into and with Electrosteel Castings Limited (hereinafter referred to as “ECL”).

1. Scope and Purpose:

We understand that the Board of Directors of SPL and ECL are contemplating to amalgamate SPL into and with ECL (“**Proposed Amalgamation**”). The proposed amalgamation is to be carried out pursuant to a Scheme of Amalgamation (“**Scheme**”) pursuant to the provisions of Section 230 to 232 and other applicable provisions of the Companies Act 2013 (including any statutory modifications, re-enactments or amendments thereof) and other applicable securities and capital market laws and rules issued thereunder to the extent applicable.

E-mail: mbd@ashikagroup.com

We understand from the management of SPL that, pursuant to the proposed amalgamation, the equity shareholders of SPL will be issued equity shares in ECL as consideration for their respective shareholding in SPL. The terms and conditions of the proposed amalgamation are more fully set out in Draft Scheme of Amalgamation (“**Draft Scheme Document**”) shared with us, the final version of which will be filed by the aforementioned companies with the appropriate authorities.

We further understand that the share exchange ratio for the proposed amalgamation has been arrived at based on a joint report dated October 03, 2020 (“**Valuation Report**”) being issued by R.V. Shah & Associates, Chartered Accountants [Firm Registration No. 133958W] (herein referred to as “**RVS**”), engaged by ECL and M/s Sharp & Tannan, Chartered Accountant [Firm Registration No. 109982W] (herein referred to as the “**S&T**”), engaged by SPL. S&T and RVS are herein jointly referred to as “**Valuers**”.

Based on our perusal of the Valuation Report, we understand that it has been proposed that pursuant to the amalgamation of SPL into and with ECL, equity shareholders of SPL shall be issued 59 (*fifty nine*) fully paid equity shares of ECL of face value INR 1/- each for every 10 (*ten*) fully paid equity shares of SPL of face value INR 10/- each (hereinafter referred to as the “**Share Exchange Ratio**”).

In connection with the aforesaid, you requested our opinion (“**Opinion**”), as of the date hereof, as to the fairness of the share exchange ratio, as proposed by the Valuers, from a financial point of view, to the shareholders of SPL.

2. **Sources of Information:**

In connection with this Opinion, we have:

3. Basis of Opinion:

The rationale for the Scheme as shared with us by the Company's management is based on inter-alia the following benefits:

- The proposed amalgamation will enable the Companies to streamline their business activities into a single combined entity, thereby resulting in economies of scale and avoidance of undue duplication in work, reduction in common expenditure otherwise incurred by the two entities within common group, better and more productive utilization of financial, human and other resource and enhancement of overall business efficiency;
- The amalgamation will result in consolidation of the businesses of the parties resulting in expansion of the consolidated business both domestically and internationally, significant reduction in multiplicity of legal and regulatory compliances which at present is required to be made separately by the Companies, simplification of the group structure and management structure with only one listed company in group leading to better administration and reduction in administrative and other costs;
- The parties expect significant synergies through operational improvements, value optimisation, scale efficiencies and improvement in credit rating;
- The Scheme is expected to be in the best interests of the shareholders, and all other stakeholders;

Some key details related to SPL and ECL are as under:

4. Exclusions and Limitations:

Our Opinion and analysis is limited to the extent of review of documents as provided to us by SPL and ECL including the valuation report prepared by the Valuers and the Draft Scheme Document.

We have assumed and relied upon the accuracy and completeness of all information and documents provided to us, data publicly available or otherwise reviewed by or discussed with us. We have relied upon the SPL's and ECL's assurance that they are not aware of any facts or circumstances that would make such information or data incomplete, inaccurate or misleading in any material respect.

We have not carried out any due diligence or independent verification or validation of such information to establish its accuracy or sufficiency. We have not conducted any independent valuation or appraisal of any of the assets or liabilities of SPL and ECL, and / or their subsidiaries/affiliates. In particular, we do not express any opinion as to the value of any asset of SPL & ECL, and / or their subsidiaries/affiliates, whether at current time or in the future. No investigation of SPL's and ECL's claim to title of assets has been made for the purpose of the exercise and the claim to such rights has been assumed to be fully valid.

We have reviewed the methodologies as adopted by the Valuers for arriving at the fair valuation of the equity shares of SPL & ECL and also reviewed the working and underlining assumptions adopted to arrive at the values under the approach, for determining their respective per share value and to recommend the Share Exchange Ratio.

One should note that valuation is not an exact science and that estimating values necessarily involves selecting a method or approach that is suitable for the purpose. Moreover, in this case where equity shares of ECL are being issued as consideration to the shareholders of SPL, it is not the absolute per share value that is important for framing an opinion but the relative per share value of ECL vis-à-vis per share value of SPL.

We have assumed, with the Company's consent that the Scheme will be in compliance with all applicable laws and other requirements and will be implemented on the terms described in the Draft Scheme Document, without any waiver or modification of any material terms or conditions, and that in the course of obtaining the necessary regulatory or third party approvals for the Scheme, no delay, limitation, restriction or condition will be imposed that would have an adverse effect on the Company, ECL and / or their relevant subsidiaries/ affiliates and their respective shareholders. We have assumed, at the directions of the Company that the final Scheme will not differ in any material respect from the Draft Scheme Document. We understand from the Company's management that the Scheme will be given effect to in totality and not in parts.

We express no view or opinion as to any terms or other aspects of the Scheme (other than the Share Exchange Ratio, from a financial point of view) including, without limitation, the form or structure of the proposed transaction. We were not requested to, and we did not, participate in the negotiations for the proposed transaction. Our Opinion is limited to the fairness, from a financial point of view, of the share exchange ratio proposed by the Valuers, to the shareholders of SPL. Our analysis relates to the relative values of the SPL and ECL. However, the actual transaction value may be significantly different from the result of our analysis and would depend on a number of factors, including the negotiating ability and motivations of the respective buyer and seller. We express no opinion or view with respect to the financial implications of the proposed transaction for any stakeholders, including creditors of the Company.

We express no view as to, and our Opinion does not address, the underlying business decision of the Company to effect the proposed transaction, the relative merits of the proposed transaction as compared to any other alternative business strategy, the effect of the proposed transaction on the Company or its affiliates, including, without limitation, possible implications on ownership structure, listing format, capital structure or trading price of ECL's shares post completion of the proposed transaction. The Company remains solely responsible for the commercial assumptions on the basis of which it agrees to proceed with the proposed transaction. Our Opinion is necessarily based only upon information as referred to in this letter.

5. Valuation Methodologies considered and Valuers' Recommendation:

For the purpose of arriving at the value of equity shares of ECL and SPL for recommending the aforesaid share exchange ratio, following valuation methodologies have been used by the Valuers:

- (a) Asset Approach - NAV Method
- (b) Income Approach - Discounted Cash Flows Method
- (c) Market Approach - Market Price and Comparable Companies Method

The Valuers, through Valuation Report have recommended a share exchange ratio of 59 (fifty nine) fully paid equity shares of ECL of face value INR 1/- each for every 10 (ten) fully paid equity shares of SPL of face value INR 10/- each.

REPORT OF THE AUDIT COMMITTEE OF ELECTROSTEEL CASTINGS LIMITED RECOMMENDING
AMALGAMATION OF SRIKALAHASTHI PIPES LIMITED WITH ELECTROSTEEL CASTINGS LIMITED

1. Background

- 1.1. A meeting of the Audit Committee of Electrosteel Castings Limited ("ECL" or "the Company" or "Transferee Company") was held on 5 October, 2020 to consider and, if thought fit, recommend the proposed Scheme of Amalgamation of Srikalahasthi Pipes Limited ("SPL" or "Transferor Company") with the Company and their respective shareholders and creditors on a going concern basis under Sections 230 to 232 and other applicable provisions of the Companies Act, 2013 ("the Act") read with rules framed thereunder, ("the Scheme"). The Scheme, inter-alia, provides for amalgamation of SPL with ECL and issue of equity shares as a consideration for Amalgamation by ECL to the shareholders of SPL. The appointed date for amalgamation under the Scheme is 1 October, 2020 ("Appointed Date").
- 1.2. As on date, SPL and the Company are under the control of common promoter group. The Company, along with its promoter group of companies, is in a position to and do exercise control over SPL.
- 1.3. The Scheme of Amalgamation is in compliance with Section 2(1B) of the Income-tax Act, 1961 and the SEBI Circular number CFD/DIL3/CIR/2017/21 dated March 10, 2017, as amended from time to time (referred to as "SEBI Circular").
- 1.4. While deliberating on the Scheme, the Audit Committee has considered, inter-alia, and has taken on record, the following documents:
- (a) the draft Scheme;
 - (b) the Report dated 3 October, 2020 issued (i) jointly by M/s. Sharp & Tannan, Independent Chartered Accountants and R V Shah & Associates, Independent Chartered Accountants, and (ii) Ms. Rashmi Shah, FCA, Registered Valuer ("Valuer") describing inter-alia, the methodology adopted by them in arriving at the share exchange ratio ("Share Exchange Ratio") for the proposed Amalgamation ("Valuation Report");
 - (c) Fairness Opinion dated 3 October, 2020 issued by Finshore Management Services Limited, Independent SEBI Registered Merchant Banker, providing fairness opinion on the Fair Share Exchange Ratio ("Fairness Opinion"); and
 - (d) Certificate on Accounting Treatment mentioned in Scheme dated 5 October, 2020 submitted by M/s. Singhi & Co., Chartered Accountants, Statutory Auditors of the Company ("Auditor's Certificate");

2. Proposed Scheme of Amalgamation

2.1. The Audit Committee noted the rationale and the benefits of the Scheme of Amalgamation, which, *inter-alia*, were as follows:

- (i) The Transferor Company and Transferee Company are under the control of common promoter group. The Transferee Company along with its promoter group of companies are in a position to and do exercise control over the Transferor Company. The Transferor Company and Transferee Company are engaged in the same line of business, i.e., manufacture and sale of ductile iron pipes and both have common economic objective and strategic goals. It would be advantageous to combine the activities and operations in a single company leading to strong capability in effectively meeting future challenges of competitive business environment.
- (ii) The Amalgamation (as defined hereunder) will enable the companies (as defined hereinafter) to streamline their business activities into a single combined entity, thereby resulting in economies of scale and avoidance of undue duplication in work, reduction in common expenditure otherwise incurred by the two entities within common group, better and more productive utilization of financial, human and other resource and enhancement of overall business efficiency.
- (iii) The Amalgamation will result in significant reduction in multiplicity of legal and regulatory compliances which at present is required to be made separately by the Companies.
- (iv) The Amalgamation will result in simplification of the group structure and management structure with only one listed company in group leading to better administration and reduction in administrative and other costs from more focused operational efforts, rationalization, standardization and simplification of business processes.
- (v) The Amalgamation will enable the combined entity to leverage their consolidated resources to: (a) increase production capacities; (b) undertake research and development initiatives to improve manufacturing processes and final product; (c) serve the needs of a larger customer base leading to overall business domestically as well as overseas, (d) improved alignment of debt repayments with cash flow, and (e) improved credit rating.
- (vi) The synergies that exist between the two companies in terms of services and resources can be put to the best advantage of all stakeholders.
- (vii) The Scheme is envisaged to be in the best interests of the shareholders, employees and the creditors of the Transferor Company and the Transferee Company.

Thus, the Scheme of Amalgamation, as envisaged, would enable seamless access to strong business relationships, closer and better focused attention being given to the businesses which would get integrated, aligned and streamlined, leading to achievement of their full business and growth potential.

The term "Amalgamation" means amalgamation of the Transferor Company with the Transferee Company, on a going concern basis in accordance with Sections 230 to 232 of the Act and Section 2(1B) of the Income-Tax Act, 1961, in terms of Chapter 2 of the Scheme.

- 2.2. The Audit Committee reviewed the Valuation Report issued (i) jointly by M/s. Sharp & Tannan, Independent Chartered Accountants and R V Shah & Associates, Independent Chartered Accountants, and (ii) Ms. Rashmi Shah, Registered Valuer, and tabled at the Meeting. The Audit Committee noted that the Valuation Report recommended the Share Exchange Ratio as under:

ECL shall issue its equity shares to the shareholders of SPL, in accordance with a Share Exchange ratio of 59:10, such that upon this Scheme becoming effective, the shareholders of SPL (except ECL) shall be entitled to receive 59 fully paid up equity shares of Re. 1/- each of ECL for every 10 equity shares in SPL of Rs. 10/- each.

- 2.3. Further, the Audit Committee noted that a Fairness Opinion from Finshore Management Services Limited, an Independent SEBI Registered Merchant Banker, has confirmed that the Share Exchange Ratio as per the Valuation Report issued (i) jointly by M/s. Sharp & Tannan, Independent Chartered Accountants and R V Shah & Associates, Independent Chartered Accountants, and (ii) Ms. Rashmi Shah, Registered Valuer, is fair to the shareholders of the Company.
- 2.4. The new equity shares of the Company to be issued by the Company would be listed on the Stock Exchanges in India with nationwide terminals, viz., BSE Limited and National Stock Exchange of India Limited, in terms of and in compliance with the applicable SEBI Regulations.

3. Recommendation of the Audit Committee

The Audit Committee, after taking into consideration the provisions, rationale and benefits of the Scheme, along with the Valuation Report, the Fairness Opinion and the Auditor's Certificate, recommends the draft Scheme to the Board of Directors of the Company for approval and for favorable consideration by the Stock Exchange(s) and Securities and Exchange Board of India, National Company Law Tribunal and any other regulatory authority as may be required.

Order under Section 31(1) of the Competition Act, 2002

1. On 19th October 2020, the Competition Commission of India (“**Commission**”) received a notice under Section 6(2) of the Competition Act, 2002 (“**Act**”), jointly filed by Electrosteel Castings Limited (“**ECL**”) and Srikalahasthi Pipes Limited (“**SPL**”). (Hereinafter, ECL and SPL are collectively referred to as the “**Parties**”). The notice has been filed pursuant to the approval of the scheme of amalgamation (**Scheme**) by the Board of Directors of ECL and SPL on 5th October 2020.
2. The proposed combination involves amalgamation of ECL and SPL, whereby SPL will amalgamate with and into ECL, with ECL as the surviving entity (“**Proposed Combination**”).

3. It is stated in the notice that the Parties belong to the Electrosteel Group and are controlled by the same Promoter Group¹. ECL along with the Promoter Group holds 48.15% shareholding in SPL. It is submitted by the Parties that the Proposed Combination is an internal restructuring within the Electrosteel Group and will not result in change in control of either ECL or SPL. Post the Proposed Combination, the combined entity will continue to be controlled by the same Promoter Group.
4. In terms of Regulation 14 of the Competition Commission of India (Procedure in regard to the transaction of business relating to combinations) Regulations, 2011 (“**Combination Regulations**”), a letter, dated 6th November 2020, was issued to the Parties for seeking certain information(s)/ clarification(s); response to the same was received on 11th November 2020.
5. ECL is a publicly listed water infrastructure company incorporated in India. It is stated in the notice that ECL is the ultimate holding company of the Electrosteel Group of Companies. It is engaged in the manufacturing and sale of (a) ductile iron pipes, (b) ductile iron fittings, and (c) cast iron pipes, as its core business. It is stated that ECL also produces (a) pig iron, (b) sponge iron, (c) metallurgical coke, (d) sinter, (e) ferro-silicon, and (f) power, which are used for captive consumption. It is also mentioned that any surplus production of these products is sold in the local market to third parties.
6. SPL (formerly, Lanco Industries Limited) is a publicly listed company, incorporated in India. It is also a part of the Electrosteel Group. It is primarily engaged in the manufacturing and sale of ductile iron pipes in India. Additionally, SPL also manufactures (a) pig iron, (b) cement, (c) lamcoke, (d) sinter, (e) ferro-silicon, and (f) power for captive consumption, any surplus production of which is sold in the local market to third parties.
7. It is stated in the notice that the business activities of the Parties horizontally overlap in the market for ductile iron pipes in India. Further, an overlap is also noted in products produced during the process of manufacturing ductile iron pipes such as (a) pig iron, (b)

¹ The common Promoter Group comprises the companies: (i) Murari Investment & Trading Company Pvt. Ltd., (ii) G. K. & Sons Private Ltd., (iii) Uttam Commercial Company Ltd., and (iv) G. K. Investments Limited (Promoter Group Entities).

coke, (c) sinter, (d) ferro-silicon, and (e) power. As regards the overlapping products produced during the process of manufacturing ductile iron pipes, the Parties have submitted that sinter and power are captively consumed by SPL. Further, it is stated that these surplus products are not produced with the objective of monetisation or commercialisation by Parties. Only a miniscule surplus production of pig iron, coke and ferro-silicon is sold in the market.

8. Considering that the Proposed Combination is not likely to cause an appreciable adverse effect on competition in any of the possible alternative relevant markets, the Commission decided to leave the delineation of the relevant market open.
9. In relation to vertical relationship, the Parties have submitted that there are no existing vertical relationships or supply arrangements between Parties (including promoter group entities) as both ECL and SPL are not engaged in any activity relating to the production, supply, distribution, storage, sale and service or trade in products or provision of services which are at different stages or levels of the production chain. Further, it is noted that the potential vertical relationships due to the surplus sales of intermediate products produced by the Parties are miniscule and insignificant. Thus, the Parties do not have ability or incentive to foreclose the competition in the relevant markets.
10. Based on the information submitted by the Parties, it is noted that the pre-combination and post-combination market share of Electrosteel Group (through ECL and SPL) in the market for manufacture of ductile iron pipes is [30-35] per cent. Further, ductile iron pipes market is characterised by the presence of many established players such as Jindal Saw, Tata Metaliks, Jai Balaji, Rashmi Metaliks, Sathavahana Ispat, Electrotherm, etc. In relation to overlaps in (a) pig iron, (b) coke, and (d) ferro-silicon, it is noted that the presence of Parties is insignificant to raise any competition concern in these product segments in India.
11. Further, based on the submissions of the Parties, it is noted that both ECL and SPL are part of the Electrosteel Group and do not compete with each other and that the Proposed Combination will not result in the entry or elimination of any market player. The Commission noted that the competition dynamics in the market in which the Parties

operate will not change post-combination. Hence, the Proposed Combination is not likely to raise any competition concern in India.

12. Considering the facts on record, details provided in the notice given under sub-section (2) of Section 6 of the Act and assessment of the proposed combination on the basis of factors stated in sub-section (4) of Section 20 of the Act, the Commission is of the opinion that the proposed combination is not likely to have an appreciable adverse effect on competition in India, and therefore, the Commission, hereby, approves the same under sub-section (1) of Section 31 of the Act.

13. This order shall stand revoked if, at any time, the information provided by the Parties is found to be incorrect.

14. The information provided by the Parties shall be treated as confidential in terms of and subject to provisions of Section 57 of the Act.

15. The Secretary is directed to communicate to the Parties accordingly.

Limited (“**Transferor Company**”) with Electrosteel Castings Limited being the Applicant abovenamed (“**Transferee Company**”) and their respective shareholders and creditors, whereby and whereunder the Transferor Company is proposed to be amalgamated with the Transferee Company from the appointed date, viz., 1st October, 2020 in the manner and on the terms and conditions stated in the said Scheme of Amalgamation (“**Scheme**”).

2. The circumstances as stated in the application which *prima facie* justify and/or necessitate the said Scheme of Amalgamation are, *inter alia*, as follows: -

- (i) The Transferor Company and Transferee Company are under the control of common promoter group. The Transferee Company along with its promoter group of companies are in a position to and do exercise control over the Transferor Company. The Transferor Company and Transferee Company are engaged in the same line of business i.e., manufacture and sale of ductile iron pipes and both have common economic objective and strategic goals. It would be advantageous to combine the activities and operations in a single company leading to strong capability in effectively meeting future challenges of competitive business environment.
- (ii) The Amalgamation will enable the Companies to streamline their business activities into a single combined entity, thereby resulting in economies of scale and avoidance of undue duplication in work, reduction in common expenditure otherwise incurred by the two entities within common group, better and more productive utilization of financial, human and other resource and enhancement of overall business efficiency.
- (iii) The Amalgamation will result in significant reduction in multiplicity of legal and regulatory compliances which at present is required to be made separately by the both the companies.
- (iv) The Amalgamation will result in simplification of the group structure and management structure with only one listed company in group leading to better administration and reduction in administrative and other costs from

more focused operational efforts, rationalization, standardization and simplification of business processes.

- (v) The Amalgamation will enable the combined entity to leverage their consolidated resources to: (a) increase production capacities; (b) undertake research and development initiatives to improve manufacturing processes and final product; (c) serve the needs of a larger customer base leading to overall business domestically as well as overseas, (d) improved alignment of debt repayments with cash flow, and (d) improved credit rating.
 - (vi) The synergies that exist between the two companies in terms of services and resources can be put to the best advantage of all stakeholders.
 - (vii) The Scheme is envisaged to be in the best interests of the shareholders, employees and the creditors of the Transferor Company and the Transferee Company.
 - (viii) Thus, the Scheme of Amalgamation, as envisaged, would enable seamless access to strong business relationships, closer and better focused attention being given to the businesses which would get integrated, aligned and streamlined, leading to achievement of their full business and growth potential.
3. It is submitted by Ld. counsel appearing for the Applicant that the shares of the Applicant are listed on the BSE Limited and the National Stock Exchange of India Limited. Further, the applicant has the following number of shareholders and creditors as on 31st December, 2020: -
