- d) Accordingly, since the Target Company is incorporated in India, the Target Company's shares should be deemed to be "situated" in India and any gains arising to a nonresident on transfer of such shares should be taxable in India under the IT Act.
- e) Further, the non-resident shareholder can avail beneficial treatment under the **Double Taxation Avoidance Agreement ("DTAA")** between India and the respective country of which the said shareholder is tax resident subject to satisfying relevant conditions including but not limited to (a) conditions (if any) present in the said DTAA read with the relevant provisions of the **Multilateral Instrument ("MLI")** as ratified by India with the respective country of which the said shareholder is a tax resident and (b) non applicability of General Anti-Avoidance Rule ("GAAR") and (c) providing and maintaining necessary information and documents as prescribed under the IT Act.

In case of non-corporate shareholders, applicability of the provisions of Alternative Minimum Tax as per Section 115JC of the IT Act will also need to be analyzed depending on the facts of each case.
- Submission of PAN and other details –
All Public Shareholders are required to submit their PAN along with self-attested copy of the PAN card for income-tax purposes. In absence of PAN for non-resident Public Shareholders, as per Notification No. 53/2016, F.No.370 142/16/2016-TPL, they shall

furnish self-attested copy of documents containing the following details (“PAN Substitute Information”):

- Name, email id, contact number;
- Address in the country of residence;
- Tax Residency Certificate (“TRC”) from the government of the country of residence, if the law of such country provides for issuance of such certificate; and
- Tax identification number in the country of residence, and in case no such number is available, then a unique number on the basis of which such non-resident is identified by the government of the country of which he claims to be a resident.

6. Tax Deducted at Source

Resident shareholders: As of the date of filing of this document, in the absence of any provisions under the IT Act casting an obligation on the buyer to deduct tax on income arising in the hands of the resident seller on transfer of any property (other than immovable property), the Acquirers are not required to withhold tax on the consideration payable to eligible shareholders pursuant to tendering of shares under the Open Offer. With effect from July 01 2021, Finance Act 2021 creates an obligation on the buyer of goods to withhold tax under Section 194Q at the rate of 0.1% when buying goods from an Indian resident. The withholding obligation only exists where the consideration for goods exceeds INR 50,00,000 and the buyer had a business turnover of more than INR 10,00,00,000 in the immediately preceding year. The term “goods” has not been defined and may cover shares.

As per Circular No. 13 of 2021 dated June 30, 2021 issued by the CBDT, the provisions of Section 194Q is not applicable where the transactions in securities and commodities are traded through recognized stock exchange. Therefore, the Acquirers are not required to withhold tax under Section 194Q on consideration payable to resident shareholders. The resident shareholders must file their tax return in India inter alia considering gains arising pursuant to this Open Offer. The resident shareholders also undertake to provide the Acquirer, on demand, the relevant details in respect of the taxability/ non-taxability of the proceeds pursuant to this Open Offer, copy of tax return filed in India, evidence of the tax paid etc.

Non-resident shareholders (FIIs): Section 196D of IT Act, provides for a specific exemption from withholding tax at source from any income, by way of Capital Gains arising to an FII from the transfer of securities referred to in Section 115AD of the IT Act. Thus, no withholding of tax is required in case of consideration payable to FIIs/FPIs.

Non-resident FIIs shareholders (other than FIIs):

Section 195(1) of the IT Act provides that any person responsible for paying to a nonresident, any sum chargeable to tax under the provisions of the IT Act is required to deduct tax at source at applicable rates in force. However, the Acquirers will not be able to deduct income-tax at source on the consideration payable to such non-resident shareholders as there is no ability for the Acquirers to deduct taxes since the remittance/payment will be routed through the stock

exchange, and there will be no direct payment by the Acquirers to the nonresident shareholders. Since the tendering of shares under the Open Offer is through the stock exchange, the responsibility to discharge tax due on the gains (if any) is on the non-resident shareholder given that practically it is not possible to withhold taxes and the Acquirers believes that the responsibility of withholding/ discharge of the taxes due on such gains (if any) on sale of Equity Shares is solely on the custodians/ authorized dealers/ non-resident shareholders – with no recourse to the Acquirer. It is therefore recommended that the non-resident shareholders consult their custodians/ authorized dealers/ tax advisors appropriately. In the event the Acquirers are held liable for the tax liability of the shareholder, the same shall be to the account of the nonresident shareholder and to that extent the Acquirers should be indemnified. The non-resident shareholders must file their tax return in India inter alia considering gains arising pursuant to this Open Offer. The non-resident shareholders also undertake to provide the Acquirers, on demand, the relevant details in respect of the taxability/ non-taxability of the proceeds pursuant to this Open Offer, copy of tax return filed in India, evidence of the tax paid etc.

7. Remittance/Payment of Interest

- In case of interest, if any, paid by the Acquirers to resident and non-resident shareholder for delay in receipt of statutory approvals as per Regulation 18(11) of the SEBI (SAST) Regulations or in accordance with Regulation 18(11A) of the SEBI (SAST) Regulations, the final decision to deduct tax or the quantum of taxes to be deducted rests solely with the Acquirers depending on the settlement mechanism for such interest payments. In the event, to withhold tax, the same shall be basis the documents submitted along with the Form of acceptance or such additional documents as may be called for by the Acquirers.
- It is recommended that the shareholders consult their custodians/ authorized dealers/ tax advisors appropriately with respect to the taxability of such interest amount (including on the categorization of the interest, whether as capital gains or as other income). In the event the Acquirers are held liable for the tax liability of the shareholder, the same shall be to the account of the shareholder and to that extent the Acquirers should be indemnified. The shareholders must file their tax return in India inter alia considering the interest (in addition to the gains on the sale of shares), if any, arising pursuant to this Open Offer.
- The shareholders also undertake to provide the Acquirer, on demand, the relevant details in respect of the taxability/ non-taxability of the proceeds pursuant to this Open Offer, copy of tax return filed in India, evidence of the tax paid etc.

8. Rate of Surcharge and Cess In addition to the basic tax rate, applicable Surcharge, Health and Education Cess are currently leviable as under:

- Surcharge at the rate of 37% is leviable where the total income exceeds INR 5 crore.
- However, for the purpose of income chargeable under section 111A, 112A and 115AD(1)(b) (for income chargeable to tax under the head capital gains), the surcharge rate shall not exceed 15%.

In case of Firm and Local Authority:

- Surcharge @ 12% is leviable where the total income exceeds Rs. 1 crore.

b) **Cess** – Health and Education Cess @ 4% is currently leviable in all cases.

c) Others

- Notwithstanding the details provided above, all payments will be made to the shareholders subject to compliance with prevailing tax laws.
- The tax deducted by the Acquirers while making payment to a shareholder may not be the final tax liability of such shareholder and shall in no way discharge the obligation of the shareholder to appropriately disclose the amounts received by it, pursuant to this Open Offer, before the income-tax authorities.

The Acquirers will deduct tax (if required) as per the information provided and representation made by the shareholders. In the event of any income-tax demand (including interest, penalty, etc.) arising from any misrepresentation, inaccuracy or omission of information provided/to be provided by the shareholder, such shareholder will be responsible to pay such income-tax demand under the IT Act and provide the Acquirers with all information/documents that may be necessary and co-operate in any proceedings before income tax/ appellate authority in India.
