INDEPENDENT AUDITOR'S REVIEW REPORT ON UNAUDITED FINANCIAL RESULTS

TO
THE BOARD OF DIRECTORS
IMPEX FERRO TECH LIMITED

Limited Review Report of the Unaudited Financial Results for the quarter ended 30th June, 2020

Qualified Conclusion

1. We have reviewed accompanying Unaudited Financial Results of IMPEX FERRO TECH LIMITED (the 'Company') for the quarter ended 30th June, 2020, being submitted by the Company pursuant to the requirement of Regulations 33 and 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, ('Listing Regulations') as amended.
2. This Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 (Ind AS) for Interim Financial Reporting ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013 ("the Act") read with relevant rules issued there under and other accounting principles generally accepted in India and in compliance with Regulation 33 of Listing Regulations. Our responsibility is to issue a report on these Financial Statements based on our review.
3. We conducted our review of the statement in accordance with the Standard on Review Engagement (SRE) 2410, 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity' issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of Company personnel and analytical procedures, applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
4. Based on our review conducted as above, except for the possible effects of the matter described in the paragraph 5 below "Basis for qualified conclusion" and read with our comments in paragraph 6 & 7 below, nothing has come to our attention that causes us to believe that the accompanying Statement prepared in accordance with the applicable Ind AS as prescribed under Section 133 of the Act read with relevant rules issued there under

16A, SHAKESPEARE SARANI, KOLKATA -700 071PHONE: 2282-6776/6809/6807, FAX NO: 91(033) 2282-5923

and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the Listing Regulations, read with the Circular, including the manner in which it is to be disclosed, or that it contains any material misstatement.

5. Basis for Qualified Conclusion

We draw your attention to Note No. 4 of the accompanying Financial Statements regarding non provision of interest expense on the borrowings of the Company amounting to ₹989.03 lakhs for the quarter ended 30th June, 2020 (Cumulative Non Provisioning of ₹14,784.96 lakhs till 30.06.2020) and penal interest and charges thereof (amount remaining unascertained) which is not in accordance with the requirements of Ind AS 23: Borrowing Costs read with Ind AS 109: Financial Instruments.

Had the aforesaid interest expense been recognized, the finance cost for the quarter ended 30th June, 2020 would have been ₹ 989.21 lakhs instead of ₹ 0.18 lakhs. The total expenses for the quarter ended 30th June, 2020 would have been ₹ 2683.96 lakhs instead of ₹ 1694.93 lakhs. The Net Loss after tax for the quarter ended 30th June, 2020 would have been ₹1495.68 lakhs instead of ₹:506.65 lakhs. Total comprehensive Loss for the quarter ended 30th June, 2020 would have been ₹ 1498.18lakhs instead of reported amount of ₹509.15 lakhs.

The above reported interest has been calculated using Simple Interest rate.

6. Material Uncertainty Related to Going Concern

We draw your attention to **Note No. 4** of the financial results regarding preparation of the financial statements on going concern basis, for the reason mentioned therein. The Company has accumulated losses during the quarter and year ended 30.06.2020. As on date the Company's current liabilities are substantially higher than its current assets and net worth has also been fully eroded. These conditions indicate the existence of a material uncertainty that may cast significant doubt on the Company's ability to continue as going concern. The appropriateness of assumption of going concern is critically dependent upon market scenario, the debt resolution of the company, the company's ability to raise requisite finance, generation of cash flows in future to meet its obligation and to earn profit in future. Our opinion is not modified in respect of this matter.

7. Emphasis of Matter

- i. We draw your attention to Note No 2 to the financial result which explains the uncertainties and the management's assessment of the financial impact due to the lock-downs and other restrictions and conditions related to the COVID-19 pandemic situation, for which a definitive assessment of the impact in the subsequent period is highly dependent upon circumstances as they evolve.

- ii. Statutory dues amounting to ₹ 109.92 lakhs has become overdue and remain unpaid. Interest, penalty if any in respect of the same has remained unascertained and unaccounted for.

Our conclusion is not modified in respect of this matter.

The Company is in active discussion/negotiation with its lenders to restructure its debt at a sustainable level. Pending finalization of the restructuring plan, the Company has not provided accrued interest in its books during the quarter as the account has been declared NPA by the respective lenders. The amount of interest has been recognised in the books of account to the extent the amount charged/realised by the banks only. The amount of interest not so provided stands at ₹ 989.03 Lacs for the quarter ended 30th June, 2020 and penal interest and charges thereof (amount remaining unascertained) has not been provided for. The accumulated loss as on 30th June, 2020 is ₹ 36580.60 Lacs which is in excess of the entire net worth of the Company. The manufacturing operations of the Company along with supply and distribution got temporarily disrupted due to COVID-19 Pandemic. However, the Company foresees substantial improvement in raw material availability, improvement in market scenario with notification of Minimum Import Price on steel, and expects that the overall financial health would improve considerably. Considering the same, the company has prepared the financial results on the basis of Going Concern assumption.
- 5) The balance of "Trade Receivables", "Trade payables", "Advances from Customer", "Advances Recoverable in Cash or Kind" and "Advance to Suppliers and Other Parties" includes balances remaining outstanding for a substantial period. The balances are subject to confirmations and reconciliations. The balance with revenue authorities are subject to final assessment order and/or submission of returns. The reported financials might have consequential impact once the confirmations are received and reconciliation if any is made.
- 6) A fire has occurred in the Captive Power Plant on 6th September, 2017 damaging turbine, alternator, etc and a surveyor has been appointed by an Insurance Company to assess the loss. A preliminary repairing estimate of loss is ₹ 525.00 Lacs. Pending assessment of actual loss, no effect has been given in the reported financials which may have consequential impact. The necessary provisions would be made once the assessment is done and settled by the Insurance Company.
- 7) Various credit facilities availed from United Bank of India (UBI) have been assigned in favour of Rare Construction Ltd under assignment agreement between UBI and Rare Asset Reconstruction Ltd executed on 29th June, 2019. In absence of information about the terms of assignment, the Company is carrying the various credit facilities as appearing in the books as per the previous terms with UBI.

State Bank of India and Punjab National Bank have filed an application with National Company Law Tribunal, Kolkata Bench (NCLT) for initiating Corporate Insolvency Resolution Process (CIRP) under Insolvency and Bankruptcy Code (IBC) and the matter is sub judice.
- 8) As the Company's business activity falls within a single significant primary segment i.e, "Ferro Alloys", no separate segment information is disclosed.
- 9) Figures for the quarter ended 31st March, 2020 are the balancing figure between Audited figures of the full financial year and the reviewed year to date figures upto the third quarter of the financial year 2019-20.
- 10) Figures for the previous period/year have been regrouped and /or reclassified to conform to the classification of current period/year wherever necessary.
