Dear Sirs,

Sub: Increase in price
Ref: Your mail dated 15.11.2019

We have for acknowledgement your above communication received by email.

We have also noticed the spurt in volume and price in our scrips for the past one week. While we are not competent to second guess the market and the precise reason for its behavior at any point in time, we tend to believe that the spurt in our share prices may be due to the improved performance of the company for the second quarter, the results of which were approved by our Board of Directors on 8th November 2019 and filed with the Stock Exchanges immediately thereafter.

Our Company has always been prompt and unfailing in furnishing relevant information and due disclosures to the Stock Exchanges in compliance of the Listing Regulations. Accordingly we have disclosed from time to time the information required under Regulation 30 of the SEBI (LODR) Regulations, 2015. We have no company specific information to share at the current juncture under these Regulations.

In case any further information or clarification is required, we shall be pleased to provide same.
