Independent Auditor's Report on Unaudited Standalone financials results of the M/s The State Trading Corporation of India Limited for the quarter and half year ended 30th September, 2019 pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

To
The Board of Directors
The State Trading Corporation of India Limited,
New Delhi

1. We have reviewed the accompanying Statements of Standalone Financial Results ("the Statements") of M/s The State Trading Corporation of India Limited ("the Company") being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended. Attention is drawn to the fact that the figures for the corresponding period from 1st April, 2018 to 30th September 2018 and the corresponding period from 1st April, 2019 to 30th June 2019, as reported in these financials results have been approved by the Board of Directors of the Company , but have not been subjected to our review.
2. This Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down In Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, and other

accounting principles generally accepted in India. Our responsibility is to express conclusion on the Statement based on our review.

3. We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountant of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

SEBI under Regulation 33 (8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, to the extent applicable

4. Based on our review conducted and procedures performed as stated in paragraph 3 above and based on the consideration of the results submitted by the branch management referred to in paragraph 6 below, and subject to the matters described in paragraph 5 below, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.

5. Attention is invited to the following:

- (a) Note No 4 of Financial Results/Highlights for the period ended on 30th September 2019, for no credit impairment by STC against trade receivables of Rs. 977.29 Crores which are under dispute/litigations since long. The impact of the same is not ascertainable.
- (b) Note No 5 of Financial Results/Highlights for the period ended on 30th September 2019, for non-provision of a demand of Rs 132.83 Crores received from Land and Development Office - New Delhi, which has resulted in understatement of loss by Rs. 132.83 Crores.
- (c) Note No 3 and 6 of Financial Results/Highlights for the period ended on 30th September 2019, for continuing default by STC from November 2017 onwards in the repayment of principal amount of Banks Loans and interest thereon. Company owed substantial funds to the bank for which lender banks initiated the action of recovery by filing O.A. No. 148/2019 before DRT on 18/02/2019. However, subsequently Syndicate Bank, one of the constituent lender filed insolvency petition in NCLT under section 7 of the IBC Code, 2016, on 21/02/2019 and same is pending for admission. In the meantime, company for the settlement of its debt payable to the bank offered One Time Settlement (OTS) vide letter dated 20/03/2019 to which Syndicate Bank (lead banker) responded on 22/05/2019 giving a counter offer of settlement of which principle terms, inter alia, were as under: -
- 1) Payment of Rs. 1100 Crores immediately.
 - 2) Payment of Rs. 300 Crores by sale of STC immovable properties.
 - 3) Balance amount of Rs. 506.24 Crores by assigning 50% of realized trade receivable within 5 years from 1st Jan 2019

Syndicate Bank by their offer dated 22/05/2019 proposed to sign MOU not later than 30/06/2019. Syndicate Bank also confirmed vide letter dated 22/05/2019 that as part of settlement, Rs. 900 Crores were already received from STC and balance amount of Rs. 200 Crores were to be remitted, based on balances arrived on 31/12/2018. On verification of documents, it is found that Rs. 200 Crores were remitted on 27/05/2019 but without executing any MOU and till date revised MOU, if any, has not been executed and the insolvency petition filed before NCLT, Principal Bench, New Delhi, is also pending.

Based on the information and explanations provided to us, in our opinion, non-execution of MOU to bind the banker in terms of final settlement is a lapse on the part of the company. Our opinion is not modified in respect of this matter.

Further, subsequently a meeting was held on 29/08/2019 under the Chairmanship of Hon'ble Minister, Commerce & Industry, regarding settlement of dues of PEC and STC. PEC is an unlisted company 100% owned by Government whereas STC is a listed company, listed with Bombay Stock Exchange and National Stock Exchange and as on date of our report 10% of shares are held by the public at large and remaining 90% is held by the Central Government. As per minutes of the meeting held on 29/08/2019 and communicated by letter dated 09/09/2019 by Under Secretary, Govt. of India, it was resolved that since PEC does not have meaningful assets to pay its present outstanding except certain flats /homes having value approximately of Rs. 10 Crores therefore in order to repay debt of PEC of Rs 1390.01 Crores so that public sector bank do not suffer, a decision was taken in the meeting to sell Jawahar Vyapaar Bhawan, New Delhi, an immovable property owned by the STC, after due process of taking exemption from Land & Development office, the lessor of the plot of land on which Jawahar Vyapaar Bhawan is constructed, title will be transferred and lender bank will dispose off the properties in transparent manner. It was further decided that Syndicate Bank

will revise the agreement of OTS with STC and include PEC in its ambit so as to swiftly conclude the full and final settlement of pending dues of these companies to banks.

The meeting under the Chairmanship of Hon'ble Minister, Commerce & Industry also decided that Government was going to close down STC and PEC.

Based on minutes of the meeting dated 29/08/2019, Syndicate Bank vide letter dated 11/10/2019 communicated about the opinion that they have obtained from their counsel namely M/s Cyril Amarchand Mangaldas about possible way out to save the payment of stamp duty on transfer / assignment of Jawahar Vyapaar Bhawan through binding agreements in favor of buyer.

Thereafter, an opinion has been sought by the company from M/s Shardul Amarchand Mangaldas wherein they have opined that merger with any other profitable company namely MMTC could be another option, other than closer.

Considering the provisions of the Companies Act, 2013, and the fact that 10% shareholding of STC is held by public at large, the decision of Ministry of taking over the liability of PEC amounting to Rs 1390.01 Crores by STC in the meeting held on 29/08/2019 are in contravention to section 180 and 186 of the Companies Act, 2013, and would also be prejudicial to the interest of the minority shareholders which is public at large because STC by taking the liability is not gaining in any manner and this will also be contrary to the settled accounting principles because the liability is being fastened on the company without any corresponding asset. We are of the considered opinion that the decision taken in the meeting held on 29/08/2019 being prejudicial to the interest of the minority shareholder and is taken without following due process of law is not in the interest of the company and its members and is also contrary to the corporate structure envisaged under the provisions of the

Companies Act, 2013. Such decision taken, without the consent of the shareholders, firstly by not convening meeting of the members is also affecting adversely the fundamental of the company being its ability to continue as a going concern.

(d) We draw attention to Note no 6 where company has stated that keeping in mind strength of the company and business plans and future outlook as assessed, the accounts have been prepared on going concern basis. We have considered the minutes of the ministry which indicates that the Ministry of Commerce & Industry in its meeting held on 29.08.2019 decided to close down the company. Further it is stated that net worth of the company is fully eroded. However, since opinion has been taken by the company and option qua closer or merger are still open, therefore, we cannot give our opinion as uncertainty exists.

Our opinion is not modified in respect of this matter.

6. We did not review the interim financial results of 8 Branches included in the unaudited standalone interim financial results of the entity included in the Company and results for these branches is as follows:

Particulars	(Amount in Rs. Crores)	
	For the Quarter Ended 30 th September 2019	For the Quarter Ended 30 th September 2018
Total Assets	1,179.69	1,275.80
Total Revenue from Operations	154.01	2,451.59
Profit/(Loss) after Tax	(36.61)	(27.67)

The Interim financial results for the 8 branches have been reviewed by the branch management whose quarterly results have been furnished to us, and our conclusion in so far as it relates to the amounts and disclosures included in respect of these branches, is based solely on the basis of results furnished

by management of the Branch and the procedures performed by us as stated in paragraph 3 above.

Our conclusion on the Statement is not modified in respect of the above matter.

3) In view of the default by the company in paying due interest amount to the banks, STC was declared NPA. The lender banks have initiated DRT proceedings against the company and Syndicate bank has initiated NCLT proceedings. The company has initiated the OTS proposal with the lender banks and accordingly a part payment of Rs. 1100 Crore has been made to the Syndicate Bank, leader of Joint lender forum on 29.03.2019 (Rs. 900 Crore) and on 27.05.2019 (Rs. 200 Crore). The process of OTS with the lender banks is in progress and the same is being vigorously followed up at appropriate levels.

4) Total trade receivable of Rs. 1084.85 Crore includes Rs. 977.29 Crore "having significant increase in credit risk" being under dispute/litigation and outstanding since long. However, no credit impairment has been made, as the company feels that even if the amount is eventually not recovered, the creditor will not be paid by the company to the extent the amount is not realized from trade receivables. Though in certain cases Court has directed STC to pay the creditors.

5) STC was allotted a plot of land measuring 2.599 acres by L&DO for constructing of Office building at a rate of Rs.1,000 per sq. yard vide Lease Agreement dated 05.12.1975. On 26.03.2018, L&DO raised a demand on STC vide its letter no. L&DO/LS2A/9225/133 for an amount of Rs.132.83 crore w.r.t. various conditions of the Lease Deed. L&DO had further stated that the execution of lease deed shall be subject to complete payment & putting to use of premises as permissible under Master plan. However, STC has disputed the demand and asked for certain details/clarifications for the purpose of reconciliation. Moreover, STC has intimated L&DO about the area of land at JVB which was acquired/utilized by NDMC and Delhi Metro for 325.686 sq. mtr. & 388.910 sq.mtr respectively. L&DO has also been requested to consider for the reduction in land area initially allotted to STC and to intervene for early disbursement of compensation, if any.

6) Eventhough the net worth of the company has been eroded fully (even including revaluation reserve), in the opinion of the Management, the Company is going concern as : The Company is a CPSE under administrative control of the Ministry of Commerce & Industry. The Company is primarily in the business of trade with State Trading Organizations of various countries, to undertake promotion of export and to undertake market intervention operations in commodities as specified by Government from time to time. The company has seven offices and 3 representative offices all over the country and is fully equipped with the necessary infrastructural facilities to undertake any volume of business operations. The company is participating in several business opportunities. For last few years the company is facing mismatch in inflows and outflows of funds due to huge recoverable from associates with whom the company had undertaken trade transactions and who had defaulted in making timely payment to STC. This has led to temporary financial crunch, operating losses, reduction of net worth. Simultaneously the company initiate legal action against the defaulting associates. One of the major associates has made sufficient payment to STC on direction of Hon'ble Supreme Court. This has eased out the financial crisis of the Company to some extent. The Company has therefore proposed settlement with the lender banks.

Simultaneously the company has undertaken various cost reduction measures to improve the liquidity / profitability such as closure of unviable branches undertaking trade in those commodities fetching higher trade margins etc. In view of this it is believed that, after the proposed settlement, sufficient liquidity would be available with the company to undertake further business operation. The Company has also requested to JLF to provide some funded/non-funded limit for conducting business on behalf of Govt. of India. It is believed that this would generate sufficient trade margin for STC in the process of revival, it is believed that STC shall be in a position to confidently sail as a going concern.
