Sub: Appeal filed in NCLAT – Final Order Pronouncement on 09.01.2023
Ref: Disclosure under Reg 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015

Pursuant to Regulation 30 of SEBI (LODR) Regulations, we wish to inform that an appeal was filed before the National Company Law Appellate Tribunal ("**NCLAT**") against the order of Hon'ble National Company Law Tribunal, Hyderabad ("**NCLT**") dated 27.04.2022 initiating the CIRP process of Vanta Bioscience Limited.

The matter in the said hearing was listed previously on 02.12.2022 in which the Bench heard both the sides and noted that the hearing is completed in full and the judgement was reserved. The next hearing in this matter for pronouncement of orders was held on 09.01.2023. Through the said order, the Hon'ble NCLAT dismissed the said appeal and upheld the judgement/order dated 27.04.2022 given by NCLT, Hyderabad which admitted the debt and ordered initiation of CIRP Process. The following is the brief extract from the said order

"this 'Appellate Tribunal' do not find any 'error', in the 'impugned order' dated 27.04.2022. passed in C.P. (IB) No. 215/9/HDB/2021 by the 'Adjudicating Authority' ('National Company Law Tribunal', Hyderabad Bench). Looking at from that angle, the instant 'Company Appeal', is devoid of merits and it fails. In fine, the instant Comp. App (AT) (CH) (INS.) No. 180 of 2022 is dismissed. No costs. The connected pending 'Interlocutory Applications', if any, are Closed."

The IRP shall further take necessary actions in accordance with the applicable provisions. Necessary disclosures regarding the same will be made in due course.
