MANAGEMENT DISCUSSIONS AND ANALYSIS REPORT

INDUSTRY STRUCTURE AND DEVELOPMENT:

India has emerged as the fastest growing market when it comes to Renewable Energy. Taylormade Renewables Limited ("The Company") is India's one of leading Company in Providing Renewable Energy. Solar Concentrators and CPC collectors for thermal, Dish and Box Cookers, Eco Chullas and Biomass Gasifiers, Solar CPC, PV cells and modules from Linuo-Ritter, Solar Dryers. The day to day management of the Company is looked by the Executive Director assisted by a team of competent technical & commercial professionals.

The Company have new product "TRL-RAIN[®]" is a patented technology low temperature application developed for evaporation and condensation from any kind of Saline, Brackish, Mine waste water, RO Reject, Chemical induced water, Waste Water produced from various industries like Oil & Gas, Textiles & Tanneries, Power Generation, Mining & Metals, Refining & Chemicals, Food & Beverages, Pharmaceuticals and many others.

TRL-RAIN technology is a process which removes Salt and other Chemicals from the water, resulting in having fresh water for various applications in the Industry and making the industry a ZLD unit in true sense.

FINANCIAL PERFORMANCE:

The company's overall operational performance during the financial year 2022-23; Total turnover for the financial year ended has Rs.1978.81 Lakh. The Company has incurred the Profit before Tax of Rs.265.28 Lakh.

OPPORTUNITIES, THREATS, RISKS AND CONCERNS:

As is normal and prevalent for any business, the Company is likely to face competition from large scale imports. There can be risks inherent in meeting unforeseen situation, not uncommon in the industry. Changes in technology may render our current technologies obsolete or require us to make substantial capital investments. Company is fully aware of these challenges and is geared to meet them. Company also recognizes the risks associated with business and would take adequate measures to address the associated risks and concerns. Some of these factors include competition from multinational Companies, duty free imports by customers against export obligations.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY:

Management has put in place effective Internal Control Systems to provide reasonable assurance for:

- Safeguarding Assets and their usage.
- Maintenance of Proper Accounting Records and
- Adequacy and Reliability of the information used for carrying on Business Operations. Key elements of the Internal Control Systems are as follows:
 - I. Existence of Authority Manuals and periodical updating of the same for all Functions.
 - II. Existence of clearly defined organizational structure and authority.
 - III. Existence of corporate policies for Financial Reporting and Accounting.
 - IV. Existence of Management information system updated from time to time as may be required.
 - V. Existence of Annual Budgets and Long Term Business Plans.
 - VI. Existence of Internal Audit System.
 - VII. Periodical review of opportunities and risk factors depending on the Global / Domestic Scenario and to undertake measures as may be necessary.

Regular reports on the business development, future plans and projections are given to the Board of Directors. Internal Audit Reports are regularly circulated for perusal of Senior Management for appropriate action as required.

HUMAN RESOURCE/INDUSTRIAL RELATIONS:

Human Resources Development, in all its aspects like training in safety and social values is under constant focus of the management. Relations between the management & the employees at all levels remained healthy & cordial

throughout the year. The Management and the employees are dedicated to achieve the corporate objectives and the targets set before the company.

BUSINESS OUTLOOK:

Considering the continued shortages in electricity generation in the country, low levels of per capita energy consumption, significant growth projections for the Indian economy over the long term and Government efforts to inch closer to developed economy, it is felt that the power infrastructure sector will be a significant beneficiary. Thrust in rural electrification, renewable energy with special focus on Solar Energy and Decentralized Distributed Generation (DDG) will, inter-alia, increase the penetration of electricity in the country thereby driving the demand further. With the timely interventions by the Government of India in addressing the issues affecting the power industry adversely, the outlook for the sector is quite optimistic with ample market opportunities available for financial products.

In India, it seems to be Positive attitude towards renewable energy. The effort was to increase the share of renewable energy in total electricity consumption in the country. To bring momentum to the initiative, purchase obligation of Renewable Energy Certificates (RECs) was made mandatory on the State utilities. The mechanism enables sale and purchase of renewable energy component across the State boundaries without being linked to carbon credits.

With the depleting fossil fuels and the attendant environmental hazards associated with coal-fired Thermal Power Plants, priority is shifting towards harnessing Renewable Energy sources. Mechanisms are being devised for utilizing Renewable Energy sources with special thrust on development of solar energy.

CAUTIONARY STATEMENT:

Statements in the Management Discussion and Analysis and Directors Report describing the Company's strengths, strategies, projections and estimates, are forward-looking statements and progressive within the meaning of applicable laws and regulations. Actual results may vary from those expressed or implied, depending upon economic conditions, Government Policies and other incidental factors. Readers are cautioned not to place undue reliance on the forward looking statements.

Opinion

We have audited the accompanying financial statements of **TAYLORMADE RENEWABLES LIMITED** (the 'Company') which comprise the Balance Sheet as at 31 March 2023, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended and a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, except for the matters specified in the para – Basis of Qualified Opinion, the aforesaid financial statements give the information required by the Companies Act, 2013 (the 'Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at 31 March 2023 and its profit and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Our responsibility under those Standards are further described in Auditor's Responsibility for the Audit of the standalone financial statements section of our report. We are independent of the company in accordance of with code of ethics issued by ICAI together with the independence requirement that are relevant to our audit of standalone financial statement under the provisions of the Act and the rule made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. ***We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the stand-alone financial statement except for the following matters:***

Company is in process of obtaining the confirmations from long standing debtors, the same has not yet been completed. Refer Note 13 to the financial statement for the period ended on 31st March, 2023.

We would like to draw attention to Note 12 to the financial statement for the period ended on 31st March, 2023 where in the company has done the valuation of stock based on the technical analysis of the management instead of Accounting Standard 2.

As a result of these matters, we were unable to determine whether any adjustments might have been found necessary in respect of recorded or unrecorded transactions and accounts receivable/payable in the Balance Sheet, and the corresponding elements making up the Statement of Profit and Loss.

Key Audit Matters

Key audit matters are those matters that, in our professional, judgement, were of most significance in our audit of the, financial statements of the current period. These matters were addressed in the context of our audit, of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion, on these matters.

In our opinion there are no matters to report as Key Audit matters.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the state of affairs, profit/loss and cash flows of the Company in accordance with the accounting principles generally accepted in India specified under

Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other Irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that induces our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) 0) of the Act, we are also responsible for explaining our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conduce on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2016 (the 'Order') issued by the Central Government of India in terms of Section 143(11) of the Act, we give in the "Annexure A", a statement on the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE B TO THE AUDITOR'S REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **TAYLORMADE RENEWABLES LIMITED** ("the Company") as of March 31, 2023 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date

Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing as specified under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTE : I - SIGNIFICANCE ACCOUNTING POLICIES & NOTES TO ACCOUNTS

1. COMPANY OVERVIEW

TAYLORMADE RENEWABLES LIMITED ('the Company') is dealing in business of providing renewable energy solutions.

2. SIGNIFICANT ACCOUNTING POLICIES

A. BASIS OF ACCOUNTING:

- The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (GAAP) to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 and the relevant provisions of the Companies Act, 2013("the Act"), as applicable. The Financial Statements have been prepared on Accrual Basis under the Historical Cost convention. The Accounting policies adopted in the preparation of the Financial Statements are consistent with those followed in the previous year.
- All the assets and liabilities have been classified as current and non-current as per the Company's normal operating cycle and other criteria set out in Schedule III of the Act. The Company has ascertained its operating cycle to be 12 months for the purpose of current and non-current classification of assets and liabilities.

B. PRESENTATION OF FINANCIAL STATEMENTS

- The Balance Sheet and the Statement of Profit and Loss are prepared and presented in the format prescribed in the Schedule III to the Companies Act, 2013 ("the Act"). The disclosure requirements with respect to items in the Balance Sheet and Statement of Profit and Loss, as prescribed in the Schedule III to the Act, are presented by way of notes forming part of accounts along with the other notes required to be disclosed under the notified Accounting Standards, as applicable.

C. USE OF ESTIMATES:

The preparation of the Financial Statements in conformity with Generally Accepted Accounting Principles requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported amounts of income and expenditure during the period. The Management believes that the estimates used in preparation of the Financial Statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognized in the period in which the results are known/ materialized.

D. DEPRECIATION:

Depreciation has been provided by W.D.V. method as per Companies act 2013.

E. FIXED ASSETS:

Tangible Fixed Assets:

Gross Fixed Assets are stated at cost of Acquisition including incidental expense relating to acquisition and installation. Cost includes purchase price, taxes and duties which are not recoverable as credit under specific act, labour cost and other direct costs incurred up to the date the asset is ready for its intended use. Allocation of indirect expenses to capital account is done on the basis of technical evaluation by the management. If any.

F. INVESTMENTS:

Long-term investments are carried individually at cost less provision for diminution, other than temporary, in the value of such investments. Current investments are carried individually, at the lower of cost and fair value. Cost of investments includes acquisition charges such as brokerage, fees and duties.

G. BORROWING COST AND FINANCE CHARGES:

Interest and other borrowing costs attributable to qualifying assets has not capitalized. Other interest and borrowing costs are charged to the revenue. If any, Other Finance cost incurred for raising long term borrowing is amortized over the tenure of the borrowing. If any,

Interest and other costs in connection with the borrowing of the funds to the extent related/ attributed to the acquisition / construction of qualifying assets till the time such assets are ready for its intended use or sale are capitalized as part of the cost of asset in conformity with the provision of AS - 16 "Borrowing Costs" and other borrowing costs are charged to Profit and Loss Account for the year in which they are incurred.

H. INVENTORIES:

Inventories are valued at lower of cost and net realizable value after providing for obsolescence and other losses, where considered necessary.

I. REVENUE RECOGNITION:

Revenue from operations is recognized to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured.

Sales of Goods is recognized when significant risks and rewards of ownership of Goods have been passed to Buyers

Interest income is recognized on time proportion basis taking into account the principal amounts outstanding and the rate of interest.

J. TAXATION:

Taxes on income are accounted with AS-22 "Accounting for Taxes on Income". Taxes on income comprises both current tax and deferred tax.

- Provision for Income tax is determined considering the disallowance, exemptions and deductions and/or liabilities/ credits and set off available as laid down by the tax law and interpreted by various authorities.
- Deferred Tax being the tax effect of timing difference representing the difference between taxable income and accounting income that originate in one period and are cable of reversal in one or more subsequent period(s). This is measured using substantively enacted tax rate and tax regulation.
- Deferred tax liabilities are recognized for all taxable timing differences. Deferred tax assets including the unrecognized deferred tax assets, if any, at each reporting date, are recognized for deductible timing differences only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which deferred tax assets can be realize
- The carrying amount of deferred tax assets are reviewed at each reporting date and are adjusted for its appropriateness.
- Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set off current tax assets against current tax liabilities and deferred tax assets and deferred taxes relate to the same taxable entity and the same taxation authority.
- Minimum Alternate Tax (MAT) paid in a year is charged to the Statement of Profit and Loss as current tax. The company recognizes MAT credit available as an asset only to the extent there is convincing evidence that the company will pay normal income tax during the specified period, i.e., the period for which MAT Credit is allowed to be carried forward. In the year in which the Company recognizes MAT Credit as an asset in accordance with the Guidance Note on Accounting for Credit Available in respect of Minimum Alternate Tax under the Income Tax Act, 1961, the said asset is created by way of credit to the statement of Profit and Loss and shown as "MAT Credit Entitlement."
The Company reviews the "MAT Credit Entitlement" asset at each reporting date and writes down the asset to the extent the company does not have convincing evidence that it will pay normal tax during the sufficient period.

K. PROVISIONS, CONTINGENT LIABILITIES AND ASSETS:

Provisions :

A provision is recognized when the company has present obligations as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligations and reliable estimate can be made of amount of the obligation. Provisions are not discounted at their present value and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

Contingent Liabilities :

A Contingent liability is a possible obligation that arises from the past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is liability that cannot be recognized because it cannot be measured reliably. The company does not recognize a contingent liability but discloses its existence in the financial statements by way of notes to accounts.

L. EMPLOYEE BENEFITS:

Defined contribution plan:

- Provident Fund is Defined contribution scheme for all applicable employees. Company's contribution to defined contribution scheme are recognized to the statement of Profit & Loss for the year when the contributions to the respective funds are due. There are no other obligations other than the contribution payable to the respective funds.
- Leave encashment is recognized as a liability as per rules of the company. Accumulated leave can be availed at any time during the tenure of employment but can be encashed on the completion of service, the liability is recognized on accrual basis.
- The company provides for Gratuity on the basis of actuarial valuation. The cost of providing defined benefits is determined using the Projected Unit Credit Method with actuarial valuation being carried out at each balance sheet date.
- The Company presents the above liabilities as current and non-current in the balance sheet as per actuarial valuation by the independent actuary.

M. IMPAIRMENT OF ASSETS:

The carrying amounts of the assets are reviewed at each balance sheet date if there is any indication of impairment based on the internal/external factors. An asset is impaired when the carrying amount of the asset exceeds the recoverable amount. An impairment loss is charged to the Statement of Profit and Loss in the year in which an asset is identified as impaired. An impairment loss recognised in the prior accounting periods is reversed if there has been change in the estimate of the recoverable amount.

N. EARNING PER SHARE:

The company reports basic and diluted Earnings per share in accordance with accounting standard 20 "Earning per Share". Basic earnings per share are computed by dividing the net profit or loss after tax for the year by the weighted average number of equity shares outstanding during the year. Diluted earnings per shares outstanding during the year by the weighted average number of equity shares outstanding during the year as adjusted for the effects of all dilutive potential equity shares except where the result are anti – dilutive.

O. CASH AND CASH EQUIVALENTS:
