Item No. 4

As reported in the previous year's Board's Report, Lenders have classified accounts of your company as NPA as on 31.3.2021 due to default in debt servicing. Your company had submitted a proposal to its lenders to sell its non-core assets (surplus land at its Kerala plant and offices in Mumbai), to enable the company to regularize the account, obtain required working capital and to continue normal operations. The same turned out to be non- feasible due to lack of orders, continued liquidity stress, working capital constraints, steep increase in cotton prices and above all unsustainable wage levels of the workmen. This has led to discontinue own manufacturing and resort to contract manufacturing operations. Consequently, the company had to submit a revised proposal to its Lenders to sell assets of the company, to pay the entire outstanding dues of Lenders and closure of account by 31.12.2022. Lenders have agreed to the revised proposal and the both the banks have approved the Revised proposal and issued NOC for sale of assets of the company to repay entire outstanding dues of the Lenders and closure of account by 31.12.2022. The lenders approval is subject to (i) the company shall sell the properties at higher of the market value as per two valuation reports and (ii) Any deficit to that value is to be made good by the company / promoters.

Further, as aforesaid due to steep increase in raw material (raw cotton) price and above all unsustainable wage level of workmen, even the contract manufacturer found his operations unviable and cancelled his job work orders with effect from 13.6.2022. Consequent to this, Management had to discuss the situation with Labour and their Unions on the possibility for revival of the business. Finally, Workmen and their unions have endorsed non- viability of the cotton yarn manufacturing business at company's plant in Aluva and have agreed for a) permanent closure of operations and b) Company's proposal to settle their dues. The Management has executed a Memorandum of Settlement with the workmen and employees of the company on the severance compensation payable. Accordingly, the manufacturing operations of Aluva plant were stopped permanently.

The company is making all efforts to sell the assets to repay dues of Lenders and Workmen, within the stipulated time limit.

As per the provisions of Section 180(1)(a) of the Companies Act, 2013, approval of the members is required for authorizing the Board of Directors to sell, lease or otherwise dispose off the whole or substantially whole of the undertaking(s) including disposal of land, building, plant & machinery of the Company either together or in piecemeal. In view of the same, the Board in its meeting held on 12.8.2022 has recommended passing of the Special Resolution mentioned at item No. 4 of the Notice to the members of the Company.

Further proviso to Section 110 of the Act, read with proviso to sub-rule 16 of Rule 22 of Companies (Management and Administration) Rules 2014 exempts the mandatory requirement of conducting Postal Ballot for Sale of assets / undertaking.
