New Delhi, Aug 14 (UNI): The Securities and Exchange Board of India (SEBI) on Monday filed an application before the Supreme Court seeking a direction for 15 more days time to file its report in connection with the probe into Adani-Hindenburg issue.

The Apex Court is scheduled to hear the matter on August 29, Tuesday.

"Pass an order extending the time granted to the Applicant/SEBI to conclude the investigation and submit the status report as directed by this Court," the SEBI said in its application.

The SEBI, in compliance with the SC order has examined/ investigated 24 matters. Out of the said 24 investigations/ examinations, 17 are final and complete and approved by the Competent Authority in accordance with SEBI's extant practice and procedures, the SEBI said.

It further submitted that in the matter, it has completed the investigation based on the material received by it. The interim report has been prepared and approved by the Competent Authority in accordance with SEBI's extant practice and procedures, the SEBI said.

The SEBI had sought information from agencies regulators in foreign jurisdictions, etc. and upon receipt of such information, will evaluate the same to determine further course of action, if any, in the said matter, the SEBI said.

"Out of the remaining 6 matters, in 4 investigations/ examinations, findings have been crystalized and the reports prepared consequent thereto are in the process of approval by the Competent Authority. SEBI expects to complete the approval process in respect of the 4 matters shortly and in any event before the next date of hearing, i.e. August 29, 2023," the SEBI said.

Retail inflation shoots up to 15-month high of 7.44 pc in July, breaches RBI's upper tolerance band

New Delhi, Aug 14 (UNI): India's retail inflation measured by consumer price index (CPI) shot up to 7.44% year-on-year in July 2023 driven primarily by high food prices.

Retail inflation print was 4.87% in June this year.

The latest inflation number is way above Reserve Bank of India's (RBI) upper tolerance band of 6%.

The data released by Ministry of Statistics and Programme Implementation (MoSPI) on Monday showed food inflation rose to 11.51% in July this year from 4.55% in the previous month.

Commenting on July

inflation number, ICRA Chief Economist Aditi Nayar said that given the CPI inflation print for July 2023, the MPC's revised forecast for inflation for Q2 FY2024 of 6.2% appears to be at risk of being overshoot, as the vegetable price shock may not reverse adequately before the next harvest.

"Moreover, rainfall has been deficient in August so far, which is likely to put upward pressure on food prices, amid the lags in kharif sowing across some crops," she said.

The RBI in its latest forecast has projected inflation at 5.4% in FY24 with Q2 at 6.2%, Q3 at 5.7%, and Q4 at 5.2% assuming normal monsoon.

"Headline inflation projection for Q2 of 2023-24 has been revised up substantially, primarily due to the price shock from vegetables. Given the likely short-term nature of these shocks, monetary policy can look through high inflation prints caused by such shocks for some time.

The frequent incidences of recurring food price shocks, however, pose a risk to anchoring of inflation expectations, which has been underway since September 2022," RBI Governor

Shaktikanta Das said last week while making monetary policy statement.

The RBI is tasked to maintain price stability in the country and ensure retail inflation in the range of 2-6%.

The latest increase in inflation is primarily on account of high vegetable prices especially that of tomatoes which have been hurting the common man for the past several weeks. The prices of tomatoes have eased a bit but remain elevated at Rs 100-150 a kg in retail markets in many parts of the country.

The official data showed vegetable inflation in July this year was as high as 37.34%. Among various food items, 'cereal and products' inflation was 13.04% last month.

2002 Godhra train burning case: SC dismisses bail plea of 3 convicts

New Delhi, Aug 14 (UNI): The Supreme Court on Monday in its order rejected the bail pleas of three Godhra train burning case convicts of 2002, after terming their offences and cases as "serious and not isolated ones."

A bench of the Supreme Court, headed by the Chief Justice of India (CJI) Dr Dhananjaya Yeshwant Chandrachud rejected the bail pleas filed by three, 2002 Godhra train burning case convicts -- Saukat Abdulla Moulvi Ismail Badam, Siddik Mohammad Mora (Moraiya) and Bilal -- keeping in view their acts and specific roles assigned to them. "The incident is serious, not isolated ones. We are at this stage not inclined to grant them bail," the CJI Dr Chandrachud said in the order.

The Supreme Court also in its order noted that their death sentences had been

also granted bail to another convict who had spent 17 years in jail.

The February 27, 2002 train burning incident in Godhra led to communal riots in Gujarat.

A total of 31 convicts were sentenced by the trial court in 2011 — 11 were sentenced to death and 20 to life imprisonment. In 2017, the Gujarat High Court commuted the death sentence to life terms — all 31 got life imprisonment.

commuted by the Gujarat High Court. The convicts had played specific role like pouring petrol and involved in other offences.

While rejecting the bail plea of the three convicts, the Supreme Court said that the State of Gujarat's appeal for increasing their sentence is kept pending for final disposal.

The Top Court, however, agreed to list their appeals before an appropriate bench for listing and adjudicating their prayers.

Earlier, in May 2022, the Supreme Court had granted interim bail to Abdul Rahman Dhantiya on medical grounds to attend to his wife, and mentally challenged daughters. In December 2022, it
