## **PRESS RELEASE**

**Vadodara , Gujarat , 3<sup>rd</sup> march 2021**

### **ADVANCE SYNTEX LIMITED BREAKS INTO THE WORLD'S LARGEST RETAILER**

Advance Syntex Limited, would like to share few current development and achievements, in the current business socio-economic situation. An American multinational retail corporation that operates a chain of hypermarkets, departmental stores has approved and placed an order with the company after all the due diligence and SEDEX approved certification.

As per the understanding reached the total order for the next financial year will be US\$1.5 million. Advance Syntex Limited believes that this is a great mile stone and could be the start of a deeper relation with the global retailer.

In our core business of Glitters, we have launched an innovative product in world of micro-plastic-“Biodegradable Glitter”. This product is 100% home compostable and biodegradable. The product is been launched as trade name “Midas Green” and has been successfully accepted in European, UK and American Markets.

### **About Advance Syntex Limited**

Advance Syntex Limited manufacturing business since 1974 and pioneer to introduce glitter powder in India in year 1980 with Japanese technology and Japanese Equipment's. At present we are engaged in manufacturing of precision cut Glitter powder for various applications such as textile printing, moulding and flocking over and above conventional decorative applications. Our brand name “Midas” is been recognised by our customer based all around the world and we are one of the leading exporters in glitter in USA, UK and Europe.

Thanking You,
