(+) Other Comprehensive Income/(Loss)	(13,605)	-
Total Comprehensive Income	12,776	(1,24,24,746)

2. FINANCIAL PERFORMANCE:

Revenue:

The total income for FY 2020-21 at Rs. 89,97,293/- has been higher as compared to Rs. 35,22,176/- for previous year due to net gain on change in fair value of investments.

Expenses:

The total expenses for FY 2020-21 at Rs. 89,70,912/- are less as compared to expenses of Rs. 1,59,46,922/- in previous year due to decrease in professional & legal charges and general expenses and also due to net gain in the year under review against net losses on change in fair value of investments in the previous year.

Profit After Tax:

The Company earned profit after tax for FY 2020-21 at Rs. 26,381/- as compared to loss of Rs. 1,24,24,746/- in previous year, due to net gain on change in fair value of investments.

3. DIVIDEND:

Due to inadequacy of profits and also considering the liquidity position including working capital

requirements, your Directors express their inability to recommend any dividend for the year under review.

4. TRANSFER TO RESERVES

The Company has not transferred any sum to any Reserves during the financial year ended March 31, 2021.

5. MANAGEMENT DISCUSSION AND ANALYSIS

a. Industry Structure and Developments:

The financial year 2020-21 continued to be a difficult year for the real estate sector, which continued to struggle with a liquidity.

Residential spaces and commercial real estate that were already struggling to overcome major policy reforms, structural changes and the liquidity crisis, faced another setback on account of COVID-19 pandemic. It is set to negatively impact real estate sector and is likely to impact demands.

On account of the prevalent pandemic situation and the global health crisis, the demand for office space might suffer significant contraction mainly and the demand for commercial space may be slow due to sluggish business environment, consequently putting rental income under pressure.

The income of the Company from its operations was Rs. 17,10,000/- as compared to Rs. 26,10,000/- in previous year.

b. Opportunities and Threats:

The Company's Business Centre though is strategically located in Fort area of Mumbai, there is a limitation for expansion of the office space by the corporate in its Business Centre, as large number of corporates now prefer to shift their base to suburbs where there is greater scope to have a larger area at cheaper rentals. This trend has adversely impacted the Company's business in the last several years. Nevertheless, some of them would prefer to maintain their establishments in the Fort Area, Mumbai, which may prove to be an opportunity to the Company.

Further, the Company is exposed to a number of risks such as regulatory, counterparty risk, but it has implemented risk management policies and guidelines that set out the tolerance for Company's general risk philosophy. It has established a framework and process to monitor the exposures to implement appropriate measures in a timely and effective manner.

c. Outlook:

Looking at the above-mentioned facts, the future prospects for the business centre activity are not very promising. However, the management is looking out for alternative sources of generating additional revenue for the Company by introducing new occupants in its existing Business Centre.

d. Risks and Concerns:

Risk management can be construed as the identification, assessment, and prioritization of risks followed by coordinated and economical application of resources to minimize, monitor, and control the probability and/or impact of unfortunate events or to maximize the realization of opportunities.

The Company has a well-defined risk management framework in place that functions through its Audit Committee. The Company periodically places before the Audit Committee and the Board, the key risks and the risk assessment and mitigation procedures followed by the Company.

e. Internal Control Systems and Adequacy

The Company has established a well-defined internal control system to monitor the occupancy rate and operating cost, which are very critical factors from Company's performance point of view. Any kind of adverse factors are immediately reported to Board for their analysis and necessary action.

f. Financial Performance with respect to Operational Performance:

The Company has by and large been able to maintain its operations.

g. Human Resources:

Employee relations continued to remain cordial during the year under review. As on March 31, 2021, there were Three (3) employees including Key Managerial Personnel of the Company.

h. Significant Changes in Key Financial Ratios (i.e. change of 25% or more as compared to immediately previous financial year) and Change in Return on Net Worth as compared to the immediately previous financial year, along with a detailed explanation thereof:

Return on Net Worth for FY 2020-21: 41.96

Return on Net Worth for FY 2019-20: (41.87%)

Return on Net Worth as compared to immediately preceding financial year increased due to net profit in current year as compared to net loss in previous year.

As compared to previous year, Change in Current Ratio was (44.48%) mainly on account of Increase in the value of Investment. Change in Operating Profit Margin was (74.35%) due to increase in the value of investment which have increased other income and reduction of income from operations. Due to Net Loss in last year Net Profit Margin was not comparable with respect to current year. Change in Debtor's Turnover Ratio was (53.43%) mainly on account of reduction of revenue from operations as one of the properties was vacated by the tenant in September 2020. Since the Company does not have any interest expense in current year, Interest Coverage Ratio is not comparable.

Except these, there is no significant change (i.e. change of more than 25%) in any other key financial ratio during the current financial year as compared to immediately preceding financial year.

i. Cautionary statement:

Statements in the Management Discussion and Analysis describing the Company's objectives, projections, estimates and expectations may constitute forward looking statements within the meaning of applicable laws and regulations. Actual might differ materially from those either expressed or implied.

6. MATERIAL CHANGES AND COMMITMENTS, IF ANY AFFECTING THE FINANCIAL POSITION OF THE COMPANY

There are no material changes and commitments, affecting the financial position of the Company which have occurred between the end of the financial year on March 31, 2021 to which the financial statements relate and the date of this report.

7. SUBSIDIARY / JOINT VENTURE / ASSOCIATE COMPANIES

The Company does not have any subsidiary/joint venture/associate.

There were no companies which have become or ceased to be its Subsidiaries, joint ventures or associate companies during the year.

8. RISK MANAGEMENT

As stated above, the Company has laid down a well-defined risk management mechanism covering the risk mapping and trend analysis of both business and non-business risks, risk exposure, potential impact and risk mitigation process. The Audit Committee of the Board is designated to review and monitor the risks associated with the Company. Accordingly, it periodically reviews the risks and suggests steps to be taken to manage/ mitigate the same through a properly defined framework.

Independent Auditor's Report on compliance with the conditions of Corporate Governance as per provisions of Chapter IV of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015

The Members of FGP Limited

1. The accompanying Corporate Governance Report prepared by **FGP Limited** (hereinafter the "Company"), contains details as required by the provisions of Chapter IV of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("the Listing Regulations") ('Applicable criteria') with respect to Corporate Governance for the year ended March 31, 2021. This report is required by the Company for annual submission to the Stock exchange and to be sent to the Shareholders of the Company.

Management's Responsibility

2. The preparation of the Corporate Governance Report is the responsibility of the Management of the Company including the preparation and maintenance of all relevant supporting records and documents. This responsibility also includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the Corporate Governance Report.
3. The Management along with the Board of Directors are also responsible for ensuring that the Company complies with the conditions of Corporate Governance as stipulated in the Listing Regulations, issued by the Securities and Exchange Board of India.

Auditor's Responsibility

4. Pursuant to the requirements of the Listing Regulations, our responsibility is to express a reasonable assurance in the form of an opinion whether the Company has complied with the specific requirements of the Listing Regulations referred to in paragraph 3 above.
5. We conducted our examination of the Corporate Governance Report in accordance with the Guidance Note on Reports or Certificates for Special Purposes and the Guidance Note on Certification of Corporate Governance, both issued by the Institute of Chartered Accountants of India ("ICAI"). The Guidance Note on Reports or Certificates for Special Purposes requires that we comply with the ethical requirements of the Code of Ethics issued by the Institute of Chartered Accountants of India.
6. We have complied with the relevant applicable requirements of the Standard on Quality Control (SQC) 1, Quality Control for Firms that Perform Audits and Reviews of Historical Financial Information, and Other Assurance and Related Services Engagements.
7. The procedures selected depend on the auditor's judgement, including the assessment of the risks associated in compliance of the Corporate Governance Report with the applicable criteria. Summary of key procedures performed include:
 - i. Reading and understanding of the information prepared by the Company and included in its Corporate Governance Report;
 - ii. Obtained and verified that the composition of the Board of Directors w.r.t executive and non-

executive directors has been met throughout the reporting period;

- iii. Obtained and read the Directors Register as on March 31, 2021 and verified that atleast one woman director was on the Board during the year;
- iv. Obtained and read minutes of meetings held during the year of the Board of Directors, and committees including Audit Committee, Nomination and Remuneration Committee, Stakeholders Relationship Committee and also minutes of the Annual General Meeting;
- v. Obtained necessary representations and declarations from directors of the Company including the independent directors; and
- vi. Performed necessary inquiries with the management and also obtained necessary specific representations from management.

The above-mentioned procedures include examining evidence supporting the particulars in the Corporate Governance Report on a test basis. Further, our scope of work under this report did not involve us performing audit tests for the purposes of expressing an opinion on the fairness or accuracy of any of the financial information or the financial statements of the Company taken as a whole.

Opinion

8. Based on the procedures performed by us as referred in paragraph 7 above, and according to the information and explanations given to us, we are of the opinion that the Company has complied with the conditions of Corporate Governance as stipulated in the Listing Regulations, as applicable as at March 31, 2021, referred to in paragraph 1 above.

Other matters and Restriction on Use

9. This report is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.
10. This report is addressed to and provided to the members of the Company solely for the purpose of enabling it to comply with its obligations under the Listing Regulations with reference to compliance with the relevant regulations of Corporate Governance and should not be used by any other person or for any other purpose. Accordingly, we do not accept or assume any liability or any duty of care or for any other purpose or to any other party to whom it is shown or into whose hands it may come without our prior consent in writing. We have no responsibility to update this report for events and circumstances occurring after the date of this report.

INDEPENDENT AUDITOR'S REPORT

To the Members of M/s. FGP Limited

Report on the Ind AS financial statements

Opinion

We have audited the accompanying Ind AS financial statements of M/s. FGP Limited ("*the Company*") which comprises the Balance Sheet as at March 31, 2021, the Statement of Profit and Loss, statement of changes in equity and statement of cash flows for the year then ended, and notes to the Ind AS financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, and **Profit** including other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Ind AS financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Ind AS financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no key audit report matters to communicate in our report for the year ended 31st March, 2021.

Responsibility of Management for the Ind AS financial statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act,

2013 ("the Act") with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting

policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the company's financial reporting process

Auditor's Responsibility for the Audit of the Ind AS financial statements

Our objectives are to obtain reasonable assurance about whether the Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may

involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the **Annexure A** statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, we report that:

- a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c. The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- d. In our opinion, the aforesaid Ind AS financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e. On the basis of the written representations received from the directors as on 31st March, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2021 from being appointed as a director in terms of Section 164 (2) of the Act.
- f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "**Annexure B**".
- g. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed impact of all pending litigations which would impact its financial position in its financial statements.
 - ii. The Company does not have any long term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of FGP Limited ("the Company") as of 31 March 2021 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial control system over financial reporting and their

operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgments, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become

inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2021, based on the internal control over financial

reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Note 20
20.1 Company information

FGP Limited is a Limited Company domiciled in India and incorporated under the provisions of The Companies Act, 1956. The Company generates revenue from the business centre and incidental activities. The registered office of the company is located at Commercial Union House, 9, Wallace Street, Fort, Mumbai - 400001.

20.2 Basis of preparation

These financial statements are prepared on the accrual basis of accounting and in accordance with the Indian Accounting Standards (Ind AS) notified under Companies (Indian Accounting Standards) Rules, 2015 and referred under Section 133 of the Companies Act, 2013.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2021

The financial statements were authorised for issue in accordance with a resolution passed by the Board of Directors on 24th May, 2021

These financial statements have been prepared on a historical cost basis, except for certain financial assets and liabilities measured at fair value or amortised cost (refer accounting policy regarding financial instruments).

The financial statements are presented in Indian rupees (INR), which is also the Company's functional currency.

20.3 Summary of Significant accounting policies

a) Fair value measurement

The Company measures certain financial instruments at fair value at each reporting date.

Fair value is the price that would be received on sale of an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 (if level1 feed is not available/appropriate) — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.
- Level 3 (if level1 and 2 feed is not available/appropriate) — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

b) Revenue recognition

Operating revenues

Revenue from services to occupants are accounted on accrual basis as per the terms of contract (excluding service tax / GST). Revenue in respect of insurance / other claims, commission, etc are recognised only when there is reasonable certainty on accrual.

Interest income

Interest income is recognised on an accrual basis .

Dividends

Dividend income is recognised when the Company's right to receive the payment is established.

Rental income

Rental income arising from operating leases is accounted for on a straight-line basis over the lease terms, except where escalation in rent is in line with expected general inflation.

c) Taxes on Income

Current Tax

Tax on income for the current period is determined on the basis of estimated taxable income and tax credits computed in accordance with the provisions of the relevant tax laws. Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate. Current tax assets and current tax

NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2021

liabilities are offset if a legally enforceable right exists to set off the recognised amounts.

Deferred tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are reassessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside the statement of profit and loss (consistent with applicable accounting standards) is recognised outside the statement of profit and loss. Deferred tax items are recognised in correlation to the underlying transaction either in other comprehensive income or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current income tax liabilities. Company has recognised deferred tax asset to the extent of deferred tax liabilities.

d) Property, plant and equipment

All items of property, plant and equipment are initially recorded at cost. Subsequent to initial recognition, property, plant and equipment are measured at cost less accumulated depreciation and any accumulated impairment losses. The carrying values of property, plant and equipment are reviewed for impairment when events or changes in circumstances indicate that the carrying value may not be recoverable.

The cost of an item of property, plant and equipment is recognized as an asset if, and only if, it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The cost includes the purchase price and any directly attributable costs of bringing the asset to its working condition and location for its intended use, cost of replacing part of the property, plant and equipment and borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying property, plant and equipment. All other repair and maintenance costs are recognized in the statement of profit or loss as incurred.

Depreciation on tangible assets is provided on "Straight Line Method" in accordance with Ind AS 16 'Property, Plant and Equipment' with useful life as prescribed in Schedule II of the Companies Act, 2013 except that depreciation on fixed assets installed at the Business Centre is provided at the rate of 33 1/3 per cent on the straight line method.

Assets	Useful life in years
Building	60
Plant & Equipment	15
Furniture	10
Computers (other than servers & networks)	3
Vehicle	8

An item of property, plant and equipment is de-recognized upon disposal or when no future economic benefits are expected from its use. Any gain or loss on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in Statement of profit and loss in the year the asset is de-recognized.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at the end of each reporting period and adjusted prospectively, if appropriate.

e) Leases

The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is (or contains) a lease if fulfilment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2021

A lease is classified at the inception date as a finance lease or an operating lease.

Lease arrangements where the risks and rewards incident to ownership of an asset substantially vest with the lessor are recognised as operating leases. Lease rents under operating leases are recognised in the Statement of Profit and Loss on straight line basis ,except where escalation in rent is in line with expected general inflation.

Lease arrangements where lessee assumes substantially all the risks and rewards of ownership are classified as finance leases. Finance leases are capitalized at the lower of the fair value of the leased assets at inception and the present value of minimum lease payments. Lease payments are apportioned between the finance charge and the outstanding liability. The finance charge is allocated to periods during the lease term at a constant periodic rate of interest on the remaining balance of the liability.

f) Impairment of non-financial assets

The Company assesses, at each reporting date, whether there is any indication that an asset may be impaired. If any such indication exists the company estimates the asset's recoverable amount and impairment is recognised if the carrying amount of these assets exceeds their recoverable amount. The recoverable amount is the greater of the net selling price and their value in use. When there is indication that an impairment loss recognised for an asset in earlier accounting periods no longer exists or may have decreased, such reversal of impairment loss is recognised in the Statement of Profit & Loss.

g) Provisions

General

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimate.

Contingencies

A disclosure for contingent liability is made when there is possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or present obligation that the likelihood of outflow of resources is remote, no provision or disclosure is made.

h) Employee benefits

(i) Contribution to Provident fund:

Company's contributions during the year towards Government administered Provident Fund is charged to the Profit and Loss statement as incurred.

(ii) Other retirement benefit

Other than contribution to provident fund, the Company has made provision for Gratuity & Leave Encashment as per Atutorial Valuation report.

i) Financial instruments

i. Financial assets

Initial recognition and measurement

All financial assets are recognised initially at fair value (purchase value plus transaction costs that are attributable to the acquisition of the financial asset), amortised cost or at cost. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in five categories:

- Debt instruments at amortised cost
- Debt instruments at fair value through other comprehensive income (FVTOCI)
- Debt instruments, derivatives and equity instruments at fair value through profit or loss (FVTPL)
- Equity instruments measured at fair value through other comprehensive income (FVTOCI) or fair value

**NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR
ENDED 31ST MARCH, 2021**

through profit or loss (FVTPL)

Debt instruments at amortised cost

A 'debt instrument' is measured at the amortised cost if both the following conditions are met:

- (a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- (b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, financial assets are subsequently measured at amortised cost using the EIR method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the Statement of Profit or Loss. The losses arising from impairment are recognised in the Statement of Profit or Loss.

Debt instrument at FVTPL

FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as at FVTPL.

Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the Profit and Loss Statement.

Equity instruments measured at FVTOCI or FVTPL

All equity investments in scope of Ind-AS 109 are measured at fair value. Equity instruments which are held for trading are classified as at FVTPL. For all other equity instruments, the Company decides to classify the same either as at FVTOCI or FVTPL. The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

If the Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the other comprehensive income (OCI). There is no recycling of the amounts from OCI to P&L, even on sale of investment. However, the Company may transfer the cumulative gain or loss within equity.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the P&L.

Derecognition

The Company derecognizes a financial asset only when the contractual rights to the cash flows from the asset expires or it transfers the financial asset and substantially all the risks and rewards of ownership of the asset. Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Company could be required to repay.

Impairment of financial assets

The Company assesses at each reporting date whether there is any objective evidence that a financial asset or a group of financial assets is impaired. A financial asset or a group of financial assets is deemed to be impaired if, there is objective evidence of impairment as a result of one or more events that has occurred after the initial recognition of the asset (an incurred 'loss event') and that loss event has an impact on the estimated future cash flows of the financial asset or the group of financial assets that can be reliably estimated.

ii) Non derivative financial liabilities

Financial liabilities are classified as either "financial liabilities at fair value through profit or loss" or "other financial Liabilities". Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss.

- (a) Financial liabilities are classified as "financial liabilities at fair value through profit or loss" if they are held for trading or if they are designated as financial liabilities at fair value through profit or loss. These are measured initially at fair value with subsequent changes recognized in profit or loss. Fair value is determined as per Ind AS 113 'fair value measurement'.
- (b) Other financial liabilities, including loans and borrowing, are initially measured at fair value, inclusive of directly attributable transaction costs. Subsequent to initial recognition, these are measured at amortized cost using the EIR method.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2021

Derecognition of financial liabilities:

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

iii) Offsetting of financial instruments:

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

20.4 Significant accounting judgments, estimates and assumptions

The preparation of the company's standalone financial statements requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances existing when the financial statements were prepared. The estimates and underlying assumptions are reviewed on an ongoing basis. Revision to accounting estimates is recognised in the year in which the estimates are revised and in any future year affected.

In the process of applying the Company's accounting policies, management has made the following judgments, estimates and assumptions which have significant effect on the amounts recognised in the financial statements:

Lease of properties and equipments not in legal form of lease: Significant judgement is required to apply lease accounting rules under Appendix C to Ind 17: determining whether an arrangement contains a Lease. In assessing the applicability to arrangement entered into by the Company, management has exercised judgement to evaluate the right to use the underlying assets, substance of transaction including legally enforced arrangement and other significant terms and conditions of the arrangement to conclude whether the arrangement meet the criteria under Appendix C to Ind AS 17 'Leases'.

Provision for doubtful advances and trade receivables: The company is not significantly exposed to credit risk as most of the service income is received on a monthly basis and historically the receipts are regular. Advance to parties are made in normal course of business as per terms and condition of contract. At present, the Company is providing credit loss for trade receivables and advances to parties as required under Ind AS 109 'Financial Instrument' on the basis of ageing of receivables and judgement about recoverability of amount on evaluation of individual receivables.

Impairment of financial assets

The impairment provision for financial assets are based on assumptions about risk of default and expected loss rates. The Company uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on Company's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

Fair value measurement of financial instruments

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using appropriate valuation techniques. The inputs for these valuations are taken from observable sources where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgments include considerations of various inputs including liquidity risk, credit risk, volatility etc. Changes in assumptions / judgments about these factors could affect the reported fair value of financial instruments.

Taxes:-

Deferred tax assets are recognised for unused tax losses and tax credits to the extent that it is probable that taxable profit will be available against which the losses can be utilised. Deferred tax assets have been recognised based on the likely timing and the level of future taxable profits.

measured and managed in accordance with the company's policies and risk objectives. The Board of Directors reviews and agrees policies for managing key risks, which are summarised below.

Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such as equity price risk and commodity risk. Financial instruments affected by market risk include investments.

The senior management manages market risk which evaluates and exercises control over the entire process of market risk management. The senior management recommends risk management objectives and policies, which are approved by the Board. The activities include management of cash resources, investment strategies, etc.

Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. Interest rate change does not affect significantly to current investment.

Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The company is exposed to credit risk from its operating activities and from its financing activities, including deposits with banks, financial institutions and other parties and other financial instruments. The company is not significantly exposed to credit risk as most of the service income is received on a monthly basis and historically the receipts are regular. The company adopts prudent criteria in its investment policy, the main objectives of which are to reduce the credit risk associated with investment products and the counterparty risk associated with financial institutions. The Company considers the solvency, liquidity, asset quality and management prudence of the counter parties, as well as the performance potential of the counter parties in stressed conditions. In relation to credit risk arising from commercial transactions, impairment losses are recognized for trade receivables when objective evidence exists that the Company will be unable to recover all the outstanding amounts in accordance with the original contractual conditions of the receivables.

Liquidity risk

The Company's finance personnel is responsible for liquidity, funding as well settlement management. In addition, the related policies and processes are overseen by senior management. Management monitors the company's net liquidity position through rolling forecast on the basis of expected cash flows.

The table below summarises the maturity profile of the Company's financial liabilities based on contractual undiscounted payments.

Excessive risk concentration

Concentrations arise when a number of counterparties are engaged in similar business activities, or activities in the same geographical region, or have economic features that would cause their ability to meet contractual obligations to be similarly affected by changes in economic, political or other conditions. Concentrations indicate the relative sensitivity of the Company's performance to developments affecting a particular industry or given set of counter parties.

In order to avoid excessive concentrations of risk, the company's policies and procedures include specific guidelines to focus on the maintenance of a reasonably diversified portfolio. Identified concentrations of credit risks are controlled and managed accordingly.

Capital management

For the purpose of the Company's capital management, capital includes issued equity capital and all other equity reserves attributable to the equity holders of the company. The primary objectives of the Company's capital management is to maximise the shareholder value while providing stable capital structure that facilitate considered risk taking and pursuit of business growth.

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and business opportunities. To maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders, raise/ pay down debt or issue new shares.
