Veranda Learning teams up with Six Phrase to amplify employability training

Chennai: Veranda Learning Solutions is taking rapid strides in its tryst to become an end-to-end service provider in the education space. The public listed Education company (BSE: 543514, NSE: VERANDA) announced signing a share purchase agreement on the 22nd of May 2023 with Six Phrase, South India's largest Skill Development and Career Development Enterprise.

With over 13 years of experience and a track record of jumpstarting the careers of over 1.2 million students, Six Phrase is a trusted name in employability training. Veranda Learning Solutions and Six Phrase will offer a wide range of skill development programs designed to equip students with industry-relevant skills. "Six Phrase works with over 300 colleges in about 9 states in the country. The plan is to take them from 300 to over 3000 colleges in the next 3-4 years," said Mr. Suresh Kalpathi, Executive Chairman of Veranda Learning.

With the recruitment process shifting towards data-driven methodologies, Six Phrase stands at the forefront of preparing students for the future job market. The company aims to bridge the gap between industry requirements and the skills of job seekers by adequately equipping them with the necessary competencies. Furthermore, with the integration of new-age technology courses into the college curricula, Six Phrase recognizes a significant opportunity to address the growing shortage of qualified teachers in these specialized fields. Through strategic partnerships with educational institutions, the company aims to provide on-campus course curricula and training which is comprehensive and industry-relevant to the students. "Both Veranda and Six Phrase will unlock valuable opportunities for both organizations, facilitating the expansion of our reach to a diverse and extensive audience. Through collaborative efforts, we aim to cultivate a purposeful impact on the evolving education landscape," said Mr. Prabhu N.D., CEO at Six Phrase.

Mr. Aditya Malik, CEO of Veranda HigherEd, feels this association could not have come at a better time. "With Six Phrase becoming part of Veranda Learning, it further strengthens our position as a preferred partner for universities and colleges across India. It enables us to partner the educational institutions at their campuses to help their students, and then work with them to offer online degrees and certificates to working professionals. This makes us a partner of choice for top ranked universities and institutes," said Mr. Aditya.

Six Phrase's work has received rich praise from top educational institutions. "Our partnership with Six Phrase over 5 years has gone beyond what we thought was possible. Their technical, aptitude, and company-specific training programs have enhanced the skill sets of our students, placing them in a position to succeed in the job market," said Dr. V. Badrinath, Dean, Corporate Relations and School of Management at SASTRA Deemed University. "Our University (Koneru Lakshmaiah Education Foundation Deemed to be University) has partnered with Six Phrase for the last 2 years to impart training to our students in different areas. The students appreciated the efforts of the quality training given by them during this period," said Mr. S. Sandeep Kumar, Head of Department, School of Competitive Coding at KL University. Dr S.P. Rao Borde, Dean of JSPM's Rajarshi Shahu College of Engineering in Pune was effusive in his praise of Six Phrase. "We have been fortunate to have a successful and productive partnership with Six Phrase. Our students' skill development and employability have been greatly enhanced by their aptitude, technical and company-specific training," Dr. Rao Borde said.
