Pulwama bomber relative among 3 terrorists killed

MOHIT KANDHARI ■ JAMMU

Intensifying counter terrorist operations, a joint team of security forces eliminated three terrorists including a close relative of the accused bomber who had rammed his four wheeler against the CRPF convoy near Lethpora in South Kashmir's Pulwama district killing 40 CRPF jawans, in two separate encounters in Kulgam and Srinagar on Friday. So far 133 terrorists including several top commanders have been neutralized across Kashmir valley in different operations.

After the encounter Jammu and Kashmir police claimed one of the lone terrorists killed in Bemina area of Srinagar was prepared by a terrorist outfit for a fidevay attack.

According to police, the slain terrorist has been identified as Amir Riyaz of Muhihdeen Garzawati Hind, a resident of Khrew Pampore. Police also claimed he was a relative of one of the accused terrorists of Lethpora terror attack and preliminary investigation indicated that he was assigned to carry out a similar kind of fidevay attack. Digital evidence recovered from his mobile show that he was prepared for a terror outfit for a fidevay attack. Congratulating the security forces for these two successful operations, Inspector General of police, Kashmir range Vijay Kumar claimed the security forces have neutralized 133 terrorists including many top commanders this year.

According to a police spokesman, the first counter terrorist operation was launched by the security forces in the Chancer Chawalgam area of Kulgam late Thursday evening. In the initial gunfight one terrorist was neutralized and the second one was eliminated in the few hours of Friday. The slain terrorists have been

identified as District commander of proscribed terror outfit HM Shiraz Ahmad Gohiraz Mohi at Bais. Haris resident of South Kulgam and Yasar Ahmad Bhat resident of Pompora Kulgam. The terrorists were given the opportunity to surrender but instead of paying the ransom they opted to die.

As per police records, Shiraz Mohi was an A++ categorized terrorist and was active since 2016 figuring among the list of most wanted terrorists. He was also involved in recruiting innocent youth into terror ranks and in spreading a reign of terror by killing civilians as well as political workers in Devsar and Brazoo areas of Kulgam. There are 15 FIRs

registered against him for several terror crimes.

The second operation was carried out in the Bemina area of Srinagar. According to a police spokesman, security forces, conducting routine checking and frisking at a checkpoint, were targeted by terrorists near Bemina Bhand.

To pin down the terrorist and to avoid further collateral damage additional forces were rushed to the area to plug the escape routes.

In the ensuing encounter, one terrorist of proscribed terror outfit Muhihdeen Garzawati Hind was eliminated and his body was retrieved from the site of encounter. The slain terrorist was identified as Amir Riyaz resident of Khrew Pampore.

Bengal Assembly to pass resolution against added BSF jurisdiction

SAUGAR SENGUPTA ■ KOLKATA

After Punjab it is the turn of Bengal to take a resolution against the expansion of the Centre to usurp States' powers. Come November 16, the ruling Trinamool Congress will bring a resolution in Bengal Assembly against the expansion of the jurisdiction of Border Security Force from 15 km to 50 km.

The development comes in tandem with a report that three suspected cattle smugglers including two Bangladeshis were on Friday gunned down by the BSF in Cooch Behar district of North Bengal.

According to the Government sources the TMC was planning to bring the proposal in the House on November 16. Bengal Minister Partho Chatterjee on Friday said that the issue would be discussed in the Assembly under Rule 185 after which the resolution will be passed seeking revocation of the Centre's decision.

Referring to the Friday's incident in India-Bangladesh border in Cooch Behar he said "see what happened there (Cooch Behar). There is nothing in the BSF Act that can afford it power to handle law and order which is a State subject. This will naturally lead to a miscommunication between the BSF and the State Police."

The Friday's firing came on

ACTOR'S 'TRUE FREEDOM IN 2014' REMARK

Tushar Gandhi calls Kangana 'agent of hate'

TN RAGHUNATHA ■ MUMBAI

Disbarring Bollywood actress and Padma Shri recipient Kangana Ranaut as an 'agent of hate, intolerance and rabidity', Mahatma Gandhi's great grand-son Tushar A. Gandhi said here on Friday that it was natural that a "vicious and petty person" like Kangana to feel that India got its freedom in 2014.

On a day when the ruling Maha Vikas Aghadi (MVA) leaders joined him in slamming Kangana for her statement that India got true independence freedom in 2014 and that the freedom that India got in 1947 was "bheek" (alms), Tushar Gandhi indirectly held the Narendra Modi government responsible for her the actor's controversial statement.

In a statement issued here, Tushar Gandhi said "Padmasri Kangana Ranaut is an agent of hate, intolerance and rabidity. It is not surprising that she feels that India got its freedom in 2014. Hate, intolerance, Sham Patriotism, intolerance and oppression were liberated in India in 2014 when a very poisonous and vicious ideology gained dominance in India, personified by the Prime Minister."

"So it is natural that a vicious and petty person like Ms. Ranaut should feel that India got its freedom in 2014. Parveyes of hate and official sanction to freely propagate hate in 2014. This is what happens when a poisonous ideology is given official sanction," he said.

"It is not at all surprising that subscribers of an agent of hate would not feel that the sacrifices of our freedom fighters are significant. It is not surprising that such statements were made in a function attended by the PM. After all, today the PM has become the guardian of hate that flows abundantly in our country," Tushar Gandhi said.

Tushar Gandhi was referring to Kangana's claim - made in interview at the "Times Now Summit 2021" - "Celebrating India@75, shaping India@100, which was telecast on October 10, 2021 - that India did not achieve independence in 1947, that Mahatma Gandhi's freedom struggle was a failure and that India got its freedom in 2014."

"It is a pity that such puppets are being nurtured by the BJP deliberately. These puppets are not the real culprits but their master is," Sawani said. On Thursday, the Aam Aadmi Party (AAP) had lodged a complaint with the Mumbai police seeking registration of an FIR for sedition and other offences.

Simultaneously, AAP's national executive member Preeti Sharma Menon had - through a memorandum - urged Maharashtra chief minister Uddhav Thackeray to intervene and take up the matter with the Centre for withdrawal of "Padma Shri" awarded to Kangana over her public comment that the freedom that India got in 1947 was "bheek" (alms).

Mizoram partly halts construction at Assam border after Centre's directive

Aizawl: The Mizoram Government has partly halted construction activities along the border with Assam, following the Centre's directive to maintain a status quo at the interstate boundary, a senior Home Department official said on Friday.

The Mizoram government has been constructing roads and bridges in order to link police posts and camps in the border areas after the July stampede, which led to the death of seven people. The senior official told PTI that the Union Ministry of Home Affairs (MHA) sent a letter to the Mizoram government on November 8, directing it to maintain the status quo at the disputed areas along the interstate border.

Following the Centre's directive, the state Home Department asked administrative departments to maintain the status quo at the disputed areas and refrain from undertaking construction activities without mutual consent, he said.

Mizoram's three districts - Aizawl, Kohlab and Mamit - share a 168 km long boundary with Assam's Cachar, Hailakandi and Karimganj districts.

State Home Minister Lakhminilina said his government would undertake activities in the border areas on the Mizoram side as per requirement. The state police will continue to be deployed in the border areas to prevent untoward incidents and ally fears among people, he said.

Kohlab deputy commissioner H Lalranglana claimed that construction activities were carried out within Mizoram's territory as they respect status quo.

227 new Covid cases, 2 deaths in Karnataka

Bengaluru: Karnataka has reported 227 fresh cases of coronavirus and 2 deaths, taking the total number of infections to 29,91,369 and the toll to 38,140, the health department said on Friday.

The day also saw 20K discharges, taking the total number of recoveries in the state so far to 29,45 lakh.

Out of 227 new cases reported, 147 were from Bengaluru Urban, as the city saw 62 discharges and 1 death. Total number of active cases in the state is at 8,036. While the positivity rate for the day stood at 0.22 per cent, case fatality rate (CFR) was at 0.88 per cent.

Apathy and callousness towards drains caused Chennai's inundation

KUMAR CHELLAPPAN ■ CHENNAI

After three days of incessant rain that inundated the main thoroughfares in the metropolis, Chennai is slipping back to normalcy as Friday. The nature was kind to the city as it did not rain much since Thursday night and the water-logged regions got some relief on Friday.

"Most of the ring roads and subways continue to be flooded and it would take couple of days for the flood water to subside," said S Ranganath of Rare Publishers, a long time resident of the city. He said the batter-

MAHA GRAFT CASE Court extends Deshmukh's ED custody till November 15

TN RAGHUNATHA ■ MUMBAI

Five days after the Bombay High Court sent him to the custody of the Enforcement Directorate (ED) in the alleged money laundering case, a Special TMLA court on Friday extended the ED custody of Maharashtra former Home Minister and accused in the case Anil Deshmukh till November 15.

Special Judge H S Sathbi extended Deshmukh's ED custody till November 15 for three days after his lawyers Deshmukh's lawyers Vikram Chaudhari and Aniket Nikam opposed the central investigating agency's plea on the ground that he voluntarily appeared before the agency and agreed to be in its custody till Friday.

In their argument before the special court, Deshmukh's lawyers questioned the ED as to why it filed a charge-sheet in the case without arresting the dismissed Assistant Police Inspector (API) and prime accused Sachin Vaze, who played a key role but remains accused only on paper.

Deshmukh's lawyers also asked as to why Mumbai's former Police Commissioner Param Bir Singh - who is currently an absconding accused in at least three cases of extortion - has not been summoned by the ED to record his statement in the case.

"The country is passing through a phase where chaos and anarchy prevail, while the judiciary is the only saviour. The idea is to tie Deshmukh out. The ED seeking further custody is proof that it is not fair and it is acting with malice," Chaudhari told the court.

Rooting for the extension of Deshmukh's ED custody, Special Public Prosecutor Shriram Shirast submitted that the former Minister was needed for further custodial interrogation since

with rainwater. "The units are not functioning since Monday and many units have ordered shut down. This is a recurring phenomenon and we need a permanent solution," said A B Gireshan, president of Ambattur Unit MSME.

Prof S Vincent, former secretary, Tamil Nadu State Small and Medium Enterprises (SME) units in the City, one of the mainstays of Tamil Nadu's economy, suffered a setback as they were flooded

ing received during the last two days showed that things have not moved an inch since the massive floods of 2015.

"Till the authorities remove the encroachers from the banks of the canals and the sides of the stormwater drains, Chennai would face this kind of floods in future too. The encroachers are the vote banks and they have been legalised by the previous DMK administration," charged Ranganath.

More than 500 Micro, Small and Medium Enterprises (MSME) units in the City, one of the mainstays of Tamil Nadu's economy, suffered a setback as they were flooded

"new facts" had emerged in the case. Shirast also told the court that Vaze, the accused in the same case, is currently in Mumbai Police custody till Saturday and that the ED make fresh plea seeking Vaze's custody so that he could be confronted with Deshmukh, since the former minister was giving "evasive replies" to his interrogators.

Seven-one-year-old Deshmukh was arrested in the early hours of November after intense grilling lasting for more than 12 hours in the alleged money laundering case linked to the charges of extortion made against him by Mumbai's former Police Commissioner Param Bir Singh.

Deshmukh had resigned from his post as the State Home Minister on April 5, 2021, within an hour after the Bombay High Court ordered a "preliminary enquiry" (PE) by the CBI into the serious charges of corruption made against him and Mumbai's former Police Commissioner Param Bir Singh. He is being investigated by the CBI and Bir Singh. He is being investigated by the CBI and Bir Singh.

Enforcement Directorate (ED) on the allegations of corruption made by Param Bir Singh.

It may be recalled that on March 20, the former commissioner of police had alleged that State Home Minister Deshmukh had asked newly arrested and dismissed police officer Sachin Vaze to "collect" a staggering Rs 100 crore per month from bars, restaurants and other sources in Mumbai.

Deshmukh is being investigated by the CBI in connection with a First Information Report (FIR) registered by it on April 24 section 7 of the amended Prevention of Corruption Act and sections 130-b (Contractors) for attempting to obtain undue advantage for important and dishonest performance of the public duty."
