## INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of Excel Industries Limited

Report on the Audit of Standalone Financial Results

### Opinion

1. We have audited the standalone annual financial results of Excel Industries Limited (hereinafter referred to as the 'Company') for the year ended March 31, 2020 and the standalone statement of assets and liabilities and the standalone statement of cash flows as at and for the year ended on that date including the notes thereon (together referred to as the 'standalone financial results'), attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, ('Listing Regulations').
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial results:
  - (i) are presented in accordance with the requirements of Regulation 33 of the Listing Regulations in this regard; and
  - (ii) give a true and fair view in conformity with the recognition and measurement principles laid down in the applicable accounting standards prescribed under Section 133 of the Companies Act, 2013 (the "Act") and other accounting principles generally accepted in India, of net profit and other comprehensive loss and other financial information of the Company for the year ended March 31, 2020 and the standalone statement of assets and liabilities and the standalone statement of cash flows as at and for the year ended on that date.

### Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act and other applicable authoritative pronouncements issued by the Institute of Chartered Accountants of India. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Standalone Financial Results' section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion.

### Emphasis of Matter

4. We draw your attention to Note 6 to the standalone financial results which describes the management's assessment of the impact of the outbreak of Coronavirus (Covid-19) on the business operations of the Company. The management believes that no adjustments are required in the financial statements as it does not impact the current financial year, however, in view of the various preventive measures taken (such as complete lock-down restrictions by the Government of India, travel restrictions etc.) and highly uncertain economic environment, a definitive assessment of impact on the subsequent periods is highly dependent upon circumstances as they evolve.

Our opinion is not modified in respect of this matter.

## **Board of Directors' Responsibilities for the Standalone Financial Results**

5. These Standalone financial results have been prepared on the basis of the standalone annual financial statements. The Company's Board of Directors are responsible for the preparation and presentation of these standalone financial results that give a true and fair view of the net profit and other comprehensive loss and other financial information of the Company and the standalone statement of assets and liabilities and the standalone statement of cash flows in accordance with the recognition and measurement principles laid down in the Indian Accounting Standards prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. The Board of Directors of the Company are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the standalone financial results by the Directors of the Company, as aforesaid.
6. In preparing the standalone financial results, the Board of Directors of the Company are responsible for assessing the ability of the Company to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
7. The Board of Directors of the Company are responsible for overseeing the financial reporting process of the Company.

## **Auditor's Responsibilities for the Audit of the Standalone Financial Results**

8. Our objectives are to obtain reasonable assurance about whether the standalone financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial results.

Report on the Standalone Financial Results

9. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
- Identify and assess the risks of material misstatement of the standalone financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
  - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls. (Refer paragraph 12 below)
  - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
  - Conclude on the appropriateness of the Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Company to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
  - Evaluate the overall presentation, structure and content of the standalone financial results, including the disclosures, and whether the standalone financial results represent the underlying transactions and events in a manner that achieves fair presentation.
10. We communicate with those charged with governance of the Company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

**NOTES TO STANDALONE FINANCIAL RESULTS FOR THE QUARTER AND YEAR ENDED MARCH 31, 2020:**

- The standalone financial results for the quarter and year ended March 31, 2020 were reviewed by the Audit Committee and approved by the Board of Directors of Excel Industries Limited ('the Company') at their meetings held on June 26, 2020.
- In view of COVID-19 pandemic situation, the Board considered it appropriate that the interim dividend of Rs. 10/- (200%) declared by the Board at its meeting held on 9th March, 2020 be considered as final dividend for the Financial Year 2019-20.
- A Business Transfer Agreement was executed on March 31, 2017 for transfer of the Environment and Biotech Division (E&BT) of the Company to its wholly owned subsidiary Company viz, Excel Bio Resources Limited (EBRL) as a going concern by way of slump sale. There are certain conditions for completing of divestment of business which are outside the control of the Company. While the Company continues to pursue for fulfilment of these conditions, it believes that some of these conditions may take longer than foreseeable future to be completed. Accordingly, during the year, the Company has re-classified E&BT as continuing operations in accordance with the Companies (Indian Accounting Standards) Rules, 2015.
- The figures for the quarter ended March 31, 2020 and March 31, 2019 are arrived at as difference between audited figures in respect of the full financial year ended March 31, 2020 and March 31, 2019 and unaudited figures upto nine months ended on December 31, 2019 and December 31, 2018 respectively, which were reviewed earlier and not subjected to audit.
- The Board of Directors at its meeting dated June 27, 2019 had approved the acquisition of a chemical manufacturing unit of Netmatrix Crop Care Limited ('Seller') located at Visakhapatnam in Andhra Pradesh Special Economic Zone, as a going concern by way of slump sale. Pursuant to this, the Company had entered into a Business Transfer Agreement ('BTA') dated July 4, 2019 with the Seller.  
  
The said acquisition has been completed on October 25, 2019 on compliance with relevant conditions precedent specified in the BTA by the respective parties for total consideration of Rs. 8,898.46 lakhs (Including working capital of Rs. 398.46 lakhs). The Company has measured the acquired business of Seller at fair value determined in accordance with Ind AS 103 "Business Combination". An independent external professional valuation expert was engaged by the management to perform valuation of tangible and intangible assets as a part of Purchase Price Allocation.  
  
The financial results for the quarter ended on December 31, 2019 and March 31, 2020 and for year ended March 31, 2020 include impact of this acquisition with effect from October 25, 2019 and hence not comparable with previous periods.
- The spread of Covid19 has severely impacted businesses around the globe. In many countries, including India, there has been severe disruption to regular business operations due to lock-downs, disruptions in transportation, supply chain, travel bans, quarantines, social distancing and other emergency measures. Plants of the Company which had shut down operations during lock down period have since resumed operations in a phased manner.  
  
The Company has assessed its liquidity position for a period of at least one year from the balance sheet date along with the recoverability and carrying values of its all assets and ability to pay its liabilities as they become due, and has concluded that there are no material adjustments required in the standalone financial results for the year ended March 31, 2020.  
  
Management is of the view that considering the nature of its business operations, existing customer and supplier relationships and its market position, impact on its business operations, if any, arising from COVID -19 pandemic is not expected to be significant.  
  
However, the impact of Covid19 pandemic may be different from that estimated as at the date of approval of these financial results given the uncertainty associated with its nature and duration. The Company will continue to monitor any material changes to future economic conditions.
- Effective April 1, 2019, the Company adopted Ind AS 116 "Leases" and applied the same to lease contracts existing on April 1, 2019 using the modified retrospective approach. Accordingly, the comparative figures have not been restated. This resulted in recognition of lease liability with an equivalent amount recognised as right of use of assets as of April 1, 2019. The adoption of Ind AS 116 did not have any material impact on the financial results for the quarter and year ended March 31, 2020.
- Pursuant to the Taxation Laws (Amendment) Ordinance 2019, the Company has decided to opt for the reduced tax rate and hence, the current tax and deferred tax has been computed based on the revised rate inclusive of surcharge and cess (i.e. 25.17%). Accordingly, the Company has recognised current tax and deferred tax expenses for the period ended March 31, 2020 on the revised rate and accounted for deferred tax credit of Rs. 796.59 lakhs on account of re-measurement of net deferred tax liabilities as at March 31, 2019.
- Other Comprehensive Loss include reduction in Fair Value of Investments in equity instruments amounting to Rs. 3,388.97 lakhs and Rs. 4,483.72 lakhs for the quarter and year ended March 31, 2020.

### Emphasis of Matter

4. We draw your attention to Note 5 to the consolidated financial results which describes the management's assessment of the impact of the outbreak of Coronavirus (Covid-19) on the business operations of the Group. The management believes that no adjustments are required in the financial statements as it does not impact the current financial year, however, in view of the various preventive measures taken (such as complete lock-down restrictions by the Government of India, travel restrictions etc.) and highly uncertain economic environment, a definitive assessment of impact on the subsequent periods is highly dependent upon circumstances as they evolve.

Our opinion is not modified in respect of this matter.

### Board of Directors' Responsibilities for the Consolidated Financial Results

5. These Consolidated financial results have been prepared on the basis of the consolidated annual financial statements. The Holding Company's Board of Directors are responsible for the preparation and presentation of these consolidated financial results that give a true and fair view of the net profit and other comprehensive loss and other financial information of the Group including its associate company and the consolidated statement of assets and liabilities and the consolidated statement of cash flows in accordance with the recognition and measurement principles laid down in the Indian Accounting Standards prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. The respective Board of Directors of the companies included in the Group and of its associate company are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and its associate company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial results by the Directors of the Holding Company, as aforesaid.
6. In preparing the consolidated financial results, the respective Board of Directors of the companies included in the Group and of its associate company are responsible for assessing the ability of the Group and its associate company to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate the Group and its associate company or to cease operations, or has no realistic alternative but to do so.

### Auditor's Responsibilities for the Audit of the Consolidated Financial Results

8. Our objectives are to obtain reasonable assurance about whether the consolidated financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial results.
9. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
  - Identify and assess the risks of material misstatement of the consolidated financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
  - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls. (Refer paragraph 15 below)
  - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
  - Conclude on the appropriateness of the Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associate company to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associate company to cease to continue as a going concern.
  - Evaluate the overall presentation, structure and content of the consolidated financial results, including the disclosures, and whether the consolidated financial results represent the underlying transactions and events in a manner that achieves fair presentation.

10. We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial results of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

**NOTES TO CONSOLIDATED FINANCIAL RESULTS FOR THE QUARTER AND YEAR ENDED MARCH 31, 2020:**

- 1 The consolidated financial results for the quarter and year ended March 31, 2020 were reviewed by the Audit Committee and approved by the Board of Directors of Excel Industries Limited ('the Company') at their meetings held on June 26, 2020.
- 2 In view of COVID-19 pandemic situation, the Board considered it appropriate that the interim dividend of Rs. 10/- (200%) declared by the Board at its meeting held on 9th March, 2020 be considered as final dividend for the Financial Year 2019-20.
- 3 The figures for the quarter ended March 31, 2020 and March 31, 2019 are arrived at as difference between audited figures in respect of the full financial year ended March 31, 2020 and March 31, 2019 and unaudited figures upto nine months ended on December 31, 2019 and December 31, 2018 respectively, which were reviewed earlier and not subjected to audit.
- 4 The Board of Directors at its meeting dated June 27, 2019 had approved the acquisition of a chemical manufacturing unit of Netmatrix Crop Care Limited ('Seller') located at Visakhapatnam in Andhra Pradesh Special Economic Zone, as a going concern by way of slump sale. Pursuant to this, the Company had entered into a Business Transfer Agreement ('BTA') dated July 4, 2019 with the Seller.

The said acquisition has been completed on October 25, 2019 on compliance with relevant conditions precedent specified in the BTA by the respective parties for total consideration of Rs. 8,898.46 lakhs (Including working capital of Rs. 398.46 lakhs). The Company has measured the acquired business of Seller at fair value determined in accordance with Ind AS 103 "Business Combination". An independent external professional valuation expert was engaged by the management to perform valuation of tangible and intangible assets as a part of Purchase Price Allocation.

The financial results for the quarter ended on December 31, 2019 and March 31, 2020 and for year ended March 31, 2020 include impact of this acquisition with effect from October 25, 2019 and hence not comparable with previous periods.

- 5 The spread of Covid19 has severely impacted businesses around the globe. In many countries, including India, there has been severe disruption to regular business operations due to lock-downs, disruptions in transportation, supply chain, travel bans, quarantines, social distancing and other emergency measures. Plants of the Company which had shut down operations during lock down period have since resumed operations in a phased manner.

The Group has assessed its liquidity position for a period of at least one year from the balance sheet date along with the recoverability and carrying values of its all assets and ability to pay its liabilities as they become due, and has concluded that there are no material adjustments required in the consolidated financial results for the year ended March 31, 2020.

Management is of the view that considering the nature of its business operations, existing customer and supplier relationships and its market position, impact on its business operations, if any, arising from COVID -19 pandemic is not expected to be significant.

However, the impact of Covid19 pandemic may be different from that estimated as at the date of approval of these financial results given the uncertainty associated with its nature and duration. The Company will continue to monitor any material changes to future economic conditions.

- 6 Effective April 1, 2019, the Company adopted Ind AS 116 "Leases" and applied the same to lease contracts existing on April 1, 2019 using the modified retrospective approach. Accordingly, the comparative figures have not been restated. This resulted in recognition of lease liability with an equivalent amount recognised as right of use of assets as of April 1, 2019. The adoption of Ind AS 116 did not have any material impact on the financial results for the quarter and year ended March 31, 2020.
- 7 Pursuant to the Taxation Laws (Amendment) Ordinance 2019, the Company has decided to opt for the reduced tax rate and hence, the current tax and deferred tax has been computed based on the revised rate inclusive of surcharge and cess (i.e. 25.17%). Accordingly, the Company has recognised current tax and deferred tax expenses for the period ended March 31, 2020 on the revised rate and accounted for deferred tax credit of Rs. 1,669.15 lakhs (Including Rs. 872.56 lakhs related to 'Other Comprehensive Income') on account of re-measurement of net deferred tax liabilities as at March 31, 2019.
- 8 Other Comprehensive Loss include reduction in Fair Value of Investments in equity instruments amounting to Rs. 2,860.29 lakhs and Rs. 6,962.69 lakhs for the quarter and year ended March 31, 2020.
