1. We have reviewed the accompanying Statement of unaudited standalone financial results of Prozone Intu Properties Limited ('the Company') for the quarter ended 30 June 2020 ("the Statement") attached herewith, pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015, as amended ("Listing Regulations").
2. This Statement, which is the responsibility of the Company's management and approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "*Interim Financial Reporting*" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. Our responsibility is to issue a report on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "*Review of Interim Financial Information Performed by the Independent Auditor of the Entity*" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
4. Attention is drawn to the fact that the figures for the 3 months ended 31 March 2020 as reported in these financial results are the balancing figures between audited figures in respect of the full previous financial year and the published year to date figures up to the third quarter of the previous financial year. The figures up to the end of the third quarter of previous financial year had only been reviewed and not subjected to audit.

Notes :

- 1 The above unaudited consolidated financial results which are published in accordance with Regulation 33 of the SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015, as amended, have been reviewed by the Audit Committee and approved by the Board of Directors at their meeting held on 31 August 2020. The financial results are in accordance with the Indian Accounting Standards (Ind AS) as prescribed under Section 133 of the Companies Act, 2013, read with rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) (Amendment Rules), 2016. These results have been subject to limited review by the Statutory Auditors of the Holding company.
- 2 Airport Authority of India, Nagpur ('AAIN') had arbitrarily cancelled maximum permissible height No Objection certificate ('NOC') issued to the subsidiary company for its residential project in Nagpur in August 2017. The subsidiary company had followed due process as per rules and regulations and obtained the NOC in February 2012. The subsidiary company is contesting the case against AAIN for cancellation order issued by AAIN and revalidation of the NOC.

Further, the Appellate Committee of Ministry of Civil Aviation, without due consideration of complete facts had rejected the appeal of the subsidiary company in this matter and instructed the Airport operator, Mihan India Private Limited to initiate action as per Aircraft (Demolition of Obstructions caused by buildings and tree, etc.) Rule, 1994.

The subsidiary company conducted an independent aeronautical study through ex-AAI official and VHF Omni directional Radio Range (VOR) (an aircraft navigation system) analysis and assessment study from a reputed aviation consultant, the reports of which cleared the buildings from being a major obstacle to the flight path. The subsidiary company had filed a writ petition in the Honourable High Court of Bombay (Nagpur Bench) for revocation of demolition order of Appellate Committee and restoration of the aviation NOC. Based on the interim order, the Honourable High court of Bombay (Nagpur Bench) has stayed the demolition order and further proceedings are in progress.

Based on independent aeronautical survey report obtained by the subsidiary company, the obstacle limitation study report conducted by AAIN, legal opinion obtained by the subsidiary company and merits of the case, management believes the chances of revalidation of NOC are high and accordingly, no adjustments have been made, in respect of any write down in the carrying value of inventories aggregating to Rs 24,438.97 lakhs, and provision towards expected demolition cost and interest payable to customers on cancellation of bookings, in the unaudited consolidated financial results as at 30 June 2020.

- 3 A subsidiary company had provided the facility amount of Rs. 4,000 lakhs (Rs. 7,518.02 lakhs including interest) for various real estate projects with fixed and variable returns to a party. The said amount is fully secured. Investee has failed to perform on agreed obligations, hence the subsidiary company had filed petition in the Hon'ble High Court at Bombay, seeking performance of contract, status quo on the projects and security given. As per the interim order passed on 17 July 2018, the Hon'ble High court has directed investee to maintain status quo and not to create any third party right on the respective projects etc till further order. Further, as per the legal opinion, the subsidiary company would get an award / decree in its favour at least for recovering money together with the interest from the investee. Accordingly, the subsidiary company has considered the said facility amount including interest of Rs 7,518.02 lakhs, as good and recoverable. However, since the matter is pending since long time, the management has discontinued to accrue interest thereon from 1 April 2020 till the outcome of the said litigation.
- 4 The Group's operations were impacted by the Covid 19 pandemic. In preparation of these unaudited consolidated financial results, the Group has taken into account internal and external sources of information to assess possible impacts of the pandemic, including but not limited to assessment of liquidity and going concern, recoverable values of its financial and non-financial assets, impact on revenues and costs to complete ongoing projects. Based on current indicators of future economic conditions, the Group has sufficient liquidity and expects to fully recover the carrying amount of its assets. Mall operations of the subsidiaries of Company were severely impacted and mall remain closed during the quarter due to significant uncertainties relating to collection of rental, CAM etc from lessees and the ongoing discussions with lessees, the Group has not presently recognized revenue from lease for the quarter ended 30 June 2020 in respect of contracts with its lessees in its Mall.

Considering the evolving nature of the pandemic, its actual impact in future could be different from that estimated as at the date of approval of these unaudited consolidated financial results. The Group will continue to monitor any material changes to future economic conditions.

- 5 The Consolidated Financial Results have been prepared in accordance with Ind AS 110 on Consolidated Financial Statements and Ind AS 28 on Investments in Associates and Joint Ventures.
- 6 The figures for the quarter ended 31 March 2020 are the balancing figures between the audited figures in respect of the full financial year and the published audited year to date figures upto the third quarter of the relevant financial year.
- 7 The Parent Company has approved the Scheme of Amalgamation of its wholly owned subsidiaries ie Royal Mall Private Limited ('Amalgamating Company') with Prozone Developers & Realtors Private Limited ('Amalgamated Company') under Sections 230 to 232 and other relevant provisions of the Companies Act, 2013. Both these Companies are wholly owned subsidiaries of the Parent Company and have approved the Scheme in their respective Board Meetings. The appointed date of the Scheme is 1 January 2020. The scheme of Amalgamation is already filed with National Company Law Tribunal on 20 August 2020. Since the proposed amalgamation is between two wholly-owned subsidiaries, right of the Company and its stakeholders are not going to be affected by the virtue of this Scheme.
- 8 During the quarter ended 30 June 2020, the Parent Company has acquired 25.37 lakhs shares (FV Rs 10 fully paid up) and 46.34 lakhs shares (FV of Rs. 10 partly paid up) at par in "Calendula Commerce Private Limited". 3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33 (8) of the Listing Regulations, to the extent applicable.

Prozone Intu Properties Limited

Limited review report on Unaudited Quarterly Consolidated Financial Results of Prozone Intu Properties Limited under Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (Continued)

5. Attention is drawn to the fact that the figures for the 3 months ended 31 March 2020 as reported in these financial results are the balancing figures between audited figures in respect of the full previous financial year and the published year to date figures up to the third quarter of the previous financial year. The figures up to the end of the third quarter of previous financial year had only been reviewed and not subjected to audit.
6. Based on our review conducted and procedures performed as stated in paragraph 3 above and based on the consideration of the review reports of the other auditors' referred to in paragraph 8 below, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.
7. We draw attention to note 2 to the unaudited quarterly consolidated financial result in respect of Hagwood Commercial Developers Private Limited ('Hagwood' or 'the subsidiary company'), (subsidiary of Parent Company), which currently is contesting the cancellation order issued by Airport Authority of India, Nagpur ('AAIN') and revalidation of the original No Objection Certificate ('NOC') issued by AAIN for permission of maximum permissible height of the residential building at its project in Nagpur. Further, the Appellate Committee of Ministry of Civil Aviation has rejected the appeal of the subsidiary company in this matter and instructed the Airport operator, Mihan India Private Limited to initiate action as per Aircraft (Demolition of Obstructions caused by buildings and tree, etc.) Rule 1994.

The subsidiary company conducted an independent aeronautical study through an ex-AAI official and VHF Omnidirectional Radio Range (VOR) (an aircraft navigation system) analysis and assessment study from a reputed aviation consultant, the reports of which cleared the buildings from being a major obstacle to the flight path. The subsidiary company has obtained a stay on the demolition order by filing a writ petition with the Honorable High Court of Bombay (Nagpur Bench). Pending the outcome of proceedings and considering the aeronautical survey report, obstacle limitation study report and the legal opinion obtained by the subsidiary company, no adjustments have been made, in respect of any write down in the carrying value of inventories aggregating to Rs 24,438.97 lakhs, provision towards expected demolition cost, and interest payable to customers on cancellation of bookings, in these unaudited consolidated financial results as at and for the quarter ended 30 June 2020. Our opinion is not modified in respect of this matter.
8. We did not review the interim financial results of four subsidiaries included in the Statement, whose interim financial results reflect total revenues of Rs Nil, total net (loss) after tax of Rs. 71.31 lakhs and total comprehensive (loss) of Rs 71.31 lakhs, for the quarter ended 30 June 2020 as considered in the unaudited consolidated financial results. The unaudited consolidated financial results also includes the Group's share of net (loss) after tax of Rs. 1.52 lakhs and total comprehensive (loss) of Rs. 1.52 lakhs for the quarter ended 30 June 2020, as considered in the Statement, in respect of two joint ventures, whose interim financial results have not been reviewed by us. These interim financial results have been reviewed by other auditors whose reports have been furnished to us by the management and our conclusion on the Statement, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries and joint ventures, is based solely on the reports of the other auditors and the procedures performed by us as stated in paragraph 3 above.
