L&T Construction Awarded (Significant*) Contracts for its Water & Effluent Treatment (WET) Business

Mumbai, October 10 2023:

The WET business has secured an Engineering, Procurement and Construction order from the Public Health Engineering Department, Rajasthan to construct a Water Supply Project for 648 villages of the District of Chittorgarh from the Chambal River under the Jal Jeevan Mission (Package-I)

The scope of the project includes Intake Structures, 3 Water Treatment Plants of aggregate capacity 175 MLD, Transmission and Distribution pipelines of 1800 Km, 13 Clear water reservoirs of aggregate capacity 21600 KL, 13 Pump House, 31 Over Head Service Reservoirs of aggregate capacity 4850 KL and 22,000 Functional Household Tap Connections along with associated Electromechanical & Instrumentation Works. The project also includes automation and SCADA work including Operation & Maintenance for 10 Years.

The business has also secured an order from the Guwahati Water Supply and Sewerage Board, Assam for Construction & Commissioning of balance works of 107 MLD Capacity South Guwahati West Water Supply Project. The scope of work includes 84 Kms of DI pipeline, 3 Kms of MS Pipeline, 4 pre-settling tanks along with associated electrical, mechanical & instrumentation works for existing WTP. The project will cater to the water demands of the western part of South Guwahati city.

Background:

Larsen & Toubro is a USD 23 billion Indian multinational engaged in EPC Projects, Hi-Tech Manufacturing and Services. It operates in over 50 countries worldwide. A strong, customer-focused approach and the constant quest for top-class quality have enabled L&T to attain and sustain leadership in its major lines of business for eight decades.
