**Mumbai, 9<sup>th</sup> November 2020:** Parag Milk Foods Ltd., a leading manufacturer and marketer of dairy-based branded products in India announced its unaudited financial results for the quarter and half year ended 30<sup>th</sup> September 2020.

### Performance Highlights for Q2 FY21

**Consolidated Revenue from Operations** for Q2 FY21 saw a sequential uptick of 14.4% QoQ to reach Rs. 4,982 million as compared to Rs. 4,356 million in Q1 FY21.

The Company has ensured uninterrupted milk procurement from our farmer network. With the gradual easing of the lockdown restrictions across domestic markets and the reopening of state borders, we witnessed early signs of demand revival. Consumers have become increasingly health-conscious and favour trusted brands during these uncertain times. Home consumption of our core categories, ghee, butter, paneer and cheese, has seen significant increase in the pandemic period.

The pandemic has had an impact on the HORECA segment, which has faced an unprecedented disruption. Though there has been a slight uptick this quarter, volumes continued to be subdued in Q2 FY21. However, due to the easing of several restrictions, the HORECA business is gradually picking up.

**Gross Profit** for Q2 FY21 stood at Rs. 1,346 million, up 19.9% QoQ as compared to Rs. 1,123 million in Q1 FY21. Gross margins stood at 27.0% in Q2 FY21, highest in the last six quarters, up 120 bps QoQ as compared to 25.8% in Q1 FY21. Milk procurement prices have remained soft during the quarter. Going forward, procurement prices are expected to remain stable with the onset of the flush season, backed by good monsoons and ample availability of water and green fodder.

The share of Milk Products for Q2 FY21 is 69.7% of total revenue, while that of liquid milk was 9.7% and the same for Skimmed Milk Powder was 18.0%.

**EBITDA** for Q2 FY21 stood at Rs. 415 million, an increase of 39.6% QoQ as compared to Rs. 297 million in Q1 FY21. EBITDA margins expanded 150 bps QoQ in Q2 FY21 to 8.3% as compared to 6.8% in Q1 FY21. We continue to focus on cost rationalization and productivity enhancement measures.

**PAT** for Q2 FY21 stood at Rs. 159 million as compared to Rs. 32 million in Q1 FY21. PAT Margin stood at 3.2% as compared to 0.7% in Q1 FY21.

**Commenting on the performance, Mr. Devendra Shah, Chairman said** “We are pleased to report steady results during the quarter, with a sequential revenue growth of 14.4% QoQ. This was on the back of a healthy recovery in demand as the country moved into the unlock phase. We were able to sustain certain cost-optimisation and productivity enhancement measures implemented during the pandemic that enabled us to report improved profitability with EBITDA margins expanding 150 bps QoQ to 8.3% in Q2 FY21. During this difficult period, we have ensured uninterrupted milk procurement from our farmer network.

*In line with our commitment of meeting evolving consumer needs and providing health and nutrition to consumers across the country, we have enhanced our premium, subscription based, unique farm-to-home offering ‘Pride of Cows’ through the addition of the perfect curd and single origin ghee to the product mix, during the quarter. Further, we have also collaborated with ace Bollywood celebrity, Kareena Kapoor, for ‘Pride of Cows’. This collaboration will help enhance the brand’s reach and increase awareness amongst consumers that are looking for quality, fresh and pure products. Consumers have become increasingly conscious about the food they consume and there is a big shift in preference towards trusted brands. In-home consumption of our core categories, such as, ghee, butter, paneer, and cheese, has seen significant increase in the pandemic period.*

*The Company has delivered a steady and encouraging performance in the wake of a challenging economic environment. With the re-opening of hotels, restaurants, and offices, we are seeing a gradual revival in demand on a month-to-month basis, even in the HORECA segment, which has faced unprecedented disruption on account of the pandemic. Milk procurement prices are expected to remain stable going ahead with the onset of the flush season, backed by good monsoons and ample availability of water and green fodder. We expect that the upcoming festive season will lead to an improvement in the consumer sentiment, which will result in an increase in the demand for our products.”*

We have reviewed the accompanying Statement of Standalone Unaudited Financial Results (the 'Statement') of **Parag Milk Foods Limited** (the 'Company') for the period ended 30th September, 2020, being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended. This Statement is the responsibility of the Company's management and has been approved by the Board of Directors on 9th November, 2020. Our responsibility is to issue a report on the Statement based on our review.
2. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, *Review of Interim Financial Information Performed by the Independent Auditor of the Entity*, issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the standalone financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
3. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement prepared in accordance with applicable accounting standards and other recognised accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.
4. We draw attention to Note 3 to the accompanying Statement with respect to possible effects that may result from COVID-19 pandemic and management's evaluation of its impact on the operations of the Company and on the aforesaid Statement, the extent of which is dependent upon future developments. Our conclusion is not modified in respect of this matter.

Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the Circular issued by the SEBI under Regulation 33(8) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, to the extent applicable.
