BUSINESS UPDATE

We appreciate the interest of our Shareholders in the future of our Company expressed as by them by emails/phone calls etc., and we consider it our duty to keep them abreast of the working of Company.

You are aware that your Company is 100% Export Oriented Unit and a STAR Export House, having ISO 9001:2008, ISO 14001:2004 OHSAS 18001:2007 and many international quality certifications. Approx 80% of exports go to USA.

Your management is taking due care about the changing circumstances every time and tries to improve the profitability of your Company.

Your Company's converted products, in combination of Spun Bond Non Woven and Melt Blown Products, are very well received by International Market mainly in the field of ABSORBENT AND FILTERATION sectors. The order for these products is now increasing, giving better margin than traditional products.

The order book position of your Company today stands at over US\$ 8 Million (Approx. Rs. 60 Crores)

:2:

Recent Virus CORONA in CHINA has suddenly shot-up the demand in face mask requirements and the sale prices of Melt Blown fabrics are increased by nearly 25% which is likely to remain till April, 2020. This is very positive development for your Company which will help last quarter result favorably.

Mr. Bhavesh Sheth – President – We were working out silently for last few months on various measures to improve your Company's performance and profitability as also the product diversification plan. As such there was NO news from management side but having good progress, I thought my duty to update our shareholders who are knowledgeable and learned. I thank all of you for your trust and interest in the Company. I also thank the efforts put in by our technical team with untiring efforts, marketing team in USA and our Customers and banks for their support.
