TO THE BOARD OF DIRECTORS OF "ABAN OFFSHORE LIMITED"

I. Opinion

We have audited the accompanying standalone quarterly financial results of **Aban Offshore Limited** ("the company") for the quarter ended 31st March, 2022 and the year to date results for the period from 1st April 2021 to 31st March, 2022 attached herewith, being submitted by the company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("Listing Regulations").

III. Material uncertainty related to going Concern

“The Company” has accumulated losses on account of which the net worth is eroded and also, current liabilities exceeded current assets and the company has defaulted in respect of instalments and payment of interest on term loans, these indicate that material uncertainty exists that may cast a significant doubt on the company’s ability to continue as a going concern. However, the management believes that the use of the going concern assumption on the preparation of the financial statements of “the Company” is still appropriate in view of its continuing discussions with its lenders to obtain approval for and implementation of an appropriate debt resolution plan, and that “the Company” will continue to be in operation in the foreseeable future.

The company has reclassified PPE of Rs.660.76 million as Non - Current Assets held for sale as on 31st March 2022, in accordance with Ind AS 105.

An impairment charge of Rs.164.45 million has been recognized for the year 2021-22 in respect of Jack up rigs and Drillship/ Assets held for sale.

During the year the Company has written down Inventory of Rs.92.32 million in respect of offshore Jack up rigs classified as Assets held for sale.

During the year the company has charged an Impairment Loss/ Write off of Receivables of Rs.82.85 million as per Ind AS 109.

Our opinion is not modified in respect of the above matters.

IV. Emphasis of Matter Paragraph

i. COVID-19 Impact

The Company faced operational disruptions on some of the offshore rigs during the year 2021-22 and operations were restored within reasonable time with no significant impact on the financial performance. The Management believes that it has taken into account all the possible impact of the COVID-19 pandemic in preparation of the financial statements. The Management believes that the pandemic is not expected to have any significant impact on the financial performance and operating environment of the Company in financial year 2022-23.

Our opinion is not modified in respect of this matter” .

Management’s Responsibilities for the Standalone Financial Results

These quarterly financial results as well as the year to date standalone financial results have been prepared on the basis of the interim financial statements. The Company’s Board of Directors are responsible for the preparation of these financial results that give a true and fair view of the net loss and other comprehensive income and other financial information in

accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, 'Interim Financial Reporting' prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial results, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

VI. Auditor's Responsibilities for the Audit of the Standalone Financial Results

Our objectives are to obtain reasonable assurance about whether the standalone financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- ❖ Identify and assess the risks of material misstatement of the standalone financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- ❖ Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- ❖ Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- ❖ Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- ❖ Evaluate the overall presentation, structure and content of the standalone financial results, including the disclosures, and whether the financial results represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

The Financial Results include the results for the quarter ended 31st March 2022 being the balancing figure between the audited figures in respect of the full financial year and the published unaudited year to date figures up to the third quarter of the current financial year which were subject to limited review by us.

(a) Details of Disclaimer of Opinion:

In case of wholly owned subsidiary of the company "Aban Holdings Pte Ltd" Singapore along with its subsidiaries and associates whose consolidated Financial Statements have been audited by other auditors "Nexia TS Public Accounting Corporation, Public Accountants and Chartered Accountants, Singapore" have not expressed opinion on the consolidated financial statements for the year ended 31st March, 2022 which is reproduced as under:

Bases for Disclaimer of Opinion

1. Going concern

As disclosed in Note 2.1 to the financial statements, in preparing the financial statements, the Board of Directors have considered the operations of the Group and of the Company as going concerns notwithstanding that the Group incurred a net loss of US\$278,097,000 (2021: US\$234,832,000) for the financial year ended 31 March 2022, and as at that date, the Group and the Company are in net current liabilities position of US\$2,574,168,000 and US\$2,574,955,000 (2021: US\$2,625,750,000 and US\$2,490,663,000) respectively. The Group and the Company are also in net liabilities position of US\$2,489,592,000 and US\$1,803,389,000 (2021: US\$2,211,495,000 and US\$1,808,882,000) respectively as at 31 March 2022.

As disclosed in Note 15 and 19 to the financial statements, the Group's rigs with carrying amount of US\$32,000,000 (2021: US\$368,520,000) and the Group's rigs classified as assets held-for-sale with carrying amount of US\$146,429,000 (2021: US\$ Nil) have been pledged as security for the borrowings of the Group and of the Company amounting US\$1,923,661,000 and US\$1,788,591,000 (2021: US\$1,974,174,000 and US\$1,829,791,000) respectively. An impairment loss on the rigs and inventory write-down totaling to US\$134,382,000 and US\$7,758,000 (2021: US\$63,444,000 and US\$ 16,154,000) respectively was made during the financial year ended 31 March 2022.

The Group and the Company have defaulted on payment of their borrowings which have fallen due and have breached the covenants of their borrowings which give the lenders the right to demand the related borrowings be due and payable immediately. The lenders had issued recall notices to the Group and the Company. Management had reclassified these borrowings of the Group and of the Company, with original repayment terms beyond 12 months from the balance sheet date as current liabilities. As at the date of this report, the Group and the Company have entered into binding sale and purchase agreements for the sale of 8 rigs owned by the Group and are in discussions with its lenders to obtain approval for and implementation of an appropriate debt resolution plan.

The above conditions indicate the existence of material uncertainties which may cast significant doubt on the Group's and the Company's ability to continue as going concern. Nevertheless, the Board of Directors believes that the use of the going concern assumption on the preparation of the financial statements of the Group and of the Company for the financial year ended 31 March 2022 is still appropriate after taking into consideration of the above actions and measures.

The ability of the Group and of the Company to continue in operational existence in the foreseeable future and to meet their financial obligations as and when they fall due are dependent on the actions and measures undertaken as disclosed above and it is uncertain whether the Group and the Company will raise further funds through any fund-raising exercises. Therefore, we are unable to obtain sufficient audit evidence to be able to form an opinion as to whether the going concern basis of preparation of the accompanying financial statements of the Group and of the Company is appropriate.

If the Group and the Company are unable to continue in operational existence in the foreseeable future, the Group and the Company may be unable to discharge their liabilities in the normal course of business and adjustments may have to be made to reflect the situation that assets, in

particularly the rigs of the Group, may need to be realised other than in the normal course of business and at amounts which could differ significantly from the amounts at which they are currently recorded in the balance sheets. In addition, the Group and the Company may have to reclassify non-current assets and liabilities to current assets and liabilities respectively. The financial statements do not include any adjustment which may arise from these uncertainties.

2. Incompleteness of bank confirmations

We are unable to obtain bank confirmations for the Group's bank balances of US\$37,412 (2021: US\$ Nil) and the Group's and the Company's bank borrowings of US\$1,923,661,124 and US\$1,788,590,678 (2021: US\$1,864,845,988 and US\$1,729,775,542) respectively as at 31 March 2022.

There are also no practicable audit procedures available to us to verify these balances and transactions. As a result, we are unable to ascertain the accuracy and completeness of the aforesaid bank balances and bank borrowings. In addition, we are unable to verify the completeness of the Group's and the Company's transactions with the banks for the aforesaid bank balances and bank borrowings. Consequently, we are unable to determine whether any adjustments and disclosures might have been found necessary in respect of unrecorded and/or undisclosed transactions, facilities and information with the banks in the financial statements.

3. Investments in subsidiary corporations and amounts due from subsidiary corporation and immediate and ultimate holding corporation

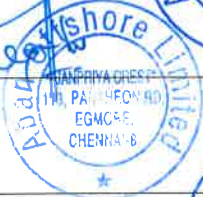

As disclosed in Note 16 to the financial statements, the Company's investments in subsidiary corporations are carried at cost amounting to US\$520,337,000 (2021: US\$520,337,000). Management has determined that no objective evidence or indication that the carrying amounts of the investments in subsidiary corporations may not be recoverable as at 31 March 2022, accordingly impairment assessment is not required.

As disclosed in Notes 16 and 25 to the financial statements, the amounts due from subsidiary corporations and immediate and ultimate holding corporation amounting to US\$249,525,000 and US\$1,704,000 (2021: US\$161,318,000 and US\$126,000) respectively. Management determined that no impairment is required as there was no significant increase in credit risk.

Based on the latest financial performance and position of subsidiary corporations and immediate and ultimate holding corporation as well as other information made available to us, we are unable to obtain sufficient appropriate audit evidence in respect on the recoverability of the investments in subsidiary corporations and the expected credit losses associated with the amounts due from subsidiary corporations and the immediate and ultimate holding corporation as at 31 March 2022. Consequently, we are unable to determine whether any adjustments in respect of the carrying amounts of investment in subsidiary corporations and amount due to subsidiary corporations and the immediate and ultimate holding corporation as at 31 March 2022 are necessary.

They have also expressed existence of material uncertainties on the going concern assumption. US\$2,574,168,000 and US\$2,574,955,000 (2021: US\$2,625,750,000 and US\$2,490,663,000) respectively. The Group and the Company are also in net liabilities position of US\$2,489,592,000 and US\$1,803,389,000 (2021: US\$2,211,495,000 and US\$1,808,882,000) respectively as at 31 March 2022.

The lenders had issued recall notices to the Group and the Company. Management had reclassified these borrowings of the Group and of the Company, with original repayment terms beyond 12 months from the balance sheet date as current liabilities.

The above conditions indicate the existence of material uncertainties which may cast significant doubt on the Group's and the Company's ability to continue as going concern. Nevertheless, the Board of Directors believes that the use of the going concern assumption on the preparation of the financial statements of the Group and of the Company for the financial year ended 31 March 2022 is still appropriate after taking into consideration of the above actions and measures that, as at the date of this report, the Group and the Company have entered into binding sale and purchase agreements for the sale of 6 rigs owned by the Group and are in discussions with its lenders to obtain approval for and implementation of an appropriate debt resolution plan.

to form an opinion as to whether the going concern basis of preparation of the accompanying financial statements of the Group and of the Company is appropriate.

If the Group and the Company are unable to continue in operational existence in the foreseeable future, the Group and the Company may be unable to discharge their liabilities in the normal course of business and adjustments may have to be made to reflect the situation that assets, in particularly the rigs of the Group, may need to be realised other than in the normal course of business and at amounts which could differ significantly from the amounts at which they are currently recorded in the balance sheets. In addition, the Group and the Company may have to reclassify non-current assets and liabilities to current assets and liabilities respectively. The financial statements do not include any adjustment which may arise from these uncertainties

2. Incompleteness of bank confirmations

We are unable to obtain bank confirmations for the Group's bank balances of US\$37,412 (2021: US\$Nil) and the Group's and the Company's bank borrowings of US\$1,923,661,124 and US\$1,788,590,678 (2021: US\$1,864,845,988 and US\$1,729,775,542) respectively as at 31 March 2022.

There are also no practicable audit procedures available to us to verify these balances and transactions. As a result, we are unable to ascertain the accuracy and completeness of the aforesaid bank balances and bank borrowings. In addition, we are unable to verify the completeness of the Group's and the Company's transactions with the banks for the aforesaid bank balances and bank borrowings. Based on the latest financial performance and position of subsidiary corporations and immediate and ultimate holding corporation as well as other information made available to us, we are unable to obtain sufficient appropriate audit evidence in respect of the management's assessment of the recoverability of the investments in subsidiary corporations and the expected credit losses associated with the amounts due from subsidiary corporations and the immediate and ultimate holding corporation as at 31 March 2022. Consequently, we are unable to determine whether any adjustments in respect of the carrying amounts of investment in subsidiary corporations and amount due to subsidiary corporations and the immediate and ultimate holding corporation as at 31 March 2022 are necessary".

The above Disclaimer conclusion indicating the existence of material uncertainties which may cast doubt on the ability to continue as a going concern of the wholly owned foreign subsidiary "Aban Holdings Pte Ltd, Singapore and its Subsidiary Corporations" which is material to "the Group", also cast a significant doubt on the ability of "the Group" to continue as a going concern and on the appropriateness of the preparation of accompanying financial information of "the Group" as a going concern.

Also, we refer to the Material Uncertainty related to Going Concern and Emphasis of Matter Paragraph in Independent Auditor's Limited Review Report on Audited Standalone Financial results of Aban Offshore Limited ("the Company") for the Quarter and year Ended 31st March, 2022.

➤ **"Material uncertainty related to Going Concern**

"The Company" has accumulated losses on account of which the net worth is eroded and also, current liabilities exceeded current assets and the company has defaulted in respect of instalments and payment of interest on term loans, these indicate that material uncertainty exists that may cast a significant doubt on the company's ability to continue as a going concern. However, the management believes that the use of the going concern assumption on the preparation of the financial statements of "the Company" is still appropriate in view of its continuing discussions with its lenders to obtain approval for and implementation of an appropriate debt resolution plan, and that "the Company" will continue to be in operation in the foreseeable future.

The company has reclassified PPE of Rs.660.76 million as Non - Current Assets held for sale as on 31st March 2022, in accordance with Ind AS 105.

An impairment charge of Rs.164.45 million has been recognized for the year 2021-22 in respect of Jack up rigs and Drillship/ Assets held for sale.

During the year the Company has written down Inventory of Rs.92.32 million in respect of offshore Jack up rigs classified as Assets held for sale.

During the year the company has charged an Impairment Loss/Write Off of Receivables of Rs.82.85 million as per Ind AS 109.

Our opinion is not modified in respect of the above matters.

- ❖ Identify and assess the risks of material misstatement of the consolidated financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.
- ❖ Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances for the purpose of expressing an opinion on the effectiveness of the company's internal control.
- ❖ Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- ❖ Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of "the Group" to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause "the Group" to cease to continue as a going concern.
- ❖ Evaluate the overall presentation, structure and content of the consolidated financial results, including the disclosures, and whether the consolidated financial results represent the underlying transactions and events in a manner that achieves fair presentation.

- ❖ Obtain sufficient appropriate audit evidence regarding the financial results/financial information of the entities within "the Group" to express an opinion on the consolidated
