Independent Auditor's Review Report on Consolidated Unaudited Quarterly Financial Results and Year to Date Results of the Company pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended)

To the Board of Directors of Gravita India Limited

1. We have reviewed the accompanying statement of unaudited consolidated financial results ('the Statement') of Gravita India Limited ('the Holding Company') and its subsidiaries (the Holding Company and its subsidiaries together referred to as 'the Group'), (refer Annexure 1 for the list of subsidiaries included in the Statement) for the quarter ended 31 December 2023 and the consolidated year to date results for the period 1 April 2023 to 31 December 2023 being submitted by the Holding Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended) ('Listing Regulations').
2. This Statement, which is the responsibility of the Holding Company's management and approved by the Holding Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, Interim Financial Reporting ('Ind AS 34'), prescribed under section 133 of the Companies Act, 2013 ('the Act'), and other accounting principles generally accepted in India and is in compliance with the presentation and disclosure requirements of Regulation 33 of the Listing Regulations. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity, issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with the Standards on Auditing specified under section 143(10) of the Act, and consequently, does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the SEBI Circular CIR/CFD/CMD1/44/2019 dated 29 March 2019 issued by the SEBI under Regulation 33 (8) of the Listing Regulation, to the extent applicable.

Independent Auditor's Review Report on Consolidated Unaudited Quarterly Financial Results and Year to Date Results of the Company pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended) (cont'd)

4. As stated in note 5 to the accompanying Statement, the Group has not accounted for the employee benefit expenses in the accompanying Statement for the nine month period ended 31 December 2023 related to gain on sale of certain treasury shares of the Holding Company held by Gravita Employee Welfare Trust pursuant to the Gravita Stock Appreciation Rights Scheme, 2017 (the 'Scheme') terminated during the nine month period ended 31 December 2023, which has been credited to Other Equity as per Ind AS 32, Financial Instruments: Presentation. As explained in the said note, proceeds from sale of such treasury shares, net of liability of the Trust, if any, are proposed to be used for the welfare of the employees of the Group, as required under applicable statutory regulations and as per the terms of the trust deed. In our view, the Group should account for such benefits to be given to employees as employee benefit expenses in the Statement of Profit and Loss in accordance with the principles of Ind AS 102 – Share Based Payments. However, the Group has created a liability for such employee welfare expense by directly debiting 'Other Equity' in the accompanying financial results.

Had the Group accounted for the aforesaid transaction in accordance with the requirements as stated above, employee benefit expenses would be higher by nil and Rs. 20.67 crores and profit before tax and total comprehensive income would have been lower by nil and Rs. 20.67 crores for the quarter and nine month period ended 31 December 2023, respectively. There would not be any impact on the Other Equity of the Group.

The conclusion expressed by us in our review report dated 31 October 2023 on the consolidated financial results for the quarter and six-month period ended 30 September 2023 was also qualified in respect of the above matter.

5. Based on our review conducted and procedures performed as stated in paragraph 3 above and upon consideration of the review reports of the other auditors referred to in paragraph 6 below, except for the effects of the matter described in paragraph 4 above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in Ind AS 34, prescribed under section 133 of the Act, and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in accordance with the requirements of Regulation 33 of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.
6. We did not review the interim financial results of 20 subsidiaries included in the Statement, whose financial information reflects total revenues of Rs. 289.15 crores and Rs. 901.91 crores, total net profit after tax of Rs. 10.63 crores and Rs. 41.43 crores and total comprehensive income of Rs. 11.38 crores and Rs. 37.34 crores, for the quarter and nine month period ended on 31 December 2023, respectively, as considered in the Statement. These interim financial results have been reviewed by other auditors whose review reports have been furnished to us by the management, and our conclusion in so far as it relates to the amounts and disclosures included in respect of these subsidiaries is based solely on the review reports of such other auditors and the procedures performed by us as stated in paragraph 3 above.

Our conclusion is not modified in respect of this matter with respect to our reliance on the work done by and the reports of the other auditors.

During the previous reporting periods, the Holding Company had recorded the transactions as per Ind AS 102 and in the previous quarter, the Gravita Stock Appreciation Rights Scheme, 2017 (the "Scheme") has been terminated.
 Post termination of the Scheme, the Trust has no obligation to make payment under any share- based payment scheme. The Trust will act independently and make distribution/usage of fund as per the purpose defined in the trust deed.
 For the aforesaid reason, the management of the Group is of the view that distribution/utilisation for the employee benefits, equivalent to appreciation, net of liability of the Trust, if any, received by the Trust by selling the investment in the open market amounting to Rs. 20.67 crores, will not be recognised in Holding Company's consolidated statement of profit and loss, as the transaction is not covered under Ind AS 102. The Group believe that all the appreciation on sale of such shares by the Trust pertains to the employees of the Group and will be utilised for the welfare of the employees by the Trust and there would not be any impact on the consolidated financial results. The Group has directly debited 'other equity' with the same amount towards creating a liability for utilisation of said amount for the employee welfare. Based on the independent opinion and its assessment, management of the Group is of the view that accounting treatment has been done appropriately in the consolidated financial results.
- During the previous quarter, the Holding Company has filed an appeal against the demand order received from the Office of the Commissioner of Customs (Preventive), Jodhpur amounting to Rs. 70.10 crore (excluding applicable interest, fine and penalty) for violating the 'pre-import conditions' as envisaged in advance authorisation licence pertaining to the period from October, 2017 to January 2019 vide notification no. 79/2017-Customs dated 17/10/2017 of The Custom Act, 1962. The management of the Holding Company, based on its overall assessment and independent legal and tax opinion believe that the Holding Company has a case on merit and question of law and accordingly, contest the matter in appellate authorities. Basis above, the management of the Holding Company is of the view that the order will not have any material impact on its consolidated financial results and in case of any liability devolves on the Holding Company, the Holding Company will be entitled to take the credit of the tax amount. Considering all available records, facts and opinion of legal and tax counsel, the Holding Company has not identified any adjustments in the current period consolidated financial results.
- The figures of previous period have been regrouped/ reclassified to make them comparative with those of current period wherever considered necessary. The impact of such reclassification/regrouping is not material to the consolidated financial results.

Independent Auditor's Review Report on Standalone Unaudited Quarterly Financial Results and Year to Date Results of the Company pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended)

To the Board of Directors of Gravita India Limited

1. We have reviewed the accompanying statement of standalone unaudited financial results ('the Statement') of Gravita India Limited ('the Company') for the quarter ended 31 December 2023 and the year to date results for the period 1 April 2023 to 31 December 2023, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended) ('Listing Regulations').
2. The Statement, which is the responsibility of the Company's management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, Interim Financial Reporting ('Ind AS 34'), prescribed under section 133 of the Companies Act, 2013 ('the Act'), and other accounting principles generally accepted in India and is in compliance with the presentation and disclosure requirements of Regulation 33 of the Listing Regulations. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity, issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with the Standards on Auditing specified under section 143(10) of the Act, and consequently, does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Independent Auditor's Review Report on Standalone Unaudited Quarterly Financial Results and Year to Date Results of the Company pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended) (cont'd)

4. As stated in note 5 to the accompanying Statement, the Company has not accounted for the employee benefit expenses in the accompanying Statement for the nine month period ended 31 December 2023 related to gain on sale of certain treasury shares of the Company held by Gravita Employee Welfare Trust pursuant to the Gravita Stock Appreciation Rights Scheme, 2017 (the 'Scheme') terminated during the nine month period ended 31 December 2023. As explained in the said note, proceeds from sale of such treasury shares, net of liability of the Trust, if any, are proposed to be used for the welfare of the employees of the Company, as required under applicable statutory regulations and as per the terms of the trust deed. In our view, the Company should account for such gain on sale of treasury shares under Other Equity and such benefits to be given to employees as employee benefit expenses in accordance with the principles of Ind AS 32- Financial Instruments: Presentation and Ind AS 102 – Share Based Payments, respectively.

Had the Company accounted for the aforesaid transaction in accordance with the requirements as stated above, employee benefit expenses would be higher by nil and Rs. 20.67 crores and profit before tax and total comprehensive income would have been lower by nil and Rs. 20.67 crores for the quarter and nine month period ended 31 December 2023, respectively. There would not have been any impact on Other Equity of the Company.

The conclusion expressed by us in our review report dated 31 October 2023 on the standalone financial results for the quarter and six-month period ended 30 September 2023 was also qualified in respect of the above matter.

5. Based on our review conducted as above and the consideration of the review reports of the other auditor of the partnership firm referred to in paragraph 6 below, except for the effects of the matter described in paragraph 4 above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in Ind AS 34, prescribed under section 133 of the Act, and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in accordance with the requirements of Regulation 33 of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.
6. The Statement also includes Company's share of net profit after tax of Rs. 0.65 crores and Rs. 2.20 crores, and total comprehensive income of Rs. 0.65 crores and Rs. 2.20 crores, for the quarter and nine-month period ended on 31 December 2023, respectively, in respect of one partnership firm, whose interim financial results have not been reviewed by us. Such interim financial results have been reviewed by another auditor, whose review reports have been furnished to us by the management, and our conclusion, in so far as it relates to the amounts and disclosures included in respect of this partnership firm, is based solely on the review report of such other auditor.

Our conclusion on the Statement is not modified in respect of the above matter with respect to our reliance on the work done by and the report of the other auditor.

NOTES:

1. The above results of the Company have been reviewed and recommended by the Audit Committee and approved by the Board of Directors in their respective meetings held on January 23, 2024. The limited review, as required under regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015 has been completed by the Statutory Auditors. These financial results have been prepared in accordance with the recognition and measurement principles of applicable Indian Accounting Standards ('Ind AS') notified under the Companies (Indian Accounting Standards) Rules, 2015, as amended, as specified in section 133 of the Companies Act, 2013.
2. Segment information has been provided under the notes forming part of the consolidated unaudited financial results for the quarter and nine month ended December 31, 2023 as per para 4 of Indian Accounting Standard (Ind AS) 108 "Operating Segments", specified under Section 133 of the Companies Act, 2013.
3. As at 31 December 2023, 1,000,000 shares (March 31, 2023: 1,380,500 shares) of face value of Rs. 2 each, are held by Gravita Employee Welfare Trust. Further, the proceeds from the sale of 380,500 shares, net of liability payable by the Gravita Employee Welfare Trust, will be used for the benefit of the employees of the Company.
4. During the quarter and nine months ended December 31, 2023, the Company has recognised Minimum Alternate Tax credit amounting to Rs. 1.00 crores and Rs. 5.00 crores, respectively, based on the management's estimate of future taxable profits.
5. During the previous quarter ended 30 September 2023, 380,500 shares of face value of Rs. 2 each of the Company, held by the Gravita Employee Welfare Trust ('the Trust'), have been sold in the open market and the proceeds from the sale of such shares, net of liability payable by the Trust, will be utilised for the welfare of the employees of the Group as per the requirement of the Trust Deed. The Company has no legal right or control towards the utilization of funds as accumulated in the Trust by sale of its investment in the open market. The Trust being an independent entity has sole responsibility / obligation to utilize the fund for the welfare of beneficiaries (employees of the Group) as per the terms of the trust deed.
Ind AS 32 'Financial Statements - Presentation' requires that no gain or loss shall be recognised in profit or loss on the purchases, sale, issue or cancellation of treasury shares held by the entity or by other entities of the consolidated group. Any gain or loss on such treasury shares shall be recognised directly in other equity. Since, the shares of the Company is held by the Trust which is an Independent entity, the said Ind AS 32 is not applicable to the Company.
Ind AS 102 'Share-based payment' requires an entity to reflect in its profit or loss and financial position, the effects of share-based payment transactions, including expenses associated with the transactions in which share options are granted to employees. During previous reporting periods, the Company had recorded the transactions as per Ind AS 102 and in the previous quarter, the Gravita Stock Appreciation Rights Scheme, 2017 (the 'Scheme') has been terminated.
Post termination of the Scheme, the Trust has no obligation to make payment under any share- based payment scheme. The Trust will act independently and make distribution/usage of fund as per the purpose defined in the trust deed.
For the aforesaid reason, the management of the Company is of the view that distribution/utilisation for the employee benefits, equivalent to appreciation, net of liability of Trust, if any, received by the Trust by selling the investment in the open market amounting to Rs. 20.67 crores, will not be recognized in Company's standalone financial results, as the transaction is not covered under Ind AS 102. The Company believe that all the appreciation on sale of such shares by the Trust pertains to the employees of the Company and will be utilised for the welfare of the employees by the Trust and there would not be any impact on the standalone financial results. Based on the independent opinion and its assessment, management of the Company is of the view that accounting treatment has been done appropriately in the standalone financial results.
6. During the previous quarter, the Company had filed an appeal against the demand order received from the Office of the Commissioner of Customs (Preventive), Jodhpur amounting to Rs. 70.10 crore (excluding applicable interest, fine and penalty) for violating the 'pre-import conditions' as envisaged in advance authorisation licence pertaining to the period from October, 2017 to January 2019 vide notification no. 79/2017-Customs dated 17/10/2017 of The Custom Act, 1962. The management of the Company, based on its overall assessment and independent legal and tax opinion believe that the Company has a case on merit and question of law and accordingly, contest the matter in appellate authorities. Basis above, the management is of the view that the order will not have any material impact on its financial results and in case of any liability devolves on the Company, the Company will be entitled to take the credit of the tax amount. Considering all available records, facts and opinion of legal and tax counsel, the Company has not identified any adjustments in the current period standalone financial results.
7. The figures of previous period have been regrouped/ reclassified to make them comparative with those of current period wherever considered necessary. The impact of such reclassification/regrouping is not material to the standalone financial results.
