FOR THE FINANCIAL YEAR ENDED ON MARCH 31, 2022

[Pursuant to Section 204(1) of the Companies Act, 2013 and rule No.9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
Eastcoast Steel Limited
Flat No A-123, Royal Den Apartments,
No.16 Arul Theson Street Palaniraja Udayar Nagar,
Lawspet, Pondicherry, 605008.

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Eastcoast Steel Limited (hereinafter called the Company). The Secretarial Audit was conducted in a manner which provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has during the audit period covering the Financial Year ended on March 31, 2022 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the Financial Year ended on March 31, 2022 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the Rules made there under except provisions of Section 203 of the Act;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the Rules made there under;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed there under;
- (iv) Foreign Exchange Management Act, 1999 and the Rules and regulations made there under to the extent of Overseas Direct Investment; (Not applicable to the Company during audit period)
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011; (Not applicable to the Company during audit period);

MANAGEMENT DISCUSSION AND ANALYSIS

The Management's Discussion and Analysis ("MDA") mainly focuses on various factors and their impact on the business of Eastcoast Steel Limited (the "Company") during the Financial Year ended March 31, 2022 and to the date of this report. MDA also contains the overall scenario of the industry, its growth at global and domestic level, this further contains the possible effect of such industry scenario on the business of the Company.

The management of the Company opine and give their comments on the various resources that may affect necessary development of the Company's business.

ECONOMIC AND INDUSTRY OVERVIEW

GLOBAL ECONOMY

April 2021 began on a positive note as demand in global markets recovered to pre-pandemic levels amidst hope that the COVID-19 vaccines would contain the Pandemic. When the global economy seemed to be at the cusp of witnessing green shoots of recovery after leaving the worst of the COVID-19 pandemic behind (despite uncertainties associated with subsequent waves of infection and rising global inflationary pressures), the Russia-Ukraine crisis escalated. Consequently, prices of crude oil and gas, food grains such as wheat and corn and several other commodities have shot up. The conflict has also brought in severe financial sanctions and political pressure on Russia from the rest of the world, primarily the Western powers. These will likely have unpredictable and undesired implications on the global financial system and economy.

The International Monetary Fund (IMF) predicts inflation, disruption in commodity markets, trade, financial linkages, to be on the rise in the coming years. There is an urgent need for rebalancing of global supply chains, introduction of government incentives and other measures to accelerate growth across the world. Global inflation is predicted to rise considerably in 2023, following rising commodity prices and pricing pressures as a result of geopolitical tensions. Global growth is projected to slow from an estimated 6.1% in 2021 to 3.6% in 2022 and 2023 (Source: IMF, World Economic Outlook, April 2022).

Since the second half of 2021, global steel prices have risen dramatically, particularly in the United States and Europe. 2020 onwards, HRC (hot- rolled coil) prices in the United States have risen from roughly USD 550 per tonnes to around USD 1,500 per tonne. HRC prices in Europe have also risen sharply, from USD 500 per tonne to USD 1,050 per tonne. Increase in import costs further led to higher production costs for the global steel product makers, negatively impacting profitability thereon. These uncertain events are anticipated to continue till 2022 and relaxation is likely to be observed by 2023.

INDIAN ECONOMY

The Asian Development Bank (ADB) forecasts that India's GDP growth will moderate to 7.5% in 2022-23 from an estimated 8.9% in 2021-22, but will pick up to reach 8% in 2023-24. The year ahead is poised for a pickup in private sector investments with the financial system in good position to provide support for economic revival. Macroeconomic stability indicators suggest that the Indian Economy is well placed to take on the challenges of 2022-23. Combination of high foreign exchange reserves, sustained foreign direct investment, and rising export earnings will provide adequate buffer against possible global liquidity tapering in 2022-23. The Government and the Reserve Bank of India quickly stepped in to put the economy back on track in the quickest possible time and undertook multi-dimensional policy

interventions to minimise the impact of the crisis. Alongside moderation in the virus spread and scaling down of the lockdown restrictions, the Indian economy demonstrated major progress. A strong rural demand, robust Government expenditure and pent-up market demand aided in this recovery process.

India is the world's second- largest producer of steel. The Covid-19 outbreak and supply chain disruptions impacted the Steel market in India. In comparison to international steel pricing, domestic steel prices remain low. Following the ease in lockdowns, the Indian steel producers raised prices significantly in the recent quarter. As a result, discount levels drastically decreased. With improvement in global supply, worldwide prices are expected to drop in the coming quarters, accordingly, the need for decreasing the price will be expected from the Indian steelmakers.

INDUSTRY STRUCTURE AND DEVELOPMENTS

Steel Industry

The global Steel industry witnessed a better than expected growth, despite the pandemic and supply chain disruptions. Due to the Government's severe restrictions against real estate developers, China's steel consumption slowed significantly in 2021. As the Government strives to promote infrastructure investment and stabilise the Real Estate market, steel consumption will remain flat in 2022. Steel consumption is expected to expand somewhat, in 2023, as a result of the stimulus measures implemented in 2022. Larger stimulus measures, which are inevitable if the economy confronts more headwinds from the deteriorating external environment, have upside potential. The World Steel Association anticipates steel demand to edge up 0.4% in 2022 to 1.84 billion MT, and grow a further 2.2% in 2023 to 1.88 billion MT.

RISKS AND CONCERNS

The Company's foray into trading of steel products in international market shall of course be subject to the overall demand stabilising in the world market, which looks promising.

OPERATIONAL PERFORMANCE

The Company ceased to operate its Steel Plant in 1995 after suspension of production and closure of plant, no manufacturing activity has been carried out. Subsequently, the plant, machinery and equipment were disposed of, leading to the disposal of the residuary asset being land in November 2020.

The Company has since resumed trading in Iron & steel products, including engineering products in the international market.

All transactions are recorded and reported in accordance with the applicable Accounting Standards and within the terms of accounting policies.

The Company has also ensured the periodical Internal Audit by an independent auditor, whose report is submitted to the Audit Committee and Board of Directors for consideration. During the Audit Process no material discrepancies have been reported by the Internal Auditor.

The Audit Committee is responsible to ensure the monitoring of Internal Control System and oversees the various financial transactions on a regular basis and any deviations are promptly reported to the Senior Management to ensure normalcy is established at the earliest, though, no such deviations had been reported by the Audit Committee during the FY 2021-22.

CAUTIONARY STATEMENT

Statements made in the Management Discussion and Analysis describing the Company's projection, estimates and expectations may be interpreted as "forward looking statements" within the meaning of applicable securities, laws and regulations. The Company assumes no responsibility to publicly amend, modify or revise any forward looking statements on the basis of any subsequent information or events.

INDEPENDENT AUDITOR'S REPORT**To the Members of Eastcoast Steel Limited****Report on the Financial Statements****Opinion**

We have audited the accompanying Financial statements of Eastcoast Steel Limited (“the Company”), which comprise the Balance Sheet as at 31st March 2022, the Statement of Profit and Loss, including the statement of Other Comprehensive Income, the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as “Financial Statements”).

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at, 31st March 2022, its Profit / (Loss) including other Comprehensive Income and its Cash flows, and the Statement of Changes in Equity for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements Section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there are no key audit matters to be communicated in our report.

Information Other than the Financial Statements and Auditor’s Report Thereon

The Company’s Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report but does not include the financial statements and our auditor’s report thereon.

Our opinion on the Financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears, to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Financial Statements that give a true and fair view of the Financial Position, Financial Performance including Other Comprehensive Income, Cash Flows and the Statement Of Changes in Equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015 , as amended.

This responsibility also includes maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of the appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that we are operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and fair presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's Financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Companies Act, 2013, ("the Act") we give in the "**Annexure A**" statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

 - d) In our opinion, the aforesaid financial statements comply with the accounting standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2015, as amended.
 - e) On the basis of written representations received from the directors as on 31st March 2022 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March 2022 from being appointed as a director in terms of Section 164(2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in “**Annexure B**”.
 - g) In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid / provided if Any by the Company to its directors during year is in accordance with the provisions of Section 197 of the Act.
 - h) With respect to the other matters to be included in the Auditor’s Report in accordance with Rules 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact on its financial position.
 - ii. The Company did not have any material foreseeable losses on long-term contracts including derivative contracts that require provision under any law or accounting standards for which there were any material foreseeable losses; and
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv. (a) Management has represented to us that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (“Ultimate

Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(b) Management has represented to us that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts no funds have been received by the Company from any person(s) or entity(ies), including foreign entities (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries

(c) Based on our audit procedure conducted that are considered reasonable and appropriate in the circumstances, nothing has come to our attention that cause us to believe that the representation given by the management under sub clause (a) and (b) contain any material misstatement.

v. The Company has not paid, proposed or declared any dividend during the year and until the date of report, hence, compliance in accordance with Section 123 of the Act is not applicable.

- 2) a) As explained to us and on the basis of the records examined by us, in our opinion, physical verification of the inventories have been conducted at reasonable intervals by the management and having regard to the size and nature of business of the Company and nature of its inventory, the coverage and procedures of such verification by the management is appropriate. As explained to us and on the basis of the records examined by us, the value of the discrepancies noticed on physical verification by management did not exceed 10% or more in aggregate of each class of inventory.
 - b) As per the information and explanation given to us and examination of books of accounts and other records produced before us, in our opinion the Company was not availed working capital limits in excess of five crore rupees in aggregate, from banks or financial institutions during the year, hence clause (ii)(b) of the Paragraph 3 is not applicable to the Company.
- 3) a) As per the information and explanations given to us and books of accounts and records examined by us, during the year Company has not provided any guarantee

or security or has not granted any advances in the nature of loans to companies, firms, Limited Liability Partnerships or any other entities except

- Loan of ₹ 200 lakhs has been granted to one Company during the year and balance outstanding at balance sheet date with respect to such loans is Nil.
- b) In our opinion and according to information and explanations given us and on the basis of our audit procedures, the investment made during the year and the terms and condition of the grant of all loans provided are prima facie not prejudicial to the Company interest.
 - c) According to the books of accounts and records examined by us in respect of the loans and advances in the nature of loans, where the schedule of repayment of principal and payment of interest has been stipulated, the repayments or receipts are generally regular. According to the books of accounts and records examined by us in respect of the loans, there is no amount overdue for more than ninety days.
 - d) In our opinion and according to information and explanation given and the books of accounts and records examined by us, loans granted which have fallen due during the year have not been renewed or extended and no fresh loans have been granted to settle the overdues of existing loans given to the same parties.
 - e) In our opinion and according to information and explanation given and records examined by us, the Company has not granted any loans either repayable on demand or without specifying any terms or period of repayment.
- 4) In our opinion and according to the information and explanations provided to us, the Company has not granted any loans or provided any guarantees or security to the parties covered under Section 185 of the Act. The Company has complied with the provisions of Section 186 of the Act in respect of loans and investments to the parties covered under Section 186 of the Act.
 - 5) According to the information and explanations given to us, the Company has not accepted any deposits or amounts which are deemed to be deposits within the meaning of provisions of Sections 73 to 76 or any other relevant provisions of the Act and the rules framed there under. Therefore, the clause (v) of paragraph 3 of the Order is not applicable to the Company.
 - 6) The maintenance of cost records has not been specified for the activities of the Company by the Central Government under Section 148(1) of the Companies Act, 2013.
 - 7) In respect of Statutory dues :
 - a) According to the records of the Company examined by us, undisputed statutory dues including Goods and Service tax, provident fund, employees' state insurance, income tax, duty of customs, cess and any other material statutory dues have been generally regularly deposited with appropriate authorities. According to the information and explanations given to us, there were no undisputed amounts payable in respect of the aforesaid dues, which were outstanding as March 31, 2022 for a period of more than six months from the date they became payable.

- b) According to the information and explanations given to us, there are no statutory dues referred to in sub-clause (a) which have not been deposited with the appropriate authority on account of any dispute.
- 8) According to the information and explanations given to us and representation given to us by the management, there were no transactions relating to previously unrecorded income that were surrendered or disclosed as income in the tax assessments under the Income Tax Act, 1961 (43 of 1961) during the year.
- 9) a) In our opinion and according to the information and explanations given and books of accounts and records examined by us, the Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender.
- b) In our opinion, and according to the information and explanations given to us, the Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
- c) The Company has not taken any term loan during the year and there are no unutilised term loans at the beginning of the year and hence, reporting under clause 3(ix)(c) of the Order is not applicable to the Company.
- d) According to the information and explanations given to us, and the procedures performed by us, and on an overall examination of the financial statements of the Company, we report that, *prima facie*, no funds raised on short-term basis have been used during the year for long-term purposes by the Company.
- e) According to the information and explanations given to us and on an overall examination of the financial statements of the Company, we report that the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures.
- f) According to the information and explanations given to us and procedures performed by us, we report that the Company has not raised loans during the year on the pledge of securities held in its subsidiaries, joint ventures or associate companies.
- 10) a) The Company has not raised money by way of initial public offer or further public offer (including debt instruments) and hence clause (x)(a) of paragraph 3 of the Order is not applicable to the Company.
- b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year. Accordingly, clause 3(x)(b) of the Order is not applicable.
- 11) a) Based on the audit procedures performed for the purpose of reporting the true and fair view of the financial statements and as per information and explanations given to us, no fraud by the Company or on the Company has been noticed or reported during the year.

- b) According to the information and explanations given to us, no report under sub-Section 12 of Section 143 of the Act has been filed by auditors in Form ADT-4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.
- c) As represented to us by the management, there are no whistle blower complaints received by the Company during the year.
- 12) In our opinion, Company is not a Nidhi Company. Therefore, the provisions of clause (xii) of paragraph 3 of the Order are not applicable to the Company.
- 13) In our opinion and according to the information and explanations given to us, all transactions with related parties are in compliance with Sections 177 and 188 of the Act and their details have been disclosed in the financial statements etc., as required by the applicable accounting standards.
- 14) a) In our opinion, and according to the information and explanations given to us, the Company has an internal audit system commensurate with the size and nature of its business.
- b) We have considered the internal audit reports of the Company issued till date, for the period under audit.
- 15) According to the information and explanations provided by the management, the Company has not entered into any non-cash transaction with directors or persons connected with him as referred to in Section 192 of the Act.
- 16) a) To the best of our knowledge and as explained, the Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934.
- b) In our opinion, and according to the information and explanations provided to us and on the basis of our audit procedures, the Company has not conducted any Non-Banking Financial or Housing Finance activities during the year as per the Reserve Bank of India Act, 1934.
- c) In our opinion, and according to the information and explanations provided to us, the Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India.
- d) In our opinion, and according to the information and explanations provided to us, the Group has no Core Investment Company (CIC).
- 17) In our opinion, and according to the information and explanations provided to us, Company has not incurred any cash losses in the financial year and in the immediately preceding financial year.
- 18) There has been no resignation of the statutory auditors during the year. Therefore, provisions of clause (xviii) of Paragraph 3 of the Order are not applicable to the Company.

- 19) According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- 20) According to the information and explanations given to us provisions of Section 135 is not applicable to the Company. Hence, Clause (xx) of the Paragraph 3 is not applicable to the Company.

“Annexure B” to Independent Auditor’s Report referred to in paragraph 2(f) under the heading “Report on other legal and regulatory requirements” of our report of even date.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the Internal Financial Control over financial reporting of Eastcoast Steel Limited (“the Company”) as of 31st March 2022, in conjunction with our audit of the financial statements of the Company for the year then ended.

Management Responsibility for the Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A Company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of

financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that:

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, considering nature of business, size of operations and organizational structure of the entity, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2022 based on the Internal Control over Financial reporting criteria established by the Company considering the essential components of Internal Control stated in the Guidance Note on Audit of Internal Financial Controls over Financial reporting issued by the ICAI.

1 SIGNIFICANT ACCOUNTING POLICIES:**1.1 Corporate Information**

Eastcoast Steel Limited ('the Company') is a public limited Company incorporated in India under the provisions of the Companies Act, 1956 and its shares are listed on Bombay Stock Exchange. The registered office of the Company is situated at Flat No. A-123, Royal Den Apartments, No.16, Arul Theson Street, Palaniraja Udayar Nager, Lawspet, Pondicherry - 605008, which is also the principal place of business. These financial statements were approved and adopted by Board of Directors in its meeting held on 30 May 2022.

1.2 Basis of preparation and presentation

These Financial Statements of the Company have been prepared to comply with the Indian Accounting Standards ('Ind-AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 (hereinafter referred to as 'the Act'), read with the Companies (Indian Accounting Standards) Rules, 2015, as amended and other provisions of the Act.

The Financial statements have been prepared on a historical cost convention and accrual basis, except for certain financial assets and liabilities measured at fair value and plan assets towards defined benefit plans, which are measured at fair value.

The Financial statements of the Company are for the year ended 31 March 2022 and are prepared in Indian Rupees being the functional currency and all values are rounded to the nearest lakhs (₹ 00,000), except when otherwise indicated, amount in zero (0.00) represents amount below ₹ 500.

1.3 Current non-current classification

The Company presents assets and liabilities in the balance sheet based on current/non-current classification.

An asset is treated as current when it is:

- (i) expected to be realised or intended to be sold or consumed in normal operating cycle ;
- (ii) held primarily for the purpose of trading ;
- (iii) expected to be realised within twelve months after the reporting period ;
- (iv) cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period or ;
- (v) carrying current portion of non current financial assets.

All other assets are classified as non-current.

A liability is current when:

- (i) it is expected to be settled in normal operating cycle ;
- (ii) it is held primarily for the purpose of trading ;
- (iii) it is due to be settled within twelve months after the reporting period ;

(iv) there is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period, or :

(v) It includes current portion of non current financial liabilities.

All other liabilities are classified as non-current.

1.4 Operating cycle

All assets and liabilities have been classified as current and non-current as per the Company's normal operating cycle and other criteria set out above which are in accordance with the schedule III to the Act. Based on the nature of services and time between the acquisition of assets for providing of services and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current / non-current classification of assets and liabilities.

1.5 Property Plant and Equipment

Freehold land is carried at cost. All other items of property, plant and equipment are stated at cost less depreciation and impairment, if any. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to the Statement of Profit and Loss during the reporting period in which they are incurred.

Depreciation is provided in the manner prescribed in Part C of Schedule II to the Companies Act, 2013, over their useful life and management believe that useful life of assets are same as those prescribed in Part C of Schedule II to the Act.

Useful life considered for calculation of depreciation for various assets class are as follows-

Asset Class	Useful Life
Office Building	60 years
Furniture and Fixtures	10 years
Office Equipment	5 years
Computers	3 years
Vehicles	8 years

The property, plant and equipment residual values, useful lives and method of depreciation are reviewed, and adjusted if appropriate, at the end of each reporting period.

Gains and losses arising from derecognition of a property, plant and equipment are measured as the difference between the net disposal proceeds and the carrying amount of the assets and are recognised in the Statement of Profit and Loss, when the asset is derecognised.

An property, plant and equipment carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

1.6 Investments and other financial assets

Initial recognition

In the case of financial assets, not recorded at fair value through profit or loss (FVTPL), financial assets are recognised initially at fair value plus transaction costs that are directly attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the Company commits to purchase or sell the asset.

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in following categories

(a) Financial Assets at amortised cost

Financial assets are subsequently measured at amortised cost if these financial assets are held within a business model with an objective to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates, to cash flows that are solely payments of principal and interest on the principal amount outstanding. Interest income from these financial assets is included in finance income using the effective interest rate ("EIR") method. Impairment gains or losses arising on these assets are recognised in the Statement of Profit and Loss.

(b) Financial Assets measured at fair value

Financial assets are measured at fair value through other comprehensive income (FVOCI) if these financial assets are held within a business model with an objective to hold these assets in order to collect contractual cash flows or to sell these financial assets and the contractual terms of the financial asset give rise on specified dates, to cash flows that are solely payments of principal and interest on the principal amount outstanding. Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognised in the Statement of Profit and Loss.

Financial assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit or loss.

Impairment of Financial Assets

In accordance with Ind-AS 109, the Company applies the expected credit loss ("ECL") model for measurement and recognition of impairment loss on financial assets and credit risk exposures.

The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables. Simplified approach does not require the Company to make changes in credit risk. Rather, it recognises impairment loss allowance

based on lifetime ECL at each reporting date, right from its initial recognition. For recognition of impairment loss on other financial assets and risk exposure, the Company determines whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-months ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12-months ECL.

ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the entity expects to receive (i.e., all cash shortfalls), discounted at the original EIR. Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-months ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date. ECL impairment loss allowance (or reversal) recognised during the period is recorded as expense/ income in the Statement of Profit and Loss.

De-recognition of Financial Assets

The Company de-recognises a financial asset only when the contractual rights to the cash flows from the asset expire, or it transfers the financial asset and substantially all risks and rewards of ownership of the asset to another entity.

If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognizes its retained interest in the assets and an associated liability for amounts it may have to pay.

If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognise the financial asset and also recognises a collateralised borrowing for the proceeds received.

Equity investments

All equity investments in the scope of Ind-AS 109, Financial Instruments, are measured at fair value. For equity instruments, the Company may make an irrevocable election to present the subsequent fair value changes in Other Comprehensive Income (OCI). The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

There is no recycling of the amounts from OCI to profit or loss, even on sale of investment.

Equity instruments included within the FVTPL (fair value through profit and loss) category are measured at fair value with all changes in fair value recognized in the profit or loss.

1.7 Financial Liabilities

Initial Recognition

Financial liabilities are classified, at initial recognition, as financial liabilities at FVTPL, loans and borrowings and payables as appropriate. All financial liabilities

are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

Subsequent measurement

Financial liabilities at FVTPL

Financial liabilities at FVTPL include financial liabilities held for trading and financial liabilities designated upon initial recognition as FVTPL. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. Gains or losses on liabilities held for trading are recognised in the Statement of Profit and Loss.

Financial liabilities at amortised cost

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Any difference between the proceeds (net of transaction costs) and the settlement or redemption of borrowings is recognised over the term of the borrowings in the Statement of Profit and Loss.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the Statement of Profit and Loss.

Where the terms of a financial liability is re-negotiated and the Company issues equity instruments to a creditor to extinguish all or part of the liability (debt for equity swap), a gain or loss is recognised in the Statement of Profit and Loss; measured as a difference between the carrying amount of the financial liability and the fair value of equity instrument issued.

De-recognition of Financial Liabilities

Financial liabilities are de-recognised when the obligation specified in the contract is discharged, cancelled or expired. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as de-recognition of the original liability and recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

Offsetting financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

1.8 Fair value measurement

The Company measures financial assets and financial liability at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Company. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use. The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data is available to measure fair value, maximising the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities.
- Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.
- Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable. For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

1.9 Impairment of non-financial assets

Assessment is done at each Balance Sheet date to evaluate whether there is any indication that a non-financial asset may be impaired. For the purpose of assessing impairment, the smallest identifiable group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows from other assets or groups of assets, is considered as a cash generating unit. If any such indication exists, an estimate of the recoverable amount of the asset/cash generating unit is made. Assets whose carrying value exceeds their recoverable amount are written down to their recoverable amount. Recoverable amount is higher of an asset's or cash generating unit's net selling price and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an asset and from its disposal at the end of its useful life. A previously recognised impairment loss is increased or reversed depending on changes in circumstances. However, the carrying value after reversal is not increased beyond the carrying value that would have prevailed by charging usual depreciation if there was no impairment.

1.10 Provisions, Contingent Liabilities and Contingent Assets

Provisions are recognised when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognised for future operating losses.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

Contingent Liabilities are disclosed in respect of possible obligations that arise from past events but their existence will be confirmed by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the Company or where any present obligation cannot be measured in terms of future outflow of resources or where a reliable estimate of the obligation cannot be made.

A contingent asset is disclosed, where an inflow of economic benefits is probable. An entity shall not recognize contingent asset unless the recovery is virtually certain.

1.11 Borrowing costs

General and specific borrowing costs directly attributable to the acquisition/construction of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use, are added to the cost of those assets, until such time the assets are substantially ready for their intended use. All other borrowing costs are recognised as an expense in Statement of Profit and Loss in the period in which they are incurred.

1.12 Recognition of income

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

Dividends are recognised in the Statement of Profit and Loss only when the right to receive payment is established.

1.13 Employee benefits

a) Short term employee benefits

Short term employee benefits are recognised as expenditure at the undiscounted value in the Statement of Profit and Loss of the year in which the related service is rendered.

b) Post employment benefits**i) Defined contribution plan**

The Company's contribution to Provident Fund and Employees State Insurance Scheme is determined based on a fixed percentage of the eligible employees' salary and charged to the Statement of Profit and Loss on accrual basis. The Company has categorised its Provident Fund, Labour Welfare Fund and the Employees State Insurance Scheme as a defined contribution plan since it has no further obligations beyond these contributions.

ii) Defined benefits plan

The Company's liability towards gratuity, being a defined benefit plan is accounted for on the basis of an independent actuarial valuation based on Projected Unit Credit Method.

Service cost and the net interest cost is included in employee benefit expense in the Statement of Profit and Loss. Actuarial gains and losses comprise experience adjustments and the effects of changes in actuarial assumptions and are recognised immediately in 'Other Comprehensive Income' as income or expense.

iii) Compensated absences

Accumulated compensated absences, which are expected to be availed or encashed within 12 months from the end of the year are treated as short term employee benefits. The obligation towards the same is measured at the expected cost of accumulating compensated absences as the additional amount expected to be paid as a result of the unused entitlement as at the year end. The Company's liability is actuarially determined (using the Projected Unit Credit method).

1.14 Income Tax

Income tax expense comprises current tax, deferred tax charge or credit. The deferred tax charge or credit and the corresponding deferred tax liability and assets are recognized using the tax rates that have been enacted or substantially enacted on the Balance Sheet date.

Deferred Tax assets arising from unabsorbed depreciation or carry forward losses are recognized only if there is virtual certainty of realization of such amounts. Other deferred tax assets are recognized only to the extent there is reasonable certainty of realization in future. Deferred tax assets are reviewed at each Balance Sheet date to reassess their reliability.

1.15 Cash and cash equivalents

Cash and cash equivalents includes cash in hand and deposits with any qualifying financial institution repayable on demand or maturing within three months from the date of acquisition and which are subject to an insignificant risk of change in value.

1.16 Earnings per share

Basic earnings per share (EPS) is calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. Diluted EPS is computed using the weighted

average number of equity and dilutive equity equivalent shares outstanding during the year.

1.17 Significant management judgements in applying accounting policies and estimation uncertainty

When preparing the financial statements, management makes a number of judgments, estimates and assumptions about the recognition and measurement of assets, liabilities, income and expenses. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

a) Impairment of non-financial assets

In assessing impairment, management estimates the recoverable amount of each asset or cash-generating unit based on expected future cash flows and uses an interest rate to discount them. Estimation uncertainty relates to assumptions about future operating results and the determination of a suitable discount rate.

b) Depreciation and useful lives of property, plant and equipment

Property, plant and equipment are depreciated over the estimated useful lives of the assets, after taking into account their estimated residual value. Management reviews the estimated useful lives and residual values of the assets annually in order to determine the amount of depreciation to be recorded during any reporting period. The useful lives and residual values are based on the Company's historical experience with similar assets and take into account anticipated technological changes. The depreciation for future periods is adjusted if there are significant changes from previous estimates.

c) Provisions

Provisions and liabilities are recognized in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events and the amount of cash outflow can be reliably estimated. The timing of recognition and quantification of the liability require the application of judgment to existing facts and circumstances, which can be subject to change. Since the cash outflows can take place many years in the future, the carrying amounts of provisions and liabilities are reviewed regularly and adjusted to take account of changing facts and circumstances.

d) Defined benefit obligation (DBO)

Management's estimate of the DBO is based on a number of critical underlying assumptions such as standard rates of inflation, mortality, discount rate and anticipation of future salary increases. Variation in these assumptions may significantly impact the DBO amount and the annual defined benefit expenses.

e) Material uncertainty about going concern:

In preparing financial statements, management has made an assessment of Company's ability to continue as a going concern. Financial statements are prepared on a going concern basis. The Management is aware, in making its assessment, of material uncertainties related to events or conditions that may cast significant doubt upon the Company's ability to continue as a going concern.

- During the periods mentioned above, there have been no transfers amongst the level 2 and level 3 hierarchy.

Valuation process

- The Company evaluates the fair value of financial assets and financial liabilities on periodic basis using the best and most relevant data available.
- Fair value of investments in Mutual Funds is on the basis of Net Assets Value (NAV) declared.
- The carrying amounts of other financial assets, current borrowings, trade payables and other current financial liabilities are considered to be approximately equal to their fair value, since those are current in nature.

25. Financial risk management objectives and policies

The primary objective of Company's capital management is to maximise the shareholders value. The Company's primary objective when managing capital is to ensure that it maintains an efficient capital structure, healthy capital ratio's and safeguard the Company's ability to continue as a going concern in order to support its business and provide maximum return for shareholders. The Company also proposes to maintain an optimal capital structure to reduce the cost of capital. No changes were made in the objectives, policies or processes during the year ended 31 March 2022.

The Company is exposed to market risk and liquidity risk. Company's senior management oversees the management of these risks. It is Company's policy that no trading in derivatives for speculative purposes may be undertaken. The Board of Directors review and agree policies for managing each of these risks, which are summarised below.

a) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. Company does not have significant foreign currency risk exposure to the risk of changes in market interest rates as Company's long-term debt obligations is at fixed interest rates.

b) Liquidity risk

Liquidity risk is defined as the risk that the Company will not be able to settle or meet its obligations on time or at a reasonable price. For the Company, liquidity risk arises from obligations on account of financial liabilities – borrowings, trade payables and other financial liabilities.

Liquidity risk management

The Company monitors rolling forecasts of its liquidity requirements to ensure it has sufficient cash to meet operational needs. The table below provides undiscounted cash flows towards financial liabilities into relevant maturity based on the remaining period at the balance sheet to the contractual maturity date.

c) Credit risk

Credit risk arises from the possibility that counter party may not be able to settle their obligations as agreed. Company is exposed to credit risk from trade receivables. To manage this, the Company exposure to its counter parties are continuously monitored. Company deals with counter parties having high credit rating.

26. Capital Management

The primary objective of Company's capital management is to maximise the shareholders value. The Company's primary objective when managing capital is to ensure that it maintains an efficient capital structure, healthy capital ratio's and safeguard the Company's ability to continue as a going concern in order to support its business and provide maximum return for shareholders. The Company also proposes to maintain an optimal capital structure to reduce the cost of capital. No changes were made in the objectives, policies or processes during the year ended 31 March 2022.

27 The Company had only one business segment while in operation. Since 24 April 1995, after suspension of production and closure of plant, no manufacturing activity has been carried out. Subsequently, the plant, machinery and equipment's were disposed off, leading to the disposal of the residuary asset being land in November 2020. The Company has since resumed trading in Iron & steel products, including engineering products, in the international market. Hence, the Company operates only in single Segment i.e. trading.

28 The Company has opted for tax rate under Section 115BAA of the Income Tax Act, 1961 which has been considered to determine the current tax liabilities.

- 2) Discount rate used for valuing liabilities is based on yield (as on valuation date) of Government with a term equal to the average future working life time of the employees.
- 3) Withdrawal rate used for valuing liabilities have been considered as 5% at younger ages and reducing as per graduated scale to 1%.
- 4) Retirement age has been considered as 65 years.
- 5) The above information is certified by actuary.

These gratuity plan typically expose the Company to actuarial risks such as: investment risk, interest risk, longevity risk and salary risk.

Investment risk

The present value of the defined benefit plan liability is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on government bonds. For other defined benefit plans, the discount rate is determined by reference to market yield at the end of reporting period on high quality corporate bonds when there is a deep market for such bonds; if the return on plan asset is below this rate, it will create a plan deficit.

Interest risk

A decrease in the bond interest rate will increase the plan liability; however, this will be partially offset by an increase in the return on the plan debt investments.

Longevity risk

The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.

Salary risk

The present value of the defined plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.
