## PRESS RELEASE

### **KPTL RECEIVES LOI FOR ORDER WORTH Rs.3,276 CRORES**

**Mumbai | Thursday, 10 March 2022** Kalpataru Power Transmission Limited (KPTL), a leading global EPC player in the power and infrastructure contracting sector has received a Letter of Intent (LoI) for Power Transmission and Distribution project in international market. The LoI is for a prestigious project involving design, engineering, supply and construction of HVDC power transmission line of ~700 kms. The estimated value of the project stands at Rs.3,276 Crores (USD 431 Million). The LoI is subject to fulfilment of certain conditions. The project will start immediately with design and engineering activities in Phase 1.

#### **Management Comments**

Commenting on the development, Mr. Manish Mohnot, Managing Director & CEO, KPTL said “We feel privileged to announce the receipt of the above mentioned LoI. This landmark achievement has been on several counts - intensive efforts that we have been putting in over last several years on large size projects for long-term value creation, developing strong client relationships and penetrate deeper into the focused markets on back of our strong technical and execution capabilities.

This is also a hugely rewarding experience as we were working along with the same clients for past few years and is a testament for our quality solutions and expertise in power T&D business. We look forward to many such opportunities in future.”

#### **About Kalpataru Power Transmission Limited (KPTL)**

KPTL is one of the largest specialized EPC companies engaged in power transmission & distribution, oil & gas pipeline, railways and civil infrastructure business. KPTL is currently executing projects in over 40 countries and has global footprints in over 60 countries. KPTL has maintained leadership position in all its major business backed by strong organisational capabilities, superior technical knowhow, and adherence to top-class sustainability standards.
