**SCHEME OF AMALGAMATION
OF
LIBERTY PESTICIDES AND FERTILIZERS LIMITED
(TRANSFEROR COMPANY1)
AND
COROMANDEL SQM (INDIA) PRIVATE LIMITED
(TRANSFEROR COMPANY2)
WITH
COROMANDEL INTERNATIONAL LIMITED
(TRANSFEEE COMPANY)
AND
THEIR RESPECTIVE SHAREHOLDERS
UNDER SECTIONS 232 READ WITH 230 OF THE COMPANIES ACT,
2013 AND OTHER APPLICABLE PROVISIONS OF THE COMPANIES
ACT, 2013**

1. PREAMBLE

This Scheme of Amalgamation (hereinafter referred to as "Scheme") is presented under Sections 232 read with Section 230 and other applicable provisions of the Companies Act, 2013 and the Rules framed thereunder [including any statutory modification(s) or re-enactment(s) thereof, if any] for the amalgamation of Liberty Pesticides and Fertilizers Limited ("**Transferor Company 1**") and Coromandel SQM (India) Private Limited ("**Transferor Company 2**") (hereinafter collectively referred to as the "**Transferor Companies**") with Coromandel International Limited [hereinafter referred to as the "**Transferee Company**"].

The Transferor Companies are wholly owned subsidiaries of the Transferee Company since the Transferee Company along with its nominees holds the entire share capital of each of the Transferor Companies.

2. RATIONALE FOR THE SCHEME

The Board of Directors of the Transferor Companies and Transferee Company envisage the following benefits pursuant to the Amalgamation of the Transferor Companies with the Transferee Company:

- 2.1 Currently, Transferor Company 1 has no business operations, other than holding leasehold rights of the factory land in Udaipur, Rajasthan. It does not have any business plans going forward. It is, accordingly, desired to merge with Transferee Company.
- 2.2 Transferor Company 2 is engaged in the business of manufacturing and sale of water-soluble fertilizers and has a manufacturing unit in Kakinada, Andhra Pradesh. As it is expected to result in synergies in business activity, and more effective and efficient management of business affairs.

Apart from the above, it would also have the following benefits:

- 2.3 Reduction in the cost of overheads and improvement in professional management
- 2.4 Reduction in multiplicity of legal and regulatory compliances and simplification of group structure.
- 2.5 Enhance the scale of operations thereby providing significant impetus to the growth of the Companies, since they are engaged in line of business that could draw upon synergies between the Transferor Companies and the Transferee Company.
- 2.6 Consolidation of Transferor Companies with the Transferee Company by way of amalgamation would lead to a more efficient utilization of capital and improved financial structure.
- 2.7 The benefit of consolidation of financial resources, managerial and technical expertise of the Transferor Companies and the Transferee Company shall be available to the amalgamated entity leading to the overall optimization of operational and administration costs.
- 2.8 The amalgamation will rationalize and optimize the group legal entity structure to ensure greater alignment of the businesses by reducing number of legal entities and also statutory compliances.
- 2.9 To achieve synergies in business activity, consolidation, focused attention, centralized administration, economy of operation, integrated business approach and greater efficiency.

In order to achieve the above objectives, the Board of Directors of the Transferor Companies and the Transferee Company at their respective meetings have approved the proposed Scheme of Amalgamation and have decided to make the requisite applications to the National Company Law Tribunal('NCLT') under Section 230 and 232 of the Companies Act, 2013, for the sanction of this Scheme of Amalgamation of the Transferor Companies with the Transferee Company. This Scheme also makes provision for various other matters consequential or related thereto and otherwise integrally connected therewith.

There are no proceedings/investigation pending against the Transferor Companies and the Transferee Company under Section 210 of the Companies Act, 2013.

PARTS OF THE SCHEME

This Scheme of Amalgamation is divided into the following parts:

- a) **PART I** - Deals with definitions, interpretation, date of the Scheme coming into effect, incorporation, share capital and main objects of the Transferor Companies and the Transferee Company.
- b) **PART II** - Deals with amalgamation of business of the Transferor Companies with the Transferee Company, legal proceedings, conduct of business till the Effective Date, Consideration, Accounting Treatment in the books of the Transferee Company and other matters consequential and incidental thereto.
- c) **PART III** - Deals with dissolution of the Transferor Companies, application to the NCLT, general terms and conditions applicable to this Scheme of Amalgamation and other matters consequential and incidental thereto.

(d) All the licenses, permits, quotas, approvals, permissions, registrations, incentives, sales tax deferrals and benefits, subsidies, concessions, grants, rights, claims, leases, tenancy rights, customer registrations, customer approvals, liberties, special status and other benefits or privileges enjoyed or conferred upon or held or availed of by the Transferor Companies and all rights and benefits that have accrued or which may accrue to any of the Transferor Companies, whether before or after the Appointed Date, shall under the provisions of Section 232 read with Section 230 and all other applicable provisions, if any, of the Act, without any further act, instrument or deed, cost or charge be and stand transferred to and vest in or deemed to be transferred to and vested in or be available to the Transferee Company so as to become as and from the Appointed Date, licenses, permits, quotas, approvals, permissions, registrations, incentives, sales tax deferrals and benefits, subsidies, concessions, grants, rights, claims, leases, tenancy rights, customer registrations, customer approvals, liberties, special status and other benefits or privileges of the Transferee Company and shall remain valid, effective and enforceable on the same terms and conditions.

(e) All assets and properties of the Transferor Companies as on the Appointed Date, whether or not included in the books of the Transferor Companies, and all assets and properties, which are acquired by the Transferor Companies on or after the Appointed Date but prior to the Effective Date, shall be deemed to be the properties of the Transferee Company and shall under the provisions of Section 232 read with Section 230 and all other applicable provisions, if any, of the Act, without any further act, instrument or deed, be vested in and be deemed to have been vested in the Transferee Company upon the coming into effect of this Scheme.

7.2.2 Where the Transferor Companies are entitled to any benefits under incentive schemes and policies and pursuant to this Scheme, it is declared that the benefits under all of such schemes and policies shall be transferred to and vested in the Transferee Company and all benefits, entitlements and incentives of any nature whatsoever, including sales tax concessions and incentives, shall be claimed by the Transferee Company and these shall relate back to the Appointed Date as if the Transferee Company was originally entitled to all benefits under such incentive scheme and/or policies, subject to continued compliance by the Transferee Company of all the terms and conditions subject to which the benefits under the

incentive schemes were made available to the Transferor Companies.

8. TRANSFER OF LIABILITIES

- 8.1 Upon the Scheme coming into effect and with effect from the Appointed Date, all liabilities relating to and comprised in the Undertaking(s) of the Transferor Companies including all debts, liabilities (including contingent liabilities), duties and obligations and undertakings of the Transferor Companies of every kind, nature and description whatsoever and however arising, raised or incurred or utilized for business activities and operations along with any charge, encumbrances, lien or security thereon (hereinafter referred to as "Liabilities") shall, pursuant to coming into effect of the Scheme and under the provisions of Section 232 read with Section 230 and all other applicable provisions, if any, of the Act, without any further act, instrument, deed, matter or thing, be transferred to and vested in or be deemed to have been transferred to and vested in the Transferee Company. Such liabilities shall be assumed by the Transferee Company to the extent they are outstanding on the Effective Date so as to become as from the Appointed Date, the Liabilities of the Transferee Company, on the same terms and conditions as were applicable to the Transferor Companies. The Transferee Company shall meet, discharge and satisfy the same and further it shall not be necessary to obtain the consent of any third party or other person who is party to any contract or arrangement by virtue of which such Liabilities have arisen in order to give effect to the provisions of this clause.
- 8.2 All debts, liabilities, duties and obligations of the Transferor Companies shall, as on the Appointed Date, whether or not provided in the books of the Transferor Companies, and all debts and loans raised and used, and duties, liabilities and obligations incurred or which arise or accrue to the Transferor Companies on or after the Appointed Date till the Effective Date shall be deemed to be and shall become the debts, loans raised and used, duties, liabilities and obligations incurred by the Transferee Company by virtue of this Scheme.
- 8.3 Where any such debts, liabilities, duties and obligations of the Transferor Companies as on the Appointed Date have been discharged after the Appointed Date and prior to the Effective Date by any of the Transferor Companies, such discharge shall be deemed to be for and on account of the Transferee Company.
- 8.4 All loans raised and utilized and all liabilities, duties and obligations incurred or undertaken by the Transferor Companies after the Appointed Date and prior to the Effective Date shall be deemed to have been raised, used, incurred or undertaken for and on behalf of the Transferee Company and to the extent they are outstanding on the Effective Date, shall, upon the coming into effect of this Scheme and under the provisions of Section 232 read with Section 230 and all other applicable provisions, if any, of the Act, without any further act, instrument or deed be and stand transferred to or vested in or deemed to have been transferred to and vested in the Transferee Company and shall become the loans and liabilities, duties and obligations of the Transferee Company which shall meet, discharge and satisfy the same.

- 8.5 Loans, advances and other obligations (including any guarantees, letters of credit, letters of comfort or any other instrument or arrangement which may give rise to a contingent liability in whatever form), if any, due or which may at any time in future become due between the Transferor Companies and the Transferee Company shall, ipso facto, stand discharged and come to an end and there shall be no liability in that behalf on any party and appropriate effect shall be given in the books of accounts and records of the Transferee Company. It is hereby clarified that there will be no accrual of interest or other charges in respect of any such inter-company loans, advances and other obligations with effect from the Appointed Date.
- 8.6 The Scheme shall not operate to enlarge the security for any loan, deposit or facility created by or available to the Transferor Companies which shall vest in the Transferee Company by virtue of the amalgamation and the Transferee Company shall not be obliged to create any further, or additional security therefore after the amalgamation has become effective or otherwise.
- 8.7 The Transferor Companies shall ensure to comply with all the applicable laws and the officers in default of the Transferor Companies shall not be absolved of their statutory liability prior to the amalgamation.

9. ENCUMBRANCES

- 9.1 The transfer and vesting of the assets comprised in the Undertaking(s) of the Transferor Companies respectively to and in the Transferee Company under Clause 7.1 and Clause 8.1 of this Scheme shall be subject to the mortgage and charges, if any, affecting the same as hereinafter provided.
- 9.2 All the existing securities, charges, encumbrances or liens (hereinafter referred to as "Encumbrances"), if any, created by the Transferor Companies after the Appointed Date, in terms of the Scheme, over the assets comprised in their respective Undertakings or any part thereof transferred to the Transferee Company by virtue of this Scheme and in so far as such Encumbrances secure or relate to Liabilities of the Transferor Companies, the same shall, after the Effective Date, continue to relate and attach to such assets or any part thereof to which they are related or attached prior to the Effective Date and as are transferred to the Transferee Company and such Encumbrances shall not relate or attach to any of the other assets of the Transferee Company. Provided however that while all existing charges on the assets against loans obtained, if any, by the Transferor Companies would be transferred pursuant to this Scheme, the Scheme shall not operate to enlarge the security for any loan, deposit or facility created by or available to the Transferor Companies which shall vest in the Transferee Company by virtue of the amalgamation and the Transferee Company shall not be obliged or required to create any further or additional security therefore after the amalgamation has become effective or otherwise.
- 9.3 The existing Encumbrances over the assets and properties of the Transferee Company or any part thereof which relate to the liabilities and obligations of the Transferee Company prior to the Effective Date shall continue to relate to such assets and properties and shall not extend or attach to any of the assets and properties of the Transferor Companies transferred to and vested in the Transferee Company by virtue of this Scheme.

- 9.4 Any reference in any security documents or arrangements (to which Transferor Companies are party) to the Transferor Companies and in assets and properties, shall be construed as a reference to the Transferee Company and the assets and properties of the Transferor Companies transferred to the Transferee Company by virtue of this Scheme. Without prejudice to the foregoing provisions, the Transferor Companies as the case maybe and the Transferee Company may execute any instruments or documents or do all acts and deeds as may be considered appropriate, including the filing of necessary particulars and/or modification(s) of charge, with the Registrar of Companies to give formal effect to the above provisions, if required.
- 9.5 Upon the coming into effect of this Scheme, the Transferee Company alone shall be liable to perform all obligations in respect of the liabilities, which have been transferred to it in terms of the Scheme.
- 9.6 It is expressly provided that, save as herein provided, no other term or condition of the liabilities transferred to the Transferee Company is modified by virtue of this Scheme except to the extent that such amendment is required statutorily or by necessary implication.
- 9.7 The provisions of the Clause 7.2 shall operate in accordance with the terms of the Scheme, notwithstanding anything to the contrary contained in any instrument, deed or writing or the terms of sanction or issue or any security documents, all of which instruments, deeds or writing shall stand modified and/or superseded by the foregoing provisions.
- 9.8 The Transferee Company may, at any time after the coming into effect of this Scheme in accordance with the provisions hereof, if so required, under any law or otherwise, execute Deeds of Confirmation in favour of the creditors of the Transferor Companies or in favor of any other party to any contract or arrangement to which the Transferor Companies is a party or any writings as may be necessary to be executed in order to give formal effect to the above provisions. The Transferee Company shall, under the provisions of the Scheme, be deemed to be authorized to execute any such writings on behalf of the Transferor Companies and to implement or carry out all such formalities or compliance referred to above on the part of the Transferor Companies, required to be carried out or performed.

10. TAXES

- 10.1 On and from the Appointed Date, if any certificate for Tax Deducted at Source or any other tax credit certificate relating to any Transferor Companies is received in the name of any Transferor Companies it shall be deemed to have been received by the Transferee Company, which alone shall be entitled to claim credit for such tax deducted or paid.
- 10.2 All taxes (including, without limitation, income tax, excise duty, customs duty, service tax, taxes paid under Goods and Service Tax regulations or under any other law which may come into force) paid or payable by any Transferor Companies from the Appointed Date, shall be on account of the Transferee Company and, in so far as it relates to the tax payment (including, without limitation, income tax, sales tax, excise duty, customs duty, service tax, VAT, taxes paid under GST regulations or under any other law which may come into

force), whether by way of deduction at source, advance tax or otherwise howsoever, by the Transferor Companies after the Appointed Date, the same shall be deemed to be the corresponding item paid by the Transferee Company and shall in all proceedings be dealt accordingly. This is notwithstanding that challans or tax payment certificates are in the name of the Transferor Companies and not in the name of the Transferee Company.

- 10.3 Any tax liabilities under the IT Act, Customs Act, 1962, Central Excise Act, 1944, GST regulations or other applicable laws/regulations dealing with taxes/duties/levies allocable or related to the business of the Transferor Companies, to the extent not provided for or covered by tax provision in the accounts made as on the date immediately preceding the Appointed Date, shall be transferred to the Transferee Company.
- 10.4 It is further provided that upon the Scheme coming into effect, all taxes payable by the Transferor Companies and all or any refunds and claims, from the Appointed Date shall, for all purposes, be treated as the tax liabilities or refunds and claims, as the case may be of the Transferee Company. Accordingly, upon the Scheme becoming effective, the Transferor Companies and the Transferee Company are also expressly permitted to revise their Financial Statements, respective Income Tax Returns, TDS Returns, other tax/ statutory returns and to claim refunds, subsidy receivable, advance tax and withholding tax credits, benefits of credit for minimum alternative tax and carry forward of accumulated depreciation and losses as per books, if any, etc. pursuant to the provisions of this Scheme. In other words, all existing and future incentives, unavailed credits and exemptions, carried forward losses of all types under the IT Act including unabsorbed depreciation for the purpose of minimum alternative tax computation and other statutory benefits and credit for minimum alternative tax under the IT Act, excise (including Modvat / Cenvat), customs, taxes under GST regulation etc. to which the Transferor Companies are entitled to shall be available to and vest in the Transferee Company.
- 10.5 In accordance with the Cenvat Rules framed under the Central Excise Act, 1944, GST regulations as per prevalent on the Effective Date and any other indirect tax as may be prevalent on the effective date, the unutilized credits relating to the VAT, GST paid on inputs/work-in-progress/capital goods lying in the accounts of the Transferor Companies, service tax credits, GST credits and any other indirect tax credits shall be permitted to be transferred to the credit of the Transferee Company as if all such unutilized credits were lying to the account of the Transferee Company. The Transferee Company shall accordingly be entitled to set off all such unutilized credits against the excise duty, amount payable under GST regulation or any other tax liability as may be permissible under the respective laws.
- 10.6 Upon the Scheme coming into effect, the Transferee Company is expressly permitted to revise its financial statements and returns along with prescribed forms, filings and annexures under the IT Act (including for minimum alternate tax purposes and tax benefits), service tax law, GST regulations and other tax laws, and to claim refunds and/or credits for taxes paid (including minimum alternate tax), and to claim tax benefits under the IT Act which includes but not limited to the amount disallowed in the hands of the Transferor Companies under Section 43B or 40(a) of the IT Act for the financial

years prior to the Appointed Date shall be eligible to be claimed by the Transferee Company on fulfillment of the conditions as laid down in Section 43B or 40(a) of the IT Act etc. and other tax laws and for matters incidental thereto, if required to give effect to the provisions of this Scheme.

- 10.7 Without prejudice to the generality of the above, all benefits including under Income Tax, Sales Tax, Excise Duty, Customs Duty, service tax, VAT, GST etc., to which the Transferor companies is entitled to in terms of the applicable tax laws of the Union and State Governments, shall be available to and vest in the Transferee company.

11. EFFECT OF SCHEME

The Scheme shall not have any adverse effect on any key managerial personnel, directors, promoters, non-promoter members, creditors or any employee, if any, of the Transferor Companies or the Transferee Company. The Scheme shall also not have any effect on material interests of any of directors and key managerial personnel of Transferor Companies or the Transferee Company. As stated above, any outstanding amounts payable by the Transferor Companies shall stand transferred onto the Transferee Company and shall be payable by the Transferee Company. Further, the services of all transferred employees, if any, and managerial personnel of the Transferor Companies to the Transferee Company will be treated as having been continuous for the purpose of the aforesaid employee benefits and / or liabilities.

12. INTER-SE TRANSACTIONS

Without prejudice to the provisions of Clause 7 above, with effect from the Appointed Date, all inter-party transactions/arrangements between the Transferor Companies as the case may be and the Transferee Company shall be considered as intra-party transactions/arrangements for all purposes. For the removal of doubt, it is clarified that upon the Scheme coming into effect and with effect from the Appointed Date, to the extent there are inter-corporate loans, deposits, investments, obligation, balances or other outstanding as between the Transferor Companies inter-se and/or the Transferee Company, the obligations in respect thereof or any other arrangements shall come to an end. Any tax payment whether by way of deduction at source, advance tax or otherwise howsoever, on such intercompany transaction(s)/payment(s) post the Appointed Date by either of the Transferor Companies shall be deemed to be advance tax paid by the Transferee Company. There shall be no liability in that behalf and corresponding effect shall be given in the books of account and records of the Transferee Company for the reduction of such assets or liabilities as the case may be.

13. CONTRACTS, DEEDS, LICENSES ETC.

- 13.1 Upon the Scheme coming into effect and subject to the provisions hereof, all contracts, deeds, bonds, agreements, schemes, arrangements, assurances and other instruments of whatsoever nature to which the Transferor Companies as the case may be are a party or to the benefit of which the Transferor Companies may be eligible and which are subsisting or have effect immediately before the Appointed Date, shall continue in full force and effect on or against or in favour of, as the case may be, and be enforced as fully and effectually as if, instead of the Transferor Companies, the Transferee Company had been party or beneficiary or oblige thereto or thereunder.

- 13.2 Without prejudice to the other provisions of this Scheme and notwithstanding the fact that vesting of the Undertaking occurs by virtue of this Scheme itself, the Transferee Company may, at any time after the coming into effect of this Scheme in accordance with the provisions hereof, if so required under any law or otherwise, take such actions and execute such deeds (deeds of adherence), confirmations or other writings or arrangements with any party to any contract or arrangements to which the Transferor Companies are party or any writings as may be necessary in order to give formal effect to the provisions of this Scheme. The Transferee Company shall, under the provisions of this Scheme, be deemed to be authorized to execute any such writings on behalf of the Transferor Companies and to carry out or perform all such formalities or compliances referred to above on the part of the Transferor Companies to be carried out or performed.
- 13.3 For the avoidance of doubt and without prejudice to the generality of the foregoing, it is clarified that upon the coming into effect of this Scheme, all consents, permissions, rights, statutory licenses, certificates, clearances, authorities, powers of attorney given by, issued to or executed in favour of any of the Transferor Companies shall stand transferred to the Transferee Company, as if the same were originally given by, issued to or executed in favour of the Transferee Company, and the Transferee Company shall be bound by the terms thereof, the obligations and duties thereunder and the rights and benefits under the same shall be available to the Transferee Company. The Transferee Company shall receive relevant approvals from the concerned Government Authorities as may be necessary in this behalf.
- 13.4 Upon the coming into effect of this Scheme and with effect from the Appointed Date, any statutory licenses, leasehold rights, permissions or approvals or consents held by the Transferor Companies and required to carry on operations or any business of the Transferor Companies shall stand vested in or transferred to the Transferee Company, without any further act or deed, and shall be appropriately mutated by the statutory authorities concerned therewith in favour of the Transferee Company. Statutory and regulatory permissions, licenses, registrations, leasehold rights, environmental approvals and consents including statutory licenses, permissions or approvals or consents required to carry on the operations of the Transferor Companies shall vest in and become available to the Transferee Company pursuant to the Scheme. Any no-objection certificates, licenses, permissions, consents, approvals, authorizations, registrations or statutory rights as are held by the Transferor Companies shall, as far as practicable and permitted, be deemed to constitute licenses, permissions, no-objection certificates, consents, approvals, authorities, registrations or statutory rights of the Transferee Company, and the relevant or concerned statutory authorities and licensors shall endorse and/or mutate or record the merger, so as to facilitate the continuation of operations of the Transferor Companies in the Transferee Company without any hindrance or let from the Appointed Date. The Transferee Company shall, under the provisions of this Scheme, be deemed to be authorized to execute any such documents or perform such actions to obtain aforesaid approvals or permissions.

14. LEGAL PROCEEDINGS

On and from the Appointed Date, all suits, actions and legal proceedings (hereinafter referred to as '**Proceedings**') by or against any of the Transferor Companies arising on or before the Effective Date shall be continued and/or enforced as desired by the Transferee Company and on and from the Effective Date, shall be continued and/or enforced by or against the Transferee Company as effectually and in the same manner and to the same extent as if the same had been instituted and/or pending and/or arising by or against the Transferee Company. The Transferee Company undertakes to continue to abide by any agreement/settlement, if any, entered into by the Transferor Companies with any union/employee of the any Transferor Companies.

15. CONDUCT OF BUSINESS TILL EFFECTIVE DATE

15.1 With effect from the Appointed Date and up to and including the Effective Date:

- (a) The Transferor Companies shall carry on and shall be deemed to have carried on all its business and activities as hitherto and shall hold and stand possessed of their respective Undertaking(s) on account of, and for the benefit of and in trust for, the Transferee Company.
- (b) All profits or incomes accruing or arising to the Transferor Companies, and all expenditure or losses arising or incurred (including all taxes, if any, paid or accruing in respect of any profit and income) by the Transferor Companies shall, for all purposes, be treated and be deemed to be and accrued as the profits or incomes or as the case may be, expenditure or losses (including taxes) of the Transferee Company.
- (c) All assets howsoever acquired by the Transferor Companies for carrying on its business, operations or activities and the liabilities relating thereto shall be deemed to have been acquired and are also contracted for and on behalf of the Transferee Company.
- (d) All taxes (including income tax, excise duty, customs duty, GST etc.) paid or payable by the Transferor Companies in respect of the operations and/or the profits of their respective businesses before the Appointed Date, shall be deemed to be on account of the Transferee Company and, in so far as it relates to tax payment (including, without limitation, excise duty, custom duty, income tax, GST, etc.), whether by way of deduction at source, advance tax or otherwise howsoever, by the Transferor Companies in respect of the profits or activities or operation of their respective businesses after the Appointed Date, the same shall be deemed to be the corresponding amount paid by the Transferee Company and shall, in all proceedings be dealt accordingly.
- (e) Any of the rights, powers, authorities and privileges attached or related or pertaining to and exercised by or available to the Transferor Companies shall be deemed to have been exercised by the Transferor Companies, for and on behalf of and as agent for the Transferee Company. Similarly, any of the obligations, duties and commitments attached, related or pertaining to their Undertaking that has been undertaken or discharged by the Transferor Companies shall be deemed to have been undertaken

or discharged for and on behalf of and as agent of the Transferee Company.

15.2 With effect from the date of filing of this Scheme with the NCLT and up to and including the Effective Date:

(a) The Transferor Companies shall preserve and carry on its business and activities with reasonable diligence and business prudence and shall not undertake any financial commitments of any nature whatsoever, borrow any amounts nor incur any liabilities or expenditure, issue any additional guarantees, indemnities, letters of comfort or commitments either for itself or on behalf of its group companies or any third party or sell, transfer, alienate, charge, mortgage or encumber or deal with their respective Undertakings or any part thereof save and except in each case in the following circumstances:

- (i) if the same is in its ordinary course of business as carried on by it as on date of filing of this Scheme with the NCLT; or
- (ii) if the same is permitted by this Scheme; or
- (iii) if the same is with respect to any contracts/ agreement/ arrangements / obligation subsisting as on the date of filing of this Scheme with the NCLT; or
- (iv) if consent of the Transferee Company has been obtained.

(b) Without the prior consent of the Transferee Company, the Transferor Companies shall not take, enter into, perform or undertake, as applicable (i) any material decision in relation to its business and affairs and operations (ii) any agreement or transaction (other than an agreement or transaction in ordinary course of the Transferor Companies's business); and (iii) such other matters as the Transferee Company may notify from time to time.

15.3 Without prejudice to the above, the Transferor Companies from the date of filing this Scheme with the NCLT shall not make any change in its capital structure, whether by way of increase (by issue of equity shares on a rights basis, bonus shares or otherwise), decrease, reduction, reclassification, subdivision or consolidation, reorganization, or in any other manner which may, in any way, affect the Share Exchange Ratio except under any of the following circumstances:

- a) By mutual consent of the respective Board of Directors of the Transferor Companies and the Transferee Company; or
- b) By way of any obligation already subsisting as on the date of filing this Scheme with the NCLT.

15.4 The Transferee Company shall also be entitled, pending sanction of the Scheme, to apply to the NCLT, State Government, and all other agencies, departments and statutory authorities concerned, wherever necessary, for such consents, approvals and sanctions which the Transferee Company may require including the registration, approvals, exemptions, reliefs, etc., as may be required / granted under any law for the time being in force for carrying on business of the Transferor Companies.

16. EMPLOYEES

16.1 Upon coming into effect of this Scheme:

- (a) The permanent employees, if any, of the Transferor Companies who are in employment as on the Effective Date shall become the employees of the Transferee Company with effect from the Effective Date, i.e. from the appointed date, without any break or interruption in service and on terms and conditions as to employment and remuneration not less favorable than those on which they are engaged or employed by the Transferor Companies. The Transferee Company undertakes to continue to abide by any agreement/settlement, if any, entered into by any Transferor Companies with any union/employee of the Transferor Companies.
- (b) The existing provident fund, gratuity fund, pension and/or superannuation fund or trusts or retirement funds or benefits created by the Transferor Companies or any other special funds created or existing for the benefit of the concerned employees of the Transferor Companies (collectively referred to as "Funds"), if any, and the investment made out of such Funds shall, at an appropriate stage, be transferred to the Transferee Company to be held for the benefit of the concerned employees of the Transferor Companies. The Funds shall, subject to the necessary approvals and permission and at the discretion of the Transferee Company, either be continued as separate funds of the Transferee Company for the benefit of the employees of the Transferor Companies or be transferred to and merged with other similar funds of the Transferee Company. In the event that the Transferee Company does not have its own fund with respect to any such Funds, the Transferee Company may, subject to necessary approvals and permissions, continue to maintain the existing Funds separately and contribute therein, until such time as the Transferee Company creates its own funds into which the Funds and the investments and contributions pertaining to the employees of the Transferor Companies shall be transferred to such funds of the Transferee Company.

16.2 With effect from the date of filing of this Scheme with the NCLT and up to and including the Effective Date the Transferor Companies shall not vary or modify the terms and conditions of employment of any of its employees, except with the written consent of the Transferee Company.

16.3 It is clarified that the services of all transferred staff, workmen and employees of the Transferor Companies to the Transferee Company will be treated as having been continuous for the purpose of the aforesaid employee benefits and/or liabilities. For the purpose of payment of any retrenchment compensation, gratuity, and/or other terminal benefits, and/or any other liability pertaining to staff, workmen and employees, the past services of such staff, workmen and employees with the Transferor Companies shall also be taken into account by the Transferee Company, who shall pay the same as and when payable.

17. SAVING OF CONCLUDED TRANSACTIONS

Subject to the terms of this Scheme, the transfer and the vesting of the Undertaking(s) of the Transferor Companies under Clause 7 of this Scheme shall not affect any transactions or proceedings already concluded by the Transferor Companies on or before the Appointed Date or after the Appointed Date till the Effective Date, to the end and intent that the Transferee Company accepts and adopts all acts, deeds and things made, done and executed by the Transferor Companies as acts, deeds and things made, done and executed by or on behalf of the Transferee Company.

18. OTHERS

18.1 On and from the Effective Date, and thereafter, the Transferee Company shall be entitled to operate all bank accounts of the Transferor Companies and realize all monies and enforce all pending contracts and transactions and to issue credit notes in respect of the Transferor Companies in the name of the Transferee Company in so far as may be necessary until the transfer of rights and obligations of the Transferor Companies to the Transferee Company under this Scheme have been formally given effect to under such contracts and transactions.

18.2 All cheques and other negotiable instruments, payment orders received in the name of Transferor Companies after the Effective Date shall be accepted by the Bankers of the Transferee Company and credited to the account of the Transferee Company, if presented by the Transferee Company as pertaining to the Transferor Companies;

18.3 Since each of the permissions, approvals, consents, sanctions, remissions, special reservations, holidays, incentives, concessions and other authorisations in relation to the Transferor Companies, shall stand transferred by the order of the NCLT to the Transferee Company, the Transferee Company shall file the relevant intimations, for the record of the statutory authorities who shall take them on file, pursuant to the vesting orders of the NCLT.

18.4 The Transferee Company will have the right to use all intellectual property rights including trademarks and Brands, domain names, service marks, colour schemes, logo, records, files, papers, engineering and process information, computer programmes, manuals, data, catalogues, quotations, sales and advertising materials, lists of present and former customers patents, copy rights, technical know-how, designs, design registrations, etc. relating to the Business of the Transferor Companies.

19. CONSIDERATION

19.1 The entire issued and paid-up equity share capital of the Transferor Companies is held by the Transferee Company and its nominees. Accordingly, the shares held by the Transferee Company in the Transferor Companies shall, on and from the end of the Transition Period, be cancelled or shall be deemed to have been cancelled without any further act or deed, and accordingly, no shares of the Transferee Company shall be issued to the shareholders of the Transferor Companies in lieu of the said amalgamation.

19.2 The shares of the Transferor Companies, in relation to the shares held by its members, shall without any further application, act, instrument or deed be deemed to have been automatically cancelled and be of no effect on and from the end of the Transition Period.

20. ACCOUNTING TREATMENT

20.1 Accounting Treatment in the books of Transferee Company

Notwithstanding anything to the contrary herein, upon this Scheme becoming effective, the Transferee Company shall account the transaction in accordance with the applicable accounting standards specified under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, or any other relevant or related requirement under the Act, as applicable on the Effective Date.

Upon coming into effect of this scheme, the Transferee Company shall account for the amalgamation in its books of accounts in accordance with 'pooling of interests method' of accounting as laid down in the Indian Accounting Standard (IND AS) 103 – Business Combinations and relevant clarifications issued by Institute of Chartered Accountants of India.

20.2 Accounting Treatment in the books of Transferor Companies

As the Transferor Companies shall stand dissolved without being wound up upon the Scheme becoming effective, hence there is no accounting treatment prescribed under this Scheme in the books of the Transferor Companies.

21. VALIDITY OF EXISTING RESOLUTIONS, ETC.,

Upon the coming into effect of this Scheme, resolutions, if any, of the Transferor Companies, which are valid and subsisting on the Effective Date, shall continue to be valid and subsisting and be considered as resolutions of the Transferee Company and if any such resolutions have any monetary limits approved under the provisions of the Act, or any other applicable statutory provisions, then the said limits shall be added to the limits, if any, under like resolutions passed by the Transferee Company and shall constitute the aggregate of the said limits in the Transferee Company.

22. CONSOLIDATION OF AUTHORISED CAPITAL

22.1 Upon this Scheme becoming effective, the authorized share capital of the Transferee Company shall automatically stand increased without any further act, instrument or deed, by the Authorised share capital of the Transferor Companies, amounting in aggregate to Rs. 60,00,00,000/- (Rupees Sixty Crores only) divided into 55,00,00,000 Equity Shares of Rs. 1/- each amounting to Rs. 55,00,00,000/- (Rupees Fifty-Five Crores Only) and 50,00,000 Cumulative Redeemable Preference Shares of Rs. 10/- each amounting to Rs. 5,00,00,000/- (Rupees Five Crores only).

22.2 The memorandum and articles of association of the Transferee Company (relating to authorised share capital) shall without any further act, instrument or deed, be and stand altered, modified and

amended, and the consent of the shareholders to the Scheme shall be deemed to be sufficient for the purpose of effecting this amendment, and no further resolution(s) under any other applicable provisions of the Act would be required to be separately passed, as the case may be and for this purpose the stamp duty and fees paid on the authorised capital of the Transferor Companies shall be utilised and applied to the increased authorised share capital of the Transferee Company and there would be no requirement for any other further payment of stamp duty and / or fee by the Transferee Company for increase in the authorised share capital to that extent. Pursuant to the Scheme becoming effective and consequent upon the amalgamation of the Transferor Companies into the Transferee Company, the authorised share capital of the Transferee Company will be as under:

PART – III

GENERAL TERMS AND CLAUSES

23. DISSOLUTION WITHOUT WINDING UP

Upon this Scheme becoming effective, the Transferor Companies shall, without any further, act, or deed, stand dissolved without going through the process of winding up upon such terms as the NCLT may direct or determine.

On and with effect from the effective date, the name of the Transferor Companies shall be struck off from the records of the relevant Registrar of Companies.

The Transferor Companies and the Transferee Company shall with all reasonable dispatch, make all applications/ petitions under Section 230 to Section 232 and other applicable provisions of the Act to the NCLT for sanctioning of this scheme and for the dissolution of the Transferor Companies without winding up under the provisions of law, and obtain all approvals as may be required thereunder.

24. APPLICATIONS TO THE NCLT

24.1 The Transferor Companies and the Transferee Company shall make all necessary joint applications/petitions to the NCLT under Sections 232 read with Section 230 and other applicable provisions of the Act, for seeking its approval of this Scheme and all matters ancillary or incidental thereto, as may be necessary to give effect to the terms of this Scheme.

24.2 On this Scheme being agreed by the requisite majority of members and creditors of the respective Transferor Companies and the Transferee Company, the Transferor Companies and the Transferee Company shall apply to the NCLT for sanction of this Scheme under Section 232 read with Section 230 of the Act and other applicable provisions of the Act, and for such other order, or orders, as the NCLT may deem fit for carrying this Scheme into effect.

24.3 Upon this Scheme becoming, effective, the respective shareholders of the Transferor Companies and the Transferee Company shall be deemed to have also accorded their approval under all relevant provisions of the Act for giving effect to the provisions contained in this Scheme.

24.4 It is hereby clarified that filing of the Scheme to the NCLT and to any authorities for their respective approvals is without prejudice to all rights, interest, titles and defenses that the companies have or may have under or pursuant to all applicable laws.

24.5 The Transferor Companies and the Transferee Company shall also take such other steps as may be necessary or expedient to give full and formal effect to the provisions of this Scheme, including making the required RoC filings.

24.6 The Transferee Company and the Transferor Companies shall be entitled, pending the sanction of the Scheme, to apply to any Appropriate Authority, if required, under any law for such consents and approvals which the Transferee Company may require to own the Undertaking and to carry on the business of the Transferor

Companies and provide such intimations to the Appropriate Authority wherever required.

25. MODIFICATIONS OR AMENDMENTS TO THIS SCHEME

25.1 The Transferor Companies and the Transferee Company, by their respective Boards, may make and consent to any modification(s) or amendment(s) to this Scheme or to any conditions or limitations that the NCLT or any other authority may deem fit to direct or impose or which may otherwise be considered necessary, desirable or appropriate by them, provided that any such modification(s) or amendment(s) to this Scheme after the approval of this Scheme by the NCLT shall be subject to the prior approval of the NCLT. The Transferor Companies and the Transferee Company by their respective Boards, shall be authorised to take all such steps as may be necessary, desirable or proper to resolve any doubts, difficulties or questions whether by reason of any directive or orders of any other authorities or otherwise howsoever arising out of or under or by virtue of this Scheme or any matter concerned or connected therewith.

25.2 For the purpose of giving effect to this Scheme or to any modification(s) or amendment(s) thereof or additions thereto, the directors of the Transferee Company may give and is hereby authorised to determine and give all such directions as are necessary, including directions for settling or removing any question of doubt or difficulty that may arise and such determination or directions, as the case may be, shall be binding on all parties, in the same manner as if the same were specifically incorporated in this Scheme.

26. SCHEME CONDITIONAL ON APPROVALS AND SANCTIONS

This Scheme is conditional upon and subject to:

- (a) Approval by requisite majority of the members and/ or creditors of the Transferor Companies and the Transferee Company as the Act provides from time to time or as may be directed by the NCLT;
- (b) Approval of this Scheme by the NCLT, whether with any modification or amendment as the NCLT may deem appropriate or otherwise; and
- (c) The certified copies of the NCLT's orders sanctioning this Scheme being filed with the Registrar of Companies, Telangana at Hyderabad by the Transferor Companies and the Transferee Company.

27. EFFECT OF NON-RECEIPT OF APPROVALS

27.1 In the event that this Scheme is not sanctioned by the NCLT or in the event any of the consents, approvals, permissions, resolutions, agreements, sanctions or conditions specified in this Scheme are not obtained or complied with or this Scheme cannot be implemented for any other reason, this Scheme shall stand revoked and cancelled and shall have no effect, and each of the Transferor Companies and the Transferee Company shall bear its own costs, charges and expenses in connection with this Scheme, unless otherwise mutually agreed.

27.2 In the event of non-receipt of approval of any lender or creditor for the transfer of any liability, then at the option of the Board of the Transferee Company, it may issue a security or recognize a liability in favour of the lender or the creditor, as the case may be, on the same terms.

27.3 The transfer of such asset or liability shall become effective from the Appointed Date as and when the requisite approvals are received or the liability or security abovementioned be recognized or issued and the provisions of this Scheme shall apply appropriately to the said transfer, recognition and issue.

28. COSTS

All costs, charges and expenses including stamp duty and registration fee of any deed, document, instrument or NCLT's order including this Scheme or in relation to or in connection with negotiations leading up to this Scheme and of carrying out and implementing the terms and provisions of this Scheme and incidental to the completion of scheme of Amalgamation in pursuance of this Scheme shall be borne and paid by the Transferee Company. The Transferee Company shall be eligible for deduction of expenditure incurred as per section 35DD of the IT Act.

29. MISCELLANEOUS

29.1 After the transfer, the combined assets shall be sufficient to meet the combined liabilities of the Transferee Company and the said Scheme will not adversely affect the rights of any of the creditors of any of the Companies in any manner whatsoever and the assets of the amalgamated company (i.e. the Transferee Company) shall be sufficient for payment of all liabilities as and when the same fall due in usual course.

29.2 In the event of non-fulfillment of any or all obligations under the Scheme by any company towards the other company, inter-se or to third parties and non-performance of which will put the other company under any obligation, then such company will indemnify the other company in respect of all costs/interests, etc.

29.3 On the approval of the Scheme by the members of the Transferor Companies and the Transferee Company pursuant to Section 232 read with Section 230 of the Act, it shall be deemed that the said members have also accorded all relevant consents under other provisions of the Act to the extent the same may be considered applicable for the purpose of this Scheme.

29.4 It is the intention of the parties that any Part of the Scheme, as may be mutually decided by the Board of each of Parties, shall be severable from the remainder of the Scheme, and the Scheme shall not be affected by such alteration.

INDEPENDENT AUDITORS' REPORT

To,
The Members,
Liberty Pesticides & Fertilizers Limited,

Report on the Financial Statements

We have audited the accompanying financial statements of Liberty Pesticides & Fertilizers Limited (the Company), which comprise the Balance Sheet as at March 31, 2021, and the Statement of Profit and Loss and Cash Flow Statement for the year ended on above date, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Management is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards notified under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies(Accounts)Rules,2014. This responsibility also includes maintenance of adequate accounting records in accordance with the Act for safeguarding the assets of the Company and for detecting and preventing frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are responsible and prudent, and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India and specified under Section 143(10) of the Companies Act, 2013. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:

- in the case of the Balance Sheet, of the state of affairs of the Company as at March 31, 2021;
- in the case of the Statement of Profit and Loss, of the Profit for the year ended on that date; and
- in the case of the Cash Flow Statement, of the cash flows of the Company for the year ended on that date.

Report on Other Legal and Regulatory Requirements

- As required by the Companies (Auditor's Report) Order, 2015("the Order") issued by the Central Government of India in terms of Section 143(11) of the Act, we report that in absence of any transaction during the year statement on the matters specified in paragraphs 3 and 4 of the Order is not applicable.
- As required by the Companies Act, 2013 in terms of Clause (1) of Sub-section 3 of Section 143 of the Act, we report that in absence of any transaction during the year our Report on the Internal Financial Controls over Financial Reporting is not applicable.
- As required by Indian Accounting Standards 101, as followed by the company, the financial Statements and related notes comply with Indian Accounting Standards.
- As required by Section 143(3) of the Act we report that:
 - We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - In our opinion, proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;
 - The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account;
 - In our opinion, the Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement comply with Accounting Standards notified under section 133 of the Companies Act, 2013.
 - On the basis of the written representations received from the directors as on March 31, 2021 and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2021, from being appointed as a director in terms of sub-section (2) of section 164 of the Companies Act, 2013.

COROMANDEL SQM (INDIA) PRIVATE LIMITED

ACCOUNTS FOR THE PERIOD ENDED 31st MARCH 2021

INDEPENDENT AUDITOR'S REPORT

To The Members of Coromandel SQM (India) Private Limited

Report on the Ind AS Financial Statements

Opinion

We have audited the standalone financial statements of **Coromandel SQM (India) Private Limited** ("the Company"), which comprise the balance sheet as at 31st March 2021, and the statement of Profit and Loss, (statement of changes in equity) and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, and profit/loss, for the year ended on that date.

Basis for Opinion

We conduct our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information [or another title if appropriate, such as "Information Other than the Financial Statements and Auditor's Report Thereon"]

The Company's Board of Directors is responsible for the other information. The other information comprises the board's report, annexures to Annual return included in the Annual report but does not include the Financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that are operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements

A further description of our responsibilities for the audit of the financial statements is included in Appendix A of this auditor's report forms part of our auditor's report

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in Annexure B a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief are necessary for the purposes of our audit.
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books
- (c) The Balance Sheet, the Statement of Profit and Loss and the Cash Flow Statement dealt with by this Report are in agreement with the books of account
- (d) In our opinion, the aforesaid standalone financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (e) On the basis of the written representations received from the directors as on 31st March, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2021 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure C".
- (g) The Company has not paid any managerial remuneration and hence reporting on the compliance with the provisions of section 197 read with Schedule V to the Act does not arise.
- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us
 - i. The Company does not have any pending litigations which would impact its financial position.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there are any material foreseeable losses.
 - iii. There are no amounts which are required to be transferred to the Investor Education and Protection Fund by the Company

ANNEXURE 'A'

Auditor's Responsibilities for the Audit of the Ind AS Financial Statements

As part of an audit in accordance with SAs, we exercised professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

ANNEXURE 'C'

**ANNEXURE TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE
STANDALONE FINANCIAL STATEMENTS OF COROMANDEL SQM (INDIA) PRIVATE
LIMITED**

**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the
Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of COROMANDEL SQM (INDIA) PRIVATE LIMITED ("the Company") as of March 31, 2021 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India". These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for my / our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that :-

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In my / our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

The Company maintains an allowance for impairment of doubtful accounts based on financial condition of the customer, ageing of the customer accounts receivable, available collateral and historical experience of collections from customers.

The company maintains an expected credit loss (%) as '0', from the above outstanding due. By considering the past years there is no major impact on company due to bad debts.

Trade receivables disclosed above include amounts that are past due at the end of the reporting period for which the Company has not recognised an allowance for doubtful debts because there has not been a significant change in credit quality and the amounts are still considered recoverable.

COROMANDEL SQM (INDIA) PRIVATE LIMITED

NOTE:27

Accompanying Notes to Financial Statements for the Year Ended 31st March 2021:

1 General information

Coromandel SQM (India) Private Limited (“the Company”) is a private limited company incorporated under the Companies Act in India. It is a subsidiary of Coromandel International Limited, holding 100% of the Paid up Share Capital of the Company.

The address of its registered office and principal place of business are disclosed in the annual report.

The Company has one manufacturing facilities located in Kakinada, Andhra Pradesh for Manufacture of Water SoluableFertilisers.

2 Significant Accounting Policies:

2.1 Statement of compliance

The standalone financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under the Section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015 and other relevant provisions of the Act.

2.2 Basis of preparation and presentation

The financial statements have been prepared on the historical cost basis except for certain financial instruments that are measured at fair values at the end of each reporting period

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

The principal accounting policies are set out below.

2.3 Revenue recognition

Revenue is measured at the fair value of the consideration received or receivable.

2.3.1 Sale of goods

- Sale of goods is recognized net of returns and trade discounts, when the control over the goods is transferred to the customers. Revenue is also recognized on sale of goods in case where the delivery is kept pending at the instance of the customer, the control is transferred and customer takes title and accepts billing as per usual payment terms.

2.3.2 Rendering of services

- Income from services rendered is recognized based on the agreements/arrangements with the concerned parties and when services are rendered.

2.3.3 Dividend and interest income

- Dividend income from investments is recognized in the year in which the right to receive the payment is established.

- Interest income from a financial asset is recognized when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

2.3.4 Insurance Claims

Insurance claims are accounted for on the basis of claims admitted/ expected to be admitted and to the extent that the amount recoverable can be measured reliably and it is reasonable to expect ultimate collection.

2.4 Leasing

The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (i) the contract involves the use of an identified asset (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Company has the right to direct the use of the asset. At the date of commencement of the lease, the Company recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

The right-of-use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses. Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases.

2.5 Foreign currencies

In preparing the financial statements of the Company, transactions in currencies other than the entity's functional currency (foreign currencies) are recognised at the rates of exchange prevailing at the dates of the transactions. At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rates prevailing at that date. Non-monetary items carried at fair value that are denominated in foreign currencies are retranslated at the rates prevailing at the date when the fair value was determined. Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated

Exchange differences on monetary items are recognised in profit or loss in the period in which they arise except for exchange differences on transactions entered into in order to hedge certain foreign currency risks.

2.6 Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale.

Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalization.

All other borrowing costs are recognised in profit or loss in the period in which they are incurred.

2.7 Employee benefits

2.7.1 Defined contribution plans

Payments to defined contribution retirement benefit plans are recognised as an expense when employees have rendered service entitling them to the contributions.

Gratuity for certain employees is covered under a Scheme of Life Insurance Corporation of India (LIC) and contributions in respect of such scheme are recognized in the Statement of Profit and Loss. The liability as at the Balance Sheet date is provided for based on the actuarial valuation carried out as at the end of the year.

Contributions paid/payable to defined contribution plans comprising of Superannuation (under a scheme of Life Insurance Corporation of India) for certain employees covered under the respective Schemes are recognised in the Statement of Profit and Loss each year.

2.7.2 Defined benefit plans

For defined benefit retirement benefit plans, the cost of providing benefits is determined using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. Remeasurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding net interest), is reflected immediately in the balance sheet with a charge or credit recognised in other comprehensive income in the period in which they occur. Remeasurement recognised in other comprehensive income is reflected immediately in retained earnings and not reclassified to profit or loss. Past service cost is recognised in profit or loss in the period of a plan amendment. Net interest is calculated by applying the discount rate at the beginning of the period to the net defined benefit liability or asset. Defined benefit costs are categorized as follows:

- Service cost (including current service cost, past service cost, as well as gains and losses on curtailments and settlements);
- Net interest expense or income; and
- Remeasurement

The Company presents the first two components of defined benefit costs in profit or loss in the line item 'Employee benefits expense'. Curtailment gains and losses are accounted for as past service costs.

The retirement benefit obligation recognised in the Balance Sheet represents the actual deficit or surplus in the Company's defined benefit plans. Surplus resulting from this calculation is limited to the present value of any economic benefits available in the form reductions in future contributions to the plans.

2.7.3 Short-term employee benefits

A liability is recognised for benefits accruing to employees in respect of wages and salaries, annual leave and sick leave in the period the related service is rendered at the undiscounted amount of the benefits expected to be paid in exchange for that service.

Liabilities recognised in respect of short-term employee benefits are measured at the undiscounted amount of the benefits expected to be paid in exchange for the related service.

2.7.4 Other long-term employee benefits

Other Long term employee benefit comprise of Leave encashment which is provided for based on the actuarial valuation carried out as at the end of the year.

Liabilities recognised in respect of other long-term employee benefits are measured at the present value of the estimated future cash outflows expected to be made by the Company in respect of services provided by employees up to the reporting date.

2.8 Earnings per share

The Company presents basic and diluted earnings per share (“EPS”) data for its equity shares. Basic EPS is calculated by dividing the profit or loss attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. Diluted EPS is determined by adjusting the profit or loss attributable to equity shareholders and the weighted average number of equity shares outstanding for the effects of all dilutive potential equity shares.

2.9 Taxation

Income tax expense represents the sum of the tax currently payable and deferred tax.

- **Current tax**

Current tax represents tax currently payable based on taxable profit for the year determined in accordance with the provisions of the Income tax Act, 1961. Taxable profit differs from ‘profit before tax’ as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company’s current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

- **Deferred tax**

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

- **Current and deferred tax for the year**

Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively. Where current tax or deferred tax arises from the initial accounting for a business combination, the tax effect is included in the accounting for the business combination.

2.10 Property, plant and equipment

Plant and machinery, Land and buildings and other items of plant and equipment’s held for use in the production or supply of goods or services, or for administrative purposes, are stated in the balance sheet at cost less accumulated depreciation and accumulated impairment losses.

Properties in the course of construction for production, supply or administrative purposes are carried at cost, less any recognised impairment loss. Cost includes purchase price, attributable expenditure incurred in bringing the asset to its working condition for the intended use and professional fees and, for qualifying assets, borrowing costs capitalized in accordance with the Company's accounting policy. Such properties are classified to the appropriate categories of property, plant and equipment when completed and ready for intended use. Depreciation of these assets, on the same basis as other property assets, commences when the assets are ready for their intended use.

Fixtures and equipment are stated at cost less accumulated depreciation and accumulated impairment losses.

Depreciation is provided on the straight-line method as per the useful life prescribed in Schedule II to the Companies Act 2013, except in respect of following Categories of assets in whose case the life of certain assets has been assessed based on technical advice taking into account the nature of the asset, the estimated usage of the asset, the operating condition of the asset, past history of replacement, maintenance etc.

Asset	Useful lives (in years)
Factory Buildings	15
Office Buildings	15

The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

Assets costing INR 5,000 and below are depreciated over a period of one year.

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in profit or loss.

2.11 Inventories

Inventories are stated at the lower of cost and net realizable value. Net realizable value represents the estimated selling price for inventories less all estimated costs of completion and costs necessary to make the sale.

Packing materials are valued at or below cost. Raw materials and other inventories are valued at lower of cost and net realizable value. The method of determination of cost of various categories of inventories is as follows:

1. Raw materials & Packing materials – First-in-First-out basis. Cost includes purchase cost and other attributable expenses.
2. Finished goods and Work-in-process – Weighted average cost of production which comprises of direct material costs, direct wages and applicable overheads.
3. Stock-in-trade – First-in-First-out basis

2.12 Provisions, Contingent liabilities and Contingent assets

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the

present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognised as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

A contingent asset is a possible asset that may arise because of a gain that is contingent on future events that are not under an entity's control. Existence of the contingent asset is required to be disclosed when the inflow of economic benefits is probable.

2.13 Financial instruments

Financial assets and financial liabilities are recognized when the Company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

2.14 Derivative financial instruments

The Company enters into a variety of derivative financial instruments to manage its exposure to interest rate and foreign exchange rate risks, including foreign exchange forward contracts, option contracts and interest rate swaps.

Derivatives are initially recognised at fair value at the date the derivative contracts are entered into and are subsequently remeasured to their fair value at the end of each reporting period. The resulting gain or loss is recognised in profit or loss immediately unless the derivative is designated and effective as a hedging instrument, in which event the timing of the recognition in profit or loss depends on the nature of the hedging relationship and the nature of the hedged item.

The effective portion of changes in the fair value of derivatives that are designated and qualify as cash flow hedges are recorded in other comprehensive income net of applicable deferred income taxes. The gain or loss relating to the ineffective portion is recognized immediately in the statement of income. The cumulative gain or loss previously recognized in other comprehensive income remains there until the forecast transaction occurs. When the hedged item is a non-financial asset, the amount recognized in other comprehensive income is transferred to the carrying amount of the asset when it is recognized. In other cases the amount recognized in other comprehensive income is transferred to profit or loss in the same period that the hedged item affects profit or loss. Hedge accounting is discontinued when the hedging instrument expires or is sold, terminated or exercised, or no longer qualifies for hedge accounting. If a hedged transaction is no longer expected to occur, the net cumulative gain or loss recognized in the other comprehensive income is transferred to statement of income.

2.15 Critical accounting judgements and key sources of estimation uncertainty

In the application of the Company's accounting policies, which are described in note 27, the directors of the Company are required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated

assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

INDEPENDENT AUDITOR'S REPORT

To The Members of Coromandel International Limited Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of Coromandel International Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2021, and the Statement of Profit and Loss (including Other Comprehensive Income), Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, and its profit, total comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified

under Section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Directors' Report and Management Discussion and Analysis, but does not include

the consolidated financial statements, standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic

decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account.
 - d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act.
 - e) On the basis of the written representations received from the directors as on March 31, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2021 from being appointed as a director in terms of Section 164(2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such

controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.

- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of Section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid/payable by the Company to the Managing director during the year is in accordance with the provisions of Section 197 of the Act and the remuneration paid/payable in respect of the whole-time director is subject to the approval of shareholders in the ensuing general meeting of the Company.
 - h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
2. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 1(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **Coromandel International Limited** (“the Company”) as of March 31, 2021 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the criteria for internal financial control over financial reporting established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

The executive leadership team reviews the results of our operations and our financial position on consolidated, operating segment and business unit levels. Our operating segments are defined by the organisation

and reporting structure through which we operate our business. We categorise our operating segments into Nutrient and other allied business, and Crop Protection.

The Company has 17 manufacturing facilities located across India. The Company also operates a network of retail outlets across Andhra Pradesh, Telangana, Karnataka and Maharashtra. The Company's products are marketed all over the Country through an extensive network of dealers and its own retail centers. The crop protection products are exported to various countries.

2. Significant Accounting Policies

2.1 Statement of compliance

The financial statements which comprise the Balance Sheet, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement, and the Statement of Changes in Equity ("financial statements") have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Section 133 of the Companies Act, 2013 ("the Act"), Companies (Indian Accounting Standards) Rules, 2015, along with relevant amendment rules issued thereafter and other relevant provisions of the Act, as applicable. The Company has consistently applied accounting policies to all periods.

2.2 Basis of preparation and presentation

The financial statements have been prepared on the historical cost basis except for certain financial instruments that are measured at fair values at the end of each reporting period, and on accrual basis

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purposes in these financial statements is determined on such a basis, except for share-based payment transactions that are within the scope of Ind AS 102, leasing transactions that are within the scope of Ind AS 116, and measurements that have some similarities to fair value but are not fair value, such as net realisable value in Ind AS 2 or value in use in Ind AS 36.

Standalone Notes

forming part of the financial statements (Contd.)

(₹ in lakhs, unless otherwise stated)

In addition, for financial reporting purposes, fair value measurements are categorized into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the asset or liability.

Based on the nature of activities of the Company and the average time between acquisition of assets and their realisation in cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

The principal accounting policies are set out below.

2.3 Revenue recognition

Revenue is measured at the fair value of the consideration received or receivable.

- a) Sale of goods is recognised net of returns and trade discounts, when the control over the goods is transferred to the customers. The performance obligation in case of sale of goods is satisfied at a point in time i.e., when the goods are shipped to the customers or on delivery to the customer, as per applicable terms.
- b) The Company recognizes subsidy income as per Ind AS 20 'Accounting for Government Grants and Disclosure of Government Assistance' on the basis of the rates notified from time to time by the Government of India in accordance with the Nutrient Based Subsidy (NBS) policy on the quantity of fertilisers sold by the Company for the period for which notification has been issued and for the remaining period, based on estimates, when there is a reasonable assurance that the Company will comply with all necessary conditions attached to Subsidy.
- c) Income from services rendered is recognised based on the agreements/arrangements with the concerned parties and when services are rendered by measuring progress towards satisfaction of performance obligation for such services.

- d) Export benefits and other excise benefits are accounted for on accrual basis.

2.4 Other Income

- a) Dividend income from investments is recognised in the year in which the right to receive the payment is established.
- b) Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

2.5 Leasing

The Company, at the inception of a contract, assesses whether the contract is a lease or not lease. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a time in exchange for a consideration. This policy has been applied to contracts existing and entered into on or after 1 April 2019.

The Company recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received.

The right-of-use asset is subsequently amortised using the straight-line method from the commencement date to the end of the lease term.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the Company's incremental borrowing rate. It is remeasured when there is a change in future lease payments arising from a change in an index or rate, if there is a change in the Company's estimate of the amount expected to be payable under a residual value guarantee, or if the Company changes its assessment of whether it will exercise a purchase, extension or termination option. When the lease liability is remeasured in this way, a corresponding adjustment is made to the carrying amount of the right-of-use asset, or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero.

B88

Standalone Notes

forming part of the financial statements (Contd.)

(₹ in lakhs, unless otherwise stated)

The Company has elected not to recognise right-of-use assets and lease liabilities for short-term leases that have a lease term of 12 months or less and leases of low-value assets. The Company recognises the lease payments associated with these leases as an expense over the lease term

2.6 Insurance claims

Insurance claims are accounted for on the basis of claims admitted/ expected to be admitted and to the extent that the amount recoverable can be measured reliably and it is reasonable to expect ultimate collection.

2.7 Functional and presentation currency

Items included in the financial statements of the Company are measured using the currency of the primary economic environment in which the entity operates (i.e., the "functional currency"). The financial statements are presented in Indian Rupee (₹), the national currency of India, which is the functional currency of the Company and rounded to the nearest Lakhs.

2.8 Foreign currencies

Foreign currency transactions are recorded at exchange rates prevailing on the date of the transaction or at rates that closely approximate the rate at the date of transactions. The date of transaction for the purpose of determining the exchange rate on initial recognition of the related asset, expense or income (part of it) is the date on which the entity initially recognises the non-monetary asset or non-monetary liability arising from payment or receipt of advance consideration. Foreign currency denominated monetary assets and liabilities are restated into the functional currency using exchange rates prevailing on the balance sheet date. Gains and losses arising on settlement and restatement of foreign currency denominated monetary assets and liabilities are recognised in the statement of profit and loss. Non-monetary assets and liabilities that are measured in terms of historical cost in foreign currencies are not translated.

2.9 Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale.

Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalization.

All other borrowing costs are recognised in profit or loss in the period in which they are incurred.

210. Employee benefits

2.10.1 Defined contribution plans

Contributions paid/payable to defined contribution plans comprising of Superannuation (under a scheme of Life Insurance Corporation of India) and Provident Funds for certain employees covered under the respective Schemes are recognised in the profit or loss each year when employees have rendered service entitling them to the contributions.

The Company makes contributions to two Provident Fund Trusts for certain employees, at a specified percentage of the employees' salary. The Company has an obligation to make good the shortfall, if any, between the return from the investments of trust and the notified interest rates. Liability on account of such shortfall, if any, is provided for based on the actuarial valuation carried out as at the end of the year.

2.10.2 Defined benefit plans

The Company's Gratuity scheme for its employees is a defined benefit retirement plan. Obligation under the gratuity scheme is covered under a Scheme of Life Insurance Corporation of India (LIC) and contributions in respect of such scheme are recognized in the profit or loss. The liability as at the Balance Sheet date is provided for using the projected unit credit method, with actuarial valuations being carried out as at the end of the year.

Defined benefit costs are categorized as follows:

- service cost (including current service cost, past service cost, as well as gains and losses on curtailments and settlements);
- net interest expense or income; and
- remeasurement

The Company presents the first two components of defined benefit costs in profit or loss in the line item 'Employee benefits expense'. Curtailment gains and losses are accounted for as past service costs. Net interest is calculated by applying the discount rate at the beginning of the period to the net defined benefit liability or asset.

Remeasurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding net interest), is reflected immediately in the balance sheet with a charge or credit recognised in other comprehensive income in the period in which they occur. Remeasurement

Standalone Notes

forming part of the financial statements (Contd.)

(₹ in lakhs, unless otherwise stated)

recognised in other comprehensive income is reflected immediately in retained earnings and is not reclassified to profit or loss.

2.10.3 Short-term employee benefits

Short term employee benefits including accumulated compensated absences as at the Balance Sheet date are recognised as an expense as per Company's schemes based on expected obligation on an undiscounted basis.

2.10.4 Other long-term employee benefits

Other Long term employee benefit comprise of leave encashment which is provided for based on the actuarial valuation carried out as at the end of the year.

Liabilities recognised in respect of other long-term employee benefits are measured at the present value of the estimated future cash outflows expected to be made by the Company in respect of services provided by employees up to the reporting date.

2.11 Share-based payment arrangements

Equity-settled share-based payments to employees and others providing similar services are measured at the fair value of the equity instruments at the grant date.

The fair value determined at the grant date of the equity-settled share-based payments is expensed on a straight-line basis over the vesting period, based on the Company's estimate of equity instruments that will eventually vest, with a corresponding increase in equity. At the end of each reporting period, the Company revises its estimate of the number of equity instruments expected to vest. The impact of the revision of the original estimates, if any, is recognised in profit or loss such that the cumulative expense reflects the revised estimate, with a corresponding adjustment to the equity-settled employee benefits reserve.

2.12 Earnings per share

The Company presents basic and diluted earnings per share ("EPS") data for its equity shares. Basic EPS is calculated by dividing the profit or loss attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. Diluted EPS is determined by adjusting the profit or loss attributable to equity shareholders and the weighted average number of equity shares outstanding for the effects of all dilutive potential equity shares.

2.13 Taxation

Income tax expense represents the sum of the tax currently payable and deferred tax.

• Current tax

Current tax is determined as the amount of tax payable in respect of taxable income for the year as determined in accordance with the applicable tax rates and the provisions of the Income-tax Act, 1961.

• Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

• Current and deferred tax for the year

Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

2.14 Property, plant and equipment

Property, plant and equipment are stated in the Balance Sheet at cost less accumulated depreciation and accumulated impairment losses, if any. Cost includes purchase price, attributable expenditure incurred in bringing the asset to its working condition for the intended use and cost of borrowing till the date of

B90

Standalone Notes

forming part of the financial statements (Contd.)

(₹ in lakhs, unless otherwise stated)

capitalization in the case of assets involving material investment and substantial lead time.

Properties in the course of construction for production, supply or administrative purposes are carried at cost, less any recognized impairment loss. Depreciation of these assets, on the same basis as other property assets, commences when the assets are ready for their intended use.

Depreciation is provided on the straight-line method as per the useful life prescribed in Schedule II to the 2013 Act except in respect of following categories of assets in whose case the life of certain assets has been assessed based on technical advice taking into account the nature of the asset, the estimated usage of the asset, the operating condition of the asset, past history of replacement, maintenance support etc.

Asset	Useful lives (in years)
Plant and equipment	5 – 25
Vehicles	5 – 7
Office equipment, furniture and fixtures	3 – 5

The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis. Assets individually costing ₹ 5,000 and below are depreciated over a period of one year. Land is not depreciated.

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in profit or loss.

2.15 Biological assets

The Company recognises neem plantation as Biological assets and are carried at historical cost of acquisition less accumulated depreciation and accumulated impairment losses, if any. Subsequent expenditure on biological assets are added to its book value only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably.

Cost incurred for new plantations are capitalised and depreciated over their estimated useful life which has been ascribed to be 20 years.

2.16 Intangible assets

Intangible assets are carried at cost, net of accumulated amortization and impairment losses, if any. Cost of an intangible asset comprises of purchase price and attributable expenditure on making the asset ready for its intended use.

Intangible assets are amortized on the straight-line method. Technical know-how is amortized over their estimated useful lives ranging from 5-10 years and product registration is amortized over the period of the registration subject to a maximum of 10 years.

An intangible asset is derecognized on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from derecognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, are recognized in profit or loss when the asset is derecognized.

2.17 Impairment of tangible and intangible assets

The Company assesses at each reporting date whether there is an indication that an asset/cash generating unit may be impaired. If any indication exists the Company estimates the recoverable amount of such assets and if carrying amount exceeds the recoverable amount, impairment is recognized. The recoverable amount is the higher of the net selling price and its value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using an appropriate discount factor. When there is indication that previously recognized impairment loss no longer exists or may have decreased such reversal of impairment loss is recognized in the profit or loss.

2.18 Inventories

Stores and spares, packing materials are valued at or below cost. Raw materials and other inventories are valued at lower of cost and net realizable value. Net realizable value represents the estimated selling price (including subsidy income, where applicable) of inventories less all estimated costs of completion and costs necessary to make the sale.

The method of determination of cost of various categories of inventories is as follows:

1. Stores and spares and packing materials – Weighted average cost.
2. Raw material – First-in-First-out basis. Cost includes purchase cost and other attributable expenses.

Standalone Notes

(₹ in lakhs, unless otherwise stated)

3. Finished goods and Work-in-process – Weighted average cost of production which comprises of direct material costs, direct wages and applicable overheads.
4. Stock-in-trade – Weighted average cost

2.19 Exceptional item

Significant gains/losses or expenses incurred arising from external events that is not expected to recur are disclosed as 'Exceptional item'.

2.20 Provisions, contingent liabilities and contingent assets

Provisions are recognized only when there is a present obligation as a result of past events and when a reasonable estimate of the amount of obligation can be made. The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

Contingent liabilities are disclosed for (i) possible obligation which will be confirmed only by future events not wholly within the control of the Company or (ii) present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made. Contingent assets are neither recognized nor disclosed in the financial statements.

2.21 Financial instruments

Financial assets and financial liabilities are recognized when the Company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognized immediately in profit or loss.

2.22 Financial assets

All regular way purchases or sales of financial assets are recognized and derecognized on a trade date basis. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the time frame established by regulation or convention in the marketplace.

All recognized financial assets are subsequently measured in their entirety at either amortized cost or fair value, depending on the classification of the financial assets.

2.22.1 Classification of financial assets

Debt instruments that meet the following conditions are subsequently measured at amortized cost (except for debt instruments that are designated as at fair value through profit or loss on initial recognition):

- the asset is held within a business model whose objective is to hold assets in order to collect contractual cash flows; and
- the contractual terms of the instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Debt instruments that meet the following conditions are subsequently measured at fair value through other comprehensive income (FVTOCI) (except for debt instruments that are designated as at fair value through profit or loss on initial recognition):

- the asset is held within a business model whose objective is achieved both by collecting contractual cash flows and selling financial assets; and
- the contractual terms of the instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Interest income is recognized in profit or loss for FVTOCI debt instruments. For the purposes of recognizing foreign exchange gains and losses, FVTOCI debt instruments are treated as financial assets measured at amortized cost. Thus, the exchange differences on the amortized cost are recognized in profit or loss and other changes in the fair value of FVTOCI financial assets are recognized in other comprehensive income and accumulated under the heading of 'Reserve for debt instruments

Standalone Notes

forming part of the financial statements (Contd.)

(₹ in lakhs, unless otherwise stated)

through other comprehensive income'. When the investment is disposed of, the cumulative gain or loss previously accumulated in this reserve is reclassified to profit or loss.

All other financial assets are subsequently measured at fair value.

2.22.2 Effective interest method

The effective interest method is a method of calculating the amortized cost of a debt instrument and of allocating interest income over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash receipts (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the debt instrument, or, where appropriate, a shorter period, to the net carrying amount on initial recognition.

Income is recognized on an effective interest basis for debt instruments other than those financial assets classified as at FVTPL. Interest income is recognized in profit or loss and is included in the "Other income" line item.

2.22.3 Investments in subsidiaries, joint ventures and associates

On initial recognition, these investments are recognized at fair value plus any directly attributable transaction cost. Subsequently, they are measured at cost.

2.22.4 Investments in equity instruments at FVTOCI

On initial recognition, the Company can make an irrevocable election (on an instrument-by-instrument basis) to present the subsequent changes in fair value in other comprehensive income pertaining to investments in equity instruments. This election is not permitted if the equity investment is held for trading. These elected investments are initially measured at fair value plus transaction costs. Subsequently, they are measured at fair value with gains and losses arising from changes in fair value recognized in other comprehensive income and accumulated in the 'Reserve for equity instruments through other comprehensive income'. The cumulative gain or loss is not reclassified to profit or loss on disposal of the investments.

A financial asset is held for trading if:

- it has been acquired principally for the purpose of selling it in the near term; or

- on initial recognition it is part of a portfolio of identified financial instruments that the Company manages together and has a recent actual pattern of short-term profit-taking; or
- it is a derivative that is not designated and effective as a hedging instrument or a financial guarantee.

Dividends on these investments in equity instruments are recognized in profit or loss when the Company's right to receive the dividends is established, it is probable that the economic benefits associated with the dividend will flow to the entity, the dividend does not represent a recovery of part of cost of the investment and the amount of dividend can be measured reliably. Dividends recognized in profit or loss are included in the 'Other income' line item.

2.22.5 Financial assets at fair value through profit or loss (FVTPL)

Investments in equity instruments are classified as at FVTPL, unless the Company irrevocably elects on initial recognition to present subsequent changes in fair value in other comprehensive income for investments in equity instruments which are not held for trading.

Debt instruments that do not meet the amortized cost criteria or FVTOCI criteria are measured at FVTPL. In addition, debt instruments that meet the amortized cost criteria or the FVTOCI criteria but are designated as at FVTPL are measured at FVTPL.

A financial asset that meets the amortized cost criteria or debt instruments that meet the FVTOCI criteria may be designated as at FVTPL upon initial recognition if such designation eliminates or significantly reduces a measurement or recognition inconsistency that would arise from measuring assets or liabilities or recognizing the gains and losses on them on different bases. The Company has not designated any debt instrument as at FVTPL.

Financial assets at FVTPL are measured at fair value at the end of each reporting period, with any gains or losses arising on remeasurement recognized in profit or loss. The net gain or loss recognized in profit or loss incorporates any dividend or interest earned on the financial asset and is included in the 'Other income' line item. Dividend on financial assets at FVTPL is recognized when the Company's right to receive the dividends is established, it is probable that the economic benefits associated with the dividend will flow to the entity, the dividend does not represent a recovery of part of cost of the investment and the amount of dividend can be measured reliably.

2.22.6 Impairment of financial assets

The Company applies the expected credit loss model for recognizing impairment loss on financial assets measured at amortized cost, debt instruments at FVTOCI, lease receivables, trade receivables, other contractual rights to receive cash or other financial asset, and financial guarantees not designated as at FVTPL.

Expected credit losses are the weighted average of credit losses with the respective risks of default occurring as the weights. Credit loss is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the Company expects to receive (i.e. all cash shortfalls), discounted at the original effective interest rate (or credit-adjusted effective interest rate for purchased or originated credit-impaired financial assets). The Company estimates cash flows by considering all contractual terms of the financial instrument through the expected life of that financial instrument.

The Company measures the loss allowance for a financial instrument at an amount equal to the lifetime expected credit losses if the credit risk on that financial instrument has increased significantly since initial recognition. If the credit risk on a financial instrument has not increased significantly since initial recognition, the Company measures the loss allowance for that financial instrument at an amount equal to 12-month expected credit losses. 12-month expected credit losses are portion of the life-time expected credit losses and represent the lifetime cash shortfalls that will result if default occurs within the 12 months after the reporting date and thus, are not cash shortfalls that are predicted over the next 12 months.

If the Company measured loss allowance for a financial instrument at lifetime expected credit loss model in the previous period, but determines at the end of a reporting period that the credit risk has not increased significantly since initial recognition due to improvement in credit quality as compared to the previous period, the Company again measures the loss allowance based on 12-month expected credit losses.

When making the assessment of whether there has been a significant increase in credit risk since initial recognition, the Company uses the change in the risk of a default occurring over the expected life of the financial instrument instead of the change in the amount of expected credit losses. To make that assessment, the Company compares the risk of a default occurring on the financial instrument as at the reporting date with the risk of a default occurring on the financial instrument as at the

date of initial recognition and considers reasonable and supportable information, that is available without undue cost or effort, that is indicative of significant increases in credit risk since initial recognition.

For trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 115, the Company always measures the loss allowance at an amount equal to lifetime expected credit losses.

Further, for the purpose of measuring lifetime expected credit loss allowance for trade receivables, the Company has used a practical expedient as permitted under Ind AS 109. This expected credit loss allowance is computed based on a provision matrix which takes into account historical credit loss experience and adjusted for forward-looking information.

The impairment requirements for the recognition and measurement of a loss allowance are equally applied to debt instruments at FVTOCI except that the loss allowance is recognized in other comprehensive income and is not reduced from the carrying amount in the balance sheet.

2.22.7 Derecognition of financial assets

The Company derecognizes a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognizes its retained interest in the asset and an associated liability for amounts it may have to pay. If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognize the financial asset and also recognizes a collateralized borrowing for the proceeds received.

On derecognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognised in other comprehensive income and accumulated in equity is recognized in profit or loss if such gain or loss would have otherwise been recognised in profit or loss on disposal of that financial asset.

On derecognition of a financial asset other than in its entirety, the Company allocates the previous carrying amount of the financial asset between the part it continues to recognize under continuing involvement, and the part it no longer recognises on the basis of the relative fair values of those parts on the date of the transfer. **B94**

Standalone Notes

forming part of the financial statements (Contd.)

(₹ in lakhs, unless otherwise stated)

The difference between the carrying amount allocated to the part that is no longer recognised and the sum of the consideration received for the part no longer recognised and any cumulative gain or loss allocated to it that had been recognised in other comprehensive income is recognised in profit or loss if such gain or loss would have otherwise been recognised in profit or loss on disposal of that financial asset. A cumulative gain or loss that had been recognised in other comprehensive income is allocated between the part that continues to be recognised and the part that is no longer recognised on the basis of the relative fair values of those parts.

2.22.8 Foreign exchange gains and losses

The fair value of financial assets denominated in a foreign currency is determined in that foreign currency and translated at the spot rate at the end of each reporting period.

- For foreign currency denominated financial assets measured at amortized cost and FVTPL, the exchange differences are recognised in profit or loss except for those which are designated as hedging instruments in a hedging relationship.
- Changes in the carrying amount of investments in equity instruments at FVTOCI relating to changes in foreign currency rates are recognised in other comprehensive income.
- For the purposes of recognizing foreign exchange gains and losses, FVTOCI debt instruments are treated as financial assets measured at amortized cost. Thus, the exchange differences on the amortized cost are recognized in profit or loss and other changes in the fair value of FVTOCI financial assets are recognised in other comprehensive income.

2.23. Financial liabilities and equity instruments

2.23.1 Classification as debt or equity

Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

2.23.2 Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Company are recognised at the proceeds received, net of direct issue costs.

Repurchase of the Company's own equity instruments is recognised and deducted directly in equity. No gain or loss is recognised in profit or loss on the purchase, sale, issue or cancellation of the Company's own equity instruments.

2.23.3 Financial liabilities

All financial liabilities are subsequently measured at amortised cost using the effective interest method or at FVTPL.

However, financial liabilities that arise when a transfer of a financial asset does not qualify for derecognition or when the continuing involvement approach applies, financial guarantee contracts issued by the Company, and commitments issued by the Company to provide a loan at below-market interest rate are measured in accordance with the specific accounting policies set out below.

Financial liabilities at FVTPL

Financial liabilities are classified as at FVTPL when the financial liability is either contingent consideration recognised by the Company as an acquirer in a business combination to which Ind AS 103 applies or is held for trading or it is designated as at FVTPL.

A financial liability is classified as held for trading if:

- it has been incurred principally for the purpose of repurchasing it in the near term; or
- on initial recognition it is part of a portfolio of identified financial instruments that the Company manages together and has a recent actual pattern of short-term profit-taking; or
- It is a derivative that is not designated and effective as a hedging instrument.

A financial liability other than a financial liability held for trading or contingent consideration recognised by the Company as an acquirer in a business combination to which Ind AS 103 applies, may be designated as at FVTPL upon initial recognition if:

- such designation eliminates or significantly reduces a measurement or recognition inconsistency that would otherwise arise;
- the financial liability forms part of group of financial assets or financial liabilities or both, which is managed and its performance is evaluated on a fair value basis, in accordance with the Company's documented risk management or investment strategy, and information about the grouping is provided internally on that basis; or

Standalone Notes

forming part of the financial statements (Contd.)

(₹ in lakhs, unless otherwise stated)

- It forms part of a contract containing one or more embedded derivatives, and Ind AS 109 permits the entire combined contract to be designated as at FVTPL in accordance with Ind AS 109.

Financial liabilities at FVTPL are stated at fair value, with any gains or losses arising on remeasurement recognised in profit or loss. The net gain or loss recognised in profit or loss incorporates any interest paid on the financial liability and is included in the 'Other income' line item.

However, for non-held-for-trading financial liabilities that are designated as at FVTPL, the amount of change in the fair value of the financial liability that is attributable to changes in the credit risk of that liability is recognised in other comprehensive income, unless the recognition of the effects of changes in the liability's credit risk in other comprehensive income would create or enlarge an accounting mismatch in profit or loss, in which case these effects of changes in credit risk are recognised in profit or loss. The remaining amount of change in the fair value of liability is always recognised in profit or loss. Changes in fair value attributable to a financial liability's credit risk that are recognised in other comprehensive income are reflected immediately in retained earnings and are not subsequently reclassified to profit or loss.

Gains or losses on financial guarantee contracts and loan commitments issued by the Company that are designated by the Company as at fair value through profit or loss are recognised in profit or loss.

Financial liabilities subsequently measured at amortized cost

Financial liabilities that are not held-for-trading and are not designated as at FVTPL are measured at amortized cost at the end of subsequent accounting periods. The carrying amounts of financial liabilities that are subsequently measured at amortized cost are determined based on the effective interest method. Interest expense that is not capitalized as part of costs of an asset is included in the 'Finance costs' line item.

The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts)

through the expected life of the financial liability, or (where appropriate) a shorter period, to the net carrying amount on initial recognition.

Financial guarantee contracts

A financial guarantee contract is a contract that requires the issuer to make specified payments to reimburse the holder for a loss it incurs because a specified debtor fails to make payments when due in accordance with the terms of a debt instrument.

Financial guarantee contracts issued by the Company are initially measured at their fair values and, if not designated as at FVTPL, are subsequently measured at the higher of:

- the amount of loss allowance determined in accordance with impairment requirements of Ind AS 109;
- the amount initially recognised less, when appropriate, the cumulative amount of income recognised in accordance with the principles of Ind AS 115.

Foreign exchange gains and losses

For financial liabilities that are denominated in a foreign currency and are measured at amortized cost at the end of each reporting period, the foreign exchange gains and losses are determined based on the amortized cost of the instruments and are recognised in 'Other income'.

The fair value of financial liabilities denominated in a foreign currency is determined in that foreign currency and translated at the spot rate at the end of the reporting period. For financial liabilities that are measured as at FVTPL, the foreign exchange component forms part of the fair value gains or losses and is recognised in profit or loss.

Derecognition of financial liabilities

The Company derecognizes financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. An exchange between with a lender of debt instruments with substantially different terms is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. Similarly, a substantial modification of the terms of an existing financial liability (whether or not attributable to the financial difficulty of the debtor) is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. The difference between the carrying amount of the

B96

Standalone Notes

forming part of the financial statements (Contd.)

(₹ in lakhs, unless otherwise stated)

financial liability derecognized and the consideration paid and payable is recognised in profit or loss.

2.24 Derivative financial instruments

The Company enters into a variety of derivative financial instruments to manage its exposure to interest rate and foreign exchange rate risks, including foreign exchange forward contracts, option contracts and interest rate swaps.

Derivatives are initially recognised at fair value at the date the derivative contracts are entered into and are subsequently remeasured to their fair value at the end of each reporting period. The resulting gain or loss is recognised in profit or loss immediately unless the derivative is designated and effective as a hedging instrument, in which event the timing of the recognition in profit or loss depends on the nature of the hedging relationship and the nature of the hedged item.

The effective portion of changes in the fair value of derivatives that are designated and qualify as cash flow hedges are recorded in other comprehensive income net of applicable deferred income taxes. The gain or loss relating to the ineffective portion is recognized immediately in the statement of income. The cumulative gain or loss previously recognized in other comprehensive income remains there until the forecast transaction occurs. When the hedged item is a non-financial asset, the amount recognized in other comprehensive income is transferred to the carrying amount of the asset when it is recognized. In other cases the amount recognized in other comprehensive income is transferred to profit or loss in the same period that the hedged item affects profit or loss. Hedge accounting is discontinued when the hedging instrument expires or is sold, terminated or exercised, or no longer qualifies for hedge accounting. If a hedged transaction is no longer expected to occur, the net cumulative gain or loss recognized in the other comprehensive income is transferred to statement of income.

2.25 Critical accounting judgements and key sources of estimation uncertainty

In the application of the Company's accounting policies the directors of the Company are required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

2.25.1 Critical judgements in applying accounting policies

The following are the critical judgements, apart from those involving estimations, that the directors have made in the process of applying the Company's accounting policies and that have the most significant effect on the amounts recognized in the financial statements.

Revenue recognition

In making their judgment, the management considered the detailed criteria for the recognition of revenue from the sale of goods set out in Ind AS 115 and, in particular, whether the Company had transferred control over the goods to the buyer.

2.25.2 Key sources of estimation uncertainty

The following are the key assumptions concerning the future, and other key sources of estimation uncertainty at the end of the reporting period that may have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

Standalone Notes

forming part of the financial statements (Contd.)

(₹ in lakhs, unless otherwise stated)

Items requiring significant estimate	Assumption and estimation uncertainty
Useful lives of property, plant and equipment	The Company reviews the estimated useful lives of property, plant and equipment at the end of each reporting period. During the current year, there has been no change in life considered for the assets.
Fair value measurements and valuation processes	<p>Some of the Company's assets and liabilities are measured at fair value for financial reporting purposes. The valuation committee which is headed by the Chief Financial Officer of the Company determines the appropriate valuation techniques and inputs for fair value measurements.</p> <p>In estimating the fair value of an asset or a liability, the Company uses market-observable data to the extent it is available. Where Level 1 inputs are not available, the Company engages third party qualified valuers to perform the valuation. Finance team works closely with the qualified external valuers to establish the appropriate valuation techniques and inputs to the model. The Chief Financial Officer reports the valuation committee's findings to the board of directors of the Company annually to explain the cause of fluctuations in the fair value of the assets and liabilities.</p>
Revenue recognition	The Company provides customer incentives, such as rebates, based on quantity purchased, timing of collections etc. Various estimates are made to recognise the impact of rebates and other incentives on revenue. These estimates are made based on historical and forecasted data, contractual terms and current conditions.
Subsidy income and related receivables	Subsidy income has been recognized when there is reasonable assurance that the Company will comply with all necessary conditions attached to Subsidy including those under the Direct Benefit Transfer system which was introduced by the Government of India.
Provision for doubtful receivables	The Company makes provision for doubtful receivables based on a provision matrix which takes into account historical credit loss experience and adjusted for current estimates.
Estimation of net realisable value of inventories	Inventories are stated at the lower of cost and net realisable value. In estimating the net realisable value of inventories the Company makes an estimate of future selling prices, Subsidy and costs necessary to make the sale.
Provision for employee benefits	The Company uses actuarial assumptions to determine the obligations for employee benefits at each reporting period. These assumptions include the discount rate, expected long-term rate of return on plan assets, rate of increase in compensation levels and mortality rates.
Provision for taxes	Significant judgments are required in determining the provision for income taxes, including the amount expected to be paid/ recovered for uncertain tax positions.
Leases	Ind AS 116 defines a lease term as the non-cancellable period for which the lessee has the right to use the underlying asset including optional periods, when an entity is reasonably certain to exercise an option to extend (or not to terminate) a lease. The Company considers all relevant facts and circumstances that create an economic incentive for the lessee to exercise the option when determining the lease term. The option to extend the lease term are included in the lease term, if it is reasonably certain that the lessee will exercise the option. The Company reassess the option when significant events or changes in circumstances occur that are within the control of the lessee.

The credit period on sales of goods varies with seasons and business segments/ markets and generally ranges between 30 to 180 days. No interest is recovered on trade receivables for payments received after the due date.

Before accepting any new customer, the Company has a credit evaluation system to assess the potential customer's credit quality and to define credit limits for the customer. Credit limits attributed to customers are reviewed on an annual basis.

The Company maintains an allowance for impairment of doubtful accounts based on financial condition of the customer, ageing of the customer receivable and overdues, available collaterals and historical experience of collections from customers. Accordingly, the Company creates provision for past due receivables beyond 180 days ranging between 25%-100% after reckoning the underlying collaterals. Besides, based on the expected credit loss model the Company also provides upto 0.50% for receivables less than 180 days.

31. Segment information

31.1 Products and services from which reportable segments derive their revenues

The information reported to the Chief Operating Decision Maker (CODM) for the purpose of resource allocation and assessment of segment performance is based on types of goods and services. Accordingly, the Company's reportable segments under Ind AS 108 are as follows:

1. Nutrient and other allied business
2. Crop protection

The following is an analysis of the Company's revenue and results from operations by reportable segment:

	Segment revenue		Segment Profit	
	For the year ended 31 March 2021	For the year ended 31 March 2020	For the year ended 31 March 2021	For the year ended 31 March 2020
Nutrient and other allied business	12,20,694	11,55,003	1,68,485	1,50,725

32. Financial instruments

32.1 Capital management

The Company's capital management objective is to maximise the total shareholder return by optimising cost of capital through flexible capital structure that supports growth. Further, the Company ensures optimal credit risk profile to maintain/enhance credit rating.

The Company determines the amount of capital required on the basis of annual operating plan and long-term strategic plans. The funding requirements are met through internal accruals and long-term/short-term borrowings. The Company monitors the capital structure on the basis of Net debt to equity ratio and maturity profile of the overall debt portfolio of the Company.

For the purpose of capital management, capital includes issued equity capital, securities premium and all other reserves. Net debt includes all long and short-term borrowings as reduced by cash and cash equivalents and inter-corporate deposits with financial institutions.

32.3 Financial risk management objectives

The Company has adequate internal processes to assess, monitor and manage financial risks. These risks include market risk (including currency risk, interest rate risk and other price risk), credit risk and liquidity risk.

The Company seeks to minimise the effects of these risks by using financial instruments such as foreign currency forward contracts, option contracts, interest and currency swaps to hedge risk exposures and appropriate risk management policies as detailed below. The use of these financial instruments is governed by the Company's policies, which outlines principles on foreign exchange risk, interest rate risk, credit risk and deployment of surplus funds.

Item	Primarily affected by	Risk management policies	Refer
Market risk - currency risk	USD balances and exposure towards trade payables, buyer's credit, exports, short-term and long-term borrowings	Mitigating foreign currency risk using foreign currency forward contracts, option contracts and currency swaps	Note 32.4.1
Market risk - interest rate risk	Change in market interest rates	Maintaining a combination of fixed and floating rate debt; interest rate swaps for long-term borrowings; cash management policies	Note 32.4.2
Market risk - other price risk	Decline in value of equity instruments	Monitoring forecasts of cash flows; diversification of portfolio	Note 32.4.3
Credit risk	Ability of customers or counterparties to financial instruments to meet contractual obligations	Credit approval and monitoring practices; counterparty credit policies and limits; arrangements with financial institutions	Note 32.5
Liquidity risk	Fluctuations in cash flows	Preparing and monitoring forecasts of cash flows; cash management policies; multiple-year credit and banking facilities	Note 32.6

32.4 Market risk

The Company's financial instruments are exposed to market rate changes. The Company is exposed to the following significant market risks:

- Foreign currency risk
- Interest rate risk
- Other price risk

Market risk exposures are measured using sensitivity analysis. There has been no change to the Company's exposure to market risks or the manner in which these risks are being managed and measured.

32.4.1 Foreign currency risk management

The Company is exposed to foreign exchange risk on account of following:

1. Nutrient and other allied business has foreign exchange exposure for its imports of raw materials, intermediates and traded goods.
2. Crop Protection segment has foreign exchange exposure on both exports of finished goods and imports of raw materials, intermediates and traded goods.
3. Foreign currency borrowings in the form of buyers credit, packing credit etc. are availed for meeting its funding requirements.

The Company has a forex policy in place whose objective is to mitigate foreign exchange risk by deploying the appropriate hedging strategies through combination of various hedging instruments such as foreign currency forward contracts,

Standalone Notes

options contracts and has a dedicated forex desk to monitor the currency movement and respond swiftly to market situations. The Company follows netting principle for managing the foreign exchange exposure for each operating segment.

There are no long-term borrowings outstanding as on 31 March 2021 and 31 March 2020.

a. The carrying amounts of the Company's foreign currency denominated monetary assets and monetary liabilities based on gross exposure at the end of the reporting period is as under:

(₹ in lakhs, unless otherwise stated)

Foreign currency forward contracts designated as hedging instruments in cash flow hedges of forecast sales in USD are measured at fair value through OCI. While the Company enters into other foreign exchange forward contracts to reduce the foreign exchange risk, these other contracts are not designated in hedge relationships and are measured at FVTPL.

The terms of the hedging instruments match the terms of the forecast transactions. As a result, no hedge ineffectiveness arise requiring recognition through profit or loss.

e. Foreign currency sensitivity analysis

The Company is mainly exposed to fluctuations in US Dollar. The following table details the Company's sensitivity to a ₹1 increase and decrease against the US Dollar. ₹1 is the sensitivity used when reporting foreign currency risk internally to key management personnel and represents management's assessment of the reasonably possible change in foreign exchange rates. The sensitivity analysis includes only net outstanding foreign currency denominated monetary items and adjusts their translation at the period end for a ₹1 change in foreign currency rates. A positive number below indicates an increase in profit or equity where the Rupee strengthens by ₹1 against the US Dollar. For a ₹1 weakening against the US Dollar, there would be a comparable impact on the profit or equity.

32.4.2 Interest rate risk management

The Company issues commercial papers, draws working capital demand loans, avails cash credit, foreign currency borrowings including buyers credit, Packing Credit etc. for meeting its funding requirements.

Interest rates on these borrowings are exposed to change in respective benchmark rates. The Company manages the interest rate risk by maintaining appropriate mix/portfolio of the borrowings.

Interest rate sensitivity analysis

The sensitivity analysis below has been determined for borrowings assuming the amount of borrowings outstanding at the end of the reporting period was outstanding for the whole year. A 10 basis points increase or decrease in case of foreign currency borrowings and 50 basis points increase or decrease in case of rupee borrowings is used when reporting interest rate risk internally to key management personnel and represents management's assessment of the reasonably possible change in interest rates.

If interest rate had been 10 basis points higher/ lower in case of foreign currency borrowings and 50 basis points higher/ lower in case of rupee borrowings and all other variables were held constant, the Company's profit for the year ended 31 March 2021 would decrease/ increase by ₹1.09 lakhs (31 March 2020: ₹ 609 lakhs)

32.4.3 Other price risks

The Company is exposed to equity price risks arising from equity investments. Certain of the Company's equity investments are held for strategic rather than trading purposes. The Company also holds certain other equity investments for trading purposes.

a. Equity price sensitivity analysis

The sensitivity analysis below have been determined based on the exposure to equity price risks at the end of the reporting period.

Standalone Notes

forming part of the financial statements (Contd.)

(₹ in lakhs, unless otherwise stated)

If equity prices had been 5% higher/lower other comprehensive income/ equity for the year ended 31 March 2021 would increase/ decrease by ₹ 653 Lakhs (31 March 2020: ₹651 lakhs) as a result of the changes in fair value of equity investments measured at FVTOCI. The impact of change in equity price on profit or loss is not significant.

32.5 Credit risk management

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the Company. The Company is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities, including deposits with banks and financial institutions, foreign exchange transactions and other financial instruments.

Customer credit risk is managed by each business unit subject to the Company's established policy, procedures and control relating to the customer credit risk management. The Company uses financial information and past experience to evaluate credit quality of majority of its customers and individual credit limits are defined in accordance with this assessment. Outstanding receivables and the credit worthiness of its counterparties are periodically monitored and taken up on case to case basis. The Company evaluates the concentration of risk with respect to trade receivables as low, as its customers are located in several jurisdictions representing large number of minor receivables operating in independent markets.

The credit risk on cash and bank balances, derivative financial instruments is limited because the counterparties are banks with high credit ratings assigned by international credit rating agencies.

32.6 Liquidity risk management

The Company manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities. Note 32.8 sets out details of additional undrawn facilities that the Company has at its disposal to reduce liquidity risk.

The table below provides details regarding the contractual maturities of financial liabilities including estimated interest payments as at 31 March 2021:

Included in Borrowing and interest thereon are certain borrowings which are subject to variable interest rates. Amount included in the above maturity analysis assumes interest outflows based on the year end benchmark interest rates, the actual interest rates may differ based on the changes in the benchmark interest rates.

** Other financial liabilities include deposits received from customers amounting to ₹15,948 Lakhs (31 March 2020: ₹14,892 Lakhs). These deposits do not have a contractual re-payment term but are repayable on demand. Since, the Company does not have an unconditional right to defer the payment, these deposits have been classified as current balances. For including these amounts in the above mentioned maturity analysis, the Company has assumed that these deposits, including interest thereon, will be repayable at the end of the reporting period. The actual maturity period for the deposit amount and the interest thereon can differ based on the date on which these deposits are settled to the customers.

32.7 Financial guarantee contract

The Company has provided a sponsor guarantee for USD 41.1 million (proportionate to the shareholding of 15%) towards the borrowings of Tunisian Indian Fertilisers S.A. (TIFERT), a company based in Tunisia, manufacturing phosphoric acid. In March 2017, TIFERT has requested reschedulement of instalment due to the lenders and delayed the payment. The same was not agreed to by the Lenders and the acceleration notice was served on TIFERT by lenders on 28 March 2017. The loan instalment was immediately paid on 30 March 2017 by TIFERT. However, on 4 April 2017 the lenders followed up with call notice on shareholders towards guaranteed amount (Coromandel's share USD 35.25 million outstanding as on 31 March 2017). The Company alongwith other shareholders of TIFERT are in discussion with the Lenders to resolve the matter with regard to liquidity situation and operational improvements of TIFERT and also to find a solution for meeting the future debt obligations of TIFERT.

Considering the discussions held with Lenders and operational improvement achieved by TIFERT during the year, the Company reasonably considers that TIFERT would be in a position to meet the debt obligations and it is unlikely that

such an event of payment under guarantee amount will arise. TIFERT has paid the subsequent half-yearly instalments that were due as per the payment schedule. The sponsor guarantee was valid upto 31 March 2018. The Company's obligation under this corporate guarantee if that amount is claimed by the counterparty to the guarantee is subject to a maximum of ₹10,299 Lakhs (31 March 2020: ₹13,707 Lakhs).

32.8 Financing facilities

The Company has access to financing facilities of which ₹3,49,821 Lakhs (as at 31 March 2020: ₹3,10,699 Lakhs) were unused at the end of the reporting period. The Company expects to meet its other obligations from operating cash flows and proceeds of maturing financial assets.

32.9 Fair value measurements

Some of the Company's financial assets and financial liabilities are measured at fair value at the end of the reporting period. The following table gives information about how the fair values of these financial assets and financial liabilities are determined (in particular, the valuation techniques and inputs used):

Financial assets/financial liabilities	Fair Value as at*		Fair value hierarchy	Valuation techniques & key inputs used

A 10% increase/ decrease in the value of unquoted investments of the fund would increase/ decrease the carrying amount of investment by ₹15 lakhs (2020: ₹13 lakhs).
(b) Investments in unquoted equity instruments at FVTOCI	Discounted Cash Flow Method	Long-term growth rates, taking into account management's experience and knowledge of market conditions of the specific industries, ranging from 0 to 3% (2020: 0 to 2%)	If the long-term growth rates used were 100 basis points higher/lower while all the other variables were held constant, the carrying amount would increase/decrease by ₹1,203 lakhs (2020: ₹1,766 lakhs)
		Weighted average cost of capital (WACC) as determined ranging from 13% to 17% (2020: 12% to 16%)	A 100 basis points increase/decrease in the WACC or discount rate used while holding all other variables constant would decrease/increase the carrying amount by ₹1,335 lakhs (2020: ₹1,427 lakhs)
(c) Investments in unquoted equity instruments at FVTOCI	Market Multiple Approach	Discount for lack of marketability, determined by reference to the share price of listed entities in similar industries, ranging from 30% to 50% (2020: 30% to 50%)	A 10% increase/ decrease in the discount for lack of marketability used in isolation would decrease/ increase the carrying amount by ₹291 lakhs (2020: ₹206 lakhs)

1. In case of trade receivables, government subsidies receivables, cash and cash equivalents, trade payables, borrowings and other financial assets and liabilities it is assessed that the fair values approximate their carrying amounts largely due to the short-term maturities of these instruments.
2. The fair values of the financial assets and financial liabilities included above have been determined in accordance with generally accepted pricing models based on a discounted cash flow analysis, with the most significant inputs being the discount rate that reflects the credit risk of counterparties.

The gratuity plan is governed by the Payment of Gratuity Act, 1972. Employee who has completed five years of service is entitled to specific benefit depending on the employee's length of service and salary at retirement or relieving age. The fund has the form of trust and it is governed by the Board of Trustees which consists of employer and employee representatives. The Board of Trustees is responsible for the administration of plan assets.

The Board of Trustees reviews the level of funding and asset-liability matching strategy in the gratuity plan to keep the scheme adequately funded for settlement of obligations under the plan.

Gratuity for employees is covered under a scheme of Life Insurance Corporation of India (LIC) which is basically a year-on-year cash accumulation plan. As part of the scheme the interest rate is declared on yearly basis and is guaranteed for a period of one year. The insurance company, as part of the policy rules, makes payment of all gratuity settlements during the year subject to sufficiency of funds under the policy.

INDEPENDENT AUDITOR'S REPORT

To The Members of Coromandel International Limited Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of Coromandel International Limited ("the Parent") and its subsidiaries, (the Parent and its subsidiaries together referred to as "the Group") which includes Group's share of profit in its associate and joint ventures, which comprise the Consolidated Balance Sheet as at March 31, 2021, and the Consolidated Statement of Profit and Loss including Other Comprehensive Income, the Consolidated Cash Flow Statement and the Consolidated Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, and based on the consideration of reports of the other auditors on separate financial statements / financial information of the subsidiaries, associate and joint ventures referred to in the Other Matters section below, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ('Ind AS'), and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2021, and their consolidated profit, their consolidated total comprehensive income, their consolidated cash flows and their consolidated changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing specified under Section 143 (10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group, its associate and joint ventures in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in the sub-paragraphs (a) of the Other Matters section below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Sl.No.	Key Audit Matter	Auditor's Response
1	<p>Revenue Recognition – Sale of goods</p> <p>Refer to note 2.6 'Revenue recognition', note 2.31.1 'Critical judgements in applying accounting policies' and note 2.31.2 'Key sources of estimation uncertainty' to the consolidated financial statements.</p> <p>Revenue from sale of goods is recognised when the control of goods is transferred to the customers. In accordance with the accounting policy, control is transferred either when the product is delivered to the customer's site or when the product is shipped, depending on the applicable terms. The Management has exercised judgement in applying the revenue accounting policy while recognising revenue.</p>	<p>We have performed the following principal audit procedures in relation to revenue recognised by the Parent.</p> <ul style="list-style-type: none">• Understood the revenue recognition process, evaluated the design and implementation, and operating effectiveness of internal controls relating to revenue recognised.• Selected samples and tested the operating effectiveness of internal controls, relating to transfer of control. We carried out a combination of procedures involving enquiry, observation and inspection of evidence in respect of operation of these controls.• Tested the relevant information technology general controls, automated controls, and the related information used in recording and disclosing revenue.• In respect of the selected sample of transactions:<ul style="list-style-type: none">o Tested whether the revenue is recognised upon transfer of control to customer.

Sl.No.	Key Audit Matter	Auditor's Response
2	<p>Accuracy, recognition, measurement, valuation, presentation and disclosures of Subsidy income/Government subsidies and related receivables</p> <p>Refer to note 2.6 'Revenue recognition' and note 2.31.2 'Key sources of estimation uncertainty' to the consolidated financial statements.</p> <p>Subsidy income pertaining to the Nutrient and other allied business is recognised on the basis of the rates notified from time to time by the Department of Fertilisers, Government of India ('GOI') in accordance with the Nutrient Based Subsidy ('NBS') policy on the quantity of fertilisers sold by the Company for the period for which notification has been issued and for the remaining period, based on estimates, when there is a reasonable assurance that the Company will comply with all necessary conditions attached to Subsidy including Direct Benefit Transfer ('DBT') System which was introduced by Government of India.</p> <p>For the year ended March 31, 2021, subsidy income of ₹ 332,468 lakhs is recognised. Recognition and realisability of subsidy income is dependent on GOI Policy and its various initiatives/schemes.</p>	<ul style="list-style-type: none"> o We have evaluated the delivery and shipping terms of the contracts for revenue recognised during the period. o We have also tested the location stock reports from Company warehouses, where applicable, for confirmation on sales quantity made during the year. o We have tested on a sample basis (including for sales near to the period end) the acknowledgments of customers. In respect of sales of fertiliser products we have also agreed the quantities sold as per the Company books with the customer acknowledgements as per the iFMS portal of the Department of Fertilisers. <p>The following principal audit procedures have been performed by us in relation to subsidy income recognition.</p> <ul style="list-style-type: none"> • We have read the relevant circulars and notifications issued by GOI from time to time with regard to the subsidy policies. • We enquired with the relevant personnel in the Company with regard to the updates of GOI Policy and their interpretations of the relevant circulars and notifications. • Tested the relevant information technology general controls, automated controls, and the related information used in recording and disclosing subsidy income. • We have tested the NBS rates considered by the Company for the product subsidy with the applicable circulars and notifications. • We have correlated the sales quantity considered for subsidy income with the actual sales made by the Company. • We have also agreed the quantities sold as per the Company books with the customer acknowledgements as per the iFMS portal of the Department of Fertilisers and tested the DBT claims made by the Company. • We have enquired from the Management and discussed with Those Charged With Governance, the appropriateness of the subsidy rates applied to recognise subsidy income. <p>Valuation of subsidy receivables:</p> <p>Following are the principal audit procedures performed by us for testing valuation of subsidy receivables:</p> <ul style="list-style-type: none"> • We have analysed and discussed the status of outstanding subsidy receivables and its realisability with the Management. • We have tested the sanction notes received from the GOI for receipts. • We have tested the credits in the bank statements for the receipts during the year and also the subsequent receipts. • We have tested whether the deductions made by the GOI have been adjusted in the books of accounts.

Information Other than the Financial Statements and Auditor's Report Thereon

The Parent's Board of Directors is responsible for the other information. The other information comprises the information included in the Director's report and Management Discussion and Analysis, but does not include the consolidated financial statements, standalone financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information, compare with the financial statements of the subsidiaries, joint ventures and an associate audited by the other auditors, to the extent it relates to these entities and, in doing so, place reliance on the work of the other auditors and consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. Other information so far as it relates to the subsidiaries, joint ventures and an associate, is traced from their financial statements audited by the other auditors.

If based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Consolidated Financial Statements

The Parent's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated cash flows and consolidated changes in equity of the Group including its associate and joint ventures in accordance with the Ind AS and other accounting principles generally accepted in India. The respective Board of Directors of the companies included in the Group and of its associate and joint ventures are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and its associate and its joint ventures and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and

fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Parent, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group and of its associate and joint ventures are responsible for assessing the ability of the respective entities to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate their respective entities or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group and of its associate and joint ventures are also responsible for overseeing the financial reporting process of the Group and of its associate and joint ventures.

Auditor's Responsibility for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Parent has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associate and joint ventures to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associate and joint ventures to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and its associate and joint ventures to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such branches or entities or business activities included in the consolidated financial statements of which we are the independent auditors. For the other entities or business activities included in the consolidated financial statements, which have been audited by the other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.

We communicate with those charged with governance of the Parent and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including

any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

- (a) We did not audit the financial statements / financial information of nine subsidiaries, whose financial statements / financial information reflect total assets of ₹ 13,522 lakhs as at March 31, 2021, total revenues of ₹ 13,048 lakhs and net cash inflows amounting to ₹ 2,216 lakhs for the year ended on that date, as considered in the consolidated financial statements. The consolidated financial statements also include the Group's share of net profit of ₹ 10 lakhs for the year ended March 31, 2021, as considered in the consolidated financial statements, in respect of one associate and an joint venture, whose financial statements / financial information have not been audited by us. These financial statements / financial information have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, joint ventures and an associate, and our report in terms of subsection (3) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries, joint venture and an associate is based solely on the reports of the other auditors.

Five of these subsidiaries are located outside India whose financial statements and other financial information have been prepared in accordance with accounting principles generally accepted in their respective countries and which have been audited by other auditors under generally accepted auditing standards applicable in their respective countries. The Parent's management has converted the financial statements of such subsidiaries located outside India

from accounting principles generally accepted in their respective countries to accounting principles generally accepted in India. We have audited these conversion adjustments made by the Parent's management. Our opinion in so far as it relates to the balances and affairs of such subsidiaries located outside India is based on the report of other auditors and the conversion adjustments prepared by the management of the Parent and audited by us.

- (b) We did not audit the financial statements / financial information of five subsidiaries, whose financial statements / financial information reflect total assets of ₹ 328 lakhs as at March 31, 2021, total revenues of ₹ 263 lakhs and net cash outflows amounting to ₹ 45 lakhs for the year ended on that date, as considered in the consolidated financial statements. The consolidated financial statements also include the Group's share of net profit of ₹ 531 lakhs for the year ended March 31, 2021, as considered in the consolidated financial statements, in respect of a joint venture, whose financial statements / financial information have not been audited by us. These financial statements / financial information are unaudited and have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries and a joint venture is based solely on such unaudited financial statements / financial information. In our opinion and according to the information and explanations given to us by the Management, these financial statements / financial information are not material to the Group.

Our opinion on the consolidated financial statements above and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements / financial information certified by the Management.

Report on Other Legal and Regulatory Requirements

ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 1(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended March 31, 2021, we have audited the internal financial controls over financial reporting of **Coromandel International Limited** (hereinafter referred to as “the Parent”) and its subsidiary companies and joint venture, which are companies incorporated in India, as of that date.

Management’s Responsibility for Internal Financial Controls

The respective Board of Directors of the Parent, its subsidiary companies and joint venture, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective Companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Parent, its subsidiary companies and its joint venture, which are companies incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing, prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors of the subsidiary companies and joint venture, which are companies incorporated in India, in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Parent, its subsidiary companies and its joint venture, which are companies incorporated in India.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future

periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion to the best of our information and according to the explanations given to us and based on the consideration of the reports of the other auditors referred to in the Other Matters paragraph below, the Parent and its subsidiary companies which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the criteria for internal financial control over financial reporting established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other Matters

Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting insofar as it relates to four subsidiary companies, which are companies incorporated in India, is based solely on the corresponding reports of the auditors of such companies incorporated in India.

The Parent has consolidated financial information of a joint venture which is a company incorporated in India on the basis of unaudited financial statements/ financial information. In our opinion and according to the information and explanations given to us by the Management, such joint venture is not material to the Group.

Our opinion is not modified in respect of the above matters.

Our operating segments are defined by the organisation and reporting structure through which we operate our business. We categorise our operating segments into Nutrient and other allied business and Crop Protection.

2. Significant Accounting Policies

2.1 Statement of compliance

The Consolidated financial statements which comprise the Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Cash Flow Statement, and the Consolidated Statement of Changes in Equity (“consolidated financial statements”) have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Section 133 of the Companies Act, 2013 (“the Act”), Companies (Indian Accounting Standards) Rules, 2015, along with relevant amendment rules issued thereafter and other relevant provisions of the Act, as applicable. The Group has consistently applied accounting policies to all periods.

2.2 Basis of preparation and presentation

The consolidated financial statements include accounts of Coromandel International Limited (“the Company”) and its subsidiaries Liberty Pesticides and Fertilisers Limited, Sabero Organics America S.A., Sabero Australia Pty Ltd, Sabero Europe B.V., Sabero Argentina S.A., Coromandel Agronegocios de Mexico S.A de C.V (formerly Sabero Organics Mexico S.A de C.V), Parry Chemicals Limited, Dare Investments Limited, CFL Mauritius Limited, Coromandel Brasil Limitada, (a Limited Liability Partnership), Parry America Inc, Coromandel International (Nigeria) Coromandel Mali SASU, Coromandel SQM (India) Private Limited (Subsidiary with effect from 24 August 2020) ; all together referred to as ‘the Group’, its joint venture companies Yanmar Coromandel Agrisolutions Private Limited and Coromandel SQM (India) Private Limited (Joint venture till 23 August 2020), and Associate Company Sabero Organics Philippines Asia Inc.

The consolidated financial statements have been prepared on the historical cost basis except for certain financial instruments that are measured at fair values at the end of each reporting period, and on accrual basis.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a

Consolidated Notes

forming part of the financial statements (Contd.)

liability, the Group takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purposes in these financial statements is determined on such a basis, except for share-based payment transactions that are within the scope of Ind AS 102, leasing transactions that are within the scope of Ind AS 116, and measurements that have some similarities to fair value but are not fair value, such as net realisable value in Ind AS 2 or value in use in Ind AS 36.

In addition, for financial reporting purposes, fair value measurements are categorized into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the asset or liability.

Based on the nature of activities of the Group and the average time between acquisition of assets and their realisation in cash or cash equivalents, the Group has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

The principal accounting policies are set out below.

2.3 Basis of consolidation

The consolidated financial statements incorporate the financial statements of the Company and entities controlled by the Company and its subsidiaries. Control is achieved when the Company:

- has power over the investee;
- is exposed, or has rights, to variable returns from its involvement with the investee; and
- has the ability to use its power to affect its returns.

The Company reassesses whether or not it controls an investee if facts and circumstances indicate that there are changes to one or more of the three elements of control listed above.

When the Company has less than a majority of the voting rights of an investee, it has power over the investee when the voting rights are sufficient to give it the practical ability to direct the relevant activities of the investee unilaterally. The Company considers all relevant facts and circumstances in assessing whether or not the Company's voting rights in an investee are sufficient to give it power, including:

- the size of the Company's holding of voting rights relative to the size and dispersion of holdings of the other vote holders;
- potential voting rights held by the Company, other vote holders or other parties;
- rights arising from other contractual arrangements; and
- any additional facts and circumstances that indicate that the Company has, or does not have, the current ability to direct the relevant activities at the time that decisions need to be made, including voting patterns at previous shareholder's meetings.

Consolidation of a subsidiary begins when the Company obtains control over the subsidiary and ceases when the Company loses control of the subsidiary. Specifically, income and expenses of a subsidiary acquired or disposed of during the year are included in the consolidated statement of profit and loss from the date the Company gains control until the date when the Company ceases to control the subsidiary.

Profit or loss and each component of other comprehensive income are attributed to the owners of the Company and to the non-controlling interests. Total comprehensive income of subsidiaries is attributed to the owners of the Company and to the non-controlling interests even if this results in the non-controlling interests having a deficit balance.

When necessary, adjustments are made to the financial statements of subsidiaries to bring their accounting policies into line with the Group's accounting policies.

All intragroup assets and liabilities, equity, income, expenses, and cash flows relating to transactions between members of the Group are eliminated in full on consolidation.

2.3.1 Changes in the Group's ownership interests in existing subsidiaries

Changes in the Group's ownership interests in subsidiaries that do not result in the Group losing control over the subsidiaries are accounted for as equity transactions. The carrying amounts of the

B154

Consolidated Notes

forming part of the financial statements (Contd.)

Group's interests and the non-controlling interests are adjusted to reflect the changes in their relative interests in the subsidiaries. Any difference between the amount by which the non-controlling interests are adjusted and the fair value of the consideration paid or received is recognised directly in equity and attributed to owners of the Company.

When the Group loses control of a subsidiary, a gain or loss is recognised in profit or loss and is calculated as the difference between (i) the aggregate of the fair value of the consideration received and the fair value of any retained interest and (ii) the previous carrying amount of the assets (including goodwill), and liabilities of the subsidiary and any non-controlling interests. All amounts previously recognised in other comprehensive income in relation to that subsidiary are accounted for as if the Group had directly disposed of the related assets or liabilities of the subsidiary (i.e. reclassified to profit or loss or transferred to another category of equity as specified/permitted by applicable Ind AS). The fair value of any investment retained in the former subsidiary at the date when control is lost is regarded as the fair value on initial recognition for subsequent accounting under Ind AS 109, or, when applicable, the cost on initial recognition of an investment in an associate or a joint venture.

2.4 Goodwill

Goodwill arising on an acquisition of a business is carried at cost as established at the date of acquisition of the business less accumulated impairment losses, if any.

For the purposes of impairment testing, goodwill is allocated to each of the Group's cash-generating units (or groups of cash-generating units) that is expected to benefit from the synergies of the combination.

A cash-generating unit to which goodwill has been allocated is tested for impairment annually, or more frequently when there is an indication that the unit may be impaired. If the recoverable amount of the cash-generating unit is less than its carrying amount, the impairment loss is allocated first to reduce the carrying amount of any goodwill allocated to the unit and then to the other assets of the unit pro rata based on the carrying amount of each asset in the unit. Any impairment loss for goodwill is recognised directly in profit or loss. An impairment loss recognised for goodwill is not reversed in subsequent periods.

On disposal of the relevant cash-generating unit, the attributable amount of goodwill is included in the determination of the profit or loss on disposal.

2.5 Investments in associates and joint ventures

An associate is an entity over which the Group has significant influence. Significant influence is the power to participate in the financial and operating policy decisions of the investee but is not control or joint control over those policies.

A joint venture is a joint arrangement whereby the parties that have joint control of the arrangement have rights to the net assets of the joint arrangement. Joint control is the contractually agreed sharing of control of an arrangement, which exists only when decisions about the relevant activities require unanimous consent of the parties sharing control.

The results and assets and liabilities of associates or joint ventures are incorporated in these consolidated financial statements using the equity method of accounting.

An investment in an associate or a joint venture is accounted for using the equity method from the date on which the investee becomes an associate or a joint venture. On acquisition of the investment in an associate or a joint venture, any excess of the cost of the investment over the Group's share of the net fair value of the identifiable assets and liabilities of the investee is recognised as goodwill, which is included within the carrying amount of the investment. Any excess of the Group's share of the net fair value of the identifiable assets and liabilities over the cost of the investment, after reassessment, is recognised directly in equity as capital reserve in the period in which the investment is acquired.

After application of the equity method of accounting, the Group determines whether there is any objective evidence of impairment as a result of one or more events that occurred after the initial recognition of the net investment in an associate or a joint venture and that event (or events) has an impact on the estimated future cash flows from the net investment that can be reliably estimated. If there exists such an objective evidence of impairment, then it is necessary to recognise impairment loss with respect to the Group's investment in an associate or a joint venture.

When necessary, the entire carrying amount of the investment (including goodwill) is tested for impairment in accordance with Ind AS 36 Impairment of Assets as a single asset by comparing its recoverable amount (higher of value in use and fair value less costs of disposal) with its carrying amount. Any impairment loss recognised forms part of the carrying amount of the investment. Any reversal of that impairment loss

Consolidated Notes

forming part of the financial statements (Contd.)

is recognised in accordance with Ind AS 36 to the extent that the recoverable amount of the investment subsequently increases.

When a group entity transacts with an associate or a joint venture of the Group, profits and losses resulting from the transactions with the associate or joint venture are recognised in the Group's consolidated financial statements only to the extent of interests in the associate or joint venture that are not related to the Group.

The Group discontinues the use of the equity method from the date when the investment ceases to be an associate or a joint venture, or when the investment is classified as held for sale.

2.6 Revenue recognition

Revenue is measured at the fair value of the consideration received or receivable.

- a) Sale of goods is recognised net of returns and trade discounts, when the control over the goods is transferred to the customers. The performance obligation in case of sale of goods is satisfied at a point in time i.e. when the goods are shipped to the customers or on delivery to the customer, as per applicable terms.
- b) The Company recognizes subsidy income as per Ind AS 20 'Accounting for Government Grants and Disclosure of Government Assistance' on the basis of the rates notified from time to time by the Government of India in accordance with the Nutrient Based Subsidy (NBS) policy on the quantity of fertilisers sold by the Company for the period for which notification has been issued and for the remaining period, based on estimates, when there is a reasonable assurance that the Company will comply with all necessary conditions attached to Subsidy.
- c) Income from services rendered is recognised based on the agreements/arrangements with the concerned parties and when services are rendered by measuring progress towards satisfaction of performance obligation for such services.
- d) Export benefits and other excise benefits are accounted for on accrual basis.

2.7 Other income

- a) Dividend income from investments is recognised in the year in which the right to receive the payment is established.

- b) Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Group and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

2.8 Leasing

The Group, at the inception of a contract, assesses whether the contract is a lease or not lease. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a time in exchange for a consideration. This policy has been applied to contracts existing and entered into on or after 1 April 2019.

The Group recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received.

The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the end of the lease term.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the Group's incremental borrowing rate. It is remeasured when there is a change in future lease payments arising from a change in an index or rate, if there is a change in the Group's estimate of the amount expected to be payable under a residual value guarantee, or if the Group changes its assessment of whether it will exercise a purchase, extension or termination option. When the lease liability is remeasured in this way, a corresponding adjustment is made to the carrying amount of the right-of-use asset, or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero.

The Group has elected not to recognise right-of-use assets and lease liabilities for short-term leases that have a lease term of 12 months or less and leases of low-value assets. The Group recognises the lease

B156

Consolidated Notes

forming part of the financial statements (Contd.)

payments associated with these leases as an expense over the lease term.

2.9 Insurance claims

Insurance claims are accounted for on the basis of claims admitted/ expected to be admitted and to the extent that the amount recoverable can be measured reliably and it is reasonable to expect ultimate collection.

2.10 Functional and presentation currency

Items included in the financial statements of the Group are measured using the currency of the primary economic environment in which these entities operate (i.e., the "functional currency"). The financial statements are presented in Indian Rupee (₹), the national currency of India, which is the functional currency of the Group and rounded to the nearest lakhs.

2.11 Foreign currencies

Foreign currency transactions are recorded at exchange rates prevailing on the date of the transaction or at rates that closely approximate the rate at the date of transactions. The date of transaction for the purpose of determining the exchange rate on initial recognition of the related asset, expense or income (part of it) is the date on which the entity initially recognises the non-monetary asset or non-monetary liability arising from payment or receipt of advance consideration. Foreign currency denominated monetary assets and liabilities are restated into the functional currency using exchange rates prevailing on the balance sheet date. Gains and losses arising on settlement and restatement of foreign currency denominated monetary assets and liabilities are recognised in the statement of profit and loss. Non-monetary assets and liabilities that are measured in terms of historical cost in foreign currencies are not translated.

For the purposes of presenting the consolidated financial statements assets and liabilities of Group's foreign operations with functional currency different from the Company are translated into Company's functional currency i.e. INR using exchange rates prevailing at the end of each reporting period. Income and expense items are translated at the average exchange rates for the period, unless exchange rates fluctuate significantly during that period, in which case the exchange rates at the dates of the transactions are used.

Exchange differences arising, if any are recognised in other comprehensive income and accumulated in equity.

On the disposal of foreign operation, all of the exchange differences accumulated in equity in respect of that operation attributable to the owners of the Company are reclassified to the statement of profit and loss.

2.12 Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale.

Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalization.

All other borrowing costs are recognised in profit or loss in the period in which they are incurred.

2.13 Employee benefits

2.13.1 Defined contribution plans

Contributions paid/payable to defined contribution plans comprising of Superannuation (under a scheme of Life Insurance Corporation of India) and Provident Funds for certain employees covered under the respective Schemes are recognised in the profit or loss each year when employees have rendered service entitling them to the contributions.

The Company makes contributions to two Provident Fund Trusts for certain employees, at a specified percentage of the employees' salary. The Company has an obligation to make good the shortfall, if any, between the return from the investments of trust and the notified interest rates. Liability on account of such shortfall, if any, is provided for based on the actuarial valuation carried out as at the end of the year.

2.13.2 Defined benefit plans

The Company's Gratuity scheme for its employees is a defined benefit retirement plan. Obligation under the gratuity scheme is covered under a Scheme of Life Insurance Corporation of India (LIC) and contributions in respect of such scheme are recognized in the profit or loss. The liability as at the Balance Sheet date is provided for using the projected unit credit method, with actuarial valuations being carried out as at the end of the year.

Consolidated Notes

forming part of the financial statements (Contd.)

Defined benefit costs are categorized as follows:

- service cost (including current service cost, past service cost, as well as gains and losses on curtailments and settlements);
- net interest expense or income; and
- remeasurement

The Company presents the first two components of defined benefit costs in profit or loss in the line item 'Employee benefits expense'. Curtailment gains and losses are accounted for as past service costs. Net interest is calculated by applying the discount rate at the beginning of the period to the net defined benefit liability or asset.

Remeasurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding net interest), is reflected immediately in the balance sheet with a charge or credit recognised in other comprehensive income in the period in which they occur. Remeasurement recognised in other comprehensive income is reflected immediately in retained earnings and is not reclassified to profit or loss.

2.13.3 Short-term employee benefits

Short term employee benefits including accumulated compensated absences as at the Balance Sheet date are recognised as an expense as per Company's schemes based on expected obligation on an undiscounted basis.

2.13.4 Other long-term employee benefits

Other Long term employee benefit comprise of leave encashment which is provided for based on the actuarial valuation carried out as at the end of the year.

Liabilities recognised in respect of other long-term employee benefits are measured at the present value of the estimated future cash outflows expected to be made by the Company in respect of services provided by employees up to the reporting date.

2.14 Share-based payment arrangements

Equity-settled share-based payments to employees and others providing similar services are measured at the fair value of the equity instruments at the grant date.

The fair value determined at the grant date of the equity-settled share-based payments is expensed on a straight-line basis over the vesting period, based on

the Group's estimate of equity instruments that will eventually vest, with a corresponding increase in equity. At the end of each reporting period, the Group revises its estimate of the number of equity instruments expected to vest. The impact of the revision of the original estimates, if any, is recognised in profit or loss such that the cumulative expense reflects the revised estimate, with a corresponding adjustment to the equity-settled employee benefits reserve.

2.15 Earnings per share

The Group presents basic and diluted earnings per share ("EPS") data for its equity shares. Basic EPS is calculated by dividing the profit or loss attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. Diluted EPS is determined by adjusting the profit or loss attributable to equity shareholders and the weighted average number of equity shares outstanding for the effects of all dilutive potential equity shares.

2.16 Taxation

Income tax expense represents the sum of the tax currently payable and deferred tax.

- Current tax

Current tax is determined as the amount of tax payable in respect of taxable income for the year as determined in accordance with the applicable tax rates and the provisions of the Income-tax Act, 1961.

- Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

B158

Consolidated Notes

forming part of the financial statements (Contd.)

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

- Current and deferred tax for the year

Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

2.17 Property, plant and equipment

Property, plant and equipment are stated in the Balance Sheet at cost less accumulated depreciation and accumulated impairment losses, if any. Cost includes purchase price, attributable expenditure incurred in bringing the asset to its working condition for the intended use and cost of borrowing till the date of capitalisation in the case of assets involving material investment and substantial lead time.

Properties in the course of construction for production, supply or administrative purposes are carried at cost, less any recognised impairment loss. Depreciation of these assets, on the same basis as other property assets, commences when the assets are ready for their intended use.

Depreciation is provided on the straight-line method as per the useful life prescribed in Schedule II to the 2013 Act except in respect of following categories of assets in whose case the life of certain assets has been assessed based on technical advice taking into account the nature of the asset, the estimated usage of the asset, the operating condition of the asset, past history of replacement, maintenance support etc.

Asset	Useful lives (in years)
Plant and equipment	5 – 25
Buildings	15 -60
Vehicles	5 – 7
Office equipment, furniture and fixtures	3 – 5

The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis. Assets individually costing ₹ 5,000 and below are depreciated over a period of one year. Land is not depreciated.

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in profit or loss.

2.18 Biological assets

The Company recognises neem plantation as Biological assets and are carried at historical cost of acquisition less accumulated depreciation and accumulated impairment losses, if any. Subsequent expenditure on biological assets are added to its book value only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably.

Cost incurred for new plantations are capitalised and depreciated over their estimated useful life which has been ascribed to be 20 years.

2.19 Intangible assets

Intangible assets are carried at cost, net of accumulated amortisation and impairment losses, if any. Cost of an intangible asset comprises of purchase price and attributable expenditure on making the asset ready for its intended use.

Intangible assets are amortised on the straight-line method. Technical know-how is amortised over their estimated useful lives ranging from 5-10 years and product registration is amortised over the period of the registration subject to a maximum of 10 years.

An intangible asset is derecognized on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from derecognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, are recognised in profit or loss when the asset is derecognized.

2.20 Impairment of tangible and intangible assets

The Group assesses at each reporting date whether there is an indication that an asset/cash generating unit may be impaired. If any indication exists the Group estimates the recoverable amount of such assets and if carrying amount exceeds the recoverable amount, impairment is recognised. The recoverable amount is the higher of the net selling price and its value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using an

Consolidated Notes

forming part of the financial statements (Contd.)

appropriate discount factor. When there is indication that previously recognised impairment loss no longer exists or may have decreased such reversal of impairment loss is recognised in the profit or loss.

2.21 Inventories

Stores and spares, packing materials are valued at or below cost. Raw materials and other inventories are valued at lower of cost and net realizable value. Net realizable value represents the estimated selling price (including subsidy income, where applicable) of inventories less all estimated costs of completion and costs necessary to make the sale.

The method of determination of cost of various categories of inventories is as follows:

1. Stores and spares and packing materials – Weighted average cost.
2. Raw material – First-in-First-out basis. Cost includes purchase cost and other attributable expenses.
3. Finished goods and Work-in-process – Weighted average cost of production which comprises of direct material costs, direct wages and applicable overheads.
4. Stock-in-trade – Weighted average cost.

2.22 Exceptional item

Significant gains/losses or expenses incurred arising from external events that is not expected to recur are disclosed as 'Exceptional item'.

2.23 Provisions, contingent liabilities and contingent assets

Provisions are recognised only when there is a present obligation as a result of past events and when a reasonable estimate of the amount of obligation can be made. The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

Contingent liabilities are disclosed for (i) possible obligation which will be confirmed only by future events not wholly within the control of the Group or (ii) present obligations arising from past events where it is not probable that an outflow of resources will be required

to settle the obligation or a reliable estimate of the amount of the obligation cannot be made. Contingent assets are neither recognised nor disclosed in the financial statements.

2.24 Financial instruments

Financial assets and financial liabilities are recognised when a group entity becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

2.25 Financial assets

All regular way purchases or sales of financial assets are recognised and derecognized on a trade date basis. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the time frame established by regulation or convention in the marketplace.

All recognised financial assets are subsequently measured in their entirety at either amortized cost or fair value, depending on the classification of the financial assets.

2.25.1 Classification of financial assets

Debt instruments that meet the following conditions are subsequently measured at amortized cost (except for debt instruments that are designated as at fair value through profit or loss on initial recognition):

- the asset is held within a business model whose objective is to hold assets in order to collect contractual cash flows; and
- the contractual terms of the instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Debt instruments that meet the following conditions are subsequently measured at fair value through other comprehensive income (except for debt instruments that are designated as at fair value through profit or loss on initial recognition):

B160

Consolidated Notes

forming part of the financial statements (Contd.)

- the asset is held within a business model whose objective is achieved both by collecting contractual cash flows and selling financial assets; and
- the contractual terms of the instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Interest income is recognised in profit or loss for FVTOCI debt instruments. For the purposes of recognizing foreign exchange gains and losses, FVTOCI debt instruments are treated as financial assets measured at amortized cost. Thus, the exchange differences on the amortized cost are recognised in profit or loss and other changes in the fair value of FVTOCI financial assets are recognised in other comprehensive income and accumulated under the heading of 'Reserve for debt instruments through other comprehensive income'. When the investment is disposed of, the cumulative gain or loss previously accumulated in this reserve is reclassified to profit or loss.

All other financial assets are subsequently measured at fair value.

2.25.2 Effective interest method

The effective interest method is a method of calculating the amortized cost of a debt instrument and of allocating interest income over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash receipts (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the debt instrument, or, where appropriate, a shorter period, to the net carrying amount on initial recognition.

Income is recognised on an effective interest basis for debt instruments other than those financial assets classified as at FVTPL. Interest income is recognised in profit or loss and is included in the "Other income" line item.

2.25.3 Investments in subsidiaries, joint ventures and associates

On initial recognition, these investments are recognized at fair value plus any directly attributable transaction cost. Subsequently, they are measured at cost.

2.25.4 Investments in equity instruments at FVTOCI

On initial recognition, the Group can make an irrevocable election (on an instrument-by-instrument basis) to present the subsequent changes in fair value in other comprehensive income pertaining to investments in equity instruments. This election is not permitted if

the equity investment is held for trading. These elected investments are initially measured at fair value plus transaction costs. Subsequently, they are measured at fair value with gains and losses arising from changes in fair value recognised in other comprehensive income and accumulated in the 'Reserve for equity instruments through other comprehensive income'. The cumulative gain or loss is not reclassified to profit or loss on disposal of the investments.

A financial asset is held for trading if:

- it has been acquired principally for the purpose of selling it in the near term; or
- on initial recognition it is part of a portfolio of identified financial instruments that the Group manages together and has a recent actual pattern of short-term profit-taking; or
- it is a derivative that is not designated and effective as a hedging instrument or a financial guarantee.

Dividends on these investments in equity instruments are recognised in profit or loss when the Group's right to receive the dividends is established, it is probable that the economic benefits associated with the dividend will flow to the entity, the dividend does not represent a recovery of part of cost of the investment and the amount of dividend can be measured reliably. Dividends recognised in profit or loss are included in the 'Other income' line item.

2.25.5 Financial assets at fair value through profit or loss (FVTPL)

Investments in equity instruments are classified as at FVTPL, unless the Group irrevocably elects on initial recognition to present subsequent changes in fair value in other comprehensive income for investments in equity instruments which are not held for trading.

Debt instruments that do not meet the amortised cost criteria or FVTOCI criteria are measured at FVTPL. In addition, debt instruments that meet the amortised cost criteria or the FVTOCI criteria but are designated as at FVTPL are measured at FVTPL.

A financial asset that meets the amortised cost criteria or debt instruments that meet the FVTOCI criteria may be designated as at FVTPL upon initial recognition if such designation eliminates or significantly reduces a measurement or recognition inconsistency that would arise from measuring assets or liabilities or recognising the gains and losses on them on different bases. The Group has not designated any debt instrument as at FVTPL.

Consolidated Notes

forming part of the financial statements (Contd.)

Financial assets at FVTPL are measured at fair value at the end of each reporting period, with any gains or losses arising on remeasurement recognised in profit or loss. The net gain or loss recognised in profit or loss incorporates any dividend or interest earned on the financial asset and is included in the 'Other income' line item. Dividend on financial assets at FVTPL is recognised when the Group's right to receive the dividends is established, it is probable that the economic benefits associated with the dividend will flow to the entity, the dividend does not represent a recovery of part of cost of the investment and the amount of dividend can be measured reliably.

2.25.6 Impairment of financial assets

The Group applies the expected credit loss model for recognising impairment loss on financial assets measured at amortised cost, debt instruments at FVTOCI, lease receivables, trade receivables, other contractual rights to receive cash or other financial asset, and financial guarantees not designated as at FVTPL.

Expected credit losses are the weighted average of credit losses with the respective risks of default occurring as the weights. Credit loss is the difference between all contractual cash flows that are due to the Group in accordance with the contract and all the cash flows that the Group expects to receive (i.e. all cash shortfalls), discounted at the original effective interest rate (or credit-adjusted effective interest rate for purchased or originated credit-impaired financial assets). The Group estimates cash flows by considering all contractual terms of the financial instrument through the expected life of that financial instrument.

The Group measures the loss allowance for a financial instrument at an amount equal to the lifetime expected credit losses if the credit risk on that financial instrument has increased significantly since initial recognition. If the credit risk on a financial instrument has not increased significantly since initial recognition, the Group measures the loss allowance for that financial instrument at an amount equal to 12-month expected credit losses. 12-month expected credit losses are portion of the life-time expected credit losses and represent the lifetime cash shortfalls that will result if default occurs within the 12 months after the reporting date and thus, are not cash shortfalls that are predicted over the next 12 months.

If the Group measured loss allowance for a financial instrument at lifetime expected credit loss model in the

previous period, but determines at the end of a reporting period that the credit risk has not increased significantly since initial recognition due to improvement in credit quality as compared to the previous period, the Group again measures the loss allowance based on 12-month expected credit losses.

When making the assessment of whether there has been a significant increase in credit risk since initial recognition, the Group uses the change in the risk of a default occurring over the expected life of the financial instrument instead of the change in the amount of expected credit losses. To make that assessment, the Group compares the risk of a default occurring on the financial instrument as at the reporting date with the risk of a default occurring on the financial instrument as at the date of initial recognition and considers reasonable and supportable information, that is available without undue cost or effort, that is indicative of significant increases in credit risk since initial recognition.

For trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 115, the Group always measures the loss allowance at an amount equal to lifetime expected credit losses.

Further, for the purpose of measuring lifetime expected credit loss allowance for trade receivables, the Group has used a practical expedient as permitted under Ind AS 109. This expected credit loss allowance is computed based on a provision matrix which takes into account historical credit loss experience and adjusted for forward-looking information.

The impairment requirements for the recognition and measurement of a loss allowance are equally applied to debt instruments at FVTOCI except that the loss allowance is recognised in other comprehensive income and is not reduced from the carrying amount in the balance sheet.

2.25.7 Derecognition of financial assets

The Group derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. If the Group neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Group recognises its retained interest in the asset and an associated liability for amounts it may have to pay. If the Group retains substantially all the risks and rewards of ownership of a transferred

Consolidated Notes

forming part of the financial statements (Contd.)

financial asset, the Group continues to recognise the financial asset and also recognises a collateralised borrowing for the proceeds received.

On derecognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognised in other comprehensive income and accumulated in equity is recognised in profit or loss if such gain or loss would have otherwise been recognised in profit or loss on disposal of that financial asset.

On derecognition of a financial asset other than in its entirety, the Group allocates the previous carrying amount of the financial asset between the part it continues to recognize under continuing involvement, and the part it no longer recognises on the basis of the relative fair values of those parts on the date of the transfer. The difference between the carrying amount allocated to the part that is no longer recognised and the sum of the consideration received for the part no longer recognised and any cumulative gain or loss allocated to it that had been recognised in other comprehensive income is recognised in profit or loss if such gain or loss would have otherwise been recognised in profit or loss on disposal of that financial asset. A cumulative gain or loss that had been recognised in other comprehensive income is allocated between the part that continues to be recognised and the part that is no longer recognised on the basis of the relative fair values of those parts.

2.25.8 Foreign exchange gains and losses

The fair value of financial assets denominated in a foreign currency is determined in that foreign currency and translated at the spot rate at the end of each reporting period.

- For foreign currency denominated financial assets measured at amortized cost and FVTPL, the exchange differences are recognised in profit or loss except for those which are designated as hedging instruments in a hedging relationship.
- Changes in the carrying amount of investments in equity instruments at FVTOCI relating to changes in foreign currency rates are recognised in other comprehensive income.
- For the purposes of recognizing foreign exchange gains and losses, FVTOCI debt instruments are treated as financial assets measured at amortized cost. Thus, the exchange differences on the amortized cost are recognized in profit or loss and other changes in the fair value of FVTOCI financial

assets are recognised in other comprehensive income.

Financial liabilities and equity instruments

2.26 Classification as debt or equity

Debt and equity instruments issued by a group entity are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

2.27 Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by a group entity are recognised at the proceeds received, net of direct issue costs.

Repurchase of the Company's own equity instruments is recognised and deducted directly in equity. No gain or loss is recognised in profit or loss on the purchase, sale, issue or cancellation of the Company's own equity instruments.

2.28 Financial liabilities

All financial liabilities are subsequently measured at amortised cost using the effective interest method or at FVTPL.

However, financial liabilities that arise when a transfer of a financial asset does not qualify for derecognition or when the continuing involvement approach applies, financial guarantee contracts issued by the Group, and commitments issued by the Group to provide a loan at below-market interest rate are measured in accordance with the specific accounting policies set out below.

Financial liabilities at FVTPL

Financial liabilities are classified as at FVTPL when the financial liability is either contingent consideration recognised by the Group as an acquirer in a business combination to which Ind AS 103 applies or is held for trading or it is designated as at FVTPL.

A financial liability is classified as held for trading if:

- it has been incurred principally for the purpose of repurchasing it in the near term; or
- on initial recognition it is part of a portfolio of identified financial instruments that the Group manages together and has a recent actual pattern of short-term profit-taking; or

Consolidated Notes

forming part of the financial statements (Contd.)

- It is a derivative that is not designated and effective as a hedging instrument.

A financial liability other than a financial liability held for trading or contingent consideration recognised by the Group as an acquirer in a business combination to which Ind AS 103 applies, may be designated as at FVTPL upon initial recognition if:

- such designation eliminates or significantly reduces a measurement or recognition inconsistency that would otherwise arise;
- the financial liability forms part of group of financial assets or financial liabilities or both, which is managed and its performance is evaluated on a fair value basis, in accordance with the Group's documented risk management or investment strategy, and information about the grouping is provided internally on that basis; or
- It forms part of a contract containing one or more embedded derivatives, and Ind AS 109 permits the entire combined contract to be designated as at FVTPL in accordance with Ind AS 109.

Financial liabilities at FVTPL are stated at fair value, with any gains or losses arising on remeasurement recognised in profit or loss. The net gain or loss recognised in profit or loss incorporates any interest paid on the financial liability and is included in the 'Other income' line item.

However, for non-held-for-trading financial liabilities that are designated as at FVTPL, the amount of change in the fair value of the financial liability that is attributable to changes in the credit risk of that liability is recognised in other comprehensive income, unless the recognition of the effects of changes in the liability's credit risk in other comprehensive income would create or enlarge an accounting mismatch in profit or loss, in which case these effects of changes in credit risk are recognised in profit or loss. The remaining amount of change in the fair value of liability is always recognised in profit or loss. Changes in fair value attributable to a financial liability's credit risk that are recognised in other comprehensive income are reflected immediately in retained earnings and are not subsequently reclassified to profit or loss.

Gains or losses on financial guarantee contracts and loan commitments issued by the Group that are designated by the Group as at fair value through profit or loss are recognised in profit or loss.

Financial liabilities subsequently measured at amortized cost

Financial liabilities that are not held-for-trading and are not designated as at FVTPL are measured at amortized cost at the end of subsequent accounting periods. The carrying amounts of financial liabilities that are subsequently measured at amortized cost are determined based on the effective interest method. Interest expense that is not capitalized as part of costs of an asset is included in the 'Finance costs' line item.

The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the net carrying amount on initial recognition.

2.29 Financial guarantee contracts

A financial guarantee contract is a contract that requires the issuer to make specified payments to reimburse the holder for a loss it incurs because a specified debtor fails to make payments when due in accordance with the terms of a debt instrument.

Financial guarantee contracts issued by a group entity are initially measured at their fair values and, if not designated as at FVTPL, are subsequently measured at the higher of:

- the amount of loss allowance determined in accordance with impairment requirements of Ind AS 109;
- the amount initially recognised less, when appropriate, the cumulative amount of income recognised in accordance with the principles of Ind AS 115.

Foreign exchange gains and losses

For financial liabilities that are denominated in a foreign currency and are measured at amortized cost at the end of each reporting period, the foreign exchange gains and losses are determined based on the amortized cost of the instruments and are recognised in 'Other income'.

The fair value of financial liabilities denominated in a foreign currency is determined in that foreign currency

Consolidated Notes

forming part of the financial statements (Contd.)

and translated at the spot rate at the end of the reporting period. For financial liabilities that are measured as at FVTPL, the foreign exchange component forms part of the fair value gains or losses and is recognised in profit or loss.

Derecognition of financial liabilities

The Group derecognizes financial liabilities when, and only when, the Group's obligations are discharged, cancelled or have expired. An exchange between with a lender of debt instruments with substantially different terms is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. Similarly, a substantial modification of the terms of an existing financial liability (whether or not attributable to the financial difficulty of the debtor) is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. The difference between the carrying amount of the financial liability derecognized and the consideration paid and payable is recognised in profit or loss.

2.30 Derivative financial instruments

The Group enters into a variety of derivative financial instruments to manage its exposure to interest rate and foreign exchange rate risks, including foreign exchange forward contracts, option contracts and interest rate swaps.

Derivatives are initially recognised at fair value at the date the derivative contracts are entered into and are subsequently remeasured to their fair value at the end of each reporting period. The resulting gain or loss is recognised in profit or loss immediately unless the derivative is designated and effective as a hedging instrument, in which event the timing of the recognition in profit or loss depends on the nature of the hedging relationship and the nature of the hedged item.

The effective portion of changes in the fair value of derivatives that are designated and qualify as cash flow hedges are recorded in other comprehensive income net of applicable deferred income taxes. The gain or loss relating to the ineffective portion is recognized immediately in the statement of income. The cumulative gain or loss previously recognized in other comprehensive income remains there until the forecast transaction occurs. When the hedged item is a non-financial asset, the amount recognized in other comprehensive income is transferred to the carrying amount of the asset when it is recognized.

In other cases the amount recognized in other comprehensive income is transferred to profit or loss in the same period that the hedged item affects profit or loss. Hedge accounting is discontinued when the hedging instrument expires or is sold, terminated or exercised, or no longer qualifies for hedge accounting. If a hedged transaction is no longer expected to occur, the net cumulative gain or loss recognized in the other comprehensive income is transferred to statement of income.

2.31 Critical accounting judgements and key sources of estimation uncertainty

In the application of the Group's accounting policies the directors of the Company are required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

2.31.1 Critical judgments in applying accounting policies

The following are the critical judgments, apart from those involving estimations, that the directors have made in the process of applying the Group's accounting policies and that have the most significant effect on the amounts recognized in the financial statements.

Revenue recognition

In making their judgment, the management considered the detailed criteria for the recognition of revenue from the sale of goods set out in Ind AS 115 and, in particular, whether the Group had transferred control over the goods to the buyer.

2.31.2 Key sources of estimation uncertainty

The following are the key assumptions concerning the future, and other key sources of estimation uncertainty at the end of the reporting period that may have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

Consolidated Notes

forming part of the financial statements (Contd.)

Items requiring significant estimate	Assumption and estimation uncertainty
Useful lives of property, plant and equipment	The Group reviews the estimated useful lives of property, plant and equipment at the end of each reporting period. During the current year, there has been no change in life considered for the assets.
Fair value measurements and valuation processes	<p>Some of the Group's assets and liabilities are measured at fair value for financial reporting purposes. The valuation committee which is headed by the Chief Financial Officer of the Company determines the appropriate valuation techniques and inputs for fair value measurements.</p> <p>In estimating the fair value of an asset or a liability, the Group uses market-observable data to the extent it is available. Where Level 1 inputs are not available, the Company engages third party qualified valuers to perform the valuation. Finance team works closely with the qualified external valuers to establish the appropriate valuation techniques and inputs to the model. The Chief Financial Officer reports the valuation committee's findings to the board of directors of the Company annually to explain the cause of fluctuations in the fair value of the assets and liabilities.</p>
Revenue recognition	The Group provides customer incentives, such as rebates, based on quantity purchased, timing of collections etc. Various estimates are made to recognise the impact of rebates and other incentives on revenue. These estimates are made based on historical and forecasted data, contractual terms and current conditions.
Subsidy income and related receivables	Subsidy income has been recognized when there is reasonable assurance that the Company will comply with all necessary conditions attached to Subsidy including those under the Direct Benefit Transfer system which was introduced by the Government of India.
Provision for doubtful receivables	The Group makes provision for doubtful receivables based on a provision matrix which takes into account historical credit loss experience and adjusted for current estimates.
Estimation of net realisable value of inventories	Inventories are stated at the lower of cost and net realisable value. In estimating the net realisable value of inventories the Group makes an estimate of future selling prices, subsidy and costs necessary to make the sale.
Provision for employee benefits	The Group uses actuarial assumptions to determine the obligations for employee benefits at each reporting period. These assumptions include the discount rate, expected long-term rate of return on plan assets, rate of increase in compensation levels and mortality rates.
Provision for taxes	Significant judgments are required in determining the provision for income taxes, including the amount expected to be paid/ recovered for uncertain tax positions.
Leases	Ind AS 116 defines a lease term as the non-cancellable period for which the lessee has the right to use the underlying asset including optional periods, when an entity is reasonably certain to exercise an option to extend (or not to terminate) a lease. The Group considers all relevant facts and circumstances that create an economic incentive for the lessee to exercise the option when determining the lease term. The option to extend the lease term are included in the lease term, if it is reasonably certain that the lessee will exercise the option. The Group reassess the option when significant events or changes in circumstances occur that are within the control of the lessee

The credit period on sales of goods varies with seasons and business segments/ markets and generally ranges between 30 to 180 days. No interest is recovered on trade receivables for payments received after the due date.

Before accepting any new customer, the Group has a credit evaluation system to assess the potential customer's credit quality and to define credit limits for the customer. Credit limits attributed to customers are reviewed on an annual basis.

The Group maintains an allowance for impairment of doubtful accounts based on financial condition of the customer, ageing of the customer receivable and overdues, available collaterals and historical experience of collections from customers. Accordingly, the Group creates provision for past due receivables beyond 180 days ranging between 25%-100% after reckoning the underlying collaterals. Besides, based on the expected credit loss model the Group also provides up to 0.50% for receivables less than 180 days.

31. Segment information

31.1 Products and services from which reportable segments derive their revenues

The information reported to the Chief Operating Decision Maker (CODM) for the purpose of resource allocation and assessment of segment performance is based on types of goods and services. Accordingly, the Group's reportable segments under IndAS 108 are as follows:

1. Nutrient and other allied business
2. Crop protection

The following is an analysis of the Group's revenue and results from operations by reportable segment:

	Segment revenue		Segment profit	
	For the year ended 31 March 2021	For the year ended 31 March 2020	For the year ended 31 March 2021	For the year ended 31 March 2020
Nutrient and other allied business	12,23,184	11,55,003	1,68,518	1,50,698
Crop protection	208,387	1,68,540	34,681	22,029
	14,31,571	13,23,543	2,03,199	1,72,727
Less: Inter - segment	(10,223)	(9,874)	328	(648)
Total	14,21,348	13,13,669	2,03,527	172,079
Other income			4,353	4,004
Unallocable expense			(19,258)	(14,782)

Share in profit/(loss) of joint venture and associate			540	78
Profit before tax			1,78,595	1,37,851

The accounting policies of the reportable segments are same as the Group's accounting policies. Segment profit represents the profit before interest and tax earned by each segment without allocation of central administrative costs and other income. This is the measure reported to the CODM.

Transfer prices between operating segments are on arm's length basis in a manner similar to transactions with third parties.

32. Financial instruments

32.1 Capital management

The Group's capital management objective is to maximise the total shareholder return by optimising cost of capital through flexible capital structure that supports growth. Further, the Group ensures optimal credit risk profile to maintain/enhance credit rating.

The Group determines the amount of capital required on the basis of annual operating plan and long-term strategic plans. The funding requirements are met through internal accruals and long-term/short-term borrowings. The Group monitors the capital structure on the basis of Net debt to equity ratio and maturity profile of the overall debt portfolio of the Group.

For the purpose of capital management, capital includes issued equity capital, securities premium and all other reserves. Net debt includes all long and short-term borrowings as reduced by cash and cash equivalents and inter-corporate deposits with financial institutions.

The following table summarises the capital of the Group:

	As at 31 March 2021	As at 31 March 2020
Equity	5,15,059	4,31,770
Short-term borrowings	161	1,62,512

32.3 Financial risk management objectives

The Group has adequate internal processes to assess, monitor and manage financial risks. These risks include market risk (including currency risk, interest rate risk and other price risk), credit risk and liquidity risk.

The Group seeks to minimise the effects of these risks by using financial instruments such as foreign currency forward contracts, option contracts, interest and currency swaps to hedge risk exposures and appropriate risk management policies as detailed below. The use of these financial instruments is governed by the Group's policies, which outlines principles on foreign exchange risk, interest rate risk, credit risk and deployment of surplus funds

Item	Primarily affected by	Risk management policies	Refer
Market risk - currency risk	USD balances and exposure towards trade payables, buyer's credit, exports, short-term and long-term borrowings	Mitigating foreign currency risk using foreign currency forward contracts, option contracts and currency swaps	Note 32.4.1
Market risk - interest rate risk	Change in market interest rates	Maintaining a combination of fixed and floating rate debt; interest rate swaps for long-term borrowings; cash management policies	Note 32.4.2
Market risk - other price risk	Decline in value of equity instruments	Monitoring forecasts of cash flows; diversification of portfolio	Note 32.4.3
Credit risk	Ability of customers or counterparties to financial instruments to meet contractual obligations	Credit approval and monitoring practices; counterparty credit policies and limits; arrangements with financial institutions	Note 32.5
Liquidity risk	Fluctuations in cash flows	Preparing and monitoring forecasts of cash flows; cash management policies; multiple-year credit and banking facilities	Note 32.6

32.4 Market risk

The Group's financial instruments are exposed to market rate changes. The Group is exposed to the following significant market risks:

- Foreign currency risk
- Interest rate risk
- Other price risk

Market risk exposures are measured using sensitivity analysis. There has been no change to the Group's exposure to market risks or the manner in which these risks are being managed and measured.

Consolidated Notes

(₹ in lakhs, unless otherwise stated)

32.4.1 Foreign currency risk management

The Group is exposed to foreign exchange risk on account of following:

1. Nutrient and other allied business has foreign exchange exposure for its imports of raw materials, intermediates and traded goods.
2. Crop Protection segment has foreign exchange exposure on both exports of finished goods and imports of raw materials, intermediates and traded goods.
3. Foreign currency borrowings in the form of buyers credit, packing credit etc. are availed for meeting its funding requirements.

The Group has a forex policy in place whose objective is to mitigate foreign exchange risk by deploying the appropriate hedging strategies through combination of various hedging instruments such as foreign currency forward contracts, options contracts and has a dedicated forex desk to monitor the currency movement and respond swiftly to market situations. The Group follows netting principle for managing the foreign exchange exposure for each operating segment.

There are no long-term borrowings outstanding as on 31 March 2021 and 31 March 2020.

a. The carrying amounts of the Group's foreign currency denominated monetary assets and monetary liabilities based on gross exposure at the end of the reporting period is as under:

Currency	Liabilities		Assets	
	As at 31 March 2021	As at 31 March 2020	As at 31 March 2021	As at 31 March 2020
USD (millions)	256.81	335.46	37.30	40.25

EURO (millions)	0.04	0.05	1.52	2.18
INR (₹ in lakhs)	36	45	1,305	1,805

The foreign currency risk on above exposure is mitigated by derivative contracts. The outstanding contracts as at the Balance Sheet date are as follows:

b. Foreign currency forward and option contracts outstanding as at the Balance Sheet date:

Currency	As at 31 March 2021	As at 31 March 2020	As at 31 March 2021	As at 31 March 2020

INR (₹ in lakhs)	1,39,865	48,190	2,22,425	55,479
Number of contracts	63	59	96	47

The forward contracts have been entered into to hedge the foreign currency risk on purchase of raw materials, stock-in-trade and the related buyer's credit and in certain cases the foreign currency term loan and trade receivables.

* Includes 65.92 USD (millions) (31 March 2020 : 70.11 USD (millions)) Sell contracts outstanding under past performance facility/anticipated exposure as per Reserve Bank of India (RBI) Master Direction on Risk Management and Inter-Bank Dealings.

c. Net open exposures outstanding as at the Balance Sheet date:

d. Summary of hedging instruments outstanding at the end of the year designated as cash flow hedges:

Item	As at	No. of contracts	USD (millions)	Amount in ₹ lakhs	Average exchange rate
Sell Currency - USD with tenor less than a year	31 March 2021	43	46.83	34,757	74.22
	31 March 2020	25	50.82	38,450	75.66

Foreign currency forward contracts designated as hedging instruments in cash flow hedges of forecast sales in USD are measured at fair value through OCI. While the Company enters into other foreign exchange forward contracts to reduce the foreign exchange risk, these other contracts are not designated in hedge relationships and are measured at FVTPL.

The terms of the hedging instruments match the terms of the forecast transactions. As a result, no hedge ineffectiveness arise requiring recognition through profit or loss.

e. Foreign currency sensitivity analysis

The Group is mainly exposed to fluctuations in US Dollar. The following table details the Group's sensitivity to a ₹1 increase and decrease against the US Dollar. ₹1 is the sensitivity used when reporting foreign currency risk internally to key management personnel and represents management's assessment of the reasonably possible change in foreign exchange rates. The sensitivity analysis includes only net outstanding foreign currency denominated monetary items and adjusts their translation at the period end for a ₹1 change in foreign currency rates. A positive number below indicates an increase in profit or equity where the Rupee strengthens by ₹1 against the US Dollar. For a ₹1 weakening against the US Dollar, there would be a comparable impact on the profit or equity.

	Amount in ₹ lakhs	
Currency USD impact on:	2020-21	2019-20
Impact of ₹1 strengthening against US Dollar on profit or loss for the year	490	311
Impact of ₹1 weakening against US Dollar on profit or loss for the year	(490)	(311)
Impact of ₹1 strengthening against US Dollar on Equity as at the end of the reporting period	490	311
Impact of ₹1 weakening against US Dollar on Equity as at the end of the reporting period	(490)	(311)

32.4.2 Interest rate risk management

The Group issues commercial papers, draws working capital demand loans, avails cash credit, foreign currency borrowings including buyers credit, Packing Credit etc. for meeting its funding requirements.

Interest rates on these borrowings are exposed to change in respective benchmark rates. The Group manages the interest rate risk by maintaining appropriate mix/portfolio of the borrowings.

a. Interest rate sensitivity analysis

The sensitivity analysis below has been determined for borrowings assuming the amount of borrowings outstanding at the end of the reporting period was outstanding for the whole year. A 10 basis points increase or decrease in case of foreign currency borrowings and 50 basis points increase or decrease in case of rupee borrowings is used when reporting interest rate risk internally to key management personnel and represents management's assessment of the reasonably possible change in interest rates.

If interest rate had been 10 basis points higher/ lower in case of foreign currency borrowings and 50 basis points higher/ lower in case of rupee borrowings and all other variables were held constant, the Group's profit for the year ended 31 March 2021 would decrease/ increase by ₹ 1.09 lakhs (31 March 2020: ₹ 609 lakhs).

32.4.3 Other price risks

The Group is exposed to equity price risks arising from equity investments. Certain of the Group's equity investments are held for strategic rather than trading purposes. The Group also holds certain other equity investments for trading purposes.

Consolidated Notes

forming part of the financial statements (Contd.)

(₹ in lakhs, unless otherwise stated)

a. Equity price sensitivity analysis

The sensitivity analysis below have been determined based on the exposure to equity price risks at the end of the reporting period.

If equity prices had been 5% higher/lower other comprehensive income/ equity for the year ended 31 March 2021 would increase/ decrease by ₹ 695 Lakhs (2020: ₹ 662 Lakhs) as a result of the changes in fair value of equity investments measured at FVTOCI. The impact of change in equity price on profit or loss is not significant.

32.5 Credit risk management

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the Group. The Group is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities, including deposits with banks and financial institutions, foreign exchange transactions and other financial instruments.

Customer credit risk is managed by each business unit subject to the Group's established policy, procedures and control relating to the customer credit risk management. The Group uses financial information and past experience to evaluate credit quality of majority of its customers and individual credit limits are defined in accordance with this assessment. Outstanding receivables and the credit worthiness of its counterparties are periodically monitored and taken up on case to case basis. The Group evaluates the concentration of risk with respect to trade receivables as low, as its customers are located in several jurisdictions representing large number of minor receivables operating in independent markets.

The credit risk on cash and bank balances, derivative financial instruments is limited because the counterparties are banks with high credit ratings assigned by international credit rating agencies.

32.6 Liquidity risk management

The Group manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities. Note 32.8 sets out details of additional undrawn facilities that the Company has at its disposal to reduce liquidity risk.

The table below provides details regarding the contractual maturities of financial liabilities including estimated interest payments as at 31 March 2021:

Included in Borrowing and interest thereon are certain borrowings which are subject to variable interest rates. Amount included in the above maturity analysis assumes interest outflows based on the year end benchmark interest rates, the actual interest rates may differ based on the changes in the benchmark interest rates.

**Other financial liabilities include deposits received from customers amounting to ₹15,948 Lakhs (31 March 2020: ₹14,892 Lakhs). These deposits do not have a contractual re-payment term but are repayable on demand. Since, the Company does not have an unconditional right to defer the payment, these deposits have been classified as current balances. For including these amounts in the above mentioned maturity analysis, the Company has assumed that these deposits, including interest thereon, will be repayable at the end of the reporting period. The actual maturity period for the deposit amount and the interest thereon can differ based on the date on which these deposits are settled to the customers.

32.7 Financial guarantee contract

The Company has provided a sponsor guarantee for USD 41.1 million (proportionate to the shareholding of 15%) towards the borrowings of Tunisian Indian Fertilisers S.A. (TIFERT), a company based in Tunisia, manufacturing phosphoric acid. In March 2017, TIFERT has requested reschedulement of installment due to the lenders and delayed the payment. The same was not agreed to by the Lenders and the acceleration notice was served on TIFERT by lenders on 28 March 2017. The loan instalment was immediately paid on 30 March 2017 by TIFERT. However, on 4 April 2017 the lenders followed up with call notice on shareholders towards guaranteed amount (Coromandel's share USD 35.25 million outstanding as on 31 March 2017). The Company alongwith other shareholders of TIFERT are in discussion with the Lenders to resolve the matter with regard to liquidity situation and operational improvements of TIFERT and also to find a solution for meeting the future debt obligations of TIFERT.

Considering the discussions held with Lenders and operational improvement achieved by TIFERT during the year, the Company reasonably considers that TIFERT would be in a position to meet the debt obligations and it is unlikely that such an event of payment under guarantee amount will arise. TIFERT has paid the subsequent half-yearly instalments that were due as per the payment schedule. The sponsor guarantee was valid upto 31 March 2018. The Company's obligation under this corporate guarantee if that amount is claimed by the counterparty to the guarantee is subject to a maximum of ₹ 10,299 Lakhs (31 March 2020: ₹ 13,707 Lakhs).

32.8 Financing facilities

The Company has access to financing facilities of which ₹3,49,821 Lakhs (2020: ₹ 3,10,699 Lakhs) were unused at the end of the reporting period. The Group expects to meet its other obligations from operating cash flows and proceeds of maturing financial assets.

32.9 Fair value measurements

Some of the Group's financial assets and financial liabilities are measured at fair value at the end of the reporting period. The following table gives information about how the fair values of these financial assets and financial liabilities are determined (in particular, the valuation techniques and inputs used):

The gratuity plan is governed by the Payment of Gratuity Act, 1972. Employee who has completed five years of service is entitled to specific benefit depending on the employee's length of service and salary at retirement or relieving age. The fund has the form of trust and it is governed by the Board of Trustees which consists of employer and employee representatives. The Board of Trustees is responsible for the administration of plan assets.

The Board of Trustees reviews the level of funding and asset-liability matching strategy in the gratuity plan to keep the scheme adequately funded for settlement of obligations under the plan.

REPORT ADOPTED BY THE BOARD OF DIRECTORS OF LIBERTY PESTICIDES AND FERTILIZERS LIMITED AT THEIR METING HELD ON JANUARY 25, 2021 EXPLAINING THE EFFECT OF THE SCHEME OF AMALGAMATION OF LIBERTY PESTICIDES AND FERTILIZERS LIMITED (TRANSFEROR COMPANY 1 OR COMPANY) AND COROMANDEL SQM (INDIA) PRIVATE LIMITED(TRANSFEROR COMPANY -2) WITH COROMANDEL INTERNATIONAL LIMITED (TRANSFEEE COMPANY) AND THEIR RESPECTIVE SHAREHOLDERS, UNDER SECTIONS 230 TO 232 AND OTHER APPLICABLE PROVISIONS OF THE COMPANIES ACT 2013, ON EACH CLASS OF SHAREHOLDERS, KEY MANAGERIAL PERSONNEL, PROMOTERS AND NON PROMOTER SHAREHOLDERS OF THE COMPANY

Background

1. The Board of Directors ("Board") of the Liberty Pesticides and Fertilizers Limited ('Transferor Company-1' or 'Company') at its meeting held on January 25, 2021, unanimously approved the Scheme of Amalgamation of the Company and Coromandel SQM (India) Private Limited (Transferor Company -2) with Coromandel International Limited (Transferee Company) and their respective shareholders ("Scheme"), under Sections 230 to 232 and other applicable provisions of the Companies act 2013 ('Act').
2. The Scheme, *inter alia*, provides for (a) the amalgamation of the Transferor Company-1 and Transferor Company-2 with the Transferee Company and dissolution of the Transferor Company-1 and Transferor Company-2 without winding up and (b) Various other matters incidental, consequential or otherwise integrally connected therewith pursuant to Sections 230 to 232 and other relevant provisions of the Act.
3. The salient features including the rationale of the Scheme were noted by the Board.
4. This report of the Board is accordingly being made in pursuance to the requirements of Section 232(2)(c) of the Act.

Valuation of the Company

1. The Company is a wholly owned subsidiary of the Transferee Company. The entire issued and paid-up equity share capital of the Company is held by the Transferee Company and its nominees. No shares of the Transferee Company shall be issued to the shareholders of the Company in lieu of the said amalgamation.
2. In view of the above, valuation report and fairness opinion are not applicable.

Effect of the Scheme on the Equity shareholders, Key Managerial Personnel, Promoters and Non-Promoter shareholders

1. Equity shareholders (including Promoter and Non-Promoter):

- i. The Company is a wholly owned subsidiary of the Transferee Company. The entire issued and paid-up equity share capital of the Company is held by the Transferee Company and its nominees. No shares of the Transferee Company shall be issued to the shareholders of the Company in lieu of the said amalgamation.
- ii. Under the Scheme on and from the Effective Date, the shares held by the Transferee Company in the Company shall, on and from the end of the Transition Period, be cancelled or shall be deemed to have been cancelled without any further act or deed for cancellation thereof by the Transferee Company and shall cease to be in existence accordingly.
- iii. There are no non-promoter shareholders in the Company.

2. Key Managerial Personnel (KMPs):

The Company does not have any KMPs and as such the scheme does not have impact on KMPs.

expected to result in synergies in business activity, and more effective and efficient management of business affairs.

Apart from the above, it would also have the following benefits:

- (iii) Reduction in the cost of overheads and improvement in professional management
- (iv). Reduction in multiplicity of legal and regulatory compliances and simplification of group structure.
- (v). Enhance the scale of operations thereby providing significant impetus to the growth of the Companies, since they are engaged in line of business that could draw upon synergies between the Transferor Companies and the Transferee Company.
- (vi). Consolidation of Transferor Companies with the Transferee Company by way of amalgamation would lead to a more efficient utilization of capital and improved financial structure.
- (vii). The benefit of consolidation of financial resources, managerial and technical expertise of the Transferor Companies and the Transferee Company shall be available to the amalgamated entity leading to the overall optimization of operational and administration costs.
- (viii) The amalgamation will rationalize and optimize the group legal entity structure to ensure greater alignment of the businesses by reducing number of legal entities and also statutory compliances.
- (ix). To achieve synergies in business activity, consolidation, focused attention, centralized administration, economy of operation, integrated business approach and greater efficiency.

7. **CONSIDERATION**

The entire issued and paid-up equity share capital of the Transferor Companies is held by the Transferee Company and its nominees. Accordingly, the shares held by the Transferee Company in the Transferor Companies shall, on and from the end of the Transition Period, be cancelled or shall be deemed to have been cancelled without any further act or deed, and accordingly, no shares of the Transferee Company shall be issued to the shareholders of the Transferor Companies in lieu of the said amalgamation.

The shares of the Transferor Companies, in relation to the shares held by its members, shall without any further application, act, instrument or deed be deemed to have been automatically cancelled and be of no effect on and from the end of the Transition Period.

8. **ACCOUNTING TREATMENT**

Accounting Treatment in the books of Transferee Company

Notwithstanding anything to the contrary herein, upon this Scheme becoming effective, the Transferee Company shall account the transaction in accordance with the applicable accounting standards specified under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, or any other relevant or related requirement under the Act, as applicable on the Effective Date.

It is submitted that upon coming into effect of this scheme, the Transferee Company shall account for the amalgamation in its books of accounts in accordance with 'pooling of interests method' of accounting as laid down in the Indian Accounting Standard (IND AS) 103 - Business Combinations and relevant clarifications issued by Institute of Chartered Accountants of India.

Accounting Treatment in the books of Transferor Companies

It is submitted that Transferor Companies shall stand dissolved without being wound up upon the Scheme becoming effective, hence there is no accounting treatment prescribed under this Scheme in the books of the Transferor Companies.

9. Counsel for the Applicant Companies has relied on the case laws to justify the present case for dispensation of conducting meetings of equity shareholders and creditors of the Transferee Company. In this connection the case laws submitted by the Counsel are mentioned below:

- a. Orders passed by Hon'ble NCLAT in the matter of Ambuja Cements Limited in Company Appeal(AT) No.19 of 2021 vide orders dated 06.04.2021.
- b. Orders passed by Hon'ble NCLAT in the matter of DLF Phase-IV, Commercial Developers Limited and Ors in Company Appeal(AT) No.180 of 2019 vide orders dated 19.08.2019.
- c. Orders passed by Hon'ble NCLT, Mumbai Bench vide orders dated 05.09.2019 in the matter of Ness Software Services Pvt Ltd Vs. Ness Technologies(India) Pvt.Ltd. in CA(CAA) No.2629/MB/2019.
- d. Orders passed by Hon'ble NCLT, Hyderabad Bench vide orders dated 06.05.2020 in the matter of Orient Software Development and Training Company Private Limited Vs. Orient Blackswan Private Limited in CA(CAA) No.57/HDB/2020.

10. **DECLARATION BY THE APPLICANT COMPANIES:**

- a. Counsel for Applicant Companies further submitted that since the wholly owned subsidiary companies are merging with the holding company so the requirement of the meetings of the shareholders and creditors are not necessary. As the entire share capital of the Transferor Companies are held by the holding company and there is no necessity to issue or allot the shares as the consideration for the amalgamation. Further the amalgamation shall not dilute the shareholding of the holding company and their rights will not be effected. Further the scheme does not affect the rights and necessity of the members of the creditors of the company pursuant to the scheme. Further submitted that the assets of the Transferee Company are more than sufficient to discharge its liabilities. Therefore there is no necessity to convene the meeting of its shareholders and creditors for obtaining their consent for the sanction of the scheme. Further submitted that the various High Courts in the matter of amalgamation under Section 391 to 394 erstwhile Companies Act 1956 which established common law that in case of wholly owned subsidiary amalgamating with the holding company, the holding company (Transferee Company) need not file a separate application for seeking the sanction of the scheme of amalgamation.
- b. Counsel for applicant Companies submitted that no investigation proceedings in relation to the Transferor Company No.1, Transferor Company No.2 or the Transferee Company under Sections 235 to 251 of the Companies Act, 1956 or the corresponding Sections 210 to 227 of the Companies Act, 2013 are pending against the respective Applicant Companies.

- c. Further submitted that Transferor Company No.1 and the Transferor company No.2 being unlisted companies, no approval is necessary from any stock exchange. It is submitted that the proposed Scheme being a Scheme of arrangement involving amalgamation of two wholly owned subsidiaries with their holding company, by virtue of Regulation 37(6) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 [the "SEBI (LODR)"], the Transferee Company is not required to obtain an Observation/No Objection letter from Stock Exchanges.
- d. In view of the above facts and circumstances, it is respectfully submitted that since the Scheme does not envisage any arrangement or compromise with the shareholders or creditors of the Transferee Company, the Transferee Company is not required to convene meetings of its shareholders and creditors for obtaining their consents for the Scheme.
11. In the light of above facts, the Applicant Companies urged this Tribunal to order the following:
To dispense with the requirement of convening the meeting of the Equity Shareholders, Secured and Unsecured Creditors of the Applicant Companies.
and pass such other order or orders as this Hon'ble Tribunal may deem fit and proper in the circumstances of the case in the interest of justice and equity.
