PURPOSE AND RATIONALE OF THE SCHEME OF AMALGAMATION

This Scheme of Amalgamation (hereinafter called ‘the **Scheme**’) is presented under Sections 230 – 232 and 234 and other applicable provisions, if any, of the Indian Act (as defined in clause 1.1 hereinafter) and Sections 261 to 264 and other applicable provisions, if any, of the Mauritius Act (as defined in clause 1.7 hereinafter), for amalgamation of RightMatch into and with R Systems. The Indian Act enables a foreign transferor company to merge into an Indian transferee company.

RightMatch forms part of the promoter and promoter group of R Systems. It presently holds 8,828,489 equity shares constituting about 7.34% of total paid-up equity share capital of R Systems.

Pursuant to the proposed amalgamation, individual shareholders of RightMatch who are part of the promoter and promoter group of R Systems (**‘Promoters’**) would directly hold the shares in R Systems which are currently held by RightMatch in the same proportion as they currently hold shares in RightMatch.

This amalgamation would not only lead to simplification of the shareholding structure and reduction of shareholding tiers but also demonstrate the Promoter’s direct commitment to and engagement with R Systems. It would also result in overall reduction in administrative, managerial and other expenditure and operational rationalization, organizational efficiency and optimum utilization of various resources.

There would be no change in the Promoter and Promoter Group shareholding of R Systems as a result of amalgamation of RightMatch into R Systems. The promoters and Promoter Group of R Systems would continue to hold the same percentage of shares in R Systems, pre and post the amalgamation of RightMatch into R Systems.

All costs, charges, taxes including duties, levies and all other expenses, if any, arising out of or incurred in connection with and implementing this Scheme and matters incidental thereto shall be borne by RightMatch and / or its members. No cost, charges, taxes pertaining to the Scheme shall be borne by R Systems.

Further, the Scheme also provides that Promoters shall indemnify R Systems and keep R Systems indemnified for any contingent liabilities and obligations including all demands, claims, suits, proceedings etc. which may be made or instituted by any third party(ies) including governmental authorities on R Systems and are directly relatable to RightMatch or which may devolve on R Systems on account of this amalgamation.

In consideration of the above mentioned rationale, this Scheme between RightMatch and R Systems is being proposed in accordance with the terms set out hereunder.
