# US probes if VW infringed JLR patents

Claims have no merit, will robustly defend our position, says German automaker

DAVID SHEPARDSON  
22 December

The US International Trade Commission (ITC) said on Monday it is opening an investigation into whether German automaker Volkswagen AG infringed on patents held by Jaguar Land Rover for a system used for off-road driving.

In November, Jaguar Land Rover, a unit of Tata Motors, filed a complaint with the ITC seeking to prevent the import of some VW Porsche, Lamborghini and Audi models with "certain vehicle control systems" that allegedly infringe on its patents.

The models include the Lamborghini Urus, Porsche Cayenne and Audi's Q6, Q7, Q5, A6 Allroad, and e-tron vehicles and the VW Tiguan. The ITC said it has made no decision on the merits.

VW said in a statement it was examining the action and determining its next steps.

While we cannot comment on any details of the proceedings, we strongly believe that the claims have no merit and will robustly defend our position," VW said.

Jaguar Land Rover (JLR) said the vehicles "have used JLR's patented inventions without payment or permission" notably a patent for an "improved system for driving a vehicle on different driving surfaces, in particular off-road." JLR says its Terrain Response technology uses the patented technology to maximise performance on off-road driving surfaces, including grass, snow, mud, sand and rocks.

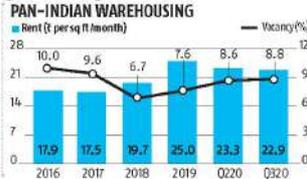

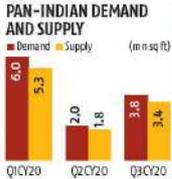

In November, Tata-owned JLR filed a complaint, seeking to prevent the import of some VW Porsche, Lamborghini and Audi models

## WAREHOUSING SECTOR ADDS 3.45 MN SQ FT IN Q3, A RISE OF 88%

About 3.45 million square feet of warehousing stock was added in Tier 1 cities in the third quarter of calendar year (CY20), indicating a growth of 88 per cent compared to the previous quarter and a reduction of 34 per cent compared to Q3CY19. Around 3.81 mn sq ft was absorbed in Tier 1 cities in Q3CY20, indicating an increase of 93 per cent compared to the previous quarter and a decline of 33 per cent compared to Q3CY19, according to data analytics firm CRE MATRIX.

**MAJOR WAREHOUSING TRANSACTIONS**

Tenant	Area (sq ft)	Rentals (₹ per sq ft*)
Mahindra Logistics	268,800	14.8
Whokom Trading	201,700	19.5
Amazon	190,200	19.6
Ismartu India	145,000	22.1
Amazon	139,000	19.5

## Bajaj Auto to invest ₹650 cr in new plant in Maharashtra

SHALY SETH MOHILE  
Mumbai, 22 December

Bajaj Auto has signed an agreement with the Maharashtra government to set up a manufacturing facility, the company said in a notification to the stock exchange on Tuesday. As part of the agreement, the Pune-based company has proposed an investment of ₹650 crore in Chakan, Maharashtra.

The unit is expected to start producing high-end KTM, Husqvarna and Triumph motorcycles as well as some EVs in 2023.

Triumph motorcycles as well as for electric vehicles (EVs) starting with Chetak, the firm said.

The investment comes at a time when most auto firms are straddled with excess capacities. The outbreak of the pandemic in February, which led to a nationwide slowdown in the following months, added more speed bumps to an already slowing auto market. Propped up by dispatches for the festive season, India sold 1.6 million two-wheelers in November, posting a 60% growth of 134.3 per cent. Sales are

expected to cool off in the coming months as demand remains weak. Bajaj is the second firm to announce investment in a facility to make e-scooters. Last week, mobility services provider Ola said it will set up its first EV manufacturing plant in Tamil Nadu and invest ₹2,400 crore. The Maharashtra government will help Bajaj Auto in obtaining necessary permissions, registrations, approvals, clearances and fiscal incentives. "This further reinforces the commitment of Bajaj to Maharashtra where the journey began. And it is being done in a year when Bajaj Auto celebrates its 75th anniversary," the firm said.

## GIC, ESR form \$750-mn JV to invest in logistics

RAGHAVENDRA KAMATH  
Mumbai, 22 December

Singapore's sovereign wealth fund GIC and Hong Kong logistics developer ESR Cayman on Tuesday said they have formed a \$750-million joint venture (JV) to develop and acquire industrial and logistics assets in the country. It will be an 80:20 partnership deal, focusing on Tier 1 and Tier 2 cities.

The JV will be seeded with a \$2.2 million sq ft in-built-to-convert asset, located in close proximity to the large consumption hubs of Mumbai and Thane in Maharashtra. ESR was recently in news for being in the race to acquire Warburg Pincus-backed Embassy Industrial Parks. The talks fell through due to differences over valuations. In 2018, GIC had formed a JV with K Raheja Corp to build and acquire warehouses in the country, which did not make much headway. GIC has a JV with DLF for commercial properties and a tie-up with Brigade Enterprises. Kishore Gotety, co-head (Asia ex-China) of real estate at GIC, said, "Continued e-commerce growth in India over the long term, reinforced by rising internet penetration, is

expected to drive strong demand for industrial and logistics assets. "This is further supported by the emphasis on infrastructure development, changing supply chains, and low vacancy levels. This JV is well-positioned to benefit from these tailwinds, bring institutional-grade assets into this market, and generate resilient returns."

Banking on the growth of e-commerce and implementation of the goods and services tax regime, several investors such as Canada Pension Plan Investment Board (CPPIB), Warburg Pincus and

Morgan Stanley have invested in warehousing ventures in the country. CPPIB formed a JV with Everstone-backed Indospace with an investment of over \$1 billion. Warburg set up a JV with Embassy Group and invested in Stellar Value Chains floated by Anshuman Singh, former chief executive officer (CEO) of Future Supply Chains.

"This strategic partnership provides us with immediate scale to capitalise on the early growth stages of India's rapidly modernising industrial and logistics landscape and tap high-growth opportunities and further expand our portfolio," said Abhijit Malkani and Jal Mirpur, country heads, ESR India. Jeff Chen and Stuart Gibson, co-founders and co-CEOs of ESR, said, "We have a strong conviction in the growth prospects of India's logistics real estate. Our seasoned local management team led by Malkani and Mirpur, will continue to leverage our prime logistics assets, deep market expertise, unrivalled track record in fund management and asset management to reinforce ESR's robust growth and leading position in the Indian market."

## Embassy REIT raises ₹3.5K cr to buy IT park

SAMREEN AHMAD  
Bengaluru, 22 December

Blackstone-backed Embassy Office Parks REIT (real estate investment trust) has raised ₹3,680 crore (\$501 million) through an institutional placement of its units. The proceeds from this placement will be utilised to fund the REIT's proposed acquisition of information technology park Embassy TechVillage (ETV) in Bengaluru for \$1.3 billion, which was announced in November. The transaction is expected to close by the end of this month.

"The strong demand for our offering amid market uncertainties and the ongoing pandemic testament to the confidence in Embassy REIT's inorganic growth strategy of owning quality office assets, such as ETV," said Mike Holland, chief executive officer of Embassy Office Parks—the first-ever REIT in the country.

"This institutional placement of new units diversifies our unitholder register, enhances the liquidity of our units, and is expected to facilitate the REIT's potential inclusion in additional global benchmark equity indices."

The securities committee of the board of directors of Embassy Office Parks Management Services, manager to Embassy REIT, approved the issuance and allotment of ₹1,335.400 new units through this institutional placement in a meeting on Tuesday.

Listed in April 2019, Embassy REIT owns and operates a 33.3-million square feet (msf) portfolio. As part of the ETV deal, Embassy REIT will be acquiring 6.1 msf of completed area, 3.1 msf of under-construction area - of which 36 per cent is pre-leased to JP Morgan - and two proposed 318-keys Hilton hotels within the overall ETV campus as part of the deal. It will make Embassy REIT the largest in Asia Pacific in terms of area.

**NOTICE**  
(For the attention of the Equity Shareholders of the Company)  
**Mandatory transfer of Equity Shares of the Company to Investor Education and Protection Fund (IEPF)**

This notice is published pursuant to the provisions of the Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016 ("the Rules") as amended.

In accordance with the requirements as set out in the Rules, the Company will be initiating transfer of Shares in respect of Interim Dividend declared for the Financial Year 2013-14 and Final Dividend declared for the Financial Year 2013-14 which remained unclaimed for seven consecutive years to Investor Education and Protection Fund (IEPF) and the transfer process will be completed by March 24, 2021 and September 27, 2021 respectively. In compliance with the Rules, the Company has individually communicated to the shareholders and the details of Shares liable for transfer to IEPF is being made available in our Company's website www.wipro.com/investors for reference.

No transfer of such shares to the IEPF will be effected by the Company where there is a specific order of Court/Tribunal restraining transfer of such shares or where the shares hypothecated/pledged under the Depositories Act, 1996.

Shareholders holding shares in physical form and whose shares are liable to be transferred to IEPF, the Company will issue duplicate share certificates in lieu of the original held by them and convert the same in to demat form and initiate transfer to IEPF by way of a corporate action. The original physical share certificates which are registered in the name of original shareholders will stand automatically cancelled and become non-negotiable. In respect of shareholders holding shares in demat form and whose shares are liable to be transferred to IEPF, the Company will initiate transfer of the same by way of a corporate action for transfer to IEPF.

Please note that no claim shall lie against the Company in respect of unclaimed Dividend amount and Shares transferred to IEPF pursuant to the Rules.

Shareholders desirous of claiming the above mentioned shares and all benefits accruing on such shares including dividend, if any, from IEPF Authority may follow the procedure as outlined in Rule 7 of Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016.
