SC Soft expands its footprints in LATAM market with an order win in Costa Rica

28th February, 2022

SC Soft Pte Ltd, Singapore, an Aurionpro subsidiary, announces an order win to design, develop & supply of on-board validators supporting the upgradation to EMV open loop ticketing for the 200 pilot buses in Costa Rica. The scope of the project includes delivery of SC SOFT's SCV 500 touch screen EMV validators, supporting validation of QR ticket. The order is valued at USD 225,000 which covers the supply of equipment and implementation by the end of Q2 -2022, followed by the maintenance & support post warranty.

Mr. Sanjay Bali, CEO - SC Soft, while announcing this pilot order said that "this win is significant as it emphasizes our growing presence in this market and also marks our business efforts and partnerships in LATAM market which are bearing fruits. We are delighted at this win and we expect to further cement our presence in global markets going forward."
