#### Q4FY22 – Key Performance Variables

## Management Commentary:

*We have worked through all the challenges with gumption and resolve and the results showcase our efforts. The forensic audit has been completed. The forensic auditor's report does not show any material financial impact. The financial statement for FY 2022 shows that the company is now positioned to grow at a rapid pace. We have re-generated a pipeline of new loan proposals related to various sunshine sectors. We are now positioned to contribute significantly to India's target of Net Zero emission economy. We are taking steps to contribute towards Green Hydrogen, sustainable agricultural projects – Biomass etc, water treatment projects, electric mobility, renewable energy projects, power transmission, waste management facilities and other sustainable green infrastructure finance projects. Our initiatives will drive the company's growth and help us to achieve our vision of becoming a leader in sustainable green infrastructure financing.*
