Subject: Special Low Silhouette Knuckle Boom Crane designed by ACE for Ministry of Defence

Dear Sir/Madam,

Pursuant to Regulations 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, we wish to inform that in continuation of our efforts to expand business in the Defence Sector, Action Construction Equipment Limited ("the Company") has developed an indigenous Special Low Silhouette Knuckle Boom Crane for DRDO, Ministry of Defence (MoD).

The Company has received a letter of Intent from Tata Advanced Systems Limited for manufacturing and supply of the said cranes which have been integrated on TATA HMV 8X8 chassis.

The said Knuckle Boom Cranes of the specified capacity are the first of its kind being developed by an Indian company using advanced technology.

Action Construction Equipment Limited qualified by proving the capability of the system through comprehensive testing and these special purpose cranes demonstrate our efforts under the "Make in India" and "AatmaNirbhar Bharat" initiatives of our Government.

This is for your information and record please.

Thanking you

For Action Construction Equipment Limited

Anil Kumar
Company Secretary
