Independent Auditor's Review Report on the Unaudited Standalone Financial Results of the Company pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015, as amended, for quarter and half year ended 30th September 2023

**TO  
THE BOARD OF DIRECTORS OF  
KOTHARI INDUSTRIAL CORPORATION LIMITED**

We have reviewed the accompanying statement of Unaudited Standalone Financial Results of **KOTHARI INDUSTRIAL CORPORATION LIMITED** ("the Company") for the quarter and half year ended September 30, 2023 ("The Statement"), being submitted by the Company pursuant to the requirement of Regulation 33 of the Securities and Exchange Board of India ("SEBI") (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended. This statement which is the responsibility of the Company's Management and approved by the Board of Directors has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, 'Interim Financial Reporting' (Ind AS 34) prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to issue a report on these financial statements based on our review.

We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Based on our review conducted as above, nothing has come to our attention, that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with applicable Indian Accounting Standards specified under section 133 of the Companies Act, 2013, read with relevant rules issued thereunder and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement except for the matters highlighted in the qualification paragraph.

### Qualifications:

- 1) The Financial statement has been presented on principles applicable to going concern despite accumulated losses and consequent erosion of networth. There is also significant mismatch between current liabilities and current assets. Therefore, there is a material uncertainty in fulfilling the gaps within reasonable time. It is reported that significant amount of money is being made available from time to time by Associate companies of Managing Director for working funds and settlement of old creditor and would continue to do so. Further, it is reported that the business plan envisaged by Management provides for large scale expansion with injection of finance. On this basis, the Company has prepared the financial statements on going concern basis (Refer Note No 4).
- 2) We draw attention to Note No 8 to the unaudited results stating that interest has not been accrued in the books as communicated by the lender since the actual interest payments were not being made by the Company and the interest already accrued in the previous years and not paid amounting to Rs 1125.51 lakhs have been reversed and disclosed under exceptional items. However, since the lender has only deferred the interest due and not given a waiver of interest, the Company shall accrue interest that would be payable in the future on such loans. To the extent of (a) the interest pertaining to previous years reversed during the half year aggregating to Rs 1125.51 lakhs (b) to the extent of the interest accrued for the during first quarter Rs 328.16 lakhs and (c) current quarter which could not be ascertained, profit is overstated for the quarter and half year ended 30-09-2023.

### Other matters

- a) We draw attention to Note No 5 where No provision has been made in respect of any loss that may arise due to the claim by the Government against the Coonoor property which is pending adjudication in the Madras High Court
- b) We draw attention to Note No 6 where the company has made a compromise agreement with SPIC where out of an outstanding amount of Rs 55 lakhs, Rs 30 lakhs has been paid during this half year and the balance will be paid subsequently.
- c) We draw attention to Note No 7 where the Company has entered into a sale deed with M/s Coromandel International Limited for sale of part of land and the factory for a consideration of Rs 50.28 crores. Pending registration of the sale deed sub-Registrar and ceding full possession in favour of the buyer, the sale consideration is kept as a security deposit against loan from Parveen Roadways P. Limited which has a lien on the land.

Our opinion is not modified in respect of the above matter as stated in (a),(b) & (c) above.

Independent Auditor's Review Report on the Unaudited Consolidated Financial Results of the Company pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015, as amended, for quarter and half year ended 30th September 2023

**TO**  
**THE BOARD OF DIRECTORS OF**  
**KOTHARI INDUSTRIAL CORPORATION LIMITED**

We have reviewed the accompanying Statement of Unaudited Consolidated Financial Results of **KOTHARI INDUSTRIAL CORPORATION LIMITED** ("the Holding Company") and its subsidiary (the Holding Company and its subsidiary together referred to as "the Group") for the quarter and half year ended September 30, 2023 ("the Statement"), being submitted by the Holding Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended including relevant Circular issued by SEBI from time to time.

This Statement, which is the responsibility of the Holding Company's Management and approved by the Holding Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34") prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on these Statements based on our review.

We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33(8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, to the extent applicable.

The Statement includes the results of Kothari Marine International Limited, a Subsidiary Company incorporated in India.

Based on our review conducted and procedures as stated above, nothing has come to our attention that causes us to believe that the accompanying Statements of Consolidated Unaudited Financial Results based on the consideration of management certified financials information of the subsidiary prepared in accordance with recognition and measurement principles laid down with aforesaid Accounting Standard and other accounting principles generally accepted in India has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement except for the matters included in the paragraph of qualifications as below.

**Qualification:**

- 1) The Financial statement has been presented on principles applicable to going concern despite accumulated losses and consequent erosion of networth. There is also significant mismatch between current liabilities and current assets. Therefore, there is a material uncertainty in fulfilling the gaps within reasonable time. It is reported that significant amount of money is being made available from time to time by Associate companies of Managing Director for working funds and settlement of old creditor and would continue to do so. Further, it is reported that the business plan envisaged by Management provides for large scale expansion with injection of finance. On this basis, the Company has prepared the financial statements on going concern basis (Refer Note No 4).
- 2) We draw attention to Note No 8 to the unaudited results stating that interest has not been accrued in the books as communicated by the lender since the actual interest payments were not being made by the Company and the interest already accrued in the previous years and not paid amounting to Rs 1125.51 lakhs have been reversed and disclosed under exceptional items. However, since the lender has only deferred the interest due and not given a waiver of interest, the Company shall accrue interest that would be payable in the future on such loans. To the extent of (a) the interest pertaining to previous years reversed during the half year aggregating to Rs 1125.51 lakhs (b) to the extent of the interest accrued for the during first quarter Rs 328.16 lakhs and (c) current quarter which could not be ascertained, profit is overstated for the quarter and half year ended 30-09-2023.

**Other Matter**

- 1) We draw attention to Note No 5 where No provision has been made in respect of any loss that may arise due to the claim by the Government against the Coonoor property which is pending adjudication in the Madras High Court
- 2) We draw attention to Note No 6 where the company has made a compromise agreement with SPIC where out of an outstanding amount of Rs 55 lakhs, Rs 30 lakhs has been paid during this half year and the balance will be paid subsequently.
- 3) We draw attention to Note No 7 where the Company has entered into a sale deed with M/s Coromandel International Limited for sale of part of land and the factory for a consideration of Rs 50.28 crores. The sale deed is pending for registration with the Registrar and full possession is not given to the buyer. Hence, the sale

consideration is kept as a security deposit against Parveen Roadways P. Limited which has a lien on the land.

Our opinion is not modified in respect of the above matter

We did not review the financial results and other information of the Subsidiary, Kothari Marine International Limited whose financial information have been certified and furnished by the management and whose interim financial results reflect total assets of Rs. 9.51 Lakhs as at September 30, 2023 and total net loss after tax of Rs. 0.076 Lakhs for the half year ended September 30, 2023, as considered in the Consolidated Unaudited Financial Results. Our report is not modified in respect of the matter.
