In terms of the provisions of Section 102 of the Companies Act, 2013, Secretarial Standard on General Meetings (SS-2) and the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, the following statement sets out the material facts regarding the item included in this Postal Ballot Notice:

**Background: -**

The annual consolidated total income of the company as on March 31,2022 was Rs. 34,429 crores.

3. KTM sells motorcycles, spare parts and accessories in Europe and are global importers. BAL is a strategic partner and a key supply source for KTM. Through this arrangement, BAL plans to expand market share across various markets around the world, including in India and with better visibility in European markets.
4. The related party transactions with KTM generally relate to the following:
  - a. Sale of vehicles and material (such as spare parts / components)
  - b. Royalty payment
  - c. Services rendered by BAL
  - d. Purchase of accessories and merchant purchase

The following is the summary of transactions under the aforesaid heads for FY 22 and H1/FY 23:

6. As part of these arrangements, BAL proposes inter alia to sell vehicles, spares, components, accessories and such other products and provide services to KTM. This represents a major part of the related party transactions as is evidenced from the table above. Simultaneously, BAL proposes to purchase various materials and seek services from KTM in relation to this business. These transactions will enable BAL scale up its business on KTM portfolio in the years ahead and also ensure high and consistent flow of desired quality and quantity of product without interruptions.
7. The management has provided the Audit Committee with relevant details, as required under law, of various proposed RPTs with KTM for an aggregate value of up to Rs. 1,500 crores to be entered into during FY 2022-23. The Audit Committee has noted that the said transactions will be on arms' length basis and commercial terms in the ordinary course of business.
8. This proposal is being put up and recognises the growing volume and scale of KTM's products in BAL's overall business. Therefore, the proposal is to be seen from the lens of being an enabler to BAL's future growth.
