The management of the Company is responsible for ensuring a secured framework and robustness of the electronic voting systems.

My responsibility as a Scrutinizer for e-voting process (i.e. remote e-voting) and Ballot process is restricted to making a Scrutinizer's report for the votes cast by the members "in favour" or "against" the resolutions contained in the Notice calling the AGM of the Company, based on the reports generated from the e-voting platform of NSDL, the authorized agency engaged by the Company to provide such facility and scrutiny.
