Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

#### 21. AUDITORS

##### a. STATUTORY AUDITORS

At the 84th Annual General Meeting of the Company held on September 27, 2019, M/s. Patkar & Pendse, Chartered Accountants (ICAI Firm Registration No. 107824W), were appointed as Statutory Auditors of the Company for a period of 4 years from the conclusion of the 84th Annual General Meeting up to the conclusion of the 88th Annual General Meeting.

M/s. Patkar and Pendse, Chartered Accountants vide their letter dated November 13, 2020 resigned as Statutory Auditors of the Company. The reason for the Resignation stated that the Senior Auditor Partner's health affected the Firm's capacity and capability to handle the audits and other attestation assignments in the future, where he was actively involved. The

other partners, inducted into the Firm as Partners w.e.f.1.4.2020, were attempting to reorganize the activities of the Firm to meet commitments in these uncertain and challenging times. In the above circumstances and to ensure no disruption to the Company's time and work schedule, the Auditors resigned.

Therefore, pursuant to the provisions of the Companies Act, 2013 read with the Companies (Audit and Auditors) Rules, 2014 (including any statutory modification(s) or enactments(s) thereof, for the time being in force), in place of the casual vacancy caused by the resignation of M/s. Patkar & Pendse, Chartered Accountants, the members of the Company at its 85th Annual General Meeting held on December 23, 2020 appointed M/s. Anil Masand & Co., Chartered Accountants (ICAI Firm Registration Number 100412W) as Auditor of the Company up to conclusion of the forthcoming Annual General Meeting.

The Board of Directors recommend the appointment of M/s. Anil Masand & Co., Chartered Accountants, as the Statutory Auditors from the conclusion of the Eighty Sixth Annual General Meeting up to the conclusion of the Ninetieth Annual General Meeting of the Company.

The Statutory Auditor's Report to the Members on the Financial Statements of the Company for the year ended March 31, 2021 contains the following qualification, reservation or remarks:

No provision has been made for the present value of the accrued Gratuity Liability (net of funds lying with LIC of India) and valued actuarially by an independent actuary as at March 31, 2021 amounting to Rs.276 lakhs (Previous year Rs.276.63 lakhs) which constitutes a departure from the Indian Accounting Standards on Employee Benefits (Ind. AS 19) referred to in Section 133 of the Act (refer note no. 26.1 of the financial statements). This liability is after accounting for provision made during the year under audit of Nil (Previous year is Nil). In our opinion, this has a corresponding effect on the loss and Reserves and Surplus of the Company as at March 31, 2021 and reversal of the leave encashment provision of earlier years of Rs. 19.35 lakhs due to the management's decision of not allowing any leave encashment.

#### **Management's Reply:**

The present value of accrued Gratuity liability as determined by an Actuary as at March 31, 2021 was Rs. 352.75lacs (Previous year Rs. 353.10 lacs). The balance lying in the contributory fund with the Life Insurance Corporation of India (LIC) as at March 31 2021 is Rs. 1.75 lacs (Previous Year Rs. 1.47 lacs). Provision for gratuity made till March 31 2021 75 lacs (Previous year Rs.75 lacs). The net liability of Rs. 276 lacs as at year end (Previous Year Rs. 276.63 lacs) has not been recognized in the Accounts as required under the Ind AS 19 i.e., Employee Benefits, notified by Companies (Accounts) Rules, 2014. Consequently, as against the charge to the profit and loss account of Rs. Nil (Previous Year Nil), the expense determined by the Actuarial Valuation is Rs. 276 Lacs (Previous Year Rs. 276.63 lacs). However, the Company expects to meet this liability in due course with enhanced funding of the Contribution to L.I.C. or upon actual payment to employees as has been done in earlier years.

#### **b. COST AUDITORS**

With reference to the Companies (Cost Records and Audit) Rules 2014, as prescribed by the Central Government in Section 148 of the Companies Act, 2013, the Company is not covered under the rules of the Companies (Cost Records and Audit) Rules, 2014, for maintenance of Cost records.

## INDEPENDENT AUDITORS' REPORT

To the Members of  
**THE RAVALGAON SUGAR FARM LIMITED**

### REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS

#### QUALIFIED OPINION

We have audited the accompanying financial statements of **THE RAVALGAON SUGAR FARM LIMITED** ("the Company"), which comprise the Balance Sheet as at March 31, 2021, the Statement of Profit and Loss including (Other Comprehensive Income), Cash Flow Statement and Statement of Changes in Equity for the year then ended and notes to the financial statements including a summary of significant accounting policies and other explanatory information (hereinafter referred to as 'financial statements.')

In our opinion and to the best of our information and according to the explanations given to us, subject to cumulative non- provision for gratuity liability of Rs. 276 lakhs (after considering provision made during earlier years of Rs.75 lakhs) and the write back of the provision for leave encashment of earlier years of Rs. 19.35 lakhs and their corresponding impact on loss for the year and reserves and surplus balance, the aforesaid financial statements give the information required by the Companies Act, 2013 ('the Act') in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, the loss and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

#### BASIS FOR QUALIFIED OPINION

No provision has been made for the present value of the accrued Gratuity Liability (net of funds lying with LIC of India) and valued actuarially by an independent actuary as at March 31, 2021 amounting to Rs.276 lakhs (Previous year Rs.276.63 lakhs) which constitutes a departure from the Indian Accounting Standards on Employee Benefits (Ind. AS 19) referred to in Section 133 of the Act (refer note no. 26.1 of the financial statements). This liability is after accounting for provision made during the year under audit of Nil (Previous year is Nil). In our opinion, this has a corresponding effect on the loss and Reserves and Surplus of the Company as at March 31, 2021 and reversal of the leave encashment provision of earlier years of Rs. 19.35 lakhs due to the management's decision of not allowing any leave encashment.

We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

#### KEY AUDIT MATTERS

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current year. These matters were addressed in the context of our audit of the financial statements and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matter described below to be the key audit matter to be communicated in our report.

**Deferred Tax Assets:** The company had recognized deferred tax assets during the earlier years on deductible temporary differences, unused tax losses/ unabsorbed depreciation, that it believes are recoverable. The recoverability of recognized deferred tax assets is dependent on the company's ability to generate future taxable profits sufficient to utilize the deductible temporary differences and tax losses. We have determined this to be a key audit matter, due to inherent uncertainty in forecasting the amount and timing of future taxable profits and the reversal of temporary differences. (Refer note 6 to the Financial Statements)

Auditor's response: Our audit procedures in this area included-

- reconciling tax losses and expiry dates to tax statements
- assessing the company's view to restrict recognition of deferred tax assets to Rs. 458.96 lakhs in view of its past performance and uncertainty of generating future taxable profits.
- Evaluating the adequacy of disclosure in financial statements.

**INFORMATION OTHER THAN THE FINANCIAL STATEMENTS AND AUDITOR'S REPORT THEREON**

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements, or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

**MANAGEMENT'S RESPONSIBILITY FOR THE FINANCIAL STATEMENTS**

The Company's management and Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 with respect to the preparation of these financial statements that give a true and fair view of the state of affairs, profits/losses and other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards (Ind AS) specified under section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparation the financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's reporting process.

**AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure A, a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

Deferred income tax is provided in full, using the liability method on temporary differences arising between the tax bases of assets and liabilities and their carrying amount in the financial statement. Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are excepted to apply when the related deferred income tax assets is realised or the deferred income tax liability is settled.

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses, only if, it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the Company has a legally enforceable right to offset and intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

Current and deferred tax is recognised in the Statement of Profit and Loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively Minimum Alternate Tax (MAT) credit is recognised as deferred tax asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. Such asset is reviewed at each Balance Sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer a convincing evidence to the effect that the Company will pay normal income tax during the specified period.

The cash flow from operating, investing and financing activities of Company are segregated.

**h) Trade Receivables**

**i) Inventories**

Cost formula used are 'First in-First-out', 'Weighted Average cost'. Due allowance is estimated and made for defective and obsolete items, wherever necessary.

**j) Property, Plant and Equipment**

Freehold land is carried at historical cost. All other items of property, plant and equipment are stated at historical cost less depreciation. Historical cost includes expenditure that is directly attributable to the acquisition of the items. Cost may also include transfers from equity of any gains or losses on qualifying cash flow hedges of foreign currency purchases of property, plant and equipment.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

### Transition to Ind AS

On transition to Ind AS, the Company has elected to continue with the carrying value of all of its property, plant and equipment recognised as at April 1, 2016 measured as per the previous GAAP and use that carrying value as the deemed cost of the property, plant and equipment.

### Depreciation methods, estimated useful lives and residual value

Depreciation is calculated using the straight-line method to allocate their cost, net of their residual values, over their estimated useful lives or, in the case of certain leased furniture, fittings and equipment, the shorter lease term as follows:

Asset Class	Useful Life
Freehold land	-
Leasehold land	As per lease life
Buildings	60 Years
Furniture and fixtures	10 Years
Office equipments	5 Years
Vehicles	8 Years

### Impairment of Assets

At each Balance sheet date, the management reviews the carrying amount of its assets and goodwill included in each Cash generating Unit to determine whether there is any indication that those assets were impaired. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of impairment loss. Recoverable amount of an asset is the higher of an asset's net selling price and value in use. In assessing value in use, the estimated future cash flows from the continuing use of the asset and from its disposal are discounted to their present value using a pre-tax discount rate that reflects the current market assessments of time value and the risks specific to the asset. Reversal of impairment loss is recognized immediately as income in the profit and loss account.

### k) Investments

Long-term investments are carried at cost. However, provision for diminution is made to recognise a decline, other than temporary, in the value of investments, such reduction being determined and made for each investment individually.

Current Investments are valued at lower of cost or fair value.

### l) Borrowing costs

Borrowing cost directly attributable to acquisition of Qualifying Fixed Assets is capitalised. All other borrowing costs are charged to Profit and Loss Account

### m) Trade and Other Payables

These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. The amounts are unsecured and are usually paid on recognition. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period.

### n) Provisions and Contingent Liabilities

A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are determined based on the best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates.

Contingent liabilities are disclosed in respect of possible obligations that arise from past events, whose existence would be confirmed upon the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the Company.

**o) Employee Benefits****Short-term obligations**

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled.

**Gratuity obligations**

In respect of Post employment benefits viz. Gratuity, the Company has a master policy with LIC under Group Gratuity Scheme for its employees. The company provides / contributes to LIC Group Gratuity Scheme for future payments of retirement gratuity to the employees as determined by Management.

**p) Segment reporting**

Earlier the company had two reportable segments in the form of sugar and confectionery. But the sugar factory was not operating since FY 2013-14. It was subsequently sold in September 2019. Similarly the candy sugar plant has not been in operation since FY 2004-05 and this was sold during the third quarter. In view of this sales, separate segmented results are not given and the company has only one segment that is '**Confectionery.**'

**q) Contributed Equity**

Equity shares are classified as equity.

Incremental costs directly attributable to the issue of new shares or options are shown in equity as a deduction, net of tax, from the proceeds.

**i) Earnings per Share**

Basic earnings per share is calculated by dividing:

- The profit attributable to owners of the Company
- By the weighted average number of equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year.

**Diluted earnings per share**

Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account:

- the after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and
- the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

**ii) Dividends to shareholders**

Annual dividend distribution to the shareholders is recognised as a liability in the period in which the dividends are approved by shareholders. Any interim dividend paid is recognised on approval by board of directors. Dividend payable and corresponding tax on dividend distribution is recognised directly in equity.

Hence no further deferred tax asset has been created.

#### ii) Defined Benefit Plan and long term employee benefits.

**Gratuity:** The Company has a defined benefit gratuity plan. Every employee who has completed five years or more of service gets a gratuity on death or resignation or retirement at 15 days [last drawn salary] for each completed year of service. The scheme is funded with an insurance company in the form of a qualifying insurance policy.

**Leave Wages:** The leave wages are not payable any employees at the of any accumulated leave on death or on resignation or upon retirement on attending superannuation age hence the provision for leave encashment is not made in the books of accounts and the previous year provision has been reversed in the books of accounts as liability no longer payable. Due to the change in the policy the profit for the year has increased by an amount of Rs. 19.35 lakhs on account of write back of provisions no longer required.

The employees' gratuity fund scheme managed by Life Insurance Corporation of India is a defined benefit plan. The present value of obligation is determined based on actuarial valuation using the Projected Unit Credit Method, which recognizes each period of service giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation. The obligation for leave encashment is recognized in the same manner as gratuity.
