Review Report to
The Board of Directors of
Kellton Tech Solutions Limited

1. We have reviewed the accompanying statement of unaudited standalone financial results of **Kellton Tech Solutions Limited** ("Company") for the quarter ended Dec 31, 2019 and year to date from April 1, 2019 to Dec 31, 2019 (the "Statement") attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended ("The Regulation"). This statement is the responsibility of the Company's Management and has been approved by the Board of Directors of the Company. 2. We conducted our review in accordance with the Standards on Review Engagements (SRE) 2410 – 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity' issued by the Institute of Chartered Accountants of India. Notes:

1. *Assets and liabilities used in the company's business are not identified to any of the reportable segment as these are used interchangeably between segments. The management believes that it is not practicable to provide segment disclosures related to total assets and liabilities since meaningful segregation of the available data is onerous.
2. Figures of the corresponding previous periods are regrouped and reclassified wherever considered necessary to correspond with current period's presentation.
4. The Statutory Auditors of the Company have conducted a limited review of the financial results for the quarter and nine months ended December 31st, 2019 pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligation and Disclosure Requirements) Regulation 2015 and have given an unqualified opinion in their report. These financial results have been reviewed by the Audit Committee and thereafter approved by Board of Directors at their respective meetings held on February 14th, 2020.
4. **Adoption of new accounting standard on Leases- Ind AS-116:** Effective 01/04/2019, the Company has adopted Ind AS-116 'Leases', using modified retrospective approach, and has taken cumulative adjustment to retained earnings on the date of initial application. As permitted by the standard, the comparatives for the earlier period/ year have not been restated. On transition, the adoption of the new standard resulted in recognition of Right-of-Use (ROU) asset and a lease liability. The effect of this adoption is insignificant on the profit for the period and earnings per share.
