Dear Sir / Madam,

Subject: Disclosure pursuant to Regulation 30 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015

The Ministry of Agriculture and Farmers' Welfare, Government of India published an Order in the Official Gazette on October 25, 2022, restricting the use of glyphosate only through pest control operators (PCOs).

The Company is in the process of assessing the implications of the Order and will take appropriate steps to mitigate the risks, if any.

Glyphosate is a widely used broad spectrum weedicide and is a product of the Company. Glyphosate-based herbicides have been on the market around the world for more than 40 years and are among the most thoroughly studied products of their kind and have been an efficient, cost-effective and safe tool used by farmers to control problematic weeds.

We request you to take the said information on record.
