Notes to the standalone Ind AS financial results of Gokaldas Exports Limited for the period ended September 30, 2019

- 1 The standalone unaudited Ind AS financial results of the Company for the quarter and half year ended September 30, 2019 can be viewed on the Company's website www.gokaldasexports.com or on the website of NSE (www.nse-india.com) and BSE (www.bseindia.com).
- 2 The above financial results of Gokaldas Exports Limited ('the Company') have been prepared in accordance with Indian Accounting Standards Ind AS 34 on 'Interim Financial Reporting' as prescribed under Section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standard) Rules 2015 and SEBI Circular No. CIR/CFD/FAC/62/2016 dated 5 July 2016.
- 3 Gokaldas Exports Limited ('the Company') operates in a single business segment of manufacture and sale of garments. Accordingly, no further segment disclosures are required.
- 4 The Company had applied for a scheme of amalgamation ("the Scheme") of 9 wholly owned subsidiary companies with the Company. The appointed date of amalgamation is April 01, 2016. The application was filed with the Hon'ble National Company Law Tribunal ("NCLT") on February 23, 2017. The NCLT has passed an order dated September 25, 2017 instructing the Company to conduct Secured Creditors Meeting and shareholders meeting in November 2017. Necessary approval has been obtained from the Secured Creditors (Canara Bank and Corporation Bank) on November 24, 2017 and shareholders of the Company on November 29, 2017 and the Report of the Chairman along with necessary petition has been filed with the NCLT. The approval from NCLT was received by the Company during the quarter ended March 31, 2019. The financial results comply with the accounting treatment described in the Scheme. This resulted in restatement of financial statements with effect from the appointed date i.e. April 01, 2016. Consequently, the numbers relating to quarter and half year ended September 30, 2018 have been restated.
- 5 Certain foreign customers with an aggregate outstanding balance of Rs 977 lakhs as on September 30, 2019 have filed a plan for reorganisation of its business and creditors in the court (' the reorganisation plan'). Consequently, based on recommendation of legal counsel, the Company has filed a claim ('the pre-petition claim') of Rs 441 lakhs with the relevant authorities in relation to the sales made prior to filing of the reorganisation plan. The remaining balance pertains to administrative claims from post-petition sales. Based on the expected recovery as per the Administrative Expense Claims Consent Program negotiated under the reorganization plan, the Company has created a provision on account of expected loss amounting to Rs. 244 lakhs towards these claims.

6 Exceptional items:

a. The Company assessed the fair value less cost of sale of the investment in an associate held for sale as at March 31, 2019. Change in the regulatory environment and the market conditions effecting the associate has adversely affected the fair value of the Company's investment. The Company had written down the carrying value of the asset by recognizing an impairment loss of Rs. 626.56 Lakhs as an exceptional charge during the previous quarter ended March 31, 2019. The Company continues to make efforts to mitigate the loss by selling such investment in the near future, which could result in a partial or full reversal of the impairment loss.

b. During the quarter ended June 30, 2019, pursuant to the approval of the Board of Directors, the Company has concluded the sale of one of its lands, alongwith building constructed thereon. The transaction resulted in a gain of Rs. 2,604.78 lakhs, which has been recognised as an exceptional item.

7 Effective April 1, 2019, the Company has adopted Ind AS 116, 'Leases'. Ind AS 116 introduces a single lessee accounting model and requires a lessee to recognise Right-of-use assets and lease liabilities for all leases with a term of more than twelve months, unless the underlying asset is of a low value. The Company has used the 'modified retrospective approach' for transition from Ind AS 17, 'Leases'. Therefore, the comparative information for the prior periods have not been restated. On transition date (April 1, 2019), the Company has recorded the lease liabilities at the present value of future lease payments discounted using the incremental borrowing rate. The adoption of Ind AS 116 has resulted in recognition of Right-of-use assets of Rs. 6,352.02 lakhs and lease liabilities of Rs. 7,192.02 lakhs on the transition date. Cumulative effect of adoption of Ind AS 116 has been recognised by debiting retained earnings by Rs. 1,431.24 lakhs [net of prepaid rent (which was previously recognised in accordance with Ind AS 17) as on transition date]. In the financial results for the quarter and half year ended September 30, 2019, the nature of expense for leasing arrangements has changed from lease rent in previous periods to amorization on the Right-of-use assets and finance cost on the corresponding lease liabilities.

Adoption of Ind AS 116 did not have a significant impact on the financial results for the quarter and half year ended September 30, 2019.

- 8 The statement of unaudited standalone Ind AS financial results for the quarter and half year ended September 30, 2019 have been reviewed by the Audit Committee in their meeting on November 14, 2019 and approved by the Board of Directors in their meeting held on November 14, 2019.
- 9 The Statutory Auditors have carried out a limited review of unaudited standalone Ind AS financial results for the quarter and half year ended September 30, 2019 in terms of Regulation 33 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.
- 10 Previous period/ year's figures have been regrouped/ reclassified, wherever necessary to confirm to the current period/ year's classification.
- 11 The comparative standalone Ind AS financial information of the Company for the quarter and half year ended September 30, 2018 were adjusted for accounting adjustments pursuant to the scheme of amalgamation and arrangement between the Company and its subsidiary as approved by the National Company Law Tribunal (NCLT) vide order dated March 08, 2019, the appointed date being April 01, 2016, which have been reviewed by the statutory auditors.

Notes to the consolidated Ind AS financial results of Gokaldas Exports Limited for the period ended September 30, 2019

- 1 The consolidated unaudited Ind AS financial results of Gokaldas Exports Limited (the Company) and its subsidiaries (cumulatively referred to as 'Group') for the quarter and half year ended September 30, 2019 can be viewed on the Company's website www.gokaldasexports.com or on the website of NSE (www.nse-india.com) and BSE (www.bseindia.com).
- 2 The above financial results of the Group have been prepared in accordance with Indian Accounting Standards Ind AS 34 on 'Interim Financial Reporting' as prescribed under Section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standard) Rules 2015 and SEBI Circular No. CIR/CFD/FAC/62/2016 dated 5 July 2016.
- 3 The Group operates in a single business segment of manufacture and sale of garments. Accordingly, no further segment disclosures are required.
- 4 Certain foreign customers with an aggregate outstanding balance of Rs 977 lakhs as on September 30, 2019 have filed a plan for reorganisation of its business and creditors in the court (' the reorganisation plan'). Consequently, based on recommendation of legal counsel, the Group has filed a claim ('the pre-petition claim') of Rs 441 lakhs with the relevant authorities in relation to the sales made prior to filing of the reorganisation plan. The remaining balance pertains to administrative claims from post-petition sales. Based on the expected recovery as per the Administrative Expense Claims Consent Program negotiated under the reorganization plan, the Group has created a provision on account of expected loss amounting to Rs. 244 lakhs towards these claims.

5 Exceptional items:

- a. The Group assessed the fair value less cost of sale of the investment in an associate held for sale as at March 31, 2019. Change in the regulatory environment and the market conditions effecting the associate has adversely affected the fair value of the Group's investment. The Group had written down the carrying value of the asset by recognizing an impairment loss of Rs. 626.56 Lakhs as an exceptional charge during the previous quarter ended March 31, 2019. The Group continues to make efforts to mitigate the loss by selling such investment in the near future, which could result in a partial or full reversal of the impairment loss.
- b. During the quarter ended June 30, 2019, pursuant to the approval of the Board of Directors, the Group has concluded the sale of one of its lands, alongwith building constructed thereon. The transaction resulted in a gain of Rs. 2,604.78 lakhs, which has been recognised as an exceptional item.
- 6 The statement of unaudited consolidated Ind AS financial results for the quarter and half year ended September 30, 2019 have been reviewed by the Audit Committee in their meeting on November 14, 2019 and approved by the Board of Directors in their meeting held on November 14, 2019.

7 Effective April 1, 2019, the Group has adopted Ind AS 116, 'Leases'. Ind AS 116 introduces a single lessee accounting model and requires a lessee to recognise Right-of-use assets and lease liabilities for all leases with a term of more than twelve months, unless the underlying asset is of a low value. The Group has used the 'modified retrospective approach' for transition from Ind AS 17, 'Leases'. Therefore, the comparative information for the prior periods have not been restated. On transition date (April 1, 2019), the Group has recorded the lease liabilities at the present value of future lease payments discounted using the incremental borrowing rate. The adoption of Ind AS 116 has resulted in recognition of Right-of-use assets of Rs. 6,498.80 lakhs and lease liabilities of Rs. 7,412.73 lakhs on the transition date. Cumulative effect of adoption of Ind AS 116 has been recognised by debiting retained earnings by Rs. 1,524.18 lakhs [net of prepaid rent (which was previously recognised in accordance with Ind AS 17) as on transition date]. In the financial results for the quarter and half year ended September 30, 2019, the nature of expense for leasing arrangements has changed from lease rent in previous periods to amorization on the Right-of-use assets and finance cost on the corresponding lease liabilities.

Adoption of Ind AS 116 did not have a significant impact on the financial results for the quarter and half year ended September 30, 2019.

- 8 The Statutory Auditors have carried out a limited review of unaudited consolidated Ind AS financial results for the quarter and half year ended September 30, 2019 in terms of Regulation 33 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.
- 9 Previous period/ year's figures have been regrouped/ reclassified, wherever necessary to confirm to the current period/ year's classification.
- 10 The figures for the quarter and half year ended September 30, 2018, included in the Statement of Consolidated Financial Results for the quarter and half year ended September 30, 2019 have been approved by the Holding Company's Board of Directors, but have not been subjected to review as the mandatory requirement for limited review has been made applicable for periods beginning April 1, 2019, pursuant to Regulation 33(8) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.

Independent Auditor's Review Report on unaudited quarterly and year to date financial results of the Company pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements)

Regulations, 2015

The Board of Directors Gokaldas Exports Limited

- 1. We have reviewed the accompanying statement of unaudited standalone financial results of Gokaldas Exports Limited ('the Company') for the quarter ended September 30, 2019 and the year to-date results for the period April 1, 2019 to September 30, 2019 ('the Statement') attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended ('the Regulation'). Attention is drawn to the fact that net cash inflow/outflow for the corresponding year-to-date from April 1, 2018 to September 30, 2018, as reported in these financial results have been approved by the Company's Board of Directors but have not been subjected to review.
- 2. This Statement, which is the responsibility of the Company's Management and approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Ind AS 34 'Interim Financial Reporting', prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other recognized accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
- 3. We conducted our review of the Statement in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether financial results are free of material misstatements. A review consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
- 4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement of unaudited standalone financial results prepared in accordance with the recognition and measurement principles laid down in Ind AS 34, prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other recognized accounting principles generally accepted in India has not disclosed the information required to be disclosed in terms of the Regulation including the manner in which it is to be disclosed, or that it contains any material misstatement.
