Management Comment

Expressing his happiness on the development, Mr. Vikas Kothari, Managing Director & CEO said, "This is a significant step in the direction of achieving Swachh Bharat and we are thrilled to have been a part of this journey. It also underlines our ability to provide a holistic offer in environmental services, covering the entire water cycle, to support the resource protection of the city. This project will greatly improve the standard of vital water infrastructure and living conditions for many residents in Mumbai. We expect that large number of projects will continue to move forward."
