Expansion in Fleet Size from 287 trucks to 302 trucks

Vashi, Navi Mumbai, 23rd August 2022: Shreeji Translogistics Limited (STL), an India-based surface logistics and parcel delivery service provider, has bought additional 15 trucks to fulfil its huge customer demand from the domestic market.

- The Company is happy to announce that it has expanded the current fleet size of 287 trucks with an additional 15 trucks of 24Ft. taking total fleet size to 302 own trucks. With this expansion we will be able to fulfil robust demand we are witnessing in Bonded trucking & FTL segment. Further, this fleet addition is in line with the Company's strategy of increasing its fleet size by additional 100-150 trucks over next 15-24 months.
- This expansion will enable us to serve new customers, enter into new geographies, and open multi-fold business opportunities.

Commenting on the announcement, the Management team of Shreeji Translogistics Limited, stated *"We are happy to announce that the Company has acquired additional 15 trucks to capitalize on significant opportunities that exists in the domestic market for our differentiated logistics offering. Further, the acquisition of 15 vehicles is one of the first steps in our expansion strategy which focuses on wider reach, serving more customers and expanding service offerings.*

This expansion will help us in strengthening our position and dominance in the bonded trucking market."
