1 The above results were reviewed by the Audit Committee on November 12, 2021 and taken on record by the Board of Directors at its meeting held on November 12, 2021. The statutory auditor of the company have carried out an limited review of the aforesaid standalone and consolidated results for the quarter and half year ended September 30, 2021. The limited review result does not have any qualification.

The above statement have been prepared in accordance with the Companies (Indian Accounting Standards) Rules, 2015 (Ind-AS) prescribed under section 133 of the Companies Act, 2013 read with Rule 3 of the companies (Indian Accounting Standards) Rules 2015 and relevant amendment rules thereafter.

The Company has considered possible effects that may result from the COVID-19 pandemic in preparation of these financial results including recoverability of inventories, trade receivables and other assets. In developing 3 the assumptions relating to future uncertainties in the economic conditions due to the COVID-19 pandemic, it has, at the date of approval of financial results, used relevant internal and external sources of information, including economic forecasts and expects that the carrying amounts of these assets are recoverable. The impact of COVID-19 pandemic, including the current situation, may be different from that estimated as at the date of approval of these financial results.

Effective Date from April 1, 2020, the Company changed its method of computing depreciation from Written Down Value (WDV) method to the Straight-line method (SLM) for the Company's Fixed assets due to change in the expected pattern of consumption of the future economic benefits embodied in the asset. Based on Indian Accounting Standards, the Company determined that the charge in depreciation method from WDV method to SLM method, is a change in accounting estimate affected by a change in accounting principle. A change in accounting estimate affected by a change in accounting principle is applied prospectively. The net book value of fixed assets as on March 31, 2020 with remaining useful lives is depreciated using SLM method prospectively. The company has considered SLM in the fourth quarter of the financial year 2020-2021 for the entire year and hence to the extent of this, depreciation for the period ended September 30, 2020 is on the basis of WDV method.

The Indian Parliament has approved the Code on Social security 2020 ('the Code') which inter alia deals with employee benefits during employment and post-employment. The Code has been published in the Gazette of India. The effective date of the Code and rules thereunder are yet to be notified. In view of this, the impact of the change, if any, will be assessed and recognized post notification of the relevant provisions.
