Notes :

- The above audited standalone and consolidated financial results of the Company have been prepared in accordance with the Indian Accounting Standards ("Ind AS") as prescribed under section 133 of the Companies Act, 2013 read with the Companies (Indian Accounting Standards) Rules, 2015, (as amended).
- The above standalone and consolidated financial results have been reviewed by the Audit Committee at its meeting held on May 24, 2019 and approved by the Board of Directors at its meetings held on May 29, 2019.
- In terms of subsidy notification no. 12012/1/2015-FPP dated May 25, 2015 read with subsidy notification no. 12012/3/2010-FPP dated April 2, 2014 of Department of Fertilizers, Ministry of Chemicals & Fertilizers, Government of India, the Company, based on the eligibility criteria in the notification, had recognised the subsidy income of Rs. 127.38 crores relating to compensation for additional fixed cost during the financial period April 1, 2014 to March 31, 2018. The aforesaid claim for the said subsidy was neither acknowledged nor paid by the Department of Fertilizer till date. Accordingly, during the earlier quarter ended June 30, 2018, the Company had written off the unrealized subsidy income of Rs. 127.38 crores already recognised in the books for the earlier years and has adjusted the receivables in the books. The management based on the evaluation believes that there is uncertainty to realise the said subsidy claims from the government in terms of the above notifications considering that substantial time has elapsed since the subsidy became initially due to the Company and authorities have not acknowledged the Company's claim.
- Further to above, the Company has not recognised additional fixed cost subsidy income for the period April 1, 2018 to March 31, 2019 amounting to Rs. 31.85 crores (including Rs 8.62 crores for the current quarter) in terms of the notifications no. 12012/1/2015-FPP dated May 25, 2015 read with subsidy notification no. 12012/3/2010-FPP dated April 2, 2014 of Department of Fertilizers, Ministry of Chemicals & Fertilizers, Government of India due to uncertainty to realise the said subsidy claims from the Ministry of Chemicals and Fertilizers (Department of Fertilizers) for the reason stated in note 3 above.
- According to the requirements of Schedule III of the Companies Act 2013, sales for the period up to June 30, 2017, and earlier periods presented in these financial results are inclusive of excise duty. Consequent to applicability of Goods and Service Tax (GST) w.e.f. July 1, 2017, sales are shown net of GST in accordance with requirements of Ind AS-115 'Revenue from contracts with customers'. The Sales net of Excise Duty/GST for all periods is as given below:

- During the year, the Company has provided income tax provision as per the normal provisions of Income Tax Act whereas during the previous years, tax provision was provided as per Minimum Alternate Tax (MAT) in terms of the provisions of section 115JB of the Income Tax Act. On account of utilization of MAT credit of Rs. 71.74 crores, cash outflow for tax expenses for the current year would be lower to that extent.

- 7 Excess tax provision written back during the current year of Rs. 133.86 crores represents adjustment of current tax provision of earlier years as per the books compared to tax liability acknowledged in respective year's income tax return / assessed tax liabilities.
- 8 During the year (in the quarter ended September, 2018), the Company has recognized losses of Rs.36.38 crores on investment in unquoted equity shares of Bhavnagar Energy Company Limited (BECL) that got merged into Gujarat State Electricity Corporation Ltd (GSECL) vide Government of Gujarat notification dated August 27, 2019 for transfer and vesting in GSECL the undertaking of BECL in all respects by issuance of one equity share to each shareholder of BECL against the total number of shares held by them, and thus Company valued such investment as at March 31, 2019 at the nominal consideration receivable of one share in GSECL resulting into aggregate losses of Rs. 61.26 crores recognized through other comprehensive income.
- 9 During the previous quarter ended on December 31, 2018, manufacturing facilities of the Company had undergone planned annual shutdown for the period of 27 days. Hence the figures for the quarter ended on December 31, 2018 are not comparable with the current quarter to that extent.
- 10 Ind AS 115 Revenue from Contracts with Customers, mandatory for reporting periods beginning on or after April 1, 2018, replaces existing revenue recognition requirements. Under the modified retrospective approach there were no significant adjustments required to the retained earnings at April 1, 2018. Also, the application of Ind AS 115 did not have any significant impact on recognition and measurement of revenue and related items in the financial results.
