STANDALONE FINANCIAL RESULTS OF HEG LIMITED PURSUANT TO THE REGULATION
33 OF THE SEBI (LISTING OBLIGATIONS AND DISCLOSURE REQUIREMENTS)
REGULATIONS, 2015, AS AMENDED**

Review Report to
The Board of Directors
HEG Limited

1. We have reviewed the accompanying statement of unaudited Standalone financial results of HEG LIMITED ("the Company"), for the quarter ended 30th June, 2020 ("the Statement") attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("the Listing Regulations").
2. This Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34, ("Ind AS 34") "Interim Financial Reporting", prescribed under Section 133 of the Companies Act, 2013, as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. Based on our review conducted as stated in paragraph 3 above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the applicable Indian Accounting Standards ('Ind AS') specified under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Listing Regulations including the manner in which it is to be disclosed, or that it contains any material misstatement.

5. Other Matter

Attention is drawn to the fact that the figures for the three months ended 31st March 2020 as reported in these financial results are the balancing figures between audited figures in respect of the full previous financial year and the published year to date figures up to the third quarter of the previous financial year. The figures up to the end of the third quarter of previous financial year had only been reviewed and not subjected to audit.

Our conclusion is not modified in respect of this matter.

3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the circular no. CIR/CFD/CMD1/44/2019 dated March 29,2019 issued by the SEBI under Regulation 33 (8) of the Listing Regulations to the extent applicable.

4. The Statement includes the results of the following entities:

S. No.	Name of Associates	Relationship

6. **Matters reported in the Auditor's Review Report on Consolidated financial results of Bhilwara Energy Limited, an associate of the Company**

(A) Material uncertainty related to going concern of a subsidiary of an associate

We draw attention to the matter related to material uncertainty related to going concern of a subsidiary of Bhilwara Energy Limited, an associate of the Company, reported in the Auditor's Review Report on Consolidated financial results of the associate which is being reproduced hereunder:

In case of Chango Yangthang Hydro Power Limited, a subsidiary of the associate

In "ChangoYangthang Hydro Power Limited" the Board of directors decided and surrendered the ChangoYangthang HEP (180 MW) project to Directorate of Energy, Government of Himachal Pradesh due to delay and uncertainty in the project execution and long delay in Government approvals and licenses lapse, the company has written off Capital Work in progress during the year 2017-18 amounting to Rs. 27.13 crores. These events or conditions, along with other matters, indicate that there exists material uncertainty that may cast significant doubt on the Company's ability to continue as a going concern since the company was incorporated as a Special Purpose Vehicle for this particular project.

The opinion of the auditor of the said company is not modified in respect of this matter. Also the opinion of the auditor of the associate company is not modified in respect of this matter.

(B) Emphasis of Matter

We draw attention to the Emphasis of matters reported in the Auditor's Review Report on Consolidated financial results of Bhilwara Energy Limited, an associate of the Company, which are being reproduced hereunder:

(iv) In NJC Hydro Power Limited, a subsidiary of the associate

There is uncertainty relating to the effects of outcome of petition filed by the company with Hon'ble Guwahati High Court and Hon'ble Supreme Court challenging the instant notice issued by Government of Arunachal Pradesh (GoAP) for termination of the Project and invoking its right to take over the project on "AS IS WHERE IS BASIS" and allotting the same to third party. The company's prayer is for seeking refund of upfront premium as per provisions of MoA, in view of the WII report recommending no construction of NyamjnagChhu HEP at site. We are unable to comment on the financial implications and future operations of the company till the final outcome.

Refer note no. 7 (d) of the financial results in this regard.

(v) In case of Chango Yangthang Hydro Power Limited, a subsidiary of the associate

The company has surrendered ChangoYangthang HEP (180MW) project in Himachal Pradesh and asked for the refund of Upfront premium of Rs. 37.89 crores and security deposit of Rs. 1.80 crores with interest since the project is not executable purely on account of various social-legal issues neither in the control of the company nor in the control of local administration/authorities.

GoHP has formed a committee to deal with the issues of various projects which includes ChangoYangthang Hydro Power Limited (CYHPL). On the direction of GoHP, a public meeting was conveyed, in which the villagers categorically refused for development of any Hydro Electric project in the Hangrang valley including 180 MW ChangoYangthang HEP and refused to co-operate on the issue of development of any project. During the meeting called for by the committee, CHYPL categorically refused to execute the project in view of severe local issue and lapse of clearances for the project. Committee has noted the same.

In View of this, the company has reiterated its demand for refund of money along with the Interest and the management is confident of recovering the Upfront Fees and Security Deposit paid on account of surrender of project, in full.

Refer note no. 7 (f) of the financial results in this regard.

The opinion of the auditor of the associate company is not modified in respect of matters stated above.

Our conclusion on the Statement is not modified in respect of the above matters.

These interim financial results/financial information have been reviewed by other auditors whose reports have been furnished to us by the management and our conclusion on the statement, in so far as it relates to the amounts and disclosures included in respect of these associates, is based solely on the reports of the other auditors and the procedures performed by us as stated in paragraph 3 above.

Our conclusion on the Statement is not modified in respect of our reliance on the work done by other auditors.

- (b) Attention is drawn to the fact that the figures for the three months ended 31st March 2020 as reported in these financial results are the balancing figures between audited figures in respect of the full previous financial year and the published year to date figures up to the third quarter of the previous financial year. The figures up to the end of the third quarter of previous financial year had only been reviewed and not subjected to audit.

Our conclusion is not modified in respect of this matter.

7	The notes disclosed in the consolidated financial Statements of Bhilwara Energy Limited, one of the associate companies, referred in the Auditor's Report of Associate under 'Emphasis of matter' paragraph are being reproduced hereunder:
(a)	On April 27, 2019, the Malana Power Company Limited (MPCL) one of Subsidiary has received provisional net demand of ₹8,069.00 Lakhs in relation to wheeling charges for the period April 1, 2008 to March 31, 2019 from Himachal Pradesh State Electricity Board Limited (HPSEBL) based on an order passed by the Himachal Pradesh Electricity Regulatory Commission (HPERC), which is not in accordance with the agreement entered between the MPCL and HPSEB (now HPSEBL) in August 1999. In this regard, the MPCL has paid under protest an amount of ₹2,817.00 Lakhs. Based on the legal opinion obtained, the MPCL is of the view that demand is not legally tenable and would not result in any material liability for the period on or before March 2019 on the MPCL and accordingly has filed an appeal before Appellate tribunal, Electricity at New Delhi.

- (b) On October 17, 2019, the Central Electricity Regulatory Commission (CERC) passed an Order on the Dedicated Transmission System of AD Hydro Power Limited (ADHPL) (Subsidiary of subsidiary company) in which CERC approved the capital cost of Dedicated Transmission System to ₹23,892.00 Lakhs as against the capital cost submitted by the ADHPL amounting to ₹41,661.00 Lakhs (on the date of COD)/₹45,284.00 Lakhs (with additional capitalization) and accordingly determined the annual fixed cost (Transmission Tariff) for using transmission line for the period 2011-12 to 2018-19.
- The management is of the view that the methods used to derive the capital cost by the CERC are not in accordance with the Central Electricity Regulatory Commission (Terms and Conditions of Tariff) Regulations ("regulations") for the period 2009-14 and 2014-19 and Electricity Act, 2003. Further, the Company has filed an appeal against the said order before Appellate Tribunal for Electricity (APTEL) and pursuant to an appeal filed, the APTEL has passed an interim order dated January 17, 2020 and stayed the above said demand and directed not to issue any readjustment bills along with the direction to continue to issue the future bills in accordance with the CERC Order till the appeal is finally disposed-off. The ADHPL has accordingly started raising the invoices based on the CERC order effective 18th October, 2019 and recognized as transmission income.
- Pending litigation and final decision on the appeal, the Management, based on the legal opinion, is of the view that the Order is not legally tenable and would not have any material liability on the ADHPL and accordingly trade receivable(including unbilled revenue) aggregating to ₹3,319.88 Lakhs is good and fully recoverable and no provision is required in respect of possible exposure aggregating to ₹6,121.81 Lakhs towards amount already collected from the users of Dedicated Transmission Line till June 30, 2020. Further, the management is confident that there would be no significant impact on the financial position of the ADHPL in respect of transmission losses which is to be determined by the Northern Regional Load Despatch Centre (NRLDC) as directed in the CERC Order.
- Further, CERC has directed to share the losses on the basis of weekly average losses in proportion to the scheduled energy on weekly basis instead of a flat charge of 4.75% and accordingly directed the NRLDC to compute the same. However, the management is confident that there would be no significant impact on the financial position of the ADHPL in respect of transmission losses as the actual losses during the peak season were likely to be higher.
- (c.) Pending execution of the renewal of PPA expired on March 31, 2019, The BG Wind Power Limited (BGWPL) one of its subsidiary has recognised revenue @₹3.14/kwh (previous PPA @₹3.69/kwh) based on the order issued by RERC vide its third amendment regulation dated 5th March 2019 for execution of the PPA to DISCOM for entire balance project life. GBI also taken at applicable rate @50 Paise /kwh. Since, the Company has exported the power to DISCOM during the period and the Management of the company believes that PPA will be signed therefore it has recognised Revenue from Sale of Power of ₹179.15 Lakhs and Generation Based Incentive (GBI) of ₹28.62 Lakhs. In the meantime, BGWPL has filed writ petition with Rajasthan High Court at Jaipur in this regard.
- (d) Environmental Clearance (EC) of Nyamjang Chhu HEP (6X130 MW) was challenged in National Green Tribunal (NGT) by NGO. NGT in their order dated 7th April, 2016 suspended the Environment Clearance granted to the project till the directions as given in the order are complied. NGT also directed MOEF&CC to make a separate study of E-Flow requirement for protection of Habitat of the Black Neck Crane and for the conservation of the Black Neck Crane through the Wildlife Institute of India (WII). While the studies were in progress, Government of Arunachal Pradesh issued instant notice for termination on 22nd March, 2019 invoking its right to take over the project on "AS IS WHERE IS BASIS" and allotting the same to third party. The Company filed petition challenging instant notice for termination under section 9 of Arbitration Act in District Courts of Itanagar for immediate relief to maintain the status quo which was granted vide their order dated 30th April, 2019 and the termination notice was also suspended. WII submitted its report to GoAP and the same was submitted to court on pursuance of the company. In the report, WII has recommended no construction of Nyamjnag Chhu HEP at site. The project being not viable as per WII report, an application u/s 9 was filed seeking refund of upfront premium as per provisions of MoA. District Court vide their order dated 18th March, 2020 disposed of the petition and advised to invoke arbitration within 45 days. Due to Covid 19 pandemic lockdown the company approached District Court for extension of the interim protection by another 90 days which was turned down by them. The company filed an appeal with Gauhati High Court u/s 37 of the Arbitration Act challenging the earlier orders of District Courts. An appeal was admitted by The Hon'ble High Court but interim extension was not granted. Interim order of the Gauhati High court in this regard was challenged in Supreme Court by filing Special Leave petition. Hon'ble Supreme Court vide its order dated 08th May, 2020 granted the relief for extension with notice to the other party.

During the period an amount of ₹131.86 Lakhs (previous year ₹60.42 Lakhs) further impairment has been done.
- (f) Due to various reasons, Chango Yangthang Hydro Power Limited-Subsidiary, the Chango Yangthang HEP is not being excuted purely on account of various social legal issues not in the control of the company and the company had surrendered the project and filed application with Govt of H.P. for refund of upfront premium and security deposit of ₹3,969.45 Lakhs along with interest @10%. The Company is constantly following up with the State Government for the refund of the premium with interest.
