Dear Sir/Madam,

**Subject: Intimation under Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations")**

We refer to our earlier communication dated 11<sup>th</sup> September 2022 with respect to fire incident at our plant in Sachin GIDC.

The fire, according to the monitoring carried by Gujarat Pollution Control Board ('GPCB'), may have led to liberation of VOCs which have affected the air quality in the nearby area. As a consequence, GPCB has issued directions for closure of the plant.

The Company has been directed by GPCB for payment of ₹ 1 crore as an interim environmental damage compensation.

We seek to comply to the directions of GPCB and shall submit the compliance report. The Company is taking all measures to restart the plant at the earliest. Based on our initial assessment of internal investigation committee, there will not be major financial impact due to this incident.

We adhere to the best environment, health and safety standards, and will continue to place employee safety as our highest priority.

We kindly request you to take the same on your record.

For and on behalf of
