Iraq's national carrier and Middle East's second oldest airline company,
Iraqi Airways GOES LIVE on Ramco Aviation

Baghdad, IRAQ / Chennai, INDIA – June 09, 2022 – Global aviation software provider [Ramco Systems](#) announced that it has successfully gone live at [Iraqi Airways](#), the national carrier of Iraq with its [Aviation M&E MRO Suite V5.9](#), thereby completely digitalizing all core business processes in the company. Ramco's next-gen digital platform offers Iraqi Airways real-time data availability ensuring 100% aircraft airworthiness on the release.

With modules for CAMO, Maintenance, Supply Chain, and Flight Operations, bundled with Core HR, Ramco Aviation Software automates all business processes at Iraqi Airways. The solution will also automate regulatory reports.

Hayder Qahtan, Technical Director of Iraqi Airways, said, "With deep domain expertise and rich functionalities, Ramco is a respected and established brand amongst the international airlines. As the airline industry witnesses permanent fundamental changes, we at Iraqi Airways are excited to have embarked on our tech transformation journey with Ramco. The software's user-friendliness bundled with intuitive features together with a qualified and experienced team, we look forward to reaching greater heights."

Manoj Kumar Singh, Chief Customer Officer – Aviation, Aerospace & Defense, Ramco Systems, said, "The future of the aviation industry is going high tech post pandemic. It is during these times that Ramco is supporting airline operators like Iraqi Airways with a comprehensive and enhanced platform with latest tech tools to transform businesses. We are happy to offer the company a platform that will give them a technological edge over their competition."

[Ramco Aviation, Aerospace & Defense](#) is trusted by 24,000+ users to manage 4,000+ aircraft globally. Accessible on cloud and mobile, Ramco Aviation & Defense Software continues to innovate with 'Anywhere Apps', significantly reducing transaction time both during aircraft-on-ground (AOG) conditions and critical aircraft turnarounds. Ramco is changing the paradigm of enterprise software with Artificial Intelligence based solutions, powered by cool new features such as digital task cards, offline capability, chatbots, mail bots, HUBs and cognitive solutions. With 80+ Aviation organizations onboard, Ramco is the solution of choice for top heli-operators, leading defense companies, space launch vehicles, UAS/Drones, eVTOL and multiple MROs around the world.

About Iraqi Airways:

Iraqi Airways Company, operating as Iraqi Airways, is the national carrier of Iraq, and It is the largest airline in Iraq and is a member of the Arab Air Transport Association, It is the second oldest airline in the Middle East, Iraqi Airways was founded in 1945, headquartered on the grounds of Baghdad International Airport in Baghdad, Iraqi Airways operates from its main base in Baghdad International Airport to 37 destinations of current fleet size of 29 aircrafts and future deliveries 10 B787 and 16 B737 MAX.

About Ramco Systems

Ramco is a next-gen enterprise software player disrupting the market with its multi-tenant cloud and mobile-based enterprise software in HR and Global Payroll, ERP and M&E MRO for Aviation. Part of the USD 1 billion Ramco Group, Ramco Systems focuses on Innovation and Culture to differentiate itself in the marketplace. On the Innovation front, Ramco has been focusing on moving towards Active ERP leveraging Artificial Intelligence and Machine Learning by building features such as **Talk It** - which allows transactions to be carried out by simple voice commands, **Bot it** – which allows users to complete transactions using natural conversations; **Mail It** – transact with the application by just sending an email; **HUB It** - a one screen does it all concept built to address all activities of a user; **Thumb It** – mobility where the system presents users with option to choose rather than type values and **Prompt It** – a cognitive ability which will let the system complete the transaction and prompts the user for approval.

With 2000+ employees spread across 28 offices, globally, Ramco follows a flat and open culture where employees are encouraged to share knowledge and grow. No Hierarchies, Cabin-less Offices, Respect work and not titles, among others are what makes the team say, Thank God it's Monday!
