Dear Madam/Sir,

Sub: Intimation under Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015, read with schedule III

This is to inform that the Andhra Pradesh Pollution Control Board vide their letter dated August 29, 2023 has approved the CTO & HWA (Amendment) for inclusion of Precipitated Calcium Carbonate (PCC) for efficient carbon capture & reuse which will reduce carbon emission. This will reduce CO2 emissions for existing lime-kiln stacks @ 54 Tons per day i.e., 1900 TPA. This PCC process yields, lower paper production cost and improve the paper opacity, bulk and brightness. There is no additional paper and pulp production capacity increase.

Kindly take the same on record for dissemination to the public for their information.

Thanking you,

Yours faithfully,
For Andhra Paper Limited

Mukesh Jain
Executive Director
