Statutory Auditors Report

The statutory auditors' report for F.Y. 2019-20 on the financial statements forms part of this Annual report.

Further, following were the details of the Audit qualifications made by the statutory auditors in their report for F.Y. 2019-20 and Resolution Professional's reply to it.

1) Details of Audit Qualification:

We are not able to judge solely on the basis of verification of other audit evidences obtained during the course of audit whether the management has fulfilled its responsibility for the preparation of the financial statements in accordance with the applicable financial reporting framework. Further, we had also requested the management to give a written representation that it has provided us with all the relevant information during the audit and whether all the transactions have been properly recorded and reflected in financial statements, however the management has not provided all such written representations as required by SRE 2410 and as per Standard on Auditing SA 580, as a result we are unable to obtain sufficient appropriate audit evidence. The possible effects of such inability on the financial statements are not confined to specific elements, any accounts or items of financial statements and hence we conclude this condition to be pervasive, in our professional judgment, due to which we have issued adverse opinion on the financial statements in such circumstances as required by Standard on Auditing SA 705 (Revised).

Reply from Resolution Professional:

The suspended management has not handed over the books of accounts and other accounting records and documents, possession of the corporate office, plot at Kandivalli, content library (intangible asset), inventories, other fixed assets, original agreements and documents related to Company. Therefore the Resolution Professional has filed a non-cooperation petition with Hon'ble NCLT, Mumbai against the suspended management of the Company under Code. These accounts have been prepared by the suspended management. Further, the suspended Managing Director who is in possession of the Books of Accounts and under whose supervision the Financials for the quarter and financial year ended March 31, 2020 were prepared, has refused to sign the Financials, in the current form by an email dated 28th July, 2020 and requested RP to take a legal opinion. RP proposes to take a legal opinion in the matter.

Accordingly, the Resolution Professional is not in a position to provide all such written representations, as requested by the Statutory Auditors.

2) Details of Audit Qualification:

We draw attention to Note No. 6 forming part of financial results regarding preparation of accounts on going concern basis notwithstanding the fact that loans have been recalled back by secured lenders, current liabilities are substantially higher than the current assets, issue of notices under Securitisation and Reconstruction of Financial Assets and

SRI ADHIKARI BROTHERS TELEVISION NETWORK LTD.

Enforcement of Security Interest Act, 2002, recovery proceedings initiated with debt recovery tribunal and taking over symbolic possession of immovable properties by the secured lenders of the Company and invocation of Corporate Guarantees which was given by the Company relating to its related group companies, initiation of Corporate Insolvency Resolution Process under Insolvency and Bankruptcy Code, 2016, termination of leave and license agreement notices sent to lessees in the subsequent financial year, substantial losses incurred by the Company for the quarter and period ended March 31, 2020 and previous financial years and negative Total Equity of Rs. 32,19,34,869/- as on March 31, 2020. Further, attention is drawn to Order dated 17.01.2020 by Hon'ble NCLAT, New Delhi, wherein it is stated that the RP has to ensure that the Company continues to remain as a going concern and will have to take the assistance of the suspended management. The appropriateness of assumption of going concern is mainly dependent on the company's ability to generate growth in cash flows in future, to meet its obligation. However, we are unable to obtain sufficient and appropriate audit evidence regarding management using principle of going concern in the preparation of financial results, in view of the initiation of Corporate Insolvency Resolution Process, the outcome of which cannot be ascertained as on date and uncertainty relating to other matters stated hereinabove. Further, as represented by RP in Committee of Creditors (CoC) meeting dated June 20, 2020 wherein it was decided that since the current leases are causing many hindrances, as mentioned in minutes of the said CoC meeting, in finding a resolution to the Company's current situation, the RP has served termination of Leave and License agreement notices to the lessees in the subsequent financial year in the interest of the Company. However, an application is issued by Mr. Markand Adhikari before Hon'ble NCLT, Mumbai Bench seeking issuance of appropriate directions to quash the termination of Leave and License Notice on behalf of the Company to the lessees. The outcome of such application cannot be ascertained as on date.

Reply from Resolution Professional:

The Company has no operations in FY19- 20. Since the Company is under CIRP, RP has received Expression of Interests from prospective investors to find a resolution as a part of CIRP, on the basis of which the accounts have been prepared on going concern concept.

3) Details of Audit Qualification:

Due to defaults in repayment of loans taken from Bank/s, the Account of the Company has been classified as Non-Performing Asset by Banks in the previous financial years and except two Banks, other Banks have not charged the interest / reversed the unpaid interest charged from the date the account has been classified as non-performing. No provision has been made in the books of accounts maintained by the Company for interest / penal interest, if any, on these term loans amounting to Rs. 19,79,81,711/- as on March 31, 2020, hence to that extent, finance cost, total loss for the year ended March 31, 2020, Negative "Other Equity" balances (as it includes interest expense of previous financial years) and current financial liabilities are understated by Rs. 19,79,81,711/- as on March 31, 2020. The said amount of Rs. 19,79,81,711/- is the difference between claims amounting to Rs. 194,98,88,488/- (including interest) received from banks by RP and amount of loan outstanding from banks amounting to Rs. 175,19,06,777/- reflected in books of accounts of the Company as on March 31, 2020.

The Company / RP has received claims from Operational Creditors and employees amounting to Rs. 10,19,182 /- which has been accepted, however Rs. 7,82,303/- is the balance outstanding as per books as on March 31, 2020 for such creditors and employees. The loss for the year ended March 31, 2020 and Trade Payables are understated to the extent of Rs. 2,36,879 /- as on March 31, 2020.

Reply from Resolution Professional:

RP is unable to comment on this qualification as he has not been provided access to the books of accounts by the Suspended Management.

5) Details of Audit Qualification:

The aggregate carrying value of business and commercial rights in the books of the Company as on March 31, 2020 is Rs. 109,83,77,750/-. There is no revenue generation from monetization of these assets during the quarter and period

ended March 31, 2020 due to which the Company has incurred substantial losses during the quarter and period ended March 31, 2020 and previous financial years. There is a strong indication of impairment in the value of these business and commercial rights and therefore we are of the opinion that the impairment loss of Rs. 109,83,77,750/- should be provided on all such assets in the books of accounts of the Company as on March 31, 2020. The assets of the Company are overstated and net loss for the quarter and period ended March 31, 2020 is understated to that extent.

Reply from Resolution Professional:

The RP is not provided access to the books of accounts of the Company by the suspended Management. Further, as part of CIRP, Resolution Professional has appointed valuers for valuing the assets of the Company. The valuation of the fixed assets, intangible assets, financial assets and inventory as disclosed in the financials of FY 2019-20 are subject to the valuation reports of the valuers.

The financial liabilities of the Company and net loss for the quarter and period ended March 31, 2020 is understated to that extent.

Reply from Resolution Professional:

7) Details of Audit Qualification:

The Company's inventories are carried in the Balance Sheet at Rs. 2,71,01,487/- as on March 31, 2020. The Management has not stated the inventories at the lower of cost and net realizable value but has stated them solely at cost, which constitutes a departure from Indian Accounting Standard-2- Inventories (Ind AS-2). As the inventories of the Company consist of rights which are returned by the customers due to defect in quality of such rights and it also consist of such inventory which are non-moving for a long period of time, we are of the opinion that the net realizable value of inventories is NIL as on March 31, 2020. The assets of the Company are overstated and net loss for the quarter and period ended March 31, 2020 is understated to that extent.

Reply from Resolution Professional:

The Impact of impairment of all other Tangible assets in Property, Plant and Equipment amounting to Rs. 37,76,89,098/- and Capital Work in Progress amounting to Rs. 14,03,44,247 /- should have been accounted in the books of accounts by the Company at the year ended March 31, 2020 after considering the physical verification of all such assets and by ascertaining the Fair Market Value of such assets by appointing a third party expert valuers and doing a valuation of the same. Accordingly, the financials uploaded to NSE are signed by the RP of the Company and Mrs. Latasha Jadav, the CFO of the Company.

Indian Macroeconomics scenario

The World Bank expects India's economy to contract 3.2% in the current fiscal year, a sharp downgrade from its April projection of 1.5%-2.8% growth, citing stringent lockdown and spill overs from weaker global growth. The latest report expects the economy to make a modest recovery to 3.1% growth in the next fiscal year, in comparison to the 6.1% expansion projected in the January report. A number of firms including Goldman Sachs and Nomura have projected a contraction of as much as 5% for India in FY21. The report said the pandemic's impact would be particularly hard on emerging markets and developing economies (EMDEs) with large informal sectors, like India.

Media and Entertainment Industry

India is a huge market with very positive growth fundamentals across virtually every type of media. The market is strategically interesting to global players seeking to monetize content and capture growth upside, either as a participant via licensing or other commercial arrangements, or as an outright owner through an in-bound acquisition or organic investment approach.

While television and print retained their positions as the two largest segments, Digital Media to become the third largest segment of the M&E sector. Digital subscription revenues more than doubled from 2018 levels and digital advertising revenues grew to command 24% of total advertising spend.

The Indian Media and Entertainment (M&E) sector reached INR1.82 trillion (US\$25.7 billion) in 2019, a growth of 9% over 2018. With its current trajectory, the M&E sector in India is expected to cross INR2.4 trillion (US\$34 billion) by 2022.

Content Creation

The addition of another 100 million smart phones and continued conversion of 2G and 3G connections to 4G will drive a 3x growth in this segment by 2022. Phy-gital and Digi-cal models will emerge as a digital layer will be added over physical activity tracked by the IoT / wearables ecosystem on one hand, while game-led events (like eSports) will bring the physical touch to the online gaming world. User generated gaming (UGG) could also emerge as a significant opportunity to combine content creation and gaming.

To grow the around 100 million theatre audience in India and bring forward the next 50 million theatregoers, the industry will need to create more Hindi mass content that will appeal to a wider audience. This content will need to be released at low cost non metro venues with affordable pricing below INR 100 per person including F&B.

The coronavirus' impact on various segments of M&E could include postponement / cancellation of events, impact on theatrical revenues due to loss of weekends, stoppage of print production / circulation in impacted areas, newsprint import blockage, stoppage / delay of content production and post production, etc. Positives could include increased time spent with media in the home.

The media and entertainment industry in India continues to undergo significant transformation. The rapid proliferation of mobile access is enabling on-demand, anytime-anywhere content consumption nationwide.

Television: The TV industry grew from INR 740 billion to INR 788 billion in 2019, a growth of 6.5%. TV advertising grew 5% to INR 320 billion while subscription grew 7% to INR 468 billion. Regional channels benefited from the New Tariff Order as their consumption increased by over 20% in certain cases. General entertainment and movie channels led with 74% of viewership. On the back of several key announcements by the central and state governments such as Article 370, the Citizenship Amendment Act, and a general election, the news genre witnessed a growth to almost 9% of total viewership, up from 7.3% in 2018. In sports, cricket emerged as the big winner in 2019 as it accounted for over 80% of the sports viewership, up from 70% last year, due to the ICC World Cup.

Print: Despite a 3% revenue degrowth at INR 296 billion, print continued to retain the second largest share of the Indian M&E sector. Circulation revenues increased by 2% to INR 90 billion as newspaper companies tactically increased prices in certain markets. Advertising revenues fell 5% to INR 206 billion in 2019 as AdEX volumes fell by 8%. Margins improved as newsprint cost measures were implemented and companies benefited from the reduction of newsprint prices.

Digital Industry: In 2019, digital media grew 31% to reach INR 221 billion and is expected to grow at 23% CAGR to reach INR 414 billion by 2022. Digital advertising grew 24% to INR 192 billion driven by increased consumption of content on digital platforms and marketers' preference to measure performance. SME and long tail advertisers increased their spends on digital media as well. Pay digital subscribers crossed 10 million for the first time as sports and other premium content were put behind a paywall. Consequently, subscription revenue grew 106% to INR 29 billion. Digital consumption grew across platforms where video viewers increased by 16%, audio streamers by 33% and news consumers by 22%.

Growth Outlook:

W.r.t M & E outlook, India is a highly attractive market today with huge potential going forward based on demographic and economic factors. With growing middle class, young demographic, uptake on digital and a rise in the consumer's income, the propensity to spend on media and entertainment is growing faster than the economy itself. India's conducive regulatory environment and high volume of content consumption hold significant potential

At the same time, a vibrant domestic entrepreneurial community is powering the development of content and technology which augurs well in times to come.

INDEPENDENT AUDITOR'S REPORT

To the Members of Sri Adhikari Brothers Television Network Limited

Report on the Audit of the Standalone Financial Statements

Adverse Opinion

We have audited the standalone financial statements of Sri Adhikari Brothers Television Network Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2020, the statement of Profit and Loss, statement of Changes in Equity and the statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to explanation given to us, because of the significance of the matter discussed in the Basis of Adverse Opinion section of our report, the accompanying standalone financial statements do not give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company, of its loss, position of changes in equity and cash flows for the year then ended.

Basis for Adverse Opinion

- i) *We are not able to judge solely on the basis of verification of other audit evidences obtained during the course of audit whether the management has fulfilled its responsibility for the preparation of the financial statements in accordance with the applicable financial reporting framework. Further, we had also requested the management to give a written representation that it has provided us with all the relevant information during the audit and whether all the transactions have been properly recorded and reflected in financial statements, however the management has not provided all such written representations as required by SRE 2410 and as per Standard on Auditing SA 580, as a result we are unable to obtain sufficient appropriate audit evidence. The possible effects of such inability on the financial statements are not confined to specific elements, any accounts or items of financial statements and hence we conclude this condition to be pervasive, in our professional judgment, due to which we have issued adverse opinion on the financial statements in such circumstances as required by Standard on Auditing SA 705 (Revised).*
- ii) *We draw attention to Note No. 39 forming part of financial statements regarding preparation of accounts on going concern basis notwithstanding the fact that loans have been recalled back by secured lenders, current liabilities are substantially higher than the current assets, issue of notices under Securitisation and Reconstruction of Financial Assets and Enforcement of Security Interest Act, 2002, recovery proceedings initiated with debt recovery tribunal and taking over symbolic possession of immovable properties by the secured lenders of the Company and invocation of Corporate Guarantees which was given by the Company relating to its related group companies, initiation of Corporate Insolvency Resolution Process under Insolvency and Bankruptcy Code, 2016, termination of leave and licence agreement notices sent to lessees in the subsequent financial year, substantial losses incurred by the Company for the year ended March 31, 2020 and previous financial years and negative Total Equity of Rs. 32,19,34,869/- as on March 31, 2020. Further, attention is drawn to Order dated 17.01.2020 by Hon'ble NCLAT, New Delhi, wherein it is stated that the RP has to ensure that the Company continues to remain as a going concern and will have to take the assistance of the suspended management. The appropriateness of assumption of going concern is mainly dependent on the company's ability to generate growth in cash flows in future, to meet its obligation. However, we are unable to obtain sufficient and appropriate audit evidence regarding management using principle of going concern in the preparation of financial statements, in view of the initiation of Corporate Insolvency Resolution Process, the outcome of which cannot be ascertained as on date and uncertainty relating to other matters stated hereinabove. Further, as represented by RP in Committee of Creditors (CoC) meeting dated June 20, 2020 wherein it was decided that since the current leases are causing many hindrances, as mentioned in minutes of the said CoC meeting, in finding a resolution to the Company's current situation, the RP has served termination of Leave and License agreement notices to the lessees in the subsequent financial year in the interest of the Company. However, an application is issued on behalf of Mr. Markand Adhikari before Hon'ble NCLT, Mumbai Bench seeking issuance of appropriate directions to quash the termination of Leave and Licence Notice on behalf of the Company to the lessees. The outcome of such application cannot be ascertained as on date.*
- iii) *Due to defaults in repayment of loans taken from Bank/s, the Account of the Company has been classified as Non-Performing Asset by Banks in the previous financial years and except two Banks, other Banks have not charged the interest / reversed the unpaid interest charged from the date the account has been classified as non-performing. No provision has been made in the books of accounts maintained by the Company for interest / penal interest, if any, on these term*

SRI ADHIKARI BROTHERS TELEVISION NETWORK LTD.

loans amounting to Rs. 19,79,81,711/- as on March 31, 2020, hence to that extent, finance cost, total loss for the year ended March 31, 2020, Negative "Other Equity" balances (as it includes interest expense of previous financial years) and current financial liabilities are understated by Rs. 19,79,81,711/- as on March 31, 2020. The said amount of Rs. 19,79,81,711/- is the difference between claims amounting to Rs. 1,94,98,88,488/- (including interest) received from banks by RP and amount of loan outstanding from banks amounting to Rs.175,19,06,777 /- reflected in books of accounts of the Company as on March 31, 2020.

- iv) The Company / RP has received claims from Operational Creditors and employees amounting to Rs. 10,19,182 /- which has been accepted, however Rs. 7,82,303/- is the balance outstanding as per books as on March 31, 2020 for such creditors and employees. The loss for the year ended March 31, 2020 and Trade Payables are understated to the extent of Rs. 2,36,879 /- as on March 31, 2020.
- v) The aggregate carrying value of business and commercial rights in the books of the Company as on March 31, 2020 is Rs. 109,83,77,750/-. There is no revenue generation from monetization of these assets during the year ended March 31, 2020 due to which the Company has incurred substantial losses during the year ended March 31, 2020 and previous financial years. There is a strong indication of impairment in the value of these business and commercial rights and therefore we are of the opinion that the impairment loss of Rs. 109,83,77,750/- should be provided on all such assets in the books of accounts of the Company as on March 31, 2020. The assets of the Company are overstated and net loss for the year ended March 31, 2020 is understated to that extent.
- vi) The Company has not provided for loss allowances on financial corporate guarantee contracts amounting to Rs. 428,28,25,736/- (including interest / penalty calculated upto CIRP admission date) given by the Company on behalf of its related group companies which is to be recognized as required by Indian Accounting Standard (IND-AS 109). The financial liabilities of the Company and net loss for the year ended March 31, 2020 is understated to that extent.
- vii) The Company's inventories are carried in the Balance Sheet at Rs. 2,71,01,487/- as on March 31, 2020. The Management has not stated the inventories at the lower of cost and net realizable value but has stated them solely at cost, which constitutes a departure from Indian Accounting Standard-2- Inventories (Ind AS-2). As the inventories of the Company consist of rights which are returned by the customers due to defect in quality of such rights and it also consist of such inventory which are non-moving for a long period of time, we are of the opinion that the net realizable value of inventories is NIL as on March 31, 2020. The assets of the Company are overstated and net loss for the year ended March 31, 2020 is understated to that extent.
- viii) The impact of impairment of all other Tangible assets in Property, Plant and Equipment amounting to Rs. 37,76,89,098/- and Capital Work in Progress amounting to Rs. 14,03,44,247 /- should have been accounted in the books of accounts by the Company at the year ended March 31, 2020 after considering the physical verification of all such assets and by ascertaining the Fair Market Value of such assets by appointing a third party expert valuers and doing a valuation of the same. The assets of the Company are overstated and net loss for the year ended March 31, 2020 is understated to that extent.
- ix) No provision for doubtful debts for the sum of Rs. 26,81,000 /- has been made in books of accounts as on March 31, 2020 as per expected credit loss method prescribed under IND-AS 109 for amount recoverable from a debtor which is doubtful of recovery. The losses and current liabilities of the Company are understated as on March 31, 2020 to the extent of Rs. 26,81,000 /-.

Emphasis of Matters

- i) The Adverse Opinion expressed in the present report is based on the limited information, facts and inputs made available to us through electronic means by the Company. We wish to highlight that due to the COVID-19 induced restrictions on physical movement and strict timelines, the entire audit team could not visit the office of the Company for undertaking the required audit procedures as prescribed under ICAI issued Standards on Auditing, including but not limited to:
 - Inspection, Observation, examination and verification of the original documents of invoices, legal agreements, bank accounts statements / loan accounts statements and files.
 - Physical verification of Cash, including adequate internal controls thereof.
 - Physical Verification of Property, Plant and Equipment, Inventories and Status of Capital Work in Progress as on March 31, 2020.
 - Any other processes which required physical presence of the audit team.

- ii) The impact of pending direct and indirect tax assessments, if any, based on assessments orders / communications received by the Company has not been accounted for the year ended March 31, 2020 but will be accounted in books of accounts only after final order of demand / refund will be received from the relevant tax authorities / court.
- iii) Attention is drawn to Note No.31 and Note No.32 forming part of the financial statements relating to Exceptional Items wherein the Company has written off Rs. 42,54,046/- receivable from debtors and also written back Rs. Rs. 28,48,115/- payable to creditors in financial year 2019-2020, as a part of its policy, however it has not received any related claim or NIL balance certificate / supporting document from any its customer / vendor, hence such write off and write back of balances are subject to confirmation from the concerned parties as on March 31, 2020.
- iv) Pursuant to the order of Hon'ble NCLT initiating Corporate Insolvency Resolution Process ("CIRP"), the powers of the Board of Directors stand suspended and such powers are exercisable by RP. Attention is drawn to Note No. 35 forming part of the financial statements wherein we are informed by the RP that the suspended management has not handed over the books of accounts and other accounting records and documents, possession of the corporate office, plot at Kandivali, content library (Intangible asset), inventories, other fixed assets, original agreements and documents related to Company and the Resolution Professional has filed a non-cooperation petition with Hon'ble NCLT, Mumbai against the suspended management of the Company under section 19 of IBC. Further, attention is also drawn to the application filed before Hon'ble NCLT, Mumbai Bench, on behalf of Mr. Markand Adhikari, seeking substitution / change of the Resolution Professional under section 7(3)(B) of the Insolvency and Bankruptcy Code, 2016, the outcome of both the pending applications mentioned hereinabove cannot be ascertained as on date.
- v) In the management representation provided to us by the RP, it has been stated that the Forensic Auditor has been appointed to conduct Transaction Audit of the Company for the last 5 financial years who could not complete the audit due to non-cooperation from the suspended management and RP has also appointed IBBI approved valuers to carry out valuation of the assets (including intangible assets) of the Company. The financial impact, if any, of findings of such Forensic Audit and valuation of assets (including intangible assets) by IBBI approved valuers, will be accounted for by the Company after the said reports have been received by the Company.

Our opinion is not modified in respect of these matters.

Other Matters

- i) The Hon'ble National Company Law Tribunal, Mumbai bench ("NCLT") in an Order dated December 20, 2019 admitted an Insolvency and Bankruptcy petition filed by one of the secured lenders against Sri Adhikari Brothers Television Network Limited and appointed Mr. Vijendra Kumar Jain to act as Resolution Professional (RP) to carry the functions as mentioned under Insolvency and Bankruptcy Code, 2016.
- ii) As the powers of the Board of Directors have been suspended, the financial statements are signed by RP, however, as informed to us, the above financial statements are not approved by the Audit Committee and not adopted by Board of Directors as the erstwhile Board of Directors are suspended in CIRP.

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management / resolution professional.
- Conclude on the appropriateness of management's / Resolution Professional's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieve fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters.

We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

“ANNEXURE B” FORMING PART OF INDEPENDENT AUDITOR’S REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”).

We have audited the internal financial controls over financial reporting of Sri Adhikari Brothers Television Network Limited (“the Company”) as of March 31, 2020 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or

25TH ANNUAL REPORT 2019-2020

improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

SIGNIFICANT ACCOUNTING POLICIES AND NOTES TO THE FINANCIAL STATEMENTS

1. Significant Accounting Policies

1.1 General

The financial statements of the Company comprising of Balance Sheet, Statement of Profit and Loss, Statement of changes in Equity and Cash Flow Statement together with the notes have been prepared in accordance with Indian Accounting Standards notified under the Companies (Indian Accounting Standards) Rules, 2015 ("Ind AS") as amended.

These financial statements have been prepared and presented under the historical cost convention, on the accrual basis of accounting except for certain financial assets and liabilities that are measured at fair values at the end of each reporting period, as stated in the accounting policies stated out below.

1.2 Use of Estimate

The preparation of financial statements requires management to exercise judgment in applying the Company's accounting policies. It also requires the use of estimates and assumptions that affect the reported amounts of assets, liabilities, income and expenses and the accompanying disclosures including disclosure of contingent liabilities. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis, with revisions recognised in the period in which the estimates are revised and in any future periods affected.

1.3 Provisions, Contingent Liabilities and Contingent Assets

A provision is recognized when the company has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. If the effect of time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not require an outflow of resources embodying economic benefits or the amount of such obligation cannot be measured reliably. When there is a possible obligation or a present obligation in respect of which likelihood of outflow of resources embodying economic benefits is remote, no provision or disclosure is made.

Contingent assets are not recognised in the financial statements, however they are disclosed where the inflow of economic benefits is probable. When the realisation of income is virtually certain, then the related asset is no longer a contingent asset and is recognised as an asset.

1.4 Fixed Assets

Property, Plant and Equipment

Property, Plant and Equipment are stated at cost of acquisition as reduced by accumulated depreciation and impairment losses, if any. Cost comprises the purchase price and attributable cost for bringing the asset to its working condition for its intended use.

Intangible Fixed Assets

1.7 Revenue Recognition

For Content Production and Distribution

Revenue from sale of Business & Comercial rights is recognised when the relevant program/content is delivered/transferred.

In respect of Interest Income, it is recognized on a time proportion basis taking into account the amount outstanding and the rate applicable.

1.8 Foreign Currency Transactions

Initial Recognition

Foreign currency transactions are recorded in the reporting currency i.e. rupee value, by applying the exchange rate, between the reporting currency and the foreign currency, to the foreign currency amount at the date of the transaction.

Conversion

Foreign currency monetary items are reported using the closing rate. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction.

Exchange Differences

Exchange differences arising on the settlement of monetary items or conversion of monetary items at balance sheet date are recognised as income or expenses.

1.9 Investments

Investments that are intended to be held for more than a year are classified as Non-current investments. The Non-current Investments are carried at cost of acquisition. Provision for diminution in value is made if the decline in the value is other than temporary in the opinion of the management. Current Investments are stated at cost or realisable value whichever is lower.

1.10 Employee Benefits

SIGNIFICANT ACCOUNTING POLICIES AND NOTES TO THE FINANCIAL STATEMENTS

Other short-term employee benefits are charged to profit & loss account on accrual basis.

1.11 Borrowing Cost

Borrowings are initially recognised at net of transaction costs incurred and measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in the Statement of Profit and Loss over the period of the borrowings using the EIR.

Preference shares, which are mandatorily redeemable on a specific date are classified as liabilities. The dividend, on these preference shares is recognised as finance costs in the Statement of Profit and Loss.

Borrowing costs directly attributable to development of qualifying asset are capitalized till the date qualifying asset is ready for put to use for its intended purpose. All other Borrowing costs are recognized as expense and charged to profit & loss account.

1.12 Leases

Finance lease

Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating leases.

1.13 Financial Instruments

l) Financial Assets

a Initial recognition and measurement

All financial assets are initially recognized at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets, which are not at fair value through profit or loss, are adjusted to the fair value on initial recognition. Purchase and sale of financial assets are recognised using trade date accounting.

b Subsequent Measurement

Financial assets carried at amortised cost (AC)

A financial asset is measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through other comprehensive income (FVTOCI)

A financial asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through profit or loss (FVTPL)

A financial asset which is not classified in any of the above categories are measured at FVTPL.

c Investment in subsidiaries, Associates and Joint Ventures

The Company has accounted for its investments in subsidiaries, associates and joint venture at fair value.

d Impairment of financial assets

In accordance with Ind AS 109, the Company uses 'Expected Credit Loss' (ECL) model, for evaluating impairment of financial assets other than those measured at fair value through profit and loss (FVTPL).

SIGNIFICANT ACCOUNTING POLICIES AND NOTES TO THE FINANCIAL STATEMENTS

Expected credit losses are measured through a loss allowance at an amount equal to:

- i) The 12-months expected credit losses (expected credit losses that result from those default events on the financial instrument that are possible within 12 months after the reporting date); or
- ii) Full lifetime expected credit losses (expected credit losses that result from all possible default events over the life of the financial instrument)

For trade receivables Company applies 'simplified approach' which requires expected lifetime losses to be recognised from initial recognition of the receivables. The Company uses historical default rates to determine impairment loss on the portfolio of trade receivables. At every reporting date these historical default rates are reviewed and changes in the forward looking estimates are analysed.

For other assets, the Company uses 12 month ECL to provide for impairment loss where there is no significant increase in credit risk. If there is significant increase in credit risk full lifetime ECL is used.

e De-recognition of financial instruments

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for de-recognition under Ind AS 109. A financial liability (or a part of a financial liability) is de-recognized from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

II) Financial Liabilities

a Initial Recognition and Measurement

All Financial Liabilities are recognized at fair value and in case of borrowings, net of directly attributable cost, Fee of recurring nature are directly recognized in the Statement of Profit and Loss as finance cost.

b For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

1.14 Taxes on Income

Tax expense comprises both current and deferred taxes. Current Tax provision as per Income Tax Act, 1961, is made based on the tax liability computed after considering tax allowances and exemptions at the balance sheet date.

Deferred tax reflects the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years. Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date.

Deferred tax asset is recognized only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. Deferred tax assets are recognized on carry forward of unabsorbed depreciation and tax losses only if there is virtual certainty that such deferred tax assets can be realized against future taxable profits.

The carrying amount of Deferred Tax Assets are reviewed at each balance sheet date and written down or written up, to reflect the amount that is reasonably or virtually certain, as the case may be, to be realized.

1.15 Earning Per Share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. Dilutive earning per shares is computed and disclosed using the weighted average number of equity and dilutive equity equivalent shares outstanding during the year, except when the result would be anti-dilutive.

1.16 Impairment of Assets

The carrying values of assets / cash generating units at each Balance Sheet date are reviewed for impairment. If any indication of impairment exists, the recoverable amount of such assets is estimated and impairment is recognised, if the carrying amount of these assets exceeds their recoverable amount. The recoverable amount is the greater of the net selling price and their value in use. Value in use is arrived at by discounting the future cash flows to their present value based on an appropriate discount factor.

34 Financial Risk Management

The Company's business activities are exposed to a variety of financial risks, namely liquidity risk, market risks and credit risk. The Company's senior management has the overall responsibility for establishing and governing the Company's risk management framework. The Company has constituted a core Management Committee, which is responsible for developing and monitoring the Company's risk management policies. The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set and monitor appropriate risk limits and controls, periodically review the changes in market conditions and reflect the changes in the policy accordingly. The key risks and mitigating actions are also placed before the Audit Committee of the Company.

A) Liquidity risk

Liquidity risk is the risk that the Company will face in meeting its obligations associated with its financial liabilities. The Company's approach in managing liquidity is to ensure that it will have sufficient funds to meet its liabilities when due without incurring unacceptable losses.

The Company maintained a cautious liquidity strategy, with a positive cash balance throughout the year ended March 31, 2020 and 31st March, 2019. Cash flow from operating activities provides the funds to service the financial liabilities on a day-to-day basis. The Company regularly monitors the rolling forecasts to ensure it has sufficient cash on an on-going basis to meet operational needs. Any short term surplus cash generated, over and above the amount required for working capital management and other operational requirements, is retained as cash and cash equivalents (to the extent required) and any excess is invested in interest bearing term deposits and other highly marketable debt investments with appropriate maturities to optimise the cash returns on investments while ensuring sufficient liquidity to meet its liabilities.

B) Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk. Financial instruments affected by market risk include loans and borrowings and deposits.

Interest Rate Risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. This risk exist mainly on account of borrowings of the Company. However, all these borrowings are at fixed interest rate and hence the exposure to change in interest rate is insignificant.

Foreign Currency Risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Company is not exposed to significant foreign currency risk as at the respective reporting dates.

C) Credit Risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables) and other financial assets.

NOTES TO FINANCIAL STATEMENTS

i) Trade Receivables

Customer credit risk is managed by each business unit subject to the Company's established policy, procedures and control relating to customer credit risk management. An impairment analysis is performed at each reporting date on an individual basis for major trade receivables.

ii) Other Financial Assets

Credit risk from balances with banks and financial institutions is managed by the Company in accordance with the Company's policy. Investments of surplus funds are made only in highly marketable debt instruments with appropriate maturities to optimise the cash return on instruments while ensuring sufficient liquidity to meet its liabilities.

D) Excessive Risk Concentration

Concentrations arise when a number of counterparties are engaged in similar business activities, or activities in the same geographical region, or have economic features that would cause their ability to meet contractual obligations to be similarly affected by changes in economic, political or other conditions. Concentrations indicate the relative sensitivity of the Company's performance to developments affecting a particular industry.

In order to avoid excessive concentrations of risk, the Company's policies and procedures include specific guidelines to focus on the maintenance of a diversified portfolio. Identified concentrations of credit risks are controlled and managed accordingly.

INDEPENDENT AUDITORS' REPORT

To the Members of Sri Adhikari Brothers Television Network Limited

Report on the Audit of the Consolidated Financial Statements

Adverse Opinion

We have audited the accompanying consolidated financial statements of Sri Adhikari Brothers Television Network Limited (hereinafter referred to as the "Holding Company") and its subsidiary (the Holding Company and its subsidiary together referred to as "the Group"), its associate, which comprise the consolidated Balance Sheet as at March 31, 2020, the consolidated statement of Profit and Loss, consolidated Statement of Changes in Equity and the consolidated Statement of Cash Flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies (hereinafter referred to as the "consolidated financial statements").

In our opinion and to the best of our information and according to explanation given to us, because of the significance of the matter discussed in the Basis of Adverse Opinion section of our report, the accompanying consolidated financial statements do not give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group, its associate, as at March 31, 2020 of its consolidated loss, consolidated position of changes in equity and the consolidated cash flows for the year ended on that date.

Basis for Adverse Opinion for accounts of Holding Company (i.e. Sri Adhikari Brothers Television Network Limited)

- i) *We are not able to judge solely on the basis of verification of other audit evidences obtained during the course of audit whether the management has fulfilled its responsibility for the preparation of the financial statements in accordance with the applicable financial reporting framework. Further, we had also requested the management to give a written representation that it has provided us with all the relevant information during the audit and whether all the transactions have been properly recorded and reflected in financial statements, however the management has not provided all such written representations as required by SRE 2410 and as per Standard on Auditing SA 580, as a result we are unable to obtain sufficient appropriate audit evidence. The possible effects of such inability on the financial statements are not confined to specific elements, any accounts or items of financial statements and hence we conclude this condition to be pervasive, in our professional judgment, due to which we have issued adverse opinion on the financial statements in such circumstances as required by Standard on Auditing SA 705 (Revised).*
- ii) *We draw attention to Note No. 40 forming part of financial statements regarding preparation of accounts on going concern basis notwithstanding the fact that loans have been recalled back by secured lenders, current liabilities are substantially higher than the current assets, issue of notices under Securitisation and Reconstruction of Financial Assets and Enforcement of Security Interest Act, 2002, recovery proceedings initiated with debt recovery tribunal and taking over symbolic possession of immovable properties by the secured lenders of the Company and invocation of Corporate Guarantees which was given by the Company relating to its related group companies, initiation of Corporate Insolvency Resolution Process under Insolvency and Bankruptcy Code, 2016, termination of leave and licence agreement notices sent to lessees in the subsequent financial year, substantial losses incurred by the Company for the year ended March 31, 2020 and previous financial years and negative Total Equity of Rs. 32,20,49,937/- as on March 31, 2020. Further, attention is drawn to Order dated 17.01.2020 by Hon'ble NCLAT, New Delhi, wherein it is stated that the RP has to ensure that the Company continues to remain as a going concern and will have to take the assistance of the suspended management. The appropriateness of assumption of going concern is mainly dependent on the company's ability to generate growth in cash flows in future, to meet its obligation. However, we are unable to obtain sufficient and appropriate audit evidence regarding management using principle of going concern in the preparation of financial statements, in view of the initiation of Corporate Insolvency Resolution Process, the outcome of which cannot be ascertained as on date and uncertainty relating to other matters stated hereinabove. Further, as represented by RP in Committee of Creditors (CoC) meeting dated June 20, 2020 wherein it was decided that since the current leases are causing many hindrances, as mentioned in minutes of the said CoC meeting, in finding a resolution to the Company's current situation, the RP has served termination of Leave and License agreement notices to the lessees in the subsequent financial year in the interest of the Company. However, an application is issued on behalf of Mr. Markand Adhikari before Hon'ble NCLT, Mumbai Bench seeking issuance of appropriate directions to quash the termination of Leave and Licence Notice on behalf of the Company to the lessees. The outcome of such application cannot be ascertained as on date.*

SRI ADHIKARI BROTHERS TELEVISION NETWORK LTD.

- iii) Due to defaults in repayment of loans taken from Bank/s, the Account of the Company has been classified as Non-Performing Asset by Banks in the previous financial years and except two Banks, other Banks have not charged the interest / reversed the unpaid interest charged from the date the account has been classified as non-performing. No provision has been made in the books of accounts maintained by the Company for interest / penal interest, if any, on these term loans amounting to Rs. 19,79,81,711/- as on March 31, 2020, hence to that extent, finance cost, total loss for the year ended March 31, 2020, Negative "Other Equity" balances (as it includes interest expense of previous financial years) and current financial liabilities are understated by Rs. 19,79,81,711/- as on March 31, 2020. The said amount of Rs. 19,79,81,711/- is the difference between claims amounting to Rs. 1,94,98,88,488/- (including interest) received from banks by RP and amount of loan outstanding from banks amounting to Rs.175,19,06,777 /- reflected in books of accounts of the Company as on March 31, 2020.
- iv) The Company / RP has received claims from Operational Creditors and employees amounting to Rs. 10,19,182 /- which has been accepted, however Rs. 7,82,303/- is the balance outstanding as per books as on March 31, 2020 for such creditors and employees. The loss for the year ended March 31, 2020 and Trade Payables are understated to the extent of Rs. 2,36,879 /- as on March 31, 2020.
- v) The aggregate carrying value of business and commercial rights in the books of the Company as on March 31, 2020 is Rs. 109,83,77,750/- . There is no revenue generation from monetization of these assets during the year ended March 31, 2020 due to which the Company has incurred substantial losses during the year ended March 31, 2020 and previous financial years. There is a strong indication of impairment in the value of these business and commercial rights and therefore we are of the opinion that the impairment loss of Rs. 109,83,77,750/- should be provided on all such assets in the books of accounts of the Company as on March 31, 2020. The assets of the Company are overstated and net loss for the year ended March 31, 2020 is understated to that extent.
- vi) The Company has not provided for loss allowances on financial corporate guarantee contracts amounting to Rs. 428,28,25,736/- (including interest / penalty calculated upto CIRP admission date) given by the Company on behalf of its related group companies which is to be recognized as required by Indian Accounting Standard (IND-AS 109). The financial liabilities of the Company and net loss for the year ended March 31, 2020 is understated to that extent.
- vii) The Company's inventories are carried in the Balance Sheet at Rs. 2,71,01,487/- as on March 31, 2020. The Management has not stated the inventories at the lower of cost and net realizable value but has stated them solely at cost, which constitutes a departure from Indian Accounting Standard-2- Inventories (Ind AS-2). As the inventories of the Company consist of rights which are returned by the customers due to defect in quality of such rights and it also consist of such inventory which are non-moving for a long period of time, we are of the opinion that the net realizable value of inventories is NIL as on March 31, 2020. The assets of the Company are overstated and net loss for the year ended March 31, 2020 is understated to that extent.
- viii) The impact of impairment of all other Tangible assets in Property, Plant and Equipment amounting to Rs. 39,38,61,597/- and Capital Work in Progress amounting to Rs. 14,03,44,247 /- should have been accounted in the books of accounts by the Company at the year ended March 31, 2020 after considering the physical verification of all such assets and by ascertaining the Fair Market Value of such assets by appointing a third party expert valuers and doing a valuation of the same. The assets of the Company are overstated and net loss for the year ended March 31, 2020 is understated to that extent.
- ix) No provision for doubtful debts for the sum of Rs. 26,81,000 /- has been made in books of accounts as on March 31, 2020 as per expected credit loss method prescribed under IND-AS 109 for amount recoverable from a debtor which is doubtful of recovery. The losses and current liabilities of the Company are understated as on March 31, 2020 to the extent of Rs. 26,81,000 /-.

Emphasis of Matters in Auditors report of Holding Company (i.e. Sri Adhikari Brothers Television Network Limited)

- i) The Adverse Opinion expressed in the present report is based on the limited information, facts and inputs made available to us through electronic means by the Company. We wish to highlight that due to the COVID-19 induced restrictions on physical movement and strict timelines, the entire audit team could not visit the office of the Company for undertaking the required audit procedures as prescribed under ICAI issued Standards on Auditing, including but not limited to:
- Inspection, Observation, examination and verification of the original documents of invoices, legal agreements, bank accounts statements / loan accounts statements and files.

 - Any other processes which required physical presence of the audit team.
- ii) The impact of pending direct and indirect tax assessments, if any, based on assessments orders / communications received by the Company has not been accounted for the year ended March 31, 2020 but will be accounted in books of accounts only after final order of demand / refund will be received from the relevant tax authorities / court.
- iii) Attention is drawn to Note No.32 and Note No.33 forming part of the financial statements relating to Exceptional Items wherein the Company has written off Rs. 42,54,046/- receivable from debtors and also written back Rs. Rs. 28,48,115/- payable to creditors in financial year 2019-2020, as a part of its policy, however it has not received any related claim or NIL balance certificate / supporting document from any its customer / vendor, hence such write off and write back of balances are subject to confirmation from the concerned parties as on March 31, 2020.
- iv) Pursuant to the order of Hon'ble NCLT initiating Corporate Insolvency Resolution Process ("CIRP"), the powers of the Board of Directors stand suspended and such powers are exercisable by RP. Attention is drawn to Note No.36 forming part of the statements wherein we are informed by the RP that the suspended management has not handed over the books of accounts and other accounting records and documents, possession of the corporate office, plot at Kandivali, content library (intangible asset), inventories, other fixed assets, original agreements and documents related to Company and the Resolution Professional has filed a non-cooperation petition with Hon'ble NCLT, Mumbai against the suspended management of the Company under section 19 of IBC. Further, attention is also drawn to the application filed before Hon'ble NCLT, Mumbai Bench, on behalf of the Mr. Markand Adhikari, seeking substitution / change of the Resolution Professional under section 7(3)(B) of the Insolvency and Bankruptcy Code, 2016, the outcome of both pending applications cannot be precisely ascertained as on date.
- v) In the management representation provided to us by the RP, it has been stated that the Forensic Auditor has been appointed to conduct Transaction Audit of the Company for the last 5 financial years who could not complete the audit due to non-cooperation from the suspended management and RP has also appointed IBBI approved valuers to carry out valuation of the assets (including intangible assets) of the Company. The financial impact, if any, of findings of such Forensic Audit and valuation of assets (including intangible assets) by IBBI approved valuers, will be accounted for by the Company after the said reports have been received by the Company.

Our opinion is not modified in respect of these matters.

Emphasis of Matters in Auditors report of Subsidiary Company (i.e. Westwind Realtors Limited)

Attention is drawn to Significant accounting policies forming part of financial statements of the Subsidiary Company which states that the Subsidiary Company has not provided for depreciation on Building which is being constructed out of construction contribution received from members in accordance with the Articles of Association of the Company, which being a typical nature of entity, wherein though the Company is the technical / legal owner of the property, the shareholders are the beneficial owners of the areas allotted to them in proportion to their shareholding, due to which fixed assets are stated at cost of acquisition and direct/indirect incidental cost incurred to bring them into their present location and condition as per the generally accepted accounting principles.

Our opinion is not modified in respect of this matter.

Basis of Adverse Opinion for accounts of Associate Company (i.e. SAB Media Networks Private Limited):

- i) *The aggregate carrying value of Business and Commercial Rights and Channel Development Cost in the books of the Company as on March 31, 2020 is Rs. 98,47,20,824/-. There is no revenue generation from monetization of these assets during the year ended March 31, 2020 due to which the Company has incurred substantial losses during the year ended March 31, 2020 and previous financial years. There is a strong indication of impairment in the value of these Business and Commercial Rights and Channel Development Cost and therefore we are of the opinion that the impairment loss of Rs. 98,47,20,824/- should be provided on all such assets in the books of accounts of the Company as on March 31, 2020. The assets of the Company are overstated and net loss for the year ended March 31, 2020 is understated to that extent.*

SRI ADHIKARI BROTHERS TELEVISION NETWORK LTD.

Performing Asset by Banks in the previous financial years. Further bank has taken possession and sold the collateral securities belonging to the promoters and its group entities and has invoked the shares pledged as collaterals provided by third party and adjusted sale proceeds of Rs. 25,78,01,079/- against the interest liability. No provision has been made in the books of accounts maintained by the Company for interest / penal interest, if any, on these term loans amounting to Rs. 26,81,93,660/- as on March 31, 2020, hence to that extent, finance cost, total loss for the year ended March 31, 2020, Negative "Other Equity" balances (as it includes interest expense of previous financial years) and current financial liabilities are understated by Rs. 26,81,93,660/- as on March 31, 2020.

Material uncertainty related to Going Concern of Associate Company (i.e. SAB Media Networks Private Limited):

- i) The financial statements are prepared on going concern basis notwithstanding the fact that loan accounts are classified as non-performing by bank, loans have been recalled back by secured lenders, current liabilities are substantially higher than the current assets, sale of mortgaged property provided as collateral by promoter and promoter group companies, invocation of part of the shares pledged as collaterals by bank, further as discussed in the Basis of Adverse Opinion paragraph, the carrying value of non-current assets has been fully impaired and also that there is no business activity has been carried out during the financial year under audit and substantial losses incurred by the Company during the year ending March 31, 2020 and previous financial years and negative net worth of Rs. 32,49,83,866 /- as on March 31, 2020. All of the above conditions indicate that a material uncertainty exists that may cast significant doubt on the company's ability to continue as a going concern.

Our opinion is not modified in respect of this matter.

Other Matters

- i) The Hon'ble National Company Law Tribunal, Mumbai bench ("NCLT") in an Order dated December 20, 2019 admitted an Insolvency and Bankruptcy petition filed by one of the secured lenders against Sri Adhikari Brothers Television Network Limited and appointed Mr. Vijendra Kumar Jain to act as Resolution Professional (RP) to carry the functions as mentioned under Insolvency and Bankruptcy Code, 2016.
- ii) As the powers of the Board of Directors have been suspended, the financial statements are signed by RP, however, as informed to us, the above financial statements are not approved by the Audit Committee and not adopted by Board of Directors as the erstwhile Board of Directors are suspended in CIRP.
- iii) The consolidated financial statements includes audited financial statements of 1 subsidiary whose financial statements reflect total assets of Rs. 4,99,24,522/- as at March 31, 2020, total revenues of Rs. NIL and total net loss after tax of Rs.11,800 /- for the period from April 1, 2019 to March 31, 2020, as considered in the consolidated financial statements. The consolidated audited financial statements does not include Group's share of net loss after tax for the year ended March 31, 2020, in respect of one associate, whose financial statements have been audited by us. According to the information and explanations given to us by the Management and as per Indian Accounting Standard (Ind AS 28) "Investments in Associates", these financial statements of the associate are not considered in the statements of the Parent as the investment in the associate company had become Rs. NIL in the previous financial year in the books of the Parent and liability for proportionate losses of the current year ended March 31, 2020 are not recognised as per requirements of Indian Accounting Standard (Ind AS) 28.

Information Other than the Financial Statements and Auditor's Report Thereon

The Group Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board's report and Management Discussion and Analysis, but does not include the Secretarial Audit Report, Consolidated financial statements and our auditor's report thereon. The Board's report and Management Discussion and Analysis is expected to be made to us after the date of this auditor's report.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance or conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the Board's report and Management Discussion and Analysis, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and make disclosures and take specific actions as per applicable laws and regulations, if required.

Key Audit Matters

Except for the matter described in the Basis for Disclaimer of Opinion section and Emphasis of Matters paragraph, we have determined that there are no other key audit matters to communicate in our report.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated financial statements in term of the requirements of the Companies Act, 2013 that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group including its associate in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act. The respective Board of Directors of the Companies included in the Group and of its associate are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group and of its associate are responsible for assessing the ability of the Group and of its associate to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group and of its associate are responsible for overseeing the financial reporting process of the Group and of its associate.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of Group and its associate to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and

SRI ADHIKARI BROTHERS TELEVISION NETWORK LTD.

its associate to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieve fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and its associate to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

“ANNEXURE A” FORMING PART OF INDEPENDENT AUDITOR’S REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”).

We have audited the internal financial controls over financial reporting of Sri Adhikari Brothers Television Network Limited (“the Holding Company”), its subsidiary company and its associate company as of March 31, 2020 in conjunction with our audit of the consolidated financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company, its subsidiary company and its associate company are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company, its Subsidiary Company and its Associate Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

SIGNIFICANT ACCOUNTING POLICIES AND NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

1. Significant Accounting Policies

1.1 General

The financial statements of the Company comprising of Balance Sheet, Statement of Profit and Loss, Statement of changes in Equity and Cash Flow Statement together with the notes have been prepared in accordance with Indian Accounting Standards notified under the Companies (Indian Accounting Standards) Rules, 2015 ("Ind AS") as amended.

These financial statements have been prepared and presented under the historical cost convention, on the accrual basis of accounting except for certain financial assets and liabilities that are measured at fair values at the end of each reporting period, as stated in the accounting policies stated out below.

1.2 Use of Estimate

The preparation of financial statements requires management to exercise judgment in applying the Company's accounting policies. It also requires the use of estimates and assumptions that affect the reported amounts of assets, liabilities, income and expenses and the accompanying disclosures including disclosure of contingent liabilities. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis, with revisions recognised in the period in which the estimates are revised and in any future periods affected.

1.3 Provisions, Contingent Liabilities and Contingent Assets

A provision is recognized when the company has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. If the effect of time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not require an outflow of resources embodying economic benefits or the amount of such obligation cannot be measured reliably. When there is a possible obligation or a present obligation in respect of which likelihood of outflow of resources embodying economic benefits is remote, no provision or disclosure is made.

Contingent assets are not recognised in the financial statements, however they are disclosed where the inflow of economic benefits is probable. When the realisation of income is virtually certain, then the related asset is no longer a contingent asset and is recognised as an asset.

1.4 Fixed Assets

Property, Plant and Equipment

Property, Plant and Equipment are stated at cost of acquisition as reduced by accumulated depreciation and impairment losses, if any. Cost comprises the purchase price and attributable cost for bringing the asset to its working condition for its intended use.

1.9 Investments

Provision for diminution in value is made if the decline in the value is other than temporary in the opinion of the management. Current Investments are stated at cost or realisable value whichever is lower.

1.10 Employee Benefits

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

Remeasurements of the net defined benefit liability/ (asset) comprising actuarial gains and losses (excluding interest on the net defined benefit liability/ (asset)) are recognised in Other Comprehensive Income (OCI). Such remeasurements are not reclassified to the statement of profit and loss, in the subsequent periods.

Other short-term employee benefits are charged to profit & loss account on accrual basis.

1.11 Borrowing Cost

Borrowings are initially recognised at net of transaction costs incurred and measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in the Statement of Profit and Loss over the period of the borrowings using the EIR.

Preference shares, which are mandatorily redeemable on a specific date are classified as liabilities. The dividend, if any, on these preference shares is recognised as finance costs in the Statement of Profit and Loss.

Borrowing costs directly attributable to development of qualifying asset are capitalized till the date qualifying asset is ready for put to use for its intended purpose. All other Borrowing costs are recognized as expense and charged to profit & loss account.

1.12 Leases

Finance lease

Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating leases.

1.13 Financial Instruments

I) Financial Assets

a Initial recognition and measurement

All financial assets are initially recognized at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets, which are not at fair value through profit or loss, are adjusted to the fair value on initial recognition. Purchase and sale of financial assets are recognised using trade date accounting.

b Subsequent Measurement

Financial assets carried at amortised cost (AC)

A financial asset is measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through other comprehensive income (FVTOCI)

A financial asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through profit or loss (FVTPL)

A financial asset which is not classified in any of the above categories are measured at FVTPL.

c Impairment of financial assets

In accordance with Ind AS 109, the Company uses 'Expected Credit Loss' (ECL) model, for evaluating impairment of financial assets other than those measured at fair value through profit and loss (FVTPL).

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

Expected credit losses are measured through a loss allowance at an amount equal to:

- i) The 12-months expected credit losses (expected credit losses that result from those default events on the financial instrument that are possible within 12 months after the reporting date); or
- ii) Full lifetime expected credit losses (expected credit losses that result from all possible default events over the life of the financial instrument)

For trade receivables Company applies 'simplified approach' which requires expected lifetime losses to be recognised from initial recognition of the receivables. The Company uses historical default rates to determine impairment loss on the portfolio of trade receivables. At every reporting date these historical default rates are reviewed and changes in the forward looking estimates are analysed.

For other assets, the Company uses 12 month ECL to provide for impairment loss where there is no significant increase in credit risk. If there is significant increase in credit risk full lifetime ECL is used.

d De-recognition of financial instruments

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for de-recognition under Ind AS 109. A financial liability (or a part of a financial liability) is de-recognized from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

II) Financial Liabilities

a Initial Recognition and Measurement'

All Financial Liabilities are recognized at fair value and in case of borrowings, net of directly attributable cost, Fee of recurring nature are directly recognized in the Statement of Profit and Loss as finance cost.

- b** For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

1.14 Taxes on Income

Tax expense comprises both current and deferred taxes. Current Tax provision as per Income Tax Act, 1961, is made based on the tax liability computed after considering tax allowances and exemptions at the balance sheet date.

Deferred tax reflects the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years. Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date.

Deferred tax asset is recognized only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. Deferred tax assets are recognized on carry forward of unabsorbed depreciation and tax losses only if there is virtual certainty that such deferred tax assets can be realized against future taxable profits.

The carrying amount of Deferred Tax Assets are reviewed at each balance sheet date and written down or written up, to reflect the amount that is reasonably or virtually certain, as the case may be, to be realized.

1.15 Earning Per Share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. Dilutive earning per shares is computed and disclosed using the weighted average number of equity and dilutive equity equivalent shares outstanding during the year, except when the result would be anti-dilutive.

1.16 Impairment of Assets

The carrying values of assets / cash generating units at each Balance Sheet date are reviewed for impairment. If any indication of impairment exists, the recoverable amount of such assets is estimated and impairment is recognised, if the carrying amount of these assets exceeds their recoverable amount. The recoverable amount is the greater of the net selling price and their value in use. Value in use is arrived at by discounting the future cash flows to their present value based on an appropriate discount factor.

35 Financial Risk Management

The Company's business activities are exposed to a variety of financial risks, namely liquidity risk, market risks and credit risk. The Company's senior management has the overall responsibility for establishing and governing the Company's risk management framework. The Company has constituted a core Management Committee, which is responsible for developing and monitoring the Company's risk management policies. The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set and monitor appropriate risk limits and controls, periodically review the changes in market conditions and reflect the changes in the policy accordingly. The key risks and mitigating actions are also placed before the Audit Committee of the Company.

A) Liquidity risk

Liquidity risk is the risk that the Company will face in meeting its obligations associated with its financial liabilities. The Company's approach in managing liquidity is to ensure that it will have sufficient funds to meet its liabilities when due without incurring unacceptable losses.

The Company maintained a cautious liquidity strategy, with a positive cash balance throughout the year ended 31st March, 2018 and 31st March, 2017. Cash flow from operating activities provides the funds to service the financial liabilities on a day-to-day basis. The Company regularly monitors the rolling forecasts to ensure it has sufficient cash on an on-going basis to meet operational needs. Any short term surplus cash generated, over and above the amount required for working capital management and other operational requirements, is retained as cash and cash equivalents (to the extent required) and any excess is invested in interest bearing term deposits and other highly marketable debt investments with appropriate maturities to optimise the cash returns on investments while ensuring sufficient liquidity to meet its liabilities.

B) Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk. Financial instruments affected by market risk include loans and borrowings and deposits.

Interest Rate Risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. This risk exist mainly on account of borrowings of the Company. However, all these borrowings are at fixed interest rate and hence the exposure to change in interest rate is insignificant.

Foreign Currency Risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Company is not exposed to significant foreign currency risk as at the respective reporting dates.

Price Risk

The Company is mainly exposed to the price risk due to its investment in debt mutual funds. The price risk arises due to uncertainties about the future market values of these investments.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

C) Credit Risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables) and other financial assets.

i) Trade Receivables

Customer credit risk is managed by each business unit subject to the Company's established policy, procedures and control relating to customer credit risk management. An impairment analysis is performed at each reporting date on an individual basis for major trade receivables.

ii) Other Financial Assets

Credit risk from balances with banks and financial institutions is managed by the Company in accordance with the Company's policy. Investments of surplus funds are made only in highly marketable debt instruments with appropriate maturities to optimise the cash return on instruments while ensuring sufficient liquidity to meet its liabilities.

D) Excessive Risk Concentration

Concentrations arise when a number of counterparties are engaged in similar business activities, or activities in the same geographical region, or have economic features that would cause their ability to meet contractual obligations to be similarly affected by changes in economic, political or other conditions. Concentrations indicate the relative sensitivity of the Company's performance to developments affecting a particular industry. In order to avoid excessive concentrations of risk, the Company's policies and procedures include specific guidelines to focus on the maintenance of a diversified portfolio. Identified concentrations of credit risks are controlled and managed accordingly.

Further, we had also requested the management to give a written representation that it has provided us with all the relevant information during the audit and whether all the transactions have been properly recorded and reflected in financial statements, however the management has not provided all such written representations as required by SRE 2410 and as per Standard on Auditing SA 580, as a result we are unable to obtain sufficient appropriate audit evidence. Further, attention is drawn to Order dated 17.01.2020 by Hon'ble NCLAT, New Delhi, wherein it is stated that the RP has to ensure that the Company continues to remain as a going concern and will have to take the assistance of the suspended management. However, we are unable to obtain sufficient and appropriate audit evidence regarding management using principle of going concern in the preparation of financial results, in view of the initiation of Corporate Insolvency Resolution Process, the outcome of which cannot be ascertained as on date and uncertainty relating to other matters stated hereinabove. II. Audit Qualification (each audit qualification separately):				
1	a.	Details of Audit Qualification: Written management representation as per SRE 2410 and SA 580 not provided. We are not able to judge solely on the basis of verification of other audit evidences obtained during the course of audit whether the management (i.e. RP pursuant to the NCLT order) has fulfilled its responsibility for the preparation of the financial statements in accordance with the applicable financial reporting framework. Further, we had also requested the management to give a written representation that it has provided us with all the relevant information during the audit and whether all the transactions have been properly recorded and reflected in financial statements, however the management has not provided all such written representations as required by SRE 2410 and as per Standard on Auditing SA 580, as a result we are unable to obtain sufficient appropriate audit evidence. The possible effects of such inability on the financial statements are not confined to specific elements, any accounts or items of financial statements and hence we conclude this condition to be pervasive, in our professional judgment, due to which we have issued adverse opinion on the financial statements in such circumstances as required by Standard on Auditing SA 705 (Revised).

2	<p>a. Details of Audit Qualification: Unable to obtain sufficient and appropriate audit evidence regarding management use of the going concern of accounting in the preparation of financial results.</p> <p>ii) We draw attention to Note No. 6 forming part of financial results regarding preparation of accounts on going concern basis notwithstanding the fact that loans have been recalled back by secured lenders, current liabilities are substantially higher than the current assets, issue of notices under Securitisation and Reconstruction of Financial Assets and Enforcement of Security Interest Act, 2002, recovery proceedings initiated with debt recovery tribunal and taking over symbolic possession of immovable properties by the secured lenders of the Company and invocation of Corporate Guarantees which was given by the Company relating to its related group companies, initiation of Corporate Insolvency Resolution Process under Insolvency and Bankruptcy Code, 2016, termination of leave and licence agreement notices sent to lessees in the subsequent financial year, substantial losses incurred by the Company for the quarter and period ended March 31, 2020 and previous financial years and negative Total Equity of Rs. 32,20,49,937/- as on March 31, 2020. Further, attention is drawn to Order dated 17.01.2020 by Hon'ble NCLAT, New Delhi, wherein it is stated that the RP has to ensure that the Company continues to remain as a going concern and will have to take the assistance of the suspended management. The appropriateness of assumption of going concern is mainly dependent on the company's ability to generate growth in cash flows in future, to meet its obligation. However, we are unable to obtain sufficient and appropriate audit evidence regarding management using principle of going concern in the preparation of financial results, in view of the initiation of Corporate Insolvency Resolution Process, the outcome of which cannot be ascertained as on date and uncertainty relating to other matters stated hereinabove. Further, as represented by RP in Committee of Creditors (CoC) meeting dated June 20, 2020 wherein it was decided that since the current leases are causing many hindrances, as mentioned in minutes of the said CoC meeting, in finding a resolution to the Company's current situation, the RP has served termination of Leave and License agreement notices to the lessees in the subsequent financial year in the interest of the Company. However, an application is issued on behalf of Mr. Markand Adhikari before Hon'ble NCLT, Mumbai Bench seeking issuance of appropriate directions to quash the termination of Leave and Licence Notice on behalf of the Company to the lessees. The outcome of such application cannot be ascertained as on date.</p> <p>b. Type of Audit Qualification : Qualified Opinion / Disclaimer of Opinion / Adverse Opinion</p> <p>c.
